Andrew,

BnI just found the unique code, but wanted to make you aware of the nomination process. CDFI is using their Awards Management Information System (AMIS) for submission of the workbooks. Due to GOED's emails ending with a .com and not .gov we will not be recognized as an Authorized Rep. I'm not sure if your office is already registered with an AMIS, but if not you'll need to create an account.

I've attached the nomination instructions, there are step by step instructions starting on page 18 of the instructions. Doesn't look like an overly burdensome process but better to figure out today then scrambling tomorrow.

Subject: RE: [EXTERNAL]RE: State Unique Opportunity Zone Code

Hi, Derek – I have resent the letter to Governor Sandoval to Michael Willden and Ryan McGinness, whom we have listed as the governor's chief of staff and DC representative, respectively. That letter includes the Unique Code.

On a separate note, I don't know who will be submitting on behalf of the State but since I see that your email has a .com address, I wanted to point out that part of our verification that a nomination reflects that of the governor, as indicated in the Nomination Instructions, is a requirement that the AMIS account holder have a state government email address.

Please let me know if you have any questions.

Jeff,

Hope all is well. Our office is putting together the nomination tool to submit for Nevada, but the Governor's office is having trouble locating the letter from March 5th with the State Unique Opportunity Zone Code. Is that something you can provide or how would we go about getting a new code?

Paperwork Reduction Act Burden Statement

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid Office of Management and Budget (OMB) Approval Number. This Approval Number for this form is 1559-0049. Public reporting burden for this collection of information is estimated to average 1.0 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Community Development Financial Institutions Fund, 1500 Pennsylvania Avenue, Washington, D.C. 20220.

AMERICAN OVERSIGHT

1. Introduction

On December 22, 2017, Congress amended the Internal Revenue Code (IRC) by adding Sections 1400Z–1 and 1400Z–2. These sections provide tax benefits to investors that reinvest certain specified gains into Qualified Opportunity Funds that in turn deploy these resources into population census tracts designated as Opportunity Zones.

The authority to implement IRC §§1400Z-1 and 1400Z-2 has been delegated to the Internal Revenue Service (IRS). The CDFI Fund is supporting the IRS with the Opportunity Zone nomination and designation process under IRC §1400Z-1.

This document provides the Chief Executive Officers (CEOs) of States (including the District of Columbia and U.S. possessions) with instructions for nominating low-income community (LIC) population census tracts and eligible non-LIC contiguous population census tracts in their States as Qualified Opportunity Zones (QOZs) for purposes of IRC §1400Z–1. In general, the CEO of a State must nominate census tracts to be QOZs not later than March 21, 2018 (the determination period). Furthermore, the Secretary of the Treasury has 30 days beginning on the date a nomination is received to certify the nomination and designate the nominated tracts as QOZs (the consideration period). See IRS Rev. Proc. 2018-16 Internal Revenue Bulletin 2018-9 for more information.

2. Extension Requests

A State CEO may request, and receive, an extension of the QOZ determination period for an additional 30 days to April 20, 2018. In addition, a State CEO also may request, and receive, a 30-day extension of the consideration period.

If the State wishes to extend either the determination or consideration period, or both, the State must submit a formal request signed by the State CEO on executive letterhead. This letter should be sent as an attachment by electronic mail to OpportunityZone@cdfi.treas.gov.

The letter from the State CEO should include the following language:

> [Title]
> [State CEO]
> [Address]
>
> The Honorable Steven T. Mnuchin
> Secretary
> U.S. Department of the Treasury
> 1500 Pennsylvania Avenue, NW
> Washington, DC 20220
>
> Dear Mr. Secretary:
>
> The [State/Commonwealth/District/Territory] of [State] formally requests under section 1400Z-1(b)(2) of the Internal Revenue Code that the Secretary extend for an additional 30 days the [determination and/or consideration] period to nominate a population census tract for designation as a qualified opportunity zone.

AMERICAN OVERSIGHT

3. Identity of Tracts Eligible for Designation as Qualified Opportunity Zones

Based on 2011-2015 American Community Survey (ACS) 5-Year data from the United States Census Bureau (Census Bureau), there are a total of 31,848 LIC population census tracts (LIC Tracts) and 10,312 eligible contiguous non-LIC population census tracts (Eligible Non-LIC Contiguous Tracts) that meet the statutory requirements for designation as QOZs.

In the fall of 2017, the Census Bureau released the 2012–2016 ACS 5-Year data. However, due to the March 21, 2018, deadline for State CEOs to nominate census tracts for designation as QOZs, and the complexities of incorporating the most recent data information into the eligibility process, the Opportunity Zone Nomination Tool utilizes the 2011-2015 ACS 5-Year data. In addition, the 25 percent limitation on the number of designations in a State will be determined using the 2011–2015 ACS 5-Year data.

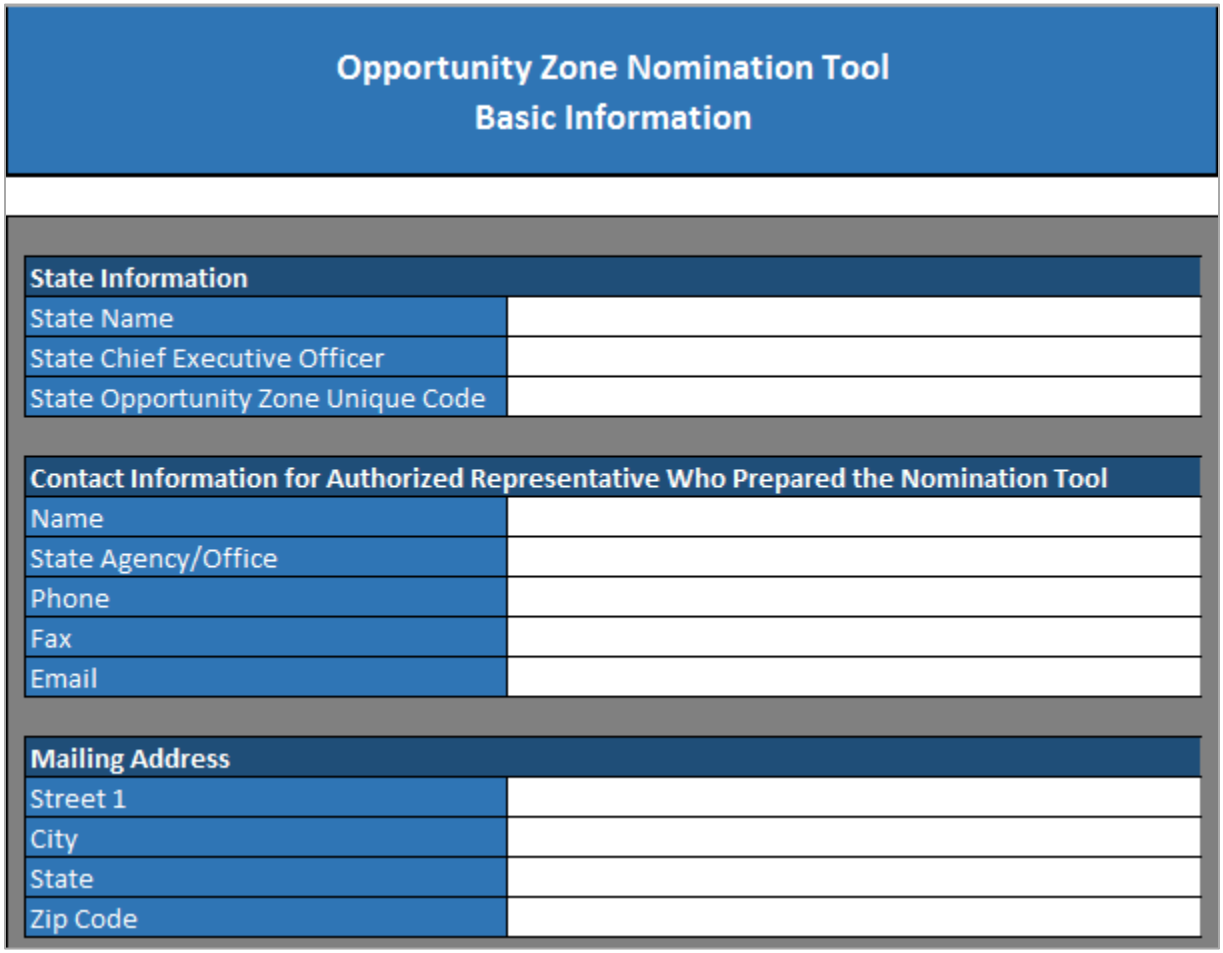
In the event that a census tract deemed eligible under the 2011-15 ACS 5-Year data is no longer eligible under the more recent 2012-16 ACS 5-Year data, States may rely upon the census tracts listed as eligible in the Opportunity Zone Nomination Tool provided to State CEOs as eligible tracts for the purposes of IRC §1400Z-1.

In addition, States may nominate census tracts eligible under the 2012-16 ACS 5-Year data that are not already identified in the Nomination Tool. See additional instructions below for nominating census tracts using 2012-2016 ACS 5-Year data.

4. Nominating Qualified Opportunity Zones

To nominate QOZs, a State CEO should use the Opportunity Zone Nomination Tool (the Nomination Tool), which can be found on the CDFI Fund website at https://www.cdfifund.gov/Pages/ozonestateresource.aspx. The Nomination Tool includes separate lists of all LIC Tracts and Eligible Non-LIC Contiguous Tracts, including Eligible Non-LIC Contiguous Tracts whose eligibility is based on contiguity with a LIC Tract located in a different State.

In addition to the Nomination Tool, the State will need to submit a letter from the State CEO, on executive letterhead, confirming that the census tracts identified in the Nomination Tool represent the official nomination of the State CEO. See additional instructions below.



4.1 Nomination Tool

4.1.1 Information on the State and Authorized Representative

In the worksheet labeled "Information," enter the information requested for the State and the Authorized Representative who prepared the Nomination Tool. In addition to the name of the State and the State CEO, **the Authorized Representative must enter the "State Unique Opportunity Zone Code."** This code can be found in the March 5, 2018, letter from CDFI Fund Director Annie Donovan to the State CEO transmitting information on the Nomination Tool and is intended to ensure that the information submitted is authorized by the State CEO.

4.1.2 State Level Summary

The worksheet in the Nomination Tool labeled "SUMMARY" shows the total number of LIC Tracts in each State, the maximum number of census tracts that can be nominated as QOZs, and the maximum number of Eligible Non-LIC Contiguous Tracts that can be included in that nomination. For example in the figure below, Alabama has a total of 629 LIC Tracts. The maximum number of total tracts that can be nominated as QOZs in Alabama is 158 (25 percent of the 629 LICs, rounded up to the next whole number) and the maximum number of Eligible Non-LIC Contiguous Tracts that can be included in the total nominated is 8 (5 percent of 158, rounded up to the next whole number).

(Number of tracts designated may not exceed 25% of number of LICs in the State)	DOES OPPORTUNITY ZONE PASS 5% TEST? (Not more than 5% of tracts designated may be Non-LIC Contiguous tracts
3	Alabama	629	158	8	0	0	0	0	0		
4	Alaska	55	25	2	0	0	0	0	0		
5	American Samoa	16	25	See Note	0	0	0	0	0		
6	Arizona	671	168	9	0	0	0	0	0		
7	Arkansas	340	85	5	0	0	0	0	0		
8	California	3516	879	44	0	0	0	0	0		
9	Colorado	501	126	7	0	0	0	0	0		
10	Connecticut	286	72	4	0	0	0	0	0		
11	Delaware	80	25	2	0	0	0	0	0		
12	District of Columbia	97	25	2	0	0	0	0	0		

This worksheet will also auto-populate based on the number and type of census tracts a State selects for nomination and can be used to test whether the nomination falls within the statutory limits on the number of nominations. (See additional instruction below.)

4.1.3 Nominating LIC Tracts

To nominate an LIC Tract, States should use the worksheet in the Nomination Tool labeled "1) LICs." This worksheet includes a list of all LIC Tracts and can be filtered by State. To nominate a specific LIC Tract, find the census tract and type or select the word "Yes" next to that census tract in Column C (labeled "Enter "YES" Below to Nominate LIC).

The example below shows that an Authorized Representative has selected the State "District of Columbia" (using the Filter in the red square below and typing the name of the State in the text box) and has nominated census tracts 11001000201 and 11001000202 by typing the word "YES" in the adjacent column.

Figure 3: 1) LICs

A	B	C
Click arrow to filter state		
State	Low Income Communities (LICs)	Enter "YES" Below to Nominate LIC
District of Columbia	11001000201	YES
District of Columbia	11001000202	YES

4.1.4 Nominating Eligible Non-LIC Contiguous Tracts

To nominate an Eligible Non-LIC Contiguous Tract, States should use the worksheet in the Nomination Tool, labeled "2) Contiguous." This worksheet includes a list that can be filtered by State, of all Eligible Non-LIC Contiguous Tracts. Next to the list of Eligible Non-LIC Contiguous Tracts is a list of all LIC Tracts whose status as a QOZ would make the contiguous tract eligible for nomination and designation. In cases where an Eligible Non-LIC Contiguous Tract is adjacent to more than one LIC Tract, at least one of the listed LIC Tracts must be nominated to make the non-LIC Tract eligible for nomination. Column D notes whether the Eligible Non-LIC Contiguous Tract may include eligibility based on contiguity with an LIC Tract in a different State.

AMERICAN OVERSIGHT

To nominate a specific Eligible Non-LIC Contiguous Tract within the same State, find the census tract and type or select the word “Yes” in Column E (labeled “Enter "YES" Below to Nominate Eligible Non-LIC Contiguous Tract). In addition, in Column F, enter the tract number of the corresponding contiguous LIC Tract that the State is nominating. The contiguous LIC Tract also must be nominated in the “1) LICs” worksheet, following the steps for nominating LIC Tracts described above.

The example below shows that a user has selected the State “District of Columbia” (using the filter feature and typing the name of the State in the text box) and has nominated census tracts 11001000100 and 11001000202 by typing the word “YES” in Column E. In addition, for the nomination of census tract 11001002102, the user identified census tract 11001009508 in Column F as the contiguous LIC Tract that is also being nominated and has been selected in the “1) LICs” worksheet.

Figure 4: 2) Contiguous

A	B	C	D	E	F
Click arrow to filter state State	Eligible Non-LIC Contiguous Tracts	Contiguous LICs (NOTE: An Eligible Non-LIC Contiguous Tract may be nominated only if one or more of its corresponding Contiguous LICs is also nominated)	Additional Cross-State LIC Tract?	Enter "YES" Below to Nominate Eligible Non-LIC Contiguous Tract	Enter the Tract Number of Corresponding Contiguous LIC Nominated
District of Columbia	11001000100	11001000202,11001005600	NO	YES	11001000202
District of Columbia	11001002102	11001009508,11001001901,11001002201	NO	YES	11001009508

States may also nominate Eligible Non-LIC Contiguous Tracts whose eligibility is based on a LIC Tract in another State by using the worksheet in the Nomination Tool, labeled “3) Cross-State.” This worksheet includes a list that can be filtered by State of all such tracts, next to a list of the LIC Tracts, and the State in which each tract is located, whose status as a QOZ would make the contiguous tract eligible for nomination and designation. Column E notes whether the Eligible Non-LIC Contiguous Tract may also be eligible based on contiguity with an LIC Tract in the same State.

IMPORTANT: Please note that an Eligible Non-LIC Contiguous Tract that qualifies based on contiguity with another State may be nominated only if the corresponding contiguous LIC Tract is nominated by the State in which the contiguous LIC Tract is located. Cross-state nominations will require coordination and confirmation that the contiguous State has nominated the contiguous LIC Tract.

To nominate a specific Eligible Non-LIC Contiguous Tract, find the census tract and type or select the word “Yes” in Column F (labeled “Enter "YES" Below to Nominate Eligible Cross-State Non-LIC Contiguous Tract). In addition, in Column G, enter the tract number of the corresponding contiguous cross-state LIC Tract that has been or will be nominated by the contiguous State.

The example below shows that a user selected the State “Alabama” (using the filter feature and typing the name of the State in the text box) and nominated census tract 01069041800 in Alabama by typing the word “YES” in Column F and 12063210100 in Column G. For this tract

AMERICAN OVERSIGHT

to be eligible for nomination, the State should confirm that Florida has also nominated the LIC Tract 12063210100.

Figure 5: 3) Cross-State

A	B	C	D	E	F	G
Click arrow to filter state		NOTE: An Eligible Non-LIC Contiguous Tract may be nominated only if one or more of its corresponding Contiguous LICs is also nominated. Cross-state nominations require confirmation that the contiguous state has nominated the Contiguous LIC.				
Eligible Non-LIC Contiguous Tract State	Eligible Non-LIC Contiguous Tract	Contiguous Cross-State LICs	LIC State	Contiguous In-State LIC Available?	Enter "YES" Below to Nominate Eligible Cross-State Non-LIC Contiguous Tract	Enter the Tract Number of Corresponding Contiguous Cross-State LIC Nominated
Alabama	01069041800	12063210100, 13099090500	Florida, Georgia	NO	YES	12063210100

4.1.5 Nominating LIC Tracts Based on 2012-2016 ACS Data

As noted above, the census tracts listed in the Nomination Tool are based on 2011-2015 ACS 5-Year data and are eligible tracts for the purposes of IRC §1400Z-1, meaning that if a State nominates one of the tracts identified in the Nomination Tool as being either an eligible LIC Tract or an Eligible Non-LIC Contiguous Tract, a State's nomination of that tract will not fail to be certified on the grounds that the tract is no longer eligible under the 2012-16 ACS 5-Year data.

If a State wishes to nominate an LIC Tract that is not identified in the Nomination Tool but that is eligible under the 2012-2016 ACS 5-Year data, the State may do so using the worksheet labeled "4) 2012-2016 ACS."

Please note that 2012-2016 ACS 5-Year data may be used to nominate only LIC Tracts that meet the definition of an LIC Tract based on poverty and/or the median family income of that tract. Nominations of Eligible Non-LIC Contiguous Tracts must be based on the 2011-2015 ACS 5-Year data as presented in the Nomination Tool.

To nominate a specific LIC Tract based on the 2012-2016 ACS 5-Year data, select the State and census tract in Columns A and B, and type or select the word "Yes" next to that census tract in Column C (labeled "Enter "YES" Below to Nominate LIC). In addition, to support the State's claim that the selected census tract meets the definition of an LIC, enter the following additional information on that tract (see Census Factfinder for ACS 2012-2016 data sources[1]):

- 2012-2016 Tract Poverty Rate (Column E)[2]
- 2012-2016 Tract Median Family Income (Column F)[3]
- 2012-2016 State Median Family Income (Column G)[4]
- 2012-2016 Core Based Statistical Area (CBSA) Median Family Income (Column H)[5]

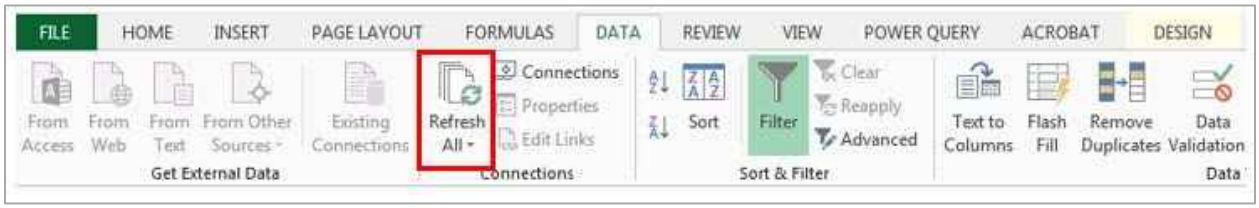
[5] U.S. Census Bureau ACS variable B19113 for Core Based Statistical Areas.

AMERICAN OVERSIGHT

- Metro/Non-Metro (Column I) [6]



4.1.6 Tract Number Changes

The worksheet labeled "Tract Number Changes" includes a list of selected census tracts whose numbering was changed by the US Census Bureau between the 2010 census tract definitions and the 2015 census tract definitions. States may use either set of numbers. These changes do not include tracts with post-2010 geographic boundary changes.

4.1.7 Testing Nominations in the Summary Worksheet

After the State selects its nominations by completing the worksheets in the Nomination Tool, the nomination can be tested by returning to the Summary worksheet and clicking the "Refresh All" button in the "Data" tab in the menu ribbon. The Summary table will then indicate the number of LIC Tracts and Eligible Non-LIC Contiguous Tracts nominated and whether the nomination falls within the statutory limits.

Figure 6: Data Menu Ribbon, "Refresh All"

If the total number of tracts nominated (as determined by adding the numbers in Columns E through H, and as indicated in Column I) do not exceed the statutory limit indicated in Column B, then Column J will show that the nomination passes the 25 percent test. Similarly, if the total number of Eligible Non-LIC Contiguous Tracts nominated (as determined by adding the numbers in Columns G and H) do not exceed the statutory limit indicated in Column D (or 5 percent of the total tracts nominated if the State does not maximize its nomination), Column K will indicate that the nomination passes the 5 percent test. In contrast, if in either case the number of tracts nominated exceed the statutory limits, the worksheet will indicate that the nomination fails one or both tests.

The example below shows that the District of Columbia nominated 16 LIC Tracts and two Eligible Non-LIC Contiguous Tracts. The worksheet indicates that this passes the 25 percent test because the 18 tracts nominated is less than the maximum of 25 tracts allowable for the State. In this case, the State still can nominate seven additional tracts. However, the worksheet also indicates that the nomination fails the 5 percent Contiguous Tracts test. The two Eligible Non-LIC Contiguous Tracts nominated exceeds the statutory limit of Eligible Non-LIC Contiguous Tracts, which can make up no more than 5 percent (rounded up to the next whole number) of the total nomination (or no more than two Eligible Non-LIC Contiguous Tract for the District of Columbia if the total nomination consists of at least 21 tracts).

[6] See OMB BULLETIN NO. 17-01: Revised Delineations of Metropolitan Statistical Areas, Micropolitan Statistical Areas, and Combined Statistical Areas, and Guidance on Uses of the Delineations of These Areas. https://www.whitehouse.gov/omb/bulletins/

AMERICAN OVERSIGHT

Figure 7: Refreshed Summary Tab

A	B	C	D	E	F	G	H	I	J	K
Please note that the worksheet tests provided below are solely for the convenience of the State and to provide assistance with the nomination process, and are not determinative. The Internal Revenue Service will make the final determination and designation of each State's Opportunity Zones after reviewing the State's nomination.										
FORMULAS DATA Refresh All Connections Properties Edit Links CLICK "DATA" MENU "REFRESH ALL"	A) Total Number of LIC	B) Maximum Number of Tracts That Can Be Nominated (the greater of 25% of All LICs or 25 if State has fewer than 100	C) Maximum Number of Eligible Non-LIC Contiguous Tracts That Can Be Among the Nominated Tracts (5% of Column C) if the State Maximizes the Number of its	Number of LIC Tracts Nominated	Number of LIC Tracts Nominated	Number of In-State Eligible Non-LIC Contiguous	3) Number of Cross-State Eligible Non-LIC Contiguous Tracts	Total Tracts	DOES OPPORTUNITY ZONE PASS 25% TEST? District of Columbia	97	25	2	16	0	2	0	18	PASS	FAIL

In this case, the State could return to the Contiguous worksheet of the Nomination Tool and deselect one of the nominated tracts, and nominate an additional LIC Tract in its place, or nominate at least two additional LIC Tracts. After doing so, returning to the Summary worksheet and refreshing the results the worksheet would indicate that the new nomination passes the test.

Please note that the worksheet test is provided solely for the convenience of the State and to provide assistance with the nomination process and is not determinative. The Internal Revenue Service will make the final determination and designation of each State's Opportunity Zones.

4.2 Letter from the State CEO

Once the Nomination Tool is complete, the State CEO must confirm that the census tracts identified in the Nomination Tool represent the official nomination of the State CEO. This may be done in the form of a letter, on executive letterhead, signed by the State CEO. The letter from the State CEO should include the following language:

[Title]
[State CEO]
[Address]

The Honorable Steven T. Mnuchin
Secretary
U.S. Department of the Treasury
1500 Pennsylvania Avenue, NW
Washington, DC 20220

Dear Mr. Secretary:

AMERICAN OVERSIGHT

Section 1400Z-1(b)(1) of the Internal Revenue Code provides that a State's chief executive officer may nominate a limited number of low-income community population census tracts and population census tracts that are contiguous to low-income communities for designation as qualified opportunity zones not later than the end of the determination period. The determination period ends March 21, 2018, unless there has been a request for an extension until April 20, 2018, by the chief executive officer of a State under section 1400Z-1(b)(2) of the Code. This letter serves as notification to the Secretary that the [State/Commonwealth/District/Territory] of [State] formally nominates the tracts identified in the accompanying Opportunity Zone Nomination Tool for designation as qualified opportunity zones based on Revenue Procedure 2018-16 published in the Internal Revenue Bulletin 2018-9 on February 26, 2018.

5. Visualizing Individual Census Tracts

As an added convenience and tool for selecting their nominations, States may use the CDFI Fund's Community Investment Mapping System (CIMS) to visualize LIC Tracts and Eligible Non-LIC Contiguous Tracts on a map. To use CIMS, click the link above or go to https://www.cims.cdfifund.gov/preparation/?config=config_nmtc.xml.

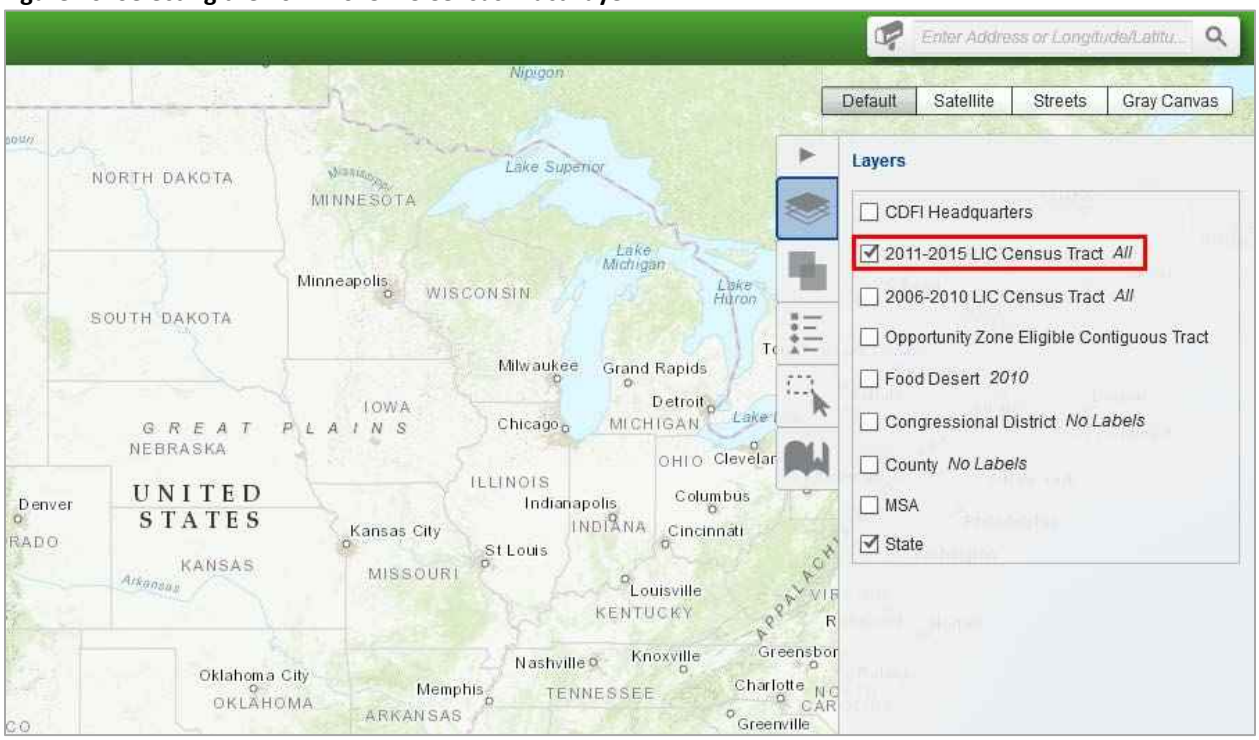

Figure 9: CIMS

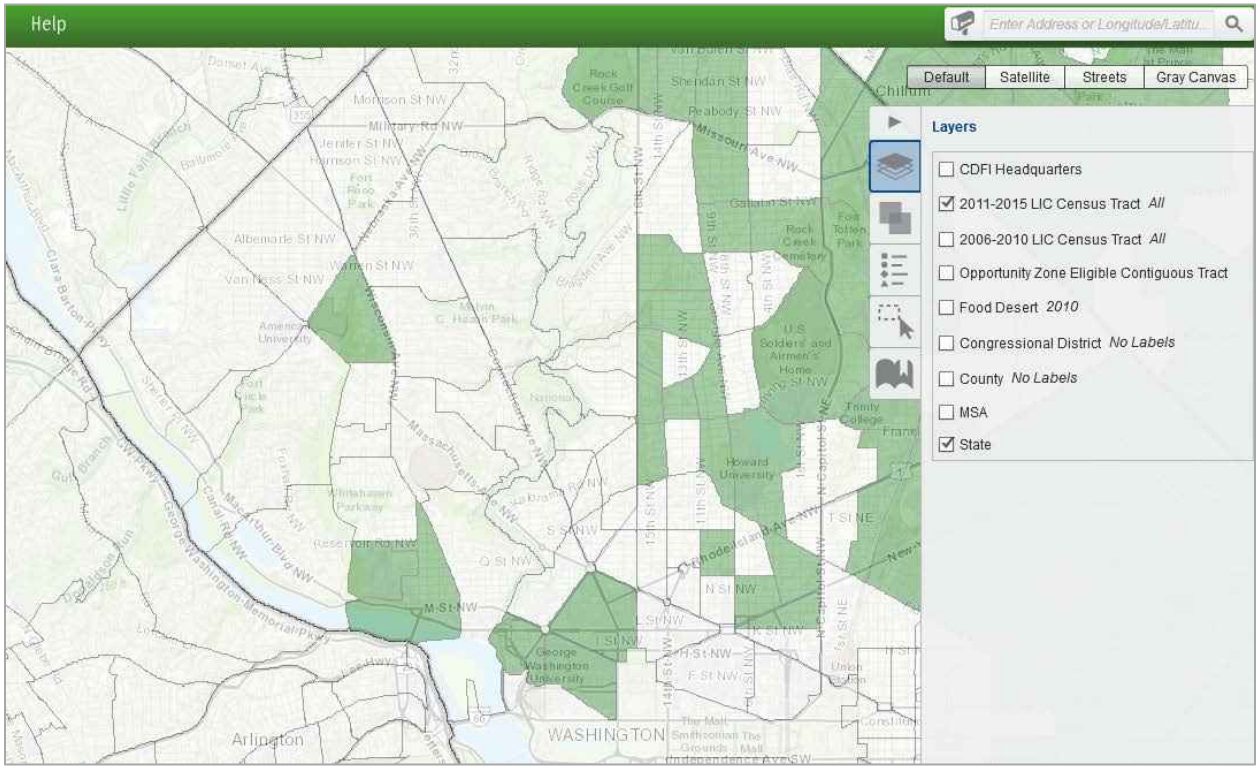
To view LIC Tracts, click on the "Layers" tab on the menu on the right hand side of the screen and select "2011-2015 LIC Census Tract."

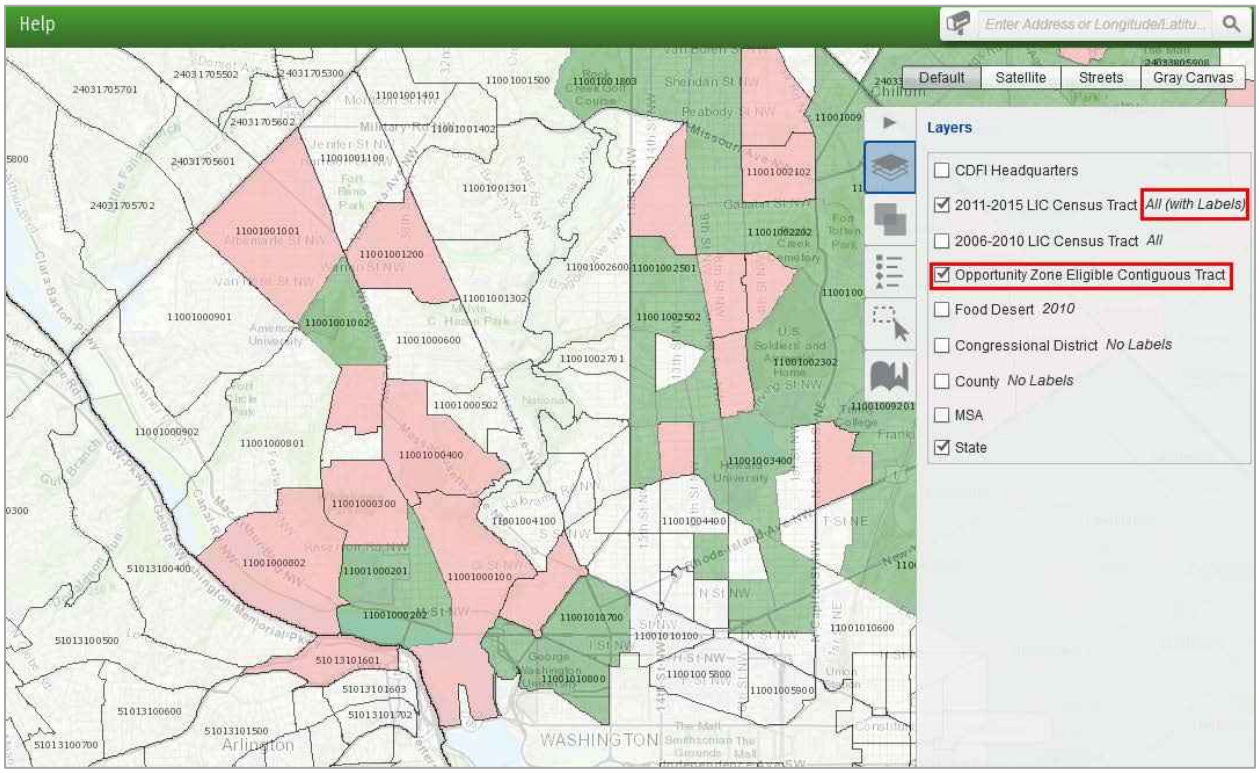


AMERICAN OVERSIGHT

Figure 10: Selecting the 2011-2015 LIC Census Tract Layer

After zooming in to a specific area on the map, LIC Tracts will appear in green.

Figure 11: 2011-2015 LIC Census Tract View



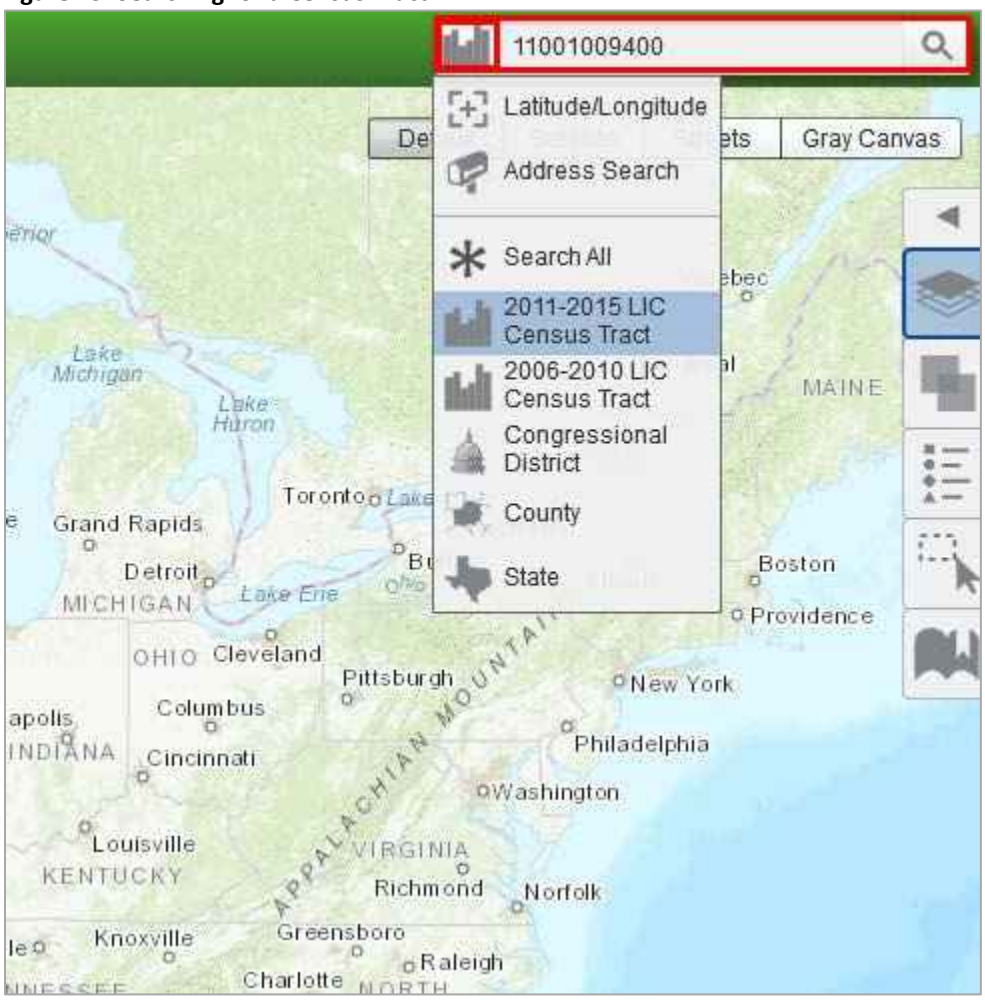
AMERICAN OVERSIGHT

Layers are the mechanism used to display geographic datasets in the CIMS mapping application. The Layers tab allows users to show the list of available map layers and toggle the visibility (on or off) of any of the available layers. Users should be aware that in CIMS numerous layers of geography (county, tract, and individual addresses, for instance) can be displayed on the screen at the same time.

To view Eligible Non-LIC Contiguous Tracts, click on the "Layers" tab and select "Opportunity Zone Eligible Contiguous Tract." Eligible Non-LIC Contiguous Tracts will appear in red.

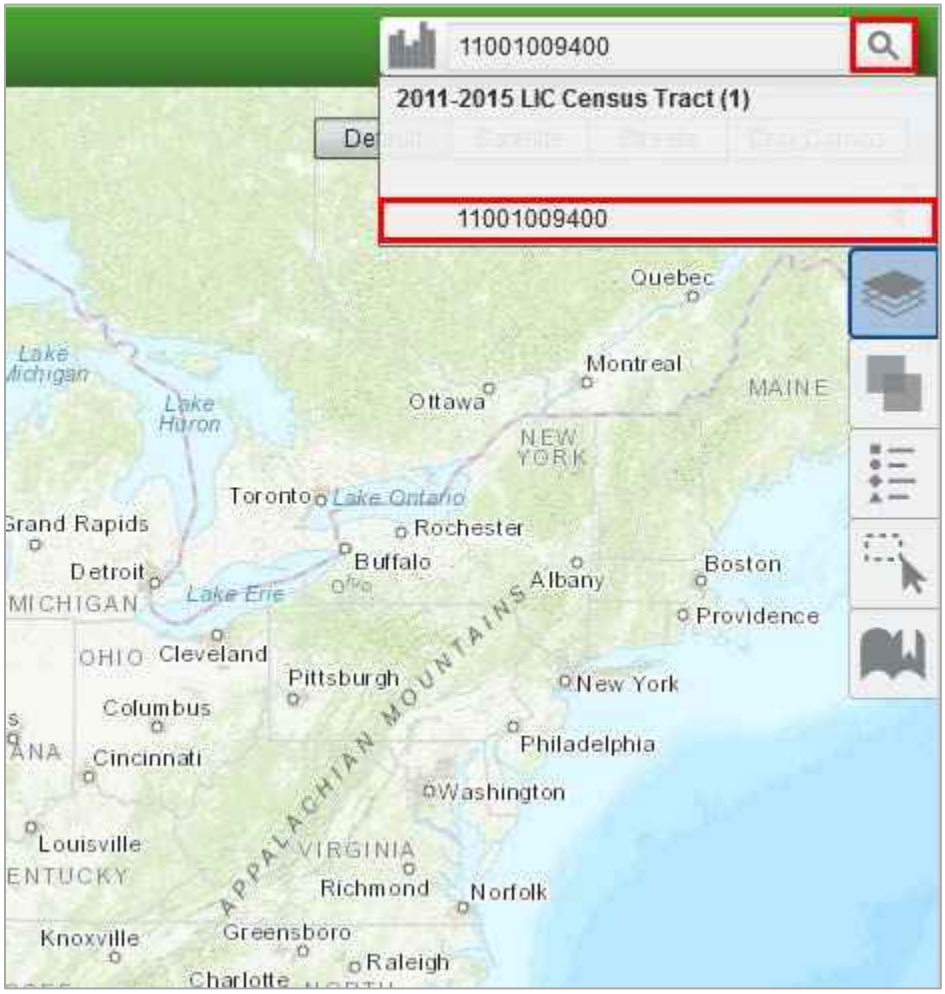
To view census tract numbers select "All (with labels)" next to the "2011-2015 LIC Census Tract" option within the Layers tab. The 11-digit census tract numbers will appear labeled in the CIMS map as shown in the figure below.

Figure 12: Opportunity Zone Eligible Contiguous Tracts with Labels



5.1 Selecting a Census Tract

To select and zoom in to a specific census tract, click on the mailbox on the left side of the search bar and select "2011-2015 LIC Census Tract." Enter one of the 11-digit census tract numbers for a LIC Tract or Eligible Non-LIC Contiguous Tract, found in the Nomination Tool. In the example below, census tract 11001009400 in the District of Columbia was entered in the search bar and 2011-2015 LIC Census Tract was selected. After clicking on the magnifying glass, one tract was found.

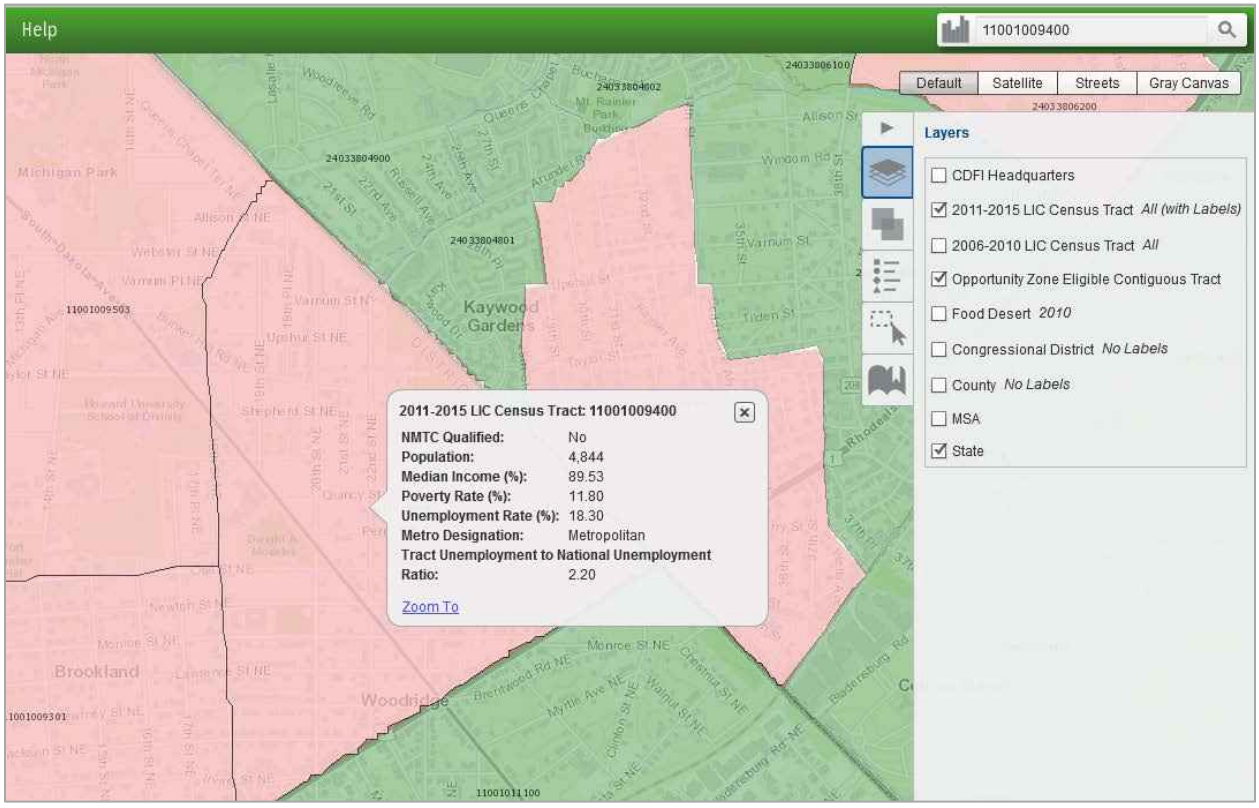


AMERICAN OVERSIGHT

Figure 13: Searching for a Census Tract

AMERICAN OVERSIGHT

Figure 14: Selecting a Census Tract



5.2 Map of a Census Tract

By clicking on the tract number under "2011-2015 LIC Census Tract (1)", the map will zoom in on the results of the 11-digit census tract ID entered in the search bar as shown in the figure below.

AMERICAN OVERSIGHT

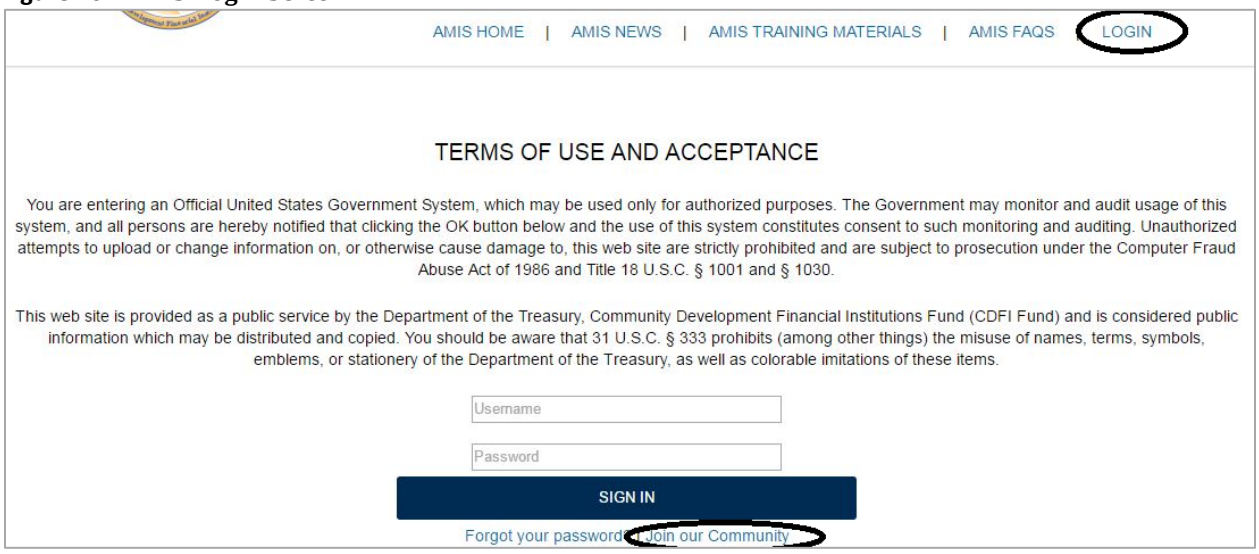
Figure 15: Map of Census Tract

AMERICAN OVERSIGHT

6. Submitting a Nomination

The CDFI Fund is using its Awards Management Information System (AMIS) for States to submit their QOZ nominations. States will use the AMIS Service Request feature to submit all required documentation, including the Opportunity Zone Nomination Tool.

In order to use the AMIS Service Request feature, a State must register an organization in AMIS. The organization may be the office of the State CEO or the office or agency of the Authorized Representative completing the Nomination Tool. Additionally, Authorized Representatives submitting the QOZ nominations must be registered as organization "Contacts" in AMIS. This document provides step-by-step instructions, along with screen shots, to explain and guide the registration and submission processes.



If you encounter any problems with the registration or submission processes, please contact the CDFI Fund AMIS Help Desk at AMIS@cdfi.treas.gov or 202-653-0422.

6.1 The AMIS Registration Process

6.1.1 Registering a New Organization and the First Contact

To register a new organization in AMIS, the registering user accesses the AMIS Landing Page and selects the login tab in the top right corner. This will display the AMIS "Terms of Use and Acceptance" and the text boxes for logging into AMIS.

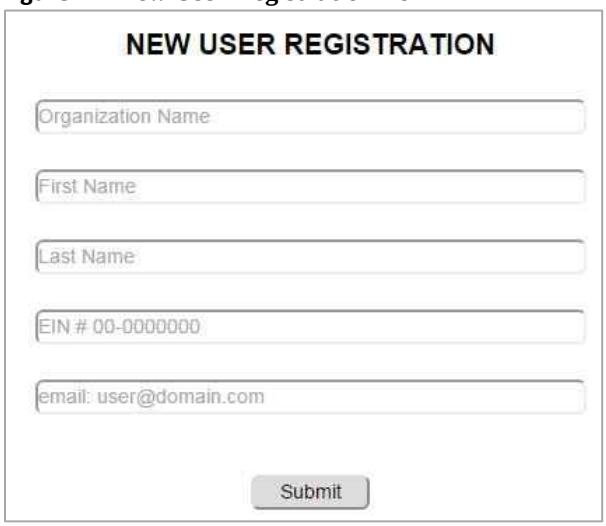


Figure 16: AMIS Login Screen

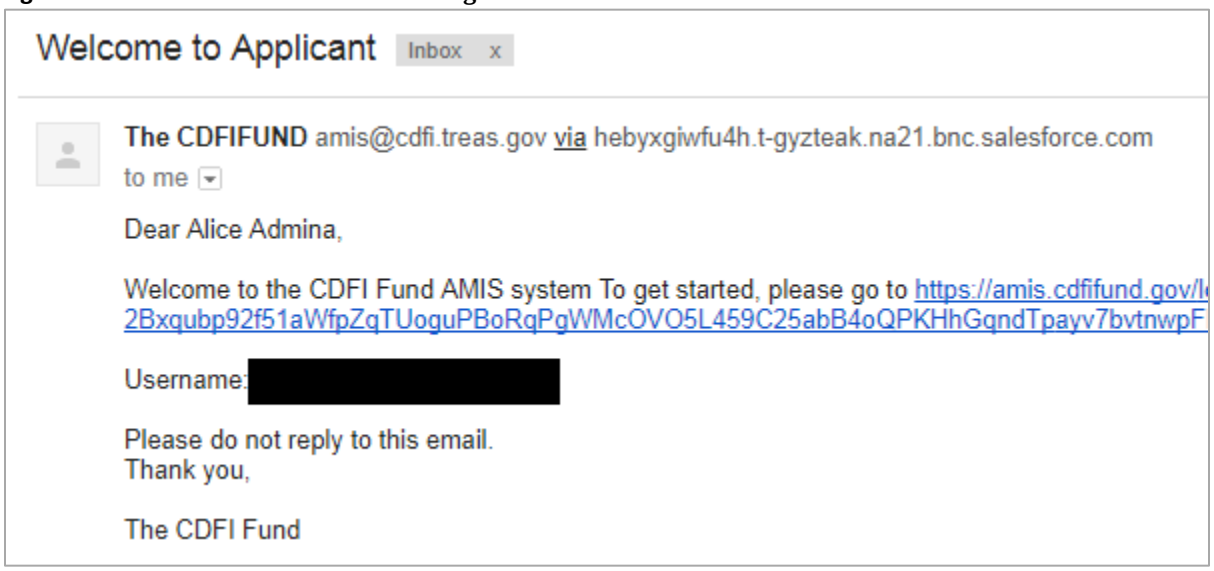
Underneath the "Sign In" button, the registering user selects the "Join our Community" link to begin the registration process. AMIS displays the New User Registration form.



AMERICAN OVERSIGHT

Figure 17: New User Registration Form

The registering user completes and submits the registration form, including Organization Name, First and Last Name of the Contact, the Organization's EIN, and **a State government email address** for the Authorized Representative. **(Note: Accounts created with a non-State government email address will not be recognized as that of an Authorized Representative for the purposes of submitting a QOZ nomination on behalf of a State CEO.)** Upon submission, AMIS displays a "Thank you for registering" message and sends the following "create password email message" to the email address provided on the registration form. Note that the email address must be unique within AMIS. The AMIS Username for the registering user is the user's email address with four digits appended to it. The Username is included in the email message.

Figure 18: Create Password Email Message

AMERICAN OVERSIGHT

Selecting the link in the email displays the AMIS "Change Your Password" page, where the registering user creates the password for the AMIS account. The password must be at least 8 characters, and contain letters, numbers, and at least one special character from the following:

! # $ % - _ = + < >

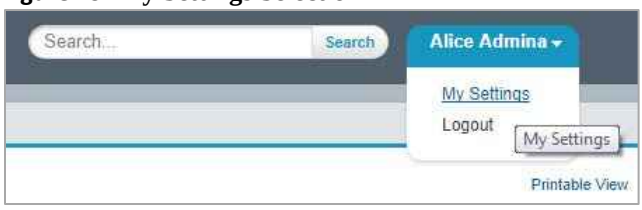
After entering the new password, the registering user is logged into AMIS. Note that there are three Contact types in AMIS: Admin User (full control); User (same as Admin User, but cannot create or change the permissions of other Contacts); and Viewer (read-only). The registering user is made an Admin User Contact for the newly created organization.

6.1.2 Changing the Organization's Time Zone

AMIS creates all users in the Eastern Standard Time Zone (i.e., GMT-05:00). The CDFI Fund recommends that States not on Eastern Standard Time correct their time zone. To change the organization's time zone, perform the following steps:

1. Select the My Settings option from the drop-down list that appears under your name in the top right corner of the screen.

Figure 19: My Settings Selection



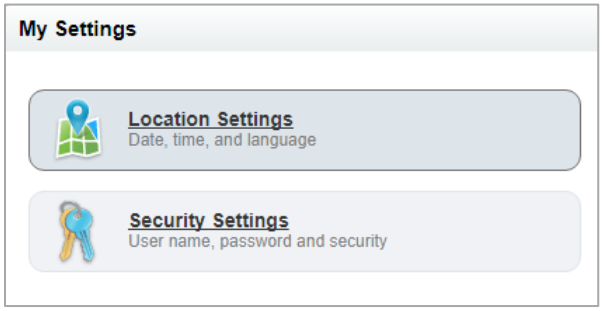


Figure 20.

2. This displays the AMIS Settings options. Select Location Settings.

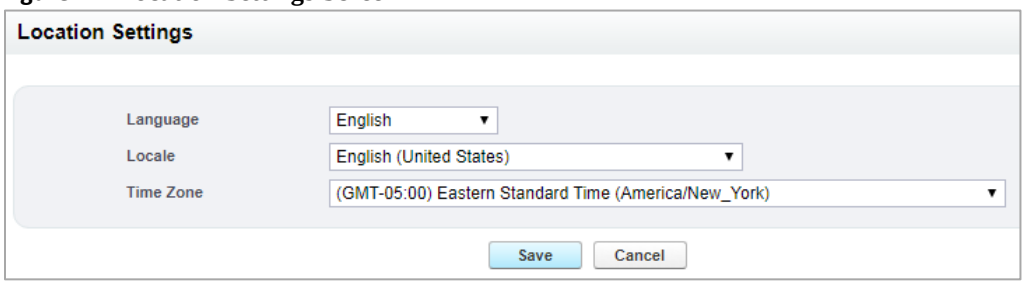

Figure 20: My Settings Screen

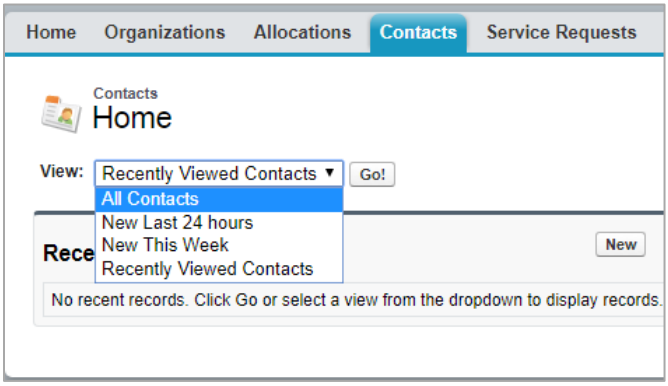
3. This displays the Location Settings option. Select the relevant time zone from the drop-down and click Save.

AMERICAN OVERSIGHT

Figure 21: Location Settings Screen

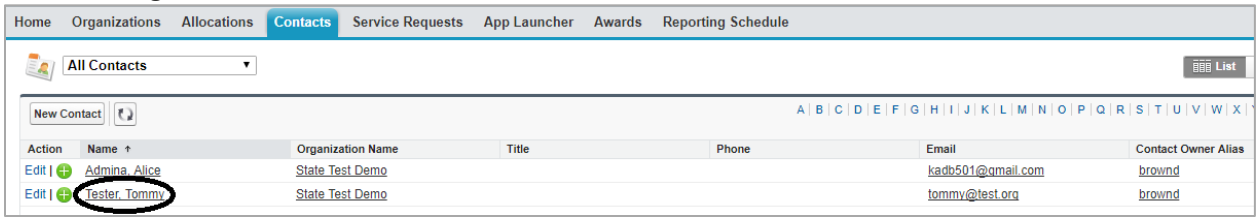
6.1.3 Registering Additional Contacts



Additional Contacts for an organization can be created in one of two ways. The preferred way is for the new user to go to the AMIS Login Page and click the "Join our Community" link. This will display the New User Registration page (see Figure 17: New User Registration Form).

The new user completes and submits the registration form. Upon submission, AMIS creates a Contact record (profile of Viewer) for that user for the organization requested. The new Contact has read-only permissions until an Admin User elevates the Profile to User or Admin User.

To elevate the Profile, the Admin User performs the following steps:



1. Go to the Contacts tab, select All Contacts from the drop-down, and click the Go! Button.

Figure 22: All Contacts View

2. Click on the name of the Contact.

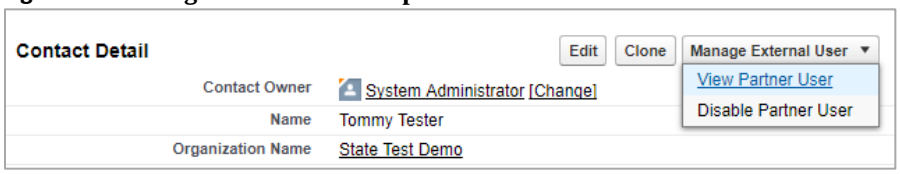


Figure 21: Organization List of Contacts

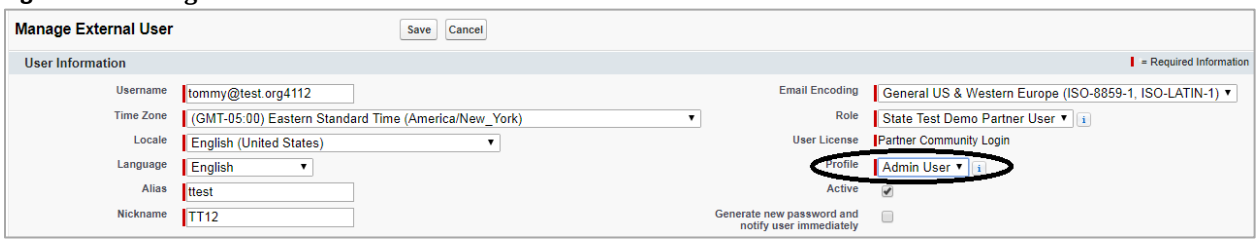
3. This displays the Contact Detail Page. Select View Partner User from the Manage External User drop-down.

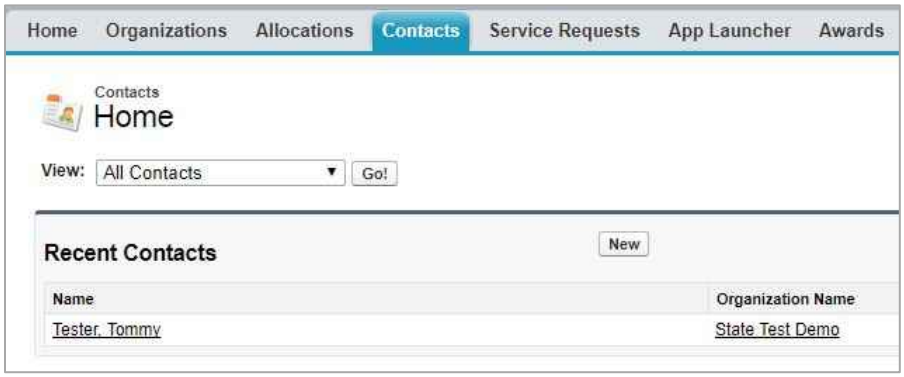


AMERICAN OVERSIGHT

Figure 22: Manage External User Options – View Partner User

4. This displays the User Detail page. Click Edit, change the Profile setting, and click Save. For purposes of submitting designated Opportunity Zones, the CDFI Fund recommends that all Contacts be made Admin Users.

Figure 23: Manage External User Edit Screen



The new user will now have the appropriate type of access based on the Profile selected.

6.1.4 Creating a New Contact Manually

The second way to create a new Contact is for an Admin User to create the Contact manually. To create a new Contact, the Admin User performs the following steps:

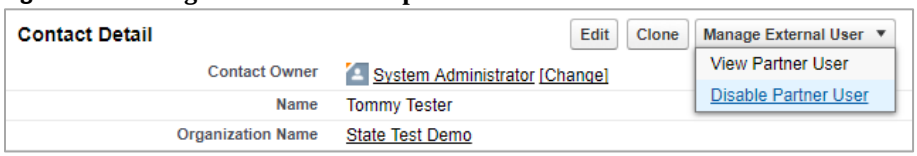
1. Go to Contacts tab and click on the New button.

Figure 26: New Contact Button

2. This displays the Contact Edit page. Complete the information for the new Contact and click Save. In AMIS, the red bar indicates a required field.

AMERICAN OVERSIGHT

Figure 24: Contact Edit Page



3. This creates the new Contact, but does not assign a Profile to the new Contact. Follow the steps in section 6.1.3 to make the new Contact an Admin User, User, or Viewer.

6.1.5 Disabling Contacts

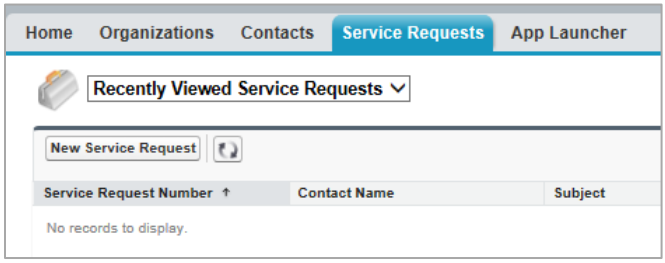
Within AMIS, Contacts cannot be deleted or removed, but they can be disabled by an Admin User. A disabled Contact cannot log into AMIS. To disable a Contact, the Admin User performs the following steps:

1. Follow steps 1 and 2 from Section 6.1.3 to select the Contact to be disabled.
2. This displays the Contact Detail Page. Select Disable Partner User from the Manage External User drop-down.

Figure 25: Manage External User Options – Disable Partner User

The Contact no longer has access to AMIS.

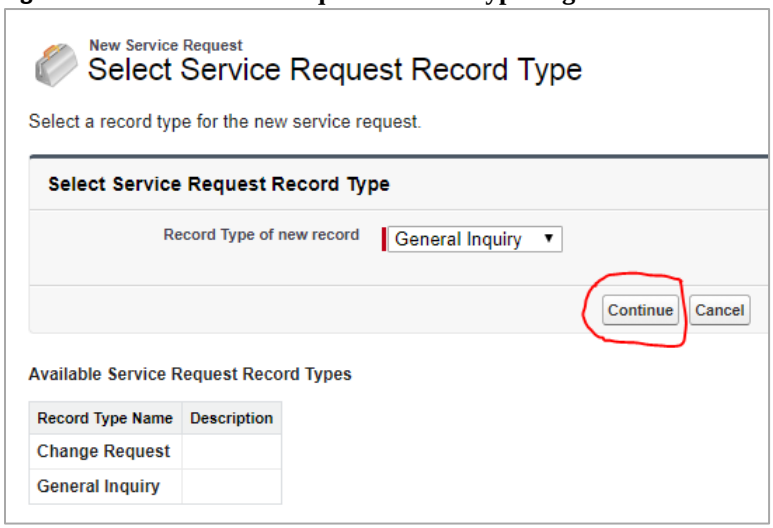
6.2 The Nomination Submission Process



Once a State has registered an organization in AMIS and the relevant Contacts have been created, a Service Request can be submitted with the State's nomination of Qualified Opportunity Zones.

Once logged into AMIS, a user performs the following steps to create and submit a Service Request.

1. Go to the Service Request tab and select the New Service Request button.



AMERICAN OVERSIGHT

Figure 29: Creating a Service Request

2. The Select Service Request Record Type page is displayed. Leave the default Record Type of "General Inquiry" and click the Continue button.

Figure 30: Select Service Request Record Type Page

3. The Service Request Detail page is displayed. AMIS initializes some fields for you. AMIS sets the Contact Name and Organization Name to your name and organization. AMIS also sets the Status to *New*, the Service Request Origin to *Web*, and the Priority to *Medium*. You need only to complete three fields, plus attach documents. The first field is Type, and it is located in the Additional Information section. For the Type field, select the value "Opportunity Zones Designation" from the drop-down list. Leave the Status, Service Request Origin, and Priority fields to their default values.

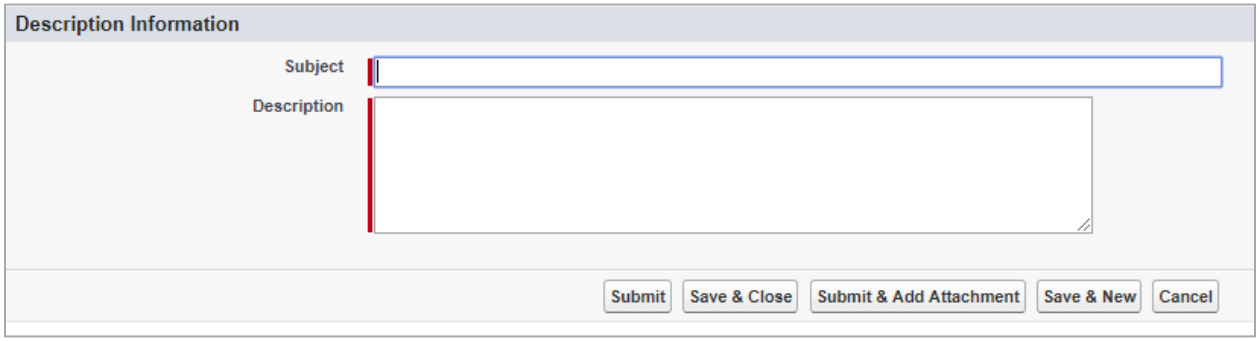


Figure 26: Service Request Additional Information

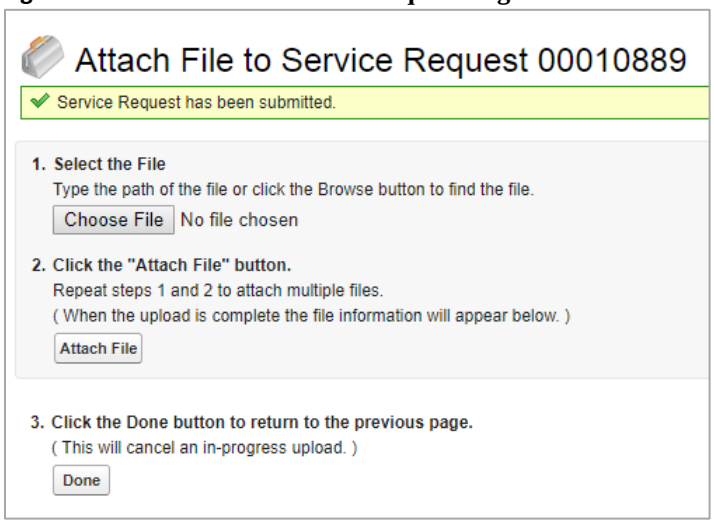
4. The last two required fields are the Subject and the Description. Enter "Qualified Opportunity Zone Nomination by <<State Name>>" for both the subject and the description.

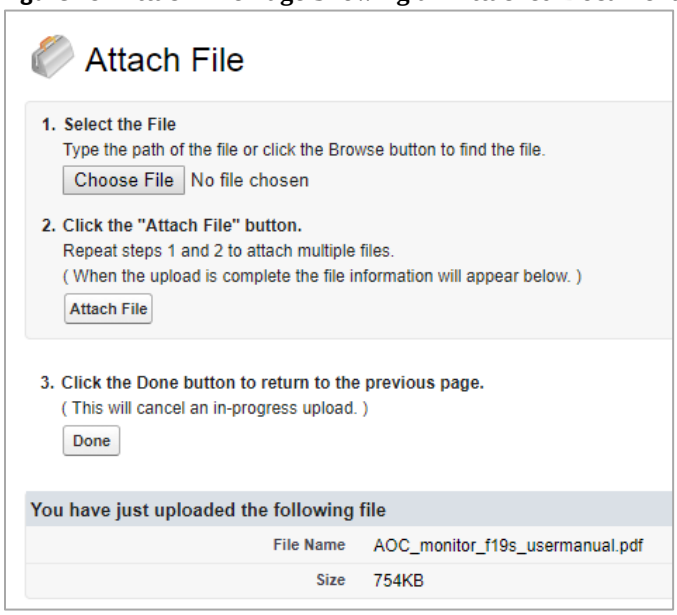


AMERICAN OVERSIGHT

Figure 27: Service Request Description Information

5. Click the "Submit & Add Attachment" button, which gives you the option to add attachments to the Service Request prior to submission. The Attach File to Service Request page is displayed. It provides the unique Service Request ID for your submission (i.e., 00010889 in the example below).

Figure 28: Attach File to Service Request Page



<u>DOCUMENTS TO ATTACH:</u> States should attach a completed Opportunity Zone Nomination Tool along with a letter from the State CEO, on executive letterhead, confirming the nomination.

6. To attach a document, click the Choose File button. This allows you to browse your computer for the document to attach. Once chosen, click the Attach File button. You will receive a message that the file is being attached, then you will see the name of the document displayed below the instructions, as shown in Figure 35. With a Service Request, you can attach only one document at a time; however, you can repeat the process (Figure 33, Steps 1 and 2) as many times as needed.

AMERICAN OVERSIGHT

Figure 29: Attach File Page Showing an Attached Document

7. Once all of the required documents have been attached, verify that the file name(s) is displayed below the instructions and then click the Done button. Please do not click the Done button until you see the file name displayed below the instructions. Clicking Done before the files are properly attached will cancel the attachment, but you will not receive any message that the attachment was canceled.

This completes the submission of your Opportunity Zones nomination. As stated above, if you encounter any problems with the registration or submission processes, please contact the CDFI Fund AMIS Help Desk at AMIS@cdfi.treas.gov or 202-653-0422.

Subject: *Update* September 20, 2018 GOED Board Meeting - Agenda & Materials

Good morning All,
Attached please find an updated agenda for the September 20, 2018 GOED Board meeting, with a corrected amount for Item 8B.
The materials are also posted and available on our website: http://www.diversifynevada.com/meetings/goed-board-meeting-1-1-1-1-1-1-1#agendas.
Please note, the materials for agenda item 8C. will be distributed tomorrow.
I have also attached the draft minutes from the July 11, 2018 and the August 14, 2018 meetings for your review.
Please also be reminded of the change in location for this meeting:

NOTE (2) Persons with disabilities who require special accommodations or assistance at the meeting should notify Mariah Heriman, Governor's Office of Economic Development, 555 E. Washington Ave., Suite 5400, Las Vegas, Nevada 89101 or by calling 702-486-2700 on or before the close of business two business days prior to the meeting date.

NOTE (3) The Board reserves the right to take items in a different order, combine items for consideration and/or pull or remove items from the agenda at any time to accomplish business in the most efficient manner.

NOTE (4) All comments will be limited to 3 minutes per speaker. Comment based on viewpoint may not be restricted. No action may be taken upon a matter raised under the public comment period unless the matter itself has been specifically included on an agenda as an action item. Prior to the commencement and conclusion of a contested case or quasi-judicial proceeding that may affect the due process of individuals, the Board may refuse to consider public comment. See NRS 233b.126.

STATE OF NEVADA
GOVERNOR'S OFFICE OF ECONOMIC DEVELOPMENT
BOARD MEETING
August 14, 2018

The meeting of the Board of Economic Development was called to order by Governor Brian Sandoval at the Grant Sawyer Building, Governor's Conference Room, 555 E. Washington Avenue, Room 5100, Las Vegas, Nevada, 89101; and via video conference at the Capitol Building, 101 N. Carson Street, Carson City, Nevada 89701.

1. CALL TO ORDER, ROLL CALL AND ESTABLISH QUORUM

VOTING BOARD MEMBERS PRESENT
Governor Brian Sandoval, State of Nevada
Lieutenant Governor Mark Hutchison, State of Nevada
Dr. Weldon Havins, Touro University, Nevada
Mr. James Barrett, Jr., President and Founder, The JABarrett Company
Dr. Dana Bennett, President, Nevada Mining Association
Mr. Dan Klaich, voting member at large
Mr. Raymond Specht, Founder & CEO Specht Leadership Consulting

BOARD MEMBERS ABSENT AND EXCUSED
Secretary of State Barbara Cegavske, State of Nevada
Mr. Adam Kramer, Executive Vice President of Strategy, Switch, Inc.

NON-VOTING BOARD MEMBERS PRESENT
Mr. Don Soderberg, Director, Department of Employment Rehabilitation and Training

NON-VOTING BOARD MEMBERS ABSENT AND EXCUSED
Dr. Thom Reilly, Chancellor and Chief Executive Officer, Nevada System of Higher Education

STAFF MEMBERS PRESENT
Paul Anderson, Executive Director, GOED, Secretary of Board
Derek Armstrong, Deputy Director, GOED
Matt Moore, Deputy Director, GOED
Bob Potts, Director of Research, GOED
Jessica Sanders, Program Specialist – CDBG, GOED
Melanie Sheldon, Program Manager, GOED
Mariah Heriman, Executive Assistant / Program Management Specialist, GOED

GUESTS PRESENT
Assemblywoman Irene Bustamante-Adams
Sonia Mendez, Office of Assemblywoman Irene Bustamante-Adams

AMERICAN OVERSIGHT

Nicole Linan, Lieutenant Governor's Office
Scott Anderson, Secretary of State's Office
Lori Chatwood, State Treasurer's Office
Henna Rasul, Attorney General's Office
Michelle Briggs, Attorney General's Office
Russell Guindon, Legislative Council Bureau
Pat Whitten, Storey County
Hugh Gallagher, Storey County
Bob Sader, TRIC General Improvement District Management
Brian Gordon, Applied Analysis
Paul Taggert, Taggert & Taggert, Ltd.
Alise Porto, Switch, Inc.
Patricia Mulroy, Switch, Inc.
Gary Milliken, Switch, Inc
Chris Reilly, Tesla, Inc.
Brian Scelfo, Tesla, Inc.
Martin Johnson, JNA Consulting Group, LLC

Kendra Follett, Sherman & Howard, LLC
Matthew Digesti, Blockchains
Leo Drozdoff, Drozdoff Group, LLC
Alex Samuelson, The Griffin Company, LLC

2. PUBLIC COMMENT

Governor Sandoval asked if anyone from the public sought to make public comment. No public comment was provided.

3. GOVERNOR SANDOVAL'S COMMENTS

Governor Sandoval noted he had recently led a trade mission to Ghana and South Africa. The trip had been focused on collaboration and trade in the areas of water technology, education and mining. More details would be provided at the next full Governor's Office of Economic Development (GOED) Board meeting.

4. REVIEW AND APPROVAL OF ECONOMIC DEVELOPMENT FINANCING PROPOSAL (EDFP) TAHOE RENO INDUSTRIAL CENTER (TRIC) EFFLUENT WATER PIPELINE

Director Paul Anderson, Executive Director, GOED provided an overview of the TRIC Effluent Pipeline Project and the request for bonding authority of $35 million to facilitate construction of the pipeline.

AMERICAN OVERSIGHT

The authority from GOED came out of SB 1, often referred to as the Faraday Special Session, that referenced a development at Apex Industrial Park, North Las Vegas. One of the qualifiers to access bonding authority was the presence of a qualified project making a capital investment of over $1 billion. TRIC's qualifying project was the Tesla Gigafactory. Given the strategic positioning of TRIC relative to the Truckee Meadows Water Reclamation Facility (TMWRF) and the needs of TRIC's tenants, the objective of this financing proposal was to develop an approximate 13-mile effluent water pipeline from TMWRF to TRIC, as well as several storage, advanced treatment and transmission components at TRIC. The entire project will be known as the "Effluent Project'; the pipeline from TMWRF to TRIC as the 'off-site Effluent Project' and the on-site improvements as the 'onsite Effluent Project'. Only the off-site Effluent Project will be considered for financing as part of an Economic Development Financing Proposal (EDFP). Increased availability of Process Water at TRIC from the Effluent Project is expected to resolve short and long-term load and capacity issues for TMWRF, improve water quality in the Truckee River and facilitate continued major future economic development benefitting all of northern Nevada.

Director Anderson introduced Mr. Pat Whitten, Storey County Manager. Mr. Whitten advised Storey County appeared before the Board a year prior, asking the Board to consider the EDFP as a means to further stimulate economic growth and build out in TRIC. Subsequently, selected project and financing elements had been modified and Storey County was back with a revised approach to finance the off-site Effluent Project.

Instead of one developer involved, there would now be six, including corporate giants such as Google, Tesla and Switch. The new developers brought a desire and a willingness to provide up-front funding through a Special Assessment District (SAD) process. Having low cost water available to these companies, coupled with the recent inclusion of TRIC in the Federal Government Opportunity Zone Program provided the catalyst these companies needed to fully develop their TRIC properties. On August 7, 2018, The Storey County Board of Commissioners voted unanimously to forward the proposal for consideration.

Mr. Whitten was joined by Mr. Martin Johnson, President, JNA Consulting Group, LLC. Mr. Johnson advised JNA Consulting Group, LLC were the financial advisors to Storey County and had been asked to assist the county with this project. Mr. Johnson noted, selected landowners would agree to self-assess the cost of the off-site Effluent Project by way of a special assessment district (SAD) to support approximately $35 million in bonds for the development of the off-site Effluent Project. The SAD bonds would be sourced to infrastructure bonding capacity allocated to GOED for economic development purposes. The $35 million off-site Effluent Project bond financing was also expected to comply with Storey County's SAD guidelines. In addition to the financing of the off-site Effluent Project, Storey County would create a tax increment area pursuant to Senate Bill 442 (SB442) of the 2017 Session of the Nevada Legislature that would allow for a cumulative reimbursement up to an amount equivalent to the debt service, including principal and interest, of the off-site Effluent Project SAD financing.

AMERICAN OVERSIGHT

Mr. Brian Gordon, Principal, Applied Analysis was introduced and advised, in addition to the off-site Effluent Project, the SAD participants intended to privately finance (either directly or through a third-party) the on-site Effluent Project. The on-site Effluent Project is expected to be segmented into two individual phases. The first phase focuses on common infrastructure shared among the SAD participants, and it will include water transmission and storage infrastructure, including wells and a reservoir. This first phase of the on-site Effluent Project is estimated to cost approximately $30 million. In addition to this phase of the project, selected water users require more advanced water treatment to generate water suitable for use in their operations. This second phase of the onsite Effluent Project is estimated to cost between $35 million and $85 million, depending on the number of participants, the technology employed and the costs associated with a potential third-party operator of these facilities. The combined cost of the total Effluent Project is expected to range from $100 million to $150 million.

As far as environmental benefits, the Truckee Meadows water shed had been fragile and one of the most litigated water sources in the western United States. This included the Truckee River. This project would divert 4,000 acre-feet, of high nitrate water, that would typically go into the Truckee River. This water would be diverted to TRIC where it would then be utilized by the landowners. If the project didn't move forward, TMWRF at some point, would be required to invest in water treatment infrastructure and this would entail an estimated capital cost of $30-40 million, in conjunction with annual recurring maintenance costs of approximately $1.5 million.

Ms. Patricia Mulroy, Consultant, Switch, Inc. was introduced and advised the pipeline would remove nitrates causing TMWRF to be out of compliance with EPA Clean Water Standards. Additionally, it would allow TMWFF to discharge without causing nitrate issues that are problematic for the endangered cui-ui fish species in river. The Pyramid Lake Paiute Tribe were also reliant on the river as a water source.

Two agreements were negotiated. The first was the effluent agreement, with the cities of Sparks and Reno, who control the TMWRF facility. In terms of ownership, the water will stay within the Reno Sparks area. TRIC will simply lease the water supply for the term of 50-60 years. TRIC would reimburse the City of Sparks and the TMWRF facilities for all extraneous expenses, and any capital improvements required in order to facilitate this endeavor and make the Reno Sparks area whole. The second agreement was recently approved by Truckee Meadows Water Authority (TMWA) which is the return flow management agreement. The agreement requires the TRIC landowners to turn over their Truckee River Rights of 1,500 acre-feet, to manage the river for instream flows for use by TMWA during the course of this agreement. The landowners will also pay for an adjudication process on ground water rights that are available through State right-of-ways with the Department of Transportation. The cost of that adjudication will be borne by the landowners and the water as well will be turned over to TMWA for management purposes to make the river whole.

AMERICAN OVERSIGHT

Governor Sandoval inquired if TMWA rate payers would incur savings as they would not be required to pay for the water treatment in years to come. Ms. Mulroy advised the rate payers would benefit. The mitigated cost of $40 million would prevent the wastewater rates from increasing. The larger benefit for TMWA and the Reno Sparks area, is the provision of maximum flexibility to TMWA in terms of managing the flows in the river regardless what the hydrology looked like in the system.

Governor Sandoval asked if the Pyramid Lake Paiute Tribe would receive a higher quality of water. Ms. Mulroy advised the tribe would receive a greatly improved quality of water and noted all parties were committed to making sure the Tribe would not be negatively affected by this agreement.

Governor Sandoval asked is there was any type of return discharge from TRIC back to the river. Ms. Mulroy advised the Nevada Department of Environmental Protection (NDEP) had been clear there could be no discharge back into the river. The intent was to have a second pass-thru for reuse. Water not put to full consumptive use would once again enter the recycle process and be utilized. The water would stay contained in the TRIC area, thus saving water.

Lieutenant Governor Mark Hutchinson asked for clarification on the term of the lease. Ms. Mulroy stated the original term was 40 years with the option to extend.

Lieutenant Governor Hutchinson asked how the lease terms coincided with the infrastructure life expectation. Ms. Mulroy stated the bonds should be paid off before the lease expired and it would be a 20-25-year window for the bonding. The life of the infrastructure extends past the anticipated date timeframes for the bonds to be paid off. This could potentially be 80-90 years.

Lieutenant Governor Hutchinson asked Ms. Mulroy if she foresaw any additional challenges or objections from third parties. Ms. Mulroy advised there had been several public forums held and, to date, no issues had been raised.

Mr. James Barrett asked about the project's permitting process. Ms. Mulroy noted the permit process was still to occur. However, there was full commitment to being compliant with all the conditions around those permits.

Governor Sandoval asked if there were any environmental concerns associated with the construction portion of the project. Mr. Bob Sader, TRIC Improvement District, was introduced and advised he had been very involved in the right-of-way process for the path of the pipeline. There had been three or four different alignments and the alignment with the least environmental impacts had been selected. Additionally, there were no wetlands, the pipeline would not cross the Truckee River, nor would it enter Federal Lands. There were two state parcels, owned by the State of Nevada and there had been discussions with the Public Lands around the application for that. There had also been a high-degree of engineering on the right-of-way.

AMERICAN OVERSIGHT

Mr. Dan Klaich asked if the agreements with Reno and Sparks had been finalized. Ms. Mulroy confirmed this was the case. The agreements were approved by both the Sparks City Council and the Reno City Council, in terms of the lease agreement and the return flow management agreement.

Mr. Paul Taggert, Senior Partner, Taggart & Taggart, Ltd., was introduced and advised the return flow management agreement had been approved by Reno, Sparks and TMWA.

Mr. Klaich asked Mr. Taggert if he believed the agreements provided substantial economic benefits to the cities of Reno and Sparks. Mr. Taggert confirmed this was the case. There would be a cost mitigation in upgrading the TMWRF facility for treating effluent as capacity would be created in the facilities by taking this water out of the river. This changed the timeline for required facility improvements.

Mr. Klaich inquired if the easement or right-of-way been acquired. Mr. Taggart advised the easement had not yet been acquired and the right-of-way would be deferred until all agreements were completed and approved.

Mr. Klaich inquired if the off-site Effluent Project' project could be completed within the $35 million range. Mr. Taggart advised the $35 million was the best estimate at this point. Costs would be refined as the engineering was completed. If there was a surplus, the assessment payors would incur this.

Mr. Gordon provided an overview of the benefits related to TRIC. There were 12,700 developable acres in TRIC itself. The proposed projects would free up future development activity, as well as the intensity of development activity. These types of developments generally led to higher yields and higher levels of investment. These landowners were also creators of higher than average wage employment. In terms of financing, the underlying real estate value would be required to have a 3.5 times value, relative to the amount being considered for bonding. It would be 3.5 times $35 million under the SAD. Currently, the current appraisal is suggesting a 7 times value, when the project is completed. This provides significant security as it relates to the financing side of the equation. Additionally, the group is also requesting a Tax Increment Area (TIA) be developed. A portion of the incremental tax dollars would inure back to the landowners, as reimbursement up to the amount of the offsite improvements, or the $35 million. This is the maximum amount to be reimbursed under a potential TIA. This aligns with NRS 278C.150-Developer Reimbursements for Construction of Wastewater Infrastructure Projects. If there was no future development activity and no additional investments made, there would be no additional tax dollars going back to the private sector development.

The existence of the pipeline itself would add additional value in Storey County and open-up properties for future development and higher intense. All of this would increase economic opportunity within Storey County. The TIA would be a reimbursement of a portion of the pipeline and overall infrastructure costs. It would exclude any taxes that were

AMERICAN OVERSIGHT

scheduled to go to special districts such as the school districts as these were excluded from any increment or reimbursement back as part of this project. Fifty percent of the sales and use taxes were eligible for reimbursement. Fifty percent would stay with the original taxing entities as they were currently scheduled and only half of the modified business tax or payroll tax would be eligible for reimbursement back towards the infrastructure costs.

Once the $35 million reimbursement was made, as it relates to the off-site Effluent Project, one hundred percent of all incremental taxes would go back to the original taxing entities and no more would go to the private sector for reimbursement under the project. The pipeline would also provide a stable source of water and provide increased stability in terms of the overall economic activity for Storey County as a whole.

Governor Sandoval asked if property owners and homeowners of Storey County had any risk associated with this project and the bonding. Mr. Gordon advised all property owners would continue to pay the normal taxes and operate as usual. The exposure related to the SAD which required one hundred percent consent of all property owners within that district. An assessment was a lien on the property and co-equal to property taxes. If an assessment is not paid, foreclosure can occur on the property. Assessment districts and bonds can incur foreclosures for delinquencies. The assessments would be billed and collected semi-annually. The assessments, under statute, could go for a term of up to 30 years. Under the current proposal, the county would issue assessment district bonds and those bonds would then be purchased by the State through the Bond Bank Program. This allowed the interest rate on the state bonds to be passed through to the County bonds, which provided the lowest possible cost to capital for a Nevada local government. The bonds would be paid first from the assessment payments. Every six months there would be a bill for those assessments. Approximately two months later the bond payments would be made. To the extent the assessment payments are insufficient, there were other resources within the SAD. In addition to the other resources and cash available, there would be a reserve fund that is funded out of bond proceeds, the day of closing of the bond transaction, equal to one year's debt service. Theoretically, if all the property owners were delinquent, there would be enough money in the bank to make the payment for at least one year. If those three resources were insufficient, the county would be responsible for the amount of its uncommitted General Fund balance or the amount of the annual payment.

Governor Sandoval noted Storey County's approval was a significant factor and asked Mr. Whitten if there had been any opposition from the residents of the county. Mr. Whitten advised the vast majority were in favor of the pipeline although it had also been labelled 'corporate welfare.'

Lieutenant Governor Hutchison inquired about the geographic area of the SAD. Mr. Gordon advised there were two parcels located in TRIC within the SAD, but not within the TIA. One was owned by Switch and the other by Tesla.

AMERICAN OVERSIGHT

Lieutenant Governor Hutchison inquired if the TIA would entail developers fronting the money and receiving reimbursement, through various taxes that are going to be used to pay the $35 million. Mr. Gordon confirmed this was the case.

The Lieutenant Governor noted if the vacant land was never developed, the developers would assume all the risk. Mr. Gordon confirmed this was the case.

Mr. Klaich asked if the approval of the project would limit the state's ability to fund other projects. Lori Chatwood, Deputy Treasurer of Debt Management, Nevada State Treasurer's Office advised the maximum annual debt service was slightly more than $2 million a year. Therefore, this should not limit funding other projects.

Mr. Klaich asked Ms. Chatwood if she anticipated anything limiting the bonding capacity reported to the Governor as being available for additional CIP Projects. Ms. Chatwood advised that to the extent all of the revenues were sufficient, there would be no impact. Being that the project comprised a natural resource, it did not fall under the 2% constitutional debt limit. Therefore, the amount of capacity of bonding under the constitution was not affected.

Governor Sandoval asked Ms. Chatwood if she had reached any conclusions or opinions regarding the transaction. Ms. Chatwood noted, at first blush, the proposal looked solid. Ms. Chatwood advised, for the record, if the proposal were to be approved, the bond would be issued through the authority of SB 1 which had a blanket limit of $200 million. Therefore, the $35 million would go under that capacity, reducing that $200 million authority in the future.

Mr. Barrett inquired about matching between the SAD and the TIA. Mr. Johnson advised the SAD would be created by the County Commission at the September 18th meeting and bonds could be issued once a bond ordinance was adopted. This would take two readings from the Storey County Commission. Subsequently, the State Board of Finance would need to approve the issuance of the State bonds, which would be in November 2018. the County could not start forming the TIA prior to receiving Interim Finance Committee (IFC) approval. Assuming this was to happen in time for the September 18th meeting, the process to form a TIA could commence.

Dr. Havins inquired about the anticipated impacts, should the project not be approved. Mr. Johnson advised there would not be any additional revenue raised as, without the water, there could not be further development at TRIC.

Mr. Specht inquired about the pipeline's capacity. Ms. Mulroy advised it would be 4,000 acre-feet annually. Mr. Specht asked if that meant this the pipeline is 100% maximized at that point. Ms. Mulroy stated there was an oversizing component on the pipeline. If Reno, Sparks or Washoe County wished to lease additional effluent TRIC in the future, the pipeline would afford that opportunity. Mr. Sader advised it was initially estimated the pipe would need to be 18-inches. It was increased to 24 inches when it was determined the flows

AMERICAN OVERSIGHT

from TMWRF and the Reno Sparks Sewer Plant would be variable during the year. Currently, the decision was to go up to 30-inches in diameter, in order to be able to accommodate additional flows in the future

Mr. Klaich asked how the $35 million construction budget was calculated Mr. Sader advised the district engineers were from Farr West Engineering (Farr West). The firm had substantial experience building infrastructure and providing similar services to water and sewer systems all over northern Nevada. Farr West had made the $35 million estimate.

Mr. Klaich asked about additional funding, should the project cost more than $35 million. Mr. Sader advised the private parties involved would cover any overrun costs. It would not be borne by the county or by the state.

Mr. Klaich inquired about the ownership of the pipeline. Mr. Sader advised ownership of the pipeline would transfer to TRIGID upon completion.

Governor Sandoval asked if the private entity participants, in attendance, wished to make any comments. Mr. Chris Reilly, Workforce Development and Education Lead, Tesla, Inc. and Mr. Brian Scelfo, Senior Director, Corporate Development, Tesla, Inc. advised they were in in full support of the project and saw this as exciting for long-term growth at the Tesla Gigafactory.

Lieutenant Governor Hutchison inquired about future plans for the Tesla, Inc. parcels that were part of the TIA. Mr. Scelfo advised the Gigafactory is separated into different parcels. Currently, only the largest parcel had been developed. However, the company planned to expand onto the other parcels swiftly.

Lieutenant Governor Hutchison inquired about the impacts of the pipeline project on the Gigafactory expansion plans. Mr. Scelfo advised future expansion would not be possible without approval of the project.

Dr. Bennett asked when water would start flowing through that pipeline. Mr. Sader advised the current schedule would commence construction of the pipeline, and other facilities necessary, in the first quarter of 2019 with a completion date of late 2020.

Governor Sandoval noted he was comfortable with the financing proposal and felt there was extraordinary protection for the citizens of both Storey County and the State of Nevada Ultimately, the responsibility would fall upon the entities within the SAD. Regarding environmental issues, Governor Sandoval noted the people of Washoe County would benefit from the avoided costs of facilities necessary to clean the water that would otherwise be redirected to TRIC. The water coming into the river would also be beneficial to the Pyramid Lake Paiute Tribe. It was of great importance the Tribe be protected in conjunction with receiving higher quality water.

AMERICAN OVERSIGHT

Governor Sandoval noted the water would be recycled at TRIC which would actually save water. This would be another benefit to the residents of Washoe County, Storey County and the region. Regarding economic development, the project continued the New Nevada story of bringing some of the best jobs in the country to Nevada. Tesla, Inc. had exceeded its initial commitments to the state. At a recent Cimarron Memorial High School press conference, Tesla, Inc. made a $1.5 million contribution to support the development of robotics teams and STEM education throughout Nevada. Switch, Inc. had built the world's largest data center and planned to build another facility in northern Nevada. Google had already been providing training, free of cost, to citizens of Washoe County.

Governor Sandoval noted significantly trusted and experienced individuals had testified on behalf of the project. Ms. Mulroy had impeccable knowledge regarding the water situation and water quality. Mr. Taggert was a prominent water lawyer in the state and had worked on the project in consultation with Washoe County, Storey County, the City of Sparks and City of Reno. Mr. Sader, was a well-respected member of Nevada's Legislature, a former Chairman of the Judiciary Committee and had an extensive public service career. Governor Sandoval also noted Applied Analysis was an entity he knew and trusted and had provided expertise and guidance on some of the most complex issues associated with economic development in the state.

The proposed Effluent Pipeline project was a transformational project and would allow the State of Nevada to lead. Nevada had generated tremendous economic results. It was the most improved state in the country in terms of employment. The state was at a record level of employers. Clark County was the fastest growing metropolitan area in the United States of America. Nevada's average wage was the highest it's ever been, and 175,000 jobs lost, in the Great Recession, had been replaced with 260,000 jobs. Governor Sandoval noted he had full faith in the companies participating in the project.

Governor Sandoval said the form of the motion for Agenda Item 4 would be:

- To approve the TRIC EDFP submitted by Storey County.
- To approve the submission of the proposal to the IFC of the Nevada Legislature.
- To approve to enter into one or more agreements with Storey County or another local government to administer any districts and carry out the projects identified in the proposal as deemed necessary by the Executive Director.
- To approve the provision of notice of the approval of the proposal to the Board of County Commissioners of Storey County and the State Board of Finance and that the motion include to take all action necessary or appropriate to effectuate the approval of the proposal and provisions of NRS 360.981 to 360.992.

A MOTION WAS MADE BY MR. KLAICH TO APPROVE THE FIVE-PART MOTION FORMULATED BY GOVERNOR SANDOVAL. THIS MOTION WAS SECONDED BY LIEUTENANT GOVERNOR HUTCHISON. THE MOTION PASSED UNANIMOUSLY.

AMERICAN OVERSIGHT

5. REVIEW AND APPROVAL OF STOREY COUNTY RESOLUTIONS 501 & 502

Ms. Kendra Follett, Bond Counsel to Storey County, provided the following information: Resolution 501 is a resolution approving the financing proposal. This is adopted by the Board of County Commissioners of Storey County and it directed notification to the Governor's Office of Economic Development and the IFC pursuant to the provisions of NRS 278C and NRS 360. Resolution 502, also concerns the same project and it directs notice to the IFC under a different provision of 278C which specifically relates to the tax increment area.

Mr. Whitten advised the Storey County Board of Commissioners unanimously approved both Resolutions 501 and 502 a week ago.

The Governor said he would accept a motion to approve Storey County Resolutions 501 and 502, as presented in Agenda Item Number 5.

A MOTION WAS MADE BY MR. SPECHT TO APPROVE STOREY COUNTY RESOLUTIONS 501 & 502 AS PRESENTED IN AGENDA ITEM NUMBER 5. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

6. PUBLIC COMMENT

Governor Sandoval asked if anyone from the public sought to make public comment. No public comment was provided.

7. ADJOURNMENT

A MOTION WAS MADE BY DR. HAVINS TO ADJOURN THE MEETING. THIS MOTION WAS SECONDED BY MR. BARRETT. THE MOTION PASSED UNANIMOUSLY

2. PUBLIC COMMENT

Governor Brian Sandoval asked if anyone from the public sought to make public comment. No public comment was provided.

3. GOVERNOR SANDOVAL'S COMMENTS

Governor Sandoval advised he had led a State trade mission to the Basque region of Spain in June 2018 and had signed MOUs with the President of Bizkaia and the President of Navarra. The MOUs encourage closer ties, collaboration and trade in the areas of smart grid technology, renewable energy, blockchain technology, water technology, and agri-food industries.

In addition to many productive meetings, the trade delegation toured a facility where a key piece of the future of Southern Nevada's access to water is in the process of being built. Headquartered in the Basque Country of Spain, Indar, a world leader in rotating electrical machines, is manufacturing massive, cutting-edge submersible pumps to draw water from Lake Mead through the unprecedented infrastructure project known as the third straw.

The trade delegation also met with a manufacturer of cell phone-controlled door locks. The Governor noted a direct application to school safety and the ability for staff and teachers to have increased control in the event of an emergency. Governor Sandoval advised he had established a Statewide School Safety Task Force, charged with the safety of Nevada's schoolchildren and was excited about the potential application of this product.

The Governor's Office of Economic Development (GOED) International Trade division recently announced the creation of a new initiative aimed at attracting international, high-growth companies looking to establish U.S. footholds and expand. Nevada Global will partner with economic development agencies abroad to identify candidate businesses and connect them to Nevada's startup accelerator community.

4. APPROVAL OF THE MAY 17, 2018 BOARD MEETING MINUTES

A MOTION WAS MADE BY SECRETARY OF STATE BARBARA CEGAVSKE TO APPROVE THE MAY 17, 2018 MEETING MINUTES. THIS MOTION WAS SECONDED BY MR. JAMES BARRETT. THE MOTION PASSED UNANIMOUSLY.

AMERICAN OVERSIGHT

5. ABATEMENT APPLICATIONS FOR BOARD APPROVAL

A. BENTLY HERITAGE, LLC

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Andrew Haskin, Director of Business Development, Northern Nevada Development Authority (NNRDA), presented Bently Heritage and provided an overview of the company and abatements sought. Bently Heritage, LLC is a distilled spirits manufacturing business established in April 2016. The company had created a sustainable estate distillery in two historic properties located near downtown Minden. The company's products included premium spirits such as whiskey, gin, and vodka from local grains and botanicals. The company planned to hire an additional six employees at an average wage of $21.95 per hour and make a capital equipment investment of approximately $4.2 million. Mr. Haskin was joined by Mr. Carlos Luri, Director of Government Affairs and Mr. Bryan Davis, Marketing Director, Bentley Heritage, LLC.

Mr. Luri advised Bently Heritage, LLC would be expanding its current facility by building two new rickhouses, for whiskey storage and adding a bottling line. The distillery was also expected to open for public tours and tastings in the fall of 2018. Mr. Luri noted the recent public interest in craft distilling and historical tourism was anticipated to create a hub of activity in downtown Minden. This hub was expected to draw visitors from the Tahoe Basin and beyond which would bring additional revenues to local retailers, lodging and dining establishments.

Governor Sandoval asked if the botanicals and grains used in the company’s products were from Nevada. Mr. Davis confirmed and advised the company was constructing greenhouses on its ranch property to allow sustainable growth and harvesting of winter rye, wheat, and barley which would be malted in-house on the company’s own malting floor.

Governor Sandoval noted the company’s repurposing of two historic properties and asked the date these buildings were first constructed. Mr. Luri advised the Flour Mill had been built in 1906 and the Butter Factory was also over 100 years old.

Governor Sandoval commended the company for its commitment to Nevada’s history and noted that morning he’d had the privilege of being a part of a blessing ceremony at the Stewart Indian School, which was constructed in 1890 and was also undergoing a renovation and revitalization development.

A MOTION WAS MADE BY SECRETARY OF STATE CEGAVSKE TO APPROVE THE ABATEMENT APPLICATION OF BENTLY HERITAGE, LLC, FOR A SALES TAX ABATEMENT, MODIFIED BUSINESS TAX ABATEMENT, AND PERSONAL PROPERTY TAX ABATEMENT AS PRESENTED IN AGENDA ITEM 5A.

AMERICAN OVERSIGHT

THIS MOTION WAS SECONDED BY MR. DAN KLAICH. THE MOTION PASSED UNANIMOUSLY.

B. BIGELOW AEROSPACE

- **AVIATION SALES & USE TAX ABATEMENT**
- **AVIATION PERSONAL PROPERTY TAX ABATEMENT**

Ms. Kylie Rowe, Vice President of Economic Development, Las Vegas Global Economic Alliance (LVGEA) presented Bigelow Aerospace and provided an overview of the company and abatements sought. Bigelow Aerospace was founded in 1999, and their global headquarters is in North Las Vegas. The company is considering expanding its current operations. The expansion would accommodate the company's new project: the development and manufacture of Bigelow Aerospace's flagship spacecraft, the B330, an entirely autonomous platform outfitted with two dissimilar propulsion systems and entire suite of environmental life support systems. The B330 is the only spacecraft of its kind being developed in the world. Within the first year, the expansion would create five new jobs at an average hourly wage of $25 per hour and include capital investments of approximately $51 million in capital equipment and $6.5 billion investment in aviation parts over the forthcoming 20 years. Ms. Rowe was joined by Ms. Blair Bigelow, Vice President of Corporate Strategy, Bigelow Aerospace.

Ms. Bigelow advised Bigelow Aerospace was a relatively small outfit focused on accomplishing extraordinary things. The company hoped to be a symbol to Nevada for entrepreneurship, innovation, and technology advancement. To accommodate a new, groundbreaking project, the company was considering expanding its current North Las Vegas operations.

Governor Sandoval noted Bigelow Aerospace employed cutting edge aeronautical and mechanical engineers and asked if the company had a relationship with the University of Las Vegas (UNLV) and the University of Reno (UNR) engineering schools. Ms. Bigelow confirmed the company enjoyed a relationship with both schools and hoped to partner with them in the future.

Governor Sandoval inquired about the specific skill sets sought in employees. Ms. Bigelow advised the company sought skills in specialized avionics along with structural, electrical and mechanical engineering.

Governor Sandoval thanked the company for the innovation it bought to the state and noted Bigelow Aerospace was a Nevadan company set to play an important role in in the history of mankind.

A MOTION WAS MADE BY SECRETARY OF STATE CEGAVSKE TO APPROVE THE ABATEMENT APPLICATION OF BIGELOW AEROSPACE FOR AN AVIATION SALES AND USE TAX ABATEMENT AND AN AVIATION PERSONAL PROPERTY TAX ABATEMENT AS PRESENTED IN AGENDA ITEM

AMERICAN OVERSIGHT

5B. THIS MOTION WAS SECONDED BY MR. ADAM KRAMER. THE MOTION PASSED UNANIMOUSLY.

C. CYANCO COMPANY, LLC

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

D. CYANCO COMPANY, LLC – CATALYST FUND

Mr. Sheldon Mudd, Executive Director, Northeastern Nevada Regional Development Authority (NNRDA), presented Cyanco Company, LLC and provided a brief overview of the company and abatements sought. Cyanco Company, LLC manufactures and markets chemicals products. The company produced solid to liquid systems, cyanide control systems, peroxide assisted leaches, analyzers and sodium cyanide for the gold mining industry. The company started producing liquid sodium cyanide in 1990 at a single plant in Winnemucca, Nevada. The original plant was designed to produce 28 million pounds of product annually. A second plant came online in 1997 and investments had been made in both plants over the years to debottleneck, implement improvements and enhancements and increase production. Today, the two plants had production capacity of over 240 million pounds annually. The company's expansion would generate 20 full-time jobs at an average of $44.53 per hour and an approximate capital equipment investment of $11 million. Mr. Mudd was joined by Paul Rostek, President and General Manager, Cyanco Company, LLC.

Mr. Paul Rostek advised Cyanco Company, LLC was considering expanding its Humboldt County facility. The project would involve the establishment of a new solid sodium cyanide manufacturing facility with an annual production capacity of 60 million pounds. The company would export 100% of product from its new solids facility to serve its customers in Canada, Mexico, Texas and other locations outside of Nevada. Over the company's history in Nevada, it has delivered more than two billion pounds of product safely without incident. Mr. Rostek advised the company also provided annual training exercises for employees, mines and first responders.

Governor Sandoval noted the company was considering both Texas and Nevada and asked about the company's next steps should it be awarded the abatements sought. Mr. Rostek advised the company anticipated making its decision very swiftly and advised the company was still in discussions regarding incentives at the local level.

Mr. Kramer asked what led the company to consider expanding in Winnemucca. Mr. Rostek advised Cyanco Company, LLC has been a proud member of the Winnemucca and Humboldt County communities for more than 25 years and enjoyed an excellent working relationship with the city and the county. Additionally, the company currently had two solution trains. If the Nevada mining requirements increased, the solids plant could accommodate a third train for converting excess into solids for global shipping. Therefore,

AMERICAN OVERSIGHT

the Winnemucca location represented a much broader strategic importance than just the initial solids plant. It could also be the launching pad for further expansions in Winnemucca.

Secretary of State Cegavske highlighted the company's letters of support for the application and noted the local communities were very supportive of the company's potential expansion.

Dr. Dana Bennett advised she would be abstaining from voting on Agenda items 5C and 5D as Cyanco Company, LLC was a member of Nevada Mining Association's governing board of directors.

A MOTION WAS MADE BY SECRETARY OF STATE CEGAVSKE TO APPROVE THE ABATEMENT APPLICATION OF CYANCO COMPANY, LLC FOR A SALES TAX ABATEMENT, MODIFIED BUSINESS TAX ABATEMENT AND PERSONAL PROPERTY TAX ABATEMENT AS PRESENTED IN AGENDA 5C AND CATALYST FUND GRANT IN AN AMOUNT NOT TO EXCEED $100,000, AS DESCRIBED IN AGENDA ITEM 5D. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

E. G4 WORKS, LLC

- **AVIATION SALES TAX ABATEMENT**
- **AVIATION PERSONAL PROPERTY TAX ABATEMENT**

Mr. Michael Walsh, Vice President of Economic Development, LVGEA, presented G4 Works, LLC and provided a brief overview of the company and abatements sought. G4 Works, LLC operated as a subsidiary of Allegiant Travel Company (Allegiant). Allegiant operated an airline founded in 1998 and was now as one of America's premier ultra-low-cost-carriers, offering non-stop air service to leisure travelers from under-served small and medium-sized communities to world-class destinations. Allegiant provides nonstop, scheduled service from 120 U.S. cities. In addition to its scheduled service, the airline also operated charter service throughout the U.S., Mexico and Canada Within the first year, the expansion would create seven new jobs at an average hourly wage of $20.52 per hour and include capital investments of approximately $6.2 million in capital equipment and $595,564 investment in aviation parts over the forthcoming 20 years. Mr. Walsh was joined by Mr. Scott Sheldon, Chief Financial Officer and Mr. Jonathan Jackson, Specialist, Government Affairs, Allegiant Travel Company.

Mr. Sheldon advised G4 Works, LLC was considering establishing an aircraft maintenance and distribution center in southern Nevada. The project would create a stock warehouse in Las Vegas. This warehouse would contain aircraft parts and tools capable of servicing Allegiant Travel Company's planes at the Las Vegas McCarran International Airport, as well as at other airports across the Allegiant network and strengthen the operational efficiency of Allegiant's aircraft maintenance in the region.

AMERICAN OVERSIGHT

Governor Sandoval inquired about the specific skill sets sought for the jobs in the company's application. Mr. Sheldon advised the company would be seeking to fill a variety of positions including parts clerks, technical purchasing skill sets and other technical expertise in the areas of parts procurement.

Governor Sandoval asked if the company planned to do the maintenance on its new western fleet in Las Vegas. Mr. Sheldon advised the parts and tooling support would be housed out of Las Vegas. Currently, Allegiant was at the tail end of a complete fleet transition from an MD-80 operator to an all airbus operator. This would involve significant network configuration changes. The company planned to use Las Vegas as a launching ground and support base for its western destinations. Historically, the company has used Arizona as a teardown facility for its MD-80 fleet in addition to its parts support. The fleet transition provided an opportunity and enhance its Southern Nevada activities and operations.

Mr. Kramer commended Governor Sandoval and Director Anderson, for their involvement in passing the aviation abatement legislation. G4 Works, LLC's application was in complete alignment with the intent of attracting, retaining, and growing aviation operations in Nevada.

Governor Sandoval concurred on the importance of the bill and noted it had greatly increased Nevada's competitiveness in this area.

A MOTION WAS MADE BY DR. BENNETT TO APPROVE THE ABATEMENT APPLICATION OF G4 WORKS, LLC, FOR AN AVIATION SALES TAX ABATEMENT AND AN AVIATION PERSONAL PROPERTY TAX ABATEMENT AS PRESENTED IN AGENDA ITEM 5E. THIS MOTION WAS SECONDED BY DR. WELDON HAVINS. THE MOTION PASSED UNANIMOUSLY.

6. ABATEMENT APPLICATIONS FOR DIRECTOR APPROVAL

A. FIGURE TECHNOLOGIES, INC.

- **SALES TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Stan Thomas, Executive Vice President, Economic Development Authority of Western Nevada (EDAWN) presented Figure Technologies, Inc. and provided an overview of the company and abatements sought. Figure Technologies, Inc. is a financial technology company with the mission of leveraging blockchain, AI, and advanced analytics to unlock new access points for consumer credit products that can transform the financial lives of its customers. The company provides home equity release solutions, including home equity lines of credit, home improvement loans and home buy-lease back offerings for retirement. Concurrently, Figure Technologies, Inc. is building a blockchain protocol for the origination, custody, trading and securitization of whole loans and other assets. The company had significantly de-risked capital for equity release takeout, with participation from multiple leading buy and sell side firms who will transact using the blockchain. The company also provided its members with financial literacy products via content and support

AMERICAN OVERSIGHT

on its site. The products were built on the three pillars of financial literacy, financial empowerment and action. Figure Technologies, Inc. currently had offices in San Francisco, CA and Bozeman, MT. The company planned to hire 65 employees at $30.01 per hour and make and approximate capital investment of $264,615. Mr. Thomas was joined by Ms. June Ou, Chief Operating Officer, Figure Technologies, Inc.

Ms. Ou advised Figure Technologies, Inc. was considering locating a facility in downtown Reno. The proposed facility would house the company's customer service, loan servicing, financial advisory and engineering operations. Ms. Ou noted the company had been pleased with Reno thus far and generally impressed with the local and state government in terms of their commitment to the residents of Nevada.

Governor Sandoval inquired about the company's workforce and recruitment requirements. Ms. Ou advised the company sought to fill a variety of positions. There would be customer service positions which may be of interest to graduates of UNR. These jobs could also provide pathways to certified financial planning certifications or registered investment advisors. The company would also be hiring positions in asset management, marketing and engineering.

Governor Sandoval noted the company has already made an initial connection with UNR and suggested the company also connect with UNLV. Ms. advised the company planned to be involved in the local community and engaged with the universities. Engineers at the company's Montana facility often volunteered to teach University classes.

Governor Sandoval asked about the company's next steps should it be awarded the abatements sought. Ms. Ou advised the company had already put recruitment plans in place for the Reno facility.

Mr. Kramer suggested the company might, at some point, be interested in connecting with an existing Reno based company called Filament, an innovative startup that develops blockchain solutions to leverage industrial internet of things data.

Director Anderson advised the company would be returning with a Catalyst Application for the September 20, 2018 Board Meeting. There would also be discussions around WINN funding to assist in building a pipeline of qualified employees.

Governor Sandoval noted it was tremendous to have a company of this caliber see Reno and Nevada as a place to locate, grow and thrive.

DIRECTOR ANDERSON APPROVED THE APPLICATION FOR A SALES TAX ABATEMENT AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 6A.

AMERICAN OVERSIGHT

B. POLARIS INDUSTRIES, INC. – Catalyst Fund

Mr. Haskin, NNDA, presented Polaris Industries, Inc.'s Catalyst Fund application. Polaris Industries, Inc. designs, engineers, manufactures and markets power sports vehicles worldwide. The company offers ORVs, including all-terrain vehicles and side-by-side vehicles for recreational and utility use; snowmobiles; motorcycles; and low emission, light duty hauling, passenger, commercial and industrial vehicles, as well as snow bike conversion kit systems. Polaris Industries, Inc. also produces or supplies various replacement parts and accessories and manufactures, distributes, retails, and installs aftermarket parts and accessories for light trucks, jeeps, sport-utility vehicles, and other four-wheel drive vehicles. The project would create 64 new jobs at an average hourly wage of $21.95 an hour with an approximate investment of $13.6m in capital equipment. The company's catalyst application was in addition to its application for standard abatements at the March 15, 2018 GOED Board Meeting where the company was approved for a Modified Business Tax abatement, Sales and Use Tax abatement, and a Personal Property tax abatement. Mr. Haskin was joined by Mr. Paul Eickhoff, Senior Director of Distribution, Polaris Industries, Inc.

Mr. Eickhoff advised Polaris Industries, Inc. would be establishing a new western United States distribution center in Fernley, Nevada. The company currently had existing distribution centers in Ohio and South Dakota and was looking for western United States presence to maximize efficiency and delivery speed to the company's customers. Mr. Eickhoff noted the company appreciated being considered for the Catalyst Fund grant and looked forward to a continued partnership with the state of Nevada, Lyon County, and city of Fernley.

Director Anderson noted Polaris Industries, Inc. was creating quality jobs with good wages and he looked forward to seeing the continued growth of the company in Nevada. Director Anderson also thanked Lyon County for its assistance in the Catalyst Fund grant process.

DIRECTOR ANDERSON APPROVED THE CATALYST FUND GRANT IN AN AMOUNT NOT TO EXCEED $100,000, AS DESCRIBED IN AGENDA ITEM 6B.

7. WORKFORCE INNOVATION FOR THE NEW NEVADA (WINN) FUND PROGRAM FOR BOARD APPROVAL

A. RATIFICATION OF SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) RECIPIENT PILOT PROGRAM – Requesting funding for pilot program, not to exceed $210,000 – approved by Director at March 15 Board meeting, now to be approved by Board.

Director Anderson advised this item had initially been approved at the March 15, 2018 Board Meeting. However, the dollar amount exceeded Director approval. Therefore, today's agenda item would comprise an update and a ratification of the item. Director Anderson introduced Ms. Stacey Bostwick, Workforce Development Program Coordinator, GOED

AMERICAN OVERSIGHT

Ms. Bostwick advised this application pertained to phase two of the project. The GOED Board had also approved an appropriation for phase one which was launched in January 2018. Western Nevada College was the primary education provider in phase one with an initial plan to serve 20 individuals on SNAP. Phase two is a program expansion to offer an additional 100 placements. Both Truckee Meadows Community College and Western Nevada College were gaining impetus with these programs. Therefore, there would be robust program data available next quarter. Ms. Bostwick advised that utilizing state funding, such as WINN, or local funding for investments in workforce training, produced potential to unlock federal funding for educational institutions and generate opportunities for program development and expansion to meet the demands of local employers.

Governor Sandoval asked if the program would also be made available in Southern Nevada. Ms. Bostwick advised all existing WINN funded projects in manufacturing, technology and health would be used as a platform to expand on a wider level.

Governor Sandoval commended the program and noted it provided individuals an opportunity to enter or re-enter the workforce and access quality employment, wages and benefits.

A MOTION WAS MADE BY MR. BARRETT TO APPROVE THE RATIFICATION OF THE SNAP PILOT PROGRAM AS PRESENTED IN AGENDA ITEM NUMBER 7. THIS MOTION WAS SECONDED BY DR. HAVINS. THE MOTION PASSED UNANIMOUSLY.

8. WORKFORCE INNOVATION FOR NEW NEVADA (WINN) FUND PROGRAM FOR DIRECTOR APPROVAL.

A. GROWING THE NURSING WORKFORCE TO IMPROVE POPULATION HEALTH OUTCOMES AND CREATE JOBS IN THE STATE OF NEVADA
Request for approval to enter into a WINN Grant agreement not to exceed $90,000.

Ms. Bostwick advised Agenda item 8. would be moved to the September 20, 2018 GOED Board Meeting. The project scope had recently changed due to additional employer partners wishing to participate.

9. PERFORMANCE MEASURES REPORT

Bob Potts, Research Director, GOED presented the GOED Performance Measures report covering economic development activity in Q2 of 2018.

There were 35 assisted companies reported in the first half of 2018. Of these, 21 are new to Nevada and 14 are existing companies expanding operations. These companies are expected to add 2,294 jobs to Nevada's economy in the next two years and to more than double that count once they are fully staffed.

AMERICAN OVERSIGHT

Of the 35 companies, 34 percent were manufacturers followed by logistics and operations (33 percent), and information technology (11 percent). The remaining 20 percent were essentially evenly split between the aerospace, tourism, healthcare and finance sectors.

The average hourly wage paid by companies assisted this year stands at $28.59. This reflects a $7.71 improvement over what it was for the same period last year when they stood at $20.88.

Capital investment by the 35 companies assisted this year currently stands at $329.8 million. This reflects a $153.2 million, or 86.7 percent improvement over what it was the same period last year.

Regarding recruitment activity, there were 23 wins in the first quarter of 2018. This represents a 53.3 percent increase from both the previous quarter and the first quarter of 2017. Activity in the earlier stages of the recruitment pipeline also showed marked improvement. When compared to last quarter, New Leads and Prospects were up by 52.8 and 8.4 percent, respectively; when compared to last year, they were up by 91.9 and 38.5 percent, respectively.

In the first quarter, there were an additional 10 leads and two prospects added to the Global Recruiting Pipeline. After removing those which have become inactive, the current inventory of all active global leads and prospects now stands at 46 and 12, respectively.

Performance activity for the Nevada Procurement Technical Assistance Center (PTAC) through the first nine months of this fiscal year had been exceptionally strong. Year to-date, the number of contracts was already 43.5 percent above last year's total and the contract amount even greater at 125.6 percent. The number of clients had slipped slightly in the most recent quarter, but the year-to-date average was still well above historic annual counts. The Nevada PTAC credits much of its recent success to resource partners like the U.S. Small Business Administration, the Nevada Department of Business and Industry, the Nevada Small Business Development Center and local chambers of commerce in promoting their free counseling services, training seminars and networking events.

In 2017, the number of Certified Emerging Small Businesses (ESB's) expanded by 34.2 percent and now stands at 1,139. For the year, the number of ESB's solicited to submit a quote, bid, or proposal on a contract improved by 335.0 percent when compared to 2016. This significant growth was largely the result of a broad outreach campaign by the Clark County School District. From 2016 to 2017, the number, amount, and average contract amount grew by 4.3, 7.9, and 3.4 percent, respectively.

Over the past two quarters, customers responded with perfect scores to the Nevada Film Office (NFO) Client Satisfaction Survey. Only once before in 2014 was customer satisfaction with the NFO this high. The Index is an aggregate measure on how customers

AMERICAN OVERSIGHT

rated their experience on availability, responsiveness, knowledge, willingness to help, and overall level of service. Since inception in 2014, client responses to the Nevada Film Office's Satisfaction Survey have consistently been very good.

The Community Development Block Grant Program (CDGB) underwent some big changes in 2017 when Carson City reverted to the state's CDBG program. As an Entitlement program, Carson City's focus is urban with different priorities than that of the GOED-CDBG rural programs. In 2018, there were 14 grants totaling $3,524,603. Rural Nevada received 9 grants with a total allocation of $3,061,919 and Urban Nevada received five grants with a total allocation of $462,684.

The number of workers in Nevada's economy continues to set record levels and currently stands at 1,374,200. This reflects a gain of 261,600 jobs since the recessionary low and 76,900 above the pre-recession high. Nevada currently has the fastest private sector job growth in the country. The unemployment rate currently stands at 4.8 percent; a 0.3 percentage point improvement from this time last year and 8.9 points below the recessionary high of 13.7 percent. The prerecession unemployment low was 3.9 percent.

With the addition of 210 jobs, there are currently 14,300 workers employed in Nevada's Aerospace and Defense sector. Average annual earnings also improved by $380 and now stand at $85,500. When compared to last year, there had been a 5.9 percent increase in jobs and a 1.8 percent increase in earnings.

The number of jobs in Nevada's Business Information Technology sector expanded in the second quarter with the addition of 220 positions. Average earnings were essentially unchanged with only a slight improvement of $80 per year. For the year, job counts had improved by 3.8 percent and earnings by 1.7 percent.

When compared to last quarter, an additional 1,200 jobs were added to Nevada's Health and Medical sector for a total of 111,800 workers employed. Growth in earnings, however, was flat and currently stands at $56,400. When compared to last year, job counts in Nevada's healthcare sector had expanded by 5.0 percent and earnings by 0.6 percent.

There are currently 54,200 workers in Nevada's Natural Resource Technologies sector with the addition of 1,760 jobs in the second quarter. Average annual earnings had been unchanged and currently stand at $66,400. When compared to last year, job counts had improved by 8.7 percent and earnings by 1.2 percent.

Although there was a slight annual earnings improvement of $110 in Nevada's Manufacturing and Logistics sector, job counts improved by more than 2,700 workers in the second quarter. Overall, the sector now employs 125,100 workers with average annual earnings of $59,400. For the year, jobs had grown by 6.29 percent and earnings by 3.2 percent.

Growth has been strong in Nevada's Manufacturing sector with the addition of 1,340 workers in the second quarter. Currently there are 46,200 workers employed in the sector

AMERICAN OVERSIGHT

making, on average, $55,900 per year. Since last year, job counts had grown by 7.2 percent and average annual earnings by 1.8 percent.

10. DIRECTOR'S REPORT – REVIEW AND DISCUSSION

Director Anderson advised the Governor led Basque Region Trade Mission had proved very productive. The delegation had the opportunity to meet with a large group of commercial entities in conjunction with higher education institutions.

A month prior to the launch of Nevada Global, GOED implemented a soft launch/pilot which generated a significant amount of interest. As part of the soft launch Nevada Global conducted its first recruiting trip to Poland led by GOED's Director of Special Projects, Pawel Pietrasienski. Mr. Pietrasienski conducted a one-week boot camp for thirty companies in Lublin, Poland in partnership with the Lubelskie Government and the Polish American Chamber of Commerce of Nevada. Five of the companies that participated in the boot camp would visit Nevada for one week in July for an orientation of Nevada Global.

In the forthcoming months, an inbound delegation will be visiting from Spain. This delegation would also participate in a Nevada Global boot camp as preparation to enter the U.S. market

In June 2018, GOED signed an MOU with the World Trade Center (WTC), which was owned and operated by the Las Vegas Convention and Visitors Authority. This would further enhance collaboration to build the Las Vegas brand as a global business destination and grow international visitation to both the destination and to tradeshows like CES. Additionally, the MOUs provided the opportunity to expand business opportunities across several industry sectors.

During the months of May and June 2018, GOED International Trade Division provided financial assistance awards through the State Trade Expansion Program Grant to 9 companies for a total amount of $43,000. The financial assistance awards are used to assist companies by offsetting the cost of engaging in export sales activities. GOED had applied for additional funding in order to expand the program in the next biennium.

Nevada Institute for Autonomous Systems (NIAS) has intensified human resource efforts to stand up the Nevada Drone Center of Excellence (NDCOE) for Public Safety and recently completed a Nevada Drone Industry State-wide survey that reflected strong support toward the State of Nevada and NIAS to open the NDCOE. NIAS is in the process of conducting sponsorship reach outs and standing up a fund-raising capability from ground zero. Safe and successful UAS operations rely on quality training, end user education and maximizing public safety processes.

GOED and Bank of Nevada approved two more Nevada Opportunity Fund Loans totaling $150,000. Senate Bill 126 created the Nevada Opportunity Fund. The Nevada Opportunity

AMERICAN OVERSIGHT

Fund was created during the last legislative session to help provide small business owners access to funding. One million dollars of state funds were set aside and available through the Governor's Office of Economic Development to assist businesses unable to meet conventional small business loan qualifications. The Opportunity Loan program had now approved 4 of 5 applicants for a total of $225K. GOED and Bank of Nevada were developing the program and marketing to expand into rural areas.

The Community Development Block Grant (CDBG) approved eight projects for full funding, one project approved for partial funding with conditions. An additional six entitlement projects for ~$500K for Carson City were also approved. This was a great investment in the rural communities, and certainly more community development focused versus pure economic development. This was an important piece of the puzzle when looking at rural communities and the opportunities for CDBG grants and the Main Street Program.

The IRS certified Nevada's 61 Opportunity Zone census tracts. GOED was currently looking to build a task force to ensure investment opportunities are highlighted to as many people as possible and to encourage local investment.

The Nevada Film Office's new online locations directory was completed and online. The Directory was designed to better connect potential film locations around Nevada with production companies, giving local businesses more control and more opportunity.

Together with the Nevada Department of Transportation (NDOT), Nevada Procurement Technical Assistance Center (PTAC) went on an outreach trip at the beginning of May to Winnemucca, Lovelock, Elko, Battle Mountain, Ely and Eureka. The purpose was to promote PTAC's free procurement technical assistance regarding public sector contracting and subcontracting, provide training on how to do business with the government, and deliver training on how to do business with NDOT. A total of 11 business representatives attended the workshops.

The Workforce Innovations for New Nevada (WINN) program is expanding and growing. A focus issue was establishing a pipeline of nursing and health professionals. The first stage of the solution strategy would be rolled out from July to December 2018 and would target faculty development for the Certified Nursing Assistant (CAN) programs offered at the high school level. Director Anderson highlighted Ms. Bostwick as a tremendous resource for the WINN program.

Director Anderson commended Mr. Potts, GOED's Research Director, for his contribution to the state and the nation regarding workforce development. Director Anderson noted Mr. Potts' comprehensive understanding of workforce development, how it affects the ability to grow in a sustainable way, and how to build the infrastructure and pipelines for employers immediate and future needs.

AMERICAN OVERSIGHT

In June 2018 GOED welcomed Mr. Joel Lenz as its new Mining Industry Specialist. Mr. Lenz had over 35 years of Nevada mining and leadership experience culminating as the General Manager of the Newmont Phoenix mine. Mr. Lenz was based in GOED's Elko office.

11. STATE OF NEVADA UNEMPLOYMENT RATE UPDATE ABATEMENT APPLICATIONS FOR BOARD APPROVAL as established by the Research and Analysis Division of the Nevada Department of Employment, Training and Rehabilitation.

Agenda item 11. was for information only. GOED is committed to providing this information for each Board meeting. There were no questions or comments regarding this item.

12. PUBLIC COMMENT

Governor Sandoval asked if anyone from the public sought to make public comment. No public comment was provided.

13. ADJOURNMENT

A MOTION WAS MADE BY SECRETARY CEGAVSKE TO ADJOURN THE MEETING. THIS MOTION WAS SECONDED BY DR. BENNETT. THE MOTION PASSED UNANIMOUSLY.

Jojo,

Just wanted to ensure you were tracking a potential provider for rural service. Axion is a satellite entertainment provider that has moved relocated to Reno and was approved for incentives at the last GOED board meeting (draft minutes attached – item 5B)/ “Mr. Wendt advised Axion Corporation provided advanced satellite technologies and services that enabled consumer and residential access to a new generation of high throughput satellites.” And “ Governor Sandoval inquired whether the company’s service would be accessible in rural Nevada. Mr. Wendt confirmed this was accurate and advised the first three spot beams to be launched would be in northern Nevada. Thus, providing broadband capabilities to any citizen in the State of Nevada.”

I’ve also attached their board application packet.

I am not sure they are a fit to integrate into your programs but they might be. I can find a good POC if you’d like to connect with them. - Matt

AMERICAN OVERSIGHT

STATE OF NEVADA
GOVERNOR'S OFFICE OF ECONOMIC DEVELOPMENT
BOARD MEETING
May 17, 2018

The meeting of the Board of Economic Development was called to order by Governor Brian Sandoval at the Legislative Counsel Bureau, 401 South Carson St, Room 3137, Carson City, Nevada, 89701; and via video conference at the Grant Sawyer Building, Legislative Counsel Bureau, Room 4412, 555 E. Washington Avenue, Las Vegas, Nevada, 89101.

1. CALL TO ORDER, ROLL CALL AND ESTABLISH QUORUM

VOTING BOARD MEMBERS PRESENT

Governor Brian Sandoval, State of Nevada
Lieutenant Governor Mark Hutchison, State of Nevada
Secretary of State Barbara Cegavske, State of Nevada
Dr. Weldon Havins, Director, Medical Jurisprudence and Ophthalmology, Touro University Nevada
Mr. Adam Kramer, Executive Vice President of Strategy, Switch, Inc.
Mr. James Barrett, Jr., President and Founder, The JABarrett Company
Dr. Dana Bennett, President, Nevada Mining Association
Mr. Dan Klaich, Voting Member at Large
Mr. Raymond Specht, Founder and CEO, Specht Leadership Consulting

NON-VOTING BOARD MEMBERS PRESENT

Mr. Don Soderberg, Director, Department of Employment Rehabilitation and Training

NON-VOTING BOARD MEMBERS ABSENT AND EXCUSED

Dr. Thom Reilly, Chancellor and Chief Executive Officer, Nevada System of Higher Education

STAFF MEMBERS PRESENT

Paul Anderson, Executive Director, GOED, Secretary of Board
Derek Armstrong, Deputy Director, GOED
Karsten Heise, Director of Technology Commercialization, GOED
Ryan Smith, Director of Business Operations, GOED
Brian Baluta, Director of Communications, GOED
Bob Potts, Director of Research, GOED
Stacey Bostwick, Workforce Development Program Coordinator, GOED
Gillian Barclay, Healthcare Industry Specialist, GOED
Michelle Sibley, Executive Assistant / HR Coordinator, GOED

AMERICAN OVERSIGHT

Melanie Sheldon, Program Manager, GOED
Mariah Heriman, Executive Assistant / Program Management Specialist, GOED

GUESTS PRESENT

Assemblywoman Irene Bustamante-Adams
Scott Anderson, Secretary of State's Office
Peter Keegen, Attorney General's Office
Shelli Long, Department of Taxation
Lezlie Helget, Department of Taxation
Lieutenant J. Wilson, Nevada Department of Corrections
Jeannette Calderan, Nevada State Board of Nursing
Catherine Prato-Lefkowitz, Nevada State Board of Nursing
Phil Klevorick, Clark County Economic Development
Bill Arent, City of Las Vegas

2. PUBLIC COMMENT

Mr. Brian Wilcox, Chief Information Security Officer (CISO), BlackRidge Technology (BlackRidge), provided public comment in Carson City. Mr. Wilcox advised he was the former CISO for the State of Nevada prior to joining Blackridge, a military grade cyber defense security company headquartered in Reno, Nevada. Mr. Wilcox noted his previous role had awarded him a unique vantage point to understanding the strengths, weaknesses, threats, and opportunities of the state's cyber defenses. Mr. Wilcox advised he'd come in front of the Board as an extension of his public trust obligation fostered while in official capacity with the state. Mr. Wilcox noted BlackRidge was unique in providing a solution that forever changed safe internet communications. Transport Access Control (TAC), the primary of seven patents held by BlackRidge, acts as the liaison between the chaos of the internet and organizational networks, preventing unapproved traffic from being initiated. The solution authenticates every connection on the first packet of data, resulting in an immediate reduction in malicious, unwanted traffic that poses the bulk of cyber threats. Mr. Wilcox would continue informing Nevada's state entities that the next generation of cyber defenses had arrived and BlackRidge would be managing efforts through the Nevada Office of Cyber Defense Coordination.

AMERICAN OVERSIGHT

Mr. Jared Smith, Chief Operating Officer, Las Vegas Global Economic Alliance (LVGEA) provided public comment from Las Vegas. Mr. Smith noted the May 17 meeting agenda comprised the most projects LVGEA had ever represented at a GOED Board meeting. Mr. Smith commended the companies, Nevada's Economic Development infrastructure staff, and the state's incentive and abatement programs.

3. GOVERNOR SANDOVAL'S COMMENTS

Governor Brian Sandoval opened the meeting and welcomed new Nevada Governor's Office of Economic Development (GOED) Board member Mr. Adam Kramer, Executive Vice President of Strategy, Switch, Inc. Mr. Kramer thanked Governor Sandoval and noted he was greatly appreciative for the opportunity to serve on the Board.

Governor Sandoval noted the meeting's robust agenda and thanked the GOED Board, Regional Development Authorities, local governments, and Nevada's institutions of higher learning for their work with companies considering Nevada for relocation or expansion.

4. APPROVAL OF THE MARCH 15, 2018 BOARD MEETING MINUTES

A MOTION WAS MADE BY MR. DAN KLAICH TO APPROVE THE MARCH 15, 2018 MEETING MINUTES; THIS MOTION WAS SECONDED BY MR. KRAMER. THE MOTION PASSED UNANIMOUSLY.

5. ABATEMENT APPLICATIONS FOR BOARD APPROVAL:

A. ADVANCED TECHNOLOGIES MANAGEMENT, INC. DBA PICTOGRAPHICS

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Perry Ursem, Vice President of Business Retention and Expansion, LVGEA presented Advanced Technologies Management, Inc. dba Pictographics (Pictographics), and provided a brief overview of the company and abatements sought. Pictographics is an industry leader in print technology, utilizing the latest hardware to deliver the highest quality products. The company produced graphics for events, trade shows, interior design, and architectural installations and is was a manufacturer for strategic partners. The expansion would add 27 new jobs, producing an average hourly wage of $27.35, and capital investment projections of $17.6m. Mr. Ursem was joined by Mr. Craig Miller, President and Chief Executive Officer, Pictograhics.

Mr. Miller advised Pictographics planned to expand its existing southern Nevada manufacturing facility in conjunction with leasing or purchasing a second facility. The company started as a family-run, suburban home-based, credit-card-financed business and evolved into a 'world class' company. The company has been the principal graphics provider for the Fiesta Bowl, BCS

AMERICAN OVERSIGHT

National Championship, NBA All Star Games, and for key exhibitors at the Consumer Electronics Show (CES) including Intel, Nokia, and LG Electronics. Pictographics continued to expand its market by becoming a total solution provider and by partnering with other solutions companies. Mr. Miller noted the company was currently forming an alliance with Hewlett-Packard (HP) to become a manufacturing center for 3D printing. Pictographics had been named the beta site for HP's new 580 color printer and the beta site for Mimaki USA's 3DUJ-553 photorealistic 3D printer.

Lieutenant Governor Mark Hutchison asked whether the company's technology was intellectual property (IP) protected. Mr. Miller confirmed Pictographics had several patents and initial access to certain products and technologies. To support this the company had teamed up with high schools, and the university system, to develop the talent pipeline required for the progressive additive manufacturing sector. Additionally, the company planned to grow its intern program to offer internships to UNLV undergraduate and graduate students. Mr. Miller highlighted the University of Las Vegas' (UNLV) engineering program and noted the company had excellent experiences working with Mr. Rama Venkat, Dean, UNLV Howard R. Hughes College of Engineering.

A MOTION WAS MADE BY MR. KLAICH TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, MODIFIED BUSINESS TAX ABATEMENT, AND PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5A. THIS MOTION WAS SECONDED BY SECRETARY OF STATE BARBARA CEGAVSKE. THE MOTION PASSED UNANIMOUSLY.

B. AXION CORPORATION

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Stan Thomas, Executive Vice President, Economic Development Authority of Western Nevada (EDAWN), presented Axion Corporation and provided a brief overview of the company and abatements sought. Axion Corporation is a provider of satellite-based entertainment services for the consumer and commercial markets. Axion Corporation is considering establishing a facility in Reno, NV. The northern Nevada facility would house the company's engineering, manufacturing, distribution, headquarters, and satellite support services. The company planned to invest over $27m in capital equipment and anticipated hiring 205 employees with an average wage over $40.00 an hour. Mr. Thomas was joined by Mr. Thomas Wendt, Chief Executive Officer, Axion Corporation

Mr. Wendt advised Axion Corporation provided advanced satellite technologies and services that enabled consumer and residential access to a new generation of high throughput satellites. Axion Corporation would initially deliver products in the United States however the first satellite's coverage would include North America, Mexico, Latin America, the Caribbean. The company's initial target market was the 14 million households in the United States currently with little or no

AMERICAN OVERSIGHT

access to residential broadband services. The economic incentives and dynamic business climate were important reasons Axion Corporation had reviewed as a Nevada location.
Governor Sandoval inquired whether the company's service would be accessible in rural Nevada. Mr. Wendt confirmed this was accurate and advised the first three spot beams to be launched would be in northern Nevada. Thus, providing broadband capabilities to any citizen in the State of Nevada.

Governor Sandoval inquired about the specific skill sets sought in employees. Mr. Wendt advised approximately half of the company's employees would be required to have engineering skillsets. However, the company would also be seeking to fill roles in manufacturing, distribution, IT, business development, and corporate headquarter positions.

Governor Sandoval inquired whether the company planned to work with Nevada learning institutions for recruitment purposes. Mr. Wendt noted the company anticipated collaborating with the University of Reno (UNR) and UNLV for hiring and employment program purposes.

Secretary of State Cegavske inquired whether the company also planned to reach out to community colleges. Mr. Wendt advised EDAWN had connected the company with local community colleges and Axion Corporation was exploring the opportunity to develop a 12-week training process.

A MOTION WAS MADE BY LIEUTENANT GOVERNOR HUTCHISON TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5B. THIS MOTION WAS SECONDED BY DR. WELDON HAVINS. THE MOTION PASSED UNANIMOUSLY.

C. CAREMARK, LLC
- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

D. CAREMARK, LLC
- **CATALYST FUND**

Governor Sandoval advised Agenda Items 5C and 5D would be heard together.

Mr. Michael Walsh, Vice President of Economic Development, LVGEA, presented Caremark, LLC, and provided a brief overview of the company and abatements sought. Caremark, LLC, operates as a subsidiary of the American retail and health care company CVS Health (CVS). CVS is a Fortune 10 company and is presently the largest pharmacy chain in the United States in terms of number of locations and total prescription revenues. Caremark, LLC offers prescription benefits management services in the United States. The company designs and fulfills prescription drug benefit plans. The company offers prescription benefit services, including local retail pharmacy and home delivery options; specialty pharmacy services, such as pharmaceuticals and other therapeutic services for participants with chronic or genetic disorders; and care patterns

AMERICAN OVERSIGHT

disease management programs, which provide participant care for complex conditions. Caremark, LLC anticipates hiring 102 new employees in the first 24 months of operations, with an average hourly wage of $25.73. The company anticipated making a capital investment of $5m in equipment. Mr. Walsh thanked Mr. Gustavo Perez, Senior Manager - Indirect Tax, Ernst & Young for bringing this opportunity to the State of Nevada. Mr. Walsh was joined by Mr. Dan Klein, Director of Engineering, Caremark, LLC.

Mr. Klein advised CVS/Caremark, LLC had recently been focused on the creation of a prescription management service center that would provide innovative tools and strategies to help improve clinical outcomes for client plan members while assisting them in managing pharmacy overall health care costs. The company was seeking the most operationally efficient and cost-effective location to accommodate its business needs as the company was planning for large capital and hiring commitments. Mr. Klein highlighted the company's commitment to community engagement and corporate citizenship via event sponsorship, volunteerism, and disaster relief. The company is also committed to leveraging local universities to increase high-paying positions in the pharmaceutical sector, which in turn would drive industry growth. Mr. Klein noted the opportunity for partnerships and collaborations with UNLV, the College of Southern Nevada (CSN), and other southern Nevada institutions.

Governor Sandoval requested additional information on the role of a prescription management service. Mr. Klein advised the center would be staffed with employees versed in handling high-touch patient counseling, coaching, and therapy management. In the specialty pharmacy business there was a significant volume of high-touch patients requiring nursing, pharmacist intervention, and additional specialized medical services. The services provided by the new facility would be focused nationally and delivered telephonically.

Governor Sandoval inquired about the specific skill sets sought in employees. Mr. Klein advised the company would primarily be seeking pharmacy technicians, pharmacists, and nurses.

Governor Sandoval asked about the company's next steps should it be awarded the abatements sought. Mr. Klein advised the company would make it final decision, on the location for its prescription management service center, within a week.

Governor Sandoval inquired whether Nevada's incentive packages were important in terms of the company's decision to locate in Nevada. Mr. Klein confirmed this was a critical factor in the company's decision-making process.

A MOTION WAS MADE BY MR. RAYMOND SPECHT TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5C, AND A CATALYST FUND GRANT IN AN AMOUNT NOT TO EXCEED $350,000, AS DESCRIBED IN AGENDA ITEM 5D. THIS MOTION WAS SECONDED BY MR. KRAMER. THE MOTION PASSED UNANIMOUSLY.

AMERICAN OVERSIGHT

E. FORTRESS INNOVATIONS, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Ursem, LVGEA, presented Fortress Innovations, Inc. and provided a brief overview of the company and abatements sought. Fortress Innovations, Inc. is a vertically integrated company that manufactures and sells a proprietary structural wall system named the "1WallSystem™ which allows construction to be done faster, stronger, less-expensive and with the highest energy-efficiency and fire ratings in the market. The company also manufactures steel framing components, steel trusses and distributes a suite of proprietary insulation paints/coatings for commercial, industrial and domestic/residential use that significantly increase energy performance by deflecting over 98% of the sun's heat and ultraviolet rays and significantly reduces acoustic levels while providing a protective "skin" over the structure to protect it against the elements over a 25-year life-cycle. The project would include 30 new hires at an average hourly wage of $25.18, and a capital investment of approximately $5.6m. Mr. Ursem was joined by Mr. Dean Pardee, Chief Executive Officer, Fortress Innovations, Inc.

Mr. Pardee advised the Fortress Innovations, Inc. planned to build a 275,000-square-foot permanent manufacturing facility in southern Nevada. In order to commence production while its manufacturing plant was built, the company would lease 10,000 to 20,000 square feet in a Nevada location. Mr. Pardee noted the company was a US military veteran 1st hiring company and would actively participate in military support, environmental, affordable housing, homelessness, and animal therapy support initiatives.

Governor Sandoval asked if the company planned to do its own development or sell its projects to developers. Mr. Pardee advised the company planned to do both. The company was currently speaking with several large builders and companies directly involved with the residential and commercial construction industry in Nevada. There may be opportunity build a client base, or form joint ventures in addition to the company's own projects.

Mr. James Barrett inquired about the specific skill sets sought in employees. Mr. Pardee advised, from a framing standpoint, a team could be trained within 48 hours. The company had significantly simplified the building process to enable this. The Los Angeles Department of Building and Safety had stated it was the best technology seen in 30 years.

Mr. Specht asked about the company's employment projection of 180 new jobs created in five-years. Mr. Pardee advised there would be employment across all areas of the company including factory workers, field construction, developers, and construction managers.

A MOTION WAS MADE BY MR. BARRETT TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5E. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

AMERICAN OVERSIGHT

F. FULCRUM SIERRA BIOFUELS, LLC

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**
- **REAL PROPERTY TAX ABATEMENT**

Ms. Nancy McCormick, Senior Vice President of Retention and Expansion, EDAWN, presented Fulcrum Sierra Biofuels, LLC and provided a brief overview of the company and abatements sought. Fulcrum Sierra BioFuels, LLC (Fulcrum) is a wholly-owned subsidiary of Fulcrum BioEnergy, Inc (FBE). FBE was formed to develop a reliable and efficient process for converting municipal solid waste (MSW) into renewable transportation fuels. Fulcrum Sierra BioFuels, LLC's existing Feedstock Processing Facility in Storey County processes MSW-derived feedstock to be shredded and compacted for transport to the company's Biorefinery, where it would be converted into renewable transportation fuels, including jet fuel and diesel. The Biorefinery, also in Storey County, would produce transportation fuel that competed directly with high-priced fossil fuels, and was expected to have a lower cost, lower carbon, and lower emissions than traditional fossil fuel alternatives. Collectively the Feedstock Processing Facility and Biorefinery would convert approximately 175,000 tons per year of MSW, or household garbage, into approximately 10.5 million gallons per year (800 barrels per day) of renewable Syncrude that would be upgraded and processed into low-carbon transportation fuel products. The project would include an equipment investment of approximately $13.25m, and building costs exceeding $12.9m. The company would add 13 positions at an average hourly rate of $22.04. Ms. McCormick was joined by Ms. Jeanne Benedetti, Senior Director Project Development, Fulcrum Sierra Biofuels, LLC.

Ms. Benedetti advised Fulcrum planned to commence the Stage 2 expansion of its Feedstock Processing Facility located in Storey County, Nevada. This will include an additional 29,000 square-feet of building to accommodate the installation of additional processing equipment.

Governor Sandoval inquired whether the waste streams came directly to the company, or through a waste management organization. Ms. Benedetti advised, the trash went through the local waste management transfer station. When Fulcrum was ready to receive a trash shipment it turned on a green light at the front of its facility. The route trucks going past would turn into Fulcrum’s facility rather than continuing a quarter mile to the scale house.

Governor Sandoval asked whether the company’s process could make landfills obsolete. Ms. Benedetti noted the company could not accept trash such as tires and mattresses, however the process contributed to a significant landfill reduction.

Mr. Klaich asked about the economics of this process. Ms. Benedetti advised Fulcrum’s product costs approximately one dollar a gallon to produce. As the feedstock was free the production costs were significantly less than those of fossil fuel.

A MOTION WAS MADE BY MR. KRAMER TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, A PERSONAL PROPERTY TAX ABATEMENT, AND A REAL PROPERTY

AMERICAN OVERSIGHT

ABATEMENT AS DESCRIBED IN AGENDA ITEM 5F. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

G. KRS GLOBAL BIOTECHNOLOGY, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

H. KRS GLOBAL BIOTECHNOLOGY, INC.

- **CATALYST FUND**

Governor Sandoval advised Agenda Items 5G and 5H would be heard together.

Mr. Walsh, LVGEA, presented KRS Global Biotechnology, Inc., and provided a brief overview of the company and abatements sought. KRS Global Biotechnology, Inc. makes custom pharmaceuticals; sterile products such as syringes and IV bags; purified water for drug manufacturing; and a kit used by hospitals and other compounding pharmacies to test their technicians. The company provides its services to patients, surgery centers, ophthalmology clinics, hospitals, universities, and veterinarians nationwide and is committed to being the top provider of these compounding services while developing quality processes that facilitate the highest level of safety for patients of parenteral, enteral, oral, and topical preparations. KRS Global Biotechnology, Inc. is a FDA registered medical device manufacturer and registered 'outsourcer of human drugs' under The Drug Quality and Security Act, a law designed to help protect consumers from exposure to pharmaceutical drugs that may be counterfeit, stolen, contaminated, or otherwise harmful. The project would involve the hire of 50 new employees in at an average hourly wage of $25.00 and a capital investment of $34.5m. Mr. Walsh was joined by Mr. Riccardo Roscetti, President and Chief Operating Officer, KRS Global Biotechnology, Inc.

Mr. Roscetti advised, as a result of the increased demand for the company's products and services, KRS Global Biotechnology, Inc. would be expanding capacity to provide additional manufacturing, research and development, and warehousing operations. The company is currently evaluating the construction of a licensed pharmaceutical manufacturing facility. The new facility would be 150,000 square foot of newly constructed space housing clean rooms, production lines, and warehousing.

Governor Sandoval asked about the roles to be filled at the company’s new facility. Mr. Roscetti advised there were various skill sets sought, one of these being technicians. The company had previously set up a technician training school, in Florida, for pharmacy tech certifications. Mr. Roscetti noted the company would seek opportunities to work with local colleges and universities to train the workforce for its new facility.

Governor Sandoval asked, assuming favorable consideration of its application, would the company be likely to select Nevada. Mr. Roscetti confirmed the company was committed to a Nevada location and noted the company had been attracted to Nevada for its well-trained

AMERICAN OVERSIGHT

workforce, attractive economic environment, and commitment to the biotechnology pharmaceutical space via the UNLV Medical School.

Lieutenant Governor Hutchison asked if UNLV's Medical School has been an integral factor in the company's decision to consider Nevada. Mr. Roscetti confirmed and advised generally, strong medical schools had the talent, production capabilities, and products sought by the company.

Lieutenant Governor Hutchison asked if the company had been in contact with the UNLV Medical School thus far. Mr. Roscetti advised the company planned to make contact regarding collaboration opportunities

A MOTION WAS MADE BY MR. BARRETT TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5G, AND A CATALYST FUND GRANT IN AN AMOUNT NOT TO EXCEED $640,000, AS DESCRIBED IN AGENDA ITEM 5H. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

I. POLARIS INDUSTIRES, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Andrew Haskin, Director of Business Development, Northern Nevada Development Authority (NNDA), presented Polaris Industries, Inc., and provided a brief overview of the company and abatements sought. Polaris Industries, Inc. designs, engineers, manufactures, and markets power sports vehicles worldwide. The company offers ORVs, including all-terrain vehicles and side-by-side vehicles for recreational and utility use; snowmobiles; motorcycles; and low emission, light duty hauling, passenger, commercial, and industrial vehicles, as well as snow bike conversion kit systems. Polaris Industries, Inc. also produces or supplies various replacement parts and accessories and manufactures, distributes, retails, and installs aftermarket parts and accessories for light trucks, jeeps, sport-utility vehicles, and other four-wheel drive vehicles. In addition, the company sells recreational apparel through a network of dealers and distributors, as well as online. The project would create 64 new jobs at an average hourly wage of $21.95 an hour with an approximate investment of $13.6m in capital equipment. Mr. Haskin was joined by Mr. Paul Eickhoff, Senior Director of Distribution, Polaris Industries, Inc.

Mr. Eickhoff advised Polaris Industries, Inc. was considering building a 500,000 square-foot facility in the Lyon County. The proposed project would establish the company's first western United States distribution center.

Governor Sandoval asked whether the company would seek a new or existing facility. Mr. Eickhoff advised the company would be seeking a green field, ground up build.

AMERICAN OVERSIGHT

Governor Sandoval asked, assuming favorable consideration of its application, would the company be likely to select Nevada. Mr. Eickhoff advised a decision was anticipated within the forthcoming few weeks.

Mr. Kramer noted the company's application listed the City of Fernley, as a potential location, and highlighted that the Mayor of Fernley was a committed partner in economic development, and would be a great local partner for the company.

A MOTION WAS MADE BY MR. KLAICH TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5H. THIS MOTION WAS SECONDED BY SECRETARY OF STATE CEGAVSKE. THE MOTION PASSED UNANIMOUSLY.

J. RITCHIE BROS. AUCTIONEERS (AMERICA), INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Ursem, LVGEA presented Ritchie Bros. Auctioneers (America) Inc. (RBA), and provided a brief overview of the company and abatements sought. RBA is the world's largest industrial auctioneer. The company is headquartered in Burnaby, Vancouver, and has 110 locations in 25 countries and 44 auction sites worldwide. RBA has been operating in the State of Nevada since October 29, 1997. The company operates across multiple sectors including transportation, agricultural, material handling, mining, forestry, petroleum, and marine industries. RBA sells, through unreserved public auctions, a broad range of used and unused industrial assets such as equipment, trucks and other assets utilized in the construction. The expansion would include 25 new jobs at an average hourly wage of $22.94 and project capital investment of $3m. Mr. Ursem thanked Ms. Gina Gavin, Director of Economic Development, City of North Las Vegas (NLV), NLV's Economic Development team, and Mayor John Lee for their letter support of RBA's application. Mr. Ursem was joined by Mr. Randy Berry, Senior Vice President of Digital Operations, RBA, and Mr. Connor Humphrey, Vice President, GovPlanet.

Mr. Berry advised the company planned to expand its southern Nevada operations to establish a 169,080 square-foot warehouse facility that would be used to manage the storage and distribution of equipment. The warehouse will be the central processing center in the region handling storage, logistics, inventory management, auction management, and delivery orders.

Governor Sandoval asked, assuming favorable consideration of its application, would the company be likely to expand in Nevada. Mr. Berry confirmed this was the case.

Governor Sandoval where the company new facility would be located. Mr. Humphrey confirmed the new facility would be located in NLV, close enough to leverage the company's existing auction site for certain asset types not requiring significant indoor storage and handling.

AMERICAN OVERSIGHT

Governor Sandoval asked about the company's hiring and recruitment plans. Mr. Berry advised the company would initially seek to fill key warehouse operations positions and would continue to hire warehouse staff as the company built out its operation. This would include supervisors, inventory management coordinators, merchandising, coordinators, receiving clerks, shipping clerks, and other support personnel.

Lieutenant Governor Hutchison inquired about the online aspect of the business. Mr. Berry noted the company had multiple online selling platforms including IronPlanet selling core heavy equipment, construction, and trucks, and GovPlanet which is focused on government assets.

Mr. Kramer abstained from the vote due to potential conflicts.

A MOTION WAS MADE BY DR. HAVINS TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5J. THIS MOTION WAS SECONDED BY MR. SPECHT. THE MOTION PASSED UNANIMOUSLY.

K. SEPHORA USA, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Walsh, LVGEA, presented Sephora USA, Inc. and provided a brief overview of the company and abatements sought. Sephora USA, Inc. is a French chain of cosmetics stores founded in 1969. Featuring nearly 300 brands, along with its own private label, Sephora offers beauty products including makeup, skincare, body, fragrance, nail color, and haircare. Sephora is owned by luxury conglomerate Moet Hennessy Louis Vuitton as of 1997. Sephora USA, Inc. operates approximately 1,900 locations in 33 countries worldwide, with an expanding base of over 430 stores across the Americas. The company also had 590 Sephora locations in JCPenney stores across the US. In addition to the company's number of stores, Sephora offered its products for sale on its website. The project would comprise approximately $36m in capital investment and the hire of 60 employees at an average wage of $24.05. Mr. Walsh was joined by Mr. Jeff Ritacco, Vice President of Logistics, Sephora USA, Inc. and John Lenio, Executive Vice President, CBRE Group.

Mr. Ritacco advised Sephora USA, Inc. was considering opening a 715,000 square-foot distribution facility in NLV. The proposed project would include a new regional distribution center which would ship products to stores and customers located in 11 western states. At full operations, the new distribution center would process approximately $100m in goods a year. Additionally, all employees would be new and there would be no transfer of jobs from one distribution center to another.

AMERICAN OVERSIGHT

Governor Sandoval asked about the company's next steps should it be awarded the abatements sought. Mr. Ritacco advised the company was keen to decide swiftly and noted the Board's approval of tax incentives would greatly assist the company's decision to locate in Nevada.

Governor Sandoval asked when the company planned to be operational at its new site. Mr. Ritacco advised operations were anticipated to commence by July of 2019.

Mr. Specht highlighted the company's focus on hiring veterans or persons with a disability status. Mr. Lenio advised such hires currently made up 15% of the company's Mississippi facility's workforce and the company frequently worked with states and counties to develop and implement training programs. Mr. Specht noted the potential for partnerships with Opportunity Village.

A MOTION WAS MADE BY SECRETARY OF STATE CEGAVSKE TO APPROVE THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 5K. THIS MOTION WAS SECONDED BY LIEUTENANT GOVERNOR HUTCHISON. THE MOTION PASSED UNANIMOUSLY.

6. ABATEMENT APPLICATIONS FOR DIRECTOR APPROVAL:

A. 3PEA INTERNATIONAL, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Ursem, LVGEA, presented 3PEA International, Inc., and provided a brief overview of the company and abatements sought. 3PEA International, Inc. designs and develops payment solutions, prepaid card programs, and processing services under the PaySign® brand name for corporate, consumer, and government applications. The company offers various services, including transaction processing, cardholder enrollment, value loading, cardholder account management, reporting, and customer service through PaySign® platform, a proprietary card processing platform. It also develops prepaid card programs for healthcare reimbursement payments, pharmaceutical co-pay assistance, corporate expense and per diem payments, and donor payments for source plasma and automobile dealership incentives, as well as payroll cards, general purpose re-loadable cards, travel cards, and loyalty rewards cards for the hospitality industry. In addition, the company offers Buy and Bill programs for patients to purchase directly from physician's office or through an infusion center for physician administered therapies; and Survey Instant Rewards card programs for organizations to gather survey data. The company's principal target markets for processing services comprise prepaid card issuers, retail and private-label issuers, small third-party processors, and small and mid-size financial institutions in the United States and internationally. The project would hire 35 new employees at an average hourly wage of $40.20 with a projected $828,000 in capital investment. Mr. Ursem was joined by Mr. Christian Mueller, Controller, 3PEA International, Inc., and Mr. Mark Newcomer, President and Chief Operating Office, 3PEA International, Inc.

AMERICAN OVERSIGHT

Mr. Newcomer advised, in order to accommodate its southern Nevada expansion plans, 3PEA International, Inc. was seeking to relocate from its current 11,541 square-foot space to a 21,000 square-foot facility. The company relocated to Nevada in 2004 with a total of three employees. Since that time, Nevada had afforded the company a great climate to grow in.

Governor Sandoval asked about the company's recruitment and hiring plans. Mr. Newcomer advised, so far, the company had been able to successfully source its workforce locally. These roles had included customer service relationship management, and front and back-end development, and biopharmaceutical sales.

Director Anderson noted the company's approval for an MBT abatement was contingent upon the Department of Taxation's pending determination on the company's status as a financial institution.

DIRECTOR ANDERSON APPROVED THE APPLICATION FOR A SALES TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 6A. DIRECTOR ANDERSON APPROVED THE COMPANY'S APPLICATION FOR A MODIFIED BUSINESS TAX ABATEMENT, PENDING THE OUTCOME OF THE DEPARTMENT OF TAXATION'S DETERMINATION OF THE COMPANY'S STATUS, AS DESCRIBED IN AGENDA ITEM 6A.

B. ALPHA GUARDIAN

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Walsh, LVGEA, presented Alpha Guardian and provided a brief overview of the company and abatements sought. Alpha Guardian is a leader in the residential safe, security and storage industry. The company was established in August 2017 following the announcement that MidOcean Partners was partnering with Cannon Safe, Inc. and simultaneously combining it with Stack-On Products to create a market leader in the residential safe and secure storage sector. Cannon and Stack-On bring together two highly complementary operations. The project would hire 35 new employees at an average wage of $26.92. The company planned to make a capital investment of $181,530. Mr. Walsh was joined by Mr. Jesse Bugarin, Chief Project Office Alpha Guardian and Mr. Roger Jenkins, Vice President of Finance, Alpha Guardian.

Mr. Bugarin advised Alpha Guardian was planning to expand its current Nevada operations. The company was currently renting a 24,000 square-foot facility in southern Nevada. The planned expansion would require a facility of at least 100,000 square feet. The company was also considering relocating its Chicago Stack-On brand operations from Illinois to Las Vegas.

Lieutenant Governor Hutchison asked about the operations at the expanded facility. Mr. Bugarin advised the expansion would primarily accommodate distribution.

AMERICAN OVERSIGHT

Mr. Jenkins noted the company had experienced great success working with UNLV to offer internship programs. One participant in the internship program had been hired by the company upon graduating. Mr. Jenkins also noted the company had a commitment to supporting its employees' learning and growth and had implemented a program called Alpha Guardian University. The program focused on adult literacy. Alpha Guardian University has executed 1,300 hours of training between 2016 and 2018.

DIRECTOR ANDERSON APPROVED THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 6B.

C. CANNAE HOLDINGS, INC.

- **SALES TAX ABATEMENT**
- **MODIFIED BUSINESS TAX ABATEMENT**
- **PERSONAL PROPERTY TAX ABATEMENT**

Mr. Walsh, LVGEA, presented Cannae Holdings, Inc., and provided a brief overview of the company and abatements sought. Cannae Holdings, Inc. is a diversified investment company headquartered in Las Vegas. The firm primarily invests in restaurants, technology enabled healthcare services, financial services and more. Cannae's strategic acquisitions contain a mix of majority and minority owned businesses with significant underlying value. These holdings include majority and minority equity investment stakes in a number of entities, including American Blue-Ribbon Holdings, LLC (ABRH), and Ceridian Holding, LLC (Ceridian). In October 2017, the company purchased the shares of T-System Holding, LLC. T-System is a provider of clinical documentation and coding solutions to hospital-based and free-standing emergency departments and urgent care facilities. The project would hire 50 new employees at $36.90. The company planned to make a capital investment of approximately $1.1m. Mr Walsh was joined by Mr. Richard Cox, Executive Vice President and Chief Financial Officer, Cannae Holdings, Inc. and Mr. Gary Amico, Amico and Associates, Inc.

Mr. Cox advised Cannae Holdings, Inc. was considering building headquarter operations adjacent to its existing Las Vegas facility. The project would involve hiring of financial, information technology, and accounting personnel.

Mr. Cox highlighted the company's commitment to Las Vegas and the local community and noted the company was involved in various corporate citizenship and community engagement activities. The executive group of Cannae included Mr. Bill Foley, the lead person of the ownership group responsible for bringing the National Hockey League to Las Vegas and Nevada. The Vegas Golden Knights were associated with the Golden Knights Foundation, an organization that serves as the primary charitable link between the Vegas Golden Knights and the Las Vegas community.

The Folded Flag Foundation was also an organization with an executive board that included Mr. Bill Foley and Mr. Richard Cox, the CFO of Cannae Holdings, Inc. The Folded Flag Foundation's mission was to provide educational scholarships and support grants to the spouses and children of the United States military and governmental personnel who died as a result of

AMERICAN OVERSIGHT

hostile action or in an accident related to U.S. combat operations. The Folded Flag Foundation recently held an event at The Cosmopolitan on March 29, 2018 where it raised more than $50k to help support the families of fallen heroes.

Director Anderson asked whether the company intended to hire locally. Mr. Cox advised the company initially sought to recruit locally. So far, most of the company's workforce had been sourced from Las Vegas, and the company anticipated this continuing to the extent the required talent was available.

Director Anderson inquired whether the company worked with any of the universities for recruiting purposes. Mr. Cox advised the company offered entry level roles and was currently looking at partnerships with UNLV and other local learning institutions. The company also planned to explore collaborations with UNLV to develop internship programs.

DIRECTOR ANDERSON APPROVED THE APPLICATION FOR A SALES TAX ABATEMENT, A MODIFIED BUSINESS TAX ABATEMENT, AND A PERSONAL PROPERTY TAX ABATEMENT AS DESCRIBED IN AGENDA ITEM 6C.

7. WORKFORCE INNOVATION FOR THE NEW NEVADA (WINN) FUND PROGRAM APPLICATIONS - FOR BOARD APPROVAL

A. RENO AREA DATA ANALYTICS - REQUEST FOR APPROVAL TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $300,000

Ms. Stacey Bostwick, Workforce Development Program Coordinator, GOED, introduced Agenda Item 7A and noted GOED has been working with its partners Truckee Meadows Community College (TMCC), NCLab, and Desert Research Institute's AIC to develop a first building block of the Machine Learning option within the Advanced Automation and Robotics track of LEAP Advanced ICT (Information Communications Technology). This building block would address the growing workforce requirements for skills in Data Analytics and would be a decisive contribution to add to and considerably strengthen the talent pool in this field benefitting effectively every industry in Nevada as well as attracting 21st century technology heavy companies to locate in the state. This project was now seeking funding to develop a completely online, hands-on and self-paced learning program (non-credit) and make it available to 500 workers and job seekers, in the Reno area, to provide the skills and knowledge necessary for employment and growth in analytical professions. Ms. Bostwick was joined by Ms. Barbara Walden, Director of Applied Technologies, TMCC, Mr. Vasily Kamyshanov, the Chief Operating Officer, NCLab, and Mr. Russ Riggs, the Chief Operating Officer, Lift 361.

Ms. Walden noted, as Nevada's economy became more diverse, it brought the challenge of upskilling the workforce. The Panasonic Preferred Pathway (P3) training program was an example of meeting those workforce challenges via innovative programs and delivery methods. This had enabled Panasonic to hire the trained employees it required at the Tesla Gigafactory and allowed for Nevadans with no advanced manufacturing experience to receive the training necessary to work in one of Nevada's most promising and emerging industries. Another

AMERICAN OVERSIGHT

identified challenge was building Nevada's technology sector pipeline. Coding, cyber security, and data analytics were greatly in-demand skill sets. Additionally, these skills were not unique to technology, and crossed every industry sector including marketing, health care, business, and government.

Mr. Kamyshanov advised NCLab had developed online courses for STEM disciplines and was currently part of a Nevada Ready 21 Program for middle schools. NCLab is also working with Clark County, Washoe County, and rural areas of Nevada. This project would enable NCLab to qualify students to become workforce ready for technology based careers.

Mr. Riggs advised his company focused exclusively on analytics. The company offered custom analytics based on client's specific needs. The company's services were highly specialized and attracting talent had been difficult in the past. Mr. Riggs stated the project would introduce more data analytics into schools and equip more students with skills in this area.

Governor Sandoval inquired about the process of signing up for the program. Ms. Walden advised, for the purposes of the WINN funds, there would be an intake process including an application for the funding and assessment of an applicant's overall objective in participating and completing the program.

Director Anderson inquired about the program development and maintenance costs. Mr. Kamyshanov advised online education has a solid propriety platform to deliver complex knowledge to people, and this course would be developed together with participating companies to really match the job demand. Once the set was developed the costs to support it would be low. Once developed, it could easily scale to an unlimited number of students.

Director Anderson about the program timeframes. Ms. Waldon noted promotion and intake would commence within two months with a targeted course commencing by October 2018. Each course would take 80-120 hours for completion and it was estimated funding will be fully utilized by June 30, 2019. Program outcomes would be reported and evaluated using self-reported data gathered from participants and employer partners to understand the placement and wage gains experienced as a result of program completion.

A MOTION WAS MADE BY DR. DANA BENNETT TO APPROVE THE REQUEST OF RENO AREA DATA ANALYTICS TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $300,000 AS DESCRIBED IN AGENDA ITEM 7A. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

B. CLARK COUNTY HEALTH AND TECHNOLOGY - REQUEST FOR APPROVAL TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $700,000

Ms. Bostwick introduced Agenda Item 7B. Ms. Bostwick advised this program proposed to develop both a workforce increase in nursing and home health and infuse new technology training and the necessary skills to become effective bridges between clinical and community

AMERICAN OVERSIGHT

settings. This would help improve transitions from clinical to community settings, with strong potential to improve population health outcomes, reduce health disparities, and to control health care costs. Partners of the program include BrightStar Home Health, Hallmark Home Care, Homewatch Caregivers, Home Care Assistance, and the Nevada State Board of Nursing. The proposed strategy established increased capacity to on-ramp into healthcare through Home Healthcare or Nursing Assistant programs with new infusions of technology certifications. Beyond the strong economic value of creating new health jobs in southern Nevada, this approach would support efforts to mitigate the current economic burden incurred by the state due to chronic diseases and hospital readmissions. Students completing the program would represent the future of health care with skills and competencies in the use of technology to improve patient and community health outcomes. Ms. Bostwick was joined by Ms. Luz Castro, Health Care Specialist, College of Southern Nevada (CSN), Ms. Catherine Prato-Lefkowitz, Director of Nursing Education, Nevada State Board of Nursing, and Ms. Cynthia Knight, Director of Client and Caregiver Services, Homewatch Caregivers.

Ms. Castro explained the CSN Division of Workforce and Economic Development program strived to deliver a high-standard curriculum that taught and promoted all competencies and principles required for qualified home health aides and Certified Nursing Assistants (CNA). CNA programs are highly recognized by industry leaders and home health aides were among the fastest growing jobs in the industry. There were several barriers to the required education, the the primary being tuition. CSN also needed to innovate its programs with technology competencies to upskill and deliver a high-quality service to employers and the community. As the program certificates would be offered both online and in-person, students would have flexibility regarding different modes of matriculation. Several employers had already expressed interest in partnering with CSN and hiring its students upon completion of this program.

Ms. Knight advised there was currently a severe shortage of qualified candidates and this had inhibited growth of the business. Homewatch Caregivers had a contract with the Veterans Administration to provide care for veterans in their own home and the company was looking to CSN to develop qualified candidates as quickly as possible.

Ms. Catherine Prato-Lefkowitz advised a CNA certification was a valuable entry point into any health care occupation or profession. Many CNA students, particularly in high schools, had goals of becoming nurses, physicians, or dentists. Increasing the technological literacy for CNAs and nurses would be an effective path to increase competencies. Technology is commonplace in health care. However, it is not as commonplace in the training that CNAs and nurses receive.

Dr. Havins inquired about the tuition costs for a CNA program and the portion of this to be covered under the WINN program. Ms. Bostwick advised tuition for the CNA program was approximately $2,400. The program was structured to cover 100% of this fee.

Lieutenant Governor Hutchison asked how many tuitions would be covered by the program application. Ms. Bostwick advised the current application would cover 250 individuals. However, the objective would be to consistently seek opportunities for integration. In conjunction with WINN there may be scope to leverage additional funding sources for tuitions and increases in technology infusion and certification.

AMERICAN OVERSIGHT

A MOTION WAS MADE BY MR. BARRETT TO APPROVE THE REQUEST BY THE CLARK COUNTY HEALTH AND TECHNOLOGY TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $700,000 AS DESCRIBED IN AGENDA ITEM 7B. THIS MOTION WAS SECONDED BY DR. HAVINS. THE MOTION PASSED UNANIMOUSLY.

8. WORKFORCE INNOVATION FOR THE NEW NEVADA (WINN) FUND PROGRAM APPLICATIONS - FOR DIRECTOR APPROVAL

A. RENO AREA LOGISTICS AND MANUFACTURING RE-ENTRY INITIATIVE-REQUEST FOR APPROVAL TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $75,000

Ms. Bostwick introduced Agenda Item 8A and advised the objective of this program was to provide career development opportunities to individuals involved in the justice system, in northern Nevada, with a direct pathway to higher wage employment. This proposal would create trained, professional individuals, who otherwise may not have the opportunity to work in these industries, and who would meet the needs of local employers to expand their businesses. Quality Plastics, High Mountain Door and Trim, Reno Custom Crating, Sierra Meat and Seafood and Iron had all expressed a need for trained and skilled employees to sustain and expand their Manufacturing and Logistics businesses. Phase One would be launched in May 2018 and include a cohort of 30 participants. Ms. Bostwick was joined by Ms. Camille Vega, Re-Entry Coordinator, TMCC, Mr. Jonathan Wilson, Facility Manager, Northern Nevada Transitional Housing, and Mr. Bill Owensby, IT Director, Quality Plastics.

Ms. Vega stated current data showed one in three Americans had some sort of criminal record. These individuals had minimal support in re-entering society post incarceration. One-half of those released were incarcerated within their first year. Two-thirds were re-incarcerated within three years, and over five years, three-quarters were re-incarcerated. One of the greatest factors in reducing re-incarceration was meaningful employment.

Mr. Wilson advised he joined northern Nevada Transitional Housing in August 2017. Prior to this he'd been with the Department of Corrections for almost 15 years and had noted the lack of transitional support for inmates. Mr. Wilson and Ms. Vega had discussed the potential for certificate programs. Additionally, Mr. Wilson noted he had identified employers interested in participating in the program. Sought after skills pertained to manufacturing, logistics, food preparation, and food safety.

Mr. Bill Owensby advised Quality Plastics advocated for inmate re-entry with 40% of its currently staff being previously incarcerated. The typical new hires from these re-entry programs were reliable and consistent. Additionally, being gainfully employed could contribute to elevated self-worth and lower risks of reoffending. Mr. Owensby advised the company hired him from a restitution center two-years earlier. He now held the position of IT Director.

AMERICAN OVERSIGHT

Governor Sandoval highlighted his position as Chairman of the Board of Prison Commissioners and noted at times parole eligible inmates would select not to parole as they had no job or place to go. Governor Sandoval thanked the employers involved in the application and noted the importance of providing resources, tools and skills for a productive life.

Mr. Don Soderberg commended the program and noted the Nevada Department of Employment, Training and Rehabilitation (DETR) had also been involved in re-entry initiatives. Feedback often highlight how dependable and enthusiastic these employees were with some of the best employees being participants of re-entry programs.

Governor Sandoval asked if the program would also be available to women. Ms. Vega stated the first cohort would solely include 30 males. Best practices in re-entry program development and implementation had identified that men and women were best supported in separate training programs. Ms. Vegas advised the intention was to have a cohort of women in the second semester, pending additional funding.

Governor Sandoval thanked Ms. Vega and encouraged the group to come back to present a second application. Ms. Vega noted the objective was to do so in four months.

DIRECTOR ANDERSON APPROVED THE REQUST FOR RENO AREA LOGISTICS AND MANUFACTURING RE-ENTRY INITIATIVE TO ENTER INTO A WINN GRANT AGREEMENT NOT TO EXCEED $75,000.

9. DIRECTOR'S REPORT - REVIEW AND DISCUSSION

Director Anderson advised GOED's International Trade Division recently completed an advanced planning trip to Ghana, Botswana, and South Africa to prepare for a Governor-led trade mission that would take place in summer 2018. The trip was a success as partnership opportunities were identified in several sectors including trade, water technology, higher education, smart city technology, technology transfer, and good governance.

At the National Governors Association North America Summit in May 2018, Governor Sandoval and Premier Rachel Notley of Alberta, Canada signed an MOU focused on collaboration in the development, testing, and commercialization of drone technology. This followed a successful trade mission to Nevada of over fifty Alberta businesses in February 2018.

Mr. Randy Walden, GOED's Advanced Manufacturing Industry Specialist and Chair of State Apprenticeship Council; oversaw the approval of over 600 apprenticeships which included a recently announced 425 Panasonic employees. The apprentices would be attending classes at TMCC utilizing the flexible delivery manufacturing courses developed for the P3 program last year. This would be the first group of apprentices and would followed in the upcoming months by participants from Tesla as well as other manufacturers in Northern Nevada. Apprenticeships played a vital role in providing a highly qualified workforce for new and existing companies in Nevada.

AMERICAN OVERSIGHT

On April 20, 2018 GOED submitted a list of recommended census tracts, Governor Sandoval, to be designated as Opportunity Zones. Nevada's identification process has been held up as a 'best practice' by Policy Map who was involved in the creation of opportunity zone policy.

The Nevada Film Office (NFO) was working on revamping its online locations directory. The new online locations directory had been designed to better connect potential film locations around Nevada with production companies, giving local businesses more control and more opportunity. The directory was in the final stages and should launch in late May 2018 with an associated marketing campaign commercial promoted on Facebook, Twitter, and potentially local television.

Dr. Barclay was working with the Touro Center for Disaster Life Support, UNLV, the College of Southern Nevada, health industry corporate employers and other stakeholders to develop a series of certificates in Technology for Emergency Preparedness and Disaster Response. These certificates will be offered from high school to graduate level and will contribute to building and strengthening a technology-ready workforce.

Director Anderson welcomed Ms. Bostwick, as GOED's new WINN Coordinator. Ms. Bostwick is based in GOED's Las Vegas office.

10. STATE OF NEVADA UNEMPLOYMENT RATE UPDATE - as established by the Research and Analysis Division of the Nevada Department of Employment, Training and Rehabilitation.

Agenda item 10. was for information only. GOED is committed to providing this information for each Board meeting. There were no questions or comments regarding this item.

11. PUBLIC COMMENT

Mr. Cory Hunt, Deputy Director, GOED provided public comment from Carson City. Mr. Hunt stated May 18, 2018 would be his last day at GOED. Mr. Hunt thanked Governor Sandoval for the great privilege of serving the State of Nevada during his roles with the Governor's Office and GOED. Mr. Hunt also thanked Mr. Steve Hill, Mr. Paul Anderson, Mr. Bob Potts, the GOED Board, Nevada's RDA's, and GOED's staff. Mr. Hunt noted he looked forward to continuing opportunities and projects that would support Nevada's growth.

Governor Sandoval wished Mr. Hunt the best in his future endeavors and commended his contribution to the State of Nevada and dedication to the multiple projects he'd been involved in.

Assemblywoman Irene Bustamante-Adams, Chief Strategy Officer, Workforce Connections, provided comment from Las Vegas and thanked the GOED Board for supporting the Clark County Health and Technology WINN Fund application. Assemblywoman Bustamante-Adams also thanked Dr. Gillian Barclay, Healthcare Industry Specialist, GOED for bringing a global vision to Nevada and competitively positioning the state in terms of serving the employer.

AMERICAN OVERSIGHT

12. ADJOURNMENT

A MOTION WAS MADE BY DR. HAVINS TO ADJOURN THE BOARD MEETING. THIS MOTION WAS SECONDED BY MR. KLAICH. THE MOTION PASSED UNANIMOUSLY.

AMERICAN OVERSIGHT

Board Summary

Axion Corporation

505 E. Windmill Lane Suite 1C-117, Las Vegas, NV 89123
Thomas Wendt, Chief Executive Officer
Company Headquarters

Date: May 17, 2018
Main Location: Carson City

Business Type: New | County: Washoe County | Development Authority Representative: Stan Thomas - EDAWN

APPLICATION HIGHLIGHTS

- Axion Corporation is considering establishing a facility in Reno, NV. The northern Nevada facility would house the company's engineering, manufacturing, distribution, headquarters, and satellite support services.
- The target date for the expansion is fall 2018, with operations to commence in November 2018.

PROFILE

Axion Corporation is a provider of satellite-based entertainment services for the consumer and commercial markets. The company is a start-up currently based in Las Vegas, Nevada. After careful consideration of growth potential, the company has formulated plans to relocate to Reno, Nevada from its current location. The company plans to hire and train employees from the local Reno area, and begin engineering, manufacturing, distribution, headquarters, and satellite support services at a location in the Reno area for which we are currently searching. The target date for the physical move is fall 2018, with operations to commence in November 2018. *Source: Axion Corporation*

SIGNIFICANCE OF ABATEMENTS IN THE COMPANY'S DECISION TO RELOCATE/EXPAND

Axion Corporation is eyeing tremendous opportunity in its markets and, like any young company, needs to establish its operations in a cost-effective manner to support its projected growth. The incentive and abatement programs offered through GOED will make it possible to build the company's manufacturing, engineering, distribution, business and headquarters operations in a manner that is pleasing to investors and essential to Axion Corporation's bottom line. These incentives and abatements are of the highest importance to Axion Corporation and the company is grateful to be included as a candidate for these programs. *Source: Axion Corporation*

Carson City, NV 89703

Re: Axion Corporation

Dear Paul;

EDAWN hereby supports the application of Axion Corporation for the Sales & Use Tax Abatement, Modified Business Tax Abatement, and Personal Property Tax Abatement.

Axion is a provider of satellite-based entertainment services for the consumer and commercial markets. The company is planning to relocate its corporate headquarters, manufacturing and engineering to Reno with plans to commence operations by November 2018.

The company will be investing approximately $27,000,000 in capital equipment and plans to hire 205 employees by the end of Year Two at an average wage of $40.60 per hour and 511 employees at the end of 5 years.

The company's compensation package includes medical, dental, and vision benefits. Additional compensation includes merit increases, overtime, PTO/sick/vacation, retirement plan/profit sharing/401K, tuition assistance, retirement plan/profit sharing/401K, and bonus. Employee health insurance is covered 70% by the company and commences upon employment.

EDAWN supports this application as the company meets all three program requirements. Your consideration and support of the incentive application for Axion is a significant factor in their pending decision to expand in northern Nevada and speaks favorably to the State's business-friendly environment.

Sincerely,

Stan Thomas
EDAWN, Executive Vice-President
Business Development

AMERICAN OVERSIGHT

AXION CORPORATION

April 4, 2018

Governor's Office of Economic Development
808 West Nye Lane
Carson City, NV 89703

Dear Commission Members:

Axion Corporation is a provider of satellite-based entertainment services for the consumer and commercial markets. We are a start-up currently based in Las Vegas, Nevada. After careful consideration of our growth potential, our company has formulated plans to relocate to Reno, Nevada from our current location in Las Vegas, Nevada. We plan to hire and train employees from the local Reno area, and begin engineering, manufacturing, distribution, headquarters, and satellite support services at a location in the Reno area for which we are currently searching. The target date for the physical move is fall 2018, with operations to commence in November 2018.

The decision to relocate our operations from Las Vegas operation to Reno was due to several factors, including the business tax structure, cost of living, availability of technical talent, and logistic advantages offered by the region. In addition, Axion is aware of the benefits of the State Incentive Program, and this also was a critical factor in deciding to relocate our manufacturing and engineering operations to Reno.

The relocation plan to Reno involves setting up a manufacturing operation and engineering offices and investments in additional equipment. In order to staff and operate our operations, the plan is to hire up to 205 employees in the first two years, with increases over five years. The average hourly rate of the employees is projected to be $40.60.

We are excited about the market opportunities presented by this relocation and the advantages that locating this facility in Reno will offer our company. In conjunction with Nevada's business-friendly environment, we see this as a first step in what will be increased growth for Axion Corp.

Sincerely,

Peter Vrettas
President & CAO

555 E. Washington 808 W. Nye Lane
Carson City, NV 89703

RE: REQUEST FOR CONFIDENTIALITY OF RECORDS AND DOCUMENTS

Dear Director Anderson:

On April 5, 2018, Axion Corporation submitted an application to you as the Executive Director of the State of Nevada Governor's Office of Economic Development ("GOED") requesting approval of economic incentives for their new operation in Nevada. The purpose of this letter is to request confidentiality pursuant to Section 4 of Assembly Bill No. 17 (2015 Regular Session) as codified in NRS 231.069.

Please be advised Axion Corporation specifically deems the following information proprietary and confidential:

1) The detailed schedule of Employment List
2) The detailed schedule of Capital Equipment List

Thank you for your consideration. If you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Peter T. Vrettas
President & CAO

REQUEST FOR CONFIDENTIALITY DETERMINATION

Pursuant to NRS 231.069, and upon the request of applicant Axion Corporation the Executive Director of the Office has determined the:

(i) The detailed schedule of Capital Equipment List, 5(A)
(ii) The detailed schedule of Employment List, 5(B)

are confidential proprietary information of the business, are not public records, and shall be redacted in its entirety from the copy of the application that is disclosed to the public.

Paul Anderson

Has your company ever applied and been approved for incentives available by the Governor's Office of Economic Development? ☐ Yes ☑ No

If Yes, list the program awarded, date of approval, and status of the accounts (attach separate sheet if necessary):

Section 3 - Program Requirements

Please check two of the boxes below; the company must meet at least two of the three program requirements:

- [x] A capital investment of $1,000,000 in eligible equipment in urban areas or $250,000 in eligible equipment in rural areas are required. This criteria is businesses. In cases of expanding businesses, the capital investment must equal at least 20% of the value of the tangible property owned by the business.
- [x] New businesses locating in urban areas require fifty (50) or more permanent, full-time employees on its payroll by the eighth calendar quarter following quarter in which the abatement becomes effective. In rural areas, the requirement is ten (10) or more. For an expansion, the business must increase employees on its payroll by 10% more than its existing employees prior to expansion, or by 25 (urban) or 6 (rural) employees, whichever is greater.
- [x] In urban areas, the average hourly wage that will be paid by the business to its new employees is at least 100% of the average statewide hourly wage. in rural areas, the average hourly wage will equal or exceed the lesser of the county-wide average hourly wage or statewide average hourly wage.

Note: Criteria is different depending on whether the business is in a county whose population is 100,000 or more or a city whose population is 60,000 or more (i.e., "urban" area), or if the business is in a county whose population is less than 100,000 or a city whose population is less than 60,000 (i.e., "rural" area).

Section 4 - Nevada Facility

Type of Facility:

- [x] Headquarters
- [x] Technology
- [x] Back Office Operations
- [x] Research & Development / Intellectual Property
- [ ] Service Provider
- [x] Distribution / Fulfillment
- [x] Manufacturing

Site Selection Factors

Company Name: Axion Corp. County: Washoe

Section 1 - Site Selection Ratings

Directions: Please rate the select factors by importance to the company's business (1 = very low; 5 = very high). Attach this form to the Incentives Application.

Availability of qualified workforce:	3	Transportation infrastructure:	1
Labor costs:	2	Transportation costs:	1
Real estate availability:	4	State and local tax structure:	5
Real estate costs:	3	State and local incentives:	5
Utility infrastructure:	5	Business permitting & regulatory structure:	3
Utility costs:	2	Access to higher education resources:	3

Please summarize the importance of the abatement program to your decision (please include at least a paragraph summary):

Axion Corp. is eyeing tremendous opportunity in its markets, and like any young company, needs to establish its operations in a cost-effective manner as a springboard to its projected growth. The incentive and abatement programs offered through GOED will make it possible to build our manufacturing, engineering, distribution, business and headquarters operations in a manner that is pleasing to our investors and essential to our bottom line. These incentives and abatements are of the highest importance to Axion, and we are grateful to be included as a candidate for these programs.

VIA EMAIL AND OVERNIGHT MAIL

March 16, 2018

The Honorable Brian Sandoval
Governor of Nevada
555 E. Washington Ave #5100
Downtown, NV 89101

Attn: Mr. Mike Willden, Chief of Staff
governor@govmail.state.nv.us

Re: Opportunity Zones Program

Dear Governor Sandoval:

As you know, the recently-passed federal tax reform legislation created the Opportunity Zones Program that allows the governor of each state to designate up to 25% of low-income census tracts in their state as Opportunity Zones.

The purpose of this letter is to request the designation of Census Tract #32003000301 as an Opportunity Zone. We own approximately 3.28 acres of property in this area. The designation of this Census Tract as an Opportunity Zone would create enormous potential for economic development in Clark County and attract much-needed investment in key local infrastructure projects to this area.

Please designate Census Tract 32003000301 as an Opportunity Zone.

Sincerely,

S.P. Capital Investors, LLC
a California limited liability company

Opportunity Zones By FedEx as well
Message:
Dear Governor Sandoval:

I respectfully request that you designate the following census tracts as Opportunity Zones in order to facilitate investment and development in these low-income areas:

Census Tract: 32003000700
Census Tract: 32003000401

As you know, the federal legislation referred to as the Tax Cuts and Jobs Act of 2017 created the Opportunity Zones Program that allows the governor of each state to designate a certain number of low-income and eligible contiguous census tracts as Opportunity Zones. This would allow investors in these areas to defer taxes on gains made on investments in Qualified Opportunity Funds that directly benefit these zones for many years or even permanently, depending on how long investments are held.

Please designate the qualified tracts listed above as Opportunity Zones in order to drive long-term capital to these areas.

Very truly yours, Tilman J. Fertitta
Chairman, President & CEO

Andrew,

Good morning. I'm trying to locate a "State Unique Opportunity Zone Code" that was on a letter from March 5th from the CDFI to the Governor. Do you have a copy of that letter? If not, I'll try to reach out to the Treasury to get that code. I need it as part of the submission for the Nomination tool. See below per the instructions.

4.1.1 Information on the State and Authorized Representative
In the worksheet labeled "Information," enter the information requested for the State and the Authorized Representative who prepared the Nomination Tool. In addition to the name of the State and the State CEO, **the Authorized Representative must enter the "State Unique Opportunity Zone Code."**This code can be found in the March 5, 2018, letter from CDFI Fund Director Annie Donovan to the State CEO transmitting information on the Nomination Tool and is intended to ensure that the information submitted is authorized by the State CEO.

Hi Derek,

I hope all has gone well working out the final adjustments on the OZ nominations. I am looking forward to the final designation list. I know you are busy today finalizing this through the governor and then getting them into the treasury system so let me know if I can help.

Also, I just want to mention to you that I was talking to Marc Shultz about NMTC a week ago and he mentioned that he knows you. Marc is with Snell &Wilmer Law and he is based in Phoenix. We started talking about the Opportunity Zones and shared some enthusiasm for this new program. Marc is working with a few investors that are already taking steps to start their Opportunity Funds. Phoenix is ahead of the game and will likely attract significant OZ investment like they have for NMTC by thinking ahead of the curve. Marc has a presentation on the OZ program and he would be happy to come to Vegas to conduct a presentation and meet with economic development professionals and parties interested in creating funds. I think this could be a great opportunity to help us get ahead as well. I have enjoyed presenting with Marc before and he is good and unintimidating for these complicated programs. So our thought is maybe GOED would like to pull together a presentation on the OZs. We were thinking that maybe you would like to present from the GOED perspective, Marc from the detail program perspective, one of his fund operators from the investment perspective, and possibly one more group that could add value. I really think this could be a great idea, but my bosses said we should pass that ball to you so you can run with it… meaning we don't want to step on any toes and it is really a GOED program. So I am offering my support and help for this idea of inviting Marc and an investor to town for a day setting up a presentation/panel (we can likely host this here at the NSBC if you like). I would also suggest and facilitate specific meetings between certain local district economic development professionals and potential fund development entities to get things moving as well. Marc was even suggesting early May.

I apologize for tossing this at you on such a busy day, but I thought if you wanted to give a thumbs up I could look at getting the ball rolling while you finish up the nomination process.

Hopefully you have time to let me know your thoughts.

Attachment(s): "NonProfit1.csv","NonProfit2.csv"

Hi,

I'm a little stuck on this one. This gal paid for a list of all non profits in Nevada including names of officers and addresses. The link we sent did not work. Beau was able to get two spreadsheets – one with the list and one with a list of officers and addresses (attached). Now she is asking to combine them into one list. Beau says the lists don't align – so you can't cut and paste but I'm not sure how much effort he has actually expended. Josh says the file will be too big to email anyway and we need to do an FTP but he's not sure of our ability to generate a list either. I can't open the link our office gave her (down in this email chain) to see what the format should be.

Should I start a new request? I feel like she paid for it so she should have it. Or is sending two spreadsheets the best we can do? Which is fine too.

Sorry to bother you with this!

Jennifer

Subject: Re: List of Active Registered Non Profits in Nevada

Hi Jennifer,

I'm back! My boss was wondering if it's possible to combine the two spreadsheets into one document. Can you do that?

Thanks.
