ORANGE COUNTY GOVERNMENT FLORIDA

INFORMATION SYSTEMS AND SERVICES – ENTERPRISE SECURITY UNIT

MICROSOFT OUTLOOK .PST REFERENCE SHEET

RECEIVED
SEP 23 2020
BY: DW

The purpose of this reference sheet is to inform you of the Information Systems and Services – Enterprise Security Unit's policies regarding the enclosed request. This reference sheet also includes step by step directions for viewing the data associated with the requested information.

Enterprise Security Policies:

The Information Systems and Services – Enterprise Security Unit (ISS-ESU) does not review, parse, or report on any requested information prior to the delivery of the request to the intended recipient unless an official ESU investigation is opened through the Enterprise Security Unit Manager.

The ESU will provide all data available up to the retention period regardless of dates requested, unless requested dates are less than the retention period or otherwise instructed by management. Electronic mail data requested through the ESU is guaranteed back to January 15, 2008.

The enclosed or attached information was prepared for the intended recipient only and therefore it is the recipient's responsibility to consult the Enterprise Security Unit before any internal/private release of the enclosed information. Additionally, these items may contain confidential or personal information that is exempt from public review and therefore it is the recipient's responsibility to review any content for private information and consult the Orange County Legal Department prior any public release of this.

Instructions (Office 2003)

The contents of an employee's mailbox was exported or retrieved using the ZanTaz archiving solution and placed on the enclosed CD in the form of a personal folders file. The file name will be *employee_name*.pst. This file must be viewed in Microsoft Outlook (Office '97 or later). The following instructions explain how to open a PST file in Office 2003 – **if you do not have office 2003** and need further assistance, please contact the Orange County Service Center at (407) 836-2929.

1. Insert the enclosed CD/DVD into the computer and view the files on the disk
2. Right click on the file 'employee_name.pst' and choose copy
3. Find a location you would like to store the file on your local computer (I.E. your desktop)
4. Right click on the location (desktop) and choose paste
5. Once the file finishes copying, right click on the file and choose Properties
6. On the Properties screen, ensure the Read-Only check box is not checked (if it is uncheck it)
7. Press OK on the Properties window
8. Open Microsoft Outlook and click on the File menu
9. Choose Open and then choose Outlook Data File
10. In the Open Outlook Data File dialog box, browse to the file that you copied to your computer and click OK

You will then see the person's name in your folder list in Outlook. You can expand or compress the contents of the requested mailbox by clicking the +/- icons. You may remove the person's name from your folder list by right clicking on it and choosing Close "*Mailbox – NAME*."

If you need assistance please contact the Orange County Help Desk at (407) 836-2929

Attachment(s): "3.21 Drive Thru Website Messaging.pdf"

Hi Kent,

We would like to invite you and Dr. Raul Pino to participate in tomorrow's 5 p.m. news briefing here at the EOC.

Per Jane Watrel, our communications team would like Dr. Pino to give us a case update/any additional information he might have to compliment the mayors' address, touch on how the OCCC Community-Based Testing Site will operate, what the process looks like, who should show up and who shouldn't. I've attached the notes the state has sent down.

Also, if there are updates he would like to disclose about the east Orlando testing site.

Please reply all on this email so that we are all aware of Dr. Pino's participation J FYI—Kelly is the PIO on duty tomorrow.

Thank you again for your continued partnership! #HappySaturday

Sincerely,
Despina McLaughlin

AMERICAN OVERSIGHT

WEBSITE MESSAGING:

Overall message:

Florida is taking all necessary precautions to keep Floridians safe and healthy. This includes ordering an additional 2,500 test kits to prepare for potential testing increase and supporting installing four drive-thru testing sites to test healthcare workers, first responders and those 65 and older exhibiting COVID-19 symptoms.

These drive-thru testing facilities reduce surge at health departments and help prevent unnecessary spread at healthcare facilities. Additionally, these sites provide access to testing for those at risk for developing severe symptoms.

There are three federal drive-thru testing sites opening. They will be located at the Orange County Convention Center, the TIAA Bank Field Stadium Lot J and the Hard Rock Stadium. At these sites, individuals will have their swab sample collected and the sample will be sent to nearby approved testing lab.

PATIENT FAQ:

What are the symptoms that would allow me to meet the criteria for testing?

This testing center will initially begin only testing high-risk individuals that meet the below criteria:

-Anyone 65 years old or older with an on-site temperature above 99.6 and respiratory symptoms.

-All first responders and heath care workers, regardless of symptom presence.

When are the testing centers open?

All drive-thru testing sites are expected to be fully operational by mid-week.

Why are you only testing this criteria?

Health care workers and first responders are at a higher risk of contracting COVID-19. Additionally, 65+ individuals are at higher risk of developing serious illness as a result of contracting COVID-19. In order to efficiently utilize resources, such as testing kits and Personal Protective Equipment, providing high-risk individuals these resources is crucial to protecting our communities overall.

How long does the drive-thru take?

This is an innovative tool to address COVID-19. As these centers come online, we will have a greater understanding of how long these processes will take. Individuals should

AMERICAN OVERSIGHT

be prepared for long wait times, we anticipate this will take around 20 minutes per person.

What does the drive-thru testing process entail?

Patients will not be exiting the vehicle. As vehicles enter the center, individuals will be screened for symptoms and asked relevant questions. If patients are determined to fall within the testing criteria, they will then move on to individual registration. Following this, samples will be collected, and individuals will be informed on what to expect regarding testing process, who will contact them and timeframe.

Will you test my spouse/other household members?

If individuals in a vehicle meet the criteria, multiple people can be tested.

Do I need insurance?

No, all individuals who meet the criteria will be tested regardless of insurance status. However, individuals with insurance should bring their information. Please note, no co-pays will be required of individuals who bring their insurance.

Does this test cost money?

This is a free public and innovative resource available to high-risk groups.

I am a tourist from outside the United States and I have symptoms of COVID-19. Can I get tested?

Yes, all individuals who meet the criteria will be tested in order to protect the public health of Florida communities and mitigate the spread of COVID-19.

What should I do while I wait for my results?

Results will be processed by approved labs. We ask patients that are under investigation to self-isolate to prevent the risk of spreading illness to those around them. Please be patient as samples are tested and take the necessary precautions to monitor symptoms and self-isolate.

How will I receive results?

At discharge, you will be informed what to expect regarding contact and timeframe.

Subject: 3/24/20: Coronavirus Update News Conference + BCC Preview
Attachment(s): "Chambers Safer for March 24 BCC Meeting (002).pdf"

Dear Central Florida Communicators --

Please see below release regarding Orange County's next news conference regarding coronavirus and a look ahead to the 3/24 BCC meeting.

From: McLaughlin, Despina C
Sent: Monday, March 23, 2020 5:10 PM
To: McLaughlin, Despina C
Subject: 3/24/20: Coronavirus Update News Conference + BCC Preview

I hope everybody is hanging in there…

Below is a Coronavirus Update notice for tomorrow, as well as a Board of County Commissioners Media Preview. I have also attached measures Orange County is taking to make sure the chambers are align with CDC guidelines for tomorrow's meeting. FYI—Mayor Demings has rescheduled the work session on the transportation sales tax discussion to the April 7, 2020 BCC meeting. Thank you all for your continued coverage.

Media Contact: PIO@ocfl.net
FOR IMMEDIATE RELEASE
March 24, 2020

***** MEDIA ALERT *****
Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference
March 24, 2020 at 12:30 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and county updates.
WHEN: Tuesday March 24, 2020, at 12:30 p.m.
WHERE: Orange County Administration Building, 201 S. Rosalind Ave., Orlando FL 32801
Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via

AMERICAN OVERSIGHT

the Orange TV app on ROKU in the Education category.
###
About Orange County Government: Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

Media Preview: Orange County Board of County Commissioners Meeting
March 24th, 2020: Meeting starts at 1:30 p.m.

A link to the abbreviated agenda can be found here:http://apps.ocfl.net/eAgenda/archive/Agenda_03-24-20/Agenda_03-24-20.pdf

If you need to access more documents in the agenda or would like to request the full agenda please email PIO@ocfl.net for assistance.

***Note that we have postponed all proclamations, employee service awards, and all discussion and work session items, with the exception of one very brief procurement selection. Thus, there will not be a morning session. ***

Coronavirus Update: Following Public Comment, Orange County Government will provide a COVID-19 presentation update.

Orange County Public Safety Director, Danny Banks will brief the Board on the status of the Coronavirus. John Weiss will update the board on government services and Lonnie Bell will discuss available assistance programs for residents.

Public Hearings:

Item K 21: **Ordinance Establishing Affordable Housing Trust Fund**
The Mayor's Housing for All Task Force was established to develop community-based solutions for the affordable housing crisis, to expand housing options, and to address affordability issues. Pages 1184-1194

Item K 22: **Establish Moratorium on the use of Micromobility devices**
Adoption of an ordinance establishing a moratorium on the use of micromobility devices, including motorized scooters and motorized bicycles, within unincorporated Orange County. Page 1195-1200

Media Inquiries: PIO@ocfl.net

Please note: Regarding topics on the agenda, the County cannot provide PowerPoint presentations or interviews ahead of the presentations to the Board. This email is sent out as a courtesy for planning purposes for the day of the meeting.

AMERICAN OVERSIGHT

Steps to Make March 24 BCC Meeting Safer

- Signs posted on doors self-identifying if travelled internationally or had close contact with someone who tested positive for COVID-19, to see guard at front desk (so not to be seated in meeting with others)
- Hand sanitizing wipes placed throughout the lobby and in the Chambers
- Placed G4S guards at the Chambers doors to direct people into Chambers to sit in available seating
- Cordoned off seats in BCC Chambers, Room 105, and lobby area to keep in line with 6 foot social distancing guidelines
- 3 Commissioners participating via Web-X (Commissioners Moore, Gomez-Cordero and Bonilla)
- Spaced Mayor and remaining 3 Commissioners further apart at dais so they are abiding by social distancing guidelines
- Comptroller's Clerk staff doing minutes remotely rather than in the Chambers
- All County staff not presenting an agenda item or involved with a public hearing will not be in the Chambers and will view remotely
- The Board meeting agenda was greatly scaled down to postpone several discussion items to a future date, hopefully reducing the attendance and shortening the time of the meeting
- We provided advance notice of intent to continue/reschedule certain hearings to a future date that had large anticipated citizen attendees, such as the Boat Ramp Ordinance hearing

Subject: 3/26/20 Orange County 'Key Takeaways'

Dear Communicators,

As promised, below is the link to the latest 'Key Takeaways' from today's news briefing. May you all be well and stay healthy.

https://newsroom.ocfl.net/media-advisories/press-releases/2020/03/coronavirus-updates/

Key Takeaways: Orange County Government's News Conference on 3/26/20

Currently, there are 110 confirmed cases of COVID-19 have been reported in Orange County – with four deaths. This number has doubled in the past two days. One of Orange County Fire Rescue's firefighters has also tested positive for COVID-19. Our first responders continue to care for our residents in the midst of this crisis, so it is of paramount importance to stay vigilant with the Executive Order and comply with social distancing.

Executive Order Amended

- The mandatory "Stay At Home" Executive Order takes effect today, March 26, 2020 at 11 p.m. It will continue until April 9 at 11 p.m.
- In response to business and resident inquiries, some amendments have been made to the Executive Order. Visit the County's updated FAQ page, which details common questions.

COVID-19 Crisis Assistance Program

- Due to the overwhelming response from the community, Orange County is increasing its staff members for itsCOVID-19 Crisis Assistance Program.
- We are aware that the initial rollout of the COVID-19 Crisis Assistance Program to help Orange County residents had some challenges in respect to high call volume and citizens not being bel to get through. To that end, we are offering an online form to help streamline the process. recognized these challenges and took aggressive action and are here to report that:
- For the quickest and most convenient way to contact the COVID-19 Crisis Assistance Program, fill out a form at: www.ocfl.net/COVID19RentalAssistance. Appointments will be scheduled within two to five business days. We are conducting up to 44 appointments each day this week, and will be up to about 60 per day starting next week. If you are unable to fill out a form online, you can call at 407-836-6500 (hours Mon – Fri. 8 a.m. to noon), but there is no need to call if you fill out a form.

Orange County Public Schools (OCPS)

- The "Grab and Go" free meal program for children 18 years old and under will continue at 50 sites. Please check www.ocps.net for location updates. The hours of the program have been adjusted to 10 a.m. to 1 p.m. beginning

AMERICAN OVERSIGHT

Friday, March 27. The meals include breakfast and lunch to take home. Children must be present to receive the meals. Children can be in a vehicle, walking or riding a bike and no identification is needed. The family does NOT need to qualify for free and reduced meals and the child does NOT have to be enrolled at the school to receive food.

- Distance learning for ALL OCPS students begin Monday, March 30.

Ninth Circuit Courts Update

All non-emergency hearings will either be rescheduled or conducted remotely. All proceedings in the outlying courthouses – Apopka, Ocoee, and Winter Park – scheduled through April 17 have been canceled to be rescheduled at a later time.

Essential/Critical Proceedings:
Persons seeking emergency injunctions for protection
Emergency shelter hearings
Baker Act hearings
Guardianship hearings

Jury Trials
Suspension through April 17

If you have been summoned to report for duty between now and April 17,your service is complete and you will not be called again for at minimum 12 months.

Accessing Updated Information
The circuit has a dedicated COVID-19 information and update page on our website,www.ninthcircuit.org

Orange County Property Appraiser Update

The Orange County Property Appraiser's Office has granted a 45-day extension for filing Tangible Personal Property (TPP) tax returns. Returns are now due May 15, 2020, and can be filed by mail, online or via email. Visit www.ocpafl.org for additional information.

Sincerely,

Subject: 4 p.m. News Conference

Hi Kent,

We are requesting Dr. Pino for a 4 p.m. news conference here at the Orange County Administration Center—201 S. Rosalind Ave.

The purpose of the news conference is to manage the multiple media requests that are coming in to Orange County Government and the local health department.

The goal is to provide the public with facts about coronavirus. It will also address questions about the health care process. The mayor and invited speakers will discuss the preparations the county is making through our emergency responders with the Fire Department and recent equipment purchased to safeguard the responders with measures to ensure public safety.

Basically, this news conference is patterned after Governor DeSantis' 10:30 event.

We will start with Mayor Demings, who will reassure citizens that we are working with the state and everything is being smoothly aligned.

Orlando Mayor Dyer has been offered a chance to come and speak.

Next we would very much like Dr. Pino, just to talk about what is being done locally and to go over any DOH tips to be vigilant and stay safe.

After that, we would have our Public Safety Director Danny Banks, who would introduce County Fire Chief Fitzgerald, who would discuss how our EMTs are dealing with infection control.

Next, we would have our Convention Center Director talk about any impact on tourism followed possibly by a Visit Orlando official to address the tourism factor.

Thank you, and please let me know if we can make this work,

Jane

We are getting free ads from Clear Channel for advertising.

I personally like the message of Palm Bay that we can customize. As in STAY HOME, STAY SAFE, STAY INFORMED blah blah with webpage info and then plugging 311. Or let me know if you think we should do something else. At this point, telling people to stay home is our biggest message.

Thanks,
Do

Hello Doreen,

Thank you for reaching out to me in regards to the artwork. I have attached the requirements for the size of the artwork as well as an example of what we are displaying for the City of Palm Bay and the CDC.

If you would like to create the advertisement based on the specs, you can send me the final design. Alternatively, if you have certain elements or messages you would like displayed, you can send me those files and I will have our artists create a design.

I have calls today until 3pm, but am available any time afterwards to speak if you would like to discuss further.

Thank you again and I look forward to getting your messages up in our community.

Hi Meredith,

We look forward to working with you. We would be happy to provide any info and/or artwork and we appreciate any opportunity to spread any messages to inform our community.

We are happy to get you anything, I would just need copy requirement, specs, etc. Happy to chat tomorrow or Friday, just let me know when you are available.

AMERICAN OVERSIGHT

Thank you so much for your support and all you're doing.

Meredith,

I am bringing your offer to display messages on your digital billboards to our Communications management team, Dr. Jeff Williamson, Jane Watrel and Doreen Overstreet, and they will follow-up with you.

With respect to our meeting a month+ ago about the Dynamic Arts Ordinance, by copy I'll ask Jon Weiss and Alberto Vargas to advise on status of their discussions with Joel Prinsell.

Thanks,

Byron

Hello Byron,

I am sure you are all being pulled in many directions right now, so please let us know if there is anything we can do to help. As I mentioned in my previous email, if you would like to display certain messages on our digital billboards to update the public on curfews, please let us know.

Thank you all for your time.

Meredith,

As you can imagine, taking us awhile to get to non COVID-19 related items at this time, so apologize for the delay in acknowledging receipt of your email.

As discussed, Jon aand Alberto were going to discuss this topic with Joel Prinsell, then follow-up. So, expect to hear from them in the near future.

Regards,

Byron

Subject: International Dr Artwork Ordinance

Hello All,

It has been a little over three weeks since we all meet and it is crazy to think how much has changed in such a short time frame. First and foremost, I hope you and all of your families/friends are doing well and staying healthy. As we maneuver through this time, please let the Mayor and Communication Department know that they can reach out to me in order to use our digital billboards and relay information regarding COVID-19, curfews, and etc. to the community.

Per our meeting, I wanted to follow up with suggestions from our attorney regarding the artwork language. Please see our suggestion highlighted in yellow below:

"Dynamic Art. Designs or images on a building or structure, that are not commercial off-premise/off-site advertising messages or images, that employ lighting displays, projections, videos or other electronic images and graphics, or any combination thereof. Such designs or images shall consist of subtle changing or moving elements of color, shapes, symbols, images, graphics and patterns, as created by artists, creative agencies or studios, design professionals or others."

We believe that this small change will allow the artwork, which is not meant to target an advertiser, and the onsite messaging shown during the meeting (Mario Andretti and the race car) to be permissible. During this review, our SVP of digital also noted that there are no required brightness levels or specific timing changes in artwork. He would recommend a regulation be placed on these similar to the way digital billboards are regulated to ensure the signs are operated appropriately. If you would like further guidance on these items, please let me know.

Thank you for your time and please reach out to me with any questions.

Clear Channel Outdoor

Digital Bulletins - (14'x48' / 10'6x36')

Digital File Specs

- RGB Color Mode
- 72 DPI (insure pixel size is correct)
- Uncompressed JPG

Please submit all digital artwork by 10am on the Friday before the start of the contract, or earlier.

Please Send Creative To: SECreative@ClearChannel.com

Simplicity is the key to creating great out-of-home design.

A billboard's main purpose is functionality. Creating a billboard is mainly about making it read. Even the best design is worthless if it is not legible from a distance. If the design can't be understood, then the ad won't be effective.

Make the Text Large

Outdoor designs should be simple, clear and easy to read. Digital Bulletins should be legible from 500 feet away.

Use Bold, Non-Serif Fonts

Always use large, legible typefaces. At 500 feet, thin lines optically fade or break up. Avoid decorative, italic, or serif fonts. As a general rule, upper and lower case sans serif fonts provide the best readability. When designing for digital outdoor, we highly recommend adding a thin dark stroke around the text to separate it from the background.

Stick to One Message or Idea

Simplify everything. Don't present a complex message or numerous images. Have one thing that you want your audience to do or to recognize. The best outdoor media reduces a complex message to it's essential elements.

Be Short and Sweet

Use no more than ten words total on the entire billboard – and that includes the logo / product tagline. We recommend seven words or less for the headline. Keep the words short for faster comprehension.

Color

Use only RGB color files for digital displays. Design as you would for a website, TV or computer monitor.

Design With High Contrast

Being subtle does not work at great distances. Strong contrast in both hue and value are essential for creating good digital out-of-home.

Avoid White Backgrounds

To achieve white, a combination of all three colors must be turned on to their maximum brightness. Consequently, white backgrounds will wash out and compete with the remainder of your creative.

Pick Your Image Wisely

Take a small object and make it large (like a watch) rather than a large object small (like a building, large crowd, or scenery). Avoid using landscapes, complex scenes, or detailed photos. We recommend 3 visual elements or less, total. For example: 1 image, 1 logo and 1 headline.

Test Your Idea

A billboard is not a print ad - the average viewing time is only about 4-5 seconds. A good test is to show the design to someone from a distance (walk back 10 feet from your computer screen) for only 5 seconds and then evaluate it, or ask us about a creative test on our boards.

Subject: Best Foot Forward Recap - Orange and Osceola County March 11-12

Best Foot Forward Coalition,

Another successful Operation Best Foot Forward (BFF) has wrapped! Thank you all for your support and participation.

Over the course of the last two days, Operation BFF has received positive feedback from residents and business owners both in-person and online. You are truly making the community a safer place for pedestrians.

5 law enforcement agencies participated

- Kissimmee Police Department
- Orange County Sheriff's Office
- Orlando Police Department
- Osceola County Sheriff's Office
- St. Cloud Police Department

17 crosswalks were monitored across Orange and Osceola County
189 warnings and citations were issued

A big THANK YOU to all our partners for making this happen!

An omission was made to yesterday's recap, ***Commissioner Hawkins*** *also attended the operation with St. Cloud Police Department at Virginia Ave and 10th St.*

A full media report will be available tomorrow afternoon.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.
Amanda Day's cell: 407-716-8221

Subject: Best Foot Forward Recap - Orange and Osceola County March 11-12

Best Foot Forward Coalition,

Another successful Operation Best Foot Forward (BFF) has wrapped! Thank you all for your support and participation.

Over the course of the last two days, Operation BFF has received positive feedback from residents and business owners both in-person and online. You are truly making the community a safer place for pedestrians.

5 law enforcement agencies participated

- Kissimmee Police Department
- Orange County Sheriff's Office
- Orlando Police Department
- Osceola County Sheriff's Office
- St. Cloud Police Department

17 crosswalks were monitored across Orange and Osceola County
189 warnings and citations were issued

A big THANK YOU to all our partners for making this happen!

An omission was made to yesterday's recap, ***Commissioner Hawkins*** *also attended the operation with St. Cloud Police Department at Virginia Ave and 10th St.*

A full media report will be available tomorrow afternoon.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.
Amanda Day's cell: 407-716-8221

Subject: Best Foot Forward Recap - Orange and Osceola County March 11-12

Best Foot Forward Coalition,

Another successful Operation Best Foot Forward (BFF) has wrapped! Thank you all for your support and participation.

Over the course of the last two days, Operation BFF has received positive feedback from residents and business owners both in-person and online. You are truly making the community a safer place for pedestrians.

5 law enforcement agencies participated

- Kissimmee Police Department
- Orange County Sheriff's Office
- Orlando Police Department
- Osceola County Sheriff's Office
- St. Cloud Police Department

17 crosswalks were monitored across Orange and Osceola County
189 warnings and citations were issued

A big THANK YOU to all our partners for making this happen!

An omission was made to yesterday's recap, ***Commissioner Hawkins*** *also attended the operation with St. Cloud Police Department at Virginia Ave and 10th St.*

A full media report will be available tomorrow afternoon.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.

Subject: Best Foot Forward Recap - Orange and Osceola County March 11-12

Best Foot Forward Coalition,

Another successful Operation Best Foot Forward (BFF) has wrapped! Thank you all for your support and participation.

Over the course of the last two days, Operation BFF has received positive feedback from residents and business owners both in-person and online. You are truly making the community a safer place for pedestrians.

5 law enforcement agencies participated

- Kissimmee Police Department
- Orange County Sheriff's Office
- Orlando Police Department
- Osceola County Sheriff's Office
- St. Cloud Police Department

17 crosswalks were monitored across Orange and Osceola County
189 warnings and citations were issued

A big THANK YOU to all our partners for making this happen!

An omission was made to yesterday's recap, ***Commissioner Hawkins*** *also attended the operation with St. Cloud Police Department at Virginia Ave and 10th St.*

A full media report will be available tomorrow afternoon.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.

Subject: Best Foot Forward Recap - Orange and Osceola County March 11-12

Best Foot Forward Coalition,

Another successful Operation Best Foot Forward (BFF) has wrapped! Thank you all for your support and participation.

Over the course of the last two days, Operation BFF has received positive feedback from residents and business owners both in-person and online. You are truly making the community a safer place for pedestrians.

5 law enforcement agencies participated

- Kissimmee Police Department
- Orange County Sheriff's Office
- Orlando Police Department
- Osceola County Sheriff's Office
- St. Cloud Police Department

17 crosswalks were monitored across Orange and Osceola County
189 warnings and citations were issued

A big THANK YOU to all our partners for making this happen!

An omission was made to yesterday's recap, ***Commissioner Hawkins*** *also attended the operation with St. Cloud Police Department at Virginia Ave and 10th St.*

A full media report will be available tomorrow afternoon.

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Thu, Mar 12, 2020 at 9:28 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Orange and Osceola Best Foot Forward Coalition,

Unfortunately, this email bounced back yesterday afternoon. This is the recap as of 4:00 pm yesterday (Wednesday) of Operation Best Foot Forward crosswalk enforcement. Currently, Osceola County Sheriff's Officers are conducting crosswalk enforcement operations at several locations until noon today.

Wednesday, March 11, 2020
4 law enforcement agencies participated in today's operation at 13 crosswalks:

- **Orlando County Sheriff's Office**
- **Orlando Police Department**
- **Kissimmee Police Department**
- **St. Cloud Police Department**

115 warnings and citations were issued (and counting) for drivers failing to yield to a pedestrian in the crosswalk.

City of Kissimmee Vice Mayor Fisher and **City Commissioner Gonalez** attended the enforcement in Osceola County and **Commissioner Siplin's** aide Rose-Nancy Joseph attended the crosswalk at Pine Hills Rd. and Figwood Dr.

Below is a recap of the media attention we've received so far, starting yesterday evening until 4pm today. A full media report will be sent out by the end of the week.

- *Telemundo*- monitoring for coverage following interview

Stay tuned for tomorrow's update with Operation BFF for **Osceola County Sheriff's Office**. They will be out monitoring 4 crosswalks in the Celebration area and continue to like and share posts on social media at **@BestFootCFL**

Thank you for putting your best foot forward for safety!

Manages Best Foot Forward, the grassroots pedestrian safety program operating in Orange, Osceola and Seminole Counties

On Wed, Mar 11, 2020 at 7:53 AM Amanda Day <amanda@bikewalkcf.org> wrote:

Best Foot Forward Partners & Communicators:

Update on media confirmed for this morning's Operation Best Foot Forward Crosswalk Enforcement Action in Orange and Osceola Counties. Reminder this is a two day crosswalk operation with OPD, OCSO, KPD and St. Cloud PD scheduled for Wednesday (today) and Osceola County Sheriff's Office on Thursday (tomorrow). The press release and the crosswalk location enforcement schedule are attached.

Orlando Police Department: Live coverage with FOX 35 at Virginia and Bumby NOW

- Fox35's assignment desk: They started coverage at 5 am. They are keeping their morning reporter on BFF live shots through 9:30am. They plan to follow OPD. We told them this morning that OPD changed their crosswalk locations and schedule late yesterday.
- WFTV is sending a photog, arriving at 7:30 am at Virginia and Bumby Ave.

OPD or OCSO locations

- WESH is considering Livingston and Broadway or Pine Hills and Figwood
- WKMG is considering Livingston and Brodway or Pine Hills and Figwood

KPD/St. Cloud PD

- Telemundo is confirmed at Dakin Ave and Broadway Ave at 8:30 am

I'm in route to Virginia and Bumby now, along with Dori Madison. From there, I will be with KPD.
Amanda Day's cell: 407-716-8221
Dori Madison's cell: 407-474-7885

As we get updates, we will keep you informed via this email thread.

Please, please like, share and follow BFF today on facebook, twitter and instagram. @BestFootCFL

Hello everyone! Due to our EOC being at Level 1 activation and the CDC guidelines not to meet, we are still holding a conference call to update our CF Communicators. If there's anything specific you'd like to discuss on COVID-19 from your agency or for questions, email me and we will put on the agenda. So far, I have an update from OEP. We are pushing this call by a week. Thanks.

We will be discussing coronavirus and will have our Public Safety Director Danny Banks and EMS Medical Director Dr. Christian Zuver still provide an update.

We are keeping all of our materials updated at www.ocfl.net/coronavirus and on Orange County Government Florida social channels. We appreciate your partnership.

Dial in: 407-836-5646

Participant code: 105699#
Moderator code: 135552# (OC Communications Office)

Hello everyone – We have this meeting on the books, but it may change due possible emergency activation. If that is the case, we may change location and/or time – but you will get a meeting update.

We will be discussing coronavirus and will have our Public Safety Director Danny Banks and EMS Medical Director Dr. Christian Zuver.

We are keeping all of our materials updated at www.ocfl.net/coronavirus and on Orange County Government Florida social channels. Thank you.

Hello everyone! Due to our EOC being at Level 1 activation and the CDC guidelines not to meet, we are still holding a conference call to update our CF Communicators. If there's anything specific you'd like to discuss on COVID-19 from your agency or for questions, email me and we will put on the agenda.

We will be discussing coronavirus and will have our Public Safety Director Danny Banks and EMS Medical Director Dr. Christian Zuver still provide an update.

We are keeping all of our materials updated at www.ocfl.net/coronavirus and on Orange County Government Florida social channels. We appreciate your partnership.

Dial in: 407-836-5646

Participant code: 105699#
Moderator code: 135552# (OC Communications Office)

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

AMERICAN OVERSIGHT

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

FDLE SWORN PERSONNEL:

This is offered as a short reference for use in responding to a public health quarantine. FDLE personnel should contact the FDLE Office of General Counsel as needed for legal assistance. This kit may be of value to other state and local law enforcement agencies. Feel free to distribute it as requested. However, other law enforcement officers should contact their agency legal counsel for legal assistance and before relying on the information included in this kit, since FDLE has no authority to provide binding legal advice to other agencies.

We have put this information together to help save time during a public health emergency situation. FDLE personnel should contact the FDLE Office of General Counsel at (850) 410-7676, or your Regional Legal Advisor if you require additional legal assistance.

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000190

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000191

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

Assistance on Legal Issues

That May Be Encountered During Quarantine Response

THIS INFORMATION HAS BEEN COMPILED AND UPDATED BY THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT'S OFFICE OF GENERAL COUNSEL
2/27/20

LOCAL AGENCIES SHOULD CONSULT WITH THEIR AGENCY LEGAL ADVISORS BEFORE RELYING UPON INFORMATION PROVIDED IN THIS KIT

AMERICAN OVERSIGHT

FDLE

February 27, 2020

FDLE SWORN PERSONNEL:

This is offered as a short reference for use in responding to a public health quarantine. FDLE personnel should contact the FDLE Office of General Counsel as needed for legal assistance. This kit may be of value to other state and local law enforcement agencies. Feel free to distribute it as requested. However, other law enforcement officers should contact their agency legal counsel for legal assistance and before relying on the information included in this kit, since FDLE has no authority to provide binding legal advice to other agencies.

We have put this information together to help save time during a public health emergency situation. FDLE personnel should contact the FDLE Office of General Counsel at (850) 410-7676, or your Regional Legal Advisor if you require additional legal assistance.

Jason Jones
FDLE General Counsel
(850) 410-7676

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000211

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000229

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000230

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000231

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

AMERICAN OVERSIGHT

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

FDLE

February 27, 2020

FDLE SWORN PERSONNEL:

This is offered as a short reference for use in responding to a public health quarantine. FDLE personnel should contact the FDLE Office of General Counsel as needed for legal assistance. This kit may be of value to other state and local law enforcement agencies. Feel free to distribute it as requested. However, other law enforcement officers should contact their agency legal counsel for legal assistance and before relying on the information included in this kit, since FDLE has no authority to provide binding legal advice to other agencies.

We have put this information together to help save time during a public health emergency situation. FDLE personnel should contact the FDLE Office of General Counsel at (850) 410-7676, or your Regional Legal Advisor if you require additional legal assistance.

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000251

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

QUARANTINE RESPONSE LEGAL REFERENCE KIT

Assistance on Legal Issues

That May Be Encountered During Quarantine Response

THIS INFORMATION HAS BEEN COMPILED AND UPDATED BY THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT'S OFFICE OF GENERAL COUNSEL
2/27/20

LOCAL AGENCIES SHOULD CONSULT WITH THEIR AGENCY LEGAL ADVISORS BEFORE RELYING UPON INFORMATION PROVIDED IN THIS KIT

AMERICAN OVERSIGHT

FDLE

February 27, 2020

FDLE SWORN PERSONNEL:

This is offered as a short reference for use in responding to a public health quarantine. FDLE personnel should contact the FDLE Office of General Counsel as needed for legal assistance. This kit may be of value to other state and local law enforcement agencies. Feel free to distribute it as requested. However, other law enforcement officers should contact their agency legal counsel for legal assistance and before relying on the information included in this kit, since FDLE has no authority to provide binding legal advice to other agencies.

We have put this information together to help save time during a public health emergency situation. FDLE personnel should contact the FDLE Office of General Counsel at (850) 410-7676, or your Regional Legal Advisor if you require additional legal assistance.

Jason Jones
FDLE General Counsel
(850) 410-7676

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000270

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000271

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000289

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000291

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Subject: COVID-19 Declaration of Public Health Emergency in Florida

Attachment(s): "Declaration of Public Health Emergency COVID-19 3.1.20.pdf","SLG-BIZHUB20030109040.pdf","Quarantine Legal Reference Kit 2020.pdf"

Hello, Friends!

Today, Governor DeSantis issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19, also known as the Coronavirus.

As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Attached is the Executive Order and Declaration.

This is something that we all need to take seriously and focus on over the upcoming months. There have already been 2 presumptive positives in Florida, but there are hundreds of others that are being monitored, and we all know how quickly panic and misinformation can spread. It will be our responsibility to not only make sure that the people we serve are well informed of accurate information but also kept as calm as possible. Remember: We're all in this together and we can help each other - don't hesitate to reach out and share content if you have any that might make the load a little easier for someone else.

I'm going to start uploading some content we can all use on the FLEPIOA Facebook page, however attached are some documents for your review. Let us know if there is anything we can do to help you along the way.

Stay safe out there!
Jamie

AMERICAN OVERSIGHT

STATE OF FLORIDA
DEPARTMENT OF HEALTH
DECLARATION OF PUBLIC HEALTH EMERGENCY

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

WHEREAS, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

WHEREAS, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

WHEREAS, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

WHEREAS, COVID-19 is a threat to public health in Florida.

NOW, THEREFORE, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

AMERICAN OVERSIGHT

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

Section 1. In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

Section 2. In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

Section 3. In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

Section 4. In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

Section 5. In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

Section 6. In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

Scott A. Rivkees, M.D.
State Surgeon General

QUARANTINE RESPONSE LEGAL REFERENCE KIT

Assistance on Legal Issues

That May Be Encountered During Quarantine Response

THIS INFORMATION HAS BEEN COMPILED AND UPDATED BY THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT'S OFFICE OF GENERAL COUNSEL
2/27/20

LOCAL AGENCIES SHOULD CONSULT WITH THEIR AGENCY LEGAL ADVISORS BEFORE RELYING UPON INFORMATION PROVIDED IN THIS KIT

AMERICAN OVERSIGHT

FDLE

February 27, 2020

FDLE SWORN PERSONNEL:

This is offered as a short reference for use in responding to a public health quarantine. FDLE personnel should contact the FDLE Office of General Counsel as needed for legal assistance. This kit may be of value to other state and local law enforcement agencies. Feel free to distribute it as requested. However, other law enforcement officers should contact their agency legal counsel for legal assistance and before relying on the information included in this kit, since FDLE has no authority to provide binding legal advice to other agencies.

We have put this information together to help save time during a public health emergency situation. FDLE personnel should contact the FDLE Office of General Counsel at (850) 410-7676, or your Regional Legal Advisor if you require additional legal assistance.

Legal Sources of Authority to Enforce Quarantine

A Florida Law Enforcement Officer's authority to enforce a quarantine is derived from statutes and rules related to the government's public health and emergency powers. The authority to declare a quarantine rests with the Department of Health (DOH). Locally, a quarantine may be ordered by the county health department director or administrator. Rule 64D-3.038, Florida Administrative Code (F.A.C.). DOH has the authority to administer rules and enforce laws related to controlling and suppressing communicable diseases and pandemics. Fla. Stat. 381.0011. Quarantine orders may include isolation, closure of premises, testing, destruction, disinfection, protocols during transfer of affected individuals, and treatment. 64D-3.038, F.A.C. DOH also has the statutory authority to enforce its provisions in the courts, where it may seek an injunction or warrant in response to noncompliance. Fla. Stat. 381.0012. ***Law enforcement throughout the state is required to assist DOH in enforcing state health laws, orders, and rules***. Fla. Stat. 381.0012, 381.00315. Additionally, if necessary, the Governor has broad authority to compel the enforcement of a declared state of emergency. See Fla. Stat. 252.36. A sheriff or designated local official also has the authority to declare a state of emergency within a county or portion thereof. Fla. Stat. 870.043. With that declaration comes the authority to take such emergency actions as the restriction of pedestrian and vehicular movement and the closure of public places. Fla. Stat. 870.045.

The State Health Officer, in consultation with the Governor, is responsible for the declaration of a public health emergency. Fla. Stat. 381.00315. Through that declaration, the State Health Officer is authorized to take actions necessary to protect the public health. Those actions include compelling citizens to be examined, isolated, or quarantined for communicable diseases that present a severe danger to the public. The State Health Officer may compel the isolation or quarantine of persons unwilling or unable to comply with such orders. If there is no practical method to isolate or quarantine an individual, the State Health Officer may use any means necessary to vaccinate or treat the individual. Fla. Stat. 381.00315(1)(c)4.b. DOH also has the authority to quarantine persons, animals, and places, generally. ***Any person who violates a lawful action compelled in such a scenario commits a second degree misdemeanor***. Fla. Stat. 381.00315.

AMERICAN OVERSIGHT

USE OF FORCE BY LAW ENFORCEMENT DURING A PUBLIC HEALTH EMERGENCY

1. **Declaration of a Public Health Emergency does NOT modify the legal standards regarding the permissible use of force by a law enforcement officer. As always, before any force is used or attempted to be used upon a subject, there must exist a legal basis which permits the use of force. The same sources of law and policy which govern use of force in the course of ordinary law enforcement business govern the use of force during a Public Health Emergency. It may be helpful to review FDLE Policies and Procedures 4.1, as well as the following Florida Statutes governing the use of force:**

776.05 Law enforcement officers; use of force in making an arrest.—A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. The officer is justified in the use of any force:
(1) Which he or she reasonably believes to be necessary to defend himself or herself or another from bodily harm while making the arrest;
(2) When necessarily committed in retaking felons who have escaped; or
(3) When necessarily committed in arresting felons fleeing from justice. However, this subsection shall not constitute a defense in any civil action for damages brought for the wrongful use of deadly force unless the use of deadly force was necessary to prevent the arrest from being defeated by such flight and, when feasible, some warning had been given, and:
(a) The officer reasonably believes that the fleeing felon poses a threat of death or serious physical harm to the officer or others; or
(b) The officer reasonably believes that the fleeing felon has committed a crime involving the infliction or threatened infliction of serious physical harm to another person.

776.051 Use or threatened use of force in resisting arrest or making an arrest or in the execution of a legal duty; prohibition.—
(1) A person is not justified in the use or threatened use of force to resist an arrest by a law enforcement officer, or to resist a law enforcement officer who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer.
(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.

776.06 Deadly force by a law enforcement or correctional officer.—
(1) As applied to a law enforcement officer or correctional officer acting in the performance of his or her official duties, the term "deadly force" means force that is likely to cause death or great bodily harm and includes, but is not limited to:
(a) The firing of a firearm in the direction of the person to be arrested, even though no intent exists to kill or inflict great bodily harm; and
(b) The firing of a firearm at a vehicle in which the person to be arrested is riding.
(2)(a) The term "deadly force" does not include the discharge of a firearm by a law enforcement officer or correctional officer during and within the scope of his or her official duties which is loaded with a less-lethal munition. As used in this subsection, the term "less-lethal munition" means a projectile that is designed to

AMERICAN OVERSIGHT

stun, temporarily incapacitate, or cause temporary discomfort to a person without penetrating the person's body.
(b) A law enforcement officer or a correctional officer is not liable in any civil or criminal action arising out of the use of any less-lethal munition in good faith during and within the scope of his or her official duties.

776.07 Use of force to prevent escape.—
(1) A law enforcement officer or other person who has an arrested person in his or her custody is justified in the use of any force which he or she reasonably believes to be necessary to prevent the escape of the arrested person from custody.
(2) A correctional officer or other law enforcement officer is justified in the use of force, including deadly force, which he or she reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

943.1717 Use of dart-firing stun guns.—
(1) A decision by a law enforcement officer, correctional officer, or correctional probation officer to use a dart-firing stun gun must involve an arrest or a custodial situation during which the person who is the subject of the arrest or custody escalates resistance to the officer from passive physical resistance to active physical resistance and the person:
(a) Has the apparent ability to physically threaten the officer or others; or
(b) Is preparing or attempting to flee or escape.
(2) The Criminal Justice Standards and Training Commission shall establish standards for instructing law enforcement, correctional, and correctional probation officers in the use of dart-firing stun guns. The instructional standards must include the effect that a dart-firing stun gun may have on a person.
(3) The basic skills course required for certification as a law enforcement officer must include instruction on the use of dart-firing stun guns. The portion of the basic skills course on the use of dart-firing stun guns must be a minimum of 4 hours' duration.
(4) A law enforcement officer, correctional officer, or correctional probation officer who has not received the dart-firing stun gun training described in subsection (3) and who is authorized by his or her employing or appointing agency to carry a dart-firing stun gun after the effective date of this act must complete, before issuance and use of a dart-firing stun gun, the 4-hour dart-firing stun gun training described in subsection (3) or an equivalent training course provided by the officer's employing or appointing agency in accordance with the Criminal Justice Standards and Training Commission standards outlined in subsection (2).
(5) After completing the basic skills course, each law enforcement, correctional, and correctional probation officer who is authorized by his or her agency to use a dart-firing stun gun must complete an annual training course on the use of dart-firing stun guns. The annual training course on the use of dart-firing stun guns must be a minimum of 1 hour duration.

AMERICAN OVERSIGHT

2. **While the legal standards governing the lawful use of force do not change during a public health emergency, the existence of the public health emergency may create the need to enforce laws that are peculiar to such a scenario, with which you may not be immediately familiar. Enforcement of these laws may lead to lawful use of force, in accordance with existing law and agency policy. One crime of particular note during a public health emergency involving enforcement of a quarantine order is Fla. Stat. 381.00315(6), which reads:**

"The rules adopted under this section and actions taken by the department pursuant to a declared public health emergency, isolation, or quarantine shall supersede all rules enacted by other state departments, boards or commissions, and ordinances and regulations enacted by political subdivisions of the state. Any person who violates any rule adopted under this section, any isolation or quarantine, or any requirement adopted by the department pursuant to a declared public health emergency, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083."

It is worth noting that the above crime is a misdemeanor. Non-deadly force may be used in apprehending a fleeing/resisting subject who has committed a misdemeanor in the presence of a law enforcement officer, but deadly force is not authorized in the absence of some other factor(s) as dictated by law. As always, the appropriate use of force for a given situation is very fact-specific.

3. **Declaration of a Public Health Emergency does not, on its own, change a law enforcement officer's territorial jurisdiction.**

Declaration of a Public Health Emergency does NOT, on its own, modify a law enforcement officer's jurisdiction to make an arrest. In order to have law enforcement powers outside of an officer's jurisdictional boundaries, a special source of authority and jurisdiction must have been granted (e.g.- mutual aid agreement, being specially deputized by a Sheriff, etc.). An officer outside of his or her territorial jurisdiction during a Public Health Emergency, in the absence of a special source of authority and jurisdiction, has only the power of citizen's arrest.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention ("CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

AMERICAN OVERSIGHT

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

AMERICAN OVERSIGHT

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation ("PUI") as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.

B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC's definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000311

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

RON DESANTIS, GOVERNOR

Subject: David Porter inquiry

Kent – David Porter, local reporter writing for Propublica, called me this morning. He wanted data on age and race for COVID-19 cases because he's writing about more black people being susceptible to COVID-19. I referred him to you and said DOH has general stats, but doesn't give out specifics like that. Just wanted to give you a heads up he'll be contacting you.

Kelly/Despina – David asked to be added to media list pushing. His email is david.d.porter.orl@gmail.com. Thanks and I added this request to the media lot.

Subject: Deadline question

An editor took a closer look at the week-by-week chart and posed his question to me:

This is really important element of the story.

We accurately quoted Mayor Demings on March 3 saying "it's only a matter of time before it's in our backyard."

But according to Dr. Pino's sheet today, there were already EIGHT cases by then. Dr. Pino's sheet shows the first case of COVID-19 in Orange was logged during week of Feb. 2.

That is "week 6" on the chart so it the data shows positive cases back in February?

Why weren't those announced?

Did we not know they were covid-19 cases then ? And were they then added later?

When was Orange's first case actually announced?

Hi Kent,

We are getting a Facebook message from a follower who says they've been waiting more than 30 minutes on hold for the Coronavirus Call Center hotline.

What's the average wait time?

Thanks,
Sam

Hi Kent,

Any word? We hope we can get Dr. Pino at the new conference. It will be in room 105 at the County Admin building. We ask the participants to come to the BCC Chambers beforehand.

Thanks,
Jane

First Lady Casey DeSantis Announces $1.2 Million Grant for Gadsden County Criminal Justice Diversion Project

Quincy, Fla. – Today, First Lady Casey DeSantis announced that the Florida Department of Children and Families (DCF) has awarded a $1.2 million three-year grant to Gadsden County for a new Criminal Justice Diversion Project. This project will provide a comprehensive array of services and support for citizens with untreated mental health and substance abuse challenges that too often can trap them in the criminal justice system.

"I'm pleased to be working on this collaborative project that aims to reduce recidivism for those who struggle with mental illness and substance abuse disorders," **said First Lady Casey DeSantis**. "With this new diversion program, Gadsden County joins a growing trend of recognizing that these individuals need real care and support to get back on their feet, find meaningful work, support their families and ultimately rejoin their communities."

The Gadsden County Sheriff's Office helped the county pursue the Criminal Justice, Mental Health and Substance Abuse Reinvestment Grant from DCF to implement the diversion project. The project partners with Florida A & M University's (FAMU) Department of Social Work to provide comprehensive support services to ensure a coordinated response to the health needs of diversion project participants.

"Everyone should have access to high-quality behavioral health services,"**said DCF Secretary Chad Poppell.** "With this $1.2 million grant, as well as support from the Governor and First Lady, Gadsden County can ensure men and women who have been incarcerated or are at risk of entering deeper into the criminal justice system are offered those services and an opportunity to have full, productive lives. We look forward to seeing the meaningful and potentially monumental impact that this grant will have here over the next three years."

"As we move forward with this grant to reduce recidivism and bring hope to individuals and their families through the identification and treatment of mental health and substance use disorders, I want to recognize and thank our First Lady for her unparalleled commitment to improving access to mental health and substance abuse services," **said Gadsden County Sheriff Morris Young.** "Her continued efforts to bring attention to mental health and its impact on Florida's families are vital to preserving the health, safety and welfare of the public. We look forward to bringing meaningful services to those suffering from the devastating effects of mental illness and substance abuse."

"This new diversion program in Gadsden County is a strong step in the right direction for people ensnared in the criminal justice system due to untreated mental or substance abuse issues, and the collaboration with our Department of Social Work will help ensure sound care coordination of wraparound services," **said Director of FAMU's Master of Social Work Program Dr. Gari D. Tookes.** "Florida A & M University is honored to join with Gadsden County to provide services and counseling to help people change the trajectory of their health and lives."

The Gadsden County Criminal Justice Diversion Project expects to serve approximately 150 participants over the next three years. In addition to the services being provided through FAMU, the project will develop crisis intervention teams throughout the county, enhanced de-escalation techniques and education on trauma-informed care practices. This will help law enforcement and the community better respond to citizens struggling with mental health and substance abuse challenges and divert them to services and treatment in lieu of incarceration.

Through the Hope for Healing Florida initiative, First Lady DeSantis is focused on addressing the need for both physical and mental health recovery following Hurricane Michael. In December, Governor Ron DeSantis and the First Lady visited Northwest Florida to announce more than $20 million for Bay, Calhoun, Gadsden, Gulf, Holmes, Jackson, Liberty and Washington counties through the Hurricane Michael State Recovery Grant Fund Program, with $2.4 million going to Gadsden County.

The First Lady has announced several additional state-led efforts to provide mental health support services to communities impacted by Hurricane Michael, including:

AMERICAN OVERSIGHT

- $2.3 million in federal funding to expand Project HOPE in the region;
- FDEM hiring the first Disaster Recovery Mental Health Coordinator in Florida history;
- The installation of telehealth portals for mental health services in 63 public schools throughout six counties in Northwest Florida; and
- An award of $1.25 million by the U.S. Department of Education to Bay County for the expansion of licensed school social workers and paraprofessionals.

Today's announcement is part of First Lady DeSantis' *Hope for Healing Florida* campaign, which strives to combine the resources and efforts of the public and private sectors to better serve Floridians struggling with mental health and substance abuse.

Hi Media Friends,

Below are the graphs Dr. Raul Pino discussed in today's news briefing. Please reach out to Kent Donahue if you have any further questions or requests regarding this data.

AMERICAN OVERSIGHT

We have **61** cases so far this week (6 days into the week) 4/19-4/24
In comparison to last week, we had **142** cases 6 days into week 16 4/12-4/17 which is a 57% decrease.
Here is the weekly epi curve as well as the table associated with it:

MMWR Week	COVID 19 Cases	Percent Change
1	0	0%
2	0	0%
3	0	0%
4	0	0%
5	0	0%
6	1	0%
7	2	100%
8	3	0%
9	2	-33%
10	13	550%
11	79	508%
12	250	216%
13	273	9%
14	220	-19%
15	173	-21%
16	147	-15%
17	61	-59%

Subject: For Immediate Release - Coronavirus Update News Conference Today at 4:00 p.m.

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 6, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 6, 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings al will host a news conference to discuss COVID-19 and County updates.

AMERICAN OVERSIGHT

WHEN: Monday, April 6, 2020, at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:00 p.m. start time.

During the question and answer portion of the news conference, send questions to Kelly Finkelstein for reporters not able to attend in person. Please send a text with the specific question(s) to 407-468-5289.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - At Noon Today Orange County Mayor Jerry L. Demings to hold news conference about county preparations for the COVID -19
Attachment(s): "image001.jpg"

Media Contact: Kelly Finkelstein, Sr. Public Information Officer, Orange County Government

407-468-5289 • **pio@ocfl.net**

FOR IMMEDIATE RELEASE
March 13, 2020

Orange County Mayor Jerry L. Demings to hold news conference about county preparations for the COVID -19
Today, March 13 at Noon

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss the coronavirus and impact to Orange County
WHEN: Friday, March 13
Noon
WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando 32801
1st floor commission chambers

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

Subject: For Immediate Release - Coronavirus Update News Conference - Today - 4:00 p.m.

Media Contact • pio@ocfl.net
FOR IMMEDIATE RELEASE
April 27, 2020

Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference

AMERICAN OVERSIGHT

Today, April 27 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Monday, April 27, 2020 at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of confirmed speakers will be available prior to the 4:00 p.m. start time.

There will be a five minute recap in Spanish of Mayor Demings remarks immediately following the question and answer session.

During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

Spanish closed captions (CC) are available on CC3. Most closed captioning options are available through your TV, using the CC button on your remote or through your TV settings menu.

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - Coronavirus Update News Conference at 4:00 p.m. Today

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 10, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 10, 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Friday, April 10, 2020 at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:00 p.m. start time.

AMERICAN OVERSIGHT

During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - Coronavirus Update News Conference Today at 4:30 p.m.

Media Contact • pio@ocfl.net
FOR IMMEDIATE RELEASE
April 22, 2020

AMERICAN OVERSIGHT

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 22, 2020 at 4:30 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Wednesday, April 22, 2020 at 4:30 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of confirmed speakers will be available prior to the 4:30 p.m. start time.

During the question and answer portion of the news conference, *reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

Spanish closed captions (CC) are available on CC3. Most closed captioning options are available through your TV, using the CC button on your remote or through your TV settings menu.

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 4:00 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - Coronavirus Update News Conference Today, April 24 2020 at 4:00 p.m.

Media Contact • pio@ocfl.net
FOR IMMEDIATE RELEASE
April 24, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 24 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Friday, April 24, 2020 at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando

AMERICAN OVERSIGHT

Commission Chambers – 1st Floor

SPEAKERS: A list of confirmed speakers will be available prior to the 4:00 p.m. start time.

Immediately following the question and answer session, there will be a five-minute recap in Spanish with Mayor Demings remarks.

*During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

Spanish closed captions (CC) are available on CC3. Most closed captioning options are available through your TV, using the CC button on your remote or through your TV settings menu.

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release: Mayor Jerry L. Demings to Hold Coronavirus Update Today at 4:30 p.m.

Dear Communicators,

Please see below press release regarding Mayor Demings' next news briefing. I will of course send out a 'Key Takeaways' following the event later today.

https://newsroom.ocfl.net/media-advisories/press-releases/2020/04/orange-county-mayor-jerry-l-demings-to-hold-coronavirus-update-news-conference-april-3-2020-at-430-p-m/

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 3, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 3, 2020 at 4:30 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

AMERICAN OVERSIGHT

WHEN: Friday, April 3, 2020, at 4:30 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:30 p.m. start time.

During the question and answer portion of the news conference, questions can be sent to Despina McLaughlin for reporters who are not able to attend in person. Please send a text with your full name/affiliation and specific question(s) to 321-347-0033.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available 30 minutes prior to the start of the news briefing.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

Sincerely,
Despina McLaughlin

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 13, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 13, 2020 at 4:30 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Monday, April 13, 2020 at 4:30 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

AMERICAN OVERSIGHT

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:30 p.m. start time.

During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 4:00 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Kelly Finkelstein
Communications Division

Senior Public Information Officer
Orange County Government
201 S. Rosalind Avenue
Orlando, FL 32801
Office: 407-836-5818
Mobile: 407-468-5289
For media inquires – email PIO@ocfl.net

News: http://www.ocfl.net/news
E-mail: Kelly.Finkelstein@ocfl.net
Newsroom: https://newsroom.ocfl.net

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today - 5:00 p.m. - EOC

Media Contact: PIO@ocfl.net
FOR IMMEDIATE RELEASE
March 22, 2020

***** MEDIA ALERT *****
Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference

March 22, 2020 at 5 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and county updates.

WHEN: Sunday March 22, 2020, at 5 p.m.

WHERE: Orange County Emergency Operations Center, 6590 Amory Ct., Winter Park, FL 32792

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

Media Contact • pio@ocfl.net
FOR IMMEDIATE RELEASE
April 17, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 17, 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Friday, April 17, 2020 at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:00 p.m. start time.

AMERICAN OVERSIGHT

During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

Spanish closed captions (CC) are available on CC3. Most closed captioning options are available through your TV, using the CC button on your remote or through your TV settings menu.

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Subject: For Immediate Release - Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today at 4:30 p.m.

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 15, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 15, 2020 at 4:30 p.m.

AMERICAN OVERSIGHT

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Wednesday, April 15, 2020 at 4:30 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:30 p.m. start time.

During the question and answer portion of the news conference, *reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 4:00 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 1, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 1, 2020 at 4 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and County updates.

In addition to a County health report from the Florida Department of Health, economic impact to Orange County, and services available to the business community will be discussed.

WHEN: Wednesday, April 1, 2020, at 4 p.m.

AMERICAN OVERSIGHT

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent out to all media prior to the 4:00 p.m. start time.

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Media Contact • pio@ocfl.net
FOR IMMEDIATE RELEASE
April 20, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 20, 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Monday, April 20, 2020 at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando

AMERICAN OVERSIGHT

Commission Chambers – 1st Floor

SPEAKERS: A representative from Orange County Public Schools will attend.

During the question and answer portion of the news conference, *reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

Spanish closed captions (CC) are available on CC3. Most closed captioning options are available through your TV, using the CC button on your remote or through your TV settings menu.

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

FOR IMMEDIATE RELEASE

March 14, 2020

Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today, March 14, 2020 at 1 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and County updates.

WHEN: Saturday, March 14, 2020, at 1 p.m.

WHERE: Orange County Emergency Operations Center
6590 Amory Ct., Winter Park, FL 32792

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

Subject: For Immediate Release - Statewide Stay-at-Home Order

Media Contact • pio@ocfl.net

FOR IMMEDIATE RELEASE
April 2, 2020

Orange County, FL - As our region continues to deal with the COVID-19 pandemic, Orange County Mayor Jerry L. Demings reminds residents Governor Ron DeSantis' statewide stay-at-home order will be in effect at midnight.

Orange County will align with the governor's directive. The "Safer at Home" order supersedes all County mandates and requires all 67 counties to comply.

"It is vital that each of us continue to follow the CDC guidelines and the new order issued by Governor DeSantis. By taking these steps, we will help reduce our residents' exposure to the virus. I urge all residents to continue to be vigilant and stay at home for the safety of family, friends and neighbors. Even if your business is deemed essential, Orange County is encouraging employers to allow employees to work from home, if possible. With a unified front, we will get through this pandemic," said Mayor Demings.

.

Subject: For Immediate Release- 3/17 Mayor Jerry Demings' Statement
Attachment(s): "EO 20-68.pdf","FLRequirements_for_Restaurants_Bars_Nightclubs.pdf","Mayor Demings.jpg"

Hi there,

Please see below message from Mayor Demings and attached Executive Order from Governor DeSantis' office as well as the State of Florida's requirements on restaurants, bars and nightclubs as mandated by the Executive Order.

I've also included an updated head shot of Mayor Demings, if you wish to use.

Orange County Mayor Jerry L. Demings Statement regarding coronavirus:

The Florida Department of Health has informed me that currently (as of March 17, 2020) Orange County has 6 confirmed cases of COVID-19. This is an increase from Monday, when we announced Orange County had four confirmed cases.

The fifth case is a 40-year-old female who is in self-isolation. The sixth case is a 51-year-old male who is also in self-isolation. No other details about these cases were shared with me.

Today, Governor DeSantis announced new guidelines for bars, nightclubs and restaurants. In unincorporated Orange County, we will follow the governor's Executive Order. To that end, we ask that bars, pubs and nightclubs close for the next 30 days.

For restaurants, the Executive Order limits patrons and workers to 50% of a restaurant's current capacity. It also mandates that a restaurant follow CDC guidelines by ensuring at minimum, a six-foot distance between any groups of patrons and limiting parties to no more than 10 individuals.

For more details, we have attached the Executive Order. I highly encourage our residents to utilize expanded take-out and curbside services or delivery options at our local restaurants. We ask that our residents and businesses take these steps now, in order to limit exposure to the coronavirus.

En Espanol:

El Departamento de Salud de Florida me ha informado que actualmente (efectivo el 17 de marzo de 2020) el Condado de Orange tiene 6 casos confirmados de COVID-19. Este número representa un aumento sobre los cuatros casos confirmados que el anunciáramos el lunes.

El quinto caso es una mujer de 40 años que se encuentra en autoaislamiento. El sexto caso es un hombre de 51 años que también

AMERICAN OVERSIGHT

se encuentra en aislamiento. No se compartieron conmigo detalles adicionales sobre estos casos.

Hoy, el Gobernador DeSantis anunció nuevas pautas para bares, clubes nocturnos y restaurantes. En el Condado de Orange no incorporado, seguiremos la Orden Ejecutiva del gobernador.

Con ese fin, pedimos que los bares, pubs y discotecas cierren durante los próximos 30 días.

Con relación a los restaurantes, la Orden Ejecutiva limita a los clientes y trabajadores al 50% de la capacidad actual de un restaurante. También exige que los restaurantes siga las pautas del CDC al garantizar, como mínimo, una distancia de seis pies entre cualquier grupo de clientes y limitar los grupos a no más de 10 personas.

Para más detalles, adjuntamos la Orden Ejecutiva.

Recomiendo encarecidamente a nuestros residentes que consideren consumir en nuestros restaurantes mediante la utilización de servicios de comida para llevar u opciones de entrega (delivery). Les pedimos a nuestros residentes y negocios que sigan estas directrices para, para limitar la exposición al coronavirus.

Sincerely,
Despina McLaughlin

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR
EXECUTIVE ORDER NUMBER 20-68

(Emergency Management - COVID-19)

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention ("CDC") issued the 15 Days to Slow the Spread guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000601

Section 1. Bars, Pubs and Nightclubs

A. Pursuant to sections 252.36(5)(g)-(h), Florida Statutes, any licensee authorized to sell alcoholic beverages for consumption on premises that derive more than 50% of its gross revenue from the sale of alcoholic beverages shall suspend all sale of alcoholic beverages for thirty days from the date of this order, effective at 5 p.m. today, March 17, 2020.

B. The Department of Business and Professional Regulation shall utilize its authorities under Florida law to further implement and enforce the provisions of this Section and shall take additional measures with respect to bars, pubs and nightclubs as necessary to protect the public health, safety and welfare.

Section 2. Beaches

Pursuant to section 252.36(5)(k), Florida Statutes, I direct parties accessing public beaches in the State of Florida to follow the CDC guidance by limiting theirs gatherings to no more than 10 persons, distance themselves from other parties by 6 feet, and support beach closures at the discretion of local authorities.

Section 3. Restaurants

A. Pursuant to section 252.36(5)(g), Florida Statutes, a restaurant shall immediately limit its occupancy to 50% of its current building occupancy.

B. Pursuant to section 252.36(5)(g), Florida Statutes, a restaurant shall follow the CDC guidance by ensuring, at minimum, a 6-foot distance between any group of patrons and limiting parties to no more than 10 individuals.

C. The Department of Business and Professional Regulation shall ensure all restaurants implement employee screening and prohibit any employee from entering the restaurant premises if they meet any of the criteria listed below:

AMERICAN OVERSIGHT

1) Any person infected with COVID-19 who has not had two consecutive negative test results separated by 24 hours;

2) Any person showing, presenting signs or symptoms of, or disclosing the presence of a respiratory infection, including cough, fever, shortness of breath or sore throat;

3) Any person who has been in contact with any person(s) known to be infected with COVID-19, who has not yet tested negative for COVID-19 within the past 14 days;

4) Any person who traveled through any airport within the past 14 days; or

5) Any person who traveled on a cruise ship within the past 14 days.

D. The Department of Business and Professional Regulation shall utilize its authorities under Florida law to further implement and enforce the provisions of this Section and shall take additional measures with respect to bars, pubs and nightclubs as necessary to protect the public health, safety and welfare.

For purposes of this section, "restaurant" shall include any Food Service Establishment, licensed under Chapter 500, Florida Statutes, and Public Food Service Establishment, licensed under Chapter 509, Florida Statutes.

Section 4. This Executive Order shall expire thirty days from this date unless extended.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 17th day of Mar 202

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

FILED
2020 MAR 17 PM 1:34

AMERICAN OVERSIGHT
FL-ORANGE-20-1072-B-000603

STATE OF FLORIDA REQUIREMENTS ON RESTAURANTS, BARS AND NIGHTCLUBS

RESTAURANTS

- Limit customer entry to 50% of capacity.
- Stagger and limit seating to ensure seated parties are separated by a distance of at least 6 feet.
- Encourage restaurants to continue and expand take-out and delivery services.
- Screen all employees and prohibit entry for employees that answer "yes" to any of the following questions:
    - Have you returned from international travel or been on a cruise within the last 14 days?
    - Have you been in contact with anyone who has returned from international travel or been on a cruise within the last 14 days?
    - Have you been in any gathering of 50 people or more in the last 14 days?
    - Have you traveled to any area known to have high numbers of positive cases of COVID-19, including but not limited to California, Washington, New York, Massachusetts and Washington, D.C.?
    - Have you experienced signs or symptoms of COVID-19, such as fever, cough or shortness of breath?

BARS AND NIGHTCLUBS

- All bars and nightclubs throughout the state will close for the next 30 days.

Subject: FOR IMMEDIATE RELEASE Coronavirus Update News Conference - Today - 4:00 p.m.

FOR IMMEDIATE RELEASE
April 8, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, April 8, 2020 at 4:00 p.m.

WHAT: Orange County Mayor Jerry L. Demings will host a news conference to discuss COVID-19 and County updates.

WHEN: Wednesday, April 8, 2020, at 4:00 p.m.

WHERE: Orange County Administration Center, 201 S. Rosalind Avenue, Orlando
Commission Chambers – 1st Floor

SPEAKERS: A list of the speakers will be sent to all media prior to the 4:00 p.m. start time.

During the question and answer portion of the news conference,*reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (please include reporter name/affiliation, who the question is directed to and exact question).*

AMERICAN OVERSIGHT

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 3:30 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream:
http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

Hi Lisa – When you get a chance, can you please access these files from Ed and use this flier for**both English and Spanish** and in the Florida Health OC logo and OC Gov logo?

OC FL. Health wants to use on their sites. If you can't find high-res logo, Kent Donahue at fl health can send you the logo and he is cc'd here.

From: Commissioner Mayra Uribe
Sent: Friday, April 17, 2020 4:32 PM
To: Overstreet, Doreen
Subject: Coronavirus Update

CORONAVIRUS UPDATE

Dear Neighbor,

I hope this message finds you and your loved ones safe, healthy, and well. I know these are hard and difficult times for everyone, but we will get through this together. We are reaching a critical point in combating this pandemic within our community and the best thing we can do is to stay informed and continue to take actions to extinguish the infection.

Please continue to stay home as much as possible, wear protective face coverings when in public, and please **GET TESTED.** As of April 17, 2020, Florida has 24,119 confirmed Coronavirus cases and 1,135 cases in Orange County. The chart below provides an analysis of cases in each zip code within Orange County as of April 16, 2020. As you can see, one of the most concentrated areas of infection are within District 3.

AMERICAN OVERSIGHT

The Department of Health (DOH) will open additional mobile test sites in Orange County starting Monday, April 20, 2020. The locations are below:

Mobile Testing Locations:

*Tests at these sites are by **APPOINTMENT ONLY** and on specific days. **Please call (407) 723-5004 to make an appointment.***

Jay Blanchard Park, 2451 N. Dean Road, Orlando, FL 32817
South Econ Community Park, 3800 S. Econlockhatchee Trial, Orlando, FL 32829
Camping World Stadium, 1 Citrus Bowl Place, Orlando, FL 32805
Barnett Park, 4801 W. Colonial Drive, Orlando, FL 32808
West Orange Park, 150 Windermere Road, Winter Garden, FL 34787

There is no cost to Orange County residents to be tested, nor are there any eligibility criteria. This means anyone can be tested and we **strongly encourage** you to do so. One of the most effective ways to prevent the spread of infections in our community is by breaking the chains of transmission. Even if you do not show symptoms, it is important to get tested because people without symptoms can still spread the disease to others. We should work to isolate those persons as necessary.

AMERICAN OVERSIGHT

If you have any concerns please reach out my office via email or phone as we continue to be at your service.

Sincerely,

Commissioner Mayra Uribe
Phone: (407) 836-7350

Florida Department of Health Launches New COVID-19 Case Dashboard

~137 positive cases in Florida Residents and 18 positive cases in non-Florida residents~

TALLAHASSEE —Today, in the state's ongoing efforts to provide transparency and clarity regarding COVID-19, the Florida Department of Health announced the launch of a new COVID-19 Case Dashboard. To keep Florida residents and visitors safe, informed and aware about the status of the virus, this dashboard will be updated twice daily.
As of noon, there are 155 total** Florida cases:

- This includes 19 additional positive COVID-19 cases (14 Florida residents and 5 non-Florida residents) were reported to the Florida Department of Health.
- There are currently 137 positive cases in Florida Residents and 18 positive cases in non-Florida residents.

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories will run tests as they receive swab samples from practitioners. Testing and reporting times will vary among commercial and DOH laboratories. Demographic information may be updated during investigations.

chart 1

chart 2

For more detail on Florida resident cases, please visit the live DOH Dashboard here.

* Florida residents that are diagnosed with COVID-19 and isolated out of state are not reflected on the Florida map.

**Total cases overview includes positive cases in Florida residents and non-Florida residents tested in Florida.

More Information on COVID-19
To find the most up-to-date information and guidance on COVID-19, please visit the Department of Health's dedicatedCOVID-19 webpage. For information and advisories from the Centers for Disease Control (CDC), please visit the CDC COVID-19 website. For more information about current travel advisories issued by the U.S. Department of State, please visit the travel advisory website.
For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling**(866) 779-6121**. **The Call Center is available 24 hours per day**. Inquiries may also be emailed to**COVID-19@flhealth.gov**.

About the Florida Department of Health

The Florida Department of Health, nationally accredited by the Public Health Accreditation Board, works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

Follow us on Facebook, Instagram and Twitter at @HealthyFla. For more information please visitwww.FloridaHealth.gov.

Subject: FW: For Immediate Release - Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today at 4:00 p.m.

Dear Communicators,

Hope everyone is hanging in there and staying healthy… passing along our most recent news release regarding Mayor Demings next news briefing later today.

We will of course send out a 'key takeaways' following the briefing. Please continue to utilize our website www.ocfl.net/coronavirus as we continuously are updating FAQs, resources and testing site information on there.

Thank you for your continued support in informing our community.

Sincerely,
Despina McLaughlin
Communications Division
Public Information Officer
Orange County Government
201 S. Rosalind Avenue
Orlando, FL 32801
Office: (407) 836-5964
Cell: (321) 347-0033

Subject: For Immediate Release - Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today at 4:00 p.m.
Importance: High

Media Contact: PIO@ocfl.net
FOR IMMEDIATE RELEASE
March 26, 2020

*** **MEDIA ALERT** ***

Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference
March 26, 2020 at 4 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and county updates.
WHEN: Thursday, March 26, 2020, at 4:00 p.m.
WHERE: Orange County Administration Building, 201 S. Rosalind Ave., Orlando FL 32801
Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

FOR IMMEDIATE RELEASE
March 20, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, March 20, 2020 at 3 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and county updates.
WHEN: Friday, March 20, 2020, at 3 p.m.
WHERE: Orange County Emergency Operations Center
6590 Amory Ct., Winter Park, FL 32792

To follow CDC guidelines for social distancing, we are working with Orange TV to provide a direct feed for stations to roll on. Please let us know immediately if you require the technical details.

AMERICAN OVERSIGHT

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange CountyFacebook and Twitter pages.*

FOR IMMEDIATE RELEASE

April 17th, 2020

Mayor Demings Forms Orange County Economic Recovery Task Force

George Aguel and Tim Giuliani Named as Co-Chairs

Orange County, Fla. – In an effort to work on a measured approach to restarting the local economy from the COVID-19 pandemic, Orange County Mayor Jerry L. Demings announced the creation of the 'Orange County Economic Recovery Task Force' that will be co-chaired by the President of Visit Orlando, George Aguel and Tim Giuliani, the President of the Orlando Economic Partnership.

"These are some of the best and brightest minds in our community, and the public-private Task Force will come up with recommendations to reopen Orange County using the most safe and sensible avenues possible," said Mayor Jerry Demings.

"I am confident we will be able to get Orange County and Orlando on the way to economic recovery while we save both lives and livelihoods."

The group will consist of nearly 50 individuals representing local hospitals, theme parks, financial institutions, hotels, small businesses and non-profit economic development agencies. The Task Force will also include representatives from Lake, Osceola and Seminole Counties.

"One of the most significant strengths we have as a destination is our history of working together as a community, especially in times of crisis," said George Aguel, President & CEO of Visit Orlando.

"On behalf of the thousands of tourism businesses we represent, we are grateful for Mayor Demings' leadership in establishing this Task Force as a united effort to achieve a successful recovery."

The group will focus on recommendations for reopening Orange County, including a phased approach to easing restrictions, while ensuring the safety of employees and the public.

"The Partnership continues to hear from our local businesses who have been greatly impacted by the COVID-19 crisis. While many are hoping to reopen soon, we must ensure a safe and thoughtful environment so that our economy can thrive once again," said President of the Orlando Economic Partnership Tim Giuliani.

"That is why I am eager to serve our business community as the Co-Chair of the Economic Recovery Task Force. I applaud Mayor Demings for his leadership throughout this difficult time and we stand ready to work together."

The first meeting is set for Wednesday, April 22, 2020 from 9 a.m. to 10:30 a.m. and will be conducted virtually.

Orange TV will carry the Orange County Economic Recovery Task Force meeting live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and*

AMERICAN OVERSIGHT

professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

Sincerely,
Despina McLaughlin

AMERICAN OVERSIGHT

1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

PLEASE NOTE: Florida has a very broad public records law (F. S. 119). All e-mails to and from County Officials are kept as a public record. Your e-mail communications, including your e-mail address may be disclosed to the public and media at any time.

FOR IMMEDIATE RELEASE
March 28, 2020

***** MEDIA ALERT *****

Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today
March 28, 2020 at 3:30 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public health officials will host a news conference to discuss COVID-19 and county updates.
WHEN: Saturday, March 28, 2020, at 3:30 p.m.
WHERE: Orange County Emergency Operations Center, 6590 Amory Ct., Winter Park, FL 32792
Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.

Sincerely,
Despina McLaughlin
Communications Division
Public Information Officer
Orange County Government

Subject: FW: For Immediate Release - Orange County Mayor Jerry L. Demings to hold Coronavirus Update News Conference Today, March 16, 2020 at 4 p.m.

Dear Central Florida Communicators,

Please see below information regarding a news conference Mayor Demings will be hosting this afternoon. If you have messaging you would like to be included/mentioned regarding Covid-19 please let me know. We are constantly updating our website and social channels and want to make sure the most important and accurate information is being passed along.

Thank you!

Sincerely,
Despina McLaughlin
Communications Division
Public Information Officer
Orange County Government

Media Contact: 407-254-8836 • pio@ocfl.net

FOR IMMEDIATE RELEASE

March 16, 2020

Orange County Mayor Jerry L. Demings to hold
Coronavirus Update News Conference
Today, March 16, 2020 at 4 p.m.

WHAT: Orange County Mayor Jerry L. Demings along with public officials will host a news conference to discuss COVID-19 and County updates.

WHEN: Monday, March 16, 2020, at 4 p.m.

WHERE: Orange County Emergency Operations Center
6590 Amory Ct., Winter Park, FL 32792

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

###

About Orange County Government: *Orange County Government strives to serve its citizens and guests with integrity, honesty, fairness and professionalism. Located in Central Florida, Orange County includes 13 municipalities and is home to world famous theme parks, the nation's second largest convention center, and a thriving life science research park. Seven elected members make up the Board of County Commissioners including the Mayor who is elected countywide. For more information please visit www.OCFL.net or go to the Orange County Facebook and Twitter pages.*

To: Overstreet, Doreen
Subject: Mayor Dyer Talking Points - 4.10.20 4p.m. Press Conference

Speaking Order:
1. Jerry L. Demings, Orange County Mayor
2. Buddy Dyer, City of Orlando Mayor
3. Dr. Pino

Talking points – 4.10.20

Thank you, Mayor Demings.

We are still in the early stages of COVID-19 in our community, but we are already seeing that our mitigation efforts, like staying home, are working.

And we believe we can still continue to flatten the curve and stop a surge from occurring in our hospitals. But that is only IF we continue these efforts and continue to stay home.

We're at a critical moment right now.

We can not become complacent, but must be more committed to doing what we are doing. We must remain diligent and disciplined.
We must remember these are also challenging times for our business community – and I am proud of our local businesses and the ways they continue to help their workers…

Universal Orlando Resort has been paying its workers at 100 percent since it closed March 16 – and will keep doing so through mid-April. They have helped their team-members and their families – and therefore tens of thousands of people across our community – weather this storm.

We heard yesterday that, like other businesses, they have had to make some tough decisions.

Though they announced that they'll remain closed through at least May 31 they are *still* going to pay the majority of their workforce at 80 percent, continuing to help thousands of people through this.

And while the current situation required them to make the hard decision to furlough part-time hourly team-members, they are *still* paying them at 80 percent through May 3. And after that, they will be picking up the entire cost of their benefits.

I want to thank Universal for their continued investment in their employees and our community.
Our city utility, **OUC**, continues to provide critical services and just yesterday announced they're contributing $12 million to further help our community through this COVID-19 crisis.

AMERICAN OVERSIGHT

The funding will offer immediate relief by lowering utility bills and providing assistance to residential and business customers over the next year.

The City is a partner in this effort and is diverting a portion of the annual dividend payment made to the City by OUC, back to OUC to help fund this effort and help more of our residents get through this pandemic.

I want to thank OUC for their continued partnership and their efforts to help our residents and businesses who desperately need this help during this time of crisis.
Additionally, we've partnered with **Advent Health** and the **Orlando Magic** to transform the Amway Center into a hub for healthcare equipment and supplies that the hospital system will use to distribute needed supplies to its 50 hospitals across our region and in seven other states across the country.

We are proud to have partners, like Advent Health and Orlando Magic, who are helping now and preparing for future needs as we continue to respond to the impacts of COVID-19. As a city, we are happy to help in this effort.
I also want to thank ALL of our heath care professionals and those on the front lines that are working tirelessly to keep our Central Florida community safe every single day.
And organizations and our local community continue to inspire me everyday in ways that they are helping us in the effort.

Parishioners from **St. Philip** Phan Van Minh [pronounced **FAN VONN MINN]** **Vietnamese Catholic Church in College Park** wanted to help our local law enforcement.

This week, their parishioners, some who are owners of nail supply stores that are currently closed, donated nearly **50** boxes containing **1,000** gloves each to our first responders at the Orlando Police Department.

SC Johnson Wax, through the CDC Foundation, is donating nearly **1,500** individual first responder cleaning kits to our Orlando Police Department and Orlando Fire Department. Each individual kit includes items like disinfectant cleaners, sanitizing sprays, and hand soap.

I want to thank our community and these organizations for their help in fighting this virus.
While we end another week in this fight against COVID-19 and its impacts to our community, our fight is not over.

We must continue to be responsible, not just for ourselves but for others – the vulnerable, the essential workers on the front lines who can not stay home.

Everyday I continue to be inspired by our residents because YOU are taking this seriously like we've asked you, you are staying home and your efforts are making a difference.

We ARE flattening the curve because of each of our individual actions and behavior.....and we still have more to do.....we must continue this vigilance.

Thank you for all you've done - Orlando - and what you continue to do.

We must keep at it....keep **Staying** disciplined, **Staying** smart and **Staying** safe – by **Staying** at home.

FYI—I shared with Lauren that the Florida Department of Health is working to get a mobile testing site out to some of these 'hot zip' code areas as early as next week.. and for her to reach out to FDOH for more details.

As far as the Spanish reach, we are continuing to have internal conversations about the best way of conveying information to our Spanish speaking community.

From: Lauren Cervantes
Sent: Friday, April 10, 2020 2:48 PM
To: McLaughlin, Despina C
Subject: Media Request

Hi Despina,

I interviewed a Pastor from a church in Azalea Park and he has posted a letter on the churches Facebook Page.

He's urging officials to put a test site in the 32822 zip code -- saying that minority communities have been hit hard.

Additionally, he's asking for elected officials who speak Spanish or Creole, to speak during the press conferences. He says the translations are coming out 24 hours later, when they are no longer relevant, as this is constantly evolving.

My question for the county -- What is being done to serve members of that community? Are there any plans for a test site in that zip code? Will pressers include Spanish-speaking officials?

Thank you for your help in answering these questions.

I hope this message finds you healthy and well.

Best,
Lauren

Subject: FW: Orlando Sentinel Media Request RE: Hospital Providers

Montivette, Naseem
I apologize for the delay. I'm responding on Chief Avery's behalf.

The Office of Emergency Management has been in communication with healthcare providers.

After the AHCA memorandum was sent yesterday we did see some providers reach out, but we also elected to reach out in a proactive measure to the approximately 250 healthcare providers in our area this morning. We just wanted to ensure that they were aware of the process in place and available to them to make those requests for PPE through the county emergency operations center to the state's emergency operations center. I do want to underscore, these requests, of course should come only if the provider anticipates exhausting their own supplies or resources.

Our providers are expressing the same sentiment that's been heard across the state. There is certainly concern about supply and access to PPE.

On Tuesday (March 17), Orange County received the initial shipment of 16,600 masks (of the160,000 ordered) from the State to support Health, Fire, EMS and local law enforcement personnel. We are currently awaiting the additional shipments.

Subject: Orlando Sentinel Media Request RE: Hospital Providers

Hello,
First of all, I wanted to say thank you for all the hard work you all are doing during this time. We appreciate it.
On Monday, the Agency for Health Care Administration secretary encouraged health-care providers to contact their local county emergency managers if they need supplies, as well as "provide information on your current supply, when your next delivery is expected and the rate at which you are going through your supply so that the state can effectively deploy resources."

AMERICAN OVERSIGHT

Have local health-care providers, including hospitals like AdventHealth and Orlando Regional Medical Center, contacted the Orange County Office of Emergency Management? If so, could the county provide us those responses? Please give me a call at 407-267-1685 for more clarification. Thank you for your time!

Shall, just an observation, the Mayors update uses a podium for papers and it appears all participants seem to be touching the podium with their hands when they give their updates. Probably a habit from many speeches but it can easily transfer the virus. Maybe they should not place their papers on it or remove it to remove the temptation.

Keep up the good work.

Mike

UNIVERSITY OF CENTRAL FLORIDA

COVID-19 Testing Site to Open at UCF Monday in Partnership With Aventus Biolabs

Up to 250 tests per day will be provided weekdays at Garage A

ORLANDO, April 3, 2020 – A drive-through site where members of the community **with an appointment** can be tested for COVID-19 will open at UCF on Monday, April 6.

The site is a partnership between UCF and Aventus Biolabs, a private genetics testing lab owned and operated by Aventus Health, a healthcare company with headquarters in Orlando. Public health officials say that more widespread testing is key in getting the nation back to "normal," and this is an opportunity for UCF and Aventus to contribute to the cause.

"Testing persons who may have COVID-19 is paramount to our blunting the impact of this outbreak," said Dr. Michael Deichen, associate vice president for UCF Student Health Services.

Individuals **must** have an appointment in order to receive a test, which will be administered in UCF's Garage A, located at 12491 University Boulevard, weekdays from 9 a.m. to 5 p.m. or until appointments are filled. Those who do not have an appointment will be turned away.

To secure an appointment and have a test ordered for them, individuals must contact Aventus by calling 855-282-4860.

Providers will screen patients for symptoms and issue an order form if they qualify for testing. UCF students can obtain an ordered test from Student Health Services telehealth by calling 407-823-2701. UCF faculty and staff members can obtain their ordered test from their primary care provider by contacting UCF Health at 407-266-3627. Aventus also can connect anyone with a telehealth provider by calling 855-282-4860.

After the patient has been screened by a provider, Aventus' client services team will reach out to complete all necessary paperwork and schedule an appointment for testing. Upon arrival during a scheduled time, individuals will drive through and receive the testing with a swab designated specifically for them.

The average test takes about 10 minutes or less from the start of the appointment.

The efficiency of this process will allow for individuals to receive their test results in about 24 to 48 hours. However, it is critical that appointments are made ahead of time, as this process does not allow for unscheduled testing.

Aventus has capacity to test about 250 people per day. The individuals who qualify for testing at UCF may not meet all of the criteria required by the Florida Department of Health in order to be tested at a county testing site, but still have been prescreened for symptoms and advised by healthcare providers to be tested.

"To overcome this pandemic, leaders in healthcare must come together and utilize cutting edge technology to accomplish that goal. Aventus and UCF partnering to provide testing is a pivotal step in that direction," said Dr. Nagi Youssef, president and chairman of Aventus Health.

To learn more about COVID-19 and how testing is performed, visit Aventus' site at https://www.aventushealth.com.

Subject: FW: Time Change for Today's News Conference - NEW TIME - 4:30 p.m.

ORANGE COUNTY GOVERNMENT FLORIDA

Speaker Order News Conference – April 20, 2020 - TIME CHANGE TO 4:30 P.M.
County Administration Center

Jerry L. Demings, Orange County Mayor

Buddy Dyer, City of Orlando Mayor

Dr. Raul Pino, Health Officer for the Florida Department of Health in Orange County

Scott Howat, Communications Director, Orange County Public Schools

Other possible speakers:

John Mina, Orange County Sheriff

Link to the zip code heat map: www.ocfl.net/COVID19HeatMap; the map will be available by 4:30 p.m. today.

AMERICAN OVERSIGHT

During the question and answer portion of the news conference, *reporters who are not present can text questions to Despina McLaughlin at 321-347-0033. (Please include reporter name/affiliation, who the question is directed to and exact question).*

In alignment with CDC guidelines, we ask that you wear a mask while working in the building. In effort to maintain six feet social distancing, please send only one reporter and photographer. We encourage you to utilize the clean video feed provided to limit people in the room.

CLEAN FEED FOR MEDIA ONLY- Not for general public use

We will be sending a clean feed via LiveU to the Orlando Pool. The feed will be available beginning at 4:00 p.m.

This a clean feed coming directly from our camera that you can pull from Wirecast or other applications that can play an HLS stream: http://otv3.ocfl.net:1936/OTVClean/smil:OTVClean.smil/playlist.m3u8

Orange TV will carry the news conference live. Viewing options include Channel 488 on Spectrum, Channel 9 on Comcast, 1081 CenturyLink Prism TV, WSWF Channel 10.2 (over the air), stream live at www.ocfl.net/orangetv and you can view via the Orange TV app on ROKU in the Education category.

Spanish closed captions (CC) are available on CC3. Most closed captioning (CC) options can be managed through your TV, using the CC button on your TV's remote or through your TV settings menu.

AMERICAN OVERSIGHT

Coronavirus: summary of persons being monitored, persons under investigation, and cases

Mar 17, 2020 at 5:11 PM

Data in this report are provisional and subject to change.

Monitored persons: people the Florida Department of Health was notified of for possible monitoring because they are a contact of a case, traveled from China, or were identified by the Centers for Disease Control and Prevention (CDC) as a part of a airline/ship contact investigation

Total reports	2,097
Total persons of high, medium, or unknown risk	1,614
High/medium/unknown risk still being monitored	832

Persons under investigation (PUI):
people who meet laboratory testing criteria based on symptoms and exposure

Total identified	2,294
Tested positive	216
Tested negative	1,017
Currently awaiting testing	1,061

Confirmed cases

Confirmed cases in Florida residents	195
Confirmed by BPHL/CDC	129
Positive by commercial/hospital lab	66
Characteristics of Florida resident cases	
Not exposed/infectious in Florida	6
Hospitalized	49
Deaths	7
Cases in non-Florida residents	21
Confirmed by BPHL/CDC	19
Positive by commercial/hospital lab	2
Total cases	216
Traveled	58
Contact with confirmed case	42
Traveled and contact with confirmed case	56
Neither	60
Travel is unknown*	41
Contact is unknown*	11
Contact is pending*	35

*Travel can be unknown and contact can be unknown or pending for the same case, these numbers will sum to more than the "neither" total.

10-week trend by event date

Event date is the earliest date associated with a case

Florida Department of Health Announces New Positive COVID-19 Cases in Florida

TALLAHASSEE — The Florida Department of Health has announced 25 new positive cases of coronavirus disease (COVID-19) in Florida and the death of a Florida resident in California. To keep Florida residents and visitors safe and aware about the status of the virus, the Department is issuing regular updates as information becomes available.

New Positive Cases

- A 68-year old female Orange County resident tested positive for COVID-19. This test was performed in California following travel to Asia. This person is deceased.
- A 41-year old male in Orange County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 54-year old male in Osceola County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 51-year old male in Miami-Dade County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 67-year old female in Manatee County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with domestic travel.
- A 62-year old female in Manatee County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is not a travel related case.
- A 29-year old male in Volusia County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with close contact with a traveler.
- A 69-year old male, non-Florida resident visiting from Europe tested positive for COVID-19 in Alachua County.
- A 59-year old female in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with domestic travel.
- A 65-year old male in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with domestic travel.
- A 42-year old male in Miami-Dade County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 77-year old female in Miami-Dade County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 59-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 37-year old male in Miami-Dade County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 39-year old female in Miami-Dade County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 20-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 83-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 41-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 20-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 19-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 22-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 19-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 58-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.

International Travel

U.S. Department of State – Global Level 3 Health Advisory

The U.S. Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

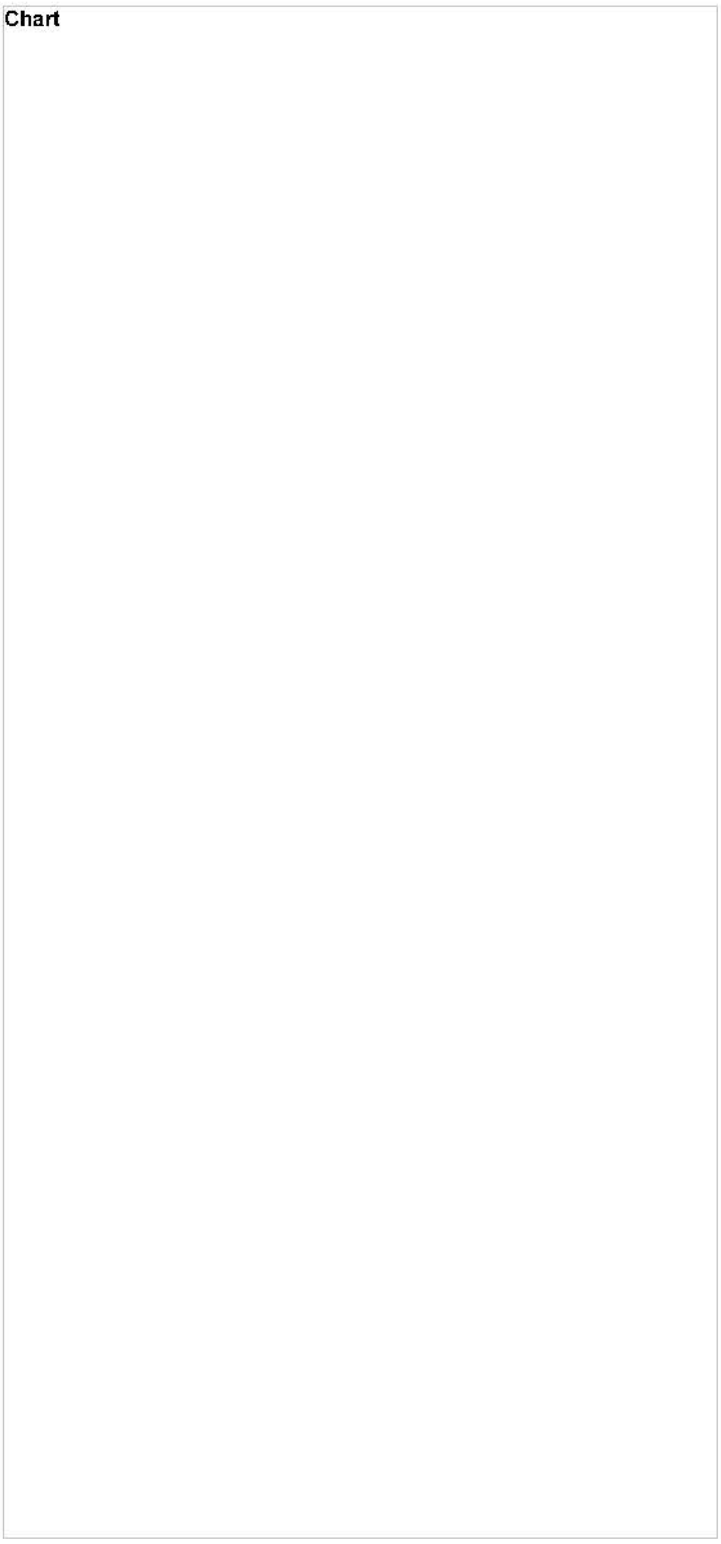
CDC Guidelines

The Florida Department of Health is advising all individuals who have traveled internationally to follow**CDC guidelines**, summarized below:

- **Level 3 Travel Advisory:** CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your County Health Department or health care provider.
- **Level 2 Travel Advisory and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and they should call ahead to a health care professional or their county health department before seeking treatment.
    - According to CDC, a cruise ship is defined as a passenger vessel involving the movement of large numbers of people in closed and semi-closed settings.

- For more information regarding current CDC travel advisories related to COVID-19, visit:https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under CDC travel advisory should call ahead to their health care provider or local County Health Department (CHD) and mention their recent travel or close contact, unless they are experiencing an emergency.



If a person has had close contact with someone showing these symptoms who has recently traveled from areas or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the County Health Department. The health care professional will work with the Department to determine if the person should be tested for COVID-19.

Nile Cruise Advisory

The Florida Department of Health is advising all individuals who traveled to Egypt for a cruise or tour on the Nile River in February or March 2020 to self-isolate for 14 days following their date of return to the United States, and if ill, immediately contact their CHD or health care provider. Several passengers in the United States recently developed symptoms and have been confirmed to be infected with COVID-19, including 11 positive cases in Florida.

Port Everglades Advisory

The Department, through an extensive epidemiological investigation, has identified four positive COVID-19 cases associated with Port Everglades in

AMERICAN OVERSIGHT

Broward County, Florida. All three cases are connected to or employed by Metro Cruise Services – a company that operates at Port Everglades.

- The Department recommends all individuals experiencing symptoms who have recently traveled through Port Everglades to immediately contact their CHD or health care provider and self-isolate for 14 Days.

- The Department also recommends employees of Metro Cruise Services at Port Everglades with any association to these cases self-isolate at home.
- The Department is working to connect with all employees at Metro Cruise Services who may have come into contact with the three individuals who have tested positive for COVID-19 to provide the employees with the appropriate guidance and monitoring.
- The Department is working in close consultation with the CDC on this investigation.
- CDC recommends that individuals with recent travel history on a cruise monitor their health for 14 days and, if they develop symptoms, immediately self-isolate and contact their CHD or health care provider.

COVID-19 Public Website and Call Center

Please visit the Department's dedicated COVID-19 webpage for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **1-(866) 779-6121. The Call Center is available 24 hours a day**. Inquiries may also be emailed to **COVID-19@flhealth.gov**.

Actions the State of Florida has taken on COVID-19:

- Governor Ron DeSantis issued Executive Order 20-52 declaring a State of Emergency for COVID-19.
- Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19.
- Governor Ron DeSantis issued Executive Order 20-51 directing the State Surgeon General to declare a Public Health Emergency.
- State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for COVID-19 in Florida.
- Established an Incident Management Team to coordinate response operations.
- Activated a dedicated incident command post for on-site response activities.
- Conducted public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined these calls.
- Participated with the Agency for Health Care Administration (AHCA) on statewide conference calls with nursing homes, assisted living facilities and hospitals.
- Established a public call center for questions regarding COVID-19.
- Developed and distributed an updated COVID-19 presentation to CHDs for use at community meetings.
- Implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for ongoing monitoring and coordination with the CDC regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUIs) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Distributed the updated Clinician Screening Tool for identifying PUIs for COVID-19 and a health care provider letter regarding Enhanced Surveillance and Preparedness for COVID-19 to associations, licensed providers, Health Care Coalitions and CHDs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated Laboratory Guidance regarding implementation of testing at State Public Health Laboratories.
- In an effort to be proactive, and only as a precautionary measure if COVID-19 evolves in Florida, Florida Virtual School (FLVS) has partnered with the Florida Department of Education to offer all school districts student support and teacher professional development tailored to the online learning environment. The Florida Department of Education in partnership with FLVS is training an additional 10,000 teachers statewide on the Virtual Teacher Training for COVID-19. Superintendents who are interested in offering their teachers the Virtual Teacher Training for COVID-19 should work with their County Virtual Principals to provide a list of teachers to FLVS through: https://www.flvs.net/FLVSTeacherTraining.
- Governor DeSantis directed the Florida Division of Emergency Management and the Agency for Health Care Administration to take action to restrict access to vulnerable populations for those who may have been exposed to COVID-19. The Governor also directed the Florida Department of Corrections to suspend visitation at state prisons for 30 days.

What You Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under CDC travel advisory should call ahead to their health care provider and local CHD and mention their recent travel or close contact.

Florida Department of Health Updates New COVID-19 Cases, Announces One New Death Related to COIVD-19, 6 p.m. Update

~299 positive cases in Florida Residents and 29 positive cases in non-Florida residents~

TALLAHASSEE — To keep Florida residents and visitors safe, informed and aware about the status of the virus, The Florida Department of Health has launched a COVID-19 dashboard that will be updated twice daily. Today, as of 6 p.m., there are 328 total** Florida cases.

One person has died in Clay County who had previously tested positive for COVID-19.

New Florida cases include:

- 14 additional positive COVID-19 cases (10 Florida residents and 4 non-Florida residents) reported to the Florida Department of Health.
- There are currently 299 positive cases in Florida residents and 29 positive cases in non-Florida residents.

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories will run tests as they receive swab samples from practitioners. Testing and reporting times will vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information.

More information on a case-by-case basis can also be found here.

6 pm

For more detail on Florida resident cases, please visit the live DOH Dashboardhere.

* Florida residents that are diagnosed with COVID-19 and isolated out of state are not reflected on the Florida map.

**Total cases overview includes positive cases in Florida residents and non-Florida residents tested in Florida.

Florida Department of Health Updates New COVID-19 Cases, Announces One New Death Related to COVID-19, 6 p.m. Update

~393 positive cases in Florida Residents and 39 positive cases in non-Florida residents~

TALLAHASSEE — To keep Florida residents and visitors safe, informed and aware about the status of the virus, The Florida Department of Health has launched a COVID-19 dashboard that will be updated twice daily. Today, as of 6 p.m., there are 432 total** Florida cases.
One person has died in Duval County who had previously tested positive for COVID-19.
New Florida cases include:

- 42 additional positive COVID-19 cases (33 Florida residents and 9 non-Florida resident) reported to the Florida Department of Health.
- There are currently 393 positive cases in Florida residents and 39 positive cases in non-Florida residents.

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories will run tests as they receive swab samples from practitioners. Testing and reporting times will vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information.

More information on a case-by-case basis can also be found here.

6pm

For more detail on Florida resident cases, please visit the live DOH Dashboardhere.

* Florida residents that are diagnosed with COVID-19 and isolated out of state are not reflected on the Florida map.

**Total cases overview includes positive cases in Florida residents and non-Florida residents tested in Florida.

More Information on COVID-19
To find the most up-to-date information and guidance on COVID-19, please visit the Department of Health's dedicatedCOVID-19 webpage. Governor Ron DeSantis and Division of Emergency Management Director Jared Moskowitz Announce Federal Resource Requests to Help Combat COVID-19

~Additional Resources Are Being Deployed to Broward County and High-Impact Areas~

TALLAHASSEE — Today, the Florida Division of Emergency Management (FDEM) announced that at the Governor's direction, FDEM Director Jared Moskowitz is ordering additional supplies and personal protective equipment in an effort to mitigate and contain the spread of COVID-19 in the state.

After conducting a thorough assessment of needs, Director Moskowitz has requested the following supplies through Direct Federal Assistance:

- 5 mobile intensive care units
- 5,000 ventilators
- 5,000 hospital beds
- 50,000 two oz. bottles of hand sanitizer
- 250,000 coveralls
- 500,000 gloves
- 500,000 gowns
- 500,000 collection kits
- 100,000 16 oz. bottles of hand sanitizers
- 150,000 Personal Protective Equipment kits, including coveralls, gowns, and goggles
- 2 million N95 face masks

Supplies are being delivered on a rolling basis, and inventory is being distributed throughout the state 24 hours a day.

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed.
- One field hospital is on its way to Broward County and will be set up there.
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed.

Director Moskowitz is also working with the federal government to determine if there is capacity to add US Navy Mercy-Class ships at Florida ports. Mobile COVID-19 testing is also being implemented, and the National Guard is deployed in Broward County and on standby to assist throughout the state as necessary.

Governor DeSantis Activates Emergency Business Damage Assessment Survey for Coronavirus (COVID-19)

The Business Damage Assessment Survey can be taken online at https://floridadisaster.biz/

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the activation of the Business Damage Assessment survey to assess the impact of COVID-19 on Florida's local business operations. The survey, managed by the Florida Department of Economic Opportunity (DEO), will evaluate businesses affected by COVID-19 and the impacts the virus has had on the local economy so actions to implement appropriate relief programs can begin.

"Gathering information about the impact COVID-19 has on Florida businesses and industries will be invaluable to the state's efforts in coordinating our response," **said Governor DeSantis.** "It is important that we understand the total impact COVID-19 has on businesses to ensure that we access the resources that may be available."

The Business Damage Assessment Survey can be taken online at https://floridadisaster.biz/. Results from this survey will be shared with state agencies and local partners. Surveys submitted by small businesses can be used to access the Small Business Administration's Economic Injury Disaster Loan, made available for COVID-19 through the Coronavirus Preparedness and Response Supplemental Appropriations Act. For inquiries or assistance with the survey, businesses can contact Emergency Support Function 18 at ESF18@em.myflorida.com.

"Under Governor DeSantis' direction, the state of Florida has maintained contact with our business partners throughout the state in order to develop a proactive response for COVID-19 business impacts," **said Florida DEO Executive Director Ken Lawson.** "We need feedback from all Florida businesses to provide comprehensive information about the impacts of COVID-19 to our partners at the federal level."

Governor Ron DeSantis issued Executive Order 20-52 declaring a State of Emergency for COVID-19 and directed the Florida Division of Emergency Management to activate the Florida Emergency Operations Center (EOC) to a Level II, to coordinate the state's response to COVID-19. Last week, the governor issued Executive Order 20-51 directing the State Surgeon General to declare a public health emergency.

For the most up-to-date information about COVID-19 in Florida, please visit the Florida Department of Health's dedicated COVID-19 webpage. For any other questions related to COVID-19 in Florida, please contact the state's dedicated COVID-19 Call Center by calling (866) 779-6121. The Call Center is available 24 hours per day. Inquiries may also be emailed to COVID-19@flhealth.gov.

Governor Ron DeSantis: Florida Receives $4.1 Billion from CARES ACT

Tallahassee, Fla. – Today, Governor Ron DeSantis announced that Florida has received more than $4.1 billion in federal relief under the CARES Act to aid the state in responding to and recovering from COVID-19. These funds reflect 50 percent of Florida's total allocation under the CARES Act, with an additional disbursement of funds pursuant to the CARES Act later this month.

"The $4.1 billion in federal funds received through the CARES Act will help ensure Florida secures critical resources as we continue this fight," **said Governor DeSantis.** "We thank President Trump for this much-needed support and look forward to our continued work to defeat COVID-19 and emerge stronger than before."

To receive updates on Florida's efforts to combat COVID-19 please text FLCOVID19 to 888-777.

Governor Ron DeSantis: More Than 32,000 Laptops Going to Small and Rural School Districts

Tallahassee, Fla. – Today, Governor Ron DeSantis and Education Commissioner Richard Corcoran announced that 32,614 laptop computers are being distributed to 34 mostly small, rural school districts throughout Florida and the Florida A&M University Developmental Research School. This was made possible through a partnership with the Panhandle Area Educational Consortium (PAEC), Northeast Florida Educational Consortium (NEFEC) and Heartland Educational Consortium (HEC), and three additional school districts that are not members of a consortium.

"Today's announcement speaks volumes about how the Department of Education, our school districts and our teachers are coming together to ensure Florida students have the resources they need to continue their education through the COVID-19 crisis," **said Governor DeSantis.** "Florida is truly raising the bar for distance learning."

"I am grateful our staff at the Department were able to quickly identify funds and work with Florida's educational consortiums, whose membership is made up of smaller rural districts that often need help consolidating resources, and determine the gaps in device accessibility for students, many of whom are low income and in need of this critical support," **said State Board Chair Andy Tuck.**

When the COVID-19 crisis indicated the need for distance learning, the Department proactively began calling laptop suppliers throughout Florida and reaching out to Florida's rural county school district consortia to identify both available supply and demand.

"I am grateful for the work that all 67 county school districts did to implement their distance learning plans by March 30, and I'm equally grateful to support these students in districts that lacked the resources to fully equip their students and teachers for success," **said Commissioner Corcoran.** "Nearly all of these students are low-income students, and Florida making the extra effort to fight for these students is another example of how Florida never relents in the fight to close achievement gaps."

For more information on the Florida Department of Education's response to COVID-19, please visit http://www.fldoe.org/em-response/index.stml.

Governor Ron DeSantis Announces Aerion Supersonic Will Move Global Headquarters to Florida

Aerion Will Build a New State-of-the-Art Campus in Melbourne

Tallahassee, Fla. – Today, Governor Ron DeSantis announced Aerion Supersonic will construct a new state-of-the-art campus – Aerion Park – in Melbourne, Florida. Aerion Park will form a new global headquarters and integrated campus for research, design, build and maintenance of the company's supersonic aircraft. The new project involves a multi-year $300 million investment that is expected to generate at least 675 jobs in Florida by 2026.

"The Space Coast has become a hub for the aviation and aerospace industry, and my administration continues to make it a priority to expand this high-wage and important business sector," **said Governor DeSantis**. "We are thrilled that Aerion has selected Melbourne for its new global headquarters and look forward to the company's success."

"We are building the next generation of high-speed transportation networks that will revolutionize global mobility without leaving a carbon footprint on our world," **said Tom Vice, Aerion Chairman, President & CEO**. "Our AS2 business jet – the world's first privately built supersonic aircraft – is the first stage in that exciting endeavor. Having evaluated a number of potential locations for our new home, we are excited to partner with Florida and the Melbourne community to create a sustainable supersonic future."

Over the past decade, Florida's Space Coast executed a successful strategy to diversify its economy to drive high-wage job creation. Brevard County now leads Florida in manufacturing job growth and is increasingly home to headquarters for some of the most innovative companies in aerospace. The announcement of Aerion Supersonic's integrated campus and long-term investment in Melbourne is a major win for a community looking to emerge from the economic consequences of the COVID-19 crisis.

"Today's announcement is great news for Brevard County,"**said Jamal Sowell, Florida Secretary of Commerce and EFI president & CEO**. "Florida's strong talent pipeline and low tax business climate continue to make it top of mind for businesses looking to relocate. We look forward to Aerion's success as they start a new chapter in the Sunshine State."

"This is a truly transformational project for Florida that changes the game both for high speed air transportation as well for advanced aerospace manufacturing in the state," **said Frank DiBello, President and CEO of Space Florida** "The decision to locate manufacturing of this technologically advanced supersonic flight vehicle here in Florida is a testament to the growing strength and global recognition of the importance of Florida as a world-leading aerospace state. Space Florida is pleased to have provided financing, structure and development assistance to this project."

"Brevard County is home to the pioneers of space exploration and now the pioneers of sustainable supersonic transportation." **said Economic Development Commission of Florida's Space Coast President and CEO Lynda Weatherman**. "Aerion Park raises the profile of the Space Coast as the premier site for the most innovative aerospace companies in the world and is an example of what can be accomplished, even in the most challenging times, when the EDC and its state and local partners work together."

"Governor DeSantis, Space Florida, the Economic Development Commission of Florida's Space Coast, and private industry are actively taking steps to help our community recover from a once-in-a-lifetime pandemic," **said Chair of the Brevard County Board of County Commissioners Bryan A. Lober, Esq**. "One of the earliest such steps is the introduction of an estimated 675 high-wage jobs to Brevard County in crafting the Aerion AS2 supersonic business jet, which will help solidify not only our economy, but also our reputation as the world's preeminent location for the aerospace industry."

"We are incredibly honored and thrilled to bring this news to our community at a time when it's needed the most,**said Greg Donovan, A.A.E., executive director at Orlando Melbourne International Airport (MLB)**. "We are proud to be the location of the future where Aerion will innovate, create and introduce new technologies and products to the aviation industry worldwide."

AMERICAN OVERSIGHT

"We are overjoyed to be a partner in fostering a new era of aviation by assisting in Aerion's decision to locate within the City of Melbourne. Aerion's business venture to manufacture supersonic business jets in Melbourne reinforces the Space Coast's national reputation as an aerospace industry leader," **said the Mayor of the City of Melbourne Kathy Meehan** "The City of Melbourne is also proud to collaborate with Governor DeSantis, Space Florida, Orlando-Melbourne International Airport, and the Economic Development Commission of Florida's Space Coast to bring in $300 million of new investment and more than 600 high paying jobs to our community over the next six years."

"Dating back to the space race of the 1960s, FPL has a long and proud track record of helping power the innovation and ingenuity synonymous with Florida's Space Coast," **said FPL President and CEO Eric Silagy**. "Even as we all navigate the economic uncertainty surrounding COVID-19, Aerion's decision to build its headquarters in Melbourne serves as a reassuring reminder that better days are ahead for our state. FPL remains steadfastly committed to helping re-start Florida's $1 trillion economy and move it forward once it's safe to do so."

Aerion will break ground on the new campus later this year ahead of manufacturing of the AS2 business jet commencing in 2023. In addition to the 675 new jobs Aerion will bring to the state, Aerion Park is expected to attract key aerospace suppliers within the supersonic technology ecosystem to bring business to Florida, creating additional roles for scientists, designers, engineers and aircraft builders.

Governor Ron DeSantis Announces Department of Children and Families Lawsuit Against Florida Coalition Against Domestic Violence, Executive Leadership and Board Members

Allegations Against Former CEO, Tiffany Carr, Include Fraudulent Concealment and Civil Conspiracy

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the Department of Children and Families (DCF) filed a lawsuit in the circuit court of the Second Judicial Circuit against the Florida Coalition Against Domestic Violence (FCADV) as well as the organization's executive leadership and board members. Former Chief Executive Officer, Tiffany Carr, who is at the center of the ongoing investigation into FCADV's overcompensation practices, is included as a defendant.

Allegations against FCADV include Breach of Contract, Breach of the Implied Duty of Good Faith and Fair Dealing, and Breach of Fiduciary Duty. Carr is facing allegations of Fraudulent Concealment, Fraudulent Misrepresentation, Negligent Misrepresentation and Civil Conspiracy.

"The recent revelations regarding the Florida Coalition Against Domestic Violence are alarming and disturbing," **said Governor DeSantis**. "The Coalition's deliberate abuse of state dollars, inexcusable lack of transparency and calculated breach of public trust is untenable. We will continue with our efforts to ensure those involved are held accountable for their actions, while also ensuring that survivors are being provided with proper care and support."

"I am sincerely appreciative of the support DCF has received from the Governor and the Legislature as we worked to expose the fiscal irresponsibility that infiltrated FCADV under Tiffany Carr's leadership," **said DCF Secretary Chad Poppell**. "We will ensure all who knowingly complied answer for their actions."

"Today we stand united against a very sad chapter of exploitation in our state," **said Senator Aaron Bean.** "To betray the public's trust will not come without consequences. I appreciate the Governor's resolve to bring this injustice to the light as well as closure to the victims it has affected."

"The Coalition's lack of transparency and blatant disregard of the Florida taxpayer's trust has led us to take necessary action to right a wrong," **said Representative Tom Leek.** "I appreciate the Governor's strong leadership in filing a lawsuit against the Coalition and anticipate that this will bring swift justice to the organization's executive leadership and board members."

"I am confident that the legal action taken by Governor DeSantis will serve as a message that Florida will not stand for this gross abuse of power," **said Representative Juan Fernandez-Barquin.** "As this lawsuit goes through its progression, I hope we will soon be able to get the much-needed dollars for services back to the victims of domestic violence."

Governor Ron DeSantis Announces Improvements to State Reemployment Assistance Program

Tallahassee, Fla. – Today, during a COVID-19 response roundtable at the Florida State Capitol in Tallahassee, Governor Ron DeSantis announced actions the state is taking to improve Florida's reemployment assistance program. The Governor was joined at the roundtable by Department of Economic Opportunity (DEO) Executive Director Ken Lawson, Department of Management Services (DMS) Secretary Jonathan Satter and Department of Revenue (DOR) Executive Director Dr. Jim Zingale.

"A lot of people are hurting right now through no fault of their own,"**said Governor DeSantis.** "A flawed and bureaucratic reemployment system should be the last thing that prevents them from getting assistance. Last week, I directed DEO to take whatever means necessary to fix the system and since then they have made significant progress. I appreciate the many state employees that have been working around the clock to help their fellow Floridians."

Last week, Governor DeSantis signed Executive Order 20-93, directing DEO and other executive agencies to take necessary actions to improve DEO's Reemployment Assistance Program.

The following agencies have taken the actions outlined below:

Department of Economic Opportunity

- DEO installed 72 new servers.
  - The system can now handle up to 120,000 simultaneous connections by individuals filing claims. This allows for far greater capacity than the 20,000 connections the system was having difficulty with one week ago.
- DEO published a paper application over the weekend that people can complete and mail in. Before creating the paper application, people could only fill out an application over the phone or online.
  - The paper application and important information about Reemployment Assistance is available at www.FloridaJobs.org/COVID-19.
- DEO hired a call center, streamlined the training process, and trained more than 200 people so that they can start answering calls today.
- DEO will continue to train more than 700 more individuals throughout the week, so that by next week more than 1,000 individuals will be answering calls for Reemployment Assistance.

"I want to thank Governor DeSantis for taking extraordinary efforts to ensure that our agency can better serve Floridians during this global pandemic," **said DEO Executive Director Ken Lawson.** "With additional customer call center support and critical technology improvements, DEO can assist more individuals and businesses during this unsettling time."

Department of Management Services

- DMS Secretary Jonathan Satter coordinated the Governor's call-to-action for state employees to assist DEO with calls, data entry and citizen services.
  - More than 2,300 state employees have volunteered to help. DEO will determine the number and extent to which the employees will be utilized.
- DMS is coordinating technology support and telecommunications capacity to handle a surge in calls and applications for reemployment assistance.
- DMS is now working with DEO to establish virtual desktop support and workflow processes to serve an estimated one million Floridians impacted by COVID-19.

"Governor DeSantis is committed to promptly connecting Floridians with the benefits they need to get through this unprecedented time," **said DMS Secretary Jonathan R. Satter.** "The personal commitment from state employees to help their neighbors get the assistance they need is remarkable. We will continue to allocate the technical and personnel resources necessary to provide Floridians the level of service they expect and deserve."

Department of Revenue

AMERICAN OVERSIGHT

- In response to the Governor's directive, DOR is mobilizing 579 employees to support DEO.
  - These employees have the work experience to assist with the verification of applications.
  - The employer identification process DOR will be assisting with is one of the final steps before payment is sent to the individual who has applied for reemployment assistance.
  - These 579 employees work in the Child Support and General Tax programs within the agency and will still be able to handle their normal responsibilities.

"The Department of Revenue is eager to assist the Department of Economic Opportunity in verifying the applications for reemployment benefits during this statewide health emergency," **said DOR Executive Director Jim Zingale.** "DOR has nearly 600 experienced employees who are ready to mobilize for this all-hands-on-deck effort."

Governor Ron DeSantis Announces More Than $2.2 Million for Gadsden County through Hurricane Michael State Recovery Grant Program

Quincy, Fla. – Today, Governor Ron DeSantis announced more than $2.2 million for Gadsden County through the Hurricane Michael State Recovery Grant Program to repair two essential bridges. Through the Hurricane Michael State Recovery Grant Program, Gadsden County will receive $1,595,595 to repair the Hutchinson Ferry Bridge that collapsed in September 2019. The county will also receive $676,750 to repair the Little River Bridge.

"Today's announcement builds on our progress over the past year to make sure Northwest Florida fully recovers,' **said Governor DeSantis**. "These two bridges are an essential part of everyday life for the residents of Gadsden County and I look forward to continuing to offer our full support to help this area recover stronger than before."

"Projects like the ones we awarded today in Gadsden County are exactly why the Hurricane Michael State Recovery Grant was created," **said Florida Division of Emergency Management (FDEM) Director Jared Moskowitz.**"Two important bridges in this area needed repair and today we were able to focus available dollars to fix them, without a specific appropriation. I look forward to the Legislature extending this program in 2020."

The Hurricane Michael State Recovery Grant Program supports Northwest Florida's recovery by addressing issues like revenue loss and operating deficits, which are not covered by available federal funding. These grants can also be used for infrastructure repair or replacement, beach renourishment, recreational facilities and debris removal.

The Hurricane Michael State Recovery Grant Program is administered by the FDEM. In October, Governor DeSantis requested an additional $25 million from the Florida Legislature to fund the Hurricane Michael State Recovery Grant Program for the 2020-2021 fiscal year. For more information, click **HERE**.

For more information about the Hurricane Michael State Recovery Grant Program, click**HERE**.

Governor Ron DeSantis appoints Lody Jean to the Eleventh Circuit Court

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the appointment of Judge Lody Jean to the Eleventh Circuit Court. The Eleventh Circuit encompasses Miami-Dade County.

Jean, of Coral Gables, currently serves as a Judge of Miami-Dade County Court. She previously served as an Assistant State Attorney in Miami-Dade County. Jean is the first Haitian American to be appointed to the Eleventh Circuit Court. She received her bachelor's degree from the University of Miami and her law degree from St. Thomas University School of Law. Jean fills the vacancy created by the resignation of Judge John Schlesinger.

Governor Ron DeSantis Directs the Division of Emergency Management to Activate to Level II to Coordinate Statewide Response to COVID-19 in Florida

Tallahassee, Fla.— Today, Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19 and provide critical support to the Florida Department of Health and county health departments.

The Governor's directive follows last night's announcement from the Florida Department of Health (DOH) that two individuals have died and two new presumptive positive cases were confirmed in Broward County. Additionally, today DOH announced a new presumptive positive case in Lee County. The individual is isolated and being appropriately cared for. For the total case count, visit http://FloridaHealth.gov/COVID-19.

"I have directed the Division of Emergency Management to activate to Level II to ensure our state has all the necessary resources engaged as we respond to COVID-19," **said Governor DeSantis.** "It is critical that we proactively coordinate all state resources to mitigate the threat and contain COVID-19. I urge all Floridians to take necessary precautions and follow hygiene guidelines issued by the Surgeon General and Florida Department of Health."

On March 1, Governor DeSantis issuedExecutive Order 20-51, which directed Surgeon General Rivkees to declare a public health emergency to better equip Florida with the resources needed to handle the public health threat. The Governor has requested $25 million from the Florida Legislature to be appropriated in this current year for the Florida Department of Health to be used immediately to assist with the COVID-19 response.

Guidance from the Florida Department of Health

The Florida Department of Health is working closely with the patients, potential close contacts of each case and health care providers to isolate and monitor persons who may have been exposed to COVID-19 and implement testing of anyone who may develop COVID-19 symptoms, including fever, cough or shortness of breath.

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from the COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes, are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to this virus. As a reminder, the Department always recommends everyday preventive actions to help impede the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

AMERICAN OVERSIGHT

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under CDC travel advisory should call ahead to their health care provider and local county health department (CHD) and mention their recent travel or close contact.

If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the county health department. The health care professional will work with the Department to determine if the person should be tested for COVID-19.

Please visit the Department's dedicated COVID-19 webpage atwww.FloridaHealth.gov/COVID-19. This remains the best and most up-to-date resource for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **1-866-779-6121** or emailing COVID-19@flhealth.gov**. The Call Center is available 24 hours a day, seven days a week.**

Governor Ron DeSantis Issues an Executive Order Regarding Bars, Beaches and Restaurants

Tallahassee, Fla. – Today, Governor Ron DeSantis issued an Executive Order that will reduce density and crowds in restaurants, bars, nightclubs and beaches to mitigate the spread of Coronavirus (COVID-19).

Bars and Nightclubs

Under the direction of Governor DeSantis, all bars and nightclubs throughout Florida will close for the next 30 days. Department of Business and Professional Regulation (DBPR) will be enforcing and providing further guidance.

Beaches

The Governor is directing parties accessing public beaches in the state of Florida to follow the Centers for Disease Control and Prevention (CDC) guidance by limiting their gatherings to no more than 10 persons.

Restaurants

Restaurants across the state of Florida will now be required to limit customer entry to 50 percent of capacity. Seating must be staggered and limited to ensure seated parties are separated by a distance of at least six feet, in accordance with CDC guidelines. Restaurants are encouraged to remain open and expand take-out and delivery services. Additional information will be provided by DBPR.

For a PDF copy of the Executive Order, please see attached.

AMERICAN OVERSIGHT

STATE OF FLORIDA

OFFICE OF THE GOVERNOR
EXECUTIVE ORDER NUMBER 20-68

(Emergency Management - COVID-19)

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention ("CDC") issued the 15 Days to Slow the Spread guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

AMERICAN OVERSIGHT

FL-ORANGE-20-1072-B-000762

Section 1. Bars, Pubs and Nightclubs

A. Pursuant to sections 252.36(5)(g)-(h), Florida Statutes, any licensee authorized to sell alcoholic beverages for consumption on premises that derive more than 50% of its gross revenue from the sale of alcoholic beverages shall suspend all sale of alcoholic beverages for thirty days from the date of this order, effective at 5 p.m. today, March 17, 2020.

B. The Department of Business and Professional Regulation shall utilize its authorities under Florida law to further implement and enforce the provisions of this Section and shall take additional measures with respect to bars, pubs and nightclubs as necessary to protect the public health, safety and welfare.

Section 2. Beaches

Pursuant to section 252.36(5)(k), Florida Statutes, I direct parties accessing public beaches in the State of Florida to follow the CDC guidance by limiting theirs gatherings to no more than 10 persons, distance themselves from other parties by 6 feet, and support beach closures at the discretion of local authorities.

Section 3. Restaurants

A. Pursuant to section 252.36(5)(g), Florida Statutes, a restaurant shall immediately limit its occupancy to 50% of its current building occupancy.

B. Pursuant to section 252.36(5)(g), Florida Statutes, a restaurant shall follow the CDC guidance by ensuring, at minimum, a 6-foot distance between any group of patrons and limiting parties to no more than 10 individuals.

C. The Department of Business and Professional Regulation shall ensure all restaurants implement employee screening and prohibit any employee from entering the restaurant premises if they meet any of the criteria listed below:

AMERICAN OVERSIGHT

1) Any person infected with COVID-19 who has not had two consecutive negative test results separated by 24 hours;

2) Any person showing, presenting signs or symptoms of, or disclosing the presence of a respiratory infection, including cough, fever, shortness of breath or sore throat;

3) Any person who has been in contact with any person(s) known to be infected with COVID-19, who has not yet tested negative for COVID-19 within the past 14 days;

4) Any person who traveled through any airport within the past 14 days; or

5) Any person who traveled on a cruise ship within the past 14 days.

D. The Department of Business and Professional Regulation shall utilize its authorities under Florida law to further implement and enforce the provisions of this Section and shall take additional measures with respect to bars, pubs and nightclubs as necessary to protect the public health, safety and welfare.

For purposes of this section, "restaurant" shall include any Food Service Establishment, licensed under Chapter 500, Florida Statutes, and Public Food Service Establishment, licensed under Chapter 509, Florida Statutes.

Section 4. This Executive Order shall expire thirty days from this date unless extended.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 17th day of Mar 202

RON DESANTIS, GOVERNOR

ATTEST:

SECRETARY OF STATE

Governor Ron DeSantis Leading Coordinated Response to Threat of COVID-19 in Florida

Tallahassee, Fla. – Since the emergence of COVID-19 in Florida, Governor Ron DeSantis has remained in constant communication with State Surgeon General Dr. Scott Rivkees, public health officials at the local, state and federal levels and executive agency leaders. On March 1, Governor DeSantis issued Executive Order 20-51 which directed Surgeon General Rivkees to declare a public health emergency to better equip Florida with the resources needed to handle this public health threat.

"The State of Florida is fully committed to leveraging all resources to prepare for and respond to COVID-19. Our state agencies and personnel have been monitoring COVID-19 since January and are focused on containment and prevention," **said Governor DeSantis.** "Dr. Rivkees, along with his staff of public health experts, is working with our federal partners at the Centers for Disease Control and Prevention (CDC), in addition to our partners and stakeholders across the state."

"While the threat COVID-19 poses to Florida remains low, I applaud the Governor for his immediate action to coordinate the statewide response which will be required to successfully contain the spread of the virus in Florida," **said Florida State Surgeon General Dr. Scott A. Rivkees.** "As of today, we are only seeing isolated cases without any cases resulting from community transmission. Those who remain most at risk are elderly individuals and those with underlying medical conditions. I urge everyone to practice good hygiene including thorough handwashing after shaking hands or touching surfaces as one of the easiest and most effective measures to prevent illness from COVID-19 and other viral infections."

Governor DeSantis' Actions

- Issued Executive Order 20-51 directing Surgeon General Rivkees to declare a Public Health Emergency to better equip our state with the resources needed to handle COVID-19.
- Requested funding from the state legislature and federal government to ensure the state has the means to test for COVID-19 as quickly as possible and ability to effectively communicate with the public about how to stay healthy.
- Requesting $25 million from the Florida Legislature to be appropriated in this current year for the Florida Department of Health to be used immediately to assist with the COVID-19 response.
- Attended meeting with Vice President Mike Pence along with Lieutenant Governor Nuñez, Surgeon General Rivkees, U.S. Surgeon General Jerome Adams and Assistant Surgeon General Admiral Stephen Redd in Palm Beach to discuss preparedness efforts.
- Conducted meeting with agency heads from the Department of Health, Department of Elder Affairs, Agency for Health Care Administration, Department of Education, Department of Children and Families, Division of Emergency Management and Department of Corrections to discuss coordinated response.
- Held press conferences in Tampa and Miami with the Lieutenant Governor, Surgeon General Rivkees and Deputy Secretary of Health Dr. Shamarial Roberson to provide an update and answer questions from the media.
- Toured the Florida Department of Health Public Laboratory in Tampa with the Lieutenant Governor, State Surgeon General, Dr. Roberson and Senator Janet Cruz.
- Visited the Department of Health in Orange County and Collier County to meet with local public health leaders to discuss preparedness.
- Participated in a conference call with Vice President Pence and other governors regarding COVID-19.
- Hosted a conference call with nursing home providers and the Florida Medical Association to provide guidance

AMERICAN OVERSIGHT

regarding COVID-19.

- Provided guidance to superintendents on a conference call with the Florida Association of District School Superintendents.

- Participated on a call with the Lieutenant Governor, Secretary Thibault and the Department of Transportation to advise seaports and public use airports regarding COVID-19.

Lieutenant Governor Nuñez's Actions

- Attended a COVID-19 roundtable discussion with Senator Marco Rubio at the County Health Department in Palm Beach County.

- Participated a conference call with the Florida Congressional delegation regarding COVID-19.

- Held a call with Florida State Legislators regarding COVID-19.

For the most updated and reliable information and guidance regarding COVID-19 in Florida, please visit the Florida Department of Health's dedicated COVID-19 webpage, available at: **http://www.floridahealth.gov/diseases-and-conditions/COVID-19/index.html**

The COVID-19 Call Center 1 (888) 779-6121 is available 24/7 to answer your questions.

Questions may also be emailed to **COVID-19@flhealth.gov**.

Governor Ron DeSantis Makes Five Judicial Appointments

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the appointments of Judge Michael Davis to the Seventeenth Circuit Court, Gilbert Feltel and Judge Anthony Salem to the Fourth Circuit Court, Judge Anthony Miller to the Second Circuit Court, and Judge Zachary James to the Eleventh Circuit Court.

Judge Michael Davis
Davis, of Hollywood, currently serves as a Judge of the Broward County Court. He previously served as a Senior Assistant Attorney General in the Office of the Attorney General. He received his bachelor's degree from the State University of New York at Stoneybrook and his law degree from Hofstra University School of Law. Davis fills the vacancy created by the confirmation of Judge Raag Singhal to the United States District Court for the Southern District of Florida.

Gilbert Feltel
Feltel, of Jacksonville, has been the Chief Legal Officer for Jacksonville Port Authority since 2017. He previously served as a Partner at Tanner Bishop P.A. He began his legal career as an Assistant State Attorney. He received his bachelor's degree and his law degree from the University of Florida. Feltel fills the vacancy created by the retirement of Judge Greg McCaulie.

Judge Anthony Salem
Salem, of Jacksonville, currently serves as a Judge of the Duval County Court. He previously served as an Assistant General Counsel for the City of Jacksonville. He received his bachelor's degree from the University of Florida and his law degree from Stetson University College of Law. Salem fills the vacancy created by the retirement of Judge Linda McCallum.

Judge Anthony Miller
Miller, of Tallahassee, currently serves as a Judge of Leon County Court. He previously served as the General Counsel for the Agency for State Technology. He received his bachelor's degree from Florida Agricultural and Mechanical University (FAMU) and his law degree from Florida State University College of Law. Miller fills the vacancy created by the retirement of Judge Martin Fitzpatrick.

Judge Zachary James
James, of Miami, currently serves as a Judge of Miami-Dade County Court. He previously served as a partner at Meland, Russin and Budwick, P.A. He previously served as an Assistant State Attorney. He received his bachelor's degree from The University of Texas and his law degree from University of Miami School of Law. James fills the vacancy created by the retirement of Judge Jacqueline Scola.

Governor Ron DeSantis Makes Three Judicial Appointments in Miami

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the appointments of Carlos Gamez, Scott Janowitz and Jeffrey Kolokoff to the Miami-Dade County Court.

Carlos Gamez
Gamez, of Coral Gables, is an Assistant City Attorney for the City of Miami. He was previously an associate attorney with Perez and Rodriguez P.A. He received his bachelor's degree from Ohio State University and his law degree from the University of Miami School of Law. Gamez fills the vacancy created by the elevation of Judge Ramiro Areces.

Scott Janowitz
Janowitz, of West Miami, is an attorney for Geyer, Fuxa, Tyler PLLC. He previously served as an Assistant State Attorney in the Seventeenth Judicial Circuit. He received his bachelor's degree from Carnegie Mellon and his law degree from the University of Miami School of Law. Janowitz fills the vacancy created by the elevation of Judge Christina DiRaimondo.

Jeffrey Kolokoff
Kolokoff, of Miami Shores, is a senior attorney for Beighley, Myrick, Udell and Lynne P.A. He previously served as an Assistant State Attorney in Miami-Dade. He received his bachelor's degree from Bucknell University and his law degree from Mercer University School of Law. Kolokoff fills the vacancy created by the elevation of Judge Robert Watson.

Governor Ron DeSantis Requests Major Disaster Declaration from President Donald Trump

Tallahassee, Fla. – Governor Ron DeSantis sent a letter to President Donald Trump formally requesting that he declare a Major Disaster as Florida responds to COVID-19.

The letter requested the inclusion of the following Individual Assistance Programs in the declaration: Disaster Unemployment Assistance, Crisis Counseling, Community Disaster Loans and the Disaster Supplemental Nutrition Program.

The declaration is submitted as a result of the COVID-19 response for the incident period beginning January 20, 2020, for all sixty-seven (67) counties. In addition to the Individual Assistance Programs, the declaration requests additional resources and support from FEMA.

Governor Ron DeSantis Thanks Legislature for Taking Swift Action to Make Nearly $28 Million in Federal Funds Available for COVID-19 Response

TALLAHASSEE, Fla. – Today, Governor Ron DeSantis thanked members of the Florida Legislature for providing the necessary resources to address the state's ongoing response to COVID-19. The Legislature's action will support the Florida Department of Health's ability to receive new funds from the U.S. Department of Health and Human Services and Centers for Disease Control and Prevention.

"The Florida Department of Health now has the ability to receive nearly $28 million in critical federal funds to support Florida's ongoing efforts to mitigate and contain COVID-19," **said Governor DeSantis.** "These funds will increase capacity in our state labs for more testing and support our efforts to investigate and monitor cases. I thank Senate President Galvano and House Speaker Oliva for their swift action to make these dollars available."

Today the Florida Department of Health received a notice of award for nearly $28 million in federal funding from the U.S. Department of Health and Human Services and Centers for Disease Control and Prevention to address the COVID-19 response in Florida.

"The Florida Department of Health will immediately begin working with the federal government to access these dollars," **said State Surgeon General Scott Rivkees.** "Our state labs and epidemiological teams are working around the clock and this grant will help ensure we can continue to increase our capacity to combat COVID-19."

Marc – Will you please review and see how we can push on social and web and schedule and give any guidance to Daniel?

I'm also looping in HR in case they want to post on the Intranet as well as 311. Thank you.

Matt – We very much appreciate these. They are fantastic.

Carrie – one is from OCFR here as well that you may want to use. If you share, we will share when OCFR shares your segment.

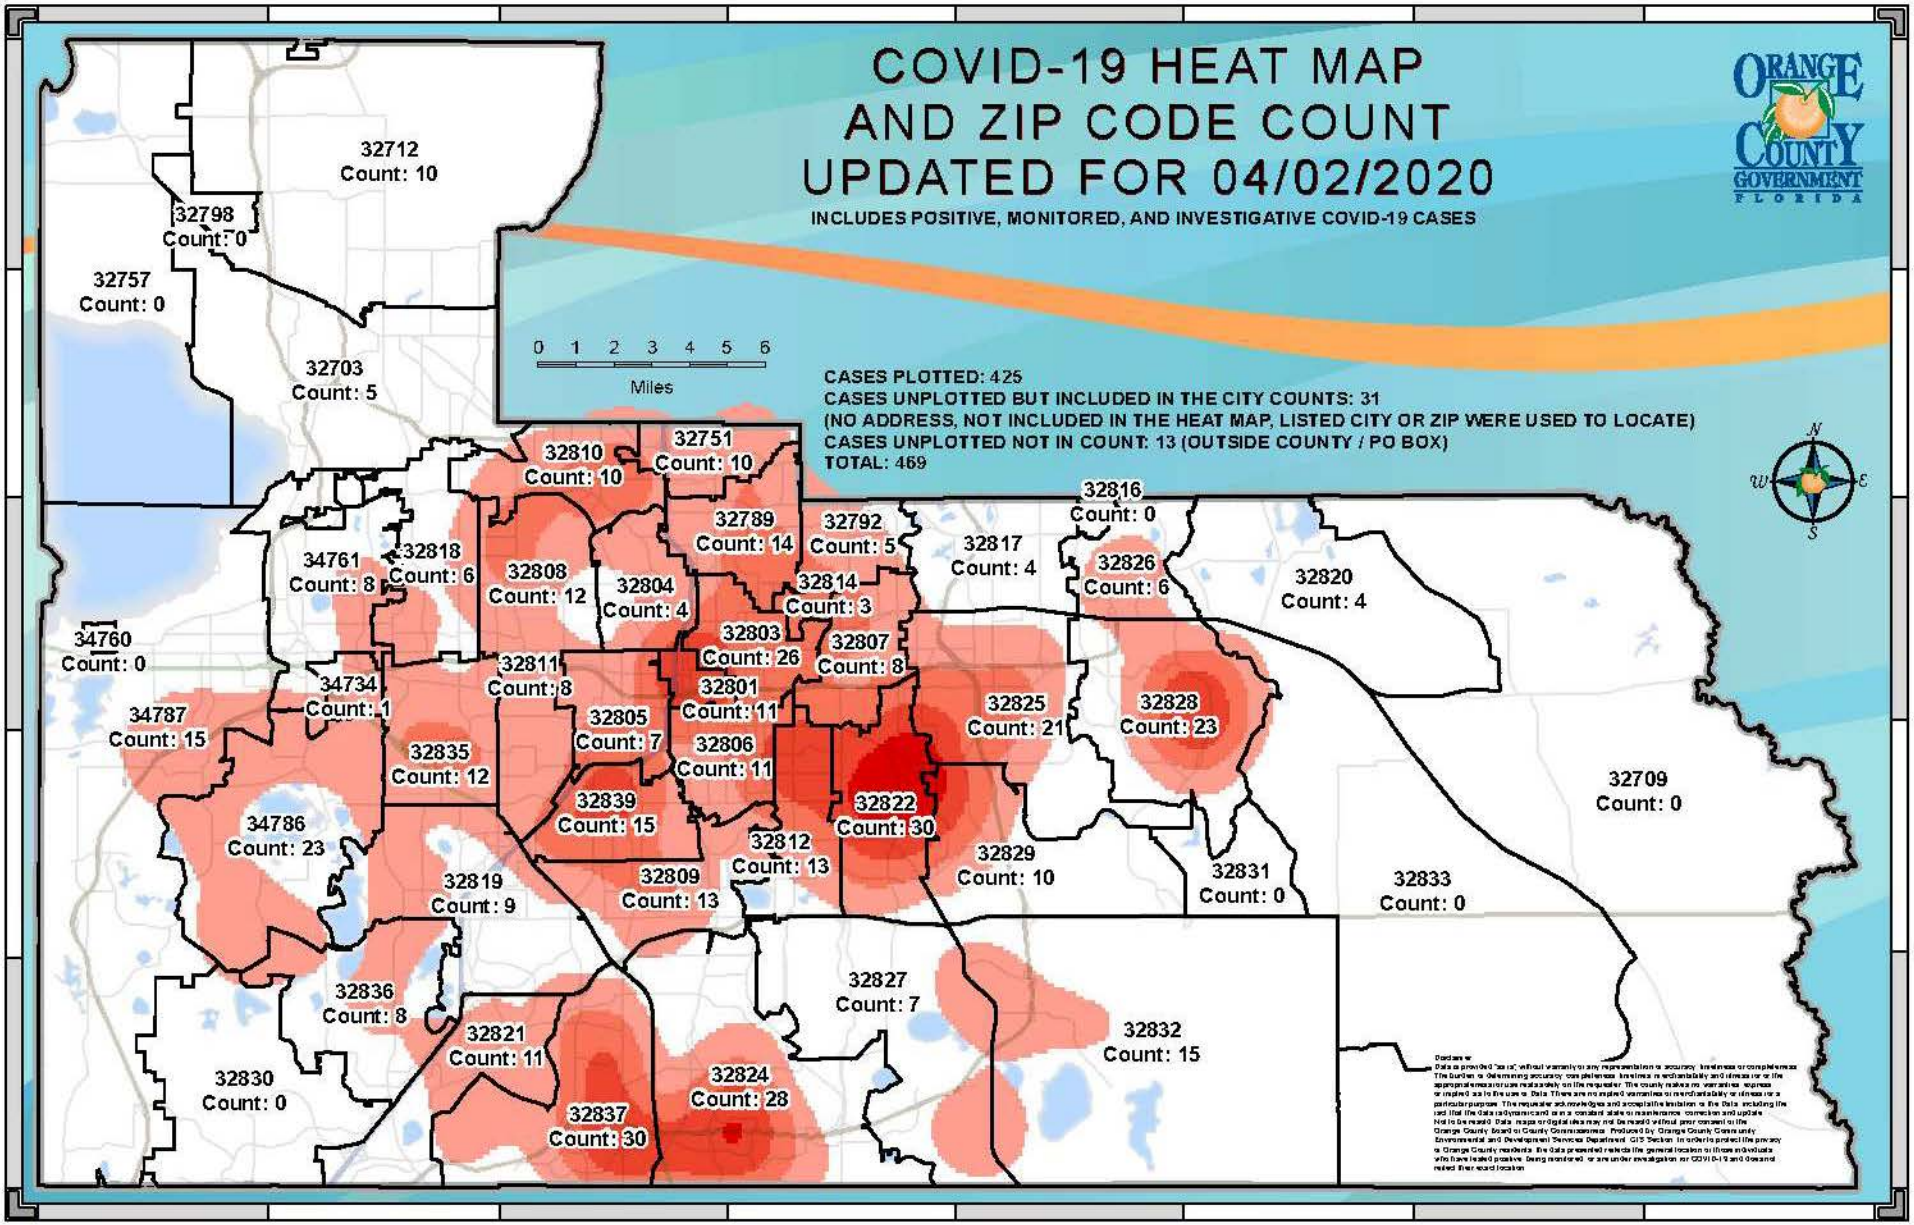
Attachment(s): "ZIP_MAP_NOPOINTS_04032020_0302PM.pdf"

Good morning, Danny and Chief Avery: I am told we will most likely have a news conference on Monday later afternoon. Therefore, we will definitely need an updated map for printing by Monday at noon.



Question: How often are we updating these zip code heat maps online? We have it on our webpage at www.ocfl.net/coronavirus and direct link at www.ocfl.net/COVID19HeatMap.

We have many residents who like the heat maps and are asking us how often we are updating **My reply right now is every couple of days, but I need direction on exactly when this will be and how we will get this heat maps for updating**. The maps need to go our team for uploading to the web and I need direction on when we'll be getting them on a regular basis and from whom.

Thank you.

Hi Kent,

Dr. Pino mentioned the "hotline" for Coronavirus, do you know when it will launch today? We wanted to include it in some external messaging.

Jane

PS the Sentinel can't decide if it is Pina or Pino in their print article today. L

Hey Kent,

We are so happy things worked out. Dr. Pino was clearly the star of the show, and we are so grateful he was able to dispense information with a gentle dose of good humor. Hopefully you can send the news conference on Orange TV to your bosses in Tallahassee.

Good article with graph comparisons to cities and what they do relating to how long they had social distancing mandate into effect.

How some cities 'flattened the curve' during the 1918 flu pandemic
Social distancing isn't a new idea—it saved thousands of American lives during the last great pandemic. Here's how it worked.

IN CASE YOU MISSED IT
Governor Ron DeSantis' Live Stream Regarding COVID-19

Tallahassee, Fla. – Today, Governor Ron DeSantis held a live stream briefing to provide updates and discuss the State of Florida's ongoing response to COVID-19.

During the briefing, Governor DeSantis announced Executive Order 20-80, which requires those who travel to Florida from New York, New Jersey and Connecticut to self-isolate for 14 days upon entering the state. The Executive Order can be found **HERE**.

To watch the full briefing, click the image below or click**HERE**.

Attachment(s): "Messaging and Talking Points for Danny Banks - JR 032420.docx"

Kent – Danny wanted us to have messaging available for if people are possibly sick with COVID-19 and what they need to do … specifically if they are healthy individuals that just need to self-isolate. We drafted this.
CDC is the source for all of this unless where otherwise noted (Mayo Clinic).

Will you guys review and provide any feedback so we can have available? Thanks. .

Doreen Overstreet, APR
Assistant Manager of Communications
Orange County Government

Newsroom/Division contacts: https://newsroom.ocfl.net/press-box/

AMERICAN OVERSIGHT

Messaging and Talking Points
(per Danny Banks questions)
(this is all sourced through the CDC unless otherwise noted)

Go to Hospital or Recover at Home?

According to the CDC, COVID-19 causes mild symptoms in about eight out of 10 people, and most people who are mildly ill with the virus are able to recover from home. If you are sick with COVID-19 or think you might have it, call your doctor before going to the doctor's office or emergency room. People who do not think they are very sick could end up spreading the disease to others who are far more likely to develop severe symptoms, such as the elderly and people with compromising health conditions.

If you believe you meet the criteria to go to the hospital (dry cough and a fever combined with difficulty breathing or a compromised immune symptom) call ahead to let your doctor know, then follow his or her advice on the best way to get to the hospital or other healthcare facility.

If your doctor recommends you recover at home, separate yourself from other family members. As much as possible stay in a specific "sick room" and away from others. Use a separate bathroom, if available.

You should also restrict contact with pets and other animals, just like you would around other people. Although there have not been reports of pets or other animals becoming sick with COVID-19, it is still recommended that people with the virus limit contact with them until more information is known.

Currently, no antiviral medication is recommended to treat COVID-19. According to the Mayo Clinic, treatment is directed at relieving symptoms and may include:

- Pain relievers (acetaminophen)
- Cough syrup or medication
- Rest
- Fluid intake

How to Discontinue Home Isolation

According to the CDC, people with COVID-19 who have stayed home (home isolated) can stop home isolation under the following conditions:

- If you do not have a test to determine if you are still contagious, you can leave home after these three things have happened:
    - You have had no fever for at least 72 hours (three full days of no fever without the use medicine that reduces fevers)

AMERICAN OVERSIGHT

- Other symptoms have improved (for example, when your cough or shortness of breath have improved)
- At least 7 days have passed since your symptoms first appeared

- If you are tested to determine if you are still contagious, you can leave home after these three things have happened:
  - You no longer have a fever (without the use medicine that reduces fevers)
  - other symptoms have improved (for example, when your cough or shortness of breath have improved)
  - you received two negative tests in a row, 24 hours apart.

In all cases, follow the guidance of your healthcare provider and local health department. The decision to stop home isolation should be made in consultation with your healthcare provider and state and local health departments. Local decisions depend on local circumstances.

Subject: Key Takeaways and News Conference Video - April 13, 2020

Good evening,

Thank you for the continued support to keep our community informed.

The following are the key takeaways from today's news conference and links to the Orange TV coverage.
https://newsroom.ocfl.net/media-advisories/press-releases/2020/03/coronavirus-updates/

News Conference Video provided by Orange TV – April 13, 2020

https://youtu.be/5k9K3yq5ENQ

https://vimeo.com/406955231

Key Takeaways: Orange County News Conference 4/13/20

The latest numbers from the Florida Department of Health in Orange County show 1,017 COVID-19 confirmed cases in the County and 13 deaths. There have been no new reported deaths in Orange County from COVID-19 since Friday, April 10. The encouraging news is there have not been a significant amount of new cases or hospitalizations, so Orange County's measures to "Stay at Home" and social distancing are continuing to have positive effects.

PROTECTIVE MASKS/COVERINGS:

- At this time, Orange County Mayor Jerry L. Demings will *not* mandate an order to require residents to wear masks in public. The decision was based on input from local law enforcement, health officials and other leaders. Mayor Demings cited three reasons for his decision: the challenge for law agencies to enforce; his observation that the majority of residents already comply with facemask recommendations; as well as possible challenges on all residents gaining access to masks.

AMERICAN OVERSIGHT

- However, the Mayor strongly urges individuals wear a mask/facial covering when out in public and at essential businesses. It is a good health protocol to keep flattening the curve. Visit Orange County's "Health Resources" tab at ocfl.net/coronavirus to view the video of the U.S. Surgeon General explaining how to make homemade cloth masks.

UPCOMING NEW TEST SITES:

- The Florida Department of Health in Orange County is planning mobile test sites throughout the County. Currently they have five proposed sites – four of which would be in County parks and one in downtown Orlando. They will announce the confirmed sites soon and plan to provide 250 to 300 tests a day at each site. These new test sites will expand outreach to various areas in the County that have a high amount of cases on the heat map and to ensure a further reach of testing in the County. The testing is by appointment only and is free.
- In addition, the testing criteria at the drive-through regional COVID-19 site has broadened. This testing service is free and does not require an appointment. However, individuals will be seen on a first come, first served basis until the daily limit is reached. The testing site opens daily at 9 a.m. and is available for all residents and visitors. For information on expanded criteria to qualify for testing, visit ocfl.net/coronavirus.
- For the latest heat map in the County that shows an overview of cases and where they are concentrated, visit ocfl.net/COVID19HeatMap.

Subject: Key Takeaways from today's news conference

Good evening,

The following are key details shared during today's news conference.

The heat map is at this link:www.ocfl.net/COVID19HeatMap

News Conference video is provided by Orange TV
https://youtu.be/kbulqfJKAMo
https://vimeo.com/409693425

For complete details, you can also visit the county'snewsroom.

Key Takeaways: Orange County News Conference 4/20/20
The latest numbers from the Florida Department of Health in Orange County show 1,204 COVID-19 cases and 23 deaths in the County. So far, there have been a total of 16,732 tests administered in the County. Orange County is dependent upon the state supply chain in order to increase the amount of testing. Mayor Demings credited the help of the private sector with increasing the County's testing numbers, but would like more testing sites available throughout the County.
Reminder: The first meeting of the Orange County Economic Recovery Task will be held virtually on Wednesday, April 22 at 9 a.m. Orange TV will air the meeting in its entirety.
TESTING SITES
The Florida Department of Health in Orange County administrated 140 tests at one of its mobile sites today at Jay Blanchard

AMERICAN OVERSIGHT

Park; however they have capacity for up to 200 tests. For these testing sites, you do not have to have any symptoms, but you need an appointment. In addition, ***it is free and no identification is required*** Visit www.ocfl.net/coronavirus to learn about various testing sites available and if an appointment is needed.

LONG-TERM CARE FACILITIES IN ORANGE COUNTY

The Department of Health in Orange County also reported today that there have been a total of 17 positive COVID-19 cases (in residents or staff) at 10 different long-term care facilities in Orange County. There have also been a total of two deaths at these facilities.

OCPS CONTINUES VIRTUAL LEARNING UNTIL END OF SCHOOL YEAR

The Governor extended the closure of schools in Florida through the end of the academic year, which will be May 27, 2020 for Orange County Public Schools (OCPS).

School sites and district offices will only be open Mondays, Wednesdays, and Fridays from 9 a.m. – 2 p.m. This schedule will be revisited when the Governor's Safe-at-Home order expires. All visitors must have an appointment.

Please call the school or send a message through the general email at the bottom of the school's homepage to schedule an appointment. Information regarding health advisories, distance learning, and the Grab-and-Go meal distribution program is available at www.ocps.net. In addition, the District Mental Health Counselors can be reached Mon – Fri from 9 a.m. to 2 p.m. at -317-3694.

2020 CENSUS

During these times uncertain times responding to the 2020 Census is more important than ever. Some of the programs that we are relying on during this crisis have funding determined by the Census Count. Programs such as school lunches, unemployment insurance, emergency management services and hospitals are affected. All households have received their invitations to respond.
