However, we will be receiving October's shortly, and just for a heads-up December will require all 4 reports as Michele ran in May those requirements are twice a year June and December unless it is an election year (even year)😊, and we will run those in May.

Hope this helps.

Looking forward to meeting all of you in December!

Have a great day, and rest to your week!

Good morning!

ERIC is requesting the required data within the 90 days from when Michele received the reports and sent them to all our counties on 5/20/2022.

However, ERIC is requesting the Cross State as well as the In-State updates.

So, no need to provide the Deceased and the NCOA reports at this time.

The next time you'll have to certify will be when we do our next batch of Cross State and In State Updates, which, according to the schedule, will be in December 2022.

I apologize, for any confusion that this may cause and that I'm in the process of learning the requirements that ERIC requires Statewide.

Please do not hesitate to contact me with any questions or concerns.

Thank you for your time in this matter.

Have a great week!

I do not believe we need to call a Special Meeting on 1/2/23, but Keith and/or I will confirm that with you the appropriate date.

Given that our next BoCC meeting is 12/6, right? Do you anticipate that we will have a 2nd Dec meeting on 12/20? Either way, the first meeting of 2023 would logically be 1/3/23.

Hi Lee;
Our apologies for the long delay before responding. This office has many duties including Elections and so our last month las been quite busy.
However, we do have the records you requested which I have attached here in an Excel file. We do not track marriages by gender. Good luck with your research project and please let us know if we can help in any further ways.

Sincerely,

Subject: Formal Request for Marriage Counts

To whom it may concern,

My name is Lee Brady, and I am working with Krista Payne, the Principal Investigator on a NIH grant titled Archiving Contemporary County and State Nuptiality Data (1R03HD103830-01). The goal of this project is to collect, archive, and disseminate county and state-level marriage and divorce counts disaggregated by couple gender (when available) in the United States from 2011 through 2021. Currently this information is not available in one place and hopefully this will help states compare and track their county level marriage and divorce data. We completed a similar project with 2010 data.

I am seeking the total number of marriage licenses issued or marriage licenses recorded in your county for years 2011 through 2021, by year. I am happy to accept these data in any format. If there is a processing fee, please let me know and I can make a payment. If possible, we would like these data by couple gender.

Thank you for considering my request. If you have any questions, please reach out. I am grateful for your effort and assistance.

Hello. I have added our new Clerk-Treasurer to this email so he can stay in the loop with us. Dore resigned from the county last week.

As of today's voter numbers I would say will be mailing approximately **970 of the G1** Sample Ballot and **3050 of the G2** Sample Ballot. We would like an additional **125 of the G1** Sample Ballots and **325 of the G2** Sample Ballots sent to the office, please.

Let me know that if you need anything else and thank you for your assistance.

Good afternoon Heather,

I've just reviewed your 2 sample ballots and found a few minimal corrections that need to be updated (consistency issue with the area code on the cover, NV vs. Nevada on the inside front cover, and G2 states G1 on the back cover), as well as we had a spacing typo in the State Questions we formatted for all counties. The State Printer is taking one more look at them to make sure he doesn't see any issues either and then we will update and send you the final versions.

In the meantime, can you please provide me with counts for printing each version, as well as if you wish any to be pulled and sent directly to the Clerk's office prior to us giving them to Nevada Presort for mailing. Once I receive that, we can finalize and send through for printing. Sorry it took me a few days to get to final review of them but we will get them sent through asap. Thanks!

1. I don't see a problem with limited access to the results. Why do you want to handle it that way?

   Thank you for allowing this. As for the reason, my Client and I prefer that we are able to control access to the collected data and results which will come at significant expense to gather

2. 6 months is good here. As always the final decision is up to the Board of County Commissioners

   Acknowledged, thank you

3. Rental amount is good here subject to Board approval

   Acknowledged, thank you

4. The item can go on the agenda for November 15. That is the only hearing required.

   Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

   Do you think I should plan to be at the Nov 15th meeting or do you feel it will be a fairly simple agenda item that wont require my presence?

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Thank you again Keith and feel free to give me a call to discuss.

Rental agreement looks good. $1,000.00 as rental fee has not been approved by the Board and will have to be ironed out. County would like to have access to the results of the investigation. Does that pose Keith Loomis

Subject: Gooseberry Rental Agreement

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease underNova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

I did receive the rental agreement and have forwarded it on to Austin Osborne. He has authorized placement on the December 6, agenda. I am preparing the agenda request form. I have amended the rental agreement to reflect the date of approval as December 6, 2022 and that the agreement and the amount of the rent are approved by the BOCC. See the attached. You might want to consider being present at the BOCC meeting. There may be questions.

On another note, there is some interest by another party to conduct an investigation similar to yours for the possible acquisition of an easement across the property. Any concerns about a similar rental agreement with a 3rd party?

1. I don't see a problem with limited access to the results. Why do you want to handle it that way?

   Thank you for allowing this. As for the reason, my Client and I prefer that we are able to control access to the collected data and results which will come at significant expense to gather

2. 6 months is good here. As always the final decision is up to the Board of County Commissioners

   Acknowledged, thank you

3. Rental amount is good here subject to Board approval

   Acknowledged, thank you

4. The item can go on the agenda for November 15. That is the only hearing required.

   Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

   Do you think I should plan to be at the Nov 15th meeting or do you feel it will be a fairly simple agenda item that wont require my presence?

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Thank you again Keith and feel free to give me a call to discuss.

Subject: Gooseberry Rental Agreement

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease under Nova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

Licensee agrees to defend, indemnify and hold harmless Storey County and their respective directors, officers, agents, employees, contractors, subsidiaries and affiliates (the "***Indemnitee Parties***") from and against any and all claims, liabilities, losses, damages, costs, fines and penalties (including reasonable attorney's fees) ("***Damages***"), which the Indemnitee Parties hereafter incur, suffer or are required to pay arising out of or relating to Licensee's negligent conduct, act or omission, except any Damages resulting solely from the Indemnitee Parties' gross negligence or willful misconduct. This indemnification shall survive the termination of this Agreement.

8. Early Termination by Licensee. The Licensee has the right to terminate the lease prior to the end of the 180 period calendar days without penalty. The Licensee must provide Storey County with a minimum of seven (7) days' notice of their intent to terminate the lease early. Subject: Gooseberry Rental Agreement

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease under Nova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

-Tony

Thanks for the information Keith. I will plan to be at the meeting Dec 6th. I think you may have attached the wrong version as I don't see the changes you referenced.

As far as the other 3rd party goes can you provide more information there? Without more information I don't think we would be comfortable with another party having a rental agreement on the property at the same time we do as we feel that would open us up to some liability and potential conflict with our due diligence activities.

Also, we have some concern on the specifics and timing of the potential easement and how it could impact our ability to use the property should our due diligence efforts prove positive and we proceed with pursuing acquisition of the property. A significant sum of money is going to be spent on these due diligence efforts and understanding the potential impact this easement could have is important. At this time is it possible to be provided with more details on the easement?

Thanks Keith!

I did receive the rental agreement and have forwarded it on to Austin Osborne. He has authorized placement on the December 6, agenda. I am preparing the agenda request form. I have amended the rental agreement to reflect the date of approval as December 6, 2022 and that the agreement and the amount of the rent are approved by the BOCC. See the attached. You might want to consider being present at the BOCC meeting. There may be questions.

On another note, there is some interest by another party to conduct an investigation similar to yours for the possible acquisition of an easement across the property. Any concerns about a similar rental agreement with a 3rd party?

1. I don't see a problem with limited access to the results. Why do you want to handle it that way?

   Thank you for allowing this. As for the reason, my Client and I prefer that we are able to control access to the collected data and results which will come at significant expense to gather

2. 6 months is good here. As always the final decision is up to the Board of County Commissioners

   Acknowledged, thank you

3. Rental amount is good here subject to Board approval

   Acknowledged, thank you

4. The item can go on the agenda for November 15. That is the only hearing required.

   Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Thank you again Keith and feel free to give me a call to discuss.

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease underNova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

1. I don't see a problem with limited access to the results. Why do you want to handle it that way?

Thank you for allowing this. As for the reason, my Client and I prefer that we are able to control access to the collected data and

results which will come at significant expense to gather

2. 6 months is good here. As always the final decision is up to the Board of County Commissioners

Acknowledged, thank you

3. Rental amount is good here subject to Board approval

Acknowledged, thank you

4. The item can go on the agenda for November 15. That is the only hearing required.

Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

Do you think I should plan to be at the Nov 15th meeting or do you feel it will be a fairly simple agenda item that wont require my presence?

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Thank you again Keith and feel free to give me a call to discuss.

1. I don't see a problem with limited access to the results. Why do you want to handle it that way?
2. 6 months is good here. As always the final decision is up to the Board of County Commissioners
3. Rental amount is good here subject to Board approval
4. The item can go on the agenda for November 15. That is the only hearing required.

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Thank you again Keith and feel free to give me a call to discuss.

Rental agreement looks good. $1,000.00 as rental fee has not been approved by the Board and will have to be ironed out. County would like to have access to the results of the investigation. Does that pose Keith Loomis

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease underNova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

   Acknowledged, thank you

4. The item can go on the agenda for November 15. That is the only hearing required.

   Ok, thank you. Is there anything further I need to do to ensure we are on the agenda for Nov 15th? Just want to make sure I don't need to file a separate request or anything else.

   Do you think I should plan to be at the Nov 15th meeting or do you feel it will be a fairly simple agenda item that wont require my presence?

Keith,

Thanks for getting back to me! A response to your question below and a few additional comments/questions.

- As far as access to the results, we have no problem with that but is it possible to always keeps the results in our possession and then provide Storey County access to it either physically or through a share site that provides the ability to view the documents but not download? We would be also happy to arrange a meeting where we can present the results to the County.
- After speaking with my client we would like to have the rental agreement be for 6-months instead of the 4, please let me know if that would be ok. We just want to ensure we have enough time to get done what we need to.
- For the rental fee, can we propose that it be 50% of what the annual prop taxes on the property is? Basically just a pro-rated amount for the term of the rental agreement? The full amount would be paid even if the rental term is terminated early.
- I understand the board is meeting next week? Will we be able to get this on the agenda for that meeting? Also, is that the only meeting that this item will need to be heard at? We are just trying to understand more precisely when the rental term may commence

Morning Tony

Rental agreement looks good. $1,000.00 as rental fee has not been approved by the Board and will have to be ironed out. County would like to have access to the results of the investigation. Does that pose Keith Loomis

Subject: Gooseberry Rental Agreement

Hi Keith,

I hope you have been well!

I believe that my Client may have informed you I may be reaching out regarding the short term lease of the gooseberry mine property.

At the current time I intend to execute this lease underNova Geotechnical and Inspection Service Northern Nevada, LLC which is one of the NV entities owned by Universal Engineering Sciences (UES) which is the name we dba.

Alma has provided me with the draft agreement which I believe you have already seen and I have made a few revisions and additions to it and it is attached here for your review and comment.

I am going to coordinate with my Client next week on the appropriate commencement day of the rental agreement as well as the term. Did Storey County have any limitations or preference on either of these points?

AMERICAN OVERSIGHT

Also, has the $1,000 fee been discussed already and agreed upon or is that something that still needs to be ironed out?

Thank you Keith and please let me know if you would like to jump on a call on Monday or Tuesday next week to discuss.

I hope you have a good weekend!

I understand you are in a conference most of this week, when you have a moment could you let me know if that date and time will work with your schedule?

Good Afternoon Mr. Osborne,

It appears that December 1st at 10:00 a.m. is the best date for the Judges and Max. After speaking with Mr. Hindle this afternoon he indicated that he and Mr. Carmona will make themselves available. I understand you are in a conference most of this week, when you have a moment could you let me know if that date and time will work with your schedule?

Julie

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!” 😊

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, "Cheers to all of you and thank you for all your help over the years!"😊

All,

AMERICAN OVERSIGHT

Attached is a letter that my District Attorney has drafted for Douglas County to send to the multiple requests we have received to keep the 2020 General Election. She has given me permission to share it with you all. We will be dating it for September 30th with a deadline date of October 31st (Nevada Day😊).

I would love to know if anyone else would also be willing to send a similar letter, perhaps through their DA, and then maybe we will all be able to shred around the same time.

Thanks!

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!”😊

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!” 😊

I would love to know if anyone else would also be willing to send a similar letter, perhaps through their DA, and then maybe we will all be able to shred around the same time.

Thanks!

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!” 😊

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!” 😊

Hi Aubrey:
I know I missed yesterday's call and want you to know I will do my best to be on them from here on out. As you may expect, I am "drinking from the fire hose" up here in VC and was committed all day yesterday to system training. Thanks for the notes from Mark's discussion and for keeping me in the loop.

All,

Attached is a letter that my District Attorney has drafted for Douglas County to send to the multiple requests we have received to keep the 2020 General Election. She has given me permission to share it with you all. We will be dating it for September 30th with a deadline date of October 31st (Nevada Day☺).

I would love to know if anyone else would also be willing to send a similar letter, perhaps through their DA, and then maybe we will all be able to shred around the same time.

Thanks!

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Re: Notice of Litigation and Document Preservation Notice dated September 2, 2022

Dear Mr. Parker:

Thank you for your interest in the election process. You are encouraged to report any concerns you may have regarding election integrity to the Nevada Secretary of State (hereafter SOS) through its website (www.nvsos.gov) or on the SOS Election Integrity Violation Report Form, which is attached for convenience.

As a courtesy, this letter will serve as a response to your email and letter dated September 2, 2022, titled Notice of Litigation and Document Preservation Notice sent to Ms. Amy Burgans, Douglas County Clerk-Treasurer. Your letter indicates your firm represents "clients" that "intend" to bring litigation in "your state" relating to vote casting and tabulation for the November 3, 2020 general election and without further information or facts, demands that all Douglas County election records and related materials generated for the 2020 Federal Election, be retained " if election related litigation occurs." To-date, no complaint has been served by your unnamed clients on Douglas County. Furthermore, 52 USC §20701 is cited to justify the demand. However, the preservation requirements of 52 USC §20701 are limited to 22 months, during which time only the United States Attorney General is able to demand production of records. *See,* 52 USC §20703. Additionally, consistent with federal law, Nevada Revised Statutes (hereafter NRS) require voted ballots, rejected ballots, spoiled ballots, challenge lists, printed paper ballots, electronic device audit reports, and ballot stubs **must be destroyed immediately** after the 22 month preservation period following the board of county commissioners' canvass of the votes.

> **NRS 293.391 Disposition and inspection of ballots, lists, records and stubs of voted ballots after canvass by county commissioners. [Effective January 1, 2022.]**
> 1. The voted ballots, rejected ballots, spoiled ballots, challenge lists, records printed on paper of voted ballots collected pursuant to NRS 293B.400, reports prepared pursuant to NRS 293.269937 and stubs of the ballots used, enclosed and sealed, must, after canvass of the votes by the board of county commissioners, be deposited in the vaults of the county clerk. The records of voted ballots that are maintained in electronic form must, after canvass of the votes by the board of county commissioners, be sealed and deposited in the vaults of the county clerk. The tally lists collected pursuant to this title must, after canvass of the votes by the board of county commissioners, be deposited in the vaults of the county clerk without being sealed. *All materials described by this subsection must be preserved for at least 22 months, and all such sealed*

AMERICAN OVERSIGHT

materials must be destroyed immediately after the preservation period. A notice of the destruction must be published by the clerk in at least one newspaper of general circulation in the county not less than 2 weeks before the destruction.

The Board of Douglas County Commissioners completed its canvass of the November 3, 2020 general election on November 16, 2020. The 22 month preservation period has expired and Douglas County has given notice of destruction. At this time, Douglas County is required[1] to destroy the election documents associated with the November 3, 2020, general election without any considerable loss of time[2]. The timeframe for contesting, demanding a recount, or challenging the 2020 general election results in Douglas County has expired. Additionally, lawsuits involving mail-in ballots as well as the 2020 election results have already been ruled upon by various Nevada courts.

The request is arbitrary, insufficient, and fails to place Douglas County on notice of any credible, timely, legal claims which may be brought in order to trigger the duty to preserve evidence by the Douglas County Clerk-Treasurer under either federal or state law. The request is void of any specific claims or details regarding Douglas County. It appears the letter is a generic fill-in-the-blank form. Douglas County has no basis to believe legitimate litigation is reasonably anticipated or foreseeable.

Therefore, it is unreasonable, overly burdensome, and contrary to Nevada law for Douglas County to hold all election records associated with the 2020 Federal Election, beyond the statutory time frame. Douglas County will destroy its election records in accordance with NRS 293.391, unless prior to October 31, 2022, litigation is commenced and served upon Douglas County or a valid court order is entered requiring Douglas County to preserve the election documents.

Thank you,

MARK B. JACKSON
Douglas County District Attorney

Attached is a letter that my District Attorney has drafted for Douglas County to send to the multiple requests we have received to keep the 2020 General Election. She has given me permission to share it with you all. We will be dating it for September 30th with a deadline date of October 31st (Nevada Day 😊).

I would love to know if anyone else would also be willing to send a similar letter, perhaps through their DA, and then maybe we will all be able to shred around the same time.

Thanks!

Hello all,

Hope that the Election is running smooth for everyone…..7 more days!!😊

The letter that my DA sent had a deadline of 10/31, which has now passed and we have received no responses from those that submitted litigation hold requests. My DA is advising that we can now shred the 2020 General Election. Before I do so, I was curious where everyone else is in their decision to either shred or hold onto it?

Best,

Good evening everyone!

Thank you for those who were able to attend the CEAN call this afternoon. I know they are hard with all of the other duties we are trying to accomplish, but I find the group discussions are very valuable.

I am forwarding you the information that Mark said he would provide regarding the litigation hold requests.

Have a great evening and for those attending CFOA next week, safe travels and have fun! As this would have been my last one to attend, “Cheers to all of you and thank you for all your help over the years!” 😊

Hello:
I am a reporter for Bloomberg News. Apologies for the out-of-the-blue message; I don't believe we've met.

My colleague, Margi Murphy (CC'd), and I are preparing a story about an apparent coordinated campaign to make public records requests across the country, and we wanted to see whether you have seen an unusual uptick. Specifically, we wondered if you had received freedom-of-information requests asking for "CVR" data and/or records, such as staff communications referencing "Dominion" and/or "Mike Lindell."

An estimate is fine, and we're happy to get this information on background. What would be incredibly useful is if you could share how many FOI requests you were receiving around this time last year so we had some comparison (and, again, a ballpark is fine).

Thank you for your assistance.

With regards,
Jack and Margi

Hi Netty:

It's Wednesday night and I am trying to get my benefits enrollment done. I was able to register myself on the Employee Navigator - establish a User Name & Password - but I do not see any enrollment information or ways to pick coverage. All I see is the Home Page as inserted below. Not sure what I did wrong, but maybe I need to be reset. Definitely want to get enrollment done Thursday per your recommendation. Call me tomorrow morning - I'll be in the office - or email me (don't reply as I am sending this from my home email).

Thanks!

Hi Jim,

Because you are an elected official, you are eligible to enroll in our group health insurance plan effective the first day of the month following the official

Hi Heather,

We should be able to assist with this today—do you have the computer that had HashCalc set up on it during the primaries? It also looks like we'll also need a clean USB flash drive—is that something you have ready to go?

Hi Jim-

I have a PCARD from Wells Fargo that is ultimately managed thru your department. Over the years my usage has grown a lot as we pay many county phone bills thru it each month to simplify our job and keep it all under one roof. My limit started at $10K, blew thru that and we moved it to $20K. Now I have run up against my credit limit of $30,000 for a second time in the last year. While it is not common, it could prevent a future purchase of critical equipment at the worst time. If we could, can we get that limit upped to $40K or even $50K as inflation continues to eat everyone alive?

Let me know If you have any questions or if I can provide more information / justification.

Good Afternoon Jennifer,

We had some trouble with Jim's Parallels Client login—after investigating with Tyler Tech, they discovered that his username had been imported from Incode as **dhindle**, which was conflicting with the Parallels username of **jhindle**.

They were able to get the issue resolved for the test environment, which is good! Are you able to go into the current live Incode environment and make sure his name is listed as **jhindle**? Hopefully that will prevent any additional issues with his account login when we go live with Parallels.

Thank you,

Good Afternoon. Sorry to bother you guys, and I don't even know if this is something you can help me with, but I need a new keyboard. I currently have a wireless Logetech. Nothing fancy. But my backspace key keeps jamming up on me and I may have to throw this keyboard out the window soon. Do you guys have an inventory of this kind of supply or do we have to order one?

Thanks!

Yolanda:

Did I become a space cadet this afternoon and completely miss an online meeting with you for 3p PT/5p CT? If so, my very humble apology.

I was able to execute a wire payment using a template and it seems to have gone through with Jennifer's approval. WE will check with our Client to confirm all was correct.

Still, however, neither of us has the Wire Homepage with the ability to create one-off wire payments. At this time it is not urgent we get this utility, but we should fix sooner than later. Maybe we can set a day and time next week to pursue this, unless you have direction for a quick fix from your tech team and we can do it quickly tomorrow am?

Again, your help and support is so much appreciated.

Cheers!

Hi Tiffany:
Thanks for scheduling the Ordinance, but I only need it to run for ONE edition, not two. Once passed (most likely) at the 12/6 BoCC meeting, then I will have to run it for two weeks I think. I will follow-up with new copy at that time. Let me know if you need additional info/documentation.
Thanks & cheers!

Hello,

I am checking to see if you might know when your office will be sending us the current real estate tax file for Storey County, NV, and to confirm the last date payment can be made without any penalties by a tax servicer. Thank you for your assistance in this matter.

Hello,

We are looking to request Mail in Ballot data lists of voters who have been sent and returned mail in ballots for the upcoming General election. With ballots having been mailed out, when could we expect to see these lists becoming available?

Thank you,
Tim

Hello,

We are looking to request Mail in Ballot data lists of voters who have been sent and returned mail in ballots for the upcoming General election. With ballots having been mailed out, when could we expect to see these lists becoming available?

Thank you,

Hello Jim,

Is this Early Vote list the final one, or can we expect a more complete update?

Thank you,

Hello,

We are looking to request Mail in Ballot data lists of voters who have been sent and returned mail in ballots for the upcoming General election. With ballots having been mailed out, when could we expect to see these lists becoming available?

Thank you,

Tim

Thanks Jim! Could you send a list of all the voters that returned their ballot or voted early? That's what we were hoping to receive.

Hello,

We are looking to request Mail in Ballot data lists of voters who have been sent and returned mail in ballots for the upcoming General election. With ballots having been mailed out, when could we expect to see these lists becoming available?

Thank you,

Hey James:
I am with you. Everything I understand and know about our mail ballots is that once separated from the envelopes, the actual vote cannot be retraced to the individual. I do not know what is going on in Washoe, but if they can back-out votes once cast based on a voter that has been challenged, that sounds illegal. I am with you that Garrett is misinformed, but I'll did in further to find out what is happening.
Stay tuned,

Big Jim,
Let me apologize up front if this is a silly thread that I am following.
But, I'm quirky when I don't understand how a system works and I have inconsistent information.
If it doesn't bother you, just let it drop.

Garrett Tamagni who you know and is giving presentations about the election process is insisting that mail in ballots that have been counted, at least in Washoe, can be "uncounted" if the voter attests that they did not submit it.
He says there is a barcode on the ballot so they can use that to pull it out of the system.
This bother me when he first presented it as part of his standard presentation because that meant how the voter voted could be determined.

During the pool worker training, you explained how the process works in Storey.
My understanding is that as long as the ballot has not been removed from and counted, it can be invalidated and not counted, but once counted, it's final.
That all made sense to me.

So I confronted Garrett with that a he remains convinced that in Washoe they can do it after the ballot is counted.
I ask him who is source is and why he is so convinced and he replied that the Registrar of Voters in Washoe: Jamie Rodriguez.

Then I checked my ballot that I received in the mail yesterday.
I observed that the barcode on the ballot packet is to be removed from the ballot insuring it cannot be tied to a voter once it is removed the privacy sleeve.

So…. I remain convinced that Garret is wrong OR Washoe has a procedure that does not protect their voter's privacy.

I considered trying to contact Jamie Rodriguez myself and resolve this inconsistent set of facts, but thought I would get your thoughts on all of this first.
I thought you may already have a working relationship with him.

Little Jim

Jim,
I see that my email a moment ago would have been better responding to this email. I understand that you may be meeting with DIDS on 12.01.22 at 1:30 and that I may or may not be expected to be there. I am committed to a meeting at that time. Perhaps this is a moot issue, but I don't want to blind-side you in my absence. Otherwise I am happy to schedule another time with you and Marcy.
Thanks,

Hi Austin – I know we've played around with time to meet with Marcie of State Indigent Services and a couple things have come up that prioritize me and Alicia to meet with her on a "medium" priority basis. She proposed coming up to talk the afternoon of 12/1. We are scheduled to meet with DHS/US Marshalls that morning about Court Security. Would you want to meet with Marcie along with Alicia and I from 1:30 to 2:30 that afternoon?

Good morning,

Mark is able to purchase t-shirts for the counties at this time. Due to the amount of interest that we receive in the last SOS & Clerks call, we were making the link available for those that would like to purchase them. Thank you.

Good morning,

Mark is able to purchase t-shirts for the counties at this time. Due to the amount of interest that we receive in the last SOS & Clerks call, we were making the link available for those that would like to purchase them. Thank you.

Good morning Karly:
The link to the online Marriage License Application is:

https://selfservice.storeycounty.org/clerkweb/user/disclaimer

Once you get through the disclaimer and intro, you be able to complete the application online which will then be available in our office for printing when you come in to finish the application process.

I hope this helps.

Hi Susan:
Thank you for the “congratulations”. As you might expect, I am a bit deluged right now and feeling very behind. That is a sad statement given that I have only been in office for 10 days!

I will certainly follow-up with you as we MUST make sure your VoterReg is all OK. Does it make sense for me to try and get you this weekend or should we wait till Monday when I have the voter system available to me?

I hope the sale and move all went smoothly, and the new home is coming together. Pass on my greetings to Jim.

Hi Jim,

Congratulations and good luck in your new endeavor!

Speaking of which, I would like to make you aware of a situation that I just encountered with my own voter registration.

I have attached a screen shot of my current registration status per the SOS website. I discovered this while doing my due diligence and because I lived and worked in Storey for 20 years and, unfortunately, know better than to trust the process.

Please give me a call when you have a minute and I'll explain
the details on how this happened because I'm guessing that I'm not the only one. I'm in and out of appointments today but I can call you back.

Thanks a bunch,

Hi Jim,

Thanks for getting back to me. I know you are very busy right about now, talk about trial by fire!
I started in that office under similar circumstances. I was hired the end of March 2008. Vanessa was running after finishing Lorraine's term, Wendy had a conflict of interest because Rollie Hess was running against Vanessa, and Maggie Mahan quit as soon as I started. I ran that primary singlehandedly with absolutely no experience and actually pulled it off. I remember Ross Miller calling me to congratulate me. I loved my job back then.
Anyhoo, I am now registered in Carson so please enjoy your weekend and let's talk next week when you have a free minute. I really just wanted to let you know how this happened because there may be others. I'm just glad that I checked and was able to get it straightened out in time.

Jim says hello!

Have a great weekend,

-Susan

TLP: GREEN

TO: All MS- and EI-ISAC Members

DATE: September 13, 2022

According to the attached Cyber Vulnerability Intelligence Estimate (CVIE) prepared by DHS Cybersecurity and Infrastructure Security Agency (CISA), SLTT entities supporting election operations are at an increased risk of email spoofing due to lack of or weak Domain-based Message Authentication Reporting and Conformance (DMARC) implementation. CISA assesses, based on analysis of public DMARC records, that state, local, tribal, and territorial (SLTT) government entities supporting election operations are vulnerable to email spoofing attacks, which can increase the believability of threat actor mis, dis, and mal-information campaigns spread through email.

The attached report contains metrics and graphs showing CISA's findings and the breakdown of State and Local entities implementation of DMARC, as well as technical recommendations.

Jim,

I will start the minutes today, then finish on Monday. I need to work the parking lot Wednesday-Friday, while the weather is still good. I expect next week the parking lot will be shut down.

I am feeling better as far as the lungs go. I think it was just pleurisy.

I can only be contacted by email, as my phone is in the repair shop getting fixed.

Probable Cause Declaration for Miranda, Angel Alex	Case 22-975	Page 2

On 10/22/2022 while on routine patrol in the TRI area of Storey county I observed a vehicle blocking the number two travel lane Eastbound on electric ave just before the securty gate for Tesla. The vehicle, a red in color nissan 2 door sedan bearing NV LIC #632U90, had its hazard lights on. I positioned my patrol unit behind the vehicle and actived my rear emergency lights for safety. I approached the vehicle and contacted a male subject later identified by information as Angel Miranda (DOB 08/19/2002). Miranda stated that he was not broke down but waiting for a friend, when asked why he was parked in a travel lane of the roadway he stated he though the roadway was only one lane and didnt know he was blocking the road. I asked if he could move his vehicle into the parking lot of 550 Milan ave. He obliged, and a routine records check of the registration for the vehicle showed it to be suspended and no insurance on file. I recontacted Miranda in the parking lot of and questioned him on the suspended registration. Miranda stated the vehicle was his mother but he had bought it recently and didnt know it wasnt valid. Miranda was able to provide me a paper copy of the insurance. When asked if Miranda had a drivers license he stated no and provided me his identifiying information. A routine records check of Miranda showed him to have two active bench warrants out of Sparks Justice court and no valid drivers license. Miranda was asked to step out of the vehicle and detained pending the confirmation of the warrants. Storey County Communications confirmed the warrants and Miranda was placed under arrest. Miranda was searched incident to arrest finding no contraband and placed in the rear passanger seat of my patrol unit. Miranda was transported to the Storey County Detention Facility without incident. Miranda was booked for Sparks Township Warrant #21-SCT-03735 bail $490.00 cash only and Sparks Township Warrant #22-SCT-00907 bail $490.00 Cash only for a total bail of $980.00 cash only. Miranda was given a warning for Driving without a valid drivers license.

I declare under penalty of perjury that the forgoing is true and correct to the best of my information and belief.

Just curious, for when we have questions like This One and aren't sure who to bug with them…

Yesterday a gent called saying he'd submitted his citation payment online via storeycounty.org (not the normal), but we never got a confirmation for it.
Tami suggested the payment might've routed to your offices ??

In the MBS market, effective maturity date is used for measuring time to maturity as these securities pay both interest and principal every month. Effective maturity for all five securities in question is less than ten years and in the case of a few of them just out 1-2 years before maturity. NRS does not specify that the maturity date needs to be based on the "stated final maturity" of the bond, so we interpret the maturity date as the effective maturity date, which is the date the bond is expected to pay down by.

I have Jay's signature but still need Lance's. I hope he will be in person at the 12/6 meeting, but if you will have Matt Dixon, Chris Tillisch, and Fritz Klinger in one place or easily gathered in the next week, let me know and I'll bring the MOU Signature Sheet over for them to sign so all we need then is Lance. Let mek now.

Thanks for the follow-up and I do, indeed, understand how schedule will become messy in the coming weeks. We can get the MOU done in one of a couple ways:

1. If you have a regular scheduled time when Ross and Judy will be meeting together locally, let me know and I will bring the document to that location and have them sign it; or,
2. When they have a moment and are in town, they can individually or together come up to the Clerk's Office in the Courthouse and sign the document.

Whichever of those options that is easiest for Ross and Judy works for me. Just let me know. All I need is their signature, so it won't take any time at all to get the task done.

Any questions that you have or on the minds of Ross and/or Judy, please do not hesitate to contact me at the info below.

Thanks and cheers!

Candace,

Thank you for checking up. Clerk-Treasurer Hindle has the document and is managing the signatures. I copied him so that he may correspond as needed. Note, too, that we are working with Rew on the lease agreement that will facilitate the EEL and HRMFP survey and ROS. We should have that agreement processed shortly.

Thank you,

Subject: NACO Driver Needed 09/29

Department Heads,

A driver is needed for a couple hours on Thursday 09/29 for NACO.

The driver will pick up 6 passengers at the Tesla guard gate and shuttle them to the Mustang Ranch. This is part of a NACO TRI tour group that will depart the big bus at the Tesla gate, get in the small vehicle, and run over to the ranch for a tour. The big bus arrives later to pick everyone back up and take them home.

The actual passenger drive is 2:00-2:30. The rest is travel time to and from TRI-Center.

The driver/volunteer is encouraged to join the NACO group touring the Mustang Ranch. It is an educational experience for one of Storey County's many great and unique businesses. We cam also save the drive a boxed lunch.

Thank you for seeing if someone in your office can help in this.

Thank you again for your assistance, I've attached the PowerPoint for you, we will be sure to bring our flash drive and copies as well. Also, can you please confirm the Commissioner Meeting location and time? I just wanted to double check that the meeting is in Virginia City, not out at TRIC. Thanks so much!

Hi Colleen:
The PPT by email would be preferred, and if you could forward that sometime this week, I'd appreciate it so I can test it in the system and make sure all works. If the PPT is a large file, you can convert it to PDF and send that that way as many times that reduces file size. Then, just for safety, bring it on a flash drive so we have back-up. Any questions don't hesitate to contact me, and I look forward to meeting you.
Cheers!
