Hi Josh:

I wanted to let you know we've completed processing the request marked AZ-GOV-20-2792 and found no responsive records.

We continue to process your outstanding requests and will fulfill them on a rolling basis.

Thank you.

Bobby

Bobby, there are three additional public records requests that American Oversight previously attempted to submit and which it still wants to pursue. I have attached them here. Please let me know if you have any questions.

Thanks

Josh
