Hi Jim,

I have added the voting information to the election information page. Please review it and let me know if it looks good or if you have any changes. I am waiting to hear back from James regarding the homepage. There is not many places we can add this so I just need to get some guidance as to where to put it.

Thank you!

Melissa – would you please have the County website updated to provide and highlight the info attached related to election info? It would be best to be on the home page, and then also at the very top of the Election Information page under the section for County Clerk (just after “Election Information” header and above the “Note: Keeping Your Voter Registration …”). I’d like to get this up on the current site, as well as have it on the same pages of the new site when it goes live.

If you have any questions let me know.

Thanks!

I agree 100% - nothing should change until well after the conversion. I believe we will want to do some editing and revision, but it is not critical right now nor a priority . In time. You told me what I wanted to know which is that the new site is constructed from the current content. That's what I wanted to look at just for info.

I think in time, I and maybe Becca will want to sit wit you and learn how to make minor updates and edits – like the election info. So we don't have to bug you every time some event is needing to be highlighted. Again, in time and thanks for offering the time and review. Please put that as a follow-up after the election.

Thanks for making sure the election info is up and on the new page as well. Appreciate all your assistance.

Cheers!

Hi Jim,

So, everything has already migrated over to the new website exactly how it is on the current site. Before you came on board, we had met with all the department heads for changes to their pages. I do not believe Dore made any. If you would like to review your pages on the current site and make any notes about things you would like to be changed, added or deleted, I can sit down with you a week or two after the site goes live and we can customize the Clerk, Treasurer and District Court pages. We would like to wait till after the week because like anything new there will be kinks that will need to be worked out before we start changing things. If that sounds good to you, I will schedule some time for us to go over your pages. I will however make sure the election information I just added is on there when we go live.

Melissa, the Election Information page looks GREAT. Thank you!

I know the home page revision is not typical or easy. I request just because there has been some rumblings out in the County how info was had to find. If that is not doable, I understand, … but it would be nice and helpful.

Is there a link to review the pages of the new site before it goes live?

Melissa, the Election Information page looks GREAT. Thank you!

I know the home page revision is not typical or easy. I request just because there has been some rumblings out in the County how info was had to find. If that is not doable, I understand, … but it would be nice and helpful.

Is there a link to review the pages of the new site before it goes live?

Hi Jim,

I have added the voting information to the election information page. Please review it and let me know if it looks good or if you have any changes. I am waiting to hear back from James regarding the homepage. There is not many places we can add this so I just need to get some guidance as to where to put it.

Thank you!

Melissa – would you please have the County website updated to provide and highlight the info attached related to election info? It would be best to be on the home page, and then also at the very top of the Election Information page under the section for County Clerk (just after "Election Information" header and above the "Note: Keeping Your Voter Registration …"). I'd like to get this up on the current site, as well as have it on the same pages of the new site when it goes live.

I do not believe Dore made any. If you would like to review your pages on the current site and make any notes about things you would like to be changed, added or deleted, I can sit down with you a week or two after the site goes live and we can customize the Clerk, Treasurer and District Court pages. We would like to wait till after the week because like anything new there will be kinks that will need to be worked out before we start changing things. If that sounds good to you, I will schedule some time for us to go over your pages. I will however make sure the election information I just added is on there when we go live.

Now that JAVS has finished installing the new courtroom equipment and software and you all delivered the new Clerk CPU, we need to get that unit set-up for Court and Commissioner's meetings. Anytime today to do that so we can make sure we have everything need for the next Commissioner's Meeting?

I can come by this afternoon after 1:00 to assist with that. What time this afternoon would work best for us to confirm Alicia has everything she needs? Alicia sent a list earlier this morning, so we will get all of that done. If there is anything else that needs to be set up beforehand, please let us know.

Hi Mabel:
Thank you for the remittance of Property Taxes for your clients. We do have one issue – with the leadership change in the office I do not have a login to retrieve the tax file data in your packet. How do I get set-up with this? Would you put me in touch with the correct person to do this, please?

This is kind of urgent as I must get this all completed by close of Monday, 10/3.

Thank you for all your help in this. We'll be much better prepared for the next deadline.

Hi Mabel:
Thank you for the remittance of Property Taxes for your clients. We do have one issue – with the leadership change in the office I do not have a login to retrieve the tax file data in your packet. How do I get set-up with this? Would you put me in touch with the correct person to do this, please?

This is kind of urgent as I must get this all completed by close of Monday, 10/3.

Thank you for all your help in this. We'll be much better prepared for the next deadline.

Good morning Jim,

I'm following up on the email below. I'm sorry for the delay getting back to you. I've been attending conferences for the past 2 weeks. I was at the CFOA conference in Las Vegas two weeks ago.

I see my associate, Jennica, added a user account for you to our Collector Portal.
Is there any other assistance you need at this time?

Thanks
Chris

Hi Yolanda – I am having a problem getting access to parts of the website. I can login to the site and get to the landing page, but when I go to get access to the “Administration” tab the site is not recognizing my PIN+token code. I know I am entering my correct PIN and am using the correct token. Do I need to be reset or is something wrong with the token? Any guidance or direction would be greatly appreciated.

Hi Jim,

I appreciate you looking into this matter.

I would be happy to provide some more details on the necessity of this increase.

The reason for the increase is to offset the lack of any credit card by the Interim Director and the vacancy of the position of Marketing Director, a position that may not be refilled at any time in the future. We need, at least, the combined credit limit that existed last spring. The limit may be reduced in the future once staffing is stabilized. Currently, expenses related to the NACO conference have regularly pushed us over our current combined credit limit.

I would also like to add that Quick Space, the company that quoted us the lowest cost for port-a-potties by half!, demands payment up front. I am finding this to be more and more common with companies. Because Street Vibrations is so close, we do not have time to get a payment to them via invoice. Same thing with the flasks for NACO – payment had to be delivered prior to production. This is precious time we do not have to lose by waiting for voucher day, thus, a credit card is necessary.

I hope this explains our needs adequately.

Thank you!

Hi Jim,

I appreciate you looking into this matter.

I would be happy to provide some more details on the necessity of this increase.

The reason for the increase is to offset the lack of any credit card by the Interim Director and the vacancy of the position of Marketing Director, a position that may not be refilled at any time in the future. We need, at least, the combined credit limit that existed last spring. The limit may be reduced in the future once staffing is stabilized. Currently, expenses related to the NACO conference have regularly pushed us over our current combined credit limit.

I would also like to add that Quick Space, the company that quoted us the lowest cost for port-a-potties by half!, demands payment up front. I am finding this to be more and more common with companies. Because Street Vibrations is so close, we do not have time to get a payment to them via invoice. Same thing with the flasks for NACO – payment had to be delivered prior to production. This is precious time we do not have to lose by waiting for voucher day, thus, a credit card is necessary.

I hope this explains our needs adequately.

Thank you!

I have reviewed this request with the Comptroller and while we believe that the increase on Leah's card can be granted on a temporary basis through the end of October, we would like to have a little more information regarding the need for the increase. What events and activities coming up will require the increase? It doesn't have to be great detail but some idea of the scope and parameters for use given the VCTC activities are needed so we can appropriately document the approval. If you would like to discuss or need more direction, please do not hesitate to contact me.
Cheers,

I do not know about the NV Energy on the distribution list (it might be old info?) I also don't have any notes pertaining to special instructions regarding NV Energy. I looked back though a couple months of receipts and the only NV energy receipts I am finding over the past couple of months are ones for utilities paid and they are receipted to 001-32105-000. I have attached them to this email. Sorry I don't know more.

Hi Jim,

The 21st will work great for me—I'll get it on our calendar. I do not believe we will need to keep your computer past Monday, and if everything goes smoothly I hope to have it back in your office sometime Monday morning. If for any reason it looks like the computer will take longer than expected, we will work with you on getting you up and running with what you need as soon as possible.

There will be a couple things that will need to be re-set up once your computer is back in your office, like your fingerprint reader and some user specific programs/settings. We can also revisit setting up Courtview at that time as well.

Let me know if you have any other questions, or if you find you need to reschedule.

Thank you,

Good Morning Jim,

Tim spoke with me yesterday about getting your computer a new SSD and when we might schedule that. We have ordered the new drive, and that should arrive either today or tomorrow.

He said you'd mentioned the afternoon of the 21st as being a potentially good time to make the switch. Does that date work best for you, or is there another day you'd prefer? I will get whatever you decide scheduled in.

Thanks,

Subject: Deputy Coverage at Election Polls

Sheriff:

Early voting opens this Saturday, October 22 in Virginia City at “The Slammer” and in Lockwood at the Fire Station. I’d like to request that Deputies be alerted and be ready to respond to each location if we have disturbances. While I don’t expect significant turmoil or disruptive behavior, given the sensitive social environment we have in our country, I’d like to be over cautious and prepared for whatever eventualities arise.

The Early Voting schedule is as follows:

- In VC, the polls will be open 7am to 7pm Monday through Saturday, 1022 through 11/4.
- In Lockwood the polls will be open Saturday, 10/22 & 10/29 from 10am to 2pm.

On Election Day, November 8th, polls at all locations will be open from 7am to 7pm and the locations are:

- Virginia City at the Storey County Courthouse in “The Slammer”
- Mark Twain Community Center
- Virginia Highlands at the Fire Station #2 on Cartwright Rd.
- Lockwood at the Fire Station #4 off Canyon Way

We have been alerted that on Election Day, the Poll Workers in Mark Twain and in the Virginia Highlands would like a Deputy to stop in periodically as they seem to have a history of some troublemakers and it is said that workers and voters alike feel more secure by the presence. In addition, we have been alerted about a particular “troublemaker” in Mark Twain about who I will talk to you separately.

In general, the increased amount of attention and frequency of “pop-ins” is more critical on Election Day, but heightened awareness and preparation for quick response during early voting is also much appreciated.

Additionally, we would like to request a Deputy be available on November 8th at approximately 7pm at the polling locations in Lockwood, Mark Twain, and the Highlands to assist in the closing of each poll and escort the voting equipment back to the Courthouse in Virginia City.

I hope this information is adequate for planning. If you require any additional detail, please let me know and I will get it to you as quickly as possible. I look forward to your response and direction on how we should best coordinate interaction once polls open.

Thank you for your attention to and support of the County’s election operations; and, to me, the relief and comfort I heard form people when I told them I would make arrangements with the Sheriff’s Office for extra election security, indicates the confidence appreciation and high regard they have for you and your staff.

For your information: the “Digital Ballots Received” summary at the bottom of the page reflect EASE ballots we’ve received and this sub-total is included in the preceding “Mail Ballots” total we reported on the page. If you don’t want it broken out like this, let us know and we’ll amend.

In general EV went well and we had a good turn-out. Now on to the Main Event!

For your information: the "Digital Ballots Received" summary at the bottom of the page reflect EASE ballots we've received and this sub-total is included in the preceding "Mail Ballots" total we reported on the page. If you don't want it broken out like this, let us know and we'll amend.

In general EV went well and we had a good turn-out. Now on to the Main Event!

Good afternoon Folks-

I have been tracking a DSL outage in Virginia City today. Shawn with Public Works called to report the WT Plant has no internet. He was kind enough to send picture of the DSL modem, it indicated service outage with AT&T. This is affecting most if not all DSL circuits in VC, so the Jail, SO Business Office, ComDev, WT Plant, Senior Center, anywhere still using DSL may be affected.

I have a call into AT&T, they are reporting an issue in Carson City, affecting 900+ customers. We stub off of them for DSL, hence why we are also affected. They are estimating 24 hours to repair with possible extensions of 24-48 hours. The observed Nevada Day likely has something to do with the long service times! I will monitor the issue and report back if I get any status updates.

They recommend power cycling the DSL modem tomorrow at 4:00pm to see if that restores service. This may or may not resolve the issue but that is the instructions the technician gave. Some modems may begin working without this step but if not, that is the first thing to try – unplug it for 15 seconds, plug it back in and make sure you get green lights across the board. Solid or blinking red on internet or service lights indicates the issue is not resolved.

ADOPTED REGULATION OF

THE SECRETARY OF STATE

LCB File No. R081-21

EXPLANATION – Matter in ***italics*** is new; matter in brackets **[**~~omitted material~~**]** is material to be omitted.

AUTHORITY: §§ 1 and 2, NRS 293.124; §§ 3-8, NRS 293.124, 293.247 and 293.250, as amended by section 1 of Assembly Bill No. 121, chapter 315, Statutes of Nevada 2021, at page 1870 (NRS 293.269951); § 9, NRS 293.124, 293.247 and 293.469, as amended by section 10 of Assembly Bill No. 121, chapter 315, Statutes of Nevada 2021, at page 1876; § 10, NRS 293.124 and 293.247; §§ 11 and 12, NRS 293D.200.

A REGULATION relating to elections; setting forth various requirements related to an elector with a disability or a registered voter with a disability using the system of approved electronic transmission established for certain uniformed military and overseas voters; requiring each county or city clerk to provide notice to certain persons regarding such a system of approved electronic transmission; revising the instructions provided to covered voters related to military-overseas ballots; revising the declaration that certain covered voters are required to submit with a military-overseas ballot; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to establish a system of approved electronic transmission through which certain uniformed military and overseas voters may register to vote, apply for a military-overseas ballot and cast a military-overseas ballot. (NRS 293D.200) Existing law also requires the Secretary of State to allow the system of approved electronic transmission to be used by: (1) an elector with a disability to register to vote; and (2) a registered voter with a disability to apply for and cast a ballot. Existing law further requires the Secretary of State to: (1) prescribe the form and content of a declaration for use by an elector or registered voter with a disability to swear or affirm specific representations; (2) prescribe procedures to be used by local elections officials in accepting, handling and counting ballots received from a registered voter with a disability using the system of approved electronic submission; and (3) adopt any regulation necessary to carry out these provisions. (Section 1 of Assembly Bill No. 121, chapter 315, Statutes of Nevada 2021, at page 1870) (NRS 293.269951)

Section 3 of this regulation provides that a person is an elector or registered voter with a disability if the elector or registered voter: (1) has a physical or mental impairment that substantially limits one or more of the major life activities of the elector or registered voter; (2) has a record of such impairment; or (3) is regarded as having such an impairment.

Section 4 of this regulation requires a registered voter with a disability who applies for a ballot using the system of approved electronic transmission to indicate whether: (1) the local

AMERICAN OVERSIGHT

elections official must send the ballot to the registered voter by mail or approved electronic transmission; and (2) the registered voter will return the ballot to the local elections official by mail or approved electronic transmission. **Section 4** further requires the local elections official to provide to the registered voter certain instructions depending on whether the registered voter will return the ballot by mail or approved electronic transmission.

Section 5 of this regulation sets forth the form of the declaration to which a registered voter with a disability must swear or affirm.

Section 6 of this regulation provides that if a local elections official receives a request for a ballot from a registered voter with a disability after a mail ballot has been sent to the registered voter, the local elections official must indicate that the mail ballot is cancelled in the mail ballot record.

Section 7 of this regulation requires a local elections official to: (1) cause a unique identification number to be included on a ballot sent to a registered voter with a disability; and (2) record in the ballot record certain information related to a ballot sent to a registered voter with a disability.

Section 8 of this regulation requires, not later than 60 days after the election, a local elections official to report to the Secretary of State certain information related to ballots sent to voters with disabilities.

Section 2 of this regulation defines the term "local elections official."

Existing law provides that each county clerk is encouraged to notify the public, through means designated to reach members of the public who are elderly or disabled, of certain election information, including that an elector with a disability may register to vote and a registered voter who is disabled may request and cast a ballot using the system of approved electronic transmission established for certain uniformed military and overseas voters. (NRS 293.469, as amended by section 10 of Assembly Bill No. 121, chapter 315, Statutes of Nevada 2021, at page 1876) Existing regulations require the county or city clerk to provide notice of the availability of voting aids and procedures for voting by absentee ballot. (NAC 293.190, 293C.230) **Sections 9 and 10** of this regulation provide that the county or city clerk must provide notice of the procedures for registering to vote and voting using the system of approved electronic transmission established for certain uniformed military and overseas voters.

Existing regulations require that a local elections official provide instructions to a covered voter for marking and returning a military-overseas ballot, including an explanation that the military-overseas ballot and any other necessary voting materials must be received by the office of the appropriate local elections official by 7 p.m. Pacific Standard Time on the day of the election. (NAC 293D.010) **Section 11** of this regulation provides instead that the instructions include an explanation of the deadline for a covered voter to cast and return the military-overseas ballot and other necessary voting materials.

Section 12 of this regulation revises the form of the declaration of a covered voter to eliminate obsolete language.

Section 1. Chapter 293 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 8, inclusive, of this regulation.

A REGULATION relating to campaign practices; providing, under certain circumstances, that the Secretary of State will not waive or reduce for good cause certain civil penalties related to filing campaign finance reports or registration forms; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Secretary of State to adopt regulations relating to campaign practices. (NRS 293.124, 294A.380) If a candidate, person, organization, committee, political party or nonprofit corporation that is required to file a campaign finance report or registration form pursuant to chapter 294A of NRS fails to do so in accordance with the applicable provisions of that chapter, existing law provides that such a candidate, person, organization, committee, political party or nonprofit corporation is subject to a civil penalty. However, existing law authorizes the Secretary of State to waive such a civil penalty for good cause shown. (NRS 294A.420) Similarly, existing regulations authorize, under certain circumstances, the Secretary of State to waive or reduce such a civil penalty for good cause. (NAC 294A.097)

This regulation provides that the Secretary of State will not waive or reduce such a civil penalty for good cause on the basis that the Secretary of State did not send a reminder notice that a report or form for registration was due before the applicable deadline.

Section 1. NAC 294A.097 is hereby amended to read as follows:

294A.097 1. The Secretary of State may waive a civil penalty for good cause pursuant to subsection 4 of NRS 294A.420, if the person, committee for political action, or entity that is subject to a civil penalty pursuant to NRS 294A.420:

(2) The candidate is experiencing extreme financial hardship to the extent that payment of the penalty would result directly in the loss or inability of the candidate to obtain the minimal necessities of food, medicine and shelter;

(3) The candidate or each officer and representative of the committee for political action or entity is or was a member of the Armed Forces of the United States serving outside of the State or country within a reasonable period of time before or on the date the applicable report was due and the candidate or each officer and representative of the committee for political action or entity executes an affidavit under penalty of perjury attesting to such facts;

(4) The candidate has been directly impacted by a natural disaster;

(5) The entity is organized as a nonprofit under the laws of the State of Nevada, has no paid employees and is comprised only of volunteers and:

(I) The representative of the entity who is responsible for filing the appropriate report on behalf of the entity pursuant to the applicable provisions of chapter 294A of NRS, or a member of the family of such a representative, meets the conditions set forth in subparagraph (1) of paragraph (c); or

(II) The representative of the entity who is responsible for filing the appropriate report on behalf of the entity pursuant to the applicable provisions of chapter 294A of NRS has, without notice, severed his or her relationship with the entity within a reasonable time before or on the date that the applicable report was due; or

(6) The violation was not due to mere inadvertence, mistake or neglect, and circumstances exist of a similarly serious nature as set forth in this subsection to justify a waiver of the civil penalty, including, without limitation, an obligation to report for active military service or to serve in an official capacity in response to a public emergency.

2. The Secretary of State, with the approval of the Attorney General and for good cause, may reduce a civil penalty imposed pursuant to NRS 294A.420 if:

(a) The penalty is being imposed for a failure to properly file a report or form for registration; and

(b) The person, committee for political action or entity that is subject to a civil penalty pursuant to NRS 294A.420 first properly files the appropriate report or form.

3. The Secretary of State will not waive or reduce a civil penalty imposed pursuant to NRS 294A.420 for good cause on the basis that the Secretary of State did not send a reminder notice that a report or form for registration was due before the applicable deadline.

A REGULATION relating to the recall of public officers; authorizing, under certain circumstances, the withdrawal of a petition to recall a public officer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to adopt regulations relating to the recall of public officers. (NRS 306.011) Existing law requires a notice of intent to circulate a petition to recall a public officer to be signed by three registered voters who: (1) voted in the state, county, district or municipal election at which the public officer was elected; and (2) reside in the jurisdiction represented by the public officer. (NRS 306.015) The Nevada Constitution requires that a petition to recall a public officer contain not less than 25 percent of the number of persons who actually voted in the state, county, district or municipality represented by the public officer at the election in which the public officer was elected. (Nev. Const. Art. 2, § 9) Moreover, existing law requires that the signatures on the petition be verified in accordance with specified statutory guidelines. (NRS 306.015)

This regulation provides that a petition to recall a public officer may be withdrawn if: (1) at least two of the registered voters who signed the notice of intent submit a notice of withdrawal to the filing officer on a form prescribed by the Secretary of State; and (2) the notice of withdrawal is received by the filing officer before the petition is submitted to the filing officer for signature verification. This regulation further provides that once a petition to recall a public officer is withdrawn, no further action may be taken on that petition. Finally, this regulation requires, not later than 24 hours after receiving a notice of withdrawal, the filing officer to notify the Secretary of State, the public officer who is the subject of the recall and, if only two of the registered voters who signed the notice of intent submitted the notice of withdrawal, the third registered voter who signed the notice of intent.

Section 1. Chapter 306 of NAC is hereby amended by adding thereto a new section to read as follows:

1. A petition to recall a public officer may be withdrawn if:

A REGULATION relating to the recall of public officers; establishing a deadline for a committee for the recall of a public officer to register with the Secretary of State; requiring a copy of the proposed petition to recall a public officer to be filed with the Secretary of State on the same date that the notice of intent to circulate the petition is filed with the filing officer; requiring the copy of the proposed petition to comply with existing constitutional and statutory requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Secretary of State to adopt regulations relating to campaign practices and recall elections. (NRS 293.124, 294A.380, 306.011)

Existing law requires a committee for the recall of a public officer to register with the Secretary of State. (NRS 294A.250) Existing law defines "committee for the recall of a public officer" as an organization that: (1) receives any contributions, makes any contribution to candidates or persons or makes any expenditures that are designed to affect the recall of a public officer; or (2) files a notice of intent to circulate a petition for the recall of a public officer. (NRS 294A.006) **Section 1** of this regulation establishes a deadline for the registration of any such committee by requiring the committee to register with the Secretary of State not later than 10 days after filing the notice of intent.

Existing law provides that before a petition for the recall of a public officer is circulated, the persons proposing to circulate the petition must file a notice of intent to circulate the petition. (NRS 306.015) **Section 2** of this regulation requires a copy of the proposed petition to recall a public officer to be filed with the Secretary of State on the same date that the notice of intent is filed with the filing officer. Further, **section 2** prohibits the proposed petition from being circulated until both the notice of intent and a copy of the proposed petition are filed.

The Nevada Constitution and existing law set forth various requirements relating to the contents of a petition to recall a public officer, including, without limitation, the requirement that the petition contain a description, not exceeding 200 words, of the reasons why the recall is demanded. (Nev. Const. Art. 2, § 9, NRS 306.020, 306.030) **Section 2** requires that the copy of the proposed petition filed with the Secretary of State meet such constitutional and statutory requirements.

LCB File No. R088-21

EXPLANATION – Matter in ***italics*** is new; matter in brackets **[**~~omitted material~~**]** is material to be omitted.

AUTHORITY: §§ 1, 2, 4, 14 and 15, NRS 293.124 and 293.247; § 3, NRS 293.124, 293.196 and 293.247; §§ 5 and 16, NRS 293.124, 293.247 and 293.565; §§ 6-8, NRS 293.124 and 293.675; §§ 9-13, NRS 293.124, 293.247 and 293.4685.

A REGULATION relating to elections; revising provisions relating to certain provisional ballots; revising certain requirements relating to election notices; revising certain provisions relating to the offices of justice of the Supreme Court; eliminating obsolete language related to an acceptance of candidacy; revising certain requirements relating to sample ballots; revising requirements for a county clerk to submit a voting history of certain voters; revising certain filing requirements relating to certain election complaints; updating citations to certain federal law; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, under certain circumstances, a person to cast a provisional ballot if the person registers to vote in person or updates his or her voter registration information, as applicable, at a polling place. (NRS 293.5832-293.5847) Existing law further authorizes a person to cast a provisional ballot if the person completes a written affirmation and: (1) declares that he or she is registered to vote and is eligible to vote in the election in that jurisdiction but his or her name does not appear on the voter registration list; (2) has registered to vote by mail or computer, has not voted in an election for federal office in this State and fails to provide identification to an election board officer at the polling place; or (3) declares that he or she is entitled to vote after the polling place would close as a result of certain court orders. (NRS 293.3081, 293.3082) Existing regulations set forth various provisions related to the latter type of provisional ballot. (NAC 293.270, 293.275, 293.280, 293.466 and 293.472) **Sections 1, 6 and 7** of this regulation define the term "provisional ballot" for purposes of these sections to clarify that the provisions apply only to the latter type of provisional ballot.

Existing regulations require the Secretary of State to send each county clerk a written notice designating the offices for which candidates are to be nominated at a primary election and requires each county clerk to publish the notice in a newspaper in his or her county within 10 days of receipt. (NAC 293.040) **Section 2** of this regulation requires the Secretary of State to also: (1) send an electronic notice to each county clerk; and (2) post a copy of the notice on the website of the Secretary of State. **Section 2** further requires the county clerk to publish the notice on the Internet website of the county clerk and provides that if the county clerk is unable to

AMERICAN OVERSIGHT

NV-STOREY-22-1163-A-005910

publish the notice in a newspaper within 10 days due to the publishing deadlines of the newspaper, the county clerk must publish the notice as soon as practicable.

Existing regulations set forth the years in which the seats of the offices of justice of the Supreme Court are to be elected. (NAC 293.060) **Section 3** of this regulation updates these years.

Sections 4, 5, 14 and 15 of this regulation eliminate obsolete references to an "acceptance of candidacy," as that term is no longer used in the Nevada Revised Statutes..

Existing regulations require the county clerk and city clerk to mail at least five sample ballots and provide an electronic sample ballot to the Secretary of State. (NAC 293.120 and 293C.110) **Sections 5 and 16** of this regulation instead require the county and city clerks to provide only an electronic sample ballot to the Secretary of State.

Existing regulations require each county clerk to submit to the Secretary of State a voting history for each voter in the county who casts a ballot in an election not later than 45 days after each primary or general election. (NAC 293.474) **Section 8** of this regulation instead requires the county clerk to send the voting history not later than 45 days after every election.

Existing regulations require certain election complaints to be filed in the Office of Secretary of State in Carson City. (NAC 293.515) **Section 9** of this regulation removes the requirement that the complaint be filed in Carson City.

Sections 9-13 of this regulation update existing citations to the federal Help America Vote Act of 2002, Public Law 107-252, 52 U.S.C. §§ 21081 to 21102, inclusive.

Section 1. Chapter 293 of NAC is hereby amended by adding thereto a new section to read as follows:

LCB File No. R090-21

EXPLANATION – Matter in ***italics*** is new; matter in brackets **[**~~omitted material~~**]** is material to be omitted.

AUTHORITY: §§ 1 and 10, NRS 293.124; § 2, NRS 293.124, 293.247 and 293.250; § 3, NRS 293.124 and 293.247 and section 11 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1220 (NRS 293.269927); §§ 4-8, 12 and 13, NRS 293.124 and 293.247; § 9, NRS 293.124, 293.247 and 293.3606 and section 15 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1223 (NRS 293.269935); § 11, NRS 293.124 and 293.247 and section 59 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1247 (NRS 293C.26327); § 14, NRS 293.124 and 293.247 and section 63 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1250 (NRS 293C.26335).

A REGULATION relating to elections; establishing certain requirements and procedures for mail ballots; eliminating certain obsolete references to "absent ballots;" and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the county and city clerks to send to each active registered voter and each person who registers to vote or updates his or her voter registration not later than 14 days before an election a mail ballot for all elections. (Sections 3 and 51 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at pages 1216 and 1243 (NRS 293.269911 and 293C.263)) Assembly Bill No. 321 of the 2021 Legislative Session repealed the provisions of Nevada Revised Statutes relating to absent ballots. (Section 91 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1266)

Existing regulations: (1) require each county clerk or city clerk to provide, with each absent ballot, certain instructions for correcting a mistake on the absent ballot; and (2) prohibit a county or city clerk from duplicating an absent ballot unless there is no ambiguity as to the intent of the voter. (NAC 293.307) **Section 2** of this regulation sets forth similar requirements for mail ballots.

Existing regulations establish certain procedures for processing an absent ballot, including: (1) requiring the county or city clerk to record the receipt of the absent ballot and check the signature on the return envelope; and (2) the placement of any rejected absent ballots in a separate envelope and the notation of the reason for the rejection. (NAC 293.317, 293C.198) **Sections 3 and 11** of this regulation: (1) set forth similar requirements for mail ballots; and (2) require the county clerk and city clerk to keep accurate records of the chain of custody for all mail ballots.

AMERICAN OVERSIGHT
NV-STOREY-22-1163-A-005923

Existing regulations establish certain requirements for an absent mail ballot central counting board, including requiring the board to sort and count absent ballots by precinct. Existing regulations further require, with certain exceptions, the county clerk or city clerk to allow members of the public to observe the handling of absent ballots. (NAC 293.311, 293C.195) **Sections 4 and 12** of this regulation establish similar provisions for mail ballots.

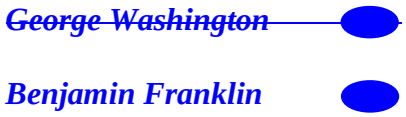
Existing regulations require each county clerk and city clerk to submit a plan to the Secretary of State setting forth the procedures that the clerk will use for the disposition of absent ballots in case of emergency. (NAC 293.318) **Section 5** of this regulation establishes similar requirements for mail ballots.

Section 6 of this regulation defines the term "mail ballot." **Sections 7-9, 13 and 14** of this regulation eliminate obsolete references to the term "absent ballot" in various provisions that will instead apply to mail ballots.

Section 1. Chapter 293 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this regulation.

Sec. 2. ***1. Each county clerk or city clerk shall provide, with each mail ballot, instructions that must include the following:***

Simply cross out the name of the candidate you do not wish to vote for and fill in the oval of the candidate you do wish to vote for. See example below. Call (XXX) XXX-XXXX for assistance if needed.



2. A county clerk or city clerk shall not duplicate any mail ballot which the voter has marked to indicate a correction or on which the voter has used correction tape or fluid unless the clerk determines that no ambiguity exists as to the intent of the voter.

Sec. 3. ***1. When a mail ballot is returned to the county clerk, the county clerk shall record the receipt of the mail ballot in the mail ballot record and check the signature on the***

(NRS 293.247)

Sections 1 and 10 of this regulation require each county clerk and city clerk to submit to the Secretary of State a written contingency plan for: (1) election operations in the event that election operations are significantly disrupted; and (2) the tabulation of ballots in the event that the county or city, as applicable, experiences a loss of central counting equipment or the use of the central counting place.

Existing regulations: (1) define the term "ballot stock" to mean the material upon which a ballot is printed and a voter directly indicates his or her vote; (2) provide that the Secretary of State will reimburse the counties for the cost of the basic stock for ballots; (3) require a city clerk to order ballot stock for an election within 2 days after the date set for the close of registration for the election. (NAC 293.010, 293.200, 293C.360) **Sections 2, 8 and 11** of this regulation of this regulation provide that the term "ballot stock" also includes the materials included with a mail ballot, including, without limitation, the mail ballot, return envelope, privacy sleeve and voter instructions. **Section 3** of this regulation replaces the term "stock for ballots" with the term "ballot stock."

Existing law requires a county or city that wants to change or improve a mechanical voting system or mechanical recording device to first obtain approval from the Secretary of State. (NRS 293B.1045) **Section 5** of this regulation prohibits a county or city clerk from

Sections 6 of this regulation requires each county clerk and city clerk to maintain a written documentary record for mechanical voting systems, mechanical voting devices and other voting equipment which includes records of transports of mechanical voting systems, mechanical voting devices and other voting equipment and chain-of-custody records for mechanical voting systems, mechanical voting devices and other voting equipment. **Section 6** also requires mechanical voting systems, mechanical voting devices and other voting equipment to have tamper-evident seals identified with serial numbers which must be recorded and verified in the records of the county and city clerks.

Section 7 of this regulation requires each county clerk and city clerk to keep mechanical voting systems, mechanical voting devices and other voting equipment in a secure and controlled facility when not in use and to maintain a record of any person who accesses the mechanical voting systems, mechanical voting devices or other voting equipment. If there is any unauthorized access, **section 7** requires a county or city clerk to inform the Secretary of State in writing within 24 hours.

Existing regulations require that each county clerk, not later than the 90th day before the primary election, submit to the Secretary of State for approval a plan concerning the procedures to be used to ensure the security of the ballots, results cartridges and VVPATs. (NAC 293B.040) **Section 8** requires the plan to also include procedures to be used to ensure the security of election media cartridges or memory devices, blank ballot stock, chain-of-custody records and access controls. **Section 8** further requires the county and city clerks to ensure that election board officers who are allowed to handle ballots, results cartridges and VPPATs have sworn under oath to perform their duties honestly and faithfully.

Existing law requires a copy of each election computer program to be filed with the Secretary of State at least 1 week before an election. (NRS 293B.135) **Section 9** of this regulation requires that the copy be filed in certain electronic formats with password protection.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to adopt regulations relating to elections. (NRS 293.124)

AMERICAN OVERSIGHT
NV-STOREY-22-1163-A-005950

Existing law provides that it is unlawful during early voting or on election day to electioneer inside of a polling place or within 100 feet from the entrance of a polling place. Existing law also requires the county and city clerk to ensure that certain notices relating electioneering are posted at the outer limits of the area within which electioneering is prohibited. (NRS 293.361, 293.740, 293C.361) **Sections 2 and 11** of this regulation interpret the term "polling place" for the purpose of such electioneering statutes as meaning a place designated by the county or city clerk for the purpose of voting by personal appearance.

Existing law authorizes an Indian tribe to submit a request to the county or city clerk for the establishment of a ballot drop box within the boundaries of the Indian reservation or Indian colony for the day of certain elections. If the county or city clerk establishes such a ballot drop box, existing law requires the county or city clerk to continue to establish the ballot drop box for the day of any future primary election, presidential preference primary election or general election unless otherwise requested by the Indian tribe. (NRS 293.2733, as amended by section 8 of Assembly Bill No. 126, chapter 556, Statutes of Nevada 2021, at page 3882, and by section 26 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1228 and 293C.2675, as amended by section 70 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1252) **Sections 3 and 12** of this regulation require the request for the establishment or removal of the ballot drop box within the boundaries of the Indian reservation or Indian colony to be submitted to the county or city clerk on a form prescribed by the Secretary of State.

Existing law establishes various requirements relating to ballot drop boxes. (Sections 8 and 56 of Assembly Bill No. 321, chapter 248, Statutes of Nevada 2021, at page 1219, 1246 (NRS 293.269921, 293C.26321)

Sections 4 and 13 of this regulation require the county and city clerk to affix each ballot drop box with a unique identifier and the county or city seal, or similar design that signifies that the box is an official ballot drop box of the county or city.

Sections 5 and 14 of this regulation require the county and city clerk to submit a list to the Secretary of State of each ballot drop box established in the county or city. **Sections 5 and 14** require the list to include: (1) the unique identifier of the ballot drop box; (2) the location of the ballot drop box; and (3) the dates and times during which the ballot drop box will be unlocked and accessible for ballot submission. **Sections 5 and 14** also require the county and city clerk to submit an amended list to the Secretary of State not later than 24 hours after a change is made to the information contained in the list.

Sections 6 and 15 of this regulation establish various provisions relating to the security and accessibility of ballot drop boxes.

Sections 7 and 16 of this regulation require the county and city clerk to submit a plan to the Secretary of State that relates to ballot drop boxes that are tampered with or rendered inaccessible.

Sections 8 and 17 of this regulation require the county and city clerk to establish retrieval teams for the purpose of collecting and transporting mail ballots from ballot drop boxes to the receiving center or to the central counting place, as directed by the county or city clerk. **Sections 8 and 17** also establish the timeframe in which such retrieval teams must collect the mail ballots from the ballot drop boxes. Finally, **sections 8 and 17** require the retrieval teams to submit a form to the Secretary of State which describes the chain of custody of the mail ballots collected from the ballot drop boxes.

Sections 9 and 18 of this regulation require the county and city clerk to submit a report to the Secretary of State not later than 45 days after each general election. **Sections 9 and 18**

AUTHORITY: §§ 1, 2, 4-8, 12, 13 and 15, NRS 293.124 and 293.247; § 3, NRS 293.124, 293.247, 293.3025 and 293.565; §§ 9 and 14, NRS 293.124, 293.247 and 293C.369; § 10, NRS 293.124, 293.247, 293.3025 and 293C.530; § 11, NRS 293.124, 293.227, 293.247 and 293C.220; § 16, NRS 293.124, 293.247 and 293C.380.

A REGULATION relating to elections; revising certain procedures of election officers after voting is completed during the period for early voting and on election day; revising various provisions related to the preparation and distribution of elections materials by the county or city clerk; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each county and city clerk to: (1) prepare and distribute sample ballots for an election; and (2) ensure that a copy of each sample ballot is posted at each polling place. (NRS 293.3025, 293.565, 293C.530) Existing regulations require that the county or city clerk prepare a sufficient number of explanations of the questions on the ballot so that, in relevant part, he or she can post at least two copies of the explanations in each precinct. (NAC 293.130, 293C.120) **Sections 3 and 10** of this regulation provide instead that the county or city clerk prepare a sufficient number of explanations of the questions on the ballot so that, in relevant part, he or she can post at least two copies of the explanations in each polling place.

Existing law authorizes: (1) a county clerk or city clerk to establish one or more polling places in the county or city, as applicable, where any person entitled to vote in the county or city by personal appearance may do so on the day of the primary election, primary city election, general election or general city election; and (2) any person entitled to vote in the county or city, as applicable, by personal appearance to do so at any such polling place. (NRS 293.3072, 293C.3032) A polling place where any person entitled to vote in the county or city by personal appearance may do so is commonly known as a "vote center." Existing regulations require that the county or city clerk, as applicable, prepare certain election supplies and equipment for each precinct, including at least three copies of each sample ballot which pertains to the election. (NAC 293.220, 293C.310) **Sections 4 and 13** of this regulation instead require that the county or city clerk, as applicable, prepare certain election supplies and equipment for each polling place. If the polling place is a vote center, the election supplies and equipment must include a means to print each sample ballot which pertains to the election upon request. **Sections 2 and 8** of this regulation define the term "vote center."

AMERICAN OVERSIGHT
NV-STOREY-22-1163-A-005973

Existing law requires each voting system used by a county or city to provide voting materials in English and certain other languages, as required by federal law or as authorized by the clerk. (NRS 293.2699) Existing regulations provide that, if a procedure for bilingual voting is used in the county or city, each county and city clerk must prepare for each polling place certain required notices in the appropriate foreign language. (NAC 293.225, 293C.140) **Sections 5 and 12** of this regulation provide instead that if a procedure for multilingual voting is used in the county or city, certain notices must be provided in the appropriate foreign languages.

Existing regulations provide that if a difference exists between the number of persons voting and the number of ballots cast in an election, the difference must be reported in writing to the county or city clerk, as applicable, together with any known reasons for the difference. (NAC 293.250, 293C.340) **Sections 6 and 14** of this regulation provide instead that after the close of polls on the day of the election, the election board must determine the total number of: (1) persons who applied to vote and voted in person at the polling place; and (2) ballots cast at the polling place. If a difference exists between those numbers, the difference must be reported to the county or city clerk, as applicable, together with any known reasons for the difference. **Sections 1 and 9** of this regulation provide a similar process for each day of voting during the period for early voting.

Existing law requires the city clerk to appoint and notify registered voters to act as election board officers for the various polling places and precincts in the city. (NRS 293C.220) Existing regulations provide that if an election board of more than three members is required to accommodate the number of registered voters in any precinct, the city clerk may appoint as many additional members as he or she believes are necessary or desirable. (NAC 293C.130) **Section 11** of this regulation provides instead that if an election board of more than three members is required to accommodate the number of registered voters who may vote at a polling place or in any precinct, the city clerk may appoint as many additional members as he or she believes are necessary or desirable.

Existing regulations require that there be an adequate supply, as determined by the city clerk, of voting booths for each precinct. (NAC 293C.390). **Section 15** of this regulation requires instead that there be an adequate supply of voting booths, as determined by the city clerk, for each polling place.

Existing regulations provide that for a city election, if any polling place is closed early because all the voters registered in the precinct have voted, the election board is required to notify the members of the counting board of the closing immediately. (NAC 293C.400) **Section 16** of this regulation provides instead that if any polling place that is not a vote center is closed early because all the voters registered in the precinct have voted, the election board is required notify the members of the counting board of the closing immediately.

A REGULATION relating to elections; revising provisions related to the withdrawal of a demand for an election recount; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain persons to demand and receive a recount of the vote at an election. A person who demands a recount must deposit in advance the estimated costs of the recount. (NRS 293.403) If the person who demanded the recount does not prevail, and it is found that the sum deposited was less than the cost of the recount, the person is required, upon demand, to pay the deficiency to the county clerk, city clerk or Secretary of State, as the case may be. If the sum deposited is in excess of the cost, the excess must be refunded to the person. If the person who demanded the recount prevails, the sum deposited with the Secretary of State, county clerk or city clerk must be refunded to the person. (NRS 293.405)

Existing regulations provide that: (1) a person who demands a recount of votes may withdraw the demand by filing a withdrawal in writing before the completion of the recount; and (2) the county or city clerk must stop the recount as soon as practicable after such a withdrawal is filed. (NAC 293.371) This regulation provides instead that: (1) a person may, before the completion of the recount, file a withdrawal of the demand in writing with the officer with whom the person filed the demand; and (2) each county or city clerk who was conducting the recount must stop the recount as soon as practicable. If it is found that the sum deposited for the purpose of the recount is: (1) less than the cost of the recount at the time of the withdrawal, the person must pay the deficiency to the county clerk, city clerk or Secretary of State, as applicable; or (2) in excess of the cost of the recount at the time of the withdrawal, the excess must be refunded to the person.

A REGULATION relating to elections; revising certain election provisions related to persons convicted of a felony; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires a county clerk to cancel the voter registration of a person upon the determination that the person has been convicted of a felony and is currently serving a term of imprisonment; (2) provides that a person convicted of a felony who has served his or her sentence and has been released from prison is immediately restored the right to vote; and (3) authorizes any such person to reregister to vote upon release from prison. (NRS 213.157, 293.540, 293.543)

Existing regulations provide that the Secretary of State will immediately provide the county clerks with any information the Secretary of State receives from the Attorney General of the United States regarding the conviction of any person of a felony. (NAC 293.414) **Section 2** of this regulation provides instead that the Secretary of State will immediately provide the county clerks with any information that the Secretary of State receives from the Attorney General of the United States or the Department of Corrections regarding any person who is convicted of a felony and sentenced to a term of imprisonment.

Section 2 also removes obsolete language related to the former process of restoring the voting rights of a person who was convicted of a felony.

Existing regulations require a county clerk to count a provisional ballot under certain circumstances including that a voter has not been convicted of a felony or, if the voter had been convicted of a felony, the civil rights of the voter had been lawfully restored. (NAC 293.270) **Section 1** of this regulation removes this obsolete language in order to comply with the applicable provisions of the Nevada Revised Statutes.

Section 1. NAC 293.270 is hereby amended to read as follows:

3. A county clerk shall count a provisional ballot if the county clerk determines that all the following requirements were satisfied by the date of the election for which the provisional ballot was cast:

(a) The voter was properly registered in the county where the provisional ballot was cast;

(b) The voter was a citizen of the United States;

(c) The voter was 18 years of age or older;

AUTHORITY: § 1, NRS 293.124 and 293.247.

A REGULATION relating to elections; revising provisions related to a postelection audit of voter verifiable paper audit trail printers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing regulations require, after each election, a county clerk to conduct a postelection certification audit of a certain number of voter verifiable paper audit trail printers, known as "VVPATs," that are randomly selected to ensure that the paper record produced by a VVPAT accurately records all votes cast by voters on a mechanical recording device. (NAC 293.255) A VVPAT is the device attached to a mechanical recording device and the paper it prints to record all votes cast by a voter for any and all candidates and for or against any and all measures, enabling that voter to visually verify that the mechanical voting system has accurately recorded the votes of the voter. (NAC 293.010)

This regulation provides that if a discrepancy of four or more votes is discovered during the postelection certification audit, the county clerk must immediately notify the Secretary of State and investigate the cause of the discrepancy. If the discrepancy cannot be resolved, the county clerk must randomly select an additional number of mechanical recording devices with attached VVPATs used in the election to audit. This regulation also requires the county clerk to include in the audit results transmitted to the Secretary of State an explanation of any discrepancy discovered by the county clerk and, if determined, an explanation of what caused the discrepancy to occur.

Section 1. NAC 293.255 is hereby amended to read as follows:

293.255 1. After each election, a county clerk shall conduct a postelection certification audit of VVPATs randomly selected pursuant to subsection 3 or 4, as applicable, to ensure that the paper record produced by a VVPAT accurately records all votes cast by voters on a mechanical recording device.

Such comparison may be conducted manually or by a mechanical device determined by the Secretary of State to be capable of accurately reading the votes cast and printed and otherwise qualified for use in the State pursuant to applicable state and federal law.

3. The county clerk of a county whose population is 100,000 or more must randomly select a number of mechanical recording devices equal to 2 percent of the number of mechanical recording devices with attached VVPATs used in the election, or not less than 20 mechanical recording devices, whichever is greater, for the postelection certification audit. ***If a discrepancy of four or more votes is discovered during the postelection certification audit, the county clerk must immediately notify the Secretary of State and investigate the cause of the discrepancy. ADOPTED REGULATION OF

THE SECRETARY OF STATE

LCB File No. R111-21

EXPLANATION – Matter in ***italics*** is new; matter in brackets **[**~~omitted material~~**]** is material to be omitted.

AUTHORITY: §§ 1-3, NRS 293.124, 293.247, 293.3677 and 293B.105.

A REGULATION relating to elections; setting forth certain requirements relating to testing and certifying ballot marking devices; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the board of county commissioners of any county to purchase and adopt for use at elections any mechanical voting system and mechanical recording device. (NRS 293B.105) A "mechanical voting system" is a system of voting whereby a voter may cast a vote: (1) on a device which mechanically or electronically compiles a total of the number of votes cast for each candidate and for or against each measure voted on; or (2) by marking a paper ballot which is subsequently counted on an electronic tabulator, counting device or computer. (NRS 293B.033)

Existing regulations require the county clerk in a county using a mechanical voting system to conduct certain tests before and after each election to ensure that each mechanical recording device which directly records votes electronically will accurately record the votes cast for all offices and on all measures. (NAC 293B.090) **Section 2** of this regulation requires that the county clerk also test each ballot marking device, which is defined in **section 1** of this regulation as a device that allows a registered voter to mark a paper ballot which is subsequently counted on an electronic tabulator, counting device or computer.

Existing regulations require that before each election cycle for federal office, each county clerk is required to certify that the operating systems installed on each mechanical recording device have been certified by the Voting System Certification and Laboratory Accreditation Program of the Election Assistance Commission. (NAC 293B.110) **Section 3** of this regulation: (1) updates the name of the Program and relevant citation to federal law; and (2) requires the county clerk to also certify the operating systems installed on each ballot marking device. **Section 3** further requires these certifications to be done before each election.

Section 1. NAC 293B.010 is hereby amended to read as follows:

293B.010 As used in this chapter, unless the context otherwise requires:

AMERICAN OVERSIGHT

NV-STOREY-22-1163-A-006024

1. ***"Ballot marking device" means a device which allows a registered voter to mark a paper ballot which is subsequently counted on an electronic tabulator, counting device or computer.***

2. "Firmware" means programming instructions that are stored in a read-only memory format within a mechanical recording device rather than being implemented through software.

~~[2.]~~ ***3.*** "Mechanical recording device" has the meaning ascribed to it in NRS 293B.032.

~~[3.]~~ ***4.*** "Mechanical voting system" has the meaning ascribed to it in NRS 293B.033.

~~[4.]~~ ***5.*** "Results cartridge" means a cartridge which contains the electronically recorded ballots cast during the election and from which the ballots are tabulated.

~~[5.]~~ ***6.*** "Voter verifiable paper audit trail printer" or "VVPAT" means the device attached to a mechanical recording device and the paper it prints to record all votes cast by a voter for any and all candidates and for or against any and all measures, enabling that voter to visually verify that the mechanical voting system accurately recorded the votes of the voter.

Sec. 2. NAC 293B.090 is hereby amended to read as follows:

293B.090 1. ~~[Before]~~ ***Not earlier than 2 weeks before, and not later than 5 p.m. on the day before, the first day of early voting,*** and after each election, as provided in NRS 293B.140 to 293B.170, inclusive, the county clerk in a county using a mechanical voting system shall ensure that each mechanical recording device which directly records votes electronically, ***each ballot marking device,*** each VVPAT and the automatic tabulating equipment and programs to be used in the election will accurately ***mark or*** record ***, as applicable,*** the votes cast for all offices and on all measures by completing the tests required pursuant to this section and chapter 293B of NRS.

2. A county clerk shall, in the course of performing the other tests of the system, conduct a test to ascertain that the VVPAT correctly records on the paper record the selection made on the

AMERICAN OVERSIGHT

mechanical voting device for all offices and all measures on the ballot. If a county clerk is required to conduct an election in more than one language, the test ballots must be processed in each required language.

3. A county clerk shall conduct the test required pursuant to subsection 2 by:

(a) Processing on a mechanical recording device, during the periods prescribed in NRS 293B.150 and 293B.165, a group of logic and accuracy test ballots voted so as to record:

(1) A vote for each candidate and a vote for and against each measure on the ballot;

(2) A vote for "None of these candidates" for all statewide contests;

(3) "No selection made" for each contest and ballot measure; and

(4) In all contests in which a voter may vote for more than one candidate, each option available to the voter, from "No selection made" to the total number of candidates a voter may select.

(b) Comparing the paper record with the contests and candidate names required to be on the ballot to ensure the paper record is accurately recording and reflecting the selections made on the mechanical recording device.

4. If any error is detected during the test required pursuant to subsection 2, the error must be immediately reported to the Secretary of State. The cause of the error must be ascertained and corrected and an errorless count must be made before the particular mechanical recording device or VVPAT is approved for use in the election or certified for accuracy in the official counting of the ballots.

5. A vote is properly cast on a mechanical recording device which directly records votes electronically when:

(a) The voter selects his or her choice;

AMERICAN OVERSIGHT

(b) The mechanical voting system verifies the selection of the voter;

(c) The voter submits his or her selections; and

(d) The mechanical voting system verifies that the selections have been submitted.

6. Each mechanical recording device which directly records votes electronically must include:

(a) Instructions for casting a vote;

(b) A method for a voter to select his or her vote in each contest;

(c) A method for a voter to change his or her selection;

(d) A visual verification of the selections made by the voter for each contest;

(e) A visual notice to the voter if the voter has not made a selection in a contest or if the voter has undervoted in a contest in which the voter may select more than one candidate;

(f) Protection from an overvote;

(g) A method for the voter to review his or her selections and make changes before the ballot is cast;

(h) A notice advising the voter to confirm his or her selections before casting his or her ballot and informing the voter that casting the ballot is irrevocable;

(i) A verification that the vote has been cast;

(j) A paper record of each vote that is cast; and

(k) An electronic record of each ballot stored by the mechanical voting system.

7. A mechanical recording device which directly records votes electronically must create a trail for an audit of the mechanical voting system which substantiates that:

(a) Only ballots cast by authorized voters have been included in the tally list;

(b) All ballots have been unmodified since they were cast;

AMERICAN OVERSIGHT

NV-STOREY-22-1163-A-006027

(c) All ballots cast have been accounted for; and

(d) The results of the tabulation of the ballots have been correctly accumulated from the ballots of the authorized voters and are capable of repetition with the same results.

8. Persons authorized to observe the tests conducted pursuant to NRS 293B.150 and 293B.165 must not interfere with the conduct of such tests. The results of the tests conducted pursuant to this section are confidential pursuant to NRS 293B.155.

Sec. 3. NAC 293B.110 is hereby amended to read as follows:

293B.110 1. ~~[Before each election cycle for federal office,]~~ ***Not earlier than 2 weeks before, and not later than 5 p.m. on the day before, the first day of early voting,*** in accordance with procedures established by the Secretary of State, each county clerk shall certify that:

3. The date and time that the operating systems of each mechanical recording device ***and ballot marking device*** are certified pursuant to subsection 2 must be recorded, and, subject to the

Jim,
Good deal! I heard that Staci forwarded you the invite for tomorrow morning at 1030. If that ends up not working, please let me know and I'll adjust to your schedule and can set something up separate.

Also, do you think we could carve out an hour to talk next week? Heather Hardy and I want to give you a heads up about some key dates and processes and to see if you have any questions. Maybe on Tuesday afternoon or Thursday morning?

Good afternoon!
I realized that with everything going on, I hadn't yet offered you a demo of the Effective Absentee System for Elections (EASE) that is used by military, overseas, and voters with a disability. It goes "live" on Saturday, but I can share my screen to show you what it looks like, how it works, and what actions you and your teams will need to take for each EASE ballot that we receive.
Is that something you'd be interested in? It does not have to happen this week and we could schedule the 30 minute demo anytime in the next three weeks when your schedule permits.

Subject: EASE Demo?

Good afternoon!
I realized that with everything going on, I hadn't yet offered you a demo of the Effective Absentee System for Elections (EASE) that is used by military, overseas, and voters with a disability. It goes "live" on Saturday, but I can share my screen to show you what it looks like, how it works, and what actions you and your teams will need to take for each EASE ballot that we receive.
Is that something you'd be interested in? It does not have to happen this week and we could schedule the 30 minute demo anytime in the next three weeks when your schedule permits.
What do you think?

Good deal! I heard that Staci forwarded you the invite for tomorrow morning at 1030. If that ends up not working, please let me know and I'll adjust to your schedule and can set something up separate.

Also, do you think we could carve out an hour to talk next week? Heather Hardy and I want to give you a heads up about some key dates and processes and to see if you have any questions. Maybe on Tuesday afternoon or Thursday morning?

We can do it via Teams, if that's alright. We won't be discussing anything confidential and we're in the same boat regarding open offices. Teresa,

Apologies, this was my fault. I was switching between different testing environments and grabbed our internal SOS link by mistake. Below are the correct URL links for Mineral, Pershing, Storey, and Washoe.

Mineral – https://www.nvsos.gov/EASEBeta/EasePages/ballot.aspx?&county=12&precinct=01
Pershing – https://www.nvsos.gov/EASEBeta/EasePages/ballot.aspx?&county=14&precinct=01
Storey – https://www.nvsos.gov/EASEBeta/EasePages/ballot.aspx?&county=15&precinct=01
Washoe – https://www.nvsos.gov/EASEBeta/EasePages/ballot.aspx?&county=16&precinct=7412

All looks good to me, how about you?

I tested Pct 1, 4, 5, 6, 7, & 12, 13 & 15. I would like to reconcile the online ballot with that we have prepared for mail-in just to make sure they are all consistent with all candidates & Q's included. A quick run down with the two of us in the morning.

Question on Pct 6 – Canyon GID Seat 2-B: didn't Phil Hilton notify us he had moved out of the county?

I went through 1 and 6 but that was as far as I got.
As for Phil Hilton, I remember hearing Dore say something about him moving but I don't recall seeing anything in formal writing plus I believe there is a deadline as to when he could cancel his candidacy status and all this happened after that deadline. Not positive though

Testing From Start to Finish
If you would like to test from start to finish, you'll use the following URL: https://www.nvsos.gov/EASEBeta/EasePages/Overview.aspx. You will need to enter voter information in order to get to the contests. Submissions may be viewed in NevVoter under My Reports > EASE Ballot Submissions. You will need the EASE password that was sent to the designated recipients. Anything submitted during testing will be purged before go-live, so test data and real data don't comingle.

Austin and Jim,

I am prepared to do the minutes today, but as soon as the meeting is over, I am going to the emergency room, as I woke up having trouble breathing. It's a little better now, but I would like to get a chest xray and my doctor last visit didn't refer me for one. She said my lungs sounded fine. They don't feel fine. I will finish the eblast and everything tomorrow and/or Thursday, depending on what the doctor tells me. I don't have to work at the Bucket this weekend.

bty Austin, this is a relatively new email.

Just to be clear … I can receipt the invoice in hand into 001-112-54245-000 for the time being while further research is being done?

Also, attached are the receipts and backups for:
8/26/20 $7,622.91
7/26/22 $11,961.40
8/31/22 $3,323.32

We will have to pull they physical box of receipts for 8/31/21 $4,303.99 because I am not finding a scanned receipt in OnBase.

This account number is for Public Defender. The information on the check says Indigent Defense which I guess could be the public defender. However, the payments that have been made match up to the invoicing attached.

Please ask the State for an updated invoice if we are overpaying. It does look like we have several overpayments receipted into this account (001-112-54245-000), however I am not convinced that these are correctly deposited.

Jim, Heather:
If you could possible pull the back up for the below deposits listed under this account we can see where we are. Scanning this information into Tyler would help with this kind of research. Just a thought for the future.
8/26/20 $7,622.91
8/31/21 $4,303.99
7/26/22 $11,961.40
8/31/22 $3,323.32

I spoke to Shaney with the State. She says this payment is a refund for the last quarter in FY22. Apparently, we over paid. Heather found a refund payment from them that was placed in acct#001-112-54245-000, do you want this payment placed there as well?

Also, attached are the receipts and backups for:
8/26/20 $7,622.91
7/26/22 $11,961.40
8/31/22 $3,323.32

We will have to pull they physical box of receipts for 8/31/21 $4,303.99 because I am not finding a scanned receipt in OnBase.

AMERICAN OVERSIGHT

Hi again.

Payment was received on 9/21/22 in the amount of $8184.00 for account “T80054670A”and I am being told that account is for Dept of Indigent Defense.

I need an account to deposit it into and any backup that I can attach to the deposit/receipt please. The phone number I was given for that department with the state is #775-687-8490 if you need to reach out to them directly.

Brandie,
That doesn't make sense to me. Has anyone asked Dru? If she doesn't know, please call the state.

Thanks,
Jennifer

Good Morning.

Election day is fast approaching, and I wanted to touch base with you about our County Vehicle reservations. We had asked for 4 county vehicles if possible, and 3 for sure will be needed. In checking the weather forecast it appears we are going have a storm coming in the night before and day of election . . YEAH, snow!!! Arrrgg

I know we can be a bit stretched on county rigs at times but I need to make sure my election team and the election equipment are on the roads in safe and equipped vehicles. Big, heavy and ready for the snowy roads. The state sets our timelines and polls have to be open on time. Can you tell me which County vehicles are we being assigned?

That's great news! Thank you for getting back to me Brandie. If we can have the two Yukons and 2 Trucks that would be great! Also, if it is at all possible to get the keys from you early on Monday I would appreciate it. I want to make sure they are gassed and parked accordingly so we can be ready to roll early morning on Tuesday.

Already a question. Do you mean 2022 for the 8/24/22 reimbursements? Postage in 2020 was only about $326 and the sorter was purchased in 2022?

Ok. Finally had a second to think.

This is what I was able to come up with ….
The four transactions on 8/24/22 are reimbursements from the state for the expenses we had during the mandatory all mail election season for2020.
The one transaction on 7/28/22 is the partial reimbursement from the state for our annual cost with Dominion. The state helps with the voting system expenses. So that would be current year.
The transaction on 8/26/22 is the reimbursement for the time and supplies we spent on the Primary 2022 recount requested by Joe Gilbert. Primary was June 2022
The transaction on 8/31/22 is additional funds that the state had remaining for reimbursement of the voting system licensing fees, so they gave all the counties a percentage of the pie, I think.

I have attached the receipts and the backups for the deposits. I hope this helps

Below are deposits into the election expense account 001-102-53015-000. I can tie the $103,196.99 to a purchase in the previous fiscal year. Are any of these other deposits associated with previous fiscal expenses? If so please connect the dots for me.
Please call if you have any questions.

Ok. Finally had a second to think.

This is what I was able to come up with ….
The four transactions on 8/24/22 are reimbursements from the state for the expenses we had during the mandatory all mail election season for2020.
The one transaction on 7/28/22 is the partial reimbursement from the state for our annual cost with Dominion. The state helps with the voting system expenses. So that would be current year.
The transaction on 8/26/22 is the reimbursement for the time and supplies we spent on the Primary 2022 recount requested by Joe Gilbert. Primary was June 2022
The transaction on 8/31/22 is additional funds that the state had remaining for reimbursement of the voting system licensing fees, so they gave all the counties a percentage of the pie, I think.

I have attached the receipts and the backups for the deposits. I hope this helps

Subject: FW: Additional Reimbursement of Voting System Licensing Funds

Good morning Clerks, Registrars and Staff,

After processing all of the county requests for reimbursement for their voting system licensing fees, we had extra funds remaining. Instead of reverting these funds back to the State General Fund, we reallocated them to the counties that spent more on their fees than we originally reimbursed utilizing a percentage of registered voters methodology. The counties will see an unexpected reimbursement in their accounts today or Monday. Below is a breakout of this allocation by county. Lander, Eureka and Mineral were not eligible for the reallocation either because no reimbursement request was submitted or their licensing costs were less than their original allocation.

County	Reallocation
Carson City	$ 387.38
Churchill	$ 152.16
Clark	$ 12,724.77
Douglas	$ 386.95

Already a question. Do you mean 2022 for the 8/24/22 reimbursements? Postage in 2020 was only about $326 and the sorter was purchased in 2022?

Hello,
It's me again...
In order to get it in this week, I need to get the information from you by 2:30. Please let me know if that will work. If not, we can definitely get it in next week.
Thanks,

If you could send me the information to publish, I can still get it in this week. Is this going to be the only thing that we need to publish for the elections, or will there be more coming at a later date? I just want to make sure we are set up on our end to make it run smoothly because it has been quite large in the past and requires a little adjusting on our end.

Hi Jim,

Thank you for your response. I had heard that Dore was leaving, but I wasn't sure if that had happened yet or what exactly was happening. If you could send me the information to publish, I can still get it in this week. Is this going to be the only thing that we need to publish for the elections, or will there be more coming at a later date? I just want to make sure we are set up on our end to make it run smoothly because it has been quite large in the past and requires a little adjusting on our end.

Thank you,

EXPLANATION & DIGEST

EXPLANATION—This ballot measure would add new language to the *Nevada Constitution* specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

A "Yes" vote would amend the *Nevada Constitution* to add new language specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

A "No" vote would not amend the *Nevada Constitution* to add new language specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry or national origin.

DIGEST—Existing federal and state constitutional and statutory provisions prohibit discrimination based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin in various manners. For example, the First Amendment to the *United States Constitution* prohibits discrimination based on creed or religion. (*Lee v. Weisman*, 505 U.S. 577, 590 (1992) (explaining that the government cannot violate "the central meaning of the Religion Clauses of the First Amendment, which is that all creeds must be tolerated and none favored."); *Trinity Lutheran Church of Columbia, Inc. v. Comer*, --- U.S. ---, 137 S. Ct. 2012, 2019-21 (2017) (explaining that the First Amendment prohibits laws that discriminate against or impose unequal treatment on persons based on creed or religion))

The Equal Protection Clause of the Fourteenth Amendment to the *U.S. Constitution* also prohibits states and local governments from denying "to any person within its jurisdiction the equal protection of the law." Equal protection requirements apply to the federal government through the Due Process Clause of the Fifth Amendment to the *U.S. Constitution*. The U.S. Supreme Court has interpreted the Equal Protection Clause as not requiring the government to treat every person the same, but instead as requiring the government to treat persons who are in similar conditions or circumstances, or "similarly situated," in the same way. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 439 (1985))

For the purposes of the federal Equal Protection Clause, the U.S. Supreme Court has developed a three-tiered test that courts apply to determine whether a law that imposes a burden upon or provides a benefit to one class of

AMERICAN OVERSIGHT

persons to the exclusion of others is valid. Depending on the classification involved, courts apply tests known as strict scrutiny, intermediate scrutiny, or rational basis scrutiny to analyze the government's justification for the classification. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 439-41 (1985); *Rico v. Rodriguez*, 121 Nev. 695, 703 (2005)) The Nevada Supreme Court also applies those tests to equal protection challenges to the validity of laws under the *Nevada Constitution*. (*Rico v. Rodriguez*, 121 Nev. 695, 703 (2005)) Under the three-tiered analysis, courts apply the strict scrutiny test to laws that classify persons by race, national origin, religion, or alienage or that infringe upon certain fundamental rights. The strict scrutiny test requires the government to prove that the classification is narrowly tailored to serve a compelling government interest. (*Parents Involved in Cmty. Sch. v. Seattle Sch. Dist. No. 1*, 551 U.S. 701, 720 (2007); *Tarango v. State Indus. Ins. Sys.*, 117 Nev. 444, 454 (2001)) Courts apply the intermediate scrutiny test to laws that classify persons by gender or their status as having been born out of wedlock. The intermediate scrutiny test requires the government to prove that the classification has a substantial relationship to an important government interest. (*United States v. Virginia*, 518 U.S. 515, 532-33 (1996); *Olson v. State*, 95 Nev. 1, 3 (1979)) For all other classifications, courts typically apply scrutiny under a rational basis test which only requires the government to demonstrate that the classification is rationally related to a legitimate government interest. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 440 (1985); *Rico v. Rodriguez*, 121 Nev. 695, 703 (2005))

Although not certified as part of the *U.S. Constitution*, a proposed amendment is currently pending to the *U.S. Constitution*, which states that "[e]quality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex." This federal Equal Rights Amendment was passed by a two-thirds majority of Congress in 1973 and ratified by three-fourths of the states in 2020. However, the National Archivist has not certified the federal Equal Rights Amendment as part of the *U.S. Constitution* pursuant to 1 U.S.C. § 106b as a result of several unresolved legal issues regarding the ratification process that are subject to ongoing litigation, including the expiration of ratification deadlines set by Congress and the passage in several states of legislative measures intended to rescind prior ratifications by those states. (*Virginia v. Ferriero*, 525 F. Supp. 3d 36 (D.D.C. 2021), *appeal docketed sub nom. Illinois v. Ferriero*, No. 21-5096 (D.C. Cir. May 7, 2021)) Although Nevada voters rejected ratification of the federal Equal Rights Amendment in an advisory question at the 1978 General Election, the Nevada Legislature ratified the Amendment in 2017. (*Senate Joint Resolution No. 2*, File No. 13, 79th Session)

Existing federal statutes also prohibit discrimination based on the classifications enumerated in this ballot measure in various manners. For example, the Religious Freedom Restoration Act of 1993 prohibits the federal government from substantially burdening the exercise of religion. (42 U.S.C. §§ 2000bb et seq.) With respect to employment, Title VII of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000e et seq.), the Equal Pay Act of 1963 (29 U.S.C. § 206(d)), the Age Discrimination in Employment Act of 1967 (29 U.S.C. §§ 621-634), section 501 of the Rehabilitation Act of 1973 (29 U.S.C. § 791) and Titles I and V of the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 et seq.) prohibit discrimination in employment based on race, color, religion, sex (including sexual orientation, gender identity, and pregnancy), age (40 years or older), disability, ancestry, or national origin. Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681 et seq.) prohibits discrimination on the basis of sex in educational programs and activities that receive federal funding. Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601-3609), known as the Fair Housing Act, prohibits housing discrimination based on race, color, national origin, religion, sex (including gender, gender identity, sexual orientation, and sexual harassment), familial status, or disability. Title II of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000a et seq.) prohibits discrimination on the basis of race, color, religion, or national origin in places of public accommodation. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) prohibits discrimination on the basis of race, color, or national origin in programs or activities that receive federal funding. These laws are a nonexhaustive listing of the federal laws that prohibit discrimination based on certain classifications.

The *Nevada Constitution* also prohibits discrimination based on the classifications enumerated in this ballot measure in various manners. For example, Section 4 of Article 1 of the *Nevada Constitution* guarantees the free

AMERICAN OVERSIGHT

exercise of religion. In addition, the Nevada Supreme Court has interpreted the requirement in Section 21 of Article 4 of the *Nevada Constitution* that "all laws shall be general and of uniform application throughout the State" to be coextensive with the guarantees of the Equal Protection Clause of the Fourteenth Amendment to the *U.S. Constitution*. (*Laakonen v. District Court*, 91 Nev. 506, 508 (1975)) Furthermore, the U.S. Supreme Court has held that states are free to provide additional constitutional protections beyond those provided by the *U.S. Constitution*. (*California v. Ramos*, 463 U.S. 992, 1014 (1983))

Existing Nevada statutory law also prohibits discrimination based on the classifications enumerated in this ballot measure in various manners. For example, these statutory prohibitions against discrimination apply to juvenile rights, eligibility for certain grants, housing assistance, college admission standards, gaming regulations, employment practices, eligibility for apprenticeships, and places of public accommodation. (*See, for example, Nevada Revised Statutes* (NRS) 62B.510, 217.420, 274.140, 281.370, 284.150, 288.270, 319.060, 338.125, 396.530, 463.151, 463.4076, 610.020, 610.150, 613.330, and 651.070.) These laws are a nonexhaustive listing of Nevada statutory laws that prohibit discrimination based on certain classifications.

This ballot measure proposes to amend the *Nevada Constitution* by adding a specific guarantee that equality of rights under the law shall not be denied or abridged by this State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

ARGUMENTS FOR PASSAGE

Equality is a cornerstone of our democracy, but not everyone enjoys full equality. Historically, certain groups have been discriminated against because of their characteristics. One of the most effective ways to help ensure equality is to specifically include protections from discrimination in the *Nevada Constitution*, making them far more difficult to repeal, undermine, or overturn based on the political mood of the day. Approving Question 1 will establish an enduring commitment to equality for everyone.

Although some protection against discrimination exists in federal and state law, there are gaps in the existing legal patchwork that have resulted in unavailable or inadequate protection for certain classes of people, including instances of unequal pay for women and pregnancy discrimination. This ballot measure fills those gaps by providing comprehensive state constitutional guarantees of equal treatment under the law for the classifications of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, and national origin.

Contrary to opponents' arguments, religion is one of the classifications protected by this ballot measure because courts interpret "creed" to have the same meaning as "religion." Therefore, by prohibiting discrimination based on a person's "creed," this ballot measure adds an additional layer of constitutional protection for our religious liberties.

Approving Question 1 will also improve outcomes for people in the protected classifications who have been discriminated against in Nevada by allowing our courts to apply a heightened level of scrutiny to laws or actions of the State or local governments that violate any of the protected classifications. This ballot measure will provide clear guidance to courts and lawmakers on Nevada's commitment to protect against discrimination and advance equality based on the unique text and history of Nevada's equal rights amendment.

Do not be misled by opponents' arguments about Question 1. Their arguments consist of unfounded speculation intended to distract from the clear goal of this ballot measure, which is to ensure equality. They argue that this ballot measure may be used to protect abortion rights, undermine women's sports by allowing male and transgender athletes to compete unfairly against women and girls in school sports, and challenge the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities. First, Nevada law

AMERICAN OVERSIGHT

already guarantees the right to an abortion, and this ballot measure will not change that right. Second, this ballot measure will not remove the State's ability to ensure competitive balance in school sports. Finally, it will not prevent the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities, such as public schools, universities, and colleges.

This ballot measure will not diminish the rights of some people at the expense of others but, instead, will advance equality for all by filling the gaps in existing protections. Additionally, this ballot measure will not eliminate the authority of the State and local governments to protect classifications of people, including children and other vulnerable populations, who have always been entitled to such protections. Governmental entities will still be able to pass laws or take actions to protect classifications of people but will have to honor Nevada's constitutional commitment to equality when doing so.

Everyone deserves to be treated equally under the law. Vote "Yes" on Question 1.

ARGUMENTS AGAINST PASSAGE

Proponents fail to acknowledge the impact Question 1 may have on individual liberties and safety. They state that this ballot measure will protect against religious discrimination based on a person's "creed" or religion. But they fail to explain how this ballot measure can give new constitutional protections to classifications such as sex, sexual orientation, and gender identity or expression and, at the same time, actually protect the religious liberties of individuals who hold traditional views on marriage and gender and want to live according to those values.

Question 1 may also be used by proponents to support access to abortion. Already, the highest courts in some states have interpreted their constitutional equal rights provisions to mandate taxpayer funding of medically necessary abortions through Medicaid. If Question 1 is approved, proponents may use this ballot measure as a basis to demand taxpayer funding of abortions in Nevada. And if the U.S. Supreme Court overturns *Roe v. Wade*, proponents may use this ballot measure as a basis to claim abortion rights in Nevada despite the Supreme Court's decision.

Further, Question 1 may be used by biological males and transgender athletes as a basis to undermine women's sports by demanding equal rights that allow them to compete unfairly against women and girls in school sports and for athletic scholarships. Question 1 may also be used to challenge the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities, such as public schools, universities, and colleges, potentially allowing biological men and women in each other's restrooms and locker rooms and threatening everyone's personal safety and privacy.

In 1978, Nevadans overwhelmingly voted against the proposed Equal Rights Amendment to the *U.S. Constitution*, which was limited to protecting against discrimination on account of sex. If passed, Question 1 would dramatically expand the equal rights protected specifically in the *Nevada Constitution* beyond sex to include a total of ten classifications. However, this ballot measure contains no provisions to guide courts in resolving conflicts among the protections provided to all of these classifications. For instance, there is no way to know how courts would resolve challenges to existing age-based laws regarding sexual consent, child endangerment, and parental consent and notification, some of which involve classifications based on both age and sex. No other state has implemented such a broad and legally untested constitutional provision protecting equal rights, and Nevada should not be the first state to do so.

Enshrining such broad and untested equal rights language into the *Nevada Constitution* will make it difficult to fix its inevitable unintended consequences. Approval of Question 1 will result in a flood of litigation, clogging our court system because of its vague and expansive language. Further, because Question 1 cements this language

AMERICAN OVERSIGHT

into the *Nevada Constitution*, it will require another lengthy constitutional amendment process to undo its negative effects.

This ballot measure is harmful and misguided. Vote "No" on Question 1.

FISCAL NOTE

Financial Impact—Cannot be Determined

If approved, Question 1 would amend the *Nevada Constitution* to specify that equality of rights under the law shall not be denied or abridged by this State or any of its cities, counties, or other political subdivisions on account of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin. It is not anticipated that passage of this ballot measure would result in immediate increases in expenditures for the State or local governments. However, it is not possible to predict whether the future application of Question 1 will require additional fiscal resources by the State or local governments. Therefore, any potential financial impacts on the State or local governments relating to the application of Question 1 cannot be determined with any reasonable degree of certainty.

STATE QUESTION NO. 2

Amendment to the *Nevada Constitution*

Assembly Joint Resolution No. 10 of the 80th Session

CONDENSATION (Ballot Question)

Shall the *Nevada Constitution* be amended, effective July 1, 2024, to: (1) establish the State's minimum wage that employers must pay to certain employees at a rate of $12 per hour worked, subject to any applicable increases above that $12 rate provided by federal law or enacted by the Nevada Legislature; (2) remove the existing provisions setting different rates for the minimum wage based on whether the employer offers certain health benefits to such employees; and (3) remove the existing provisions for adjusting the minimum wage based on applicable increases in the cost of living?

Yes ☐ No ☐

EXPLANATION & DIGEST

EXPLANATION—This ballot measure amends the *Nevada Constitution* to require that, beginning July 1, 2024, each employer must pay each employee to whom the minimum wage requirements apply (referred to as a "nonexempt employee") a minimum wage of not less than $12 per hour worked, subject to any applicable increases above $12 per hour worked provided by federal law or enacted by the Legislature.

This ballot measure further removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions allowing an employer that offers certain health benefits to nonexempt employees to pay a minimum wage of $1 per hour less than an employer that does not offer such health benefits to nonexempt employees.

This ballot measure also removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions adjusting the State's minimum wage rates based on the greater of certain increases in the federal minimum wage

AMERICAN OVERSIGHT

or certain increases in the cost of living measured by percentage increases in the Consumer Price Index (CPI), with caps on the cost-of-living increases for the adjusted rates. However, this ballot measure requires the State's minimum wage to be increased based on applicable increases in the federal minimum wage, providing that if, at any time, the federal minimum wage is greater than $12 per hour worked, the State's minimum wage is increased to the amount established for the federal minimum wage, unless the Legislature establishes, by state statute, a minimum wage that is greater than the federal minimum wage as permitted by federal law.

This ballot measure additionally expresses in the *Nevada Constitution* the existing authority of the Legislature to establish, by state statute, a minimum wage that is greater than the minimum hourly rate required by the *Nevada Constitution*.

If approved by the voters, this ballot measure supersedes any conflicting provisions in the State's existing minimum wage statutes which, on July 1, 2024, require an employer to pay a minimum wage of $11 per hour worked, if the employer offers certain health benefits to nonexempt employees, or $12 per hour worked, if the employer does not offer such health benefits to nonexempt employees, unless the Legislature amends those existing statutes to conform to this ballot measure before that date.

A "Yes" vote would, effective July 1, 2024: (1) add provisions in the *Nevada Constitution* establishing the State's minimum wage that employers must pay to nonexempt employees at a rate of $12 per hour worked, subject to any applicable increases above that $12 rate provided by federal law or enacted by the Legislature; (2) remove the existing provisions in the *Nevada Constitution* setting different rates for the minimum wage based on whether the employer offers certain health benefits to such employees; and (3) remove the existing provisions in the *Nevada Constitution* for adjusting the minimum wage based on applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

A "No" vote would: (1) keep the State's existing minimum wage, subject to any applicable increases or decreases provided by federal law or enacted by the Legislature; (2) keep the existing provisions in the *Nevada Constitution* setting different rates for the minimum wage based on whether the employer offers certain health benefits to nonexempt employees; and (3) keep the existing provisions in the *Nevada Constitution* for adjusting the minimum wage based on the greater of applicable increases in the federal minimum wage or applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

DIGEST—The federal Fair Labor Standards Act (FLSA) requires employers to pay nonexempt employees a prescribed minimum wage for each hour of work. (29 U.S.C. § 206) However, the FLSA expressly authorizes states to establish a minimum wage which is higher than the minimum wage required under federal law. (29 U.S.C. § 218) If a nonexempt employee is subject to both the federal and state minimum wage laws, the employee is entitled to the higher of the two minimum wages. (29 U.S.C. § 218)

At the 2006 General Election, Nevada voters amended the *Nevada Constitution* to establish a two-tier minimum wage system whereby an employer that offers certain health benefits to nonexempt employees may pay a minimum wage of $1 per hour less than an employer that does not offer such health benefits to nonexempt employees. The 2006 amendment to the *Nevada Constitution* required: (1) an employer to pay a minimum wage rate of $5.15 per hour worked, if the employer offers certain health benefits to nonexempt employees, or a minimum wage rate of $6.15 per hour worked, if the employer does not offer such health benefits to nonexempt employees; and (2) both minimum wage rates to be adjusted by the amount of any increase in the federal minimum wage over $5.15 per hour or, if greater, by the cumulative increase in the cost of living measured by percentage increases in the CPI, except that the CPI adjustment for any one-year period cannot exceed 3 percent. To offer

AMERICAN OVERSIGHT

health benefits for purposes of the 2006 amendment, an employer must make health insurance available to the employee for the employee and the employee's dependents at a total cost to the employee for premiums of not more than 10 percent of the employee's gross taxable income from the employer. (Nev. Const. Art. 15, §16)

Because federal law authorizes a state to establish a higher minimum wage than the federal minimum wage and nothing in the *Nevada Constitution* prohibits or limits the Legislature's authority to do so, the Legislature established the following minimum wage rates, effective July 1, 2019: (1) $7.25 per hour worked, if the employer offered certain health benefits to nonexempt employees; or (2) $8.25 per hour worked, if the employer did not offer such health benefits to nonexempt employees. The Legislature also provided for increases to these minimum wage rates of 75 cents per fiscal year for the next five fiscal years. Beginning July 1, 2024, unless amended by the Legislature before that date, the minimum wage rates established in existing statute will be $11 per hour worked, if the employer offers certain health benefits to nonexempt employees, or $12 per hour worked, if the employer does not offer such health benefits to nonexempt employees. (NRS 608.250)

This ballot measure amends the *Nevada Constitution*, effective July 1, 2024, to require an employer to pay nonexempt employees a minimum wage of $12 per hour worked, subject to any applicable increases above $12 per hour worked provided by federal law or enacted by the Legislature. This ballot measure also eliminates the two-tiered minimum wage system that is based on whether the employer offers certain health benefits to nonexempt employees. Because the State's existing statutory rates for the minimum wage are based on that two-tiered system, this ballot measure supersedes any conflicting statutory rates beginning on July 1, 2024, unless the Legislature amends such rates to conform to this ballot measure before that date. Therefore, this ballot measure requires an employer, effective July 1, 2024, to pay nonexempt employees a minimum wage of $12 per hour worked, regardless of whether the employer offers certain health benefits to those nonexempt employees, subject to any applicable increases in the minimum wage above $12 per hour worked provided by federal law or enacted by the Legislature.

This ballot measure also removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions for adjusting the minimum wage based on the greater of applicable increases in the federal minimum wage or applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates. However, this ballot measure provides that if, at any time, the federal minimum wage is greater than $12 per hour worked, the State's minimum wage is increased to the amount established for the federal minimum wage, unless the Legislature establishes, by state statute, a minimum wage that is greater than the federal minimum wage as permitted by federal law.

Finally, this ballot measure expresses in the *Nevada Constitution* the existing authority of the Legislature to establish, by state statute, a minimum wage that is greater than the minimum hourly rate required by the *Nevada Constitution*.

ARGUMENTS FOR PASSAGE

Nevada's workers deserve a constitutionally guaranteed increase in the minimum wage. Approval of Question 2 will ensure that effective July 1, 2024, workers will be paid a minimum wage of $12 per hour, which cannot be decreased by the Legislature but only increased above the $12 per hour rate. Even though the Legislature passed a law in 2019 requiring annual increases in the minimum wage through July 1, 2024, any future Legislature may change that law and potentially lower the minimum wage. This ballot measure will constitutionally guarantee that Nevada's minimum wage cannot be lowered below $12 per hour based on the political mood of the day.

AMERICAN OVERSIGHT

Approval of Question 2 will also eliminate the outdated and ineffective method for making cost-of-living adjustments in the minimum wage currently in the *Nevada Constitution*. Even though the *Nevada Constitution* currently provides for an annual adjustment in the minimum wage to compensate for certain increases in the cost of living, those annual adjustments are capped, and they have never kept up with the true cost of living for Nevada's workers. In fact, it will take over a decade after July 1, 2024, for the cost-of-living adjustments currently provided by the *Nevada Constitution* to exceed the $12 per hour minimum wage guaranteed by Question 2. Nevada's workers should not have to wait for more than a decade for a constitutionally guaranteed minimum wage of $12 per hour.

Finally, approval of Question 2 will eliminate the outdated and ineffective two-tiered minimum wage system currently in the *Nevada Constitution* that allows employers to lower their minimum wage by $1 per hour just for offering certain health benefits to employees and their dependents, even when the employees reject the health benefits being offered. Nevada's workers should not be penalized with a lower minimum wage solely because their employers offer certain health benefits, especially when those health benefits are rejected because workers can secure better or more cost-effective health benefits from alternative sources, such as a health insurance exchange. Nevada is the only state to have such a complicated and unfair two-tiered minimum wage system. It is time to eliminate that undesirable system from the *Nevada Constitution* and constitutionally guarantee a minimum wage of $12 per hour for Nevada's workers, regardless of whether their employers offer any health benefits.

It is time to update the minimum wage to better serve Nevadans. Vote "Yes" on Question 2.

ARGUMENTS AGAINST PASSAGE

Question 2 is an unnecessary change to the *Nevada Constitution* because the Legislature already has the authority to enact statutory increases in the minimum wage, and it has done so. In 2019, after receiving input from both workers and employers, the Legislature passed a law requiring annual increases in the minimum wage through July 1, 2024, when the statutory minimum wage will be set at $11 per hour, if the employer offers certain health benefits, or $12 per hour, if the employer does not offer certain health benefits. There is no need to establish the minimum wage at $12 per hour in the *Nevada Constitution* when the Legislature already has enacted an increased statutory minimum wage and has the authority to enact additional increases in the statutory minimum wage above the $12 per hour proposed by Question 2.

Approval of Question 2 will also harm Nevada's workers because it sets the minimum wage at $12 per hour in the *Nevada Constitution* without providing any method for making cost-of-living adjustments in the minimum wage as currently provided by the *Nevada Constitution*. Although the Legislature has established the statutory minimum wage at a higher rate than currently required by the *Nevada Constitution*, the existing method in the *Nevada Constitution* for making cost-of-living adjustments in the minimum wage ensures that the minimum wage will eventually increase above $12 per hour given that increases in the cost of living will continue to occur. Because this ballot measure will remove the existing method for making cost-of-living adjustments from the *Nevada Constitution* and will not require any form of cost-of-living adjustments in the minimum wage, approval of Question 2 will harm Nevada's workers by removing an important constitutional safeguard against the ever-increasing cost of living for Nevada's workers.

Finally, approval of Question 2 will harm Nevada's workers and employers by removing the existing incentive in the *Nevada Constitution* that encourages employers to offer certain health benefits to employees and their dependents in exchange for lowering the employees' minimum wage by $1 per hour. Because health benefits offered by employers may be the best source of affordable health benefits for some employees and their dependents, the existing incentive in the *Nevada Constitution* encourages employers to continue offering those

AMERICAN OVERSIGHT

benefits to employees and their dependents, thereby ensuring access to affordable health care. Because this ballot measure will remove the existing incentive from the *Nevada Constitution* and discourage employers from continuing to offer such health benefits, approval of Question 2 will harm the employers that have relied on the existing incentive to conduct their businesses, along with the employees who have relied on the health benefits to cover themselves and their dependents.

Question 2 is an unnecessary change to the *Nevada Constitution* that will harm Nevada's workers and employers. Vote "No" on Question 2.

FISCAL NOTE

Financial Impact—Cannot be Determined

Under the current constitutional and statutory provisions for the State's minimum wage, employers, including the State and local governments, are required to pay nonexempt employees, effective July 1, 2024, a minimum wage rate of $11 per hour, if certain health benefits are offered, or $12 per hour, if certain health benefits are not offered. The provisions of Question 2 would replace these existing provisions with a constitutional requirement that employers, including the State and local governments, pay nonexempt employees, effective July 1, 2024, a minimum wage rate of $12 per hour, regardless of whether the employers offered certain health benefits to employees and their dependents.

The provisions of this ballot measure would directly affect only those employers, including the State and local governments, that would be paying nonexempt employees on July 1, 2024, less than $12 per hour under the existing statutory minimum wage because those employers offered certain health benefits to employees and their dependents. It is unknown whether any employers, including the State and local governments, would be paying any nonexempt employees on July 1, 2024, less than $12 per hour under the existing statutory minimum wage and, thereafter, would be required to pay the $12 per hour minimum wage if the provisions of Question 2 become effective.

Additionally, it is unknown what impact, if any, there may be on the wages paid by employers, including the State and local governments, to employees who are not directly affected by the minimum wage provisions of Question 2. It is also unknown what impact, if any, may result to the health benefits offered or provided by employers based on the elimination of the existing constitutional provisions allowing a $1 lower minimum wage if employers offered certain health benefits to employees and their dependents.

Thus, if Question 2 is approved, the fiscal impact on the State and local governments related to any wages and health benefits that will be provided to nonexempt employees on or after July 1, 2024, cannot be determined with any reasonable degree of certainty. Additionally, it is not possible to predict the impact, if any, that Question 2 would have on the wages that employers, other than the State and local governments, will pay to their nonexempt employees on or after July 1, 2024, or on the health benefits that these employees may or may not obtain on or after July 1, 2024. Therefore, the impact, if any, that Question 2 would have on certain taxes deposited in the State General Fund cannot be determined with any reasonable degree of certainty, including: (1) the Modified Business Tax, which is paid by an employer based on the amount of quarterly wages, less allowable health care expenses, paid to employees; and (2) the Insurance Premium Tax, which is paid by insurance companies based on the total net premiums written in this State.

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to prospectively increase the required minimum wage paid to employees.

Legislative Counsel's Digest:

Section 16 of Article 15 of the Nevada Constitution requires private employers to pay a minimum wage of $5.15 per hour if the employer provides certain health benefits to employees or $6.15 per hour if the employer does not provide such health benefits to employees. The Constitution also requires the minimum wage to be adjusted each year by the amount of any increase in the federal minimum wage over $5.15 per hour or, if greater, by the cumulative increase in the cost of living measured by the Consumer Price Index (CPI), except that the CPI adjustment for any 1-year period cannot exceed 3 percent. (Nev. Const. Art. 15, §16) This joint resolution proposes to amend the Nevada Constitution to instead set the minimum wage at $12 per hour worked beginning July 1, 2024, regardless of whether the employer provides health benefits to employees. In addition, this joint resolution removes the annual adjustment to the minimum wage and instead provides that if at any time the federal minimum wage is greater than $12 per hour worked, the minimum wage is increased to the amount established for the federal minimum wage. In addition, this joint resolution allows the Legislature to establish a minimum wage that is greater than the hourly rate set forth in the Constitution.

STATE QUESTION NO. 3

Amendment to the *Nevada Constitution*

CONDENSATION (Ballot Question)

Shall the *Nevada Constitution* be amended to allow all Nevada voters the right to participate in open primary elections to choose candidates for the general election in which all voters may then rank the remaining candidates by preference for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators?

Yes ☐ No ☐

EXPLANATION & DIGEST

EXPLANATION— This initiative, if enacted, changes Articles 5 and 15 of Nevada's Constitution for U.S. Congressional, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller,

AMERICAN OVERSIGHT

Attorney General, and State Legislator elections, eliminating partisan primaries and establishing an open top-five primary election and a ranked-choice voting general election.

For these offices, all candidates and voters participate in a single primary election regardless of party affiliation or non-affiliation. The top five finishers advance to the general election, and the general election winner is determined by ranked-choice voting:

- General election voters will rank the candidates in order of preference from first to last, if they wish to rank more than just their first preference.
- As currently provided for during certain primary races, a general election candidate receiving first-choice votes of more than 50% is declared winner.
- If no candidate is the first choice of more than 50% of the voters in the general election, the candidate with the fewest votes is eliminated. Each voter who had ranked the now-eliminated candidate as their first choice, has their single vote transferred to their next highest choice candidate.
- This tabulation process repeats until the one candidate with more than 50% support is determined as the winner.

If passed, the Legislature would need to adopt implementing legislation by July 1, 2025. These changes would go into effect for the 2026 election cycle, starting with the primary election in June 2026.

A "Yes" vote would amend Articles 5 & 15 of the *Nevada Constitution* to allow all Nevada voters the right to participate in open primary elections to choose candidates for the general election in which all voters may then rank the remaining candidates by preference for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators.

A "No" vote would retain the provisions of Articles 5 & 15 of the *Nevada Constitution* in their current form.

DIGEST—Under current law, Nevada primary elections are closed elections in which the "candidates for partisan office of a major political party and candidates for nonpartisan office must be nominated at the primary election by a vote of the voters registered to each respective major political party" (NRS 293.175). Only registered voters of a major political party may take part in the selection of the candidates for a major political party for the general election during a primary election. Voters registered to a minor party or not affiliated with a party may only vote for nonpartisan contests during a primary election.

Article 15, section 14 of the *Nevada Constitution* currently provides that a plurality of votes given at an election by the people, shall constitute a choice. This means that the candidate who receives the majority of the votes, regardless of whether or not it is a majority (more than 50%) of the votes cast, is identified as the winner of that contest.

If approved by the voters, this ballot measure would return on the ballot of the general election in 2024. If passed then as well, it would amend the *Nevada Constitution* to change the primary election so that all voters, regardless of their party affiliation, would be able to cast votes for all candidates. This would change the primary election from a means for major political parties to identify their candidate for the general election and make it instead a means to simply reduce the total number of candidates whose names will appear on the ballot at the general election for partisan office. Under this change, no more than five candidates shall advance to the ballot of the general election for partisan office.

AMERICAN OVERSIGHT

This ballot measure would also change the manner of selection for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators such that the voters would be able to rank their candidates by preference in the general election. The changes identified in this ballot measure would not apply to the office of President or Vice-President of the United States. Under this new system, voters would be able to list, or rank, the candidates of their choice by preference, identifying on their ballot up to five candidates for each partisan contest in their order of preference. Votes would be tabulated in a manner that determines if a candidate is highest-ranked on a majority of the active ballots, then that candidate is deemed elected and the tabulation is complete. If no candidate is highest-ranked on a majority of the active ballots, tabulation would proceed in sequential rounds as outlined in Section 7 of the proposed constitutional amendment until the candidate with a majority of the votes is declared winner.

Under existing law, ballots for statewide office must include an option for voters to select "None of These Candidates" (NRS 293.269). Under the proposed changes, any votes for "None of These Candidates" shall be tabulated, recorded, and made public, but would not be counted for the purpose of electing or ranking any candidates for partisan office.

Finally, this ballot measure requires that the legislature create or modify existing statutes by July 1, 2025 in order to effect the implementation of these changes to the *Nevada Constitution*.

ARGUMENTS FOR PASSAGE

The current partisan election process is not working for Nevada. Current law excludes over one third of all Nevada voters from the taxpayer-funded partisan primary elections.[1] These closed partisan primaries are controlled by political party insiders and no citizen should be compelled to join a political party so as to vote.[2]

Despite being funded on the backs of all taxpayers[3], Nevada's partisan primaries are only open to Nevadans who register as Republican or Democrat.[4] This current system leaves out many voters and entitles a very small, partisan minority to determine the general election candidates.[5]

The closed partisan primary system leaves many feeling like their voices don't matter, and that their elected leaders only represent the most extreme party constituents.[6] Our leaders are often more concerned with angry partisan rhetoric rather than sensible policy making. Question 3 will greatly improve Nevada's election process, putting the power of elections where it belongs – in the hands of all voters, rather than the party establishment.[7]

Question 3 will give ALL Nevada voters the right to participate regardless of their party registration.[8] By creating an open primary, Question 3 allows all voters a voice in all those who appear on the general election ballot regardless of party affiliation.[9]

In addition to giving Nevadans more voice, Question 3 will also give voters more choice by establishing a Ranked-Choice general election system.[10] Ranked-Choice is a simple change to our general elections that allows voters the opportunity to rank up to five candidates who best represent their positions, rather than having to choose between the "lesser of two evils".[11] Nevadans will list the candidates in order of preference; however, ranking is not required, and voters can continue to simply vote for their top choice if they so choose.[12] The candidate who receives the broadest support from all voters will be the winner.[13] This simple change encourages candidates to focus on issues that matter to the majority rather than the partisan bases of the parties.[14]

Question 3 ensures that every Nevadan's voice is heard and that every vote matters, regardless of party registration, and makes elected officials more accountable to all Nevadans.[15]

AMERICAN OVERSIGHT

Vote YES and give Nevadans more choice and more voice in our elections.

REBUTTAL TO ARGUMENTS FOR PASSAGE

Question 3's jungle primary and confusing multi-stage general election proposal does nothing to address partisanship in Nevada's political process, and will likely make things worse.

Instead, this initiative will fundamentally damage the traditional conduct of our elections, and it could function to shut out parties entirely from running general election candidates in some races. In many districts, the only choices in November might be between candidates of the same party, or among fewer parties' candidates than currently.

In addition, if Question 3 passes, independent candidates not affiliated with the political parties would be prevented from launching a campaign in the general election, and would instead have to compete directly in expensive primaries against established party candidates. Nevadans need more quality voices and ideas in politics, but this initiative actually narrows voters' options.

Question 3's out-of-state special interest funders want to permanently lock this extreme change in our elections into our state Constitution, meaning this risky scheme would be nearly impossible to change or repeal, and the cost of future elections would increase.

This initiative's result will be more money in toxic political campaigns and thousands of votes thrown away because of confused voters, with no improvement in our political system.

AMERICAN OVERSIGHT

The above rebuttal was submitted by the Ballot Question Committee composed of citizens opposed to this question as provided for in NRS 293.252. Committee members: Emily Persaud-Zamora (Chair) and Eric Jeng. This rebuttal can also be found at www.nvsos.gov.

ARGUMENTS AGAINST PASSAGE

The changes to elections proposed by Question 3 do not put voters first. This initiative, funded by out-of-state millionaires and special interest groups, would completely overhaul elections in Nevada, making them more complicated and more time-consuming for voter participation.[1] It could cost Nevadans millions of taxpayer dollars to implement, and lock these changes into our state Constitution, making it nearly impossible to repeal if this scheme fails.[2]

"One person, one vote" is at the core of free and fair elections in America. Question 3 raises questions regarding whether it undermines that basic principle, and leaves some voters at risk of having votes ultimately not counted in the final tally.[3] For example, if a voter chooses to rank only one candidate, their ballot might be excluded from the final count – as if they didn't show up for the election at all. Meanwhile, voters who selected multiple candidates will have their votes counted multiple times. In 2021, more than 140,000 ballots in New York City were declared "inactive" before the final round of tabulation and no longer factored into the ultimate vote count – nearly 15% of all ballots cast.[4]

Ranked-choice voting is a complex process that results in up to five times as many ballots uncounted because of errors.[5] Currently, Nevada's voting process is straightforward: voters pick which candidate they support, and the candidate with the most votes wins. Ranked-choice voting makes casting ballots more confusing and tedious, and decreases participation in our elections.[6] In close races, it could take weeks to determine the winner, leading many voters to question the validity of the results.[7]

Question 3 would replace our traditional primary system with a California-style "jungle primary" system. This means candidates from a single political party can overwhelm the primary and shut out other political parties from even appearing on the November general election ballot. This is an extreme change that threatens the ability to have all viewpoints represented during a general election in Nevada.

Question 3 would enshrine a complicated, time-consuming, error-prone, and expensive new voting system into the Nevada Constitution. This constitutional change would be extremely difficult to repeal if the new system fails voters.

Our elections won't be better if Nevadans are left questioning whether their vote will be counted in final tallies. Voters in other states and municipalities have recently rejected ranked-choice voting.[8] We encourage our fellow Nevadans to vote no on Question 3.

The above argument was submitted by the Ballot Question Committee composed of citizens opposed to this question as provided for in NRS 293.252. Committee member: Emily Persaud-Zamora (Chair) and Eric Jeng. This rebuttal, with active hyperlinks, can also be found at www.nvsos.gov.

REBUTTAL TO ARGUMENTS AGAINST PASSAGE

The opposition statement above is filled with misleading claims. Political party bosses want to keep their power by stopping Question 3 – continuing to keep over 1/3 of voters from voting in Nevada's closed primaries.[1]

Question 3 guarantees every Nevadan the right to vote in primaries, maximizing the principle of one person one vote.[2] Question 3 promotes better governance because elected officials will be held accountable to the majority of Nevadans, not just partisan extremists.[3]

In the general election, Question 3 lets voters choose just one candidate or rank up to five in order of preference, giving voters more say and the winning candidate will be the one with broadest support of all voters.[4] No votes are uncounted or excluded. Millions of U.S. voters outside Nevada already have such a right, including many Military voters.[5]

Question 3 necessitates no greater delay in ballots being counted, as we already have mail voting.[6]

Maximizing the right to vote is hardly complicated. Citizens prioritize choices everyday. Prioritizing those candidates so that the winner is most reflective of the will of voters — as opposed to party bosses — is what matters.

Vote YES ON Question 3 – to help fix a broken system.

FISCAL NOTE

FINANCIAL IMPACT – YES

OVERVIEW

The Statewide Constitutional Initiative Petition – Identifier: C-01-2021 (Initiative) proposes to amend various sections of the *Nevada Constitution* to make the following changes to the state's election process:

1. All primary elections for partisan offices shall be held as open primaries.

AMERICAN OVERSIGHT

2. The five candidates receiving the most votes at the primary election shall advance to the general election, regardless of the candidate's party affiliation.
3. General elections for partisan offices, which include United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and state legislators, but excludes the offices of President and Vice President of the United States, shall be conducted by a ranked-choice ballot.

FINANCIAL IMPACT OF THE INITIATIVE

Pursuant to Article 19, Section 2 of the *Nevada Constitution*, an initiative proposing to amend the *Nevada Constitution* must be approved by the voters at two successive general elections in order to become a part of the *Constitution*. If this Initiative is approved by voters at the November 2022 and November 2024 General Elections, the provisions of the Initiative would become effective on the fourth Tuesday of November 2024 (November 26, 2024), when the votes are canvassed by the Supreme Court pursuant to NRS 293.395.

The following provisions of the Initiative have been identified as having a potential financial impact upon the state and local governments:

1. The provisions of the Initiative requiring that all primary elections for partisan offices be held as open primaries will result in a single sample ballot being produced for all registered voters for each primary election, irrespective of party affiliation, rather than separate sample ballots for voters of each political party. Although these provisions will eliminate the need for local governments to prepare separate sample ballots for each major political party, the addition of all candidates for each partisan race to all ballots, regardless of party affiliation, may result in an increase in the number of pages required to print each sample ballot, thereby potentially increasing the costs borne by local governments to provide those sample ballots.

Because the number of candidates who may choose to run for each partisan office in future primary elections cannot be predicted, the size of the sample ballot sent to each registered voter, and the resultant financial impact upon local governments, cannot be determined with any reasonable degree of certainty.

2. The provisions of the Initiative requiring that the five candidates receiving the most votes at the primary election shall advance to the general election, regardless of the candidate's party affiliation, may also affect the number of candidates appearing on the sample ballot produced for registered voters at each general election and, therefore, may increase the number of pages required to print each sample ballot for registered voters at any general election held in this state.

Because the number of candidates who may choose to run for each office in future elections cannot be predicted, the potential increase to the size of the sample ballot that is sent to each registered voter before each general election, as well as the potential financial impact upon local governments that may result from these changes to the size of the sample ballot, cannot be determined with any reasonable degree of certainty.

3. The provisions that require general elections for certain partisan offices specified within the Initiative be conducted using a ranked-choice ballot will increase costs for the state and local governments, beginning with the general election that would be held in November 2026, if the Initiative is approved by voters at the November 2022 and November 2024 general elections.

In December 2021, the Secretary of State's Office provided information to the Fiscal Analysis Division relating to potential costs relating to the implementation of ranked-choice voting. This information, which was obtained with the cooperation of local governments, estimated one-time expenditures by the state and

AMERICAN OVERSIGHT

local governments of approximately $3.2 million beginning in FY 2025, prior to the November 2026 General Election, relating to voter outreach and education, increased ballot stock costs, personnel expenses, equipment, software and programming costs for voting machines, and updates to training materials.

The Secretary of State's Office additionally estimated ongoing expenditures relating to the implementation of ranked-choice voting of approximately $57,000 per fiscal year, relating to the payment of license fees to the vendors supplying election software to each of Nevada's seventeen counties. The information provided also indicated that there may be additional ongoing expenditures relating to increased ballot stock that would need to be used by the counties for each primary and general election, depending on the number of individuals who run for the offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and the State Legislature. However, because the number of individuals who may run for these offices in any given election cannot be predicted, the resultant impact upon ongoing expenditures for the state and local governments cannot be determined with any reasonable degree of certainty.

Based on the information provided by the Secretary of State's Office, in cooperation with affected local governments, the Fiscal Analysis Division has determined that the implementation of the Initiative will result in additional one-time and ongoing expenditures for the state and local governments following its effective date. However, the Secretary of State's estimates of these costs outlined in this financial impact statement were based on information available in December 2021. The Fiscal Analysis Division cannot easily estimate the costs associated with the implementation and administration of the Initiative beginning with the 2026 election cycle; therefore, the actual impacts upon one-time and ongoing expenditures that would be borne by the state and local governments in FY 2025 and future fiscal years cannot be determined with any reasonable degree of certainty.

Section 2. Article 15, Section 14 of the Nevada Constitution is hereby amended to read as follows:

Sec: 14. Election by plurality. A plurality of votes given at an election by the people, shall constitute a choice, ***except as provided in Section 18 of Article 15 or*** where not otherwise provided by this Constitution.

Section 3. Article 15 of the Nevada Constitution is hereby amended by adding thereto a new section to be designated as Section 17, to read as follows:

Section 17. Top-five primary elections for partisan office.

1. ***Primary elections for partisan office shall be conducted as follows:***
    a. ***The primary election for partisan offices must be held on the date and time as provided by Nevada law.***
    b. ***A person may become a candidate at the primary election for partisan office regardless of the person's affiliation with a political party, or lack thereof.***
    c. ***Any registered voter may cast a primary ballot for any candidate for partisan office regardless of the political party affiliation of the voter or any political party preference indicated by the candidate. The primary election for partisan office does not serve to determine the nominee of a political party or political group but serves only to narrow the number of candidates whose names will appear on the ballot at the general election for partisan office.***
2. ***At a primary election for partisan office, only the names of the five candidates receiving the greatest number of votes at the primary election shall advance to the general election for partisan office. If, however, there are five or fewer candidates for a specific partisan office, the primary election for partisan office will still be held and the results made public, and all must be declared the candidates for the general election.***
3. ***In the event of a tie for fifth place, the candidate who proceeds to the general election for partisan office will be decided by lot.***
4. ***The ballot for the primary election must clearly delineate the partisan offices to which the top-five process provided by this section applies.***
5. ***Immediately following the name of each candidate for a partisan office must appear the name or abbreviation of the political party with which the candidate is registered, the words "no political party" or the abbreviation "NPP," as the case may be.***
6. ***The ballots for the primary elections for partisan office must include a conspicuously placed statement: "A candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate."***
7. ***In the event that one of the five candidates who received the greatest number of votes at the primary election withdraws, is disqualified, dies, or is otherwise deemed ineligible to be elected after the primary election for partisan office but before the 5 p.m. on the fourth Friday in July, the candidate receiving the next greatest number of votes at the primary election for partisan office shall be declared a nominee, and his or her name shall be placed on the ballot at the general election for partisan office.***
8. ***As used in this section:***

    "Partisan office" means the Offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and State Legislators, and excludes the Offices of President of the United States and Vice President of the United States.

9. *Implementation*
    a. *Not later than July 1, 2025, the Legislature shall provide by law for provisions consistent with Section 17 of Article 15 of this Constitution to require top-five primary elections for partisan office.*
    b. *Upon enactment of any law by the Legislature pursuant to Section 17 of Article 15 of this Constitution before July 1, 2025, and not later than that date, any laws, regulations, regulatory orders or other provisions which conflict with Section 17 of Article 15 of this Constitution will be void. However, the Legislature may enact legislation, in whole or in part, consistent with Section 17 of Article 15 of this Constitution that to provide top-five primary elections for partisan office before July 1, 2025.*

Section 4. Article 15 of the Nevada Constitution is hereby amended by adding thereto a new section to be designated as Section 18, to read as follows:

Section 18. Ranked-choice voting for general elections for partisan office.

1. *All general elections for partisan office shall be conducted by ranked-choice voting.*
2. *The general election ballots for partisan office shall be designed so that the candidates are selected by ranked-choice voting.*
3. *The general election ballots for partisan office shall be designed so that the voter is directed to mark candidates in order of preference and to mark as many choices as the voter wishes, but not to assign the same ranking to more than one candidate for the same office.*
4. *Immediately following the name of each candidate for a partisan office must appear the name or abbreviation the political party with which the candidate is registered , the words "no political party" or the abbreviation "NPP," as the case may be.*
5. *The ballots for the general elections for partisan office must include a conspicuously placed statement that: "Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate."*
6. *When counting ballots in a general election for partisan office, the Registrar, County Clerk, or chief election official (as applicable) in each County shall initially tabulate each validly cast ballot as one vote for the highest-ranked candidate on that ballot or as an inactive ballot. If a candidate is highest-ranked on a majority of the active ballots, that candidate is elected and the tabulation is complete. If no candidate is highest-ranked on a majority of the active ballots, tabulation proceeds in sequential rounds as outlined in Section 7.*
7. *Tabulation proceeds in sequential rounds as follows:*
    a. *If two or fewer continuing candidates remain, the candidate with the greatest number of votes is elected and the tabulation is complete; otherwise, the tabulation continues under (b) of this subsection.*
    b. *The candidate with the fewest votes is eliminated, votes cast for the eliminated candidate shall cease counting for the eliminated candidate and shall be added to the totals of each ballot's next-highest-ranked continuing candidate or considered an inactive ballot under (8)(b) and (8))(c) of this section, and a new round begins under (7)(a) of this subsection.*
8. *When counting general election ballots for partisan office,*
    a. *A voter may choose to rank just one candidate for partisan office, and that vote will be tabulated.*
    b. *A ballot containing an overvote shall be considered an inactive ballot once the overvote is encountered at the highest ranking for a continuing candidate.*

AMERICAN OVERSIGHT

c. If a ballot skips a ranking, then the election board shall count the next ranking. If the next ranking is another skipped ranking, the ballot shall be considered an inactive ballot for that race.

d. Any votes for "None of These Candidates" shall be tabulated, recorded, and made public, but not be counted for the purpose of electing or ranking any candidates for partisan office.

e. In the event of a tie between the final two continuing candidates, the winner shall be decided in a manner as provided by statute.

f. In the event of a tie between two candidates with the fewest votes, the candidate eliminated shall be decided by lot.

g. An inactive ballot may not be counted for any candidate in that particular race.

9. As used in this section:

a. "Continuing candidate" means a candidate who has not been eliminated.

b. "Inactive ballot" means a ballot that is no longer tabulated, either in whole or in part, because it does not rank any continuing candidate, contains an overvote at the highest continuing ranking, or contains two or more sequential skipped rankings before its highest continuing ranking.

c. "Overvote" means an instance where a voter has assigned the same ranking to more than one candidate.

d. "Ranking" or "ranked" means the number assigned by a voter to a candidate to express the voter's choice for that candidate; a ranking of "1" is the highest ranking, followed by "2," and then "3," and so on.

e. "Round" means an instance of the sequence of voting tabulation in a general election for partisan office.

f. "Skipped ranking" means a blank ranking on a ballot on which a voter has ranked another candidate at a subsequent ranking.

g. "Partisan office" means the Offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and State Legislators, and excludes the Offices of President of the United States and Vice President of the United States.

10. Completion of ballot count; certificate.

a. The certification of results shall be conducted as provided by Nevada law.

11. Implementation

a. Not later than July 1, 2025, the Legislature shall provide by law for provisions consistent with this constitutional amendment, including providing for disclosure as to the full ranking of each candidate.

b. Upon enactment of any law by the Legislature pursuant to this constitutional amendment before July 1, 2025, and not later than that date, any laws, regulations, regulatory orders or other provisions which conflict with this constitutional amendment will be void. However, the Legislature may enact legislation, in whole or in part, consistent with this constitutional amendment before July 1, 2025.

Section 5. Severability. If any provision of this act, or the application therefore to any person, thing or circumstance is held invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of this act as a whole or any provision or application of this act which can be given effect without the invalid or unconstitutional provision or application, and to this end the provisions of this act are declared to be severable.

STATE QUESTION NO. 1

Amendment to the *Nevada Constitution*

Senate Joint Resolution No. 8 of the 80th Session

CONDENSATION (Ballot Question)

Shall the *Nevada Constitution* be amended by adding a specific guarantee that equality of rights under the law shall not be denied or abridged by this State or any of its cities, counties, or other political subdivisions on account of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin?

Yes ☐ No ☐

EXPLANATION & DIGEST

EXPLANATION—This ballot measure would add new language to the *Nevada Constitution* specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

A "Yes" vote would amend the *Nevada Constitution* to add new language specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

A "No" vote would not amend the *Nevada Constitution* to add new language specifically guaranteeing that equality of rights under the law shall not be denied or abridged by the State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry or national origin.

DIGEST—Existing federal and state constitutional and statutory provisions prohibit discrimination based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin in various manners. For example, the First Amendment to the *United States Constitution* prohibits discrimination based on creed or religion. (*Lee v. Weisman*, 505 U.S. 577, 590 (1992) (explaining that the government cannot violate "the central meaning of the Religion Clauses of the First Amendment, which is that all creeds must be tolerated and none favored."); *Trinity Lutheran Church of Columbia, Inc. v. Comer*, --- U.S. ---, 137 S. Ct. 2012, 2019-21 (2017) (explaining that the First Amendment prohibits laws that discriminate against or impose unequal treatment on persons based on creed or religion))

The Equal Protection Clause of the Fourteenth Amendment to the *U.S. Constitution* also prohibits states and local governments from denying "to any person within its jurisdiction the equal protection of the law." Equal protection requirements apply to the federal government through the Due Process Clause of the Fifth Amendment to the *U.S. Constitution*. The U.S. Supreme Court has interpreted the Equal Protection Clause as not requiring the government to treat every person the same, but instead as requiring the government to treat persons who are in similar conditions or circumstances, or "similarly situated," in the same way. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 439 (1985))

For the purposes of the federal Equal Protection Clause, the U.S. Supreme Court has developed a three-tiered test that courts apply to determine whether a law that imposes a burden upon or provides a benefit to one class of

AMERICAN OVERSIGHT

persons to the exclusion of others is valid. Depending on the classification involved, courts apply tests known as strict scrutiny, intermediate scrutiny, or rational basis scrutiny to analyze the government's justification for the classification. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 439-41 (1985); *Rico v. Rodriguez*, 121 Nev. 695, 703 (2005)) The Nevada Supreme Court also applies those tests to equal protection challenges to the validity of laws under the *Nevada Constitution*. (*Rico v. Rodriguez*, 121 Nev. 695, 703 (2005)) Under the three-tiered analysis, courts apply the strict scrutiny test to laws that classify persons by race, national origin, religion, or alienage or that infringe upon certain fundamental rights. The strict scrutiny test requires the government to prove that the classification is narrowly tailored to serve a compelling government interest. (*Parents Involved in Cmty. Sch. v. Seattle Sch. Dist. No. 1*, 551 U.S. 701, 720 (2007); *Tarango v. State Indus. Ins. Sys.*, 117 Nev. 444, 454 (2001)) Courts apply the intermediate scrutiny test to laws that classify persons by gender or their status as having been born out of wedlock. The intermediate scrutiny test requires the government to prove that the classification has a substantial relationship to an important government interest. (*United States v. Virginia*, 518 U.S. 515, 532-33 (1996); *Olson v. State*, 95 Nev. 1, 3 (1979)) For all other classifications, courts typically apply scrutiny under a rational basis test which only requires the government to demonstrate that the classification is rationally related to a legitimate government interest. (*City of Cleburne v. Cleburne Living Ctr.*, 473 U.S. 432, 440 (1985); *Rico v. Rodriguez*, 121 Nev. 695, 703 (2005))

Although not certified as part of the *U.S. Constitution*, a proposed amendment is currently pending to the *U.S. Constitution*, which states that "[e]quality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex." This federal Equal Rights Amendment was passed by a two-thirds majority of Congress in 1973 and ratified by three-fourths of the states in 2020. However, the National Archivist has not certified the federal Equal Rights Amendment as part of the *U.S. Constitution* pursuant to 1 U.S.C. § 106b as a result of several unresolved legal issues regarding the ratification process that are subject to ongoing litigation, including the expiration of ratification deadlines set by Congress and the passage in several states of legislative measures intended to rescind prior ratifications by those states. (*Virginia v. Ferriero*, 525 F. Supp. 3d 36 (D.D.C. 2021), *appeal docketed sub nom. Illinois v. Ferriero*, No. 21-5096 (D.C. Cir. May 7, 2021)) Although Nevada voters rejected ratification of the federal Equal Rights Amendment in an advisory question at the 1978 General Election, the Nevada Legislature ratified the Amendment in 2017. (*Senate Joint Resolution No. 2*, File No. 13, 79th Session)

Existing federal statutes also prohibit discrimination based on the classifications enumerated in this ballot measure in various manners. For example, the Religious Freedom Restoration Act of 1993 prohibits the federal government from substantially burdening the exercise of religion. (42 U.S.C. §§ 2000bb et seq.) With respect to employment, Title VII of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000e et seq.), the Equal Pay Act of 1963 (29 U.S.C. § 206(d)), the Age Discrimination in Employment Act of 1967 (29 U.S.C. §§ 621-634), section 501 of the Rehabilitation Act of 1973 (29 U.S.C. § 791) and Titles I and V of the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 et seq.) prohibit discrimination in employment based on race, color, religion, sex (including sexual orientation, gender identity, and pregnancy), age (40 years or older), disability, ancestry, or national origin. Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681 et seq.) prohibits discrimination on the basis of sex in educational programs and activities that receive federal funding. Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601-3609), known as the Fair Housing Act, prohibits housing discrimination based on race, color, national origin, religion, sex (including gender, gender identity, sexual orientation, and sexual harassment), familial status, or disability. Title II of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000a et seq.) prohibits discrimination on the basis of race, color, religion, or national origin in places of public accommodation. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) prohibits discrimination on the basis of race, color, or national origin in programs or activities that receive federal funding. These laws are a nonexhaustive listing of the federal laws that prohibit discrimination based on certain classifications.

The *Nevada Constitution* also prohibits discrimination based on the classifications enumerated in this ballot measure in various manners. For example, Section 4 of Article 1 of the *Nevada Constitution* guarantees the free

AMERICAN OVERSIGHT

exercise of religion. In addition, the Nevada Supreme Court has interpreted the requirement in Section 21 of Article 4 of the *Nevada Constitution* that "all laws shall be general and of uniform application throughout the State" to be coextensive with the guarantees of the Equal Protection Clause of the Fourteenth Amendment to the *U.S. Constitution*. (*Laakonen v. District Court*, 91 Nev. 506, 508 (1975)) Furthermore, the U.S. Supreme Court has held that states are free to provide additional constitutional protections beyond those provided by the *U.S. Constitution*. (*California v. Ramos*, 463 U.S. 992, 1014 (1983))

Existing Nevada statutory law also prohibits discrimination based on the classifications enumerated in this ballot measure in various manners. For example, these statutory prohibitions against discrimination apply to juvenile rights, eligibility for certain grants, housing assistance, college admission standards, gaming regulations, employment practices, eligibility for apprenticeships, and places of public accommodation. (*See, for example, Nevada Revised Statutes* (NRS) 62B.510, 217.420, 274.140, 281.370, 284.150, 288.270, 319.060, 338.125, 396.530, 463.151, 463.4076, 610.020, 610.150, 613.330, and 651.070.) These laws are a nonexhaustive listing of Nevada statutory laws that prohibit discrimination based on certain classifications.

This ballot measure proposes to amend the *Nevada Constitution* by adding a specific guarantee that equality of rights under the law shall not be denied or abridged by this State or any of its cities, counties, or other political subdivisions based on race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.

ARGUMENTS FOR PASSAGE

Equality is a cornerstone of our democracy, but not everyone enjoys full equality. Historically, certain groups have been discriminated against because of their characteristics. One of the most effective ways to help ensure equality is to specifically include protections from discrimination in the *Nevada Constitution*, making them far more difficult to repeal, undermine, or overturn based on the political mood of the day. Approving Question 1 will establish an enduring commitment to equality for everyone.

Although some protection against discrimination exists in federal and state law, there are gaps in the existing legal patchwork that have resulted in unavailable or inadequate protection for certain classes of people, including instances of unequal pay for women and pregnancy discrimination. This ballot measure fills those gaps by providing comprehensive state constitutional guarantees of equal treatment under the law for the classifications of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, and national origin.

Contrary to opponents' arguments, religion is one of the classifications protected by this ballot measure because courts interpret "creed" to have the same meaning as "religion." Therefore, by prohibiting discrimination based on a person's "creed," this ballot measure adds an additional layer of constitutional protection for our religious liberties.

Approving Question 1 will also improve outcomes for people in the protected classifications who have been discriminated against in Nevada by allowing our courts to apply a heightened level of scrutiny to laws or actions of the State or local governments that violate any of the protected classifications. This ballot measure will provide clear guidance to courts and lawmakers on Nevada's commitment to protect against discrimination and advance equality based on the unique text and history of Nevada's equal rights amendment.

Do not be misled by opponents' arguments about Question 1. Their arguments consist of unfounded speculation intended to distract from the clear goal of this ballot measure, which is to ensure equality. They argue that this ballot measure may be used to protect abortion rights, undermine women's sports by allowing male and transgender athletes to compete unfairly against women and girls in school sports, and challenge the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities. First, Nevada law

AMERICAN OVERSIGHT

already guarantees the right to an abortion, and this ballot measure will not change that right. Second, this ballot measure will not remove the State's ability to ensure competitive balance in school sports. Finally, it will not prevent the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities, such as public schools, universities, and colleges.

This ballot measure will not diminish the rights of some people at the expense of others but, instead, will advance equality for all by filling the gaps in existing protections. Additionally, this ballot measure will not eliminate the authority of the State and local governments to protect classifications of people, including children and other vulnerable populations, who have always been entitled to such protections. Governmental entities will still be able to pass laws or take actions to protect classifications of people but will have to honor Nevada's constitutional commitment to equality when doing so.

Everyone deserves to be treated equally under the law. Vote "Yes" on Question 1.

ARGUMENTS AGAINST PASSAGE

Proponents fail to acknowledge the impact Question 1 may have on individual liberties and safety. They state that this ballot measure will protect against religious discrimination based on a person's "creed" or religion. But they fail to explain how this ballot measure can give new constitutional protections to classifications such as sex, sexual orientation, and gender identity or expression and, at the same time, actually protect the religious liberties of individuals who hold traditional views on marriage and gender and want to live according to those values.

Question 1 may also be used by proponents to support access to abortion. Already, the highest courts in some states have interpreted their constitutional equal rights provisions to mandate taxpayer funding of medically necessary abortions through Medicaid. If Question 1 is approved, proponents may use this ballot measure as a basis to demand taxpayer funding of abortions in Nevada. And if the U.S. Supreme Court overturns *Roe v. Wade*, proponents may use this ballot measure as a basis to claim abortion rights in Nevada despite the Supreme Court's decision.

Further, Question 1 may be used by biological males and transgender athletes as a basis to undermine women's sports by demanding equal rights that allow them to compete unfairly against women and girls in school sports and for athletic scholarships. Question 1 may also be used to challenge the traditional separation of men's and women's restrooms and locker rooms in government-owned facilities, such as public schools, universities, and colleges, potentially allowing biological men and women in each other's restrooms and locker rooms and threatening everyone's personal safety and privacy.

In 1978, Nevadans overwhelmingly voted against the proposed Equal Rights Amendment to the *U.S. Constitution*, which was limited to protecting against discrimination on account of sex. If passed, Question 1 would dramatically expand the equal rights protected specifically in the *Nevada Constitution* beyond sex to include a total of ten classifications. However, this ballot measure contains no provisions to guide courts in resolving conflicts among the protections provided to all of these classifications. For instance, there is no way to know how courts would resolve challenges to existing age-based laws regarding sexual consent, child endangerment, and parental consent and notification, some of which involve classifications based on both age and sex. No other state has implemented such a broad and legally untested constitutional provision protecting equal rights, and Nevada should not be the first state to do so.

Enshrining such broad and untested equal rights language into the *Nevada Constitution* will make it difficult to fix its inevitable unintended consequences. Approval of Question 1 will result in a flood of litigation, clogging our court system because of its vague and expansive language. Further, because Question 1 cements this language

AMERICAN OVERSIGHT

into the *Nevada Constitution*, it will require another lengthy constitutional amendment process to undo its negative effects.

This ballot measure is harmful and misguided. Vote "No" on Question 1.

FISCAL NOTE

Financial Impact—Cannot be Determined

If approved, Question 1 would amend the *Nevada Constitution* to specify that equality of rights under the law shall not be denied or abridged by this State or any of its cities, counties, or other political subdivisions on account of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin. It is not anticipated that passage of this ballot measure would result in immediate increases in expenditures for the State or local governments. However, it is not possible to predict whether the future application of Question 1 will require additional fiscal resources by the State or local governments. Therefore, any potential financial impacts on the State or local governments relating to the application of Question 1 cannot be determined with any reasonable degree of certainty.

STATE QUESTION NO. 2

Amendment to the *Nevada Constitution*

Assembly Joint Resolution No. 10 of the 80th Session

CONDENSATION (Ballot Question)

Shall the *Nevada Constitution* be amended, effective July 1, 2024, to: (1) establish the State's minimum wage that employers must pay to certain employees at a rate of $12 per hour worked, subject to any applicable increases above that $12 rate provided by federal law or enacted by the Nevada Legislature; (2) remove the existing provisions setting different rates for the minimum wage based on whether the employer offers certain health benefits to such employees; and (3) remove the existing provisions for adjusting the minimum wage based on applicable increases in the cost of living?

Yes ☐ No ☐

EXPLANATION & DIGEST

EXPLANATION—This ballot measure amends the *Nevada Constitution* to require that, beginning July 1, 2024, each employer must pay each employee to whom the minimum wage requirements apply (referred to as a "nonexempt employee") a minimum wage of not less than $12 per hour worked, subject to any applicable increases above $12 per hour worked provided by federal law or enacted by the Legislature.

This ballot measure further removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions allowing an employer that offers certain health benefits to nonexempt employees to pay a minimum wage of $1 per hour less than an employer that does not offer such health benefits to nonexempt employees.

This ballot measure also removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions adjusting the State's minimum wage rates based on the greater of certain increases in the federal minimum wage

AMERICAN OVERSIGHT

or certain increases in the cost of living measured by percentage increases in the Consumer Price Index (CPI), with caps on the cost-of-living increases for the adjusted rates. However, this ballot measure requires the State's minimum wage to be increased based on applicable increases in the federal minimum wage, providing that if, at any time, the federal minimum wage is greater than $12 per hour worked, the State's minimum wage is increased to the amount established for the federal minimum wage, unless the Legislature establishes, by state statute, a minimum wage that is greater than the federal minimum wage as permitted by federal law.

This ballot measure additionally expresses in the *Nevada Constitution* the existing authority of the Legislature to establish, by state statute, a minimum wage that is greater than the minimum hourly rate required by the *Nevada Constitution*.

If approved by the voters, this ballot measure supersedes any conflicting provisions in the State's existing minimum wage statutes which, on July 1, 2024, require an employer to pay a minimum wage of $11 per hour worked, if the employer offers certain health benefits to nonexempt employees, or $12 per hour worked, if the employer does not offer such health benefits to nonexempt employees, unless the Legislature amends those existing statutes to conform to this ballot measure before that date.

A "Yes" vote would, effective July 1, 2024: (1) add provisions in the *Nevada Constitution* establishing the State's minimum wage that employers must pay to nonexempt employees at a rate of $12 per hour worked, subject to any applicable increases above that $12 rate provided by federal law or enacted by the Legislature; (2) remove the existing provisions in the *Nevada Constitution* setting different rates for the minimum wage based on whether the employer offers certain health benefits to such employees; and (3) remove the existing provisions in the *Nevada Constitution* for adjusting the minimum wage based on applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

A "No" vote would: (1) keep the State's existing minimum wage, subject to any applicable increases or decreases provided by federal law or enacted by the Legislature; (2) keep the existing provisions in the *Nevada Constitution* setting different rates for the minimum wage based on whether the employer offers certain health benefits to nonexempt employees; and (3) keep the existing provisions in the *Nevada Constitution* for adjusting the minimum wage based on the greater of applicable increases in the federal minimum wage or applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

DIGEST—The federal Fair Labor Standards Act (FLSA) requires employers to pay nonexempt employees a prescribed minimum wage for each hour of work. (29 U.S.C. § 206) However, the FLSA expressly authorizes states to establish a minimum wage which is higher than the minimum wage required under federal law. (29 U.S.C. § 218) If a nonexempt employee is subject to both the federal and state minimum wage laws, the employee is entitled to the higher of the two minimum wages. (29 U.S.C. § 218)

At the 2006 General Election, Nevada voters amended the *Nevada Constitution* to establish a two-tier minimum wage system whereby an employer that offers certain health benefits to nonexempt employees may pay a minimum wage of $1 per hour less than an employer that does not offer such health benefits to nonexempt employees. The 2006 amendment to the *Nevada Constitution* required: (1) an employer to pay a minimum wage rate of $5.15 per hour worked, if the employer offers certain health benefits to nonexempt employees, or a minimum wage rate of $6.15 per hour worked, if the employer does not offer such health benefits to nonexempt employees; and (2) both minimum wage rates to be adjusted by the amount of any increase in the federal minimum wage over $5.15 per hour or, if greater, by the cumulative increase in the cost of living measured by percentage increases in the CPI, except that the CPI adjustment for any one-year period cannot exceed 3 percent. To offer

AMERICAN OVERSIGHT

health benefits for purposes of the 2006 amendment, an employer must make health insurance available to the employee for the employee and the employee's dependents at a total cost to the employee for premiums of not more than 10 percent of the employee's gross taxable income from the employer. (Nev. Const. Art. 15, §16)

Because federal law authorizes a state to establish a higher minimum wage than the federal minimum wage and nothing in the *Nevada Constitution* prohibits or limits the Legislature's authority to do so, the Legislature established the following minimum wage rates, effective July 1, 2019: (1) $7.25 per hour worked, if the employer offered certain health benefits to nonexempt employees; or (2) $8.25 per hour worked, if the employer did not offer such health benefits to nonexempt employees. The Legislature also provided for increases to these minimum wage rates of 75 cents per fiscal year for the next five fiscal years. Beginning July 1, 2024, unless amended by the Legislature before that date, the minimum wage rates established in existing statute will be $11 per hour worked, if the employer offers certain health benefits to nonexempt employees, or $12 per hour worked, if the employer does not offer such health benefits to nonexempt employees. (NRS 608.250)

This ballot measure amends the *Nevada Constitution*, effective July 1, 2024, to require an employer to pay nonexempt employees a minimum wage of $12 per hour worked, subject to any applicable increases above $12 per hour worked provided by federal law or enacted by the Legislature. This ballot measure also eliminates the two-tiered minimum wage system that is based on whether the employer offers certain health benefits to nonexempt employees. Because the State's existing statutory rates for the minimum wage are based on that two-tiered system, this ballot measure supersedes any conflicting statutory rates beginning on July 1, 2024, unless the Legislature amends such rates to conform to this ballot measure before that date. Therefore, this ballot measure requires an employer, effective July 1, 2024, to pay nonexempt employees a minimum wage of $12 per hour worked, regardless of whether the employer offers certain health benefits to those nonexempt employees, subject to any applicable increases in the minimum wage above $12 per hour worked provided by federal law or enacted by the Legislature.

This ballot measure also removes from the *Nevada Constitution*, effective July 1, 2024, the existing provisions for adjusting the minimum wage based on the greater of applicable increases in the federal minimum wage or applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates. However, this ballot measure provides that if, at any time, the federal minimum wage is greater than $12 per hour worked, the State's minimum wage is increased to the amount established for the federal minimum wage, unless the Legislature establishes, by state statute, a minimum wage that is greater than the federal minimum wage as permitted by federal law.

Finally, this ballot measure expresses in the *Nevada Constitution* the existing authority of the Legislature to establish, by state statute, a minimum wage that is greater than the minimum hourly rate required by the *Nevada Constitution*.

ARGUMENTS FOR PASSAGE

Nevada's workers deserve a constitutionally guaranteed increase in the minimum wage. Approval of Question 2 will ensure that effective July 1, 2024, workers will be paid a minimum wage of $12 per hour, which cannot be decreased by the Legislature but only increased above the $12 per hour rate. Even though the Legislature passed a law in 2019 requiring annual increases in the minimum wage through July 1, 2024, any future Legislature may change that law and potentially lower the minimum wage. This ballot measure will constitutionally guarantee that Nevada's minimum wage cannot be lowered below $12 per hour based on the political mood of the day.

AMERICAN OVERSIGHT

Approval of Question 2 will also eliminate the outdated and ineffective method for making cost-of-living adjustments in the minimum wage currently in the *Nevada Constitution*. Even though the *Nevada Constitution* currently provides for an annual adjustment in the minimum wage to compensate for certain increases in the cost of living, those annual adjustments are capped, and they have never kept up with the true cost of living for Nevada's workers. In fact, it will take over a decade after July 1, 2024, for the cost-of-living adjustments currently provided by the *Nevada Constitution* to exceed the $12 per hour minimum wage guaranteed by Question 2. Nevada's workers should not have to wait for more than a decade for a constitutionally guaranteed minimum wage of $12 per hour.

Finally, approval of Question 2 will eliminate the outdated and ineffective two-tiered minimum wage system currently in the *Nevada Constitution* that allows employers to lower their minimum wage by $1 per hour just for offering certain health benefits to employees and their dependents, even when the employees reject the health benefits being offered. Nevada's workers should not be penalized with a lower minimum wage solely because their employers offer certain health benefits, especially when those health benefits are rejected because workers can secure better or more cost-effective health benefits from alternative sources, such as a health insurance exchange. Nevada is the only state to have such a complicated and unfair two-tiered minimum wage system. It is time to eliminate that undesirable system from the *Nevada Constitution* and constitutionally guarantee a minimum wage of $12 per hour for Nevada's workers, regardless of whether their employers offer any health benefits.

It is time to update the minimum wage to better serve Nevadans. Vote "Yes" on Question 2.

ARGUMENTS AGAINST PASSAGE

Question 2 is an unnecessary change to the *Nevada Constitution* because the Legislature already has the authority to enact statutory increases in the minimum wage, and it has done so. In 2019, after receiving input from both workers and employers, the Legislature passed a law requiring annual increases in the minimum wage through July 1, 2024, when the statutory minimum wage will be set at $11 per hour, if the employer offers certain health benefits, or $12 per hour, if the employer does not offer certain health benefits. There is no need to establish the minimum wage at $12 per hour in the *Nevada Constitution* when the Legislature already has enacted an increased statutory minimum wage and has the authority to enact additional increases in the statutory minimum wage above the $12 per hour proposed by Question 2.

Approval of Question 2 will also harm Nevada's workers because it sets the minimum wage at $12 per hour in the *Nevada Constitution* without providing any method for making cost-of-living adjustments in the minimum wage as currently provided by the *Nevada Constitution*. Although the Legislature has established the statutory minimum wage at a higher rate than currently required by the *Nevada Constitution*, the existing method in the *Nevada Constitution* for making cost-of-living adjustments in the minimum wage ensures that the minimum wage will eventually increase above $12 per hour given that increases in the cost of living will continue to occur. Because this ballot measure will remove the existing method for making cost-of-living adjustments from the *Nevada Constitution* and will not require any form of cost-of-living adjustments in the minimum wage, approval of Question 2 will harm Nevada's workers by removing an important constitutional safeguard against the ever-increasing cost of living for Nevada's workers.

Finally, approval of Question 2 will harm Nevada's workers and employers by removing the existing incentive in the *Nevada Constitution* that encourages employers to offer certain health benefits to employees and their dependents in exchange for lowering the employees' minimum wage by $1 per hour. Because health benefits offered by employers may be the best source of affordable health benefits for some employees and their dependents, the existing incentive in the *Nevada Constitution* encourages employers to continue offering those

AMERICAN OVERSIGHT

benefits to employees and their dependents, thereby ensuring access to affordable health care. Because this ballot measure will remove the existing incentive from the *Nevada Constitution* and discourage employers from continuing to offer such health benefits, approval of Question 2 will harm the employers that have relied on the existing incentive to conduct their businesses, along with the employees who have relied on the health benefits to cover themselves and their dependents.

Question 2 is an unnecessary change to the *Nevada Constitution* that will harm Nevada's workers and employers. Vote "No" on Question 2.

FISCAL NOTE

Financial Impact—Cannot be Determined

Under the current constitutional and statutory provisions for the State's minimum wage, employers, including the State and local governments, are required to pay nonexempt employees, effective July 1, 2024, a minimum wage rate of $11 per hour, if certain health benefits are offered, or $12 per hour, if certain health benefits are not offered. The provisions of Question 2 would replace these existing provisions with a constitutional requirement that employers, including the State and local governments, pay nonexempt employees, effective July 1, 2024, a minimum wage rate of $12 per hour, regardless of whether the employers offered certain health benefits to employees and their dependents.

The provisions of this ballot measure would directly affect only those employers, including the State and local governments, that would be paying nonexempt employees on July 1, 2024, less than $12 per hour under the existing statutory minimum wage because those employers offered certain health benefits to employees and their dependents. It is unknown whether any employers, including the State and local governments, would be paying any nonexempt employees on July 1, 2024, less than $12 per hour under the existing statutory minimum wage and, thereafter, would be required to pay the $12 per hour minimum wage if the provisions of Question 2 become effective.

Additionally, it is unknown what impact, if any, there may be on the wages paid by employers, including the State and local governments, to employees who are not directly affected by the minimum wage provisions of Question 2. It is also unknown what impact, if any, may result to the health benefits offered or provided by employers based on the elimination of the existing constitutional provisions allowing a $1 lower minimum wage if employers offered certain health benefits to employees and their dependents.

Thus, if Question 2 is approved, the fiscal impact on the State and local governments related to any wages and health benefits that will be provided to nonexempt employees on or after July 1, 2024, cannot be determined with any reasonable degree of certainty. Additionally, it is not possible to predict the impact, if any, that Question 2 would have on the wages that employers, other than the State and local governments, will pay to their nonexempt employees on or after July 1, 2024, or on the health benefits that these employees may or may not obtain on or after July 1, 2024. Therefore, the impact, if any, that Question 2 would have on certain taxes deposited in the State General Fund cannot be determined with any reasonable degree of certainty, including: (1) the Modified Business Tax, which is paid by an employer based on the amount of quarterly wages, less allowable health care expenses, paid to employees; and (2) the Insurance Premium Tax, which is paid by insurance companies based on the total net premiums written in this State.

AMERICAN OVERSIGHT

FULL TEXT OF THE MEASURE

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to prospectively increase the required minimum wage paid to employees.

Legislative Counsel's Digest:

Section 16 of Article 15 of the Nevada Constitution requires private employers to pay a minimum wage of $5.15 per hour if the employer provides certain health benefits to employees or $6.15 per hour if the employer does not provide such health benefits to employees. The Constitution also requires the minimum wage to be adjusted each year by the amount of any increase in the federal minimum wage over $5.15 per hour or, if greater, by the cumulative increase in the cost of living measured by the Consumer Price Index (CPI), except that the CPI adjustment for any 1-year period cannot exceed 3 percent. (Nev. Const. Art. 15, §16) This joint resolution proposes to amend the Nevada Constitution to instead set the minimum wage at $12 per hour worked beginning July 1, 2024, regardless of whether the employer provides health benefits to employees. In addition, this joint resolution removes the annual adjustment to the minimum wage and instead provides that if at any time the federal minimum wage is greater than $12 per hour worked, the minimum wage is increased to the amount established for the federal minimum wage. In addition, this joint resolution allows the Legislature to establish a minimum wage that is greater than the hourly rate set forth in the Constitution.

STATE QUESTION NO. 3

Amendment to the *Nevada Constitution*

CONDENSATION (Ballot Question)

Shall the *Nevada Constitution* be amended to allow all Nevada voters the right to participate in open primary elections to choose candidates for the general election in which all voters may then rank the remaining candidates by preference for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators?

Yes ☐ No ☐

EXPLANATION & DIGEST

EXPLANATION— This initiative, if enacted, changes Articles 5 and 15 of Nevada's Constitution for U.S. Congressional, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller,

AMERICAN OVERSIGHT

Attorney General, and State Legislator elections, eliminating partisan primaries and establishing an open top-five primary election and a ranked-choice voting general election.

For these offices, all candidates and voters participate in a single primary election regardless of party affiliation or non-affiliation. The top five finishers advance to the general election, and the general election winner is determined by ranked-choice voting:

- General election voters will rank the candidates in order of preference from first to last, if they wish to rank more than just their first preference.
- As currently provided for during certain primary races, a general election candidate receiving first-choice votes of more than 50% is declared winner.
- If no candidate is the first choice of more than 50% of the voters in the general election, the candidate with the fewest votes is eliminated. Each voter who had ranked the now-eliminated candidate as their first choice, has their single vote transferred to their next highest choice candidate.
- This tabulation process repeats until the one candidate with more than 50% support is determined as the winner.

If passed, the Legislature would need to adopt implementing legislation by July 1, 2025. These changes would go into effect for the 2026 election cycle, starting with the primary election in June 2026.

A "Yes" vote would amend Articles 5 & 15 of the *Nevada Constitution* to allow all Nevada voters the right to participate in open primary elections to choose candidates for the general election in which all voters may then rank the remaining candidates by preference for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators.

A "No" vote would retain the provisions of Articles 5 & 15 of the *Nevada Constitution* in their current form.

DIGEST—Under current law, Nevada primary elections are closed elections in which the "candidates for partisan office of a major political party and candidates for nonpartisan office must be nominated at the primary election by a vote of the voters registered to each respective major political party" (NRS 293.175). Only registered voters of a major political party may take part in the selection of the candidates for a major political party for the general election during a primary election. Voters registered to a minor party or not affiliated with a party may only vote for nonpartisan contests during a primary election.

Article 15, section 14 of the *Nevada Constitution* currently provides that a plurality of votes given at an election by the people, shall constitute a choice. This means that the candidate who receives the majority of the votes, regardless of whether or not it is a majority (more than 50%) of the votes cast, is identified as the winner of that contest.

If approved by the voters, this ballot measure would return on the ballot of the general election in 2024. If passed then as well, it would amend the *Nevada Constitution* to change the primary election so that all voters, regardless of their party affiliation, would be able to cast votes for all candidates. This would change the primary election from a means for major political parties to identify their candidate for the general election and make it instead a means to simply reduce the total number of candidates whose names will appear on the ballot at the general election for partisan office. Under this change, no more than five candidates shall advance to the ballot of the general election for partisan office.

AMERICAN OVERSIGHT

This ballot measure would also change the manner of selection for the offices of U.S. Senators, U.S. Representatives, Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, and State Legislators such that the voters would be able to rank their candidates by preference in the general election. The changes identified in this ballot measure would not apply to the office of President or Vice-President of the United States. Under this new system, voters would be able to list, or rank, the candidates of their choice by preference, identifying on their ballot up to five candidates for each partisan contest in their order of preference. Votes would be tabulated in a manner that determines if a candidate is highest-ranked on a majority of the active ballots, then that candidate is deemed elected and the tabulation is complete. If no candidate is highest-ranked on a majority of the active ballots, tabulation would proceed in sequential rounds as outlined in Section 7 of the proposed constitutional amendment until the candidate with a majority of the votes is declared winner.

Under existing law, ballots for statewide office must include an option for voters to select "None of These Candidates" (NRS 293.269). Under the proposed changes, any votes for "None of These Candidates" shall be tabulated, recorded, and made public, but would not be counted for the purpose of electing or ranking any candidates for partisan office.

Finally, this ballot measure requires that the legislature create or modify existing statutes by July 1, 2025 in order to effect the implementation of these changes to the *Nevada Constitution*.

ARGUMENTS FOR PASSAGE

The current partisan election process is not working for Nevada. Current law excludes over one third of all Nevada voters from the taxpayer-funded partisan primary elections.[1] These closed partisan primaries are controlled by political party insiders and no citizen should be compelled to join a political party so as to vote.[2]

Despite being funded on the backs of all taxpayers[3], Nevada's partisan primaries are only open to Nevadans who register as Republican or Democrat.[4] This current system leaves out many voters and entitles a very small, partisan minority to determine the general election candidates.[5]

The closed partisan primary system leaves many feeling like their voices don't matter, and that their elected leaders only represent the most extreme party constituents.[6] Our leaders are often more concerned with angry partisan rhetoric rather than sensible policy making. Question 3 will greatly improve Nevada's election process, putting the power of elections where it belongs – in the hands of all voters, rather than the party establishment.[7]

Question 3 will give ALL Nevada voters the right to participate regardless of their party registration.[8] By creating an open primary, Question 3 allows all voters a voice in all those who appear on the general election ballot regardless of party affiliation.[9]

In addition to giving Nevadans more voice, Question 3 will also give voters more choice by establishing a Ranked-Choice general election system.[10] Ranked-Choice is a simple change to our general elections that allows voters the opportunity to rank up to five candidates who best represent their positions, rather than having to choose between the "lesser of two evils".[11] Nevadans will list the candidates in order of preference; however, ranking is not required, and voters can continue to simply vote for their top choice if they so choose.[12] The candidate who receives the broadest support from all voters will be the winner.[13] This simple change encourages candidates to focus on issues that matter to the majority rather than the partisan bases of the parties.[14]

Question 3 ensures that every Nevadan's voice is heard and that every vote matters, regardless of party registration, and makes elected officials more accountable to all Nevadans.[15]

REBUTTAL TO ARGUMENTS FOR PASSAGE

Question 3's jungle primary and confusing multi-stage general election proposal does nothing to address partisanship in Nevada's political process, and will likely make things worse.

Instead, this initiative will fundamentally damage the traditional conduct of our elections, and it could function to shut out parties entirely from running general election candidates in some races. In many districts, the only choices in November might be between candidates of the same party, or among fewer parties' candidates than currently.

In addition, if Question 3 passes, independent candidates not affiliated with the political parties would be prevented from launching a campaign in the general election, and would instead have to compete directly in expensive primaries against established party candidates. Nevadans need more quality voices and ideas in politics, but this initiative actually narrows voters' options.

Question 3's out-of-state special interest funders want to permanently lock this extreme change in our elections into our state Constitution, meaning this risky scheme would be nearly impossible to change or repeal, and the cost of future elections would increase.

This initiative's result will be more money in toxic political campaigns and thousands of votes thrown away because of confused voters, with no improvement in our political system.

AMERICAN OVERSIGHT

The above rebuttal was submitted by the Ballot Question Committee composed of citizens opposed to this question as provided for in NRS 293.252. Committee members: Emily Persaud-Zamora (Chair) and Eric Jeng. This rebuttal can also be found at www.nvsos.gov.

ARGUMENTS AGAINST PASSAGE

The changes to elections proposed by Question 3 do not put voters first. This initiative, funded by out-of-state millionaires and special interest groups, would completely overhaul elections in Nevada, making them more complicated and more time-consuming for voter participation.[1] It could cost Nevadans millions of taxpayer dollars to implement, and lock these changes into our state Constitution, making it nearly impossible to repeal if this scheme fails.[2]

"One person, one vote" is at the core of free and fair elections in America. Question 3 raises questions regarding whether it undermines that basic principle, and leaves some voters at risk of having votes ultimately not counted in the final tally.[3] For example, if a voter chooses to rank only one candidate, their ballot might be excluded from the final count – as if they didn't show up for the election at all. Meanwhile, voters who selected multiple candidates will have their votes counted multiple times. In 2021, more than 140,000 ballots in New York City were declared "inactive" before the final round of tabulation and no longer factored into the ultimate vote count – nearly 15% of all ballots cast.[4]

Ranked-choice voting is a complex process that results in up to five times as many ballots uncounted because of errors.[5] Currently, Nevada's voting process is straightforward: voters pick which candidate they support, and the candidate with the most votes wins. Ranked-choice voting makes casting ballots more confusing and tedious, and decreases participation in our elections.[6] In close races, it could take weeks to determine the winner, leading many voters to question the validity of the results.[7]

Question 3 would replace our traditional primary system with a California-style "jungle primary" system. This means candidates from a single political party can overwhelm the primary and shut out other political parties from even appearing on the November general election ballot. This is an extreme change that threatens the ability to have all viewpoints represented during a general election in Nevada.

Question 3 would enshrine a complicated, time-consuming, error-prone, and expensive new voting system into the Nevada Constitution. This constitutional change would be extremely difficult to repeal if the new system fails voters.

Our elections won't be better if Nevadans are left questioning whether their vote will be counted in final tallies. Voters in other states and municipalities have recently rejected ranked-choice voting.[8] We encourage our fellow Nevadans to vote no on Question 3.

The above argument was submitted by the Ballot Question Committee composed of citizens opposed to this question as provided for in NRS 293.252. Committee member: Emily Persaud-Zamora (Chair) and Eric Jeng. This rebuttal, with active hyperlinks, can also be found at www.nvsos.gov.

REBUTTAL TO ARGUMENTS AGAINST PASSAGE

The opposition statement above is filled with misleading claims. Political party bosses want to keep their power by stopping Question 3 – continuing to keep over 1/3 of voters from voting in Nevada's closed primaries.[1]

Question 3 guarantees every Nevadan the right to vote in primaries, maximizing the principle of one person one vote.[2] Question 3 promotes better governance because elected officials will be held accountable to the majority of Nevadans, not just partisan extremists.[3]

In the general election, Question 3 lets voters choose just one candidate or rank up to five in order of preference, giving voters more say and the winning candidate will be the one with broadest support of all voters.[4] No votes are uncounted or excluded. Millions of U.S. voters outside Nevada already have such a right, including many Military voters.[5]

Question 3 necessitates no greater delay in ballots being counted, as we already have mail voting.[6]

Maximizing the right to vote is hardly complicated. Citizens prioritize choices everyday. Prioritizing those candidates so that the winner is most reflective of the will of voters — as opposed to party bosses — is what matters.

Vote YES ON Question 3 – to help fix a broken system.

FISCAL NOTE

FINANCIAL IMPACT – YES

OVERVIEW

The Statewide Constitutional Initiative Petition – Identifier: C-01-2021 (Initiative) proposes to amend various sections of the *Nevada Constitution* to make the following changes to the state's election process:

1. All primary elections for partisan offices shall be held as open primaries.

AMERICAN OVERSIGHT

2. The five candidates receiving the most votes at the primary election shall advance to the general election, regardless of the candidate's party affiliation.
3. General elections for partisan offices, which include United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and state legislators, but excludes the offices of President and Vice President of the United States, shall be conducted by a ranked-choice ballot.

FINANCIAL IMPACT OF THE INITIATIVE

Pursuant to Article 19, Section 2 of the *Nevada Constitution*, an initiative proposing to amend the *Nevada Constitution* must be approved by the voters at two successive general elections in order to become a part of the *Constitution*. If this Initiative is approved by voters at the November 2022 and November 2024 General Elections, the provisions of the Initiative would become effective on the fourth Tuesday of November 2024 (November 26, 2024), when the votes are canvassed by the Supreme Court pursuant to NRS 293.395.

The following provisions of the Initiative have been identified as having a potential financial impact upon the state and local governments:

1. The provisions of the Initiative requiring that all primary elections for partisan offices be held as open primaries will result in a single sample ballot being produced for all registered voters for each primary election, irrespective of party affiliation, rather than separate sample ballots for voters of each political party. Although these provisions will eliminate the need for local governments to prepare separate sample ballots for each major political party, the addition of all candidates for each partisan race to all ballots, regardless of party affiliation, may result in an increase in the number of pages required to print each sample ballot, thereby potentially increasing the costs borne by local governments to provide those sample ballots.

Because the number of candidates who may choose to run for each partisan office in future primary elections cannot be predicted, the size of the sample ballot sent to each registered voter, and the resultant financial impact upon local governments, cannot be determined with any reasonable degree of certainty.

2. The provisions of the Initiative requiring that the five candidates receiving the most votes at the primary election shall advance to the general election, regardless of the candidate's party affiliation, may also affect the number of candidates appearing on the sample ballot produced for registered voters at each general election and, therefore, may increase the number of pages required to print each sample ballot for registered voters at any general election held in this state.

Because the number of candidates who may choose to run for each office in future elections cannot be predicted, the potential increase to the size of the sample ballot that is sent to each registered voter before each general election, as well as the potential financial impact upon local governments that may result from these changes to the size of the sample ballot, cannot be determined with any reasonable degree of certainty.

3. The provisions that require general elections for certain partisan offices specified within the Initiative be conducted using a ranked-choice ballot will increase costs for the state and local governments, beginning with the general election that would be held in November 2026, if the Initiative is approved by voters at the November 2022 and November 2024 general elections.

In December 2021, the Secretary of State's Office provided information to the Fiscal Analysis Division relating to potential costs relating to the implementation of ranked-choice voting. This information, which was obtained with the cooperation of local governments, estimated one-time expenditures by the state and

AMERICAN OVERSIGHT

local governments of approximately $3.2 million beginning in FY 2025, prior to the November 2026 General Election, relating to voter outreach and education, increased ballot stock costs, personnel expenses, equipment, software and programming costs for voting machines, and updates to training materials.

The Secretary of State's Office additionally estimated ongoing expenditures relating to the implementation of ranked-choice voting of approximately $57,000 per fiscal year, relating to the payment of license fees to the vendors supplying election software to each of Nevada's seventeen counties. The information provided also indicated that there may be additional ongoing expenditures relating to increased ballot stock that would need to be used by the counties for each primary and general election, depending on the number of individuals who run for the offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and the State Legislature. However, because the number of individuals who may run for these offices in any given election cannot be predicted, the resultant impact upon ongoing expenditures for the state and local governments cannot be determined with any reasonable degree of certainty.

Based on the information provided by the Secretary of State's Office, in cooperation with affected local governments, the Fiscal Analysis Division has determined that the implementation of the Initiative will result in additional one-time and ongoing expenditures for the state and local governments following its effective date. However, the Secretary of State's estimates of these costs outlined in this financial impact statement were based on information available in December 2021. The Fiscal Analysis Division cannot easily estimate the costs associated with the implementation and administration of the Initiative beginning with the 2026 election cycle; therefore, the actual impacts upon one-time and ongoing expenditures that would be borne by the state and local governments in FY 2025 and future fiscal years cannot be determined with any reasonable degree of certainty.

AMERICAN OVERSIGHT

Section 2. Article 15, Section 14 of the Nevada Constitution is hereby amended to read as follows:

Sec: 14. Election by plurality. A plurality of votes given at an election by the people, shall constitute a choice, ***except as provided in Section 18 of Article 15 or*** where not otherwise provided by this Constitution.

Section 3. Article 15 of the Nevada Constitution is hereby amended by adding thereto a new section to be designated as Section 17, to read as follows:

Section 17. Top-five primary elections for partisan office.

1. ***Primary elections for partisan office shall be conducted as follows:***
    a. ***The primary election for partisan offices must be held on the date and time as provided by Nevada law.***
    b. ***A person may become a candidate at the primary election for partisan office regardless of the person's affiliation with a political party, or lack thereof.***
    c. ***Any registered voter may cast a primary ballot for any candidate for partisan office regardless of the political party affiliation of the voter or any political party preference indicated by the candidate. The primary election for partisan office does not serve to determine the nominee of a political party or political group but serves only to narrow the number of candidates whose names will appear on the ballot at the general election for partisan office.***
2. ***At a primary election for partisan office, only the names of the five candidates receiving the greatest number of votes at the primary election shall advance to the general election for partisan office. If, however, there are five or fewer candidates for a specific partisan office, the primary election for partisan office will still be held and the results made public, and all must be declared the candidates for the general election.***
3. ***In the event of a tie for fifth place, the candidate who proceeds to the general election for partisan office will be decided by lot.***
4. ***The ballot for the primary election must clearly delineate the partisan offices to which the top-five process provided by this section applies.***
5. ***Immediately following the name of each candidate for a partisan office must appear the name or abbreviation of the political party with which the candidate is registered, the words "no political party" or the abbreviation "NPP," as the case may be.***
6. ***The ballots for the primary elections for partisan office must include a conspicuously placed statement: "A candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate."***
7. ***In the event that one of the five candidates who received the greatest number of votes at the primary election withdraws, is disqualified, dies, or is otherwise deemed ineligible to be elected after the primary election for partisan office but before the 5 p.m. on the fourth Friday in July, the candidate receiving the next greatest number of votes at the primary election for partisan office shall be declared a nominee, and his or her name shall be placed on the ballot at the general election for partisan office.***
8. ***As used in this section:***

    "Partisan office" means the Offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and State Legislators, and excludes the Offices of President of the United States and Vice President of the United States.

AMERICAN OVERSIGHT

9. *Implementation*
    a. *Not later than July 1, 2025, the Legislature shall provide by law for provisions consistent with Section 17 of Article 15 of this Constitution to require top-five primary elections for partisan office.*
    b. *Upon enactment of any law by the Legislature pursuant to Section 17 of Article 15 of this Constitution before July 1, 2025, and not later than that date, any laws, regulations, regulatory orders or other provisions which conflict with Section 17 of Article 15 of this Constitution will be void. However, the Legislature may enact legislation, in whole or in part, consistent with Section 17 of Article 15 of this Constitution that to provide top-five primary elections for partisan office before July 1, 2025.*

Section 4. Article 15 of the Nevada Constitution is hereby amended by adding thereto a new section to be designated as Section 18, to read as follows:

Section 18. Ranked-choice voting for general elections for partisan office.

1. *All general elections for partisan office shall be conducted by ranked-choice voting.*
2. *The general election ballots for partisan office shall be designed so that the candidates are selected by ranked-choice voting.*
3. *The general election ballots for partisan office shall be designed so that the voter is directed to mark candidates in order of preference and to mark as many choices as the voter wishes, but not to assign the same ranking to more than one candidate for the same office.*
4. *Immediately following the name of each candidate for a partisan office must appear the name or abbreviation the political party with which the candidate is registered , the words "no political party" or the abbreviation "NPP," as the case may be.*
5. *The ballots for the general elections for partisan office must include a conspicuously placed statement that: "Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate."*
6. *When counting ballots in a general election for partisan office, the Registrar, County Clerk, or chief election official (as applicable) in each County shall initially tabulate each validly cast ballot as one vote for the highest-ranked candidate on that ballot or as an inactive ballot. If a candidate is highest-ranked on a majority of the active ballots, that candidate is elected and the tabulation is complete. If no candidate is highest-ranked on a majority of the active ballots, tabulation proceeds in sequential rounds as outlined in Section 7.*
7. *Tabulation proceeds in sequential rounds as follows:*
    a. *If two or fewer continuing candidates remain, the candidate with the greatest number of votes is elected and the tabulation is complete; otherwise, the tabulation continues under (b) of this subsection.*
    b. *The candidate with the fewest votes is eliminated, votes cast for the eliminated candidate shall cease counting for the eliminated candidate and shall be added to the totals of each ballot's next-highest-ranked continuing candidate or considered an inactive ballot under (8)(b) and (8))(c) of this section, and a new round begins under (7)(a) of this subsection.*
8. *When counting general election ballots for partisan office,*
    a. *A voter may choose to rank just one candidate for partisan office, and that vote will be tabulated.*
    b. *A ballot containing an overvote shall be considered an inactive ballot once the overvote is encountered at the highest ranking for a continuing candidate.*

AMERICAN OVERSIGHT

c. If a ballot skips a ranking, then the election board shall count the next ranking. If the next ranking is another skipped ranking, the ballot shall be considered an inactive ballot for that race.

d. Any votes for "None of These Candidates" shall be tabulated, recorded, and made public, but not be counted for the purpose of electing or ranking any candidates for partisan office.

e. In the event of a tie between the final two continuing candidates, the winner shall be decided in a manner as provided by statute.

f. In the event of a tie between two candidates with the fewest votes, the candidate eliminated shall be decided by lot.

g. An inactive ballot may not be counted for any candidate in that particular race.

9. As used in this section:

a. "Continuing candidate" means a candidate who has not been eliminated.

b. "Inactive ballot" means a ballot that is no longer tabulated, either in whole or in part, because it does not rank any continuing candidate, contains an overvote at the highest continuing ranking, or contains two or more sequential skipped rankings before its highest continuing ranking.

c. "Overvote" means an instance where a voter has assigned the same ranking to more than one candidate.

d. "Ranking" or "ranked" means the number assigned by a voter to a candidate to express the voter's choice for that candidate; a ranking of "1" is the highest ranking, followed by "2," and then "3," and so on.

e. "Round" means an instance of the sequence of voting tabulation in a general election for partisan office.

f. "Skipped ranking" means a blank ranking on a ballot on which a voter has ranked another candidate at a subsequent ranking.

g. "Partisan office" means the Offices of United States Senator, United States Representative, Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Controller, and State Legislators, and excludes the Offices of President of the United States and Vice President of the United States.

10. Completion of ballot count; certificate.

a. The certification of results shall be conducted as provided by Nevada law.

11. Implementation

a. Not later than July 1, 2025, the Legislature shall provide by law for provisions consistent with this constitutional amendment, including providing for disclosure as to the full ranking of each candidate.

b. Upon enactment of any law by the Legislature pursuant to this constitutional amendment before July 1, 2025, and not later than that date, any laws, regulations, regulatory orders or other provisions which conflict with this constitutional amendment will be void. However, the Legislature may enact legislation, in whole or in part, consistent with this constitutional amendment before July 1, 2025.

Section 5. Severability. If any provision of this act, or the application therefore to any person, thing or circumstance is held invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of this act as a whole or any provision or application of this act which can be given effect without the invalid or unconstitutional provision or application, and to this end the provisions of this act are declared to be severable.

Just FYI – the Abstract of the Vote as presented today is linked on the "Election 2022 Results" page of the county website, along with the links to the SoS results pages, and local race results. If anyone has questions, encourage them to call me.

The pop-up window seen on the home page that will take a visitor right to the results will be active through Friday. If you think it should be active longer let me know and I'll coordinate with IT.

Cheers!

Subject: Election Training

Greetings Robin and THANK YOU for volunteering to be a poll worker for the 2022 General Election.

In preparation for your assignment and shifts, you will need to participate in a training session to become familiarized with the equipment and the procedures for voting.

Heather tells me that during your phone conversation you indicated this Thursday the 13th's training session fits your schedule. The training session starts at 5:30pm in the District Courtroom in the Storey County Courthouse in Virginia City. We will have pizza and soft drinks available since we're cutting into the normal dinner hour. If you find that is not convenient, let us know, as we will also have a training on Wednesday, October 19th – same time and same location.

For your review and preparation, I have attached the Poll Worker Training packet, so you have a head start on our presentation and discussion.

For your information and planning, Early Voting starts on October 22nd and runs through November 4th. Election Day is Tuesday, November 8th.

I look forward to meeting you and am grateful for your time and effort. If you have questions, please contact me or Heather Faircloth in the County Clerk's Office per the number below or by reply email.

Cheers!

ICX

Instruct the voter:

- They can choose any of the available ICX machines to vote on.
- Insert the card face up into the yellow slot.
- Return the card to the Card Collector or Card Basket.

The ICX machines are not connected to anything but the electricity and the attached VVPAT machine specific to that ICX. We check and record all seals on the ICXs to ensure no tampering.

The VVPAT machines hold the paper rolls that record each voter's selections. This provides us with a back-up or another form of auditing if needed at a later date.

AMERICAN OVERSIGHT

Assisting the Voter

- **Machine Assistance**
  - Poll Workers can assist voters at the Kiosk or the ICX machines. Rule of thumb is to ask permission first. This is especially true with the ICX machines. Always ask the voter for permission before entering the privacy section of their voting station.

- **Physical Disability**
  - Any registered voter who has a physical disability or is unable to read or write is entitled to assistance from a consenting person. Call a Team Leader to assist.

- **Challenges**
  - A person requesting a ballot may be challenged orally by any registered voter of the precinct in which he/she is seeking to vote. (NRS 293.303). If a challenge is made, notify a Team Leader immediately.

AMERICAN OVERSIGHT

Closing The Polls after 7:00 p.m.

- **Balancing Statement**
  - The Balancing Statement must be completed and signed by all three of the group workers. Record the number of voters from the Counts/Logs screen in the Kiosks column. Count the number of Check-In Labels and record the totals in the Labels column. If the count of signatures is agreed upon, complete the Balancing Statement.

- **Voter Kiosk**
  - Turn off the voter kiosk on the back of the machine and unplug. Place the Kiosk and Activator and the power cord back into the same gray case it came in.

- **Voter Cards**
  - Place the remaining voter cards in the designated container and place in the supply box.

After balancing and signing the Balancing Statement, take the it to the Team Leader's table.

Subject: Election Training

Greetings Robin and THANK YOU for volunteering to be a poll worker for the 2022 General Election.

In preparation for your assignment and shifts, you will need to participate in a training session to become familiarized with the equipment and the procedures for voting.

Heather tells me that during your phone conversation you indicated this Thursday the 13th's training session fits your schedule. The training session starts at 5:30pm in the District Courtroom in the Storey County Courthouse in Virginia City. We will have pizza and soft drinks available since we're cutting into the normal dinner hour. If you find that is not convenient, let us know, as we will also have a training on Wednesday, October 19th – same time and same location.

For your review and preparation, I have attached the Poll Worker Training packet, so you have a head start on our presentation and discussion.

For your information and planning, Early Voting starts on October 22nd and runs through November 4th. Election Day is Tuesday, November 8th.

I look forward to meeting you and am grateful for your time and effort. If you have questions, please contact me or Heather Faircloth in the County Clerk's Office per the number below or by reply email.

Cheers!

ICX

Instruct the voter:

- They can choose any of the available ICX machines to vote on.
- Insert the card face up into the yellow slot.
- Return the card to the Card Collector or Card Basket.

The ICX machines are not connected to anything but the electricity and the attached VVPAT machine specific to that ICX. We check and record all seals on the ICXs to ensure no tampering.

The VVPAT machines hold the paper rolls that record each voter's selections. This provides us with a back-up or another form of auditing if needed at a later date.

AMERICAN OVERSIGHT

Assisting the Voter

- **Machine Assistance**
  - Poll Workers can assist voters at the Kiosk or the ICX machines. Rule of thumb is to ask permission first. This is especially true with the ICX machines. Always ask the voter for permission before entering the privacy section of their voting station.

- **Physical Disability**
  - Any registered voter who has a physical disability or is unable to read or write is entitled to assistance from a consenting person. Call a Team Leader to assist.

- **Challenges**
  - A person requesting a ballot may be challenged orally by any registered voter of the precinct in which he/she is seeking to vote. (NRS 293.303). If a challenge is made, notify a Team Leader immediately.

AMERICAN OVERSIGHT

Closing The Polls after 7:00 p.m.

- **Balancing Statement**
  - The Balancing Statement must be completed and signed by all three of the group workers. Record the number of voters from the Counts/Logs screen in the Kiosks column. Count the number of Check-In Labels and record the totals in the Labels column. If the count of signatures is agreed upon, complete the Balancing Statement.

- **Voter Kiosk**
  - Turn off the voter kiosk on the back of the machine and unplug. Place the Kiosk and Activator and the power cord back into the same gray case it came in.

- **Voter Cards**
  - Place the remaining voter cards in the designated container and place in the supply box.

Hey Jim!

I would think these reports are more of a “head’s up” than anything – ePN is an e-recording service that we don’t see used too frequently, so I think Dore wanted those reports to help her reconcile deposits at the end of the month.

Hope this helps!

Hey –

It's all electronic so I don't believe there in an invoice... you will see that the funds were sent and received, and this report just notifies you that they sent over the money.

Does that make sense? I don't believe you need to do anything with this information – it's just an FYI.

Good Afternoon Nicole.
So sorry for the delay in getting this information to you. Our office has had a great deal of transitioning this year and somehow these got lost in the mix. Below are our results for the May ERIC reports. I wasn't sure how to format them for you so I pasted them below and I am also attaching the excel sheet that they were tracked on. For the Deceased list. It appears that we had one on our list and we canceled it when notices was received in May.

Good morning!

ERIC is requesting the required data within the 90 days from when Michele received the reports and sent them to all our counties on 5/20/2022.

However, ERIC is requesting the Cross State as well as the In-State updates.

So, no need to provide the Deceased and the NCOA reports at this time.

The next time you'll have to certify will be when we do our next batch of Cross State and In State Updates, which, according to the schedule, will be in December 2022.

I apologize, for any confusion that this may cause and that I'm in the process of learning the requirements that ERIC requires Statewide.

Please do not hesitate to contact me with any questions or concerns.

Thank you for your time in this matter.

Have a great week!

Good Morning,

No problem!

I completely understand, being a newbie myself!

Luckily, Storey County, did not have any Deceased or Duplicate reports for June and August 2022 ran every even month of the year.
