Dear Mr. Evers:

This interim response relates to your Freedom of Information Act (5 U.S.C. §552) request of 3/5/2020, which you sent to the Centers for Medicare & Medicaid Services. Within your correspondence you requested all email communications (including emails, complete email chains, email attachments, calendar invitations, and calendar invitation attachments) between (a) the Centers for Medicare and Medicaid Services (CMS) officials listed in Column A of the request, and (b) the Executive Office of the President (EOP) officials listed in Column B of the request.

After careful review of the documents submitted to me, a total of five hundred (500) pages, I have determined to release them to you, as enclosed. One hundred eight (108) pages are released to you in their entirety. However, I am denying you access to portions of three hundred eighty-three pages (383) pursuant to Exemptions 5 and 6 of the FOIA (5 U.S.C. §552(b)(5) (including the presidential communications privilege and deliberative process privilege) and (b)(6). Three pages (3) are withheld entirely pursuant to 5 U.S.C. §552(b)(5) (including the presidential communications privilege and the deliberative process privilege) and (b)(6). Six (6) pages are blank.

Exemption 5 of the FOIA permits the withholding of “inter-agency memorandums or letters which are pre-decisional and contain staff advice, opinion and recommendation which are part of the agency’s deliberative decision making process.” The intent of this exemption is to preserve free and candid dialogue leading to decision making; to protect against public confusion that might result from disclosure of reasons and rationales that were not in fact ultimately the grounds for an agency’s action. The pages and portions of pages that you are denied access to contain pre-decisional information, in that they are preliminary findings and notes generated through a deliberative process.

Exemption 6 of the FOIA permits a Federal agency to withhold information contained in personnel and medical files and similar files the disclosure of which would “constitute a clearly

unwarranted invasion of personal privacy.” I have weighed the public interest in disclosure (which the Supreme Court has held to be limited in this context to the public interest that would be served by shedding light in the agency’s performance of its statutory duties) against the harm to the privacy of the individuals identified in these records and have concluded that the privacy interest of the subject individuals outweighs the public interest in disclosure in this particular matter.

Additional non-exempt documents or portions of responsive documents will be forwarded to you upon completion of review.

Sincerely yours,

Hugh Gilmore

Apologies for another email on this meeting. The meeting will begin promptly at 9:15AM. Please note, the meeting room has been updated to EEOB 374 (SMS Large). This room is a SCIF and all electronic devices must be stored in the lockers outside the room. Please use the WAVES link I sent earlier to submit for building entry. I have updated the time on the back end of the system.

The dial in information remains the same. Please remember to mute your line at the start of the meeting.

Thank you, Steve and Rebecca.

Also, Tyler Ann said that the meeting can be a full hour (10:00 to 11:00). Will you be sending the WAVES links? I can send the names of the attendees (in-person, by phone).

Subject: RE: Scheduling for Tuesday

Following up with Dr. Birx availability for Tuesday, (4/28) 10:00am-10:45am

I am going to let this group handle the meeting room, calendar invite to all attendees and IT requirements.

Last time I arranged the meeting, the President's IT support team's time was wasted due to a lack of communication.

You will need to ensure all principals that attended the last meeting are available to attend/invited to this meeting.
