Subject: RE: Open Records Request (MULTI-20-2324-2325)

EXTERNAL SENDER

Sarah Wishingrad,

I am in receipt of your open records request. I am responsible for open records requests for the Georgia Archives, which includes the State Records Center. As Britt Grant was never an employee of the State Records Center, the State Records Center does not have her emails in its email system. The records you request, if they exist, would need to be requested from the Georgia Department of Law, which it appears you have already done.

Thank you,
Chris
