RE: FOIA Request #CFPB-2020-0298-F

October 27, 2020

Mr. Austin Evers
American Oversight
1030 15th Street NW, Suite B255
Washington, DC 20005

Via email: foia@americanoversight.org

Dear Mr. Evers:

This letter is in final response to your Freedom of Information Act (FOIA) request dated July 28, 2020. Your request sought the following:

All calendars and calendar entries for the agency officials listed below, including any calendars maintained on their behalf, reflecting events that took place from January 1, 2020 to the date the search is conducted. For calendar entries created in Outlook or similar programs, the documents should be produced in “memo” form to include all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars—we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how these individuals allocate their time on agency business. The search should include any calendars associated with an agency official’s individual email account, as well as any official calendars maintained for the official, including by his or her administrative assistant or scheduler.

Specified Agency Officials:

- a. Director Kathy Kraninger
- b. Deputy Director Tom Pahl
- c. Chief of Staff Kirsten Sutton

(Date Range for Record Search: From 1/1/2020 To 7/30/2020).

A search of our Technology & Innovations Office for documents responsive to your request produced a total of 266 pages. Of those pages, I have determined that 5 pages of the records are granted in full, 261 pages are granted in part, and 0 pages are withheld in full pursuant to Title 5 U.S.C. § 552 (b)(5) and (b)(6).

FOIA Exemption 5 protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege. After carefully reviewing the responsive documents, I determined that portions of the responsive documents qualify for protection under the

- **Deliberative Process Privilege**

The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel.

FOIA Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The types of documents and/or information that we have withheld may consist of email addresses and phone numbers that are considered personal. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test. Specifically, the identities of members and allies of CFPB Employee Resource Groups (ERGs) have been protected under Exemption 6 by withholding names and email addresses throughout the responsive documents.

You may appeal any of the responses or decisions set forth above. If you choose to file an appeal, you must do so within 90 calendar days from the date of this letter. Your appeal must be in writing, signed by you or your representative, and should contain the rationale for the appeal. You may send your appeal via the mail (address below) or email (foia@consumerfinance.gov).

Your appeal should be addressed to:

Consumer Financial Protection Bureau
Chief FOIA Officer
Freedom of Information Appeal
1700 G Street, NW
Washington, DC 20552

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, we have waived all fees related to the processing of your request.

For inquiries concerning your request, please reference your FOIA request number above and contact our FOIA Public Liaison via email at FOIA@consumerfinance.gov or by phone at 1-855-444-FOIA (3642).

Many apologies for the technological difficulties on Monday. For those who were unable to join, we are hosting another meeting to discuss the challenges we are facing parenting, working, and living from home during Covid-19.

We've tested the meeting line and it should be able to handle 100 callers (fingers crossed). There is also an option to join by Skype, video link (below). We'll use the conference line for audio, so no need to use your computer to listen.

Subject: CFPB Ombuds Update - COVID-19

Everyone – I hope this finds you doing as well as possible in these challenging times. As you may know, (b)(6) and appreciate your coordinating with our Deputy Ombudsman, Sharon Asar, (b)(6)

Inreach -- As part of our CFPB inreach (internal engagement), next week we are beginning **CFPB Ombudsman COVID-19 Updates**, which will be 15 minute calls where the Ombuds Office describes issues raised with us or which we observed. To accommodate schedules, we will offer the call at two dates/times. I will invite the people on this email to join and ask that you forward the invite to anyone at the CFPB who may find it helpful.

Outreach -- Last week, we hosted an “On-the-Go Tele-connect Series” with external stakeholders. We updated them about our work during this time, highlighted CFPB COVID-19 resources, and heard feedback on changes to

MULTI-CFBP-20-1907-A-000081

regular CFPB processes. We also now offer virtual office hours and participation in groups' virtual conferences as ways to connect.

As always, please let me know how we can assist and I look forward to talking soon.

Best,
Wendy

Hi, RMR –

In these uncertain times, there are a lot of questions. To the extent that you've got questions related to the logistics and impact of the mandatory telework order this week, RMRFO will host a virtual office hour each day this week. The intention of the office hour as an additional channel of communication (for the reasons/goals below) and to clarify the POCs for inquiries (RMR: me, Dan Sokolov; Bureau: (b)(6)). I believe people have been reaching out all sorts of ways, and games of telephone can stir up potentially more confusion so the simple intention is to narrow/reduce those channels and align our understanding. If I know the answer, I will be happy to share...if I do not, I'll try my best to find out.

The specific goal of each office hour is to:

- Communicate and align on the latest Bureau guidelines
- Answer questions and offer standard interpretations of existing Bureau guidelines

I'll also be listening for common inquiries/concerns from RMR employees to inform our interactions with Bureau's pandemic working group (there are daily meetings to facilitate communication between Program Offices/Divisions and Bureau leadership).

If you can't get on the call, please feel free to connect directly with your supervisor or me at any time.

-Yuh Wen

Hi, RMR –

In these uncertain times, there are a lot of questions. To the extent that you've got questions related to the logistics and impact of the mandatory telework order this week, RMRFO will host a virtual office hour each day this week. The intention of the office hour as an additional channel of communication (for the reasons/goals below) and to clarify the POCs for inquiries (RMR: me, Dan Sokolov; Bureau: (b)(6)). I believe people have been reaching out all sorts of ways, and games of telephone can stir up potentially more confusion so the simple intention is to narrow/reduce those channels and align our understanding. If I know the answer, I will be happy to share...if I do not, I'll try my best to find out.

The specific goal of each office hour is to:

- Communicate and align on the latest Bureau guidelines
- Answer questions and offer standard interpretations of existing Bureau guidelines

I'll also be listening for common inquiries/concerns from RMR employees to inform our interactions with Bureau's pandemic working group (there are daily meetings to facilitate communication between Program Offices/Divisions and Bureau leadership).

If you can't get on the call, please feel free to connect directly with your supervisor, me, or (b)(6) at any time.

Be well,
YW

Hi, RMRers –

Adjusting the format of these office not-quite-an-hours to ease up conference bridge bandwidth and to meet the observed demand. Please feel free to join my Skype meeting (with Audio!). The purpose is to give space to the following:

- Answer questions and offer standard interpretations of existing Bureau guidelines
- Communicate and align on the latest Bureau guidelines (*if anything new*)

Your insights will also be very useful for me as “pulse checks” to contribute as a member of the Bureau’s Pandemic Working Group.

You are also welcome to email or call me (b)(6) as you need. If calling, please try to check in with a Skype message first to ensure availability. Thanks!
