Good morning Susan,

Looking at my final trip plans, I had asked for a room for Thursday night but looking at the agenda I should probably stay Friday night as well if it's available.

Got it. Sheriff Strada from New Jersey and his undersheriff Michael Avenatti are coming down on the 24th and driving back after the event too. You might want to touch base with him and see if you can catch a ride each way. Here is Undersheriff Avenatti's email address mavenatti@sussexcountysheriff.com

Good morning Susan,

First of all I want to thank you for the opportunity to experience the Border first hand and hear from fellow Sheriffs the problems they are facing. It was a good trip and definitely worth my time. I also enjoyed meeting with the Angel families and forming a bond with them. They hold precious memories as well as some horrific experiences. I have been contacted by our local media to comment on my trip to the Border. Do you happen to have some updated stats that I can share with them? I wished I had taken better notes at the time of the briefing. I do remember the comments but don't want to error with the stats.

Thank you for any help you can provide.

Hello Sheriff"

Had a question for you. Not sure if you remember but my dad sold his farm to Richard Gardner and Richard's brother back in 1999. The farm is one mile north of Lineville, on the west side of the road. Anyway, Dad and I are trying to get ahold of them to see if they still had Dad's tractor he sold to them. We would like to buy it back if possible. Not sure if they still own the farm or not. The phone numbers we had are not in service. Any chance you could let me know if they still own the property. If so, we may run down some day. Thanks and sorry to bother. Stay safe!
