Washington, DC, 20005

Dear American Oversight:

This letter is the final response to your April 09, 2020, Freedom of Information Act (FOIA) request. Specifically, you requested the following records: “CDC Referral FOIA Request #20-01215-FOIA

all records regarding federal health or emergency authorities retained by CDC that describe or discuss federal powers or authorities to issue and/or enforce quarantine orders or supersede state or local quarantine orders.”

The Assistant Secretary for Preparedness and Response conducted a search and located 32 pages of responsive records. After a careful review of these pages, I am releasing 7 pages to you in their entirety. I am withholding 25 pages in their entirety, pursuant to Exemption (b)(5) of the FOIA (5 U.S.C. §552 (b)(5)).

FOIA exemption (b)(5) protects inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the agency. This exemption protects documents that would be covered by any privilege an agency could assert in a civil proceeding. These privileges include, among others, the deliberative process privilege, the attorney-client privilege, and the attorney work-product privilege. In this instance, the deliberative privilege applies.

If you believe the information withheld should not be exempt from disclosure, or this response constitutes an adverse determination, you may appeal. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency’s decision.

Please mark the correspondence, “Freedom of Information Act Appeal.” Your appeal must be transmitted within 90 days from the date of receipt of this letter to:

Ms. Carol Maloney
Deputy Agency Chief FOIA Officer
U.S. Department of Health and Human Services
Office of the Assistant Secretary for Public Affairs
HHS.ACFO@hhs.gov

If you would like to discuss our response before filing an appeal to attempt to resolve your dispute without going through the appeals process, you may contact the HHS FOIA Public Liaison for assistance at:

HHS FOIA/PA Public Liaison
FOI/Privacy Acts Division
Assistant Secretary for Public Affairs (ASPA)
Office of the Secretary (OS)
U.S. Department of Health and Human Services (HHS)
Telephone: (202) 690-7453
E-mail: HHS_FOIA_Public_Liaison@hhs.gov

If you are unable to resolve your FOIA dispute through our FOIA Public Liaison, the Office of Government Information Services (OGIS), the Federal FOIA Ombudsman's office, offers mediation services to help resolve disputes between FOIA requesters and Federal agencies. The contact information for OGIS is:

Office of Government Information Services
National Archives and Records Administration
Telephone: 202-741-5770
Toll-Free: 1-877-684-6448
E-mail: ogis@nara.gov

There are no charges in this instance because the billable costs are less than our threshold of \$25.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Arianne Perkins', with a stylized, cursive script.

Arianne Perkins
Director, Initial FOIA Requests
FOI/Privacy Acts Division

Primary Inter and Intra-Agency Agreements

From	To	Amount	Purpose	Status	Comments
CDC	ASPR	\$14,320,000	Quarantine support to US citizens.	Funded/in-place	Transactions are currently balanced. Additional funding, at least for now, coming from the new supplemental account.
CDC	USMS	\$9,000,000	US Marshals Service providing security for quarantined US citizens at ASPR managed locations.	Funded/in-place	ASPR connected the USMS CFO with CDC finance. There were no impediments to its completion. The USMS is in the process of being replaced by ESF-13 assets.
CDC	DOD	\$5,149,581	Fund DOD housing support at 15 facilities with 1,847 rooms		Additional coordination and details still need to be worked out. It is for CDC to finalize and issue.
ASPR	FEMA	\$199,357	Supply chain analysis and modeling.		This IAA has not been finalized. It is pending FEMA signatures.
ASPR	FEMA	\$577,920	Task Force operations at HHS HQ.	Funded/in-place	This IAA has been finalized
ASPR	ESF-13	\$16,500,000	ESF-13 Command / Control and support from other ESF-13 components	Funded/in-place	Fully fund certified within 4 hours of ESF-13 signing. Also replaces the three 'placeholder' IAAs done under ASPR NSSE accounts.
ASPR	FEMA	\$1,500,000	FEMA regional support to HHS	Funded/in-place	MOU for \$5 mil w/initial funding of \$1.5 mil supports limited activities in Regions 9 and 10. May be increased over time.
