

U.S. SMALL BUSINESS ADMINISTRATION
WASHINGTON, DC 20416

OFFICE OF GENERAL COUNSEL

March 2, 2021

Austin R. Evers
Executive Director
American Oversight
1030 15th Street, NW, Suite B255
Washington, DC 20005
FOIA@americanoversight.org

Dear Mr. Evers,

This letter is in response to your Freedom of Information Act (“FOIA”) request No. SBA-2020-001026 in which you requested the following:

All calendars or calendar entries for Administrator Jovita Carranza, including any calendars maintained on her behalf, from March 31, 2020, through the date of the search.

For calendar entries created in Outlook or similar programs, the documents should be produced in “memo” form to include all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars—we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how these individuals allocate their time on agency business.

The search should include any calendars associated with Administrator Jovita Carranza’s individual email accounts if they were used to track agency business, as well as any official calendars maintained for her, including by her administrative assistants or schedulers.

SBA is releasing the attached documents that are responsive to your request. Redactions have been made pursuant to FOIA Exemptions 6. Exemption 6 protects information about individuals in “personnel and medical files and similar files” when the disclosure of such information “would constitute a clearly unwarranted invasion of personal privacy.” The Exemption 6 redacted information consists of personal cell phone numbers and email addresses, which clearly falls under the protection of FOIA exemption 6.

If you are dissatisfied with the Agency’s decision, you may file an administration appeal within 90 days of the date of this letter to:

Office of Hearings and Appeals
Attention: Oreoluwa Fashola, FOIA Office
409 3rd Avenue, SW – 8th Floor

If you are unable to resolve your FOIA dispute through our FOIA Public Liaison in the Office of Hearings and Appeals, the Office of Government Information Services (“OGIS”), the Federal FOIA Ombudsman’s Office, offers mediation services to help resolve disputes between FOIA requesters and Federal agencies. The contact information for OGIS is:

Thursday, April 30, 2020

11:30 AM

Eisenhower Executive Office Building Room 112A

Host Dial-In: [REDACTED] Leader Code: [REDACTED]

I. PURPOSE

To provide Hispanic leaders an update about the White House's efforts to combat the coronavirus and information regarding available financial and health resources.

II. BACKGROUND

The White House Office of Public Liaison hosts national Hispanic community calls with thousands participating to hear directly from Administration officials. These Hispanic leaders are increasingly engaged. As a result of hosting these conference calls, the White House Office of Public Liaison has received over 1,000 new recommendations of Hispanic leaders to add to our communications list.

The coronavirus has greatly impacted Hispanic small business owners, Hispanic faith leaders, and Hispanic community leaders. Hispanic community organizations that previously have not been engaged due to political differences are now requesting to be added to our communication lists got updates on the Coronavirus relief packages and response. This call serves an opportunity to share with new Hispanic audiences the diligent work that the White House Coronavirus taskforce continues to lead under President Trump's direction and the federal financial opportunities and resources providing relief to American families and small businesses. Ultimately, Hispanic leaders want to help communicate the latest information to their communities to ensure they calm fears and promote ways to navigate this pandemic.
