Subject: Re: Public Records Requests from American Oversight

Hi Josh,

Happy Monday. Wanted to close the loop on AZ-GOV-20-2792 and AZ-GOV-20-2924.

Per your request on AZ-GOV-20-7292, I searched the electronic mailboxes of the three individuals listed in the request and searched for any correspondence with individuals with email addresses ending in "@lgraham.senate.gov" or "judiciary-rep.senate.gov" or "@lindseygraham.com" between the dates of 11/3/2020 - 11/20/2020. Those parameters resulted in no responsive records.

You can find the responsive records for AZ-GOV-20-2924 attached. I look to get you AZ-GOV-20-2855 very soon as well as the remainder of your requests.

Thanks again for your patience as we process the remainder of your requests.
