The date scope of your request was January 1 to July 6, 2020. The temporal scope we applied differed slightly from your above referenced requests because, unless a previous date is specified, the date of the receipt of your request must serve as the end-date for a request. A public records request must be for records that actually exist at the time the request was made. *State ex rel. Cioffi v. Stuard*, 11th Dist. No. 2009-T-0057, 2010-Ohio-829.

After conducting a search, our offices determined that there were no records responsive to your request. With this e-mail, we conclude our response and close our file on your request.

Sincerely,

Josh Sabo, Esq.

Deputy Legal Counsel, Office of the Speaker

Ohio House of Representatives
