Hello,

Hope all is well! Reaching out on behalf of ***Newsmax*** to request an interview with **Gov. Greg Gianforte** this **Saturday, March 20th** at **1:04 PM ET** for ***Saturday Agenda with host Joe Pinion***. This would be to discuss issues of housing prices being driven up by wealthier individuals snatching up a lot of real estate and how we can ensure regular Montanans don't get priced out of the market!

Please let me know if he would be available to join us via skype or zoom. We would love to have the Governor on the show.

Best,

Joseph Strangis
