Re: 2020-HQFO-00687

Dear Mr. Evers:

This is the electronic final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), dated March 2, 2020, and received by this office on March 3, 2020. You are seeking all final directives, orders, decision memoranda, or guidance from President Trump, Vice President Pence, or any staff of the Executive Office of the President regarding public statements, public appearances, website updates or changes, or communications or press strategy on the coronavirus, COVID-19 (Date Range for Record Search: From 1/30/2020 To 5/18/2020).

A search of the Office of the Chief Information Officer (OCIO) for documents responsive to your request produced a total of 35 pages. Portions of these pages are partially releasable pursuant to Title 5 U.S.C. § 552 (b)(5) and (b)(6), FOIA Exemptions 5 and 6.

FOIA Exemption 5 protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege. After carefully reviewing the responsive documents, we determined that portions of the responsive documents qualify for protection under the following privilege(s):

- **Deliberative Process Privilege**

The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel.

- **Presidential Communications Privilege**

The presidential communications privilege protects confidential communications that relate to potential presidential decision-making, and that involve the President, his senior advisors, or staff working for senior presidential advisors. The privilege protects communications in connection with the President's performance of the responsibilities of his office and made in the process of shaping policies and making decisions. It does so because protecting the frank and candid deliberation of ideas and expression of views is essential to ensure that Executive Branch officials and advisors are able to thoroughly examine issues, formulate opinions, and provide appropriate advice to the President. Accordingly, the privilege applies to documents in their entirety, and covers final and post-decisional materials as well as pre-decisional documents.

FOIA Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

You have a right to appeal the above withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: Privacy Office, Attn: FOIA Appeals, U.S. Department of Homeland Security, 245 Murray Lane, SW, Mail Stop 0655, Washington, D.C. 20528-0655, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 5.8. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS FOIA regulations are available at www.dhs.gov/foia.

If you need any further assistance or would like to discuss any aspect of your request, please contact the analyst below who processed your request and refer to **2020-HQFO-00687**. You may send an e-mail to foia@hq.dhs.gov, call 202-343-1743 or toll free 1-866-431-0486, or you may contact our FOIA Public Liaison in the same manner. Additionally, you have a right to right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601

Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Sincerely,

All,

I just spoke with Tony about the release of the EO and IFR. The plan is for the EO to be released shortly after the press conference concludes, and then CBP can post the IFR at the same time. Tony just let me know that this plan works for them.

Please reach out if you have any questions, and thank you for your assistance.

Hi Nick- Since we started working on the deliverables we were aiming to announce early today, but obviously it has taken longer to get things approved.

Earlier today (b)(6) expressed the desire to announce it at the briefing, she was going to circle back if this was possible (I wanted to make sure we had everything ready in case that happened).

Smaller group.

Sofia, how and to whom did the President convey his desire to announce this from the podium today? Our policy team has some concerns with timing (Kate can expound), and would prefer to announce tomorrow if possible.

Thanks. I have a few edits to the CBP press statement and rollout document, which I've attached here (I also sent to (b)(6) I'm adding in a few other policy folks for their review as well.

Subject: APPROVAL: EO Announcement -
DHS Statement

Hi all, can you please approve the
following press release and statement.
Once the EO is posted, CBP will issue the
PR below and DHS will issue the
Secretary's statement. We're attaching a
PAG with talking points too.

The EO seems to be with Treasury, ideally
we have all cleared by this afternoon.
Thank you!
