EXTERNAL SENDER

Mr. Evers,

The Department is in receipt of your Open Records request. Specifically, you have asked for

- 1) "any final assessments, reports, analyses, recommendations, or guidance prepared by your office, other federal, state, or local offices...or independent experts, regarding any projected or actual effects or impacts of a statewide mask mandate on the spread of COVID-19"; and
- 2) "Any final assessments, reports, analyses, recommendations, or guidance prepared by your office, other federal, state, or local offices..., or independent experts, *regarding any projected or actual effects of Georgia's current public health measures on the spread of COVID-19.*" [emphasis added]."

Please be advised, that we have searched for documentation that is responsive to your request. We have not identified any documents that meet the description of what you are seeking. Your second request in particular may be read broadly, but our team confirms we have no final assessments in this regard. If you would like to discuss in more detail, I am happy to make myself available in order to narrow down or clarify what it is specifically you may be looking for. Please let me know if you have any questions!

Sincerely,
