Mr. Evers:

As Director of the Senate Business Office, I am responsible for responding to information requests under the provisions of the Senate Rules, which state that financial records shall be open to public inspection. Please be advised, however, that the Michigan Senate is not subject to the Freedom of Information Act.

In response to American Oversight's December 10 request, there are no records reflecting expenditures of Senate-affiliated attendees of a trip to Washington, D.C. on or about November 20, 2020. Additionally, there are no records reflecting expenditures at the Trump International Hotel in Washington, D.C. for that same time period. No requests for reimbursement of expenses associated with the November 20 trip have been submitted to the Senate Business Office.

Please note that any future requests for financial records must be submitted separately.

Sincerely,

A handwritten signature in black ink that reads "Jordan C. Hankwitz".
