Dear Mr. Evers:

This is a final response to your April 17, 2020, Freedom of Information Act (FOIA) request addressed to the National Institutes of Health (NIH), which was received in this office on April 28, 2022. You requested a copy of all responsive records from March 1, 2020, through the date of the search for the following:

All communications (including emails, email attachments, text messages, calendar invitations, calendar entries, meeting notices, meeting agendas, or talking points), as well as any summaries of or notes taken during any oral communications, between (a) the government officials listed in Column A below, and (b) employees or representatives of the external entities listed in Column B below.

Column A: Government Officials

- i. Francis Collins, Director
- ii. Lawrence A. Tabak, Principal Deputy Director
- iii. John I. Gallin, Associate Director for Clinical Research

Column B: External Entities

- i. Fujifilm (fujifilm.com)
- ii. Tamayo Chemical (chemical.co.jp)
- iii. Ipca Laboratories (ipca.com)
- iv. Zydus Cadila (zyduscadila.com)
- v. Cipla (cipla.com)
- vi. Wallace Pharmaceuticals (wallacepharma.com)

The NIH searched the Office of the Director (OD) Office of the Executive Secretariat, and the NIH Clinical Center (CC) and there are no records responsive to your request. You have the right to appeal this determination that no records exist which would be responsive to your request. Should you wish to do so, your appeal must be sent within ninety (90) days of the date of this letter, following the procedures outlined in Subpart C of the HHS FOIA Regulations (<http://www.nih.gov/icd/od/foia/cfr45.htm>) to the Assistant Secretary for Public Affairs, at: <https://requests.publiclink.hhs.gov/App/Index.aspx>

If you are not satisfied with the processing and handling of this request, you may contact the OD FOIA Public Liaison and/or the Office of Government Information Services (OGIS):
