Subject: RE: RE: Second CMS IFC

Today is not possible and this is not appropriate to be taking to the TF, as you know. We only received the IFC back this morning for our review. We will be in a position to clear the IFC it as soon as possible. We have committed to getting back to you by Monday. So you are aware, Seema cancelled our weekly call this morning for the 7th week in a row now. I'm sorry that I wasn't available when you tried calling me a little while ago but these are usually conversations that I would have directly with Seema on our weekly check-in calls so that we have a common understanding of timing and expectations. We will get back to you by Monday, and will try to get back to you sooner, but unfortunately today is unrealistic and simply not possible.
