Good afternoon,

I'm emailing on behalf of Andrew Guinn regarding a meeting he would like to set up with AG Landry and a couple others, regarding a new environmental discovery / invention. Andy has already spoken with Jeff in more detail, and I believe there is another individual (Strange?) that Jeff would like to attend as well.

The dates I have available are:

11/10/2020

11/20/2020

11/30/2020

12/1 – 12/11/2020

Can you please tell me any of these dates will work for the AG?

I am gathering full names of all involved, and will send those to you as soon as I get them.

Good afternoon Claire,

I just received word from Dr. Noel that with the new wave of Covid, the Salk Institute has banned all travel through the end of the year, so Dr. Noel will not be able to meet next month. He would like to reschedule for some time between January 16th and March 1st.

February 9th is the only day that Andy can't make. Please let me know if there is a date during that period that works with AG Landry's schedule.

Thank you for your assistance and your patience!

Good afternoon Claire,

I apologize for being such a pest, but the group is asking again if you have been able to find out any dates that AG Landry might be available. They are anxious to get their reservations made.

Good afternoon,

I'm emailing on behalf of Andrew Guinn regarding a meeting he would like to set up with AG Landry and a couple others, regarding a new environmental discovery / invention. Andy has already spoken with Jeff in more detail, and I believe there is another individual (Strange?) that Jeff would like to attend as well.

The dates I have available are:

11/10/2020

11/20/2020

11/30/2020

12/1 – 12/11/2020

Can you please tell me any of these dates will work for the AG?

I am gathering full names of all involved, and will send those to you as soon as I get them.

Thank you,
