RE: Public Records Request No. 2109

DATE: November 18, 2021

The Mississippi Attorney General's Office is in receipt of your public records request in which you requested the following records within seven working days:

1. Records sufficient to identify the names and titles of any staff members from the Office of the Attorney General who attended, virtually or in person, the Rule of Law Defense Fund (RLDF) Senior Staff Summit on or around September 23-24, 2020, in Atlanta, Georgia.

Responsive records may include, for example, attendance lists, registration or confirmation emails, calendar entries or invitations, or email communications.

2. All records reflecting the substance of and participants in any discussions, events, or sessions of the RLDF Senior Staff Summit held on or around September 23-24, 2020. Responsive records include, but are not limited to, agendas, presentations, video or audio recordings (including recordings or transcripts of meetings held on Zoom), meeting minutes or summaries (including handwritten notes and informal email summaries), meeting handouts, invitee and participant lists, and any materials exchanged by parties attending the meetings.

Please provide all responsive records from September 16, 2020, through September 30, 2020.

As an initial matter, portions of your request do not seek readily identifiable documents or a class of readily identifiable documents. The Mississippi Ethics Commission has held that a requestor has the duty to request identifiable records and pay the actual costs of complying with the request. MS Ethics Opinions R-14-001 and R-14-034. An "identifiable record" is not a request for "information" in general nor is it a request that a public body search each and every one of its files that ever existed for vague terms or certain words. MS Ethics Opinions R-14-001 and R-14-034. Rather, the request must be specific enough

to allow our office to conduct a search for responsive records. Notwithstanding this, we provide you with the attached document found in response to your public records request.

Neither this response nor accompanying production constitute a waiver of any rights or privileges under the law, and the Office of the Attorney General expressly reserves all such rights.

If you have any questions, please email us at openrecords@ago.ms.gov and reference Public Records Request No. 2109.

Thank you.
