Re: Final Response Letter 20-09932-F

Dear Mr. Evers,

This is in response to your 07/28/2020, Freedom of Information Act (FOIA) request, and received by referral in our office on 09/28/2020. Within your request, you sought records regarding all calendars and calendar entries for the agency officials listed below, including any calendars maintained on their behalf, reflecting events that took place from January 1, 2020 to the date the search is conducted.

- a. Secretary Robert Wilkie
- b. Acting Deputy Secretary Pamela J. Powers
- c. Acting Chief of Staff Brooks D. Tucker

Our office received by referral (9) nine pages that contained a presentation on Fiscal Year 2022 budget. After careful review and consideration, we have determined that (9) nine pages are withheld in full pursuant to Title 5 U.S.C. §§ 552(b)(5), FOIA Exemptions 5.

FOIA Exemption 5 protects interagency or intra-agency memorandums or letters that would not be available by law to a party other than an agency in litigation with the agency. Moreover, this exemption permits an agency to withhold material reflecting the thoughts, opinions, and recommendations of federal officials and consultants reviewing an issue. Under the deliberative process privilege and FOIA Exemption 5, OSVA redacts internal government deliberations, thoughts, opinions, recommendations, and proposed solutions from federal employees and consultants reviewing VA programs in their professional capacities, as well as non-final or draft documents. The information contained in the responsive records is both predecisional and deliberative because it reflects preliminary opinions, proposed solutions, and recommendations, which do not reflect VA's final decision. Exposure of premature discussions before a final decision is made could create undue public confusion. The release of the redacted information would negatively impact the ability of federal employees and consultants to openly and frankly consider issues amongst themselves when deliberating, discussing, reviewing, proposing changes to, and making recommendations on VA programs. The information reveals the thoughts, deliberations, and opinions that, if released, would have a chilling effect on the ability of federal officials and consultants to discuss, opine, recommend or be forthcoming about the agency's issues which require full and frank assessment. Here, the disclosure of the withheld

information is likely to compromise the integrity of this deliberative or decision-making process. Moreover, the predecisional character of a document is not altered by the passage of time. Bruscino v. BOP, No. 94-1955, 1995 WL 444406 at *5 (D.D. C. May 15, 1995), aff'd in part, No. 95-5212, 1996 WL 393101 (D.C. Cir. June 24, 1996).

FOIA Mediation

Using OGIS services does not affect your right to pursue litigation.
