- 2 – East Valley Firefighters Charities Foundation
- 3 – St. Mary's Food Bank

Social Media-2021 Sponsorship
AAHOA Southw... Opportunities- 2...

It would be an honor if we could arrange Attorney General Mark Brnovich to speak to us. A hot topic in the hospitality industry in Arizona would be the ADA lawsuits. Perhaps, Mr. Brnovich could update us on what is going on. Many of our Members continue to get lawsuits, which is ridiculous, especially, given the current times we are living in when we are all struggling to pay our bills and keeping our doors open.

We would like for the Attorney General, yourself and any others from the Office to play with us as well. Our events are always a great turnout. We will be practicing social distancing and taking the necessary precautions for COVID-19. You and I have worked hard over the years to try to make this happen. It would be a good time to see if we could make it happen this time. It would mean a lot to our Members if Mark Brnovich and his Team could come out on April 8th.

I have cc'd our Regional Director, Imesh Vadiya on here. I have also included our mutual friend, Bryan Jeffries on here since he is affiliated with the East Valley Firefighters Charities Foundation. We hope to see you and your Team on April 8th.

Save the Nation with Adam Brandon -- Skype

RE: Interview for
Next Week

Mark, you've actually invited Vice President Harris to Arizona's border.

What is it that you wanted her to observe and experience in a visit to your states' border?

You've also said that the Vice President's lack of a response is actually a "very loud response" and have called it "disappointing."

Have visits to the border been expected of the Vice President under past administrations? What is it about her avoidance that is so problematic, in your opinion?

Let's talk about some of the actions you've taken on the border.

You've filed a lawsuit against the Biden Administration and declared a state of emergency in your state over the border.

Tell us why and what you are hoping to accomplish.
