In answer to your questions:
1. Yes. I have one dated 4-1-19 but believe that a more recent copy has been distributed to all counties.
2. The manual that describes how to register a new voter, how to update a registration, how to handle jury duty lists and initiating eligibility notice letters, when to change an active registration to an inactive status, the process for cancelling a registration when a registrant becomes ineligible to vote, etc. Basically the manual that registration staff use daily.
3. The list of those who you sent notices to. Can you please tell me the difference? I do not understand why a printed notice would not be mailed out I guess.

Thank you in advance for your prompt response to my request. I apologize for my delay in answering your questions.

Thank you,

Hello,

In answer to your questions:
1. Yes. I have one dated 4-1-19 but believe that a more recent copy has been distributed to all counties.
2. The manual that describes how to register a new voter, how to update a registration, how to handle jury duty lists and initiating eligibility notice letters, when to change an active registration to an inactive status, the process for cancelling a registration when a registrant becomes ineligible to vote, etc. Basically the manual that registration staff use daily.
3. The list of those who you sent notices to. Can you please tell me the difference? I do not understand why a printed notice would not be mailed out I guess.

Thank you in advance for your prompt response to my request. I apologize for my delay in answering your questions.

Thank you,
Sue

Good morning,

Thank you for contacting the Miami-Dade County Elections Department with your public records request.

In order to better assist you, we require clarification on the requested items.

1. An updated Workflow Chart for New Voter Registration Process, printed by the Florida Division of Elections that was distributed to all counties, dated more recent than 4/01/19.

   Is this a request for a workflow chart that was provided by the Florida Department of State Division of Elections?

2. Most recent version of the Miami-Dade County Elections Manual

   Can you specify which elections manual you need?

3. List of Ineligibility Notices printed between January 1, 2018 to the present.

   Would you like a list of notices that were printed during the requested timeframe or a list of voters to which we sent notices?

In the meantime, if we may be of any assistance, please do not hesitate to contact our office.

All employees will be given their start time, morning break, lunch time, afternoon break, and end time. All permanent Elections Department Employees will be required to clock-in and clock-out using a designated fingerprint time clock. Temporary employees will be required to clock-in and clock-out using a designated time card and time clock. Whenever overtime is required, employees will be asked to either come earlier and/or stay later than their scheduled time. Due to the nature of elections, there will be times that employees will be required to work overtime and no time off will be approved.

- Employees are expected to report to work no earlier than 7 minutes before the approved work schedule and expected to leave no more than 7 minutes after (i.e., employees may clock in no more than 7 minutes BEFORE the start of a shift and must clock out no more than 7 minutes AFTER the end of a shift.)

Memorandum

MIAMI-DADE COUNTY

Date: July 26, 2018

To: Elections Department Employees and Temporary Workers

From: Christina White
Supervisor of Elections

Subject: Mandatory Use of Security Badges/Access Cards

As part of our continued review of Incident Preparedness, and to ensure proper security for the upcoming election cycle, the Departmental policy regarding the mandatory use of Security Badges/Access Cards in the Elections Building has been modified.

Effective immediately, access to the Elections Building is going to be more closely monitored and controlled by building security and designated personnel. The appropriate identification badge is required to access the Elections Building and all secured areas. The following rules, regulations and procedures will be in effect. ***ALL*** **individuals inside the building must have a badge properly displayed at all times.**

1. **Department Employees**
   - All persons permanently employed with the Elections Department must obtain a badge containing their photograph issued by ISD Security.
   - Badges must be displayed and visible at all times.
   - Badges must be used to gain access at all entry points equipped with access card readers.
   - Even if the entry door is open, employees are still required to scan their access card with the card reader. **No piggy-backing allowed.**
   - Do not allow access or open doors for anyone. They should scan their own badge for access.
   - While employees do have authorization to use entrance points at the north and south side of the building, you are strongly encouraged to use the main entrance.
   - Do not give access to temporary workers or unauthorized persons by letting them in through any entrances. They must enter the building through the main entrance.
   - Security is all of our responsibilities. It is mandatory that we all take this seriously, and assist in incident prevention by being alert and following this policy.
   - Upon termination of employment, the employee's Supervisor will be responsible for collecting the badge from the employee, providing the HR section, who will deactivate access.

2. **Temporary Workers**
   - All temporary employees assigned to the Elections Department must obtain a badge issued by ISD Security.
   - Managers should have already received the chains and badge holders for all of the temporary workers you currently have on staff.
   - For all new temporary workers, you will fill out the "Access Card Request Form" and bring it to the security office in the lobby. They will issue the temporary worker a new badge and provide them the chain and badge holder.
   - Temporary badges are to be issued for a limited specific timeframe and only for the area(s) required to perform the job duties.
   - A chain/badge holder/badge must be hung around the employees' neck at all times.
   - Badges must be displayed and visible at all times.
   - Badges must be used to gain access at all entry points equipped with access card readers.

DRESS CODE

As of 07/13/2018

Memorandum MIAMI-DADE COUNTY

Date: July 13, 2018

To: Elections Department Employees

From: Christina White
Supervisor of Elections

Subject: Mandatory Dress Code

This memorandum is intended to clearly state to all Elections Department employees (permanent and temporary) the importance of projecting a professional image at all times. This includes your attire and demeanor in a professional work environment.

As an Elections Department employee, you represent the Department and the County to the public on a daily basis. Therefore, it is important that your attire be professional and appropriate to your job function. Clothing is expected to have a neat and clean appearance. Examples of inappropriate attire include: tank tops; spaghetti straps; midriffs; transparent, tight fitting, low cut or revealing clothing; shorts; short dresses; low rise pants; casual sandals; flip flops; sneakers; hats and hoodies.

Furthermore, each employee's grooming and personal hygiene should be maintained. Tattoos and body piercings (other than work-appropriate earrings) should not be visible.

I am permitting employees to dress in a business casual fashion on "Casual Fridays." Employees are still expected to present a neat appearance appropriate for a government office setting interacting with the public. Acceptable business casual attire includes loose-fitting jeans, polo shirts with collar, Docker style khaki pants, capri pants and appropriate footwear.

Casual wear, athletic wear, sandals, flip flops of any kind, sneakers, or similarly inappropriate clothing are not permitted. If there is any doubt, the employee should find something else to wear within the established dress code.

Supervisors are expected to enforce this policy and to take appropriate disciplinary action in instances where employees do not comply with these standards. Disciplinary action may include sending the employee home. Employees will not be compensated for any work time missed because of their failure to comply with this policy.

Your cooperation is appreciated. In presenting a professional image both in appearance and demeanor, you will be enhancing the public's perception of the Elections Department and the County.

Should you have any questions or need clarification regarding this matter, please feel free to contact Susana Marti-Perez, Human Resources Manager, at 305.499.8565

2. Use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure or attempt to secure for any person an appointment or advantage in appointment to a position in the County, or an increase in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person, or for any consideration.

3. Directly or indirectly, coerce or attempt to coerce, command or advise any other employee or officer of the County to pay, lend or contribute any part of his salary, or kick-back any sum of money, or anything of value to any party, committee, organization, agency or person for political purposes. BE ALERT - PHISHING

If you see an email or a link that looks suspicious DO NOT click to open it; contact your supervisor immediately and DELETE it. If you have email access, forward the email to report.spam@miamidade.gov and then delete it.

Phishing is a type of fraud in which a hacker attempts to gather information by impersonating a legitimate source or by sending users to a malicious web site.

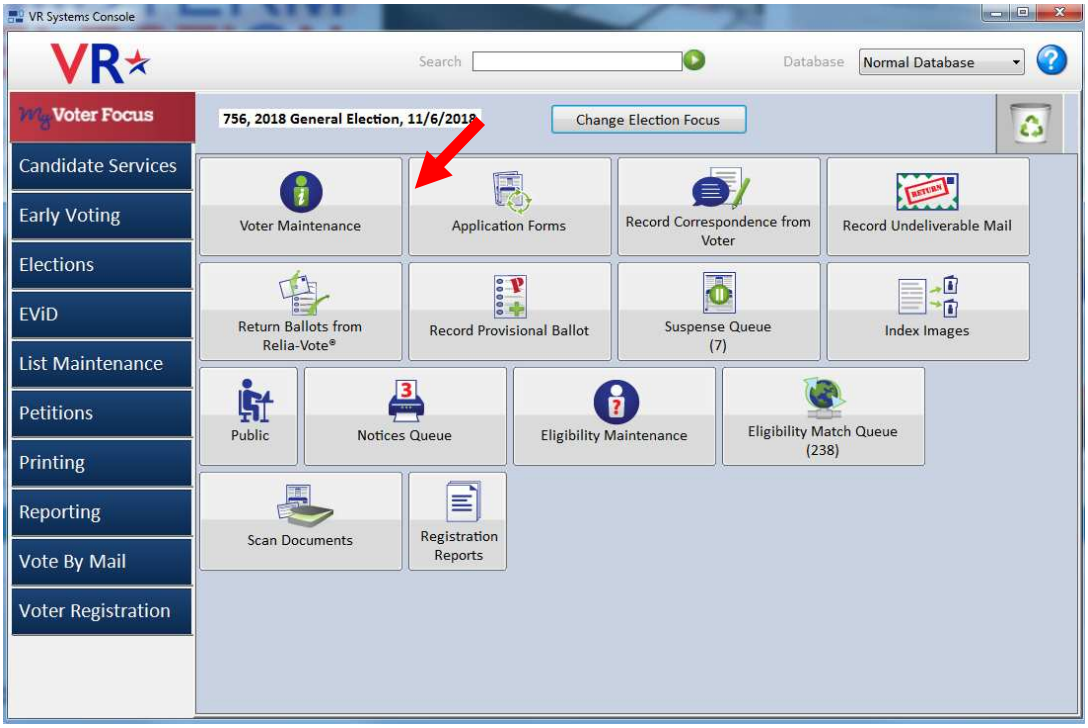
Typically carried out by email spoofing or instant messaging, phishing emails often direct users to enter personal information at a fake website which matches the look and feel of the legitimate site; it exposes people's private information and could lead to millions of dollars spent to regain access to files infected with ransomware.

As the public grows more aware of these threats, cyber criminals evolve and look for ever-more sophisticated ways to trick would-be victims into **"click the link."**

Phishing Email Sample:

To protect yourself and us from phishing attacks, follow these best practices:

- Be wary of opening attachments
- Hover over links to verify their destinations
- Verify the senders address
- Be cautious of unsolicited emails & those requesting personal information
- Be suspicious of unprofessional- looking emails



Remember always think before you "click" to avoid getting hooked by an Internet Phisher.

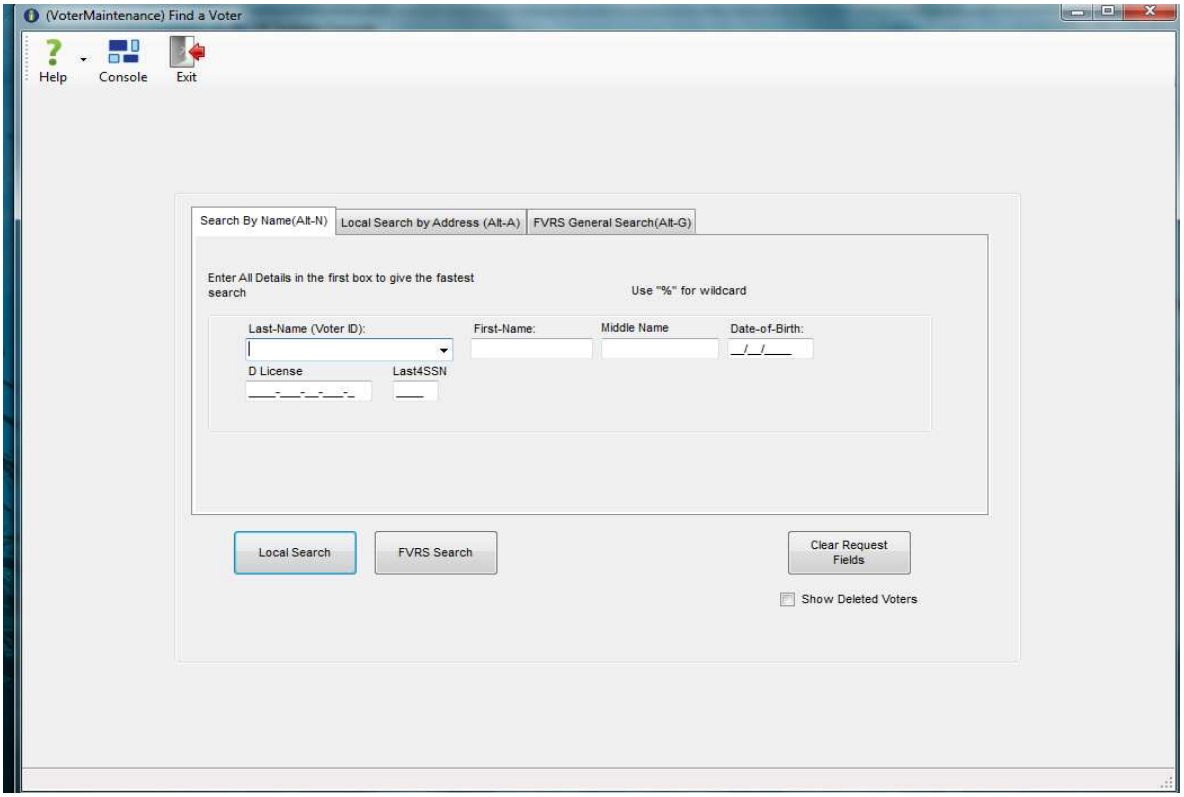
VOTER REGISTRATION SYSTEM (VR)
HOW TO PROCESS APPLICATIONS



VOTER MAINTENANCE

The **Voter Maintenance** module is used to search for, review and update voter's information. It is ONLY to be used to make changes that are received from sources other than an application form (i.e. telephone call, correspondence from voter, vote by mail request). In order to use the **Voter Maintenance module**, the voter's file has to be active (white) or inactive (light blue).

AMERICAN OVERSIGHT

After opening the **Voter Maintenance module,** the **Find a Voter** dialog screen will appear. You are now able to search for voters.

Entering JOH%, MARY will bring up all the entries with the first part of the last name JOH, JOHA, JOHB, JOHC. The wildcard can be used in the beginning, end, or middle of a name. You have to include a hyphen, space, or an apostrophe when you search for a voter whose name includes these punctuation marks.

DENIED APPLICATIONS

When searching for voters, be sure to click **Show Deleted Voters** box. If the status of the voter appears as **Mentally Incapacitated**, **Deceased** (Refer to a Supervisor), **Illegal Residential Address** (check address, if the same, then deny application; if different, then process the application as a new voter ad follow steps to process application) they are to be placed as **Denied.** Choose the **Denial Reason** after all the information has been entered from the application; click on the **Incomplete Denial** button, and make sure you do not register the applicant. Write down the reason the application is **Denied** and the registration number in the **Official Use Only** box. Denied voters will have their FVRS number highlighted in **hunter green**. If the voter has checked the **NO** box for the US Citizen question, please see a Supervisor to make sure the record is correctly denied.

AMENDMENT 4

Effective January 8, 2019, voting rights were automatically restored to felons who complete their sentence(s) as court ordered. Through Amendment 4, "felons" are now eligible to register to vote as long as they meet all qualifications to be registered voters. Therefore, you will no longer deny a voter as "known felon."

Exception: Felons convicted of murder or sexual offenses are not eligible to register and vote unless the Clemency Review Board votes to restore their voting rights.

FREQUENTLY ASKED QUESTIONS (FAQ)

What is Amendment 4?
The Voting Restoration Amendment was the 4th proposed Constitutional Amendment on the 2018 General Election ballot. This amendment started as a citizen initiative. It made ballot position through the collection of over 842,000 petition signatures. The amendment passed with 64.55% of the vote and will now be part of Florida's Constitution with an **effective date of January 8, 2019**.

Ballot Summary:
This amendment restores the voting rights of Floridians with felony convictions after they complete all terms of their sentence including parole or probation. The amendment would not apply to those convicted of murder or sexual offenses, who would continue to be permanently barred from voting unless the Governor and Cabinet vote to restore their voting rights on a case by case basis.

Q: **How can I find out if my voting rights have been restored?**

A: It is the voter's responsibility to confirm if their voting rights have been restored. We urge voters to use these resources to confirm your sentence is complete, and thus your rights restored, before completing a voter registration application.

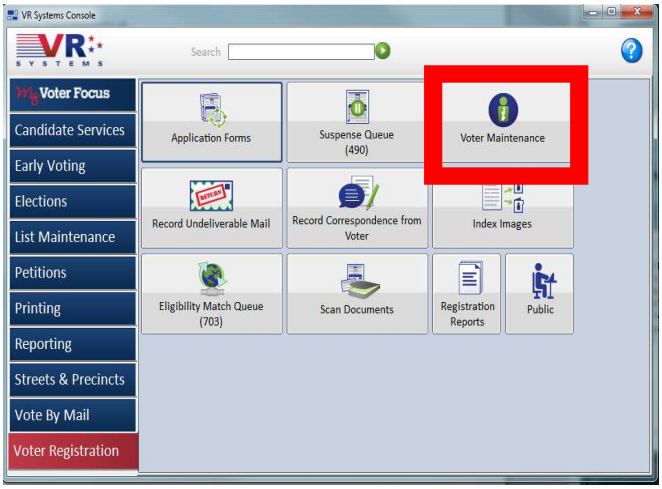
Q: ***What does this mean for convicted felons who were previously deemed ineligible to register to vote?***

A: Effective January 8, 2019, voting rights are automatically restored for felons who have completed all terms of their sentence except for those convicted of murder or sexual offenses. This will make them eligible to register to vote as long as they meet all qualifications to be a registered voter.

You may use Online Voter Registration or submit a Voter Registration Application (Español) (Kreyòl) to register to vote.

Q: ***How will the Supervisor of Elections handle voter registration applications now with Amendment 4?***



A: The Miami-Dade Elections Department proudly serves potential voters in the act of voter registration. Under this new law (Amendment 4), the role of the Supervisor of Elections remains the same. We rely on the voter indicating on the voter registration application that they are eligible to vote. If the voter affirms they meet all qualifications, we will register them. The voter's information is then sent to the Florida Division of Elections, who will research and verify the voter's identity and eligibility under the new law.

QUALITY ASSURANCE (QA)

Once a Voter Registration Application has been entered, **Quality Assurance (QA)** must be completed to ensure that **ALL** information on the application was entered/updated correctly.

On the Voter Focus console, open **Application Forms**.

FINDING A RECORD

- Even though the Voter Registration Application was already entered, you **must** search for the applicant/voter as if you were entering/updating the application for the first time. This will ensure we are checking for "duplicate" records (i.e. First Name, DOB).

- First: Check the application to determine if it is a(an):
  - Complete application (all of the corresponding boxes are checked and application is signed)
  - Incomplete application (boxes 1,2, or 3 are not checked; missing signature, name(s), DOB, address, ID; invalid address)
  - Denied application (Not a Citizen, previous file shows voter as Mentally Incapacitated). If the voter checked NO when asked if he/she is a citizen, please see a Supervisor to make sure application was processed correctly
  - Unverified

- Separate your batch according to those categories.
  - Then begin your search

- Search Criteria:
    - First name and date of birth (Application Search) **Remember to use wildcard symbol (%)**
    - Last name and date of birth (Application Search). **Remember to use wildcard symbol (%)**
    - Date of birth only (Local Search)

QA OF NEW VOTER (COMPLETE APPLICATION)

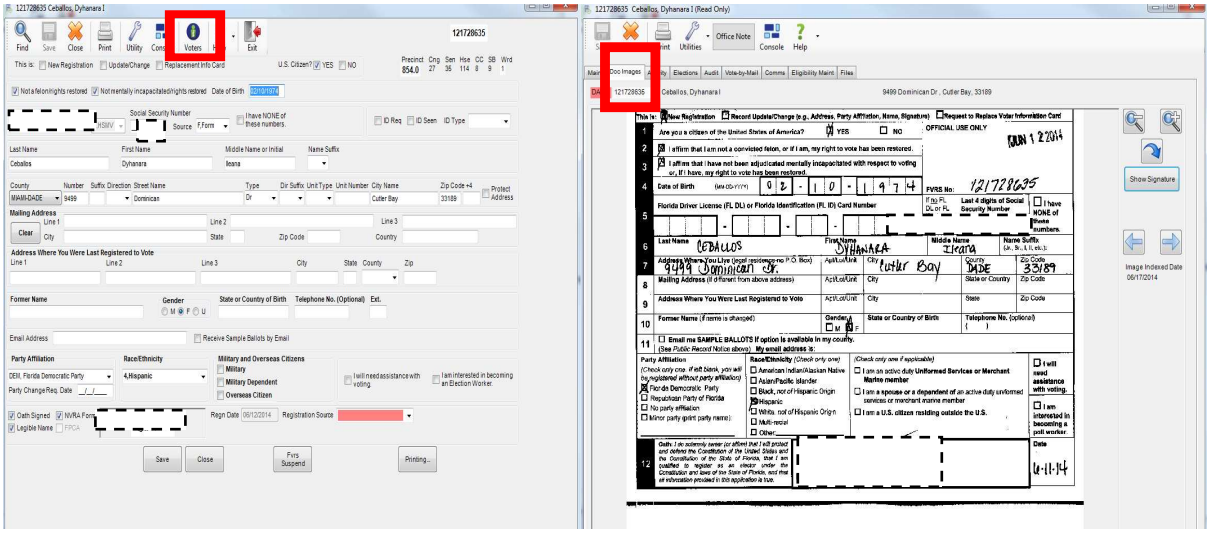
- Check the list of voters/applicants to confirm that the application is not a duplicate record; once the record is located, highlight the voter's record and click the **Application is for this Voter** button.
- Check to make sure the following information was entered correctly:
    - FL DL or FL ID and/or last four of SSN
    - DOB
    - Last, First, and Middle Name
    - Residence/Mailing address (including apartment number)

It is very important that you:

- Review the U.S. Citizen, Not a felon/rights restored, and Not mentally incapacitated/rights restored boxes have been checked (Boxes 1, 2, and 3). If it is a new voter and the file is not yet active, but pending, uncheck the boxes and make the application **Incomplete**. If the file is already "active", see a Supervisor immediately.
- Application is not signed. If it is a new voter and the file is not yet active, but pending, uncheck the **Oath Signed** box and make the application **Incomplete**. If the file is already "active", see a Supervisor immediately.
- If the person checked **NO** in the U.S. Citizen box, please see a Supervisor immediately.

Miscellaneous items to check

- Gender (if no box was checked, check "U" for unknown)
- Email address has been entered correctly
- Party affiliation has been entered correctly **(make sure the "Party Change Req Date" is entered; date should be the same as date stamped on the front of the application form even if there is no change)**
- Race (if no selection is made, choose **"Unknown"**)
- Signature (make sure the application is signed; if not, application should be made **Incomplete**, unless it is an established voter). Please note, if it



AMERICAN OVERSIGHT

is an established voter and application is not signed, you can **only** update address.

- Registration Date (date should match the date stamped on the front of the application, unless it is an established voter; as such, **DO NOT** update the registration date).
- If any of the other boxes are checked (i.e. I will need assistance…, I am interested in becoming an Election Worker, etc.), please make sure they are checked as indicated.
- If changes are made, make the necessary changes and select the same **Registration Source** used to process the application. The **Source** can be found on the front of the cover sheet. Click **Application Correction** to **Save.**

Once all entries have been checked

- Click the **Voters** button to verify the application was properly indexed. Click the **Doc Images** tab (image should match your application). If the image does not match, use the left and right arrows to search for it. If unable to find, make a copy of the application and provide it to the staff member in charge of scanning/indexing.
- When the QA is complete, click on **Office Note** button, on the **drop-down menu** select **QA-Application** and then click on **OK** button.
- Verify **Activity Tab** for a scheduled Voter Information Card (VIC).
- Click **Close** button and begin next search.

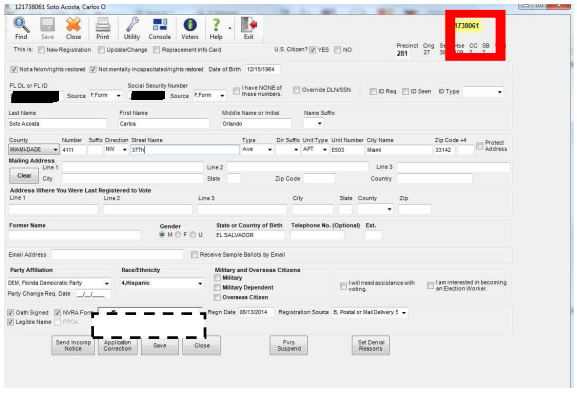
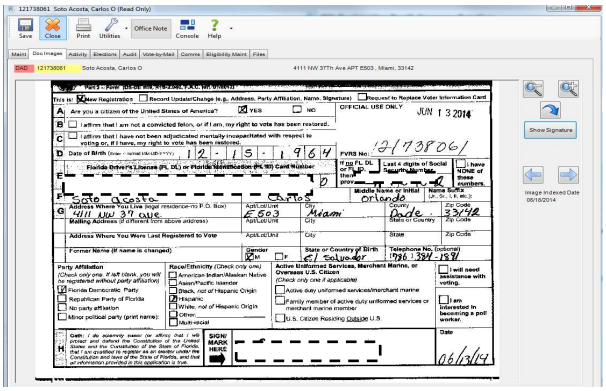
Voter's status is highlighted in yellow:



AMERICAN OVERSIGHT
FL-MIAMIDADE-20-0722-A-000083

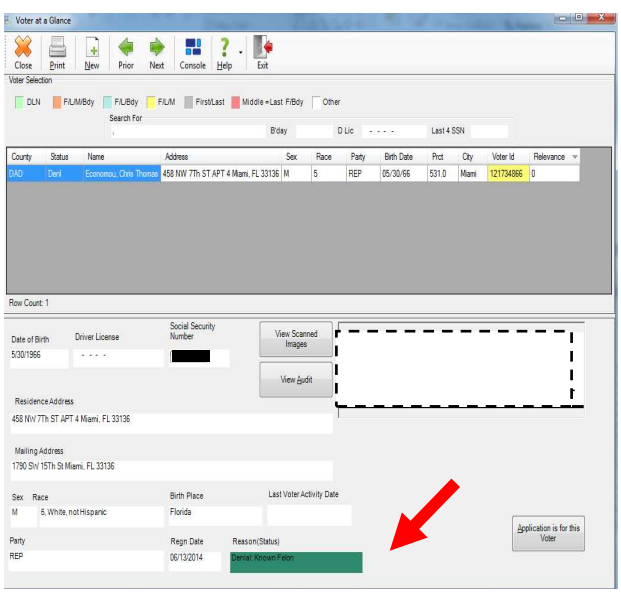


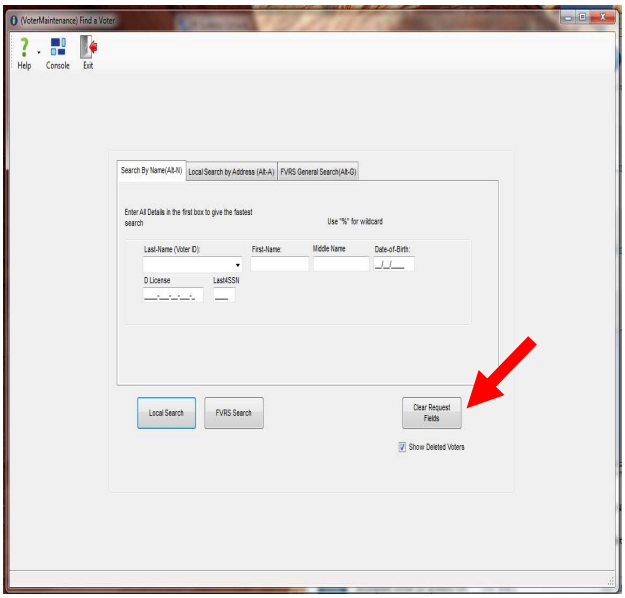
- Start by finding the record while using the same search methods as described on page 18
- An application is considered "Incomplete" if:
    - U.S. Citizen, Not a felon/rights restored, and/or Not mentally incapacitated/rights restored boxes are not checked (Boxes 1, 2, and/or 3) – **make sure corresponding box is unchecked**).
    - FL DL or FL ID and/or last four of SSN (Verify the "I have NONE of these numbers" box was not checked) is missing.
    - Last, First, and Middle Name (missing or illegible; enter "None" if last name missing and/or "(None)" if the first name is missing) - **make sure you uncheck Legible Name box on bottom left of the screen.**
    - Application is not signed (**if it is not signed, uncheck the Oath Signed box on bottom left of the screen.**
    - Residence address is missing or invalid.

Please note:

By default, ALL required boxes (i.e. U.S Citizen, Felon, Mental, Oath Signed, and Legible Name) are checked, even if the application was initially processed as Incomplete. If the application was made Incomplete for missing checked boxes, missing signature, or missing/illegible name, you must uncheck these boxes before making any changes that were missed by the person entering the application. Failure to do so, will make the application "complete" and it will be sent to the State for verification.

- Make the necessary changes and then click the **Application Correction** button. Make sure that if application is **Incomplete** that it remains **Incomplete** for the same reason(s). **If you have any questions, please verify with training staff or a supervisor!**
- Remember to check application was indexed correctly and add the office note of **QA Application** as described on page 31.





QA OF DENIED APPLICATION

Denied voters are highlighted in **hunter green**.

- Please note, the **Show Deleted Voters** box must be checked.

- Find the record using the same search methods as described on page 18.
- Match the information on the application to the correct **Denied** record on your screen.
- The record should be denied if:
  - **The applicant checked "No" for not a citizen (remember to see a Supervisor)**

OR

  - **You find a previous record "denied" due to voter being identified by State as:**
    - Mentally Incompetent

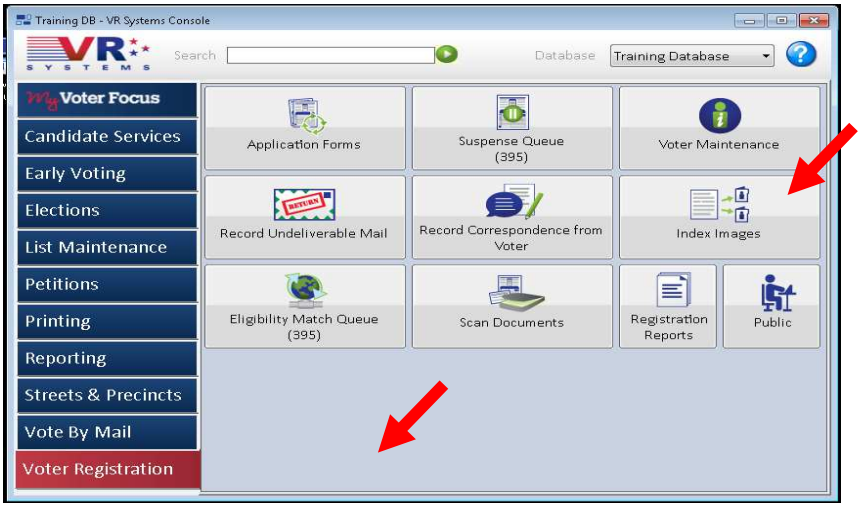
Once everything is checked, click the **Voter** button to verify if the application was properly indexed and add the office note of **QA Application** as described on page 31.

QA OF UNVERIFIED APPLICATION

Unverified voters are highlighted in Peach. Unverified voters are those applicants whose identity could not be verified by the State. It may be that the voter provided us with incorrect information (DOB, SS #, FL DL #, Name) or we entered the information incorrectly.

- Start with - Finding a Record and Use the same search criteria as described on page 18.

- Check the list of voters/applicants to confirm the application is not a duplicate record; once the record is located, highlight the voter's record and click the **Application is for this Voter** button.
- Verify the application was entered correctly:
    - U.S. Citizen, Felon and Mental
    - Application is signed
    - If the person checked **NO** on the U.S. Citizen box, please go to a Supervisor
    - **FL DL or FL ID and/or last four of SSN**
    - **DOB**
    - **Last, First, and Middle Name**
    - Residence/Mailing address (including apartment number)
    - Gender (if no box was checked, check "U" for unknown)
    - Email address



- The registration date should not be changed without Supervisor's approval (date should match the date stamped on the front of the application, unless application was not first application submitted by voter; if such, date will be that of original application submitted).
- If corrections are made or information is added, click the **Applications Correction** button.
- Verify application was scanned and add the office note of **QA Application** as described on page 31.

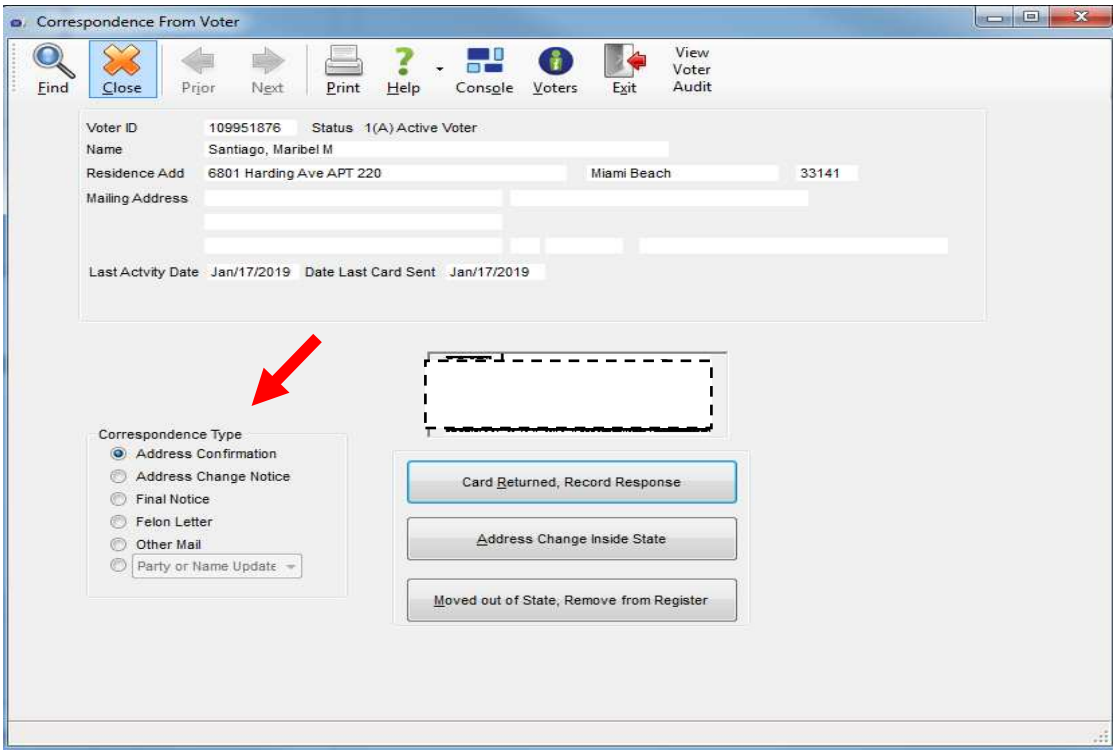
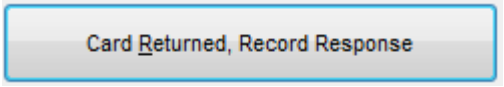
PROCESS RESPONSES FROM VOTERS

Correspondence sent to voters includes **Address Confirmation Requests (ACR), Address Change Notices (ACN), and Address Confirmation Final Notices (ACFN).**

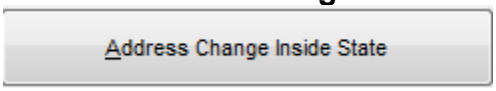


To process these Notices, go to **Voter Registration in VR System,** and clik on **Record Correspondence from Voter module** to display the **Find a Voter** dialog.

Use **Find a Voter** to search for the voter's record.



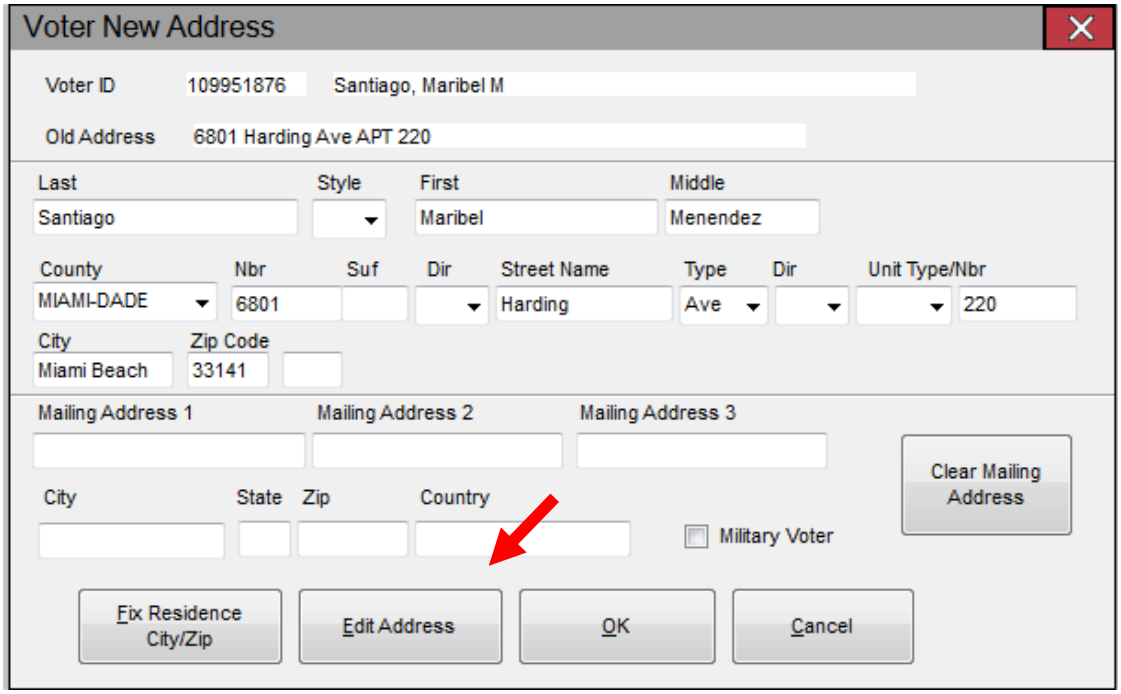
If you are working with a bar code wand, use the wand to bring up the voter's record; otherwise, manually enter the registration number, search by name or by address.



Under the **Correspondence Type** box, select the type of mail the voter is returning. Please note, the option you choose here will stick for subsequent voters until you change it.

Select **Card Returned, Record Response** if voter returned:

- An **Address Confirmation Notice** confirming their residence and mailing address are correct.
- A **Final Notice** indication no change is needed to their registration record.

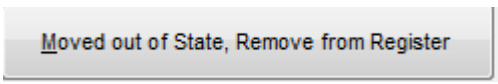


Select **Address Change Inside State** if voter returned:

- An **Address Change Notice** indicating a change of address in Miami-Dade or to another Florida county (including mailing address).

AMERICAN OVERSIGHT

In the **Voter New Address** box, enter the updated address information and click **Edit Address**. Then click **OK**.



If the voter provides a P.O BOX or an out of state mailing address, add it the mailing address fields.

If voter returns an **Address Confirmation Final Notice** indicating "I no longer live in Miami-Dade County but intend to return", per State law, change the residential address to 2700 NW 87th AVE Doral FL 33172 (our Headquarter's address). Mailing address must be provided.

Select **Moved out of State, Remove from Register** if the voter returns:

- An **Address Confirmation Notice or Final Notice** indicating Voter no longer lives in Florida or no longer wants to be registered. This action will change the voter's status to "Ineligible".

UNDELIVERABLE MAIL

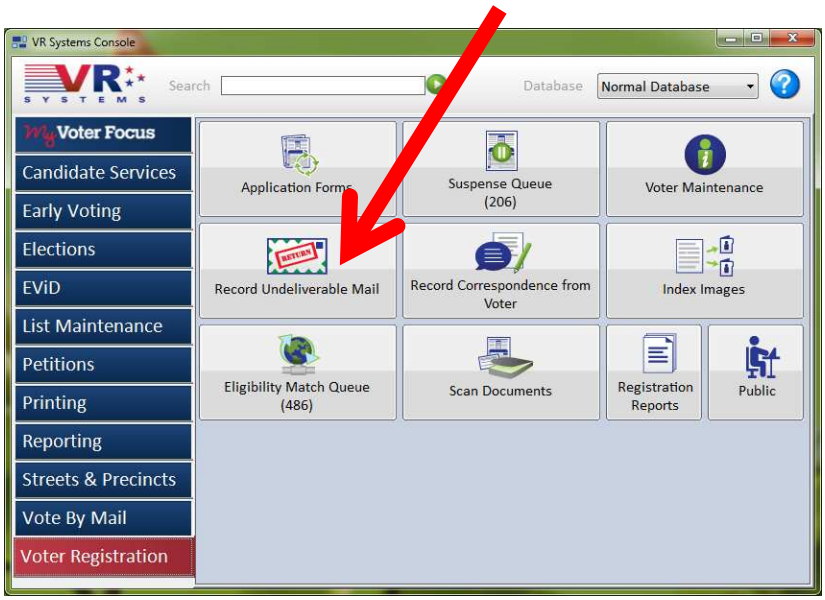
Please note: Per F.S. 98.065(5) – Third Party Address Changes and Address Confirmation Notices are not processed 90 days prior to any Federal Election(s).

THIRD-PARTY ADDRESS CHANGES

When the Postal Service is unable to deliver mail (other than VBM ballots) to a voter and returns it to our office, it should be processed as **Undeliverable Mail**. In addition to undeliverable postal items, the following items should also be processed as **Undeliverable Mail**:

- Jury Notices with changes of address.
- Changes of address from a NCOA vendor not processed through the automated NCOA processing facility provided in Voter Focus.
- HSMV lists of voters who have surrendered their Florida driver license in another state and have provided a new out-of-state address.

These items, plus any other undeliverable mail, that include a change-of-address notice, fall into the category of **third-party address changes**. Depending on the type of address change (residential or mailing, in-county, or out-of-county), the proper notice will be scheduled to the voter informing them of the address change. A log is posted to the voter's audit noting the address change and the notice(s) scheduled.



- Undeliverable mail with no address change – schedules a voter to receive a **Final Notice** and adds an entry to their audit log that a **Final Notice** is scheduled.
- A **Final Notice** returned as **Undeliverable** - no further communications are scheduled for the voter.
    - The voter will be placed in the queue of voters who will be made **Inactive**.
    - Should the voter subsequently request a vote by mail or cast a ballot during an election, Voter Focus will remove them from the **Inactive** queue.
- If a voter previously made an all-elections or FPCA vote-by-mail request, processing any first class mail sent by the supervisor to the elector with no change of address or an out-of-state address automatically triggers the cancelation of any outstanding vote-by-mail requests for future elections (unless a ballot has already been delivered) and sets the expiration date of the All-Elections/FPCA request to the date such is processed.

I am a registered voter of Florida and hereby petition the Secretary of State to place the following proposed amendment to the Florida Constitution on the ballot in the general election:

BALLOT TITLE: Regulate Marijuana in a Manner Similar to Alcohol to Establish Age, Licensing, and Other Restrictions.

BALLOT SUMMARY: Regulates marijuana (hereinafter "cannabis") for limited use and growing by persons twenty-one years of age or older. State shall adopt regulations to issue, renew, suspend, and revoke licenses for cannabis cultivation, product manufacturing, testing and retail facilities. Local governments may regulate facilities' time, place and manner and, if state fails to timely act, may license facilities. Does not affect compassionate use of low-THC cannabis, nor immunize federal law violations.

ARTICLE AND SECTION BEING CREATED OR AMENDED: Article X, Section 29

FULL TEXT OF THE PROPOSED CONSTITUTIONAL AMENDMENT:
ARTICLE X, SECTION 29. Florida Cannabis Act —
(a) Purpose and findings.
(1) Short title. On the effective date of this amendment, it shall be known as the "Florida Cannabis Act."
(2) In the interest of the efficient use of law-enforcement resources, enhancing revenue for public purposes, and individual freedom, the people of the State of Florida find and declare that the use of cannabis should be legal for persons twenty-one years of age or older.
(3) In the interest of the health and public safety of our citizenry, the people of the State of Florida further find and declare cannabis should be regulated in a manner similar to alcohol so that:
a. Consumers will have to show proof of age before purchasing cannabis;
b. Selling, distributing, or transferring cannabis to minors under the age of twenty-one shall remain illegal;
c. Driving while impaired under the influence of cannabis shall remain illegal;
d. Only legitimate, taxpaying business people will conduct sales of cannabis; and
e. Cannabis sold in this state will be labeled and subject to additional regulations to ensure consumers are informed and protected.
(4) The people of the State of Florida further find and declare it is necessary to ensure consistency and fairness in the application of this section throughout the state and that, therefore, the matters addressed by this section are, except as specified herein, matters of statewide concern.
(b) Definitions. As used in this section, unless the context otherwise requires:
(1) "Applicant" means an individual person or any form of business that applies for a license to operate a cannabis establishment. Any person or business entity may hold multiple licenses, providing each license be applied for and renewed individually and independently of any other license.
(2) "Business entity" means any form of business operation recognized under Florida law, including partnership that is registered to do business in Florida prior to filing for a license to operate a cannabis establishment.
(3) "Cannabis" means all parts of the plant of the genus *Cannabis*, as defined in s. 893.02(3), Florida Statutes (2016). Nothing in this definition or this section shall be deemed to permit or prohibit the cultivation of the plant of the genus *Cannabis* as a raw material for use of its fiber or pectin, or its structural polymers (the polysaccharides cellulose and hemicelluloses and the aromatic polymer lignin) for any industrial purpose, including the preparation of functionalized textiles, or for any purpose other than human consumption.

I am a registered voter of Florida and hereby petition the Secretary of State to place the following proposed amendment to the Florida Constitution on the ballot in the general election:

BALLOT TITLE: Regulate Marijuana in a Manner Similar to Alcohol to Establish Age, Licensing, and Other Restrictions.

BALLOT SUMMARY: Regulates marijuana (hereinafter "cannabis") for limited use and growing by persons twenty-one years of age or older. State shall adopt regulations to issue, renew, suspend, and revoke licenses for cannabis cultivation, product manufacturing, testing and retail facilities. Local governments may regulate facilities' time, place and manner and, if state fails to timely act, may license facilities. Does not affect compassionate use of low-THC cannabis, nor immunize federal law violations.

ARTICLE AND SECTION BEING CREATED OR AMENDED: Article X, Section 29

FULL TEXT OF THE PROPOSED CONSTITUTIONAL AMENDMENT:
ARTICLE X, SECTION 29. Florida Cannabis Act —
(a) Purpose and findings.
(1) Short title. On the effective date of this amendment, it shall be known as the "Florida Cannabis Act."
(2) In the interest of the efficient use of law-enforcement resources, enhancing revenue for public purposes, and individual freedom, the people of the State of Florida find and declare that the use of cannabis should be legal for persons twenty-one years of age or older.
(3) In the interest of the health and public safety of our citizenry, the people of the State of Florida further find and declare cannabis should be regulated in a manner similar to alcohol so that:
a. Consumers will have to show proof of age before purchasing cannabis;
b. Selling, distributing, or transferring cannabis to minors under the age of twenty-one shall remain illegal;
c. Driving while impaired under the influence of cannabis shall remain illegal;
d. Only legitimate, taxpaying business people will conduct sales of cannabis; and
e. Cannabis sold in this state will be labeled and subject to additional regulations to ensure consumers are informed and protected.
(4) The people of the State of Florida further find and declare it is necessary to ensure consistency and fairness in the application of this section throughout the state and that, therefore, the matters addressed by this section are, except as specified herein, matters of statewide concern.
(b) Definitions. As used in this section, unless the context otherwise requires:
(1) "Applicant" means an individual person or any form of business that applies for a license to operate a cannabis establishment. Any person or business entity may hold multiple licenses, providing each license be applied for and renewed individually and independently of any other license.
(2) "Business entity" means any form of business operation recognized under Florida law, including partnership that is registered to do business in Florida prior to filing for a license to operate a cannabis establishment.
(3) "Cannabis" means all parts of the plant of the genus *Cannabis*, as defined in s. 893.02(3), Florida Statutes (2016). Nothing in this definition or this section shall be deemed to permit or prohibit the cultivation of the plant of the genus *Cannabis* as a raw material for use of its fiber or pectin, or its structural polymers (the polysaccharides cellulose and hemicelluloses and the aromatic polymer lignin) for any industrial purpose, including the preparation of functionalized textiles, or for any purpose other than human consumption.

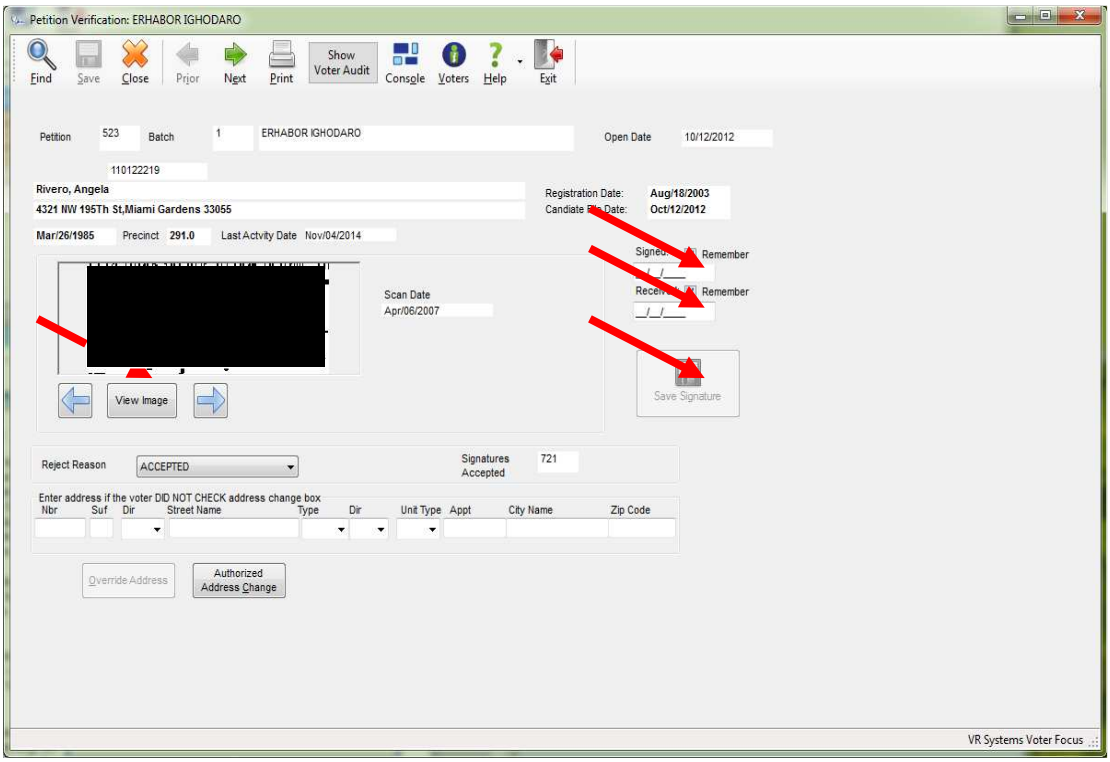
However,

- **Before processing the petition**, if the voter is registered in another county and voter placed a check mark in the change of address box, process the change by using the following method:
  - Go to the **Record Correspondence from Voter Module**
  - Find the voter; and click on **FVRS Search**
  - Under **Correspondence Type,** click on last bubble and on drop down menu select **Petition Verification**
  - Click on **Address Change Inside State** and update the voter's address

AMERICAN OVERSIGHT



- Once the voter's address has been updated process the petition in the **Petition Module**

Once voter is found:

- Select the voter to process.
- Enter the date the voter signed the petition and the date it was received in the office (refer to first cover sheet). You must pay attention to these dates as it might be necessary to make changes with each batch of petitions.
- If the petitions contain one signature per page, it is helpful to categorize the signatures by date signed.
- By checking the "**Remember**" button, it will keep the date you entered into that field.
- Verify the signature for the voter.
- You can also see other signatures for that particular voter by selecting the blue arrows at the bottom of the signature.
- If all is well, Click **Save Signature** to **Accept** the signature. Place a checkmark on the upper right hand corner of the application using a **RED** pen.
- If the voter that appears in the **Petition Verification** module is not the voter you are looking for, **DO NOT** click on **SAVE SIGNATURE;** you must click on the **Find** button to search again**.**

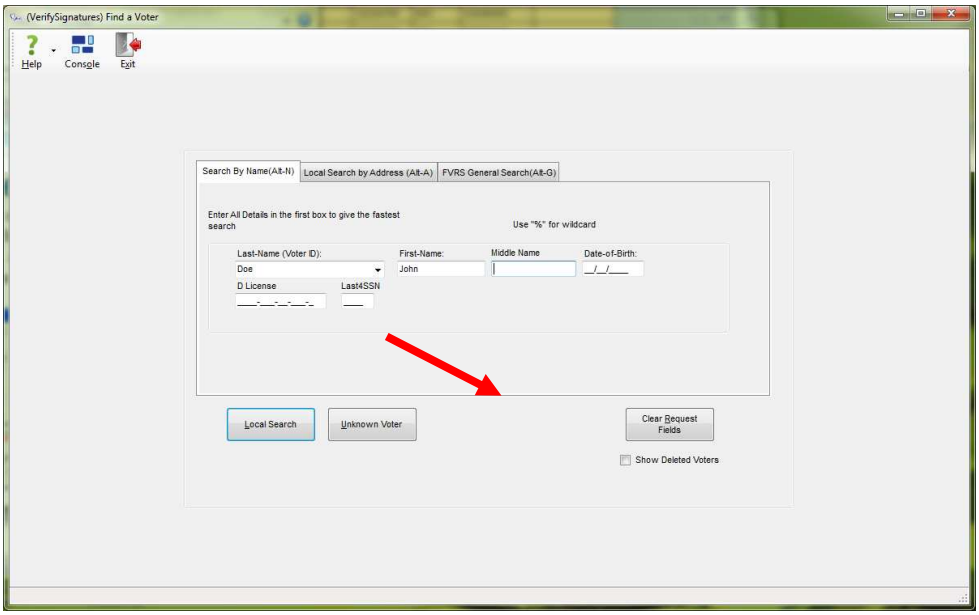
If not all is valid, then the Petition should be Rejected.

Some reject reasons are selected automatically by the system. Verify the status before pressing **OK.** If you are going to reject a signature for a reason that is not automatically selected, you will need to go to the **Reject Reason** and use the drop down menu.

Keep in mind, **Accept** is the default feature.



Please note:

If there is no signature in the system, the petition should be **Accepted** if all other criteria for a valid signature is met. Notify a supervisor to schedule a **Signature Update Letter.**

When verifying signatures, we are looking for similarities which will allow us to **Accept** a signature. We are **not** looking for reasons to **Reject** the signature.

AMERICAN OVERSIGHT
FL-MIAMIDADE-20-0722-A-000113

After a thorough search in **Voter Maintenance module**, if the voter is not found, enter the name and date of birth in the **Verify Signature** in the **Petitions module** and then click **Unknown Voter.** Write the **NR code** on the upper right hand of the petition using a **RED** pen (list of Reject Codes is found on next two pages).

If a petition is categorized as **Ineligible** by default, it is imperative that you verify the status of the voter using the **Voter Maintenance** module. Ineligible code can be set off by a duplicate record or a move out of County; therefore, different steps are taken (see a Trainer or Supervisor).
