EXTERNAL SENDER

Good afternoon,

Consistent with our December 30 email, please find the attached zipped folder containing documents responsive to this request. Due to file sizes, a second email will follow with an additional batch of documents.

The responsive documents contain email addresses of the general public. An email address of a member of the public is confidential under section 552.137 of the Texas Government Code. The attorney general authorized all governmental bodies to withhold an email address of a member of the public without first requesting an attorney general opinion in Open Records Decision No. 684 (2009).

The information you requested contains a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body. This information is confidential under section 552.136 of the Texas Government Code. Section 552.136 allows us to withhold this specific information without requesting a ruling from the attorney general. You have the right to appeal our decision to withhold this information from you. Instructions for appeal are attached. If you do not want to appeal, you do not need to do anything else.

In addition, the responsive information includes file names, locations, and other computer information that “has no other significance than its use as a tool for the maintenance, manipulation, or protection of public property.” *See* Open Records Decision No. 581 at 7 (1990). The Attorney General’s Open Records Division has concluded that this type of information is not subject to the Public Information Act and thus need not be released in response to a public-information request. *See* Open Records Decision No. 581 at 7; OR2019-14210 at 2 (May 29, 2019) (file names and locations); OR2019-09843 at 2 (Apr. 11, 2019) (username and password information). Thus, this information has been redacted.

We appreciate your patience as we continue to process your request in accordance with the terms of the Public Information Act. We require additional time to review our records and produce additional responsive documents. We will provide additional responsive documents—to the extent such information is not excepted from disclosure under state or federal law—by 5:00 p.m. on January 14, 2021. *See* Tex. Gov’t Code § 552.221(d).

Kind regards,

Jennifer Williams

Legal Assistant to the General Counsel

Office of the Texas Secretary of State

How to appeal the withholding of information under Government Code Section 552.136

If you wish to appeal the withholding of information discussed on the previous page, you must send the following to the attorney general:

- 1) a signed, written statement indicating your wish to appeal the withholding of information;
- 2) the name of the governmental body that withheld information from you;
- 3) the date you made your original request for information; and
- 4) a copy of your original request for information, or if you are unable to provide a copy, a description of your original request for information.

You may also submit written comments stating why you think the information should be released to you, but you are not required to do so.

Send your appeal by mail to the attorney general at:

Open Records Division
P.O. Box 12548
Austin, Texas 78711-2548

Within forty-five business days after receiving all of the above-listed items necessary to file your appeal, the attorney general will issue a written ruling on the matter. You will receive a copy of this ruling in the mail.

Dear Kristi,

Greetings from Texas Press.

We worked together for the Texas constitutional amendments statewide project for notices in the fall of 2019.

I want to touch base about the possibility of additional paid ad campaigns for votetexas.org to anything related to the current situation that is in flux.

Regardless, we would like to know how we can help.

We hold a great deal of respect and admiration for you and your staff.

Thanks so much,

Joanna

Hi there Stephen!

As you are aware, we are working with the SUMA team on the research portion of our Phase 1 & Phase 2 campaigns. We reached out to our contact for an invoice revision yesterday, as we wanted to include the research invoice with our February billing, but unfortunately, she was unable to provide it till today.

Are we able to revise the invoice we submitted yesterday to include their invoice in our February billing?! I apologize for not being versed in the Voter billing rules, therefore the ask. Please let us know if this is possible when you get a chance. It'll be good learnings for me & the team.

We'll wait for your guidance on this one. Thanks in advance for any help you can provide!

(P.S. The college in our area just extended Spring Break by a week and upon return, it's digital classes only. Thought I'd share since we just spoke about it yesterday.)

Good Morning Stephen!

Attached are the screener scripts that will be used for the focus group calls that Suma will be initiating in efforts to find participants.

Please review and let us know if there are any adjustments that need to be made, or if they're approved as is.

Final approval on these scripts is due to Suma by Friday, May 8. If additional time is needed though, please let us know and we can coordinate w/the Suma folks.

Any questions, please let us know. Here's to Thursday!

Here you go, Stephen!

- On the billing worksheet attached, for Task 7.2 – Media Placement, the 20k for the LifeStyle TV Segments has been adjusted to reflect our new balance of \$930,000.
- On the Phase 1 – Task Activity worksheet, I have not adjusted that balance since this worksheet is the official worksheet submitted in the RFP. I wanted you to have the original numbers so that you can see how it was submitted/approved.
- On the Phase 2 – Task Activity worksheet, again, the media line item is unadjusted. It does not reflect the addition of the 20k to the Media Placement line item.

Hope this all makes sense, but if not, please let me know. And if you'd like me to make the adjustments, say the word. I'm happy to do it!

If you have the billing spreadsheet in an Excel format that would be helpful.

That, and also the proposed activity sheet you included in your initial RFP, also in Excel.

Again, only if you have them already and it's not too much of an inconvenience for you all – building a tracking sheet on my end.

Thanks!

Is it the billing worksheet you're looking for?! If yes, I'll send it this morning, along with our status. Happy to provide!

Thanks for sending this over. I'll review on my end and get back to you soon as I'm able.

Are you able to send over an Excel version of this and or your sheet from when you submitted for the RFP? I'm tracking finances on my end here and the template would be helpful so I don't have to build my sheet from scratch. If not, no big deal though!

Hi Stephen!

Attached is our January 2020 – Invoice, including a budget worksheet based on the approved P1 budget in our RFP submission.

Also attached are the January 2020 supporting documents.

One reminder - we shifted the Lifestyle Segments (\$20k) from our original media budget of \$950,000 to Phase 2. Therefore, we are now at a beginning media budget of \$930,000.

Once you've had a chance to review, please let us know if anything needs to be adjusted. Thanks & have a good night!

Hi Stephen!

First off, here's to the new week. Hoping it's a good one!

Attached is a PDF of the Ready. Check. Vote. stickers that we'd utilize at both the press conference & use during our 3 grassroots stops. At the press conference, we'd distribute to all staff that chose to wear them, as well as to those in attendance. We can also leave y'all a roll to pass out as/when needed.

We'd also use them during each stop of our grassroots tour, to those that interact with us & that play our Match Game.

Upon approval, we'll figure out a quantity & then reach out to a vendor for quotes. We just need your green light in order to do so. If there are any questions, please let us know. We'll wait to hear from you!

I saw that! I was impressed by how many materials were handed out. I sent over to our folks here. Will be back in touch if that have Qs.

In SA, you really did get one of the best possible booth placements. That's a great spot – been there.

Yes, not only were we able to get great impressions and pass out a ton of educational materials but passersby really appreciated the SOS's grassroots initiative.

Thanks,

Hi again!

We've just received confirmation that Yvonne is available for a Monday afternoon session, so we'd love to book her if y'all approve of her demo. This also means we'd need an approved script.

As always, we hate to nudge, but we'd like to start building our radio spot so that we can drop in the SOS once done, and start the final production & approval process. A Monday record will help tremendously.

Please let us know if we can move forward & we'll take it from there. Many thanks!

Subject: SOS: Voter Ed - Radio Spots

Hi Stephen!

Attached you'll find the following radio elements:

- Radio Scripts - :60s, :30s & :15s in both English & Spanish
- Vendor quote
- Announcer Demo – we'd use Yvonne on all spots; the other talent will be studio talent

We've internally reviewed the Spanish scripts and while traditionally we like to try to perfectly transcreate from English to Spanish, sometimes the translation just doesn't flow as we need it. Case in point the :15 English to Spanish copy. Our translation starts off with info about the IDs which we feel is more effective. We also want to note that Spanish timing will always be something we need to conquer and we edited as needed in order to meet our timing parameters. We're still able to match the main communication structure of the English scripts.

We're proposing the following location for the recording:
The Sound Lab
3355 Bee Cave Road

Building 7 – Suite 705

Based on the Secretary's schedule, is there a way we could book her this Friday, Feb. 7 from between maybe 1:00 – 3:00 for a 1.5 hour window (at most)?! Seems like a tight squeeze, but since Monday is out an option, just thought we'd ask.

- If this date doesn't work, how about Tuesday, Feb. 11 after her 11:00 am meeting wraps?!

Once you've had a chance to review all attached, as well as the Secretary's schedule, please let us know if there are any questions. If not, the most pressing thing we need is to book her for her record & approval. We'll manage the rest of it on our own schedule.

As always, a huge apology for the rush on this one. If any time is needed, don't hesitate to ask. We'll make it work!

It's on her availability ofc, but I would say this Thursday or Friday.

The afternoons work for the vendor:

The Sound Lab

3355 Bee Cave Road

Building 7, Suite 705

(Digital Domain won't have time available to book)

Also attached are the vendor estimate at 4,975 and the talent demos in English and Spanish in a Zip file so we can get those approved and schedule her production, too.

Hoping to get final scripts tomorrow, the final quote and 2-3 date/time options to forward along to Stephen & the SOS. Let me know if there is anything I can do to help get the above done.

Thanks y'all!

p.s. Thanks Tita for the note about the Spanish. Once we're ready to send the final Spanish over to the client, we'll set up where & why the Spanish differs.

Hey Stephen,

In addition to the :10 reads, we have a :15 script as well. Can you please review and let us know if the second script added to the attached is approved as well? These will be live reads for TTWN so it's a slightly different script that our prerecorded radio spots.

Thanks,

Melissa

Hi Stephen!

Attached are the Total Traffic Weather News (TTWN) scripts. For these folks we only need to provide scripts/reads for their station to read throughout the allotted time frames.

Tita has reviewed the Spanish based on yesterday's call and we're good with the translations.

Our live date for these scripts is Monday, Feb. 17th, so we have a day or so to get these approved & trafficked. Please review and if there are any questions, we're here. We'll wait to hear from you!

ABILITY TO VOTE WITHOUT PHOTO ID

Q9. Under current state law, if a voter does not possess an acceptable photo identification, and cannot reasonably obtain one, then are they still able to vote in person?

The margin of error to the Spanish oversample is +/- 9.8%, therefore 10-point increases and 10-point decreases are expected and not statistically significant.

Dear Kristi,

Greetings from Texas Press.

We worked together for the Texas constitutional amendments statewide project for notices in the fall of 2019.

I want to touch base about the possibility of additional paid ad campaigns for votetexas.org to anything related to the current situation that is in flux.

Regardless, we would like to know how we can help.

We hold a great deal of respect and admiration for you and your staff.

Thanks so much,

Joanna

Hi there Stephen!

As you are aware, we are working with the SUMA team on the research portion of our Phase 1 & Phase 2 campaigns. We reached out to our contact for an invoice revision yesterday, as we wanted to include the research invoice with our February billing, but unfortunately, she was unable to provide it till today.

Are we able to revise the invoice we submitted yesterday to include their invoice in our February billing?! I apologize for not being versed in the Voter billing rules, therefore the ask. Please let us know if this is possible when you get a chance. It'll be good learnings for me & the team.

We'll wait for your guidance on this one. Thanks in advance for any help you can provide!

(P.S. The college in our area just extended Spring Break by a week and upon return, it's digital classes only. Thought I'd share since we just spoke about it yesterday.)

Good Morning Stephen!

Attached are the screener scripts that will be used for the focus group calls that Suma will be initiating in efforts to find participants.

Please review and let us know if there are any adjustments that need to be made, or if they're approved as is.

Final approval on these scripts is due to Suma by Friday, May 8. If additional time is needed though, please let us know and we can coordinate w/the Suma folks.

Any questions, please let us know. Here's to Thursday!

Here you go, Stephen!

- On the billing worksheet attached, for Task 7.2 – Media Placement, the 20k for the LifeStyle TV Segments has been adjusted to reflect our new balance of \$930,000.
- On the Phase 1 – Task Activity worksheet, I have not adjusted that balance since this worksheet is the official worksheet submitted in the RFP. I wanted you to have the original numbers so that you can see how it was submitted/approved.
- On the Phase 2 – Task Activity worksheet, again, the media line item is unadjusted. It does not reflect the addition of the 20k to the Media Placement line item.

Hope this all makes sense, but if not, please let me know. And if you'd like me to make the adjustments, say the word. I'm happy to do it!

If you have the billing spreadsheet in an Excel format that would be helpful.

That, and also the proposed activity sheet you included in your initial RFP, also in Excel.

Again, only if you have them already and it's not too much of an inconvenience for you all – building a tracking sheet on my end.

Thanks!

Is it the billing worksheet you're looking for?! If yes, I'll send it this morning, along with our status. Happy to provide!

Thanks for sending this over. I'll review on my end and get back to you soon as I'm able.

Are you able to send over an Excel version of this and or your sheet from when you submitted for the RFP? I'm tracking finances on my end here and the template would be helpful so I don't have to build my sheet from scratch. If not, no big deal though!

Hi Stephen!

Attached is our January 2020 – Invoice, including a budget worksheet based on the approved P1 budget in our RFP submission.

Also attached are the January 2020 supporting documents.

One reminder - we shifted the Lifestyle Segments (\$20k) from our original media budget of \$950,000 to Phase 2. Therefore, we are now at a beginning media budget of \$930,000.

Once you've had a chance to review, please let us know if anything needs to be adjusted. Thanks & have a good night!

Hi Stephen!

First off, here's to the new week. Hoping it's a good one!

Attached is a PDF of the Ready. Check. Vote. stickers that we'd utilize at both the press conference & use during our 3 grassroots stops. At the press conference, we'd distribute to all staff that chose to wear them, as well as to those in attendance. We can also leave y'all a roll to pass out as/when needed.

We'd also use them during each stop of our grassroots tour, to those that interact with us & that play our Match Game.

Upon approval, we'll figure out a quantity & then reach out to a vendor for quotes. We just need your green light in order to do so. If there are any questions, please let us know. We'll wait to hear from you!

I saw that! I was impressed by how many materials were handed out. I sent over to our folks here. Will be back in touch if that have Qs.

In SA, you really did get one of the best possible booth placements. That's a great spot – been there.

Yes, not only were we able to get great impressions and pass out a ton of educational materials but passersby really appreciated the SOS's grassroots initiative.

Thanks,

Hi again!

We've just received confirmation that Yvonne is available for a Monday afternoon session, so we'd love to book her if y'all approve of her demo. This also means we'd need an approved script.

As always, we hate to nudge, but we'd like to start building our radio spot so that we can drop in the SOS once done, and start the final production & approval process. A Monday record will help tremendously.

Please let us know if we can move forward & we'll take it from there. Many thanks!

Subject: SOS: Voter Ed - Radio Spots

Hi Stephen!

Attached you'll find the following radio elements:

- Radio Scripts - :60s, :30s & :15s in both English & Spanish
- Vendor quote
- Announcer Demo – we'd use Yvonne on all spots; the other talent will be studio talent

We've internally reviewed the Spanish scripts and while traditionally we like to try to perfectly transcreate from English to Spanish, sometimes the translation just doesn't flow as we need it. Case in point the :15 English to Spanish copy. Our translation starts off with info about the IDs which we feel is more effective. We also want to note that Spanish timing will always be something we need to conquer and we edited as needed in order to meet our timing parameters. We're still able to match the main communication structure of the English scripts.

We're proposing the following location for the recording:
The Sound Lab
3355 Bee Cave Road

Building 7 – Suite 705

Based on the Secretary's schedule, is there a way we could book her this Friday, Feb. 7 from between maybe 1:00 – 3:00 for a 1.5 hour window (at most)?! Seems like a tight squeeze, but since Monday is out an option, just thought we'd ask.

- If this date doesn't work, how about Tuesday, Feb. 11 after her 11:00 am meeting wraps?!

Once you've had a chance to review all attached, as well as the Secretary's schedule, please let us know if there are any questions. If not, the most pressing thing we need is to book her for her record & approval. We'll manage the rest of it on our own schedule.

As always, a huge apology for the rush on this one. If any time is needed, don't hesitate to ask. We'll make it work!

It's on her availability ofc, but I would say this Thursday or Friday.

The afternoons work for the vendor:

The Sound Lab

3355 Bee Cave Road

Building 7, Suite 705

(Digital Domain won't have time available to book)

Also attached are the vendor estimate at 4,975 and the talent demos in English and Spanish in a Zip file so we can get those approved and schedule her production, too.

Thanks y'all!

Hey Stephen,

In addition to the :10 reads, we have a :15 script as well. Can you please review and let us know if the second script added to the attached is approved as well? These will be live reads for TTWN so it's a slightly different script that our prerecorded radio spots.

Hi Stephen!

Attached are the Total Traffic Weather News (TTWN) scripts. For these folks we only need to provide scripts/reads for their station to read throughout the allotted time frames.

Tita has reviewed the Spanish based on yesterday's call and we're good with the translations.

Our live date for these scripts is Monday, Feb. 17th, so we have a day or so to get these approved & trafficked. Please review and if there are any questions, we're here. We'll wait to hear from you!
