It was so great to talk to you earlier. I did get the agenda from the website. I wanted to remind you to email me the Board of Directors agenda.

I just need times so I can check on flight times back to ATL. I see the starting time of 8:30am for membership meeting. It looks like the membership meeting is only going to last an hour. Just verifying.

Thank you.

Hi, Donna.

Following up on our conversation this morning.

I double checked the meeting invitation I sent in November and Jordan was on it. I realize this doesn't help you much today, but it did help me confirm I didn't leave her off. If you have access to and permission for her calendar, in the future you can accept these meeting invites. (I just send it via Outlook.)

There is no formal registration process. The Doodle poll I sent helps me confirm the method by which each member is participating. Jordan probably doesn't have time to dig up the email I sent yesterday afternoon and complete the survey, but from our conversation this morning I know she's attending in person. No need to worry about the Doodle poll.

As for the agendas I'm waiting on one final detail from the hotel regarding the conference call logistics. I'll send the agendas and some other notes on the meeting out to the entire Board. Hopefully, later today, but no later than tomorrow.

I apologize you were having trouble with your website. The word "Agenda" in the meeting announcement, is clickable, but it doesn't become underlined, change color or give much indication at all that it's a link when you hover over it. All that happens is your cursor changes. Not intuitive or helpful.

Finally, as I mentioned, we're adding you to the distribution lists so you will get all future comms to the Board.

Regards,

Shane

Mr. Hamlin,

This is Donna from Deputy Secretary Jordan Fuchs office in the Georgia Secretary of State's office.

The Deputy would like to participate in the ERIC February 3, 2020 meetings in DC. I went to your website to get the agenda. It shows a paragraph about the meeting however there is no link to take you to the hotel information or the agenda. I was unable to get her registered via the Doodle link.

I will need to change her flight reservation as I had her departing DC on Sunday, February 2, 2020 after the NASS conference adjourned.

Board Members,

Please use the Doodle Survey below to indicate how (and if) you are participating the in ERIC meetings on Feb. 3. There are options that recognize you may be sending someone else to serve in your place. If you mark one of these options, please follow up with an email to me designating your proxy. *It should take you less than a minute to complete the survey.*

If you are not the designated Member Representative for your state you do NOT need to complete the survey I included you on this email because it sometimes helps ensure the Member Rep sees/acts on ERIC emails. (You all have way too much on your plates!)

Jordan,

Ericka's email below confirms ERIC is ready to receive your state's official/production voter registration and DDS data. That is, the technical onboarding process is complete and, as per the Membership Agreement, we're ready to certify our readiness to move forward with operationalizing your membership.

Since you're the Board member, we need you to respond to Ericka's message. I will issue a formal certification letter once we hear from you. At that point, Georgia will be fully onboard, ready to send data and receive reports.

Let me know if you have any questions.

Subject: ERIC- Georgia: Data Feed Certification Recommendation

Hello all,

I have worked with the Elections and Driver's Services teams to resolve all questions and am ready to recommend that Georgia be certified to start feeding data into ERIC as of today, September 1, 2020. If all agree, the data files that I currently have (DDS data dated August 31, 2020, and Voter data dated August 26, 2020) are valid and available to start loading in our Production environment, with the following caveat:

- Blake has provided a list of confidential voters that I am removing from the file prior to loading. The export will be fixed so that they will no longer be included by the next regular data submission.

Certification means:

- * The data in the files is correctly formatted, contains accurate data, and is produced from the live source environments
- * Per the membership agreement, Georgia will provide Voter and DDS data files to ERIC at least every 60 days from the certification date. Files can be submitted monthly.
- * This certification only applies to submitting data. Requesting reports is a separate process under different timing requirements in the Membership Agreement so that you can arrange them around your business requirements.

Jordan, if you are in agreement please reply as such, then Shane will produce our certification letter and I will be able to start loading your data once we determine which files. When the data is loaded into Production, I will run your first Eligible but Unregistered report.

I can't thank both the Elections and DDSteams, for getting us to this point!

Regards,
Ericka

EXTERNAL EMAIL: Do not click any links or open any attachments unless you trust the sender and know the content is safe.

ERIC Board Members,

Please find attached an agenda for the ERIC Board Meeting set for this Thursday, July 23.

The agenda may look light, but there is a lot of information to share with you under the ERIC Activity Update topic. Just as importantly, we have several important topics to discuss:

- 2020 Updates to ERIC's Info Security Plan (includes a vote)
- 2021 ERIC Work Summit
- 2020 ERIC Reports: Important things to know about what we can do for you over the next couple of months & discussion of what's happened thus far/what lies ahead
- Important annual housekeeping matters

We may not need the full four hours currently scheduled, if that helps reduce any trepidation you may have about a four hour webinar. As always, we'll do our best to make efficient use of your time while ensuring there is opportunity for good discussion/exchange of ideas and info.

Finally, please let me know if you cannot participate. Meeting details are below. Let me know if you need me to resend the actual calendar invite.

Looking forward to meeting with you on Thursday, though I really wish we were gathering together in person. We miss you guys!

Thank you!

I worry a little about spam because emails to the Board/Membership go to 60-sih people, which can be a red flag for some spam filters.

Subject: ERIC Board -- Super Bowl plans and EBU research

Dear ERIC folks,

Really looking forward to seeing many of you this weekend! And it gives me an opportunity to reach out to you about to very important, and OBVIOUSLY related, things.

First, as we've mentioned to many of you, CER is planning out its most robust EBU research and assistance to date, and we're aiming to have very clear plans available to all of you WELL before EBU season in the late summer. We're hoping to work with as many of you as possible, particularly the new states, to show how effective your outreach is at both registering voters, and doing it cheaply and efficiently. As before, we'll be doing all the heavy lifting on this, and giving you plenty of time to review and contribute to the details.

For now, we just need to know if you're interested in learning more, and we'll have a short webinar to follow up with all those interested sometime later this spring.

Also, since we're all going to be here in DC on Sunday night, after NASED is over, but before the EIC meeting, I was wondering how many of you would be interested in getting a group together to watch the Super Bowl (and root on the Chiefs!). If there's enough interest, I'll try to find a place that can accommodate our group. And feel free to extend this invitation to anyone else you know will be here, either from your states or otherwise. The more the merrier!

Please fill out [this doodle ASAP](#), if you don't mind. No obligation - you're just indicating you'd likely want to join a group for the Super Bowl, and hear more about the EBU research and what it entails.

Thanks! I'll see many of you later this week!

David

Jenny,

Thanks for taking the time to talk. I have a clear understanding now. There are only two mailing files that you are sending us. We will send the treatment group file out first, and then we will send out the control group file at least 2 weeks later.

Ericka, please let us know once you have posted the files.

Hi there!

I've just finished randomizing your EBU list. I will be giving you a handful of files which I will describe below. To get them to you, we'll simply reverse the transfer process: I'll send the files to ERIC and they'll get them to you. Your list has been divided into two groups: the treatment group and the control group. Mailers will go out to the treatment group first. Mailers should be sent to the control group at least *two weeks after* the initial mailing.

Files you'll be receiving:

- **GA_EBU_TreatmentGroup_HouseholdUnder10** = EBUs randomly assigned to treatment group. For households >1 & <10 only 1 randomly selected representative per household. For households 10+, all individuals.
- GA_EBU_TreatmentGroupAll = all EBUs randomly assigned to treatment group, all individuals included.
- **GA_EBU_ControlGroup_HouseholdUnder10** = EBUs randomly assigned to control group. For households >1 & <10 only 1 randomly selected representative per household. For households 10+, all individuals.
- GA_EBU_ControlGroupAll = all EBUs randomly assigned to control group, all individuals included.

Since you want to send household mailers, rather than to each individual (for households <10), you should use **GA_EBU_TreatmentGroup_HouseholdUnder10** and **GA_EBU_ControlGroup_HouseholdUnder10** (highlighted) as your mailing lists. Note that 214 out-of-state EBUs were removed before randomization.

Thank you all so much for helping us get this together. Your time and effort are greatly appreciated. Should you have any questions, concerns, or ideas, please don't hesitate to contact me and I'll get back to you ASAP.

Best,
Jenny

Hello, Ms. Nealey.

We'll have an in-person Board meeting on July 23 in Reno, the day after the NASS/NASED conference and at the same hotel as these conferences. We haven't set a firm time yet, but it will likely end by 12:30 pm PT. We'll also meet in June by teleconference/webinar, as you may have seen. I'm waiting for a few more board members (including Jordan) to submit their availability via the Doodle meeting survey I sent out, but the possible dates and times for this important meeting are:

June 18 @ 12, 1, 2, 3, or 4 ET
June 19 @ 12, 1, 2, 3, or 4 ET
June 25 @ 12, 1, 2, 3, or 4 ET
June 26 @ 12, 1, 2, 3, or 4 ET

This is an important meeting because we'll be setting the membership dues for 2020-21 and adopting a budget. It's possible we'll have another meeting in the fall, but like the June meeting it would be by teleconference/webinar.

I suspect you will complete the Doodle meeting survey I sent out and not Jordan. If so, please let me know if you have any questions about it. I'd be happy to help.

Thank you,

Shane

Hello, Ms. Nealey.

We'll have an in-person Board meeting on July 23 in Reno, the day after the NASS/NASED conference and at the same hotel as these conferences. We haven't set a firm time yet, but it will likely end by 12:30 pm PT. We'll also meet in June by teleconference/webinar, as you may have seen. I'm waiting for a few more board members (including Jordan) to submit their availability via the Doodle meeting survey I sent out, but the possible dates and times for this important meeting are:

June 18 @ 12, 1, 2, 3, or 4 ET
June 19 @ 12, 1, 2, 3, or 4 ET
June 25 @ 12, 1, 2, 3, or 4 ET
June 26 @ 12, 1, 2, 3, or 4 ET

This is an important meeting because we'll be setting the membership dues for 2020-21 and adopting a budget. It's possible we'll have another meeting in the fall, but like the June meeting it would be by teleconference/webinar.

I suspect you will complete the Doodle meeting survey I sent out and not Jordan. If so, please let me know if you have any questions about it. I'd be happy to help.

Thank you,

Shane

Please find attached the official certification of ERIC's readiness to accept data from Georgia, initiating the routine data upload requirements in the membership agreement. Basically, this certifies your office has completed the technical onboarding process and your membership is in full effect. Congratulations! We're thrilled to welcome you fully into ERIC. We look forward to seeing Georgia benefit from its ERIC membership in the months and years to come.

Hello all,

I have worked with the Elections and Driver+s Services teams to resolve all questions and am ready to recommend that Georgia be certified to start feeding data into ERIC as of today, September 1, 2020. If all agree, the data files that I currently have (DDS data dated August 31, 2020, and Voter data dated August 26, 2020) are valid and available to start loading in our Production environment, with the following caveat:

- Blake has provided a list of confidential voters that I am removing from the file prior to loading. The export will be fixed so that they will no longer be included by the next regular data submission.

Certification means:

- * The data in the files is correctly formatted, contains accurate data, and is produced from the live source environments

- * Per the membership agreement, Georgia will provide Voter and DDS data files to ERIC at least every 60 days from the certification date. Files can be submitted monthly.

- * This certification only applies to submitting data. Requesting reports is a separate process under different timing requirements in the Membership Agreement so that you can arrange them around your business requirements.

Jordan, if you are in agreement please reply as such, then Shane will produce our certification letter and I will be able to start loading your data once we determine which files. When the data is loaded into Production, I will run your first Eligible but Unregistered report.

I can't thank both the Elections and DDS teams, for getting us to this point!

Regards,

Ericka

Georgia Secretary of State's Office
214 State Capitol
Atlanta, GA 30334

Dear Jordan,

I'm writing to officially notify you that that the Electronic Registration Information Center (ERIC) Board of Directors is ready to receive voter registration data and Georgia Department of Driver Services' data from the state of Georgia.

As the ERIC representative from Georgia, please consider this letter your official notice required under section 2(a) of the ERIC membership agreement. Section 2(b) of the agreement states:

"Within sixty (60) days of the date that the ERIC Board certifies that ERIC is ready to receive data from the Member (the "Certification Date"), and at least every sixty (60) days thereafter, the Member shall transmit: (1) all inactive and active voter files (excluding those records that are confidential or protected from disclosure by law), including those fields identified in Exhibit B, and (2) all licensing or identification records contained in the motor vehicles database (excluding those fields unrelated to voter eligibility, such as fields related to an individual's driving record), including those fields identified in Exhibit B. Under no circumstances shall the Member transmit an individual's record where the record contains documentation or other information indicating that the individual is a non-citizen of the United States. "

Upon receipt of this letter, Georgia will be subject to the aforementioned timeline of data transmission. If you have any questions regarding this notice please let me know.

Sincerely,

Shane Hamlin
ERIC Executive Director

Hello all. We have opted to cancel the last 2 Voter Participation calls that we had scheduled, due to everyone's workload. Instead, we plan to follow up on how to close out the 2018 Voter Participation project AFTER the November election. We will send out a new meeting request for that meeting when we are ready to schedule it.

If you do have any updates on your 2018 Voter Participation investigations/referrals, please feel free to continue sending those on to us in the meantime.

Thanks, and good luck out there!

Hello all. We have opted to cancel the last 2 Voter Participation calls that we had scheduled, due to everyone's workload. Instead, we plan to follow up on how to close out the 2018 Voter Participation project AFTER the November election. We will send out a new meeting request for that meeting when we are ready to schedule it.

If you do have any updates on your 2018 Voter Participation investigations/referrals, please feel free to continue sending those on to us in the meantime.

Thanks, and good luck out there!

Good morning, Jordan and Blake.

Below is the original email. If you didn't see it, Jordan, I suspect it got caught in your spam filters. As you can see our accountant sends it from a Intuit QuickBooks email account, which some email systems identify as spam or malicious email.

Please let me know if you have any other questions.

Subject: ERIC2021 Dues Invoice #1300

INVOICE 1300 DETAILS

Electronic Registration Information Center, Inc.

Dear Jordan and Chris,

Attached is an invoice, dated today, for Georgia's ERIC membership dues for July 2020-June 2021. Payment is due within 30 days, which is July 22, 2020.

For your records, please also find attached a copy of ERIC s most recent W-9.

As a reminder, here is what the ERIC Bylaws say regarding dues:

Article II, Section 5. Dues. Each member shall pay annual membership dues. The Board of Directors shall determine, from time to time, the amount, method of calculation, and deadline for payment of such dues (the "Dues Schedule^(OBJ)"). The Dues Schedule may be amended, modified, or substituted by a majority vote of the entire membership. No dues will be refunded after payment. Any member of the Corporation who is delinquent in the payment of dues shall be notified of the delinquency and suspended from certain privileges of membership as provided for in the membership agreement. If dues are ninety (90) days delinquent, the delinquent member shall forfeit all rights and privileges of membership and be automatically removed from membership. Each year, the Board of Directors shall set the Dues Schedule and notify all members of their dues no fewer than ninety (90) days prior to payment being due.

For cash flow purposes payment is appreciated by the 30-day deadline. If a member is unable to pay within the 30-day deadline there is a 90-day grace period mentioned in the above section of the bylaws before a state automatically loses membership in ERIC due to non-payment. For your information, that date would be Monday, September 21, 2020.

Please let me know if you have any questions.

Sincerely,

Shane Hamlin

Members,

I'm reaching out because as of July 31, ERIC has not yet received payment on your 2020-21 dues. However, ERIC's address changed the week of July 20 and it's possible that your state issued a paper check and the check is caught in limbo due to the address change.

I didn't have control over the timing of the address change. The company we used for a physical address was moving effective July 21. It announced the move two a few days before invoices went out. I had hoped that any member paying by check would do so quickly before the move took effect.

Here's what I need from you, please:

1. If your state pays by EFT or ACH, please let me know right away. Also, please look into why the payment has not been issued.
2. If your state issues a paper check, please let me know and connect me with the right person in your office to help me navigate next steps (I suspect next steps will depend on your state's financial controls/rules.)

Earlier today, I sent an email with ERIC's new address and asked you to forward it to the appropriate people in your accounting/finance office. Please be sure to do this. If it's easier to forward this message, here's the new address:

ERIC, Inc.

Subject: ERIC 2020-21 Dues Invoice & New ERIC Address

Importance: High

Members,

I'm reaching out because as of July 31, ERIC has not yet received payment on your 2020-21 dues. However, ERIC's address changed the week of July 20 and it's possible that your state issued a paper check and the check is caught in limbo due to the address change.

I didn't have control over the timing of the address change. The company we used for a physical address was moving effective July 21. It announced the move two a few days before invoices went out. I had hoped that any member paying by check would do so quickly before the move took effect.

Here's what I need from you, please:

1. If your state pays by EFT or ACH, please let me know right away. Also, please look into why the payment has not been issued.
2. If your state issues a paper check, please let me know and connect me with the right person in your office to help me navigate next steps (I suspect next steps will depend on your state's financial controls/rules.)

Earlier today, I sent an email with ERIC's new address and asked you to forward it to the appropriate people in your accounting/finance office. Please be sure to do this. If it's easier to forward this message, here's the new address:

Hello Brian and Chris.

First of all, to Brian, welcome to the ERIC Team!

ERIC needs to verify certain information about the ERIC Hashing Application on a regular basis, as per the Hashing Application Terms and Conditions. This is normally done annually. You are relatively new to ERIC so this is likely your first time. It's pretty simple.

First, ERIC needs to verify that the ERIC Hashing Custodian is current and up to date in our records.

Second, we need to know what all staff within your state has access to the ERIC Hashing Application.

We are placing an Excel spreadsheet on the ERICsFTP server in your Downloads folder that we will use to perform this verification. Please review the ERIC Hashing Custodian listed on the spreadsheet. If this has changed, please say YES in the cell below the name, and we will send you a new Hashing Application agreement for the new custodian to sign. If the custodian has not changed, just put NO in that box. Then please list all of the staff that have access to the ERIC Hashing Application in your state. Please provide the name, title, and email address.

Once you have made those changes, please save and re-upload the spreadsheet to the ERICsFTP site in your Uploads folder. [Please do not email it back to us -- we are performing this review via sFTP rather than email due to the sensitivity of the information being exchanged.](#)

Please return this to us by Friday, May 8. We understand that things are challenging right now due to the current circumstances, so if you will not be able to perform this review by then, please just let me know.

Thanks, and stay safe!!

Hi Brian and Chris. Just to help make this Hashing Application review make a little more sense, I wanted to send you guys a copy of the Hashing Agreement terms and conditions for your reference. It explains what the role of the custodian is, and what conditions ERIC has for your use of the Hashing Agreement. You don't have to return this or anything, we already have your signed version. I just thought it would give a little bit of helpful context.

In a nutshell, the custodian is responsible for keeping the hashing application secure, and for ensuring the terms and conditions are followed. The custodian does not have to be the person that uses it. The custodian doesn't even have to have access to it. It's more of a management role.

The list of names of the folks who have access to it is really based on where the application got stored once we sent it to you. For example, if it's installed on a server, then we need the list of names of whoever has access to that server. If it is stored on a shared drive, we need to know who has access to that drive. If John Hallman stored it on his own workstation, then only he would have access to it (and it might have been wiped by now!). So the key to that part of the process is to figure out where it's currently stored. Though I would also encourage you to think about where you think it **SHOULD** be stored, and who you would like to have access to it. If it should only be available to Brian and Brandon, then you want to store it in a place where you can restrict access to only them. So those are the kinds of things you want to think about.

I hope this helps!!

Good morning, Donna.

We're going to talk about the public release of the states that choose to use the voter participation reports. (Reports that identify possible cases of double voting, etc.) We have an outstanding request for that list now and we'll get more requests in the future. There are a variety of related issues we need to discuss, as well. It's an important discussion, even though GA hasn't yet had an opportunity to use these reports.

The meeting is booked for an hour, but I think it will take 30-45 minutes, at most.

Subject: ERIC Agenda - May 7, 2020

Shane,

Good morning. Is there an agenda for today's call? I am trying to book Jordan other things after the call and just need to know how long the call will take and what the agenda looks like.

Thank you and have a great day.

Good morning, Donna.

We're going to talk about the public release of the states that choose to use the voter participation reports. (Reports that identify possible cases of double voting, etc.) We have an outstanding request for that list now and we'll get more requests in the future. There are a variety of related issues we need to discuss, as well. It's an important discussion, even though GA hasn't yet had an opportunity to use these reports.

The meeting is booked for an hour, but I think it will take 30-45 minutes, at most.

ERIC Members.

I'm absolutely thrilled to report that Florida Secretary of State Laurel Lee submitted a formal request to join ERIC. I'm sending this email in accordance with Article II, Section 2 of the ERIC Bylaws, informing you of our intent to admit Florida to ERIC. You have five business days to submit any objections to me via email. That deadline is 5 pm PT, Tuesday, December 3. (Taking into account the holiday.)

If you have no objections, please respond to this email ASAP and simply say you support admitting Florida to ERIC. Looking forward to hearing from each of you.

Although Governor DeSantis announced Florida would be joining ERIC a while back, Secretary Lee has not made an official announcement yet regarding her request. Please don't get out ahead of her by discussing this news publicly. I will let you know when I have more details on her plan for going public.

Regards,

Shane
