

Case No. 2021-00129-FOIA-OS

October 22, 2020

Sent via email:

Mr. Austin R Evers
Executive Director
American Oversight
1030 15th Street, N.W., Suite B255
Washington, DC 20005
foia@americanoversight.org

Dear Mr. Evers:

This letter is the final response to your May 07, 2020, Freedom of Information Act (FOIA) request. On October 19, 2020 the Center for Disease Control (CDC) forwarded your original May 7, 2020 request to us for direct response. Specifically you requested:

American Oversight requests that your agency produce the following records within twenty business days:

1. Any final assessments or analyses (including formal memoranda, other written products, or final talking points and associated background materials written or obtained by your agency) regarding the implications of cutting or halting World Health Organization funding—including but not limited to implications for global efforts to fight the coronavirus pandemic or for the U.S.'s global standing.

Please provide all responsive records from December 1, 2019, through the date the search is conducted.

2. Any directives or guidance regarding funding for the World Health Organization, including any directives or guidance originating at your agency, at the White House, or at other federal government agencies.⁶ This includes, but is not limited to instructions of senior leadership regarding the review of funding to the WHO, as well as the appropriations documents (including the use of footnotes) or any other mechanism used to officially pause the funding.

Please provide all responsive records from March 1, 2020, through the date the search is conducted.”

The Assistant Secretary for Public Affairs (ASPA) reviewed the **78 pages** of responsive records. After a careful review of these pages, I have determined to release **62 pages** to you in their entirety, and I am further releasing **9 pages** in part, with portions redacted, pursuant to Exemption (b)(5) and Exemption (b)(6) of the FOIA (5 U.S.C. §552 (b)(6)). I have also determined to withhold **7 pages** in their entirety, pursuant to Exemption (b)(5) of the FOIA (5 U.S.C. §552 (b)(5)).

FOIA exemption (b)(5) protects inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the agency. This exemption protects documents that would be covered by any privilege an agency could assert in

a civil proceeding. These privileges include, among others, the deliberative process privilege, the attorney-client privilege, and the attorney work-product privilege. In this instance, the deliberative process privilege applies.

FOIA exemption (b)(6) permits a Federal agency to withhold information and records about individuals in “personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” The definition of “similar files” has historically been broadly interpreted to include a wide variety of files, and the United States Supreme Court has held that Congress intended the term “similar files” to be interpreted broadly, rather than narrowly. I have analyzed these records and find they meet the threshold requirement of this exemption. Additionally, I have reviewed and weighed the public interest in disclosure of this information against the privacy interest in nondisclosure, and found that the privacy interest outweighs the public’s interest in disclosure.

If you believe the information withheld should not be exempt from disclosure, or this response constitutes an adverse determination, you may appeal. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency’s decision.

Your appeal must be postmarked or electronically transmitted within 90 calendar days of the date of this letter, to

Mr. Mark Weber
Acting Deputy Agency Chief FOIA Officer
U.S. Department of Health and Human Services
Office of the Assistant Secretary for Public Affairs
Room 729H
200 Independence Avenue, S.W.
Washington, DC 20201

Please clearly mark both the envelope and your letter “Freedom of Information Act Appeal.” You may also e-mail your appeal to: HHS.ACFO@hhs.gov.

If you would like to discuss our response before filing an appeal to attempt to resolve your dispute without going through the appeals process, you may contact the HHS FOIA Public Liaison for assistance at:
