Dear Mr. Evers:

This letter will serve to respond to your public records request for the following documents:

“1. All email communications (including complete email chains, email attachments, calendar invitations, and calendar invitation attachments) sent by (a) any of the Florida state government officials listed in Column A below, to (b) any of the individuals listed in Column B below.

In an effort to accommodate the Office of the Attorney General and reduce the number of responsive records to be processed and produced, American Oversight has limited the email portion of its request to emails sent by the individuals in the Attorney General’s office. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both the sent messages and the prior received messages in each email chain. This means, for example, that both the government official’s response to an email from a listed individual and the initial received message are responsive to this request and should be produced.

2. All text messages exchanged between (a) any of the Florida state government officials listed in Column A below, and (b) any of the individuals listed in Column B below.

3. All non-email/text communications (including letters, memoranda, or other communications) between (a) any of the Florida state government officials listed in Column A below, and (b) any of the individuals listed in Column B below.
