Subject: [Ext]RE: Public Records Request (WI-DMA-20-0882)

Ms. Field:

The Wisconsin Department of Military Affairs (DMA) has received your public records request. My review of your request reveals that DMA, a state agency, is not the appropriate records custodian of the specific records requested. As such, we have no records to provide.

With that said, I have forwarded your request to the FOIA Officer for the Wisconsin National Guard. Email communications from the "Assistant Adjutant General for Readiness and Training Robyn Blader or anyone communicating on her behalf" would be considered federal records and not state records.

Another records custodian would be the Wisconsin Elections Commission (WEC). Public records requests can be made to the WEC at <https://elections.wi.gov/public-records>

Thank you for your inquiry.
