Ms. Sloan:

This responds to your request dated 1 April 2020, received in the Information Management Office of the Office of the Director of National Intelligence (ODNI) on 2 April 2020. Pursuant to the FOIA, 5 U.S.C. § 552, as amended, you requested 2 items related to the coronavirus outbreak, starting with:

1. *"All finished intelligence products (including World Intelligence Review (WIR) articles, Defense Intelligence Digest (DID) articles, President's Daily Brief (PDB) articles, any other final intelligence assessments or memoranda, and any final daily updates or situation reports for your agency's senior leadership) prepared by analysts at your agency or through an interagency process regarding the coronavirus outbreak and the risk of its spread..."*

We have determined that documents that would be considered responsive to your request are the subject of an open FOIA litigation. No documents related to an open litigation can be released until the processing of the litigation case has reached its conclusion. Once concluded, ODNI will upload all of the releasable/redacted documents related to the litigation to our website, dni.gov. Your case has been administratively closed at this time.

If you have any questions, feel free to email our Requester Service Center at [DNI-FOIA@dni.gov](mailto:DNI-FOIA@dni.gov) or call us at (703) 275-1313. You can also contact ODNI's FOIA Liaison at [DNI-FOIA-Liaison@dni.gov](mailto:DNI-FOIA-Liaison@dni.gov).

Sincerely,
