RE: Freedom of Information Act ("FOIA") Request

Dear Ms. Shaw:

This Office received your FOIA request dated October 28, 2021.

The Office was not aware of this FOIA request until late in January of 2022. Upon receiving confirmation that you still wished to proceed with the request on February 2, 2022, the records of the Office were searched for:

1. Records sufficient to identify the names and titles of any staff members from the Office of the Attorney General who attended, virtually or in person, the Rule of Law Defense Fund (RLDF) Senior Staff Summit on or around September 23-24, 2020, in Atlanta, Georgia. Responsive records may include, for example, attendance lists, registration or confirmation emails, calendar entries or invitations, or email communications.
2. All records reflecting the substance of and participants in any discussions, events, or sessions of the RLDF Senior Staff Summit held on or around September 23-24, 2020. Responsive records include, but are not limited to, agendas, presentations, video or audio recordings (including recordings or transcripts of meetings held on Zoom), meeting minutes or summaries (including handwritten notes and informal email summaries), meeting handouts, invitee and participant lists, and any materials exchanged by parties attending the meetings.

Please provide all responsive records from September 16, 2020, through September 30, 2020.

The records of the Office were searched, and there are no public records responsive to your request.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "L. David Leggett". The signature is fluid and cursive, with a large initial "L" and a stylized "D".
