Subject: Netchoice/CCIA lawsuit - case management

Mr. Guard –

My law firm and DLA Piper represent CCIA and NetChoice, respectively, which today filed a lawsuit challenging enforcement of SB 7072 (the “Act”), signed by the Governor into law earlier this week. A courtesy copy of the complaint is attached for your reference. Because the Department of Legal Affairs is the enforcing authority for various provisions of the Act, General Moody, as well as the Florida Election Commissioners, and the Deputy Secretary of Business Operations of Florida DMS are named in their respective official capacities.

Chris Oprison at DLA Piper, copied here, and I just tried to call your office and cell to discuss this matter, but were not able to leave you a message. We would like to set up a time with you to discuss “case management” issues in an effort to make the litigation process as efficient as possible for the parties. Is there a time tomorrow (Friday, May 28) when you would have a few minutes to speak with Chris and me? Please let us know one or two times, and the best number to call, and we will set it up. If you would like others in your office to join our call, we are happy to circulate a dial in conference line.

Finally, I thought you would be the appropriate person from the Department to speak with us, but if we should reach out to someone else on these matters, please let us know that as well.

Looking forward to speaking with you soon.

Sincerely,
Doug Kilby

Civil Action No.:

COMPLAINT FOR DECLARATORY AND INJUNCTIVE RELIEF

Plaintiffs NetChoice, LLC (“NetChoice”) and Computer & Communications Industry Association (“CCIA”)—trade associations of online businesses that share the goal of promoting and protecting free speech and free enterprise on the Internet—jointly bring this Complaint for declaratory and injunctive relief against the Defendants in their official capacities, to enjoin the enforcement of Florida’s S.B. 7072, 2021 Leg. (Fla. 2021) (hereinafter, the “Act”),¹ which infringes on the rights to freedom of speech, equal protection, and due process protected by the First and Fourteenth Amendments to the U.S. Constitution. The Act also exceeds the State of Florida’s authority under the Constitution’s Commerce Clause and is preempted by Section 230 of the Communications Decency Act. Because the Act violates the constitutional rights of Plaintiffs’ members and contravenes federal law, it should be promptly enjoined before it takes effect on July 1, 2021.

Overview

1. The Act, a first-of-its-kind statute, was enacted on May 2, 2021 and signed into law on May 24, 2021 to restrict the First Amendment rights of a targeted selection of online businesses by having the State of Florida dictate how those businesses must exercise their editorial judgment over the content hosted on their

¹ The Act is codified in scattered sections of the Florida Statutes, including §§ 106.072, 287.137, 501.2041, 501.212. Below, the Act’s specific provisions are identified by Section (*e.g.*, “Act § 2”), as well as the provision of the Florida Statutes where they will be codified (*e.g.*, “§ 106.072”).

privately owned websites. The Act discriminates against and infringes the First Amendment rights of these targeted companies, which include Plaintiffs' members, by compelling them to host—and punishing them for taking virtually any action to remove or make less prominent—even highly objectionable or illegal content, no matter how much that content may conflict with their terms or policies.

2. These unprecedented restrictions are a blatant attack on a wide range of content-moderation choices that these private companies have to make on a daily basis to protect their services, users, advertisers, and the public at large from a variety of harmful, offensive, or unlawful material: pornography, terrorist incitement, false propaganda created and spread by hostile foreign governments, calls for genocide or race-based violence, disinformation regarding Covid-19 vaccines, fraudulent schemes, egregious violations of personal privacy, counterfeit goods and other violations of intellectual property rights, bullying and harassment, conspiracy theories denying the Holocaust or 9/11, and dangerous computer viruses. Meanwhile, the Act prohibits only these disfavored companies from deciding how to arrange or prioritize content—core editorial functions protected by the First Amendment—based on its relevance and interest to their users. And the Act goes so far as to bar those companies from adding their own commentary to certain content that they host on their privately owned services—even labeling such

commentary as “censorship” and subjecting the services to liability simply for “post[ing] an addendum to any content or material posted by a user.”

3. Under the Act, these highly burdensome restrictions apply only to a select group of online businesses, leaving countless other entities that offer similar services wholly untouched by Florida law—including any otherwise-covered online service that happens to be owned by The Walt Disney Company (“Disney”) or other large entities that operate a “theme park.” This undisguised singling out of disfavored companies reflects the Act’s true purpose, which its sponsors freely admitted: to target and punish popular online services for their perceived views and for certain content-moderation decisions that state officials opposed—in other words, to retaliate against these companies for exercising their First Amendment rights of “editorial discretion over speech and speakers on their property.” *Manhattan Community Access Corp. v. Halleck*, 139 S. Ct. 1921, 1931 (2019).

4. Rather than preventing what it calls “censorship,” the Act does the exact opposite: it empowers government officials in Florida to police the protected editorial judgment of online businesses that the State disfavors and whose perceived political viewpoints it wishes to punish. This is evident from Governor Ron DeSantis’ own press release that touts the Act as a means to “tak[e] back the virtual public square” from “the leftist media and big corporations,” who supposedly

“discriminate in favor of the dominant Silicon Valley ideology.”² The Governor’s press release also leaves no doubt about the Legislature’s unconstitutional viewpoint discrimination: quoting a state legislator, it proclaims that “our freedom of speech as conservatives is under attack by the ‘big tech’ oligarchs in Silicon Valley. But in Florida, [this] ... will not be tolerated.”³

5. Although the Act uses scare terms such as “censoring,” “shadow banning,” and “deplatforming” to describe the content choices of the targeted companies, it is in fact the Act that censors and infringes on the companies’ rights to free speech and expression; the Act that compels them to host speech and speakers they disagree with; and the Act that engages in unconstitutional speaker-based, content-based, and viewpoint-based preferences. The legislative record leaves no doubt that the State of Florida lacks any legitimate interest—much less a compelling one—in its profound infringement of the targeted companies’ fundamental constitutional rights. To the contrary, the Act was animated by a patently unconstitutional and political motive to target and retaliate against certain companies based on the State’s disapproval of how the companies decide what content to display and make available through their services.

6. The Act is a frontal assault on the First Amendment and an extraordinary intervention by the government in the free marketplace of ideas that would be unthinkable for traditional media, book sellers, lending libraries, or newsstands. Could Florida require that the *Miami Herald* publish, or move to the front page, an op-ed or letter to the editor that the State favored, or demand that the *Herald* publish guest editorials in a state-sanctioned sequence? The answer is obviously no—as the Supreme Court unanimously held five decades ago in *Miami Herald Publishing Co. v. Tornillo*, 418 U.S. 241 (1974). Yet the State now seeks to repeat that history—and to go even further by, for example, compelling the targeted companies to alter and disclose their editorial standards and to provide “detailed” information about the algorithms they use to curate content.

7. The Act is so rife with fundamental infirmities that it appears to have been enacted without any regard for the Constitution. The Act imposes a slew of hopelessly vague content-based, speaker-based, and viewpoint-based restrictions on the editorial judgments and affirmative speech of the selected online businesses that it targets. These include the following unconstitutional provisions (the “Moderation Restrictions”), all of which facially violate the First Amendment:

a. Through its unprecedented “deplatforming” provision, the Act prohibits targeted online services from terminating or suspending the accounts of

“candidate[s]” for state or local political office.⁴ This ban applies no matter how egregious or illegal the candidate’s conduct on a platform is—and regardless of whether that conduct violates the online businesses’ terms of use and community standards. Its prohibition on the use of judgment over the display of content favored by the Legislature is backed by draconian fines of \$250,000 per day.⁵

b. The Act simultaneously bans the use of algorithms to organize, prioritize, or otherwise curate “content and material posted by *or about*” anyone paying the filing fee necessary to qualify as a political candidate.⁶ Under this sweeping moderation restriction, any post that even mentions a candidate is virtually immune from algorithmic moderation. This provision makes it unlawful for covered online businesses to use their editorial discretion to curate content posted by or about candidates in ways that respond to their users’ interests. It would even prevent them from removing defamatory statements or “deepfake” falsifications of a candidate’s words or movements. One Florida legislator who voted for the Act succinctly describes the issue: “My concern is about potential

⁴ Act § 2 (adding § 106.072(2)). The Act adopts the preexisting definition of “candidate” under Florida’s election laws, *id.* (adding § 106.072(6)), which includes (among other things) “[a] person who files qualification papers and subscribes to a candidate’s oath as required by law.” F.S. § 106.011(3)(e). candidates, about crazy people, Nazis and child molesters and pedophiles who realize they can say anything they want . . . if all they do is fill out those two pieces of paper.”⁷

c. The Act bans covered online businesses from engaging in a broad range of constitutionally protected moderation activities—not only removing or taking down content, but also editing content and even “post[ing] an addendum to any content” (*i.e.*, engaging in their own affirmative speech)—with respect to the novel and loosely defined concept of a “journalistic enterprise.”⁸ The term “journalistic enterprise” reaches far beyond traditional media outlets (sweeping in online propaganda outlets and conspiracy theorists, among others), without affording protections to prevent imposters, foreign agents, or insurrectionists from exploiting these rigid content-based mandates. And these mandates make no exception for violent, sexually explicit, fraudulent, or otherwise unlawful content.⁹

d. The Act establishes a vague and unworkable requirement that covered online businesses, which moderate billions of posts from billions of users

around the world every day, apply nearly all content decisions “in a consistent manner”—a term not defined or clarified in any way, but that necessarily requires reference to the underlying content and thus is content-based.¹⁰ Even if this mandate were sufficiently clear and administrable (which it is not), this is yet another example of the State dictating how online businesses exercise their discretion in organizing and displaying content on their private websites. Like the provisions discussed above, the chilling effect on speech is amplified by a new private right of action authorizing awards of up to \$100,000 in statutory damages per claim and potential “punitive damages.”¹¹

e. The Act compels covered online businesses to allow users to “opt out” of algorithms governing content moderation altogether¹²—again without regard to the egregious, unlawful, or dangerous nature of the content—and requires targeted businesses to publicly disclose and justify their exercise of curatorial judgment, including revealing highly confidential and proprietary methodologies used to moderate content.¹³ The Act further prohibits covered online businesses from changing their editorial policies more than once every 30

days, even in response to changed circumstances, newly discovered threats, or local or national emergencies.¹⁴

8. The Act further violates the First Amendment and Equal Protection Clause by (i) targeting only larger digital services and social media companies, while (ii) irrationally exempting Disney and Universal Studios (owned by Comcast Corporation) from its scope, simply because they own well-attended “theme parks” in Florida.¹⁵ The Act’s legislative sponsors acknowledged that they chose this protectionist carveout to ensure that companies with especially large economic footprints in Florida—like Disney—are not “caught up in this.”¹⁶ None of the Moderation Restrictions apply to traditional media or non-digital hosts of third-party material (such as book publishers or businesses that use traditional bulletin boards). Nor do they apply to online businesses that offer the same types of services, but do not meet the arbitrary statutory requirements of having \$100 million in annual revenues or 100 million users anywhere in the world and thus qualifying as covered “social media platforms.”¹⁷ None of these arbitrary distinctions are supported by any legislative findings, or anything other than the impermissible desire to punish

specific, disfavored online services. This underscores that the Act unconstitutionally discriminates against only certain speakers, that it is gravely under- and overinclusive, that it is neither narrowly tailored nor closely drawn, and that it is not justified by any legitimate (much less compelling) governmental interest.

9. The Act doubles down on its unconstitutional singling out of “social media platforms” (a misleading term that also covers other digital services) by allowing the State Attorney General to create a blacklist of companies (and a broad range of related persons) that may be banned from bidding on or doing business with the State merely because they are *accused* of violating state or federal antitrust laws.¹⁸ This blacklist applies only to targeted “social media platforms”—not to any other kind of business that may have been accused of violating or found to have actually violated antitrust laws. The legislative and public record of the Act shows that this punitive provision, like the rest of the Act, was designed to retaliate against the targeted digital companies precisely because of their exercise of core First Amendment free speech rights, including their perceived political viewpoints, their prior exercise of editorial judgment, and their alleged views on particular political candidates and office holders. The statements about the Act by the Governor of Florida and the law’s sponsors confirm that its passage was motivated by retaliatory and discriminatory animus, including their characterizations of Plaintiffs’ members

¹⁸ Act § 3 (adding § 287.137(2)(a)-(b)).

as part of “leftist media” that are advancing a supposedly “dominant Silicon Valley ideology.”¹⁹

10. The Act is also unconstitutionally vague and overbroad. It fails to define with sufficient definiteness what conduct is punishable. It sets nebulous standards for enforcement that encourage arbitrary and discriminatory enforcement of the law. And its astronomical fines and punitive damages for violations of these opaque provisions will inevitably chill constitutionally protected practices and the availability of protected expression.²⁰

11. The Act exceeds the limitations on state authority under federal law by seeking to regulate wholly extraterritorial conduct in ways prohibited by the Constitution’s Commerce and Due Process Clauses. First, the Act impermissibly engages in protectionist discrimination *against* online businesses—and at the same time, discrimination *in favor of* major Florida-based businesses and Florida candidates. Second, the Act regulates large swaths of content-moderation decisions that have no meaningful connection to (and indeed nothing at all to do with) the State of Florida, based on business operations and transactions conducted outside of Florida.

¹⁹ May 24, 2021 Gov. DeSantis Press Release.

²⁰ Act § 2 (adding § 106.072(2)), § 4 (adding § 501.2041(6)).

12. On top of all these constitutional infirmities, the Act’s restrictions on content moderation conflict with Section 230 of the Communications Decency Act, a federal statute enacted with the specific goal of protecting the decisions of online services from state-based regulation and liability. As Congress intended, Section 230 affords online service providers the freedom to make their own decisions about whether and how to restrict objectionable content.²¹ Because the Act purports to apply “to the extent not inconsistent with federal law,” including Section 230, its limitations on content moderation are not only preempted by federal law, but also rendered unenforceable under the Act itself. And given the vague sweep of the Act and its harsh penalties, its inclusion of a one-line claim that it, in effect, does not do any of the things it otherwise purports to do will not avoid its chilling effect on the moderation of content protected by the U.S. Constitution and federal law.

13. For all these reasons, and as described further below, Plaintiffs seek (1) an order declaring the Act unconstitutional on its face and (2) a preliminary and permanent injunction enjoining its enforcement.²²

²¹ See 47 U.S.C. § 230(c)(2), (e)(3).

²² Plaintiffs separately reserve all rights to challenge the lawfulness of the Act under the Florida Constitution in the state courts of Florida. This Complaint is limited to claims arising under federal law, and it does not raise issues of state constitutional law.

Jurisdiction

14. This Court has jurisdiction over this federal civil rights action under 28 U.S.C. § 1331 because the claims in this action arise under the U.S. Constitution and federal law. Plaintiffs' claims arise under the First and Fourteenth Amendments, and seek to invalidate certain provisions of the Act based on federal preemption under the Constitution's Supremacy Clause.

15. This Court has authority to grant relief under the Declaratory Judgment Act, 28 U.S.C. §§ 2201, 2202, and the Civil Rights Act, 28 U.S.C. 1343(a), 42 U.S.C. § 1983.

16. In addition, this Court has authority to issue injunctive relief under the All Writs Act, 28 U.S.C. § 1651.

17. This Court's jurisdiction is properly exercised over the Defendants in their official capacities, *Ex parte Young*, 209 U.S. 123 (1908), as Plaintiffs are seeking declaratory and injunctive relief.

18. There is an actual controversy of sufficient immediacy and concreteness relating to the legal rights and duties of Plaintiffs' members to warrant relief under 42 U.S.C. § 1983 and 28 U.S.C. §§ 2201, 2202. The harm to Plaintiffs' members as a direct result of the actions and threatened actions of Defendants is sufficiently real and imminent to warrant the issuance of a conclusive declaratory judgment and prospective injunctive relief.

19. The restrictive and discriminatory provisions of the Act will become law effective July 1, 2021. Plaintiffs' members will then become subject to the risk of liability, as described more fully below.

20. Plaintiffs' members include online businesses, online social media platforms, online marketplaces, and e-commerce businesses and range from well-known online businesses to individual users of e-commerce services.²³

21. As private businesses, Plaintiffs' members have the right to decide what content is appropriate for their sites and platforms. Those decisions are a constitutionally protected form of speech.

22. Plaintiffs' members are the direct targets of the Act, engage in content-moderation activities that are covered by the Act, and will face serious legal consequences from failing to comply with its requirements. These members meet the statutory definition of a covered "social media platform" under the Act, because they (i) allow users to post or upload content onto their platforms, (ii) are incorporated legal business entities, (iii) do business in the State of Florida, (iv) meet the Act's revenue or user-based thresholds, and (v) are not exempted under the

²³ Members of one or both Plaintiff organizations include Airbnb, Alibaba.com, Amazon.com, AOL, DJI, DRN, eBay, Etsy, Expedia, Facebook, Fluidtruck, Google, HomeAway, Hotels.com, Lime, Nextdoor, Lyft, Oath, OfferUp, Orbitz, PayPal, Pinterest, StubHub, TikTok, Travelocity, TravelTech, Trivago, Turo, Twitter, Verisign, VRBO, Vigilant Solutions, VSBLTY, Waymo, Wing, and Yahoo!. *See* NetChoice, www.netchoice.org/about; & CCIA, www.ccianet.org/about/members. Collectively, these members employ tens of thousands of Floridians.

exception for certain operators of theme parks. *See* Act § 4 (adding § 501.2041(1)(g)). Accordingly, the members have standing to challenge the Act.

23. In addition, the Act's Moderation Restrictions compel members to host content or speakers contrary to their policies and community standards, require that they fundamentally change the types of content available on their privately owned platforms, and force them to subject certain of their users and posters to arbitrary and irrational disfavored treatment because of the content- and speaker- based restrictions that the State of Florida has imposed. These requirements will have long-term reputational effects on Plaintiffs' members, which are enduring and thus irreparable. Failure to comply would expose members to severe penalties, including civil and administrative actions by the Attorney General, fines of \$250,000 per day by the Florida Elections Commission, as well as private rights of action that include up to \$100,000 in statutory damages per claim, "[a]ctual damages," "equitable relief," and potential "punitive damages." *Id.* (adding § 501.2041(6)). That risk casts a serious chilling effect on activity protected by the First Amendment, including both members' content-moderation practices and their own speech concerning user-generated content.

24. Given the Act's inevitable and imminent impact on Plaintiffs' members' ability to engage in their moderation practices consistent with their terms of service and community standards, the Act will harm Plaintiffs' members in

numerous ways, including by (i) interfering with their content judgments on their privately owned sites, (ii) exposing them to potential liability at the hands of the State Attorney General and Florida Elections Commission, (iii) exposing them to potential liability under the new private right of action discussed above, (iv) subjecting them to unlawful compelled disclosure of private, competitively sensitive and proprietary business information, and (v) making it harder for them to provide high-quality services to their users and customers. Specifically, the Act would compel Plaintiffs' members to degrade the services they provide and the content they host on their private platforms: the Act requires members to display and prioritize user-generated content that runs counter to their terms, policies, and business practices; content that will likely offend and repel their users and advertisers; and even content that is unlawful, dangerous to public health and national security, and grossly inappropriate for younger audiences.

25. In addition, Plaintiffs' members will be required to expend time and substantial resources to change the operations of and redesign their privately owned services and platforms to comply with numerous arbitrary and State-mandated requirements. These include obligations to (i) “[c]ategorize algorithms used for post-prioritization and shadow banning,” Act § 4 (adding § 501.2041(2)(f)(1)); (ii) develop processes and procedures to track and manage user opt-outs, *id.* (adding § 501.2041(2)(f)(2)); (iii) “allow a user who has been deplatformed to access or

retrieve all of the user’s information, content, material, and data for at least 60 days” after receipt of notice, *id.* (adding § 501.2041(2)(i)); (iv) “[p]rovide a mechanism that allows a user to request the number of other individual platform participants who were provided or shown the user’s content or posts,” *id.* (adding § 501.2041(2)(e)(1)); and (v) “[p]rovide, upon request, a user with the number of other individual platform participants who were provided or shown content or posts,” *id.* (adding § 501.2041(2)(e)(2)). And if Plaintiffs’ members do not comply with these highly burdensome obligations, they face the imminent threat of massive penalties under an unconstitutional and federally preempted law. Plaintiffs’ members will thus suffer an immediate injury or would be threatened by one if the Act were allowed to stand. Plaintiffs anticipate that their members will face enforcement actions, brought by the Attorney General or by private litigants, immediately after the law goes into effect because they are engaging in and intend to continue engaging in moderation activity that is covered by the Act and that the Attorney General would likely allege to be a violation of the Act.

26. Because the statute so clearly targets, and was specifically intended to target, Plaintiffs’ members and their activities, this fear is well-founded and credible. The statements of Governor Ron DeSantis and the law’s sponsors demonstrate that Defendants and the State of Florida plan to target Plaintiffs’ members in state proceedings to enforce the Act’s unconstitutional restraint of their

editorial judgment, content-moderation practices, and First Amendment rights. For example, Governor DeSantis proclaimed in his May 24 press release that “[i]f Big Tech censors enforce rules inconsistently, to discriminate in favor of the dominant Silicon Valley ideology, they will now be held accountable.”²⁴ Similarly, on February 2, 2021, Governor DeSantis stated that “if a technology company uses their content- and user-related algorithms to suppress or prioritize the access of any content related to a political candidate or cause on the ballot, that company will also face daily fines,” and added that “[t]he message is loud and clear: When it comes to elections in Florida, Big Tech should stay out of it.”²⁵ Governor DeSantis also declared that Florida was “going to take aim at those companies,” which include Plaintiffs’ members.²⁶

27. Plaintiffs have associational standing to bring this suit on behalf of their members. As described above, Plaintiffs’ members have standing to challenge the statute. *See supra* ¶¶ 20-26. Further, the Act is fundamentally at odds with Plaintiffs’ policy objectives, and challenging the Act is germane to Plaintiffs’

respective missions. *See supra* ¶¶ 32-34. The claims and relief sought do not require proof specific to particular members and, in any event, Plaintiffs are able to provide evidence about the Act's impact on the companies they represent. The members' individual participation is thus not required.

28. This Court's immediate review of the Act's constitutionality is necessary to prevent an imminent infringement of Plaintiffs' members' fundamental constitutional rights.

29. Under these circumstances, judicial intervention is warranted to resolve a genuine case or controversy within the meaning of Article III of the U.S. Constitution regarding the constitutionality and legality of the Act.

30. A declaration that the Act is unconstitutional and preempted by federal law would definitively resolve that controversy for the parties.

Venue

31. Venue is proper in this Court under 28 U.S.C. § 1391(b)(1)-(2). The Defendants are considered to reside in the Northern District of Florida because this is where they perform their official duties. 28 U.S.C. § 1391(b)(1). Additionally, the Attorney General of Florida, in her official capacity, regularly conducts business and proceedings in her offices in this District, and the events giving rise to Plaintiffs' claims occurred in this District.

The Parties

Plaintiffs

32. Plaintiff NetChoice is a national trade association of online businesses who share the goal of promoting free speech and free enterprise on the Internet. NetChoice is a 501(c)(6) nonprofit organization headquartered in Washington, D.C.

33. For over two decades, NetChoice has worked to promote online commerce and speech and to increase consumer access and options through the Internet, while minimizing burdens on businesses that are making the Internet more accessible and useful.

34. Plaintiff CCIA is an international, not-for-profit membership association representing a broad cross-section of companies in the computer, Internet, information technology, and telecommunications industries. CCIA is a 501(c)(6) trade association headquartered in Washington, D.C. For almost fifty years, CCIA has promoted open markets, open systems, and open networks.

Defendants

35. Defendant Ashley Brooke Moody is the Attorney General of the State of Florida. She is the State's chief law enforcement officer and representative of the State in "all suits or prosecutions, civil or criminal or in Empowerment," brought or opposed by the State. F.S. §§ 16.01, *et. seq.* In her official capacity, Ms. Moody oversees the Florida Department of Legal Affairs, which is responsible for enforcing

Section 4 of the Act. Section 4 expressly authorizes the Attorney General to “investigate” a “suspect[ed] violation” of that section of the Act and “to bring a civil or administrative action under this part.” Section 3 instructs the Attorney General to determine whether “there is probable cause that a person has likely violated the underlying antitrust laws,” and, if so, to initiate procedures for temporarily placing that person on the Antitrust Violator Vendor List. Defendant Moody is sued for declaratory and injunctive relief in her official capacity as the Attorney General of the State of Florida.

36. Defendant Joni Alexis Poitier is a Commissioner of and the Vice Chair of the Florida Elections Commission, which is the administrative agency charged with enforcing, among other things, Chapter 106 of Florida’s Election Code and thus has jurisdiction under Florida law to investigate and determine violations of Section 2 of the Act.²⁷ Section 2 expressly authorizes the Elections Commission to find a violation of subsection (2) of that Section and to assess fines of up to \$250,000 per day for “deplatforming” a candidate for statewide office, and of \$25,000 per day for “deplatforming” a candidate for any other office. Ms. Poitier is sued for declaratory and injunctive relief in her official capacity as Florida Elections Commission Commissioner and Vice Chair.

²⁷ The term of service for each of the Commissioners of the Florida Elections Commission has expired. However, the named individuals are still serving as Commissioners and will continue to do so until Florida’s Governor makes new appointments to their positions.

37. Defendant Jason Todd Allen is a Commissioner of the Florida Elections Commission, which is the administrative agency charged with enforcing, among other things, Chapter 106 of Florida's Election Code and thus has jurisdiction under Florida law to investigate and determine violations of Section 2 of the Act. Mr. Allen is sued for declaratory and injunctive relief in his official capacity as Florida Election Commissions Commissioner.

38. Defendant John Martin Hayes is a Commissioner of the Florida Elections Commission, which is the administrative agency charged with enforcing, among other things, Chapter 106 of Florida's Election Code and thus has jurisdiction under Florida law to investigate and determine violations of Section 2 of the Act. Mr. Hayes is sued for declaratory and injunctive relief in his official capacity as Florida Elections Commission Commissioner.

39. Defendant Kymberlee Curry Smith is a Commissioner of the Florida Elections Commission, which is the administrative agency charged with enforcing, among other things, Chapter 106 of Florida's Election Code and thus has jurisdiction under Florida law to investigate and determine violations of Section 2 of the Act. Ms. Smith is sued for declaratory and injunctive relief in her official capacity as Florida Elections Commission Commissioner.

40. Defendant Patrick Gillespie is the Deputy Secretary of Business Operations of the Florida Department of Management Services (the "Department").

Under Florida law, the Department is responsible for developing and overseeing the procedures under which the State and its agencies purchase commodities and services. The Act tasks the Department and the Deputy Secretary with enforcing Section 3 of the Act by, among other things, creating and maintaining the “Antitrust Violator Vendor List.” In February 2021, the Secretary of the Department resigned, and Governor DeSantis has not appointed a replacement. Accordingly, Deputy Secretary Gillespie is currently responsible for enforcing Section 3 of the Act.

41. The above-identified Defendants (collectively, the “Defendants”) are charged with enforcing the provisions of the Act challenged by this action. The Defendants have the authority under the Act to investigate, fine, and otherwise penalize Plaintiffs’ members for exercising their constitutional rights under the First and Fourteenth Amendments to the U.S. Constitution.

42. The Defendants are charged to act—and would continue to act if not enjoined—under color of state law.

43. Plaintiffs sue the Defendants here in their official capacities to prevent imminent violations of the constitutional rights of Plaintiffs’ members.

**Plaintiffs’ Members Engage In Beneficial Content Moderation That Is
Directly Restricted By The Act**

44. Plaintiffs’ members operate online services that host and publish an enormous amount and variety of user-generated content, including text, videos, audio clips, and photographs. The material that is uploaded to these services comes

from all over the world and is unfathomably diverse. These online services showcase the best of human thought: material that is endlessly creative, humorous, intellectually stimulating, educational, and politically engaging. Unfortunately, however, some of the material submitted to these services is none of these things. The openness of the Internet is a magnet for some of the best and worst aspects of humanity, and any online service that allows users to easily upload material will find some of its users attempting to post highly offensive, dangerous, illegal, or simply unwanted content. This content may be problematic in a variety of ways, including (among other things) featuring hardcore and illegal “revenge” pornography, depictions of child sexual abuse, terrorist propaganda, efforts by foreign adversaries to foment violence and manipulate American elections, efforts to spread white supremacist and anti-Semitic conspiracy theories, misinformation disseminated by bot networks, fraudulent schemes, malicious efforts to spread computer viruses or steal people’s personal information, spam, virulent racist or sexist attacks, death threats, attempts to encourage suicide and self-harm, efforts to sell illegal weapons and drugs, pirated material that violates intellectual property rights, and false and defamatory statements.

45. Without serious and sustained effort by online services to stop, limit, and control such content—and the people or entities who seek to disseminate it—

these services could be flooded with abusive and objectionable material, drowning out the good content and making their services far less enjoyable, useful, and safe.

46. That is why Plaintiffs’ online service members—and nearly every online service that is open to hosting user-generated content—have rules and policies setting out what content and activities are, and are not, permitted on their services. And it is why those services devote enormous amounts of time, resources, personnel, and effort to engaging in content moderation. As is clear from the above discussion of their moderation practices, Plaintiffs’ members make individualized decisions and do not serve the public indiscriminately. They are private speech forums operated by private companies that “exercise editorial control over speech and speakers on their properties or platforms.” *Manhattan Community Access Corp.*, 139 S. Ct. at 1932.

47. Content moderation can take many different forms, involving both human review and algorithmic or other automated moderation tools. Sometimes, content moderation involves removing objectionable or unlawful content or terminating the accounts of users who post such material. Sometimes it is more nuanced, involving decisions about how to arrange and display content, what content to recommend to users based on their interests, and how easy or difficult it should be to find or search for certain kinds of content. Content moderation sometimes can take the form of “zoning” or “age-gating,” whereby certain content is made

accessible to adults but not minors, or to teenagers but not younger children. In other instances, content moderation involves empowering users with tools so they can decide for themselves what content to avoid, such as by blocking or muting others, making certain content inaccessible to their children, or opting into special sections of an online service that exclude material likely to offend or upset especially sensitive users. Content moderation can also involve direct speech by service providers themselves, in the form of warning labels, disclaimers, or commentary appended to certain user-submitted material. For example, an online service provider might inform users that the relevant content was posted by a hostile foreign government, that it has not been verified by official sources, that the information has been found to be false, or that it contains sensitive or potentially upsetting imagery that is not appropriate for everyone. It would then be up to the user to decide whether to review the content. Content moderation is even necessary for the most basic online functions that users may take for granted, like searching for local businesses, movie showtimes, or weather reports. Without organizing and curating the unfathomable volume of online content, online services would have no way to identify and deliver to users the content that they want—or may critically need—to see.

48. Content moderation, in these myriad forms, serves many significant functions. *First*, it is the means by which the online service expresses itself. Just as

a newspaper or magazine has the freedom to choose a cover story, leave out certain letters to the editor, or ban profanity from its pages, an online service performs the same curation function according to its terms and policies. At the same time, a service's policies concern more than just what it does or does not publish: they influence the kind of online community, environment, and atmosphere that users experience. A website aiming to be family-friendly, for example, cannot produce that experience for its users if it is prevented from limiting or removing graphic or viscerally offensive posts. Content moderation thus goes to the heart of their editorial judgment, just as it does when a newspaper like the *Miami Herald* decides whether to publish a letter to the editor.

49. *Second*, moderating content on services open to billions of users, including families and children, is essential to ensure safer communities online. For instance, restricting access for younger users to adult content is analogous to applying age-based ratings to movies or scheduling mature programming for later hours. To constrain how the online service can manage offensive content, conspiracy theories, incitements to violence, and other egregious forms of content is to require them, against their will, to offer their virtual tools and space for unintended uses that endanger the public.

50. *Third*, aside from public safety, State-mandated controls on how platforms must permit, organize, and present content also renders an online service

less useful and undermines Plaintiffs' members' core business models. Imagine if a search engine or social media company returned its results in a random or purely chronological order instead of prioritizing what is most helpful or relevant to the user based on her own activities and demonstrated preferences. As a result, the user might miss content from her close friends and family and instead see a slew of more recent, but less *relevant* content. Or imagine if an e-commerce website presented a random assortment of products or listings instead of those for which the user is searching. The main value many online services offer is curating, sorting, and displaying the vast amount of information available online.

51. Florida's Act directly targets—and would profoundly disrupt—these vital, and constitutionally protected, content moderation efforts. As discussed below, the Act's expansive restrictions constrain and burden nearly every type of content moderation activity that is critical to online services' ability to express their editorial judgments; protect users from offensive, harmful or dangerous material; and provide useful online tools on which billions of people rely every day. The Act applies not merely to decisions removing content or users from a service. It equally covers—in some instances outright prohibits—more fine-grained approaches, such as limiting the exposure of younger or more sensitive users to potentially upsetting content. The Act goes so far as to control how the services can use automated processes like algorithms to arrange and curate content, and it seeks to limit these

services’ own direct speech by prohibiting them from posting warning labels or commentary. In short, the Act subjects nearly every content-moderation judgment a covered service might make to the State’s regulatory control, saddling those judgments with burdensome new obligations, restrictions, and the ever-present threat of government or private enforcement action. The Act thus threatens not just the types of experience and community those services can offer, but also how they fundamentally operate.

Florida’s Unconstitutional Act

52. The Act was enacted by the Florida Legislature on May 2, 2021, signed into law by Governor DeSantis on May 24, 2021, and goes into effect on July 1, 2021. Act § 7.

53. The Act’s legislative history, as well as public statements by state legislators and public officials, make clear that the Act was motivated by animus toward popular technology companies—animus specifically driven by disapproval of the companies’ perceived political and other viewpoints. *See supra* ¶¶ 3-4. One of the Act’s sponsors declared during the signing ceremony, “[D]o not think a handful of kids behind a desk in Silicon Valley get to be the arbiter of what free speech is ... it’s about time someone took them head on.”²⁸ Lieutenant Governor

²⁸ Governor Ron DeSantis press conference in Miami, YouTube (May 24, 2021), www.youtube.com/watch?v=O67BF-2IWY, at 18:08 (last accessed May 26, 2021) (statement of Rep. Ingoglia).

Jeanette Nuñez agreed, condemning what she characterized as “an effort to silence, intimidate, and wipe out dissenting voices by the leftist media and big corporations.”²⁹ And Governor DeSantis praised the Act as a way to “tak[e] back the virtual public square” from “the leftist media and big corporations.”³⁰

54. This animus toward disfavored online businesses is well documented in the public record. When discussing the proposed legislation in February 2021, Governor DeSantis described online businesses targeted by the Act as “big brother,” because of his stated view that these companies are “tougher on those on the political right than left.”³¹ Speaker of the Florida House of Representatives, Chris Sprowls, has expressed similar sentiments.³²

i. “Social Media Platforms”

55. The Act targets various online businesses (including operators of social media platforms, search engines, and online marketplaces) that the Florida Legislature sweeps under the misleading term, “social media platforms.”

56. Consistent with the legislative history described above, the Act was drafted to target popular technology companies, while carving out Florida-based

Disney and Universal Studios. To single out these targeted companies, the Act applies its Moderation Restrictions, onerous affirmative obligations, and antitrust blacklist *only* to the defined “social media platforms.” And the Act limits these covered online businesses to those that host third-party content and have either (i) “annual gross revenues in excess of \$100 million, as adjusted in January of each odd-numbered year to reflect any increase in the Consumer Price Index” or (ii) “at least 100 million monthly individual platform participants globally”—subject to an arbitrary exception (*see infra* ¶ 57) for powerful and influential Florida-based businesses. Act § 4 (adding § 501.2041(1)(g)). Nothing in the Act, including the legislative findings, explains how or why the perceived problems that the statute supposedly addresses is limited to these entities.

57. For openly protectionist reasons, the Act excludes companies that are politically influential in Florida from its definition of “social media platform,” even when those companies operate online services that would otherwise meet the statutory definition. The Act carves out companies that own and operate well-attended theme parks—an exemption that conveniently covers Disney and Universal Studios (owned by Comcast Corporation).³³ No legitimate government interest

³³ Under the law, “social media platform” does not include any “information service, system, Internet search engine, or access software provider operated by a company that owns and operates a theme park or entertainment complex as defined in s. 509.013.” Act § 4 (adding § 501.2041(1)(g)).

could be advanced by such an exemption, nor was any such interest identified. Rather, as one of the law’s sponsors remarked, the exemption was added with the undisguised objective of ensuring that certain companies with big economic footprints in Florida—like Disney—are not “caught up in this.”³⁴ The decision to exempt those major companies confirms that the law’s true objective is to control the private speech of politically disfavored companies who have online platforms, but not to control the speech of similarly situated but politically favored companies with power and influence in the State of Florida.

58. As explained above (*see supra* ¶¶ 20-22 & n.23), several of Plaintiffs’ members fall within the statutory definition of “social media platform,” and do not “own and operate a theme park or entertainment complex.”

59. The Act infringes on the rights of Plaintiffs’ members in numerous ways. Key provisions of the Act are summarized below.

ii. Ban on Restricting Postings by Candidates (Section 2)

60. Section 2 of the Act prohibits any “social media platform” from “willfully deplatforming a candidate for office who is known by the social media platform to be a candidate, beginning on the date of qualification and ending on the

date of the election or the date the candidate ceases to be a candidate.” Act § 2 (adding § 106.072(2)). Section 2 further requires covered online businesses to “provide each user a method by which the user may be identified as a qualified candidate and which provides sufficient information to allow the platform to confirm the user’s qualifications.” *Id.*

61. Under the Act, “deplatform” is broadly defined to mean the “action or practice by a social media platform to permanently delete or ban a user or to temporarily delete or ban a user from the social media platform for more than 14 days.” Act § 4 (adding § 501.2041(1)(c)); *cf.* Act § 2 (adding § 106.072(1)(b)).

62. The Act inexplicably contains exemptions that allow online businesses to favor *paid* content by third parties or candidates over *unpaid* content—seemingly in violation of the “post-prioritization” and “shadow banning” prohibitions. Act § 4 (adding § 501.2041(1)(e)-(f), (2)(d)).

63. The Florida Elections Commission is vested with jurisdiction to determine whether Section 2 has been violated, and to impose fines as high as \$250,000 per day for violations involving candidates for statewide office (and \$25,000 per day for candidates for other offices). Act § 2 (adding § 106.072(3)).

64. The Act provides that Section 2 may not be enforced if it is inconsistent with federal law or 47 U.S.C. 230(e)(3). *Id.* (adding § 106.072(5)). Section 2 is

inconsistent with the First and Fourteenth Amendments of the U.S. Constitution, and other federal law, for the reasons explained below.

iii. Additional Moderation Restrictions (Section 4)

65. Section 4 of the Act is a frontal attack on the constitutional rights of Plaintiffs' members to make editorial judgments about speech hosted on their property. It directly restricts and burdens the content moderation judgments of covered online businesses. In particular, Section 4 enacts restrictions that effectively ban most, if not all, moderation of content posted "by or about" political candidates. And it severely restricts and burdens moderation practices with respect to postings or content from a loosely defined category of "journalistic enterprises." These provisions compel a disfavored group of private businesses to host—and dramatically limit their ability to restrict, decide how to display, or even offer their own commentary on—highly objectionable or even illegal content, such as sexually explicit material, user posts that incite or glorify violence and acts of terrorism, online harassment and bullying, anti-Semitic and racist hate speech, defamation, and misinformation (such as hoaxes involving public health issues).

66. Section 4 also imposes on covered online businesses a broad, but wholly undefined, mandate to apply any possible editorial judgments they might make about the virtually unlimited amount of content they host "in a consistent manner among [their] users"—an obligation that is all but impossible to understand,

much less comply with. And Section 4 imposes onerous notice and other affirmative requirements regarding the editorial judgments made by these businesses. The notice requirements are particularly burdensome and problematic because by prescribing specific disclosures about the reason for the removal of virtually any category of content, covered online businesses would be providing a host of bad-faith actors (from terrorists to hostile foreign governments and spammers) a roadmap for how to post unwanted, harmful content by circumventing the protections currently in place.

67. In sum, Section 4 impermissibly subordinates covered businesses' judgments about what content to display on their services and in what manner to the State's fiat. This is the modern-day equivalent of the unconstitutional attempt to force the *Miami Herald* to publish a letter affording a "right of reply," which the Supreme Court soundly rejected in *Tornillo*. And it is eerily reminiscent of efforts by authoritarian regimes around the world to control private online services and force them to conform to a state-approved message. As just one example, Human Rights Watch has noted Russia's enactment of "increasingly oppressive" laws targeting social media platforms that "forc[e] them" to alter their moderation practices concerning "online content deemed illegal by the government."³⁵ A

³⁵ See *Russia: Social Media Pressured to Censor Posts*, Human Rights Watch (Feb. 5, 2021), www.hrw.org/news/2021/02/05/russia-social-media-pressured-censor-posts (last accessed May

Russian bill currently under consideration “proposes fines for social media companies that ‘illegally block users,’” and “aims to prevent the potential blocking of Russian politicians’ social media profiles.”³⁶

68. Section 4 specifically delineates a list of “[u]nlawful acts and practices by social media platforms,” Act § 4 (adding § 501.2041), all of which seek to deprive covered online businesses of their editorial discretion and replace it with state-compelled speech by prohibiting numerous activities protected by the First Amendment. For example:

a. Covered online businesses must not edit the content of a “journalistic enterprise,” “post an addendum to” any content of such an enterprise, or “deplatform” the enterprise based on “the content of its publication or broadcast.”

Id. (adding § 501.2041(2)(j), (1)(b)).³⁷ A “journalistic enterprise” is broadly

26, 2021). For instance, one recently enacted law “empower[s] the authorities to block websites” that restrict access to “Russian state media content.” *Id.*

³⁶ *Id.*; see also Adam Satariano & Oleg Matsnev, *Russia Raises Heat on Twitter, Google and Facebook in Online Crackdown*, N.Y. Times (May 26, 2021), www.nytimes.com/2021/05/26/technology/russia-twitter-google-facebook-censorship.html (last accessed May 26, 2021).

³⁷ While “censorship” is traditionally used to refer to the actions of government officials to limit free expression, the Act uses the misleading scare-terms “censorship” and “shadow banning” to cover routine moderation practices, such as editing objectionable content. See Act § 4 (adding § 501.2041(1)(b) (defining “censor” as “any action taken by a social media platform to delete, regulate, restrict, edit, alter, inhibit the publication or republication of, suspend a right to post, remove, or post an addendum to any content or material posted by a user. The term also includes actions to inhibit the ability of a user to be viewable by or to interact with another user of the social media platform.”); see also *id.* (adding § 501.2041(1)(f)) (defining “shadow ban” as “action by a social media platform, through any means, whether the action is determined by a natural person or an algorithm, to limit or eliminate the exposure of a user or content or material posted by a user to other users of the social media platform.”). Under these definitions, a decision that sexually

defined as “an entity doing business in Florida” that (1) publishes more than 100,000 words online and has at least 50,000 paid subscribers or 100,000 monthly active users; (2) publishes online at least 100 hours of audio or video and has at least 100 million viewers annually; (3) “operates a cable channel that provides more than 40 hours of content per week to more than 100,000 cable television subscribers”; *or* (4) “[o]perates under a broadcast license issued by the Federal Communications Commission.” *Id.* (adding § 501.2041(1)(d)). This sweeping definition would shield many outlets that publish foreign propaganda and conspiracy theories.

b. Covered online businesses must not use any algorithms to curate and arrange “content and material posted by or about” a candidate. *Id.* (adding § 501.2041(2)(h)) (characterizing actions as “post-prioritization” and “shadow banning”).

c. Covered online businesses must not edit a user’s content or “deplatform” the user, unless the social media platform gives the user detailed written notice, including “a thorough rationale” justifying such actions, a “precise and thorough explanation of how the social media platform became aware of the censored content or material, including a thorough explanation of the algorithms

explicit or violent content should be restricted to users above the age of 18 would potentially constitute forbidden “shadow banning.”

used, if any, to identify or flag the user’s content or material as objectionable.” *Id.* (adding § 501.2041(2)(d), (3)) (characterizing actions as “censoring” and “shadow banning”). This obligation to thoroughly justify content decisions applies even if the online business takes action to protect its users from highly objectionable material posted by terrorist groups or hostile foreign governments.

d. Covered online businesses must not use algorithms that arrange content other than in chronological order if the user has opted out of such algorithms under the mandatory opt-out provision. *Id.* (adding § 501.2041(2)(f)(2)).

e. Covered online businesses must not change editorial policies more than once every 30 days, even if responding to new and changed circumstances and threats. *Id.* (adding § 501.2041(2)(c)).

69. Section 4 also includes the vague mandate that these censorship, deplatforming, and shadow banning standards be implemented in a “consistent manner” among users on the platform. Act § 4 (adding § 501.2041(2)(b)). This subjective standard is not defined in the Act and may serve as the basis for a private cause of action by users with statutory damages of \$100,000 per day, actual damages, and “punitive” damages. *Id.* (adding § 501.2041(6)). The Act also includes the vague requirement that covered websites must “[c]ategorize algorithms used for post-prioritization and shadow banning.” *Id.* (adding § 501.2041(2)(f)(1)).

Similarly vague is the requirement that covered online businesses “inform” a candidate if they have “willfully provide[d] free advertising for” the candidate, in which case the Act treats this “free advertising” (an undefined concept) as an “in-kind contribution” for purposes of Florida’s election laws. Act § 2 (adding § 106.072(4)).³⁸

70. In addition, the Act places numerous affirmative burdens on covered online businesses to:

a. “inform each user about any changes to its user rules, terms, and agreements before implementing the changes” (in addition to the ban on changes more frequent than once a month). *Id.* (adding § 501.2041(2)(c)).

b. “provide users with an annual notice on the use of algorithms for post-prioritization and shadow banning and reoffer annually the opt-out opportunity in subparagraph (f)2.” *Id.* (adding § 501.2041(2)(g)).

c. “allow a user who has been deplatformed to access or retrieve all of the user’s information, content, material, and data for at least 60 days after the user receives the notice required under subparagraph (d)1.” *Id.* (adding § 501.2041(2)(i)).

³⁸ The Act merely states that certain things will *not* be deemed free advertising, without specifying what *will* be considered to fall within that category. *See id.* (“Posts, content, material, and comments by candidates which are shown on the platform in the same or similar way as other users’ posts, content, material, and comments are not considered free advertising.”).

d. “publish the standards, including detailed definitions, it uses or has used for determining how to censor, deplatform, and shadow ban.” *Id.* (adding § 501.2041(2)(a)).

e. “provide a mechanism that allows a user to request the number of other individual platform participants who were provided or shown the user’s content or posts.” *Id.* (adding § 501.2041(2)(e)(1)).

f. “[p]rovide, upon request, a user with the number of other individual platform participants who were provided or shown content or posts.” *Id.* (adding § 501.2041(2)(e)(2)).

71. A covered online business that fails to comply with Section 4 is deemed to have committed “an unfair or deceptive act or practice as specified in [§] 501.204,” and is subject to an investigation by the Department of Legal Affairs and civil or administrative enforcement action. *Id.* (adding § 501.2041(5)). The Act also empowers the State to use its subpoena power to intrusively investigate the highly confidential and competitively sensitive methodologies online companies use to exercise their content judgment. *Id.* (adding § 501.2041(8)). Finally, the Act creates a private right of action against any platform that (i) applies its “censorship, deplatforming, and shadow standards in an [in]consistent way,” or that (ii) “censor[s] or shadow ban[s] a user’s content or material” without giving written notice of its reasons for doing so. *Id.* (adding § 501.2041(6)).

iv. Antitrust Blacklist (Section 3)

72. Section 3 of the Act creates a new statutory provision, F.S. § 287.137, that imposes state contracting restrictions for covered online businesses that are alleged to have violated antitrust laws and placed on a newly established “Antitrust Violator Vendor List.” Act § 3 (adding § 287.137(2)(a)-(b)). The targeted “social media platforms” are the *only* businesses that may be placed on the antitrust vendor list. *Id.* (adding § 287.137(1)(b), (1)(f)). Again, other large businesses—including the favored theme-park owners—are exempted.

73. Section 3 is another example of the Act’s irrational targeting of a select, disfavored group of online businesses. Although federal antitrust laws—and Florida’s counterpart statutes—apply across different industries, Section 3 irrationally singles out only the defined “social media platforms” for disfavored treatment because of their role in hosting and moderating online content. *Id.* Section 3 establishes an “Antitrust Violator Vendor List” of companies and individuals subject to an absolute contracting bar with the State of Florida. *Id.* (adding § 287.137(3)(b)). These persons and affiliates are also prohibited from receiving “economic incentives” such as “state grants, cash grants, tax exemptions, tax refunds, tax credits, state funds, and other state incentives” under Florida law. *Id.* (adding § 287.137(5)).

74. The Antitrust Violator Vendor List may include those merely “*accused of*” violations by the Florida “Attorney General,” “a state attorney,” or federal authorities (subject to a cumbersome and inadequate process for contesting the Attorney General’s decision before a state administrative law judge). The Act empowers the Florida Attorney General to place an accused company “temporarily” on the Antitrust Violator Vendor List upon a finding of mere “probable cause that a person has likely violated the underlying antitrust laws.” *Id.* (adding § 287.137(3)(d)(1)). The absolute state contracting bar extends to an ill-defined group of officers, directors, shareholders, and even employees involved in “management” of a company placed on the List, as well as a broad group of “affiliates” of companies that are permanently placed on the List. *Id.* (adding § 287.137(1)(a), (f)-(g)).

* * *

75. The Act is a smorgasbord of constitutional violations. Sections 2, 3, and 4—specifically, those provisions adding F.S. §§ 106.072, 287.137 and 510.2041(2)(a)-(j)—violate the First Amendment, due process, and equal protection principles, and run afoul of the Commerce Clause and Supremacy Clause.

COUNT I
(42 U.S.C. § 1983)
Violation of Free Speech and Free Press Rights Under the First and
Fourteenth Amendments to the Constitution of the United States
(Challenge to Sections 2, 3, and 4 of the Act)
(As to All Defendants)

76. Plaintiffs incorporate by reference paragraphs 1 to 75 above as if fully and separately set forth herein.

77. Sections 2 and 4 of the Act—specifically, those sections adding F.S. §§ 106.072 and 510.2041(2)(a)-(j)—violate the First and Fourteenth Amendments. As discussed above, in numerous, interrelated ways, all of the Moderation Restrictions, as well as the affirmative obligations discussed above,³⁹ impose content-based, viewpoint-based, and speaker-based restrictions and burdens on covered online businesses’ speech rights and editorial judgment entitled to full First

³⁹ This includes the requirements to (i) “inform” a candidate if the covered online business “willfully provide[d] free advertising for” the candidate, Act § 2 (adding § 106.072(4)); (ii) provide users with a “a thorough rationale explaining the reason” for a covered online business’ moderation decision, including a “precise and thorough explanation of how the [business] became aware of the ... content or material” and “a thorough explanation of the algorithms used, if any, to identify or flag the user’s content or material as objectionable,” Act § 4 (adding § 501.2041(3)); (iii) “inform each user about any changes to its user rules, terms, and agreements before implementing the changes,” *id.* (adding § 501.2041(2)(c)); (iv) “provide users with an annual notice on the use of algorithms for post-prioritization and shadow banning and reoffer annually [an] opt-out opportunity,” *id.* (adding § 501.2041(2)(g)); (v) “allow a user who has been deplatformed to access or retrieve all of the user’s information, content, material, and data for at least 60 days after the user receives the [mandated] notice,” *id.* (adding § 501.2041(2)(i)); (vi) “publish the standards, including detailed definitions, it uses or has used for determining how to censor, deplatform, and shadow ban,” *id.* (adding § 501.2041(2)(a)); (vii) “[p]rovide a mechanism that allows a user to request the number of other individual platform participants who were provided or shown the user’s content or posts,” *id.* (adding § 501.2041(2)(e)(1)); and (viii) “[p]rovide, upon request, a user with the number of other individual platform participants who were provided or shown content or posts,” *id.* (adding § 501.2041(2)(e)(2)).

Amendment protection. These provisions also unconstitutionally compel covered online businesses to speak in ways that significantly burden and chill their constitutionally protected content judgments and speech. In addition, the provisions lack the scienter requirements that the First Amendment demands, effectively imposing a set of strict-liability speech bans and mandates. Separately and collectively, these provisions single out the covered online businesses for disfavored treatment. Because Sections 2 and 4 restrict speech based on its content and based on its speaker, they are subject to strict scrutiny and are presumptively unconstitutional. Further, the Act authorizes the State to engage in highly intrusive investigations of content moderation processes and judgments, separately burdening speech. Because the State has no legitimate (much less compelling) governmental interest that supports these provisions, and because none of the provisions are narrowly tailored, they do not survive strict scrutiny. Indeed, they would fail under any standard of review.

78. Plaintiffs' members include online businesses subject to the Act. They are private companies that have the right to choose what content they host on their platforms and how to arrange, display, organize, and curate such content, irrespective of the platforms' popularity. The operative provisions of Sections 2 and 4 of the Act violate those rights.

79. Government action that compels speech by forcing a private social media platform to carry content that is against its policies or preferences violates the First Amendment.

80. The First Amendment is not limited to traditional forms of media and expression, but applies with equal force to modern media, technology, and communications. Online businesses that make editorial decisions regarding what content to publish, including content created or posted by third parties, engage in speech that is fully protected by the First Amendment. *Reno v. Am. Civil Liberties Union*, 521 U.S. 844, 870 (1997).

81. In addition to prohibiting the government from directly restricting speech, the First Amendment prohibits the government from *compelling* a person or business to communicate a message (including host a third party's message). In other words, it "prohibits the government from telling people what they must say." *Rumsfeld v. Forum for Acad. & Inst. Rights*, 547 U.S. 47, 61 (2006). A State may not require an online or other business to host or promote another's speech unless it meets the extraordinarily demanding standard of "strict scrutiny." *Riley v. Nat'l Fed'n of the Blind of N. Carolina, Inc.*, 487 U.S. 781, 795 (1988).

82. A compelled-speech edict is presumptively invalid unless the State can show that its regulation is necessary to advance a "compelling" governmental interest, is narrowly tailored to serve that interest, and is the least restrictive means

available for establishing that interest. *Reed v. Town of Gilbert*, 576 U.S. 155, 163 (2015); *United States v. Playboy Entm't Grp.*, 529 U.S. 803, 813 (2000). Unless a State can satisfy this extremely demanding standard, it may not interfere with a private company's choices about what to say or not to say, and what content to distribute or not to distribute. *See, e.g., Tornillo*, 418 U.S. at 258. These settled principles apply with full force to protect the rights of online businesses, including “social media platforms” as defined in the Act.

83. Laws that regulate speech (1) based on its content *or* (2) based on the identity of the speaker are presumptively unconstitutional under the First Amendment. *Reed*, 576 U.S. at 163, 170. Moreover, “[w]hen the government targets not subject matter, but particular views taken by speakers on a subject, the violation of the First Amendment is all the more blatant. Viewpoint discrimination is thus an egregious form of content discrimination. The government must abstain from regulating speech when the specific motivating ideology or the opinion or perspective of the speaker is the rationale for the restriction.” *Rosenberger v. Rector and Visitors of Univ. of Va.*, 515 U.S. 819, 829 (1995).

84. Further, where, as here, a regulation elevates certain speakers over others and disfavors the latter, it “suggests that the goal of the regulation is not unrelated to suppression of expression, and such a goal is presumptively

unconstitutional.” *Minneapolis Star & Tribune Co.*, 460 U.S. 575, 585, 592–93 (1983); *Arkansas Writers’ Project, Inc. v. Ragland*, 481 U.S. 221 (1987).

85. Content-based, viewpoint-based, and speaker-based discrimination can be discerned from both the text of the statute and evidence of the State’s purposes in enacting the statute. *Sorrell v. IMS Health Inc.*, 564 U.S. 552, 564–65 (2011). Thus, where, as here (*see supra* ¶¶ 3–4, 53), a statute is animated by a desire to target selected speakers for disfavored treatment, and especially where the motive is to punish or retaliate against private parties for their perceived political or ideological viewpoints, evidence of that improper motive can further confirm that the statute amounts to impermissible speech regulation. *Sorrell*, 564 U.S. at 564–65.

86. First Amendment rights “‘are protected not only against heavy-handed frontal attack, but also from . . . more subtle governmental interference.’” *Gibson v. Fla. Legislative Investigation Comm.*, 372 U.S. 539, 544 (1963) (citation omitted). Thus, a requirement that a company publish and disclose the rationale, processes, data, or methods concerning its editorial decisions runs afoul of the First Amendment. *United States v. Rumely*, 345 U.S. 41, 57 (1953) (Douglas, J., joined by Black, J., concurring). “It is the presence of compulsion from the state itself that compromises the First Amendment,” which “extends ‘not only to expressions of value, opinion, or endorsement, but equally to statements of fact the speaker would rather avoid.’” *Washington Post v. McManus*, 944 F.3d 506, 518 (4th Cir. 2019)

(quoting *Hurley v. Irish-American Gay, Lesbian & Bisexual Grp. of Boston*, 515 U.S. 557, 570 (1995)).

87. These principles—both collectively and individually—establish that Sections 2 and 4 of the Act violate the First Amendment.

88. Sections 2 and 4 force covered online businesses to host content they otherwise would not allow under their policies and standards, or do not wish to feature, organize, display, or prioritize in the way that the Act mandates. No one, not even someone who has paid a filing fee to run for office, has a First Amendment right to compel a private actor to carry speech on their private property. On the contrary, the online businesses subject to the Act (including Plaintiffs' members) have a First Amendment right to free speech—and may therefore decide whom they will and will not host and with which speakers and speech they wish to associate (or not associate).

89. Sections 2 and 4 also limit and burden the exercise of covered online business' judgments about the display of content in myriad ways—including, but not limited to, by restricting their ability to (i) edit, remove, organize, de-prioritize, or prioritize certain third-party content or postings, (ii) to add commentary on or advisories or warnings to accompany such content or postings (e.g., flagging unverified factual claims), or (iii) curate or filter content so it is appropriate for certain audiences (e.g., restricting access to adult content based on parental settings).

90. Sections 2 and 4 also unconstitutionally restrict, burden, compel, and otherwise regulate speech based on its content. These sections reflect legislative preferences for certain types of content (*i.e.*, postings by or about political candidates and by certain “journalistic enterprises,” as well as paid versus unpaid content). This triggers strict scrutiny.

91. The Act is also motivated by a viewpoint-based attack on the “social media platforms” it targets. As the Act’s champions trumpeted when the bill was signed into law, the core goal of the Act was to punish the targeted companies specifically because the Legislature and Governor dislike the perceived political and ideological viewpoints that those private businesses supposedly express through their content judgments. This is the essence of impermissible viewpoint-discrimination, and it violates the First Amendment.

92. Strict scrutiny also applies on the independent ground that the Act engages in speaker-based discrimination and targets a discrete category of speakers for disfavored treatment. The speech restrictions and compelled-speech requirements under Sections 2 and 4 apply only to covered online businesses that qualify as “social media platforms,” but do *not* apply to (a) non-digital hosts of third-party content with large audiences (such as certain book publishers or hosts of traditional bulletin boards); (b) online businesses that provide the same types of services but do not meet the arbitrary thresholds to qualify as a “social media

platform” under the Act; and (c) any business that would otherwise be subject to the Act except that it also happens to own and operate a large “theme park or entertainment complex” (defined to include Disney and Universal Studios). This speaker-based discrimination is also evidenced by the legislative history and public record discussed above.

93. By forcing covered online businesses to prioritize postings by or about candidates and content from the loosely defined category of “journalistic enterprises,” the Act further exacerbates the speaker-based discrimination, including in an area (political speech) where the covered online businesses’ First Amendment protections are strongest.

94. The Act compounds these First Amendment violations by authorizing the State to conduct highly intrusive investigations into how the targeted companies organize and select content for inclusion on their private platforms, which separately burdens First Amendment rights.

95. For each of these independent reasons, Sections 2 and 4 are presumptively unconstitutional, and the State bears the burden of establishing that these requirements satisfy strict scrutiny.

96. Section 3—which adds F.S. § 287.137—also violates the First and Fourteenth Amendments. As discussed above, that section singles out certain speakers and online media businesses—covered “social media platforms”—for

discriminatory treatment, including prohibiting covered entities from contracting with the State and from receiving tax breaks, refunds, and other economic incentives. And the Act's irrational exceptions for favored entities show that "the State has left unburdened" other, favored speakers, in violation of the First Amendment. *Nat'l Inst. of Family & Life Advocs. v. Becerra*, 138 S. Ct. 2361, 2378 (2018) (quoting *Sorrell*, 564 U.S. at 580). For each of those reasons, Section 3 is presumptively unconstitutional and subject to strict scrutiny.

97. Additionally, as discussed above, Section 3 burdens "affiliates" of companies placed on an antitrust blacklist, where "affiliates" is defined to include any entities controlled by agents who are active in the management of the blacklisted company. If a company is blacklisted, its affiliates are subject to blacklisting as well, and a showing that the entity is an affiliate "constitutes a prima facie case" that blacklisting is warranted for the affiliate. An affiliate on the list may not bid on or be awarded any work under a public contract, or transact business with the State, and it may be ineligible for economic incentives. Section 3's use of guilt by association violates the First Amendment rights of Plaintiffs, as well as their affiliates. It is not an "appropriate requirement" for the State to require disaffiliation in order to access public contracting and benefits.

98. The State of Florida's decision to subject "social media platforms" (as defined in the Act) to "differential treatment, unless justified by some special

characteristic of [their services], suggests that the goal of the regulation is not unrelated to suppression of expression, and such a goal is presumptively unconstitutional.” *Minneapolis Star*, 460 U.S. at 585. Section 3’s imposition of non-generally applicable burdens on “social media platforms,” including Plaintiffs’ members, is not justified by any special characteristic of their services, and therefore triggers strict scrutiny.

99. Sections 2, 3, and 4 do not meet the requisite standard of strict scrutiny (and would fail any standard of constitutional review).

100. First, the State cannot show that there is any real problem in need of solving and that these statutory provisions further a “compelling” governmental interest (or even any legitimate governmental interest).

101. Second, the State cannot show that Sections 2, 3, and 4 are narrowly tailored to meet the State’s asserted interest. To the contrary, these provisions are both over- and underinclusive in numerous respects. *See supra* ¶¶ 56-57. Among other fatal defects, they arbitrarily and punitively target speech by some companies with larger platforms, but not other companies that the Legislature favors.

102. Additionally, Section 4 of the Act regulates the speech of covered online businesses without the necessary scienter protections required by the First Amendment. For example, while the Act broadly prohibits covered businesses from “deplatforming,” “censoring,” or “shadow banning” a “journalistic enterprise,” there

is no requirement that the business know (or have reason to know) that the content at issue was posted by such an enterprise. Thus, a covered business that removes or posts an addendum to a video (even one posted by a propaganda outlet) could be held strictly liable and subject to severe penalties if it turns out that, unbeknownst to the provider, the video was posted by an entity deemed to be a “journalistic enterprise.” The chilling effect of the lack of a scienter requirement is exacerbated by the breadth and vagueness of the Act’s terms.

103. The same is true of the Act’s notice provisions, which apply only where actions are taken with respect to a poster or content provider “who resides in or is domiciled in Florida.” There is no requirement that the covered online business know, or have reason to know, where that person actually lives. Nor is this residency information something that many covered online businesses should be expected to have. As a result, a covered business that takes moderation actions concerning an account could face strict liability if it turns out that, unbeknownst to the business, the person happens to live in Florida. The First Amendment forbids such strict-liability speech regulations.

104. Unless they are enjoined, Sections 2, 3, and 4 will operate to unlawfully deprive Plaintiffs’ members of their fundamental First Amendment rights, including the chilling of Plaintiffs’, their members’, and their affiliates’ exercise of associational freedoms.

COUNT II
(42 U.S.C. § 1983)
Violation of Due Process Rights Under the Fifth and Fourteenth
Amendments to the Constitution of the United States
(Challenge to Sections 2 and 4 of the Act)
(As to the Commissioners of the Florida Elections Commission
and the Florida Attorney General)

105. Plaintiffs incorporate by reference paragraphs 1 to 75 above as if fully and separately set forth herein.

106. The U.S. Constitution guarantees all persons the right to due process. U.S. Const. amend. V. The Fifth Amendment’s guarantee of due process applies to state governments through the Fourteenth Amendment. U.S. Const. amend. XIV.

107. The Act violates due process because it fails to provide fair warning of what conduct is being regulated. *FCC v. Fox Television Stations, Inc.*, 567 U.S. 239 (2012). A law is unconstitutionally vague when people “of common intelligence must necessarily guess at its meaning,” *Connally v. Gen. Constr. Co.*, 269 U.S. 385, 391 (1926), or where the law lacks definite and explicit standards thereby encouraging “arbitrary and discriminatory” application, *Kolender v. Lawson*, 461 U.S. 352 (1983).

108. These concerns are especially acute where, as here, the Act both regulates the content of speech and permits state enforcement actions. *See Reno*, 521 U.S. at 871.

109. Various provisions of the Act, including Sections 2 and 4, regulate speech in vague terms that do not give businesses subject to the Act reasonable and fair notice of the conduct that is expected of them and the conduct that may be subject to penalties. The Act is also riddled with such vague terms that it invites arbitrary and discriminatory enforcement, including the arbitrary imposition of draconian civil penalties. These infirmities include, but are not limited to, the following:

a. The Act establishes an undefined requirement that a social media platform engage in content moderation “in a consistent manner among its users on the platform.” Act § 4 (adding § 501.2041(2)(b)). In addition to facing “civil or administrative action” by the Florida Attorney General for an alleged violation of this provision, the Act provides a private cause of action for violations of this requirement, with statutory damages of \$100,000 per claim and potential punitive damages. *Id.* (adding § 501.2041(6)(a)).

b. The Act prohibits “censoring,” “deplatforming,” or “shadow banning” of “a journalistic enterprise,” but employs a vague and amorphous definition to describe what entities qualify as a “journalistic enterprise.” *Id.* (adding § 501.2041(2)(j), (1)(d)). This vagueness places covered online businesses in the impossible position of having to conduct extensive and costly investigations to determine whether the State might consider a poster to be a

“journalistic enterprise”—all without any clear understanding of what that definition actually covers.

c. The Act requires covered online businesses to “inform” a candidate if they have “willfully provide[d] free advertising for” the candidate, in which case the Act treats this “free advertising” as an “in-kind contribution” for purposes of Florida’s election laws. Act § 2 (adding § 106.072(4)). But, other than a confusing definition of what does *not* count as “free advertising,” *id.*, the Act provides no guidance as to what will fall within that vague category triggering election-law compliance requirements.⁴⁰

d. The Act prohibits applying or using any “post-prioritization or shadow banning algorithms for content and material posted by or about a user who is known by the social media platform to be a candidate.” *Id.* (adding § 501.2041(2)(h)). The definition of “post-prioritization” covers any “action by a social media platform to place, feature, or prioritize certain content or material ahead of, below, or in a more or less prominent position than others in a newsfeed, a feed, a view, or in search results.” It is impossible to understand what this provision allows and does not allow. Read according to its terms, the provision

⁴⁰ If the Florida Elections Commission construed the Act to govern candidates for *federal* office, *see* Act § 2 (adding § 106.072(6), adopting the definition of “candidate” in F.S. § 106.011(3)(e)), that would raise additional federal preemption concerns given the comprehensive regulation of in-kind contributions involving such candidates under the Federal Election Campaign Act. *See* 52 U.S.C. § 30116(a)(7)(B)(i); 11 C.F.R. § 109.20(a); *see also* *Cipollone v. Liggett Grp., Inc.*, 505 U.S. 504, 516 (1992).

would suggest that a search engine is forbidden from placing content “by or about” a political candidate (whether or not it is defamatory or otherwise illegal or objectionable) ahead of—or below—any other content. It forbids placing such content in a more prominent position—or a less prominent position—than other content. Due process does not allow the State to enforce such a paradoxical, self-defeating, and incomprehensible prohibition.

110. Because covered businesses lack fair notice about what conduct is allowed and what is prohibited—subject to exposure to potentially massive penalties, including fines of \$250,000 per day—these provisions of the Act violate basic principles of due process. *Id.* (adding § 106.072(3)).

111. Vagueness is also rife in other aspects of the Act, including its key definitions of concepts such as “shadow banning,” “deplatforming,” and “censoring.” Because these are the operative provisions under Sections 2 and 4, they render the entirety of those Sections void for vagueness under due process protections.

112. Unless it is enjoined, the Act will operate to unlawfully deprive Plaintiffs’ members of their fundamental due process rights.

COUNT III
(42 U.S.C. § 1983)
Violation of Equal Protection Rights Under the Fourteenth
Amendment to the Constitution of the United States
(Challenge to Sections 2, 3, and 4 of the Act)
(As to All Defendants)

113. Plaintiffs incorporate by reference paragraphs 1 to 75 above as if fully and separately set forth herein.

114. The Fourteenth Amendment to the United States Constitution guarantees to all citizens “equal protection of the laws,” and it forbids any state government from denying that protection “to any person within its jurisdiction[.]” U.S. Const. amend. XIV. At a minimum, it forbids state governments from engaging in arbitrary discrimination against its citizens. The Equal Protection Clause “is essentially a direction that all persons similarly situated should be treated alike.” *City of Cleburne, Tex. v. Cleburne Living Ctr.*, 473 U.S. 432, 439 (1985).

115. Distinctions “affecting fundamental rights,” including the exercise of First Amendment rights, trigger strict scrutiny under the Equal Protection Clause, even if the distinctions do not themselves constitute suspect or invidious classifications. *Clark v. Jeter*, 486 U.S. 456, 461 (1988). “The Equal Protection Clause requires that statutes affecting First Amendment interests be narrowly tailored to their legitimate objectives.” *Police Dep’t of Chicago v. Mosley*, 408 U.S. 92, 101 (1972).

116. Sections 2, 3, and 4 of the Act all purport to regulate the conduct of “social media platforms.” The Act’s definition of that term is arbitrary and discriminatory, thereby rendering Sections 2, 3, and 4 in violation of basic equal protection principles.

117. First, the Act’s carveout for companies that own large theme parks violates equal protection. Whether or not a company owns a theme park has no conceivable bearing on whether that company’s social media platform presents the purported risks against which the Act was designed to protect. The Act would not apply to a targeted company that, for example, bought a zoo or other “theme park or entertainment complex” that met the following statutorily defined criteria: “a complex comprised of at least 25 contiguous acres owned and controlled by the same business entity and which contains permanent exhibitions and a variety of recreational activities and has a minimum of 1 million visitors annually.” F.S. § 509.013(9); *see* Act § 4 (adding § 501.2041(1)(g)). These specific thresholds have nothing to do with any government interest in free speech or online policy. Nor is there any reason to believe that the State’s purported interest in protecting against “unfair” conduct from social media platforms is furthered by protecting theme park operators (specifically including Disney and Universal Studios).

118. Second, the definition of businesses that *are* subject to the Act further irrationally discriminates against larger and more popular websites and social media

companies by targeting them for restrictions and disfavored governmental treatment. It targets only select companies that have either (i) at least \$100 million in annual gross revenues, or (ii) over 100 million monthly participants, while irrationally excluding other companies. *See supra* ¶¶ 8, 56-57. Such arbitrary distinctions demonstrate that the Act unconstitutionally discriminates against the speech of certain speakers, that it is gravely under- and over-inclusive, and that it is not justified by any legitimate (much less compelling) governmental interest.

119. Because the definition of “social media platforms” is both arbitrary and discriminatory, Sections 2, 3, and 4 will operate to unlawfully deprive Plaintiffs’ members of their fundamental equal protection rights.

120. Additionally, Section 4 establishes multiple new affirmative and onerous obligations that would impact Plaintiffs’ members, but irrationally exclude other, favored entities. *See supra* ¶¶ 56-57, 65-71. This separately violates equal protection.

121. Similarly, the antitrust provisions in Section 3 suffer from the same flaws by irrationally targeting the covered online businesses, but not other companies. *See supra* ¶¶ 72-74.

122. The State cannot show any rational basis for crafting this statutory scheme—much less satisfy strict scrutiny—and, accordingly, the statutory

provisions discussed above violate the equal protection rights of Plaintiffs' members.

COUNT IV
(42 U.S.C. § 1983)
Violation of the Commerce Clause of the Constitution of the United States
and the Due Process Clause of the Fourteenth Amendment
to the Constitution of the United States
(Challenge to Sections 2, 3, and 4 of the Act)
(As to All Defendants)

123. Plaintiffs incorporate by reference paragraphs 1 to 75 above as if fully and separately set forth herein.

124. The U.S. Constitution entrusts the regulation of commerce “among the several States” to the federal government. U.S. Const. art. I., § 8, cl. 3. Thus, an individual State may not usurp this authority by regulating interstate commerce unilaterally. *See, e.g., C & A Carbone, Inc. v. Town of Clarkstown*, 511 U.S. 383 (1994).

125. “[T]he Commerce Clause by its own force restricts state protectionism.” *Tennessee Wine & Spirits Retailers Assoc. v. Thomas*, 139 S. Ct. 2449, 2460 (2019). “[I]f a state law discriminates against ... nonresident economic actors, the law can be sustained only on a showing that it is narrowly tailored to ‘advance a legitimate local purpose.’” *Id.* at 2461 (cleaned up).

126. The Commerce Clause also prohibits any “state regulation that ‘discriminates against or *unduly burdens* interstate commerce and thereby impeded[es]

free private trade in the national marketplace.’” *Gen. Motors Corp. v. Tracy*, 519 U.S. 278, 287 (1997) (citation omitted) (emphasis added).

127. Courts have long recognized that state laws that attempt to regulate the inherently global communications medium that is the Internet must respect the constitutional limits on state authority under the Commerce Clause. *Am. Libraries Ass’n v. Pataki*, 969 F. Supp. 160, 169, 173-74 (S.D.N.Y. 1997); *Am. Booksellers Found. v. Dean*, 342 F.3d 96, 103-104 (2d Cir. 2003).

128. The Act violates the Commerce Clause by imposing uniquely burdensome operational requirements on businesses headquartered (and with substantial business operations) outside of Florida, while expressly exempting favored in-state businesses through a status-based “theme park” ownership exemption that is based on economic protectionism. *Cf. Tennessee Wine & Spirits*, 139 S. Ct. at 2472-74. Both on its face and in its practical effects, the Act impermissibly discriminates against out-of-state businesses, and favors in-state businesses. The Act also imposes onerous and undue burdens on interstate commerce by predominantly targeting online businesses headquartered outside the State. Florida has no legitimate reason for discriminating against interstate commerce—and in favor of companies with in-state theme parks—and the burden on interstate commerce is clearly excessive in relation to any of the purported

benefits that the State claims will result from the Act. The State cannot show that its stated goals could not be served by other available nondiscriminatory means.

129. In addition, the Act regulates wholly out-of-state conduct because there is no requirement that the moderation take place in Florida or that the content being moderated is posted in Florida. Such extraterritorial regulation is forbidden by the Commerce Clause and Due Process Clause of the Fourteenth Amendment.

130. Unless enjoined, Sections 2, 3, and 4 of the Act will operate to unconstitutionally burden interstate commerce and effect extraterritorial regulation in violation of the Commerce Clause and Due Process Clause.

COUNT V
(Declaratory Judgment Act)
(42 U.S.C. § 1983)
Preemption under the Supremacy Clause of the Constitution
of the United States and 47 U.S.C. 230(e)(3)
(Challenge to Sections 2 and 4 of the Act)
(As to the Commissioners of the Florida Elections Commission
and the Florida Attorney General)

131. Plaintiffs incorporate by reference paragraphs 1 to 75 above as if fully and separately set forth herein.

132. Section 2 of the Act permits the Florida Elections Commission to impose fines of up to \$250,000 per day against any “social media platform” that chooses to “permanently delete or ban a user or to temporarily delete or ban a user from the social media platform for more than 14 days,” if that user is a candidate for statewide public office. Act § 2 (adding § 106.072(2)). The Commission may

impose fines of up to \$25,000 per day against a platform that bans the account of a candidate for a local public office. *Id.*

133. Section 4 of the Act permits any private individual to bring a cause of action against a platform that has applied its “censorship” standards inconsistently, and/or against a platform that has “censor[ed]” or “shadow ban[ned]” a user without providing adequate notification. Act § 4 (adding § 501.2041(2)(b), (d)(1)). Such a civil action could, for instance, be brought against a platform that removed content posted by one user, but not similar content posted by another user.

134. Section 4 also permits the Department of Legal Affairs to bring “a civil or administrative action” against any platform suspected of violating any provision of Section 4. *Id.* (adding § 501.2041(5)). Such violations include the decision to “censor, deplatform or shadow ban a journalistic enterprise,” or to “shadow ban[]” a candidate for elected office. *Id.* (adding § 501.2041(2)(h), (2)(j)). They also include violations of the other Moderation Restrictions and affirmative obligations contained in Section 4.

135. Under 47 U.S.C. § 230, it is federal policy “to promote the continued development of the Internet and other interactive computer services and other interactive media” and “preserve the vibrant and competitive free market that presently exists for the Internet and other interactive computer services, unfettered by Federal or State regulation.” 47 U.S.C. § 230(b)(1), (2). Among the important

purposes advanced by Section 230, Congress sought “to encourage service providers to self-regulate the dissemination of offensive material over their services.” *Fair Housing Council of San Fernando Valley v. Roommates.com, LLC*, 521 F.3d 1157, 1163 (9th Cir. 2008) (*en banc*). This is its principal purpose. *Id.* at n.12.

136. Under Section 230, “[n]o provider or user of an interactive computer service shall be treated as the publisher or speaker of any information provided by another information content provider.” 47 U.S.C. § 230(c)(1). Section 230 “establish[es] broad ‘federal immunity to any cause of action that would make service providers liable for information originating with a third-party user of the service.’” *Almeida v. Amazon.com, Inc.*, 456 F.3d 1316, 1321 (11th Cir. 2006) (quoting *Zeran v. Am. Online, Inc.*, 129 F.3d 327, 330 (4th Cir. 1997)). Under Section 230, laws or claims that “seek[] to hold a service provider liable for its exercise of a publisher’s traditional editorial functions—such as deciding whether to publish, withdraw, postpone or alter content—are barred.” *Zeran*, 129 F.3d at 330.

137. Moreover, under Section 230, “[n]o provider or user of an interactive computer service shall be held liable on account of . . . any action voluntarily taken in good faith to restrict access to or availability of material that the provider or user considers to be obscene, lewd, lascivious, filthy, excessively violent, harassing, or otherwise objectionable, whether or not such material is constitutionally protected.” 47 U.S.C. § 230(c)(2).

138. Section 230 similarly prohibits liability for “any action taken to enable or make available to information content providers or others the technical means to restrict access to material” that falls within the Section 230(c)(2) category above. *Id.* § 230(c)(2)(B). This provision applies to tools that online service providers make available to users to help them avoid or limit their exposure to potentially objectionable content.

139. For purposes of Section 230, an “interactive computer service” is “any information service, system, or access software provider that provides or enables computer access by multiple users to a computer server.” *Id.* § 230(f)(2). The “provider” of such a service includes those who own or operate websites, such as social media platforms, and therefore covers Plaintiffs’ members who are subject to the Florida Act.

140. Section 230 expressly provides that “[n]o cause of action may be brought and no liability may be imposed under any State or local law that is inconsistent with this section.” *Id.* § 230(e)(3). This provision expressly preempts inconsistent state laws that seek to hold online service providers liable for engaging in content moderation covered by Section 230(c). Preemption applies equally to private causes of action and public enforcement actions.

141. Sections 2 and 4 of the Act are inconsistent with Section 230 and therefore are expressly preempted because they (i) purport to impose liability on

“social media platforms” covered by Section 230 for taking actions protected by Sections 230(c)(1) and (c)(2), and (ii) would impermissibly treat the platforms as publishers of third-party content. *Id.* § 230(c)(1) & (2)(A).

142. Sections 2 and 4 are also preempted under the principles of implied preemption and “obstacle preemption.” Sections 2 and 4 frustrate and undermine the basic purposes and policy goals of Section 230. *See Geier v. Am. Honda Motor Co.*, 529 U.S. 861, 873 (2000).

143. The Court should issue a declaration confirming that preemption applies to the Act.

PRAYER FOR RELIEF

Plaintiffs request the following relief:

(2) An order declaring Sections 2 and 4 of the Act preempted by federal law, including 47 U.S.C. § 230(e)(3) and principles of implied preemption;

(3) An order preliminarily and permanently enjoining the defendants from enforcing Sections 2, 3, and 4 of the Act;

- (4) An order for costs incurred in bringing this action;
- (5) An order for reasonable attorneys' fees under 42 U.S.C. § 1988(b); and
- (6) Such other relief as the Court deems appropriate.

Blaine [copying John Guard and Rebekah Davis]:

Chris Oprison (counsel for Netchoice) and I (local counsel for CCIA) are following up from our email to you from last Friday. I am copying Deputy AG John Guard (to whom we reached out on 5/27) and Rebekah Davis at Florida DMS (to whom we reached out by phone last Friday and email yesterday).

Chris and I understand that you will be representing the Florida Elections Commissioners in this lawsuit, and we are trying to determine who will be representing the other defendants, i.e. the Office of the Attorney General and DMS. We want to speak with counsel for the defendants as soon as possible to discuss some case management issues, as the plaintiffs plan to file a motion for preliminary injunction tomorrow. We would appreciate it if you, John, and/or Rebekah could let us know who will be representing DMS and the OAG.

Chris and I have a few time sensitive questions for your clients and the other Defendants pursuant to Local Rule 7.1:

1. Will Defendants consent to pro hac vice motions for the Wilson Sonsini and out of state DLA Piper lawyers?
2. Will Defendants consent to Plaintiffs having "extra words" for the PI motion? The local rules normally limit a motion to 8,000 words, but this motion has a fair amount to cover as is apparent from the multiple issues raised in the Complaint itself, and there are a variety of issues raised by the law. We intend to ask the Court for leave to file a brief with not more than 12,500 words. Of course, if the defendants want additional words for their opposition papers, we would similarly consent.
3. We read the Local Rules to require us ask whether Defendants would consent to our PI motion. Accordingly, will Defendants consent to a preliminary injunction restraining enforcement of the provisions of SB 7072 until the case can be tried?
4. We intend to request expedited consideration by the Court of our PI motion so that it can be heard and ruled upon before the law becomes effective on 7/1/2021. Will Defendants consent to a request that the PI motion be heard prior to 7/1? If so, we could discuss a briefing schedule, though the Court may issue its own briefing schedule.

Please let us know your positions on each of these items as soon as possible. *In particular,*

because we intend to file the PI motion tomorrow, we need to file our motion for file a longer brief today to seek court approval, and would appreciate it if you could let us know Defendants' position on item 2, above, by 3 p.m. today.

Please let us know if you are available to discuss these items with us.

Sincerely,
Doug

Ed – thank you for pointing us in the right direction.

Blaine – I don't think we have worked on a matter together before – nice to meet you. I am copying Chris Oprison of DLA Piper, counsel for Netchoice. We would like to coordinate a call with counsel for the defendants on Tuesday next week. Will you also be representing the Department of Legal Affairs, and/or DMS? If not, could you please let us know who will be acting as their counsel?

In any event, please let Chris and me know your availability to talk on Tuesday - earlier in the day would be better.

Many thanks
Doug

Ed –

Thank you for accepting service on behalf of the Commissioners. I don't know if you will be handling this matter, but I would enjoy the opportunity to work with you.

I am copying Chris Oprison of DLA Piper (Miami), counsel for Netchoice. FYI, my firm is local counsel for Wilson Sonsini Goodrich & Rosati, for CCIA. Chris and I reached out to (Deputy AG) John Guard yesterday to see if we could coordinate a call with counsel for the defendants to work through some case management issues. Could you please let us know as soon as possible who will be representing the Commissioners so that we can coordinate a call on Tuesday next week?

In the meantime, I hope you have a great weekend.

Ed –

Thank you for speaking with me earlier today. Have you been able to identify a person for service of process for the FEC Commissioners? Normally we would serve the summons/complaints at the FEC offices, asking for the commissioners and/or Mr. Vaccaro, but we would prefer to direct them to a person you all designate. But given the approaching 3 day weekend we may need to get service effected that way, and can follow up with service again on the chosen designee on Tuesday. Could you please let me know ASAP if you have identified a designee at this point?

Many thanks

Subject: States amicus - Dobbs v. Jackson Women's Health Organization, No. 19-1392

All,

I've attached a draft of the States' amicus brief in *Dobbs v. Jackson Women's Health Organization*, which is the challenge to Mississippi's 15-week abortion law. As you'll see, our brief calls for the reversal of *Roe* and *Casey*, pointing out the Court's various abortion-specific tests and rules that have frustrated many of us. We'd love to have a strong showing on this one. The brief is due on Thursday, so we would like all joins by **COB on Wednesday, July 28**. Please let us know if we can include you, and feel free to call or email if you have any questions. Thank you!

INTEREST OF AMICI CURIAE

Amici curiae are the States of Texas, ___, and ___.

¹
— This Court has assured the States that they may “promote respect for life, including life of the unborn,” *Gonzales v. Carhart*, 550 U.S. 124, 158 (2007). Like Mississippi, Amici States do so by restricting abortions that “implicate[] additional ethical and moral concerns that justify a special prohibition,” *id.*, such as, in Mississippi’s case, an abortion which would inflict excruciating pain on a sentient child. Dogmatic abortion maximalists unsatisfied by any legal regime short of nationwide abortion on demand challenge these restrictions reflexively.

And with some reason: this Court induces implacable challengers through a shifting abortion jurisprudence chock full of abortion-specific exceptions to traditional legal doctrines. These ever-evolving and ever-expanding exceptions, from standing at the beginning of a case to res judicata following its conclusion, encourage unprincipled legal innovations by abortion advocates and destabilize generally applicable doctrines for everyone else. As a result, Amici States have little on which they can rely when defending their abortion laws in court. Indeed, the only thing Amici States can count on is that the Court will not hesitate to alter the constitutional test or create a new exception to an otherwise applicable rule if it disagrees with the abortion regulation at issue.

This challenge to Mississippi’s 15-week law presents the Court with an opportunity to remedy those problems

by reconsidering and overruling their source—*Roe v. Wade* and *Planned Parenthood of Southeastern Pennsylvania v. Casey*. Unlawful from the day each was decided, both have kept Amici States in continual litigation as the Court changes the constitutional test and rules. The time has come to return the question of abortion to where it belongs—with the States.

INTRODUCTION AND SUMMARY OF ARGUMENT

I. This Court has propounded a constitutional law of abortion for half a century, and no one can describe it with any certainty. Because the purported right to abortion lacks any textual or historical foundation, it is defined only by the Court's constantly changing opinions. From the trimester test to the undue-burden test to (possibly) a benefits/burdens balancing test and (possibly) back to the undue-burden test, courts and States are constantly kept off-guard trying to predict this Court's next addition to this canon.

Abortion advocates argue that *stare decisis* demands fidelity to the Court's prior decisions in order to foster stability, reliance, and integrity. But this Court's abortion jurisprudence is neither stable nor predictable, and its foundational decisions are patently wrong. *Stare decisis* is not served by hewing to decisions which support none of the values underlying that prudential doctrine.

II. The Court's erroneous abortion jurisprudence has spread throughout unrelated legal doctrines through multiple abortion-specific exceptions to traditional legal doctrines. When it comes to abortion litigation, the Court has effectively eliminated the standard for facial challenges, ignored principles of severability and *res judicata*, permitted abortion providers to challenge health-and-safety laws on behalf of their patients, and

even limited the First Amendment rights of those who oppose abortion—just to name a few. This “ad hoc nullification machine,” *Madsen v. Women’s Health Ctr., Inc.*, 512 U.S. 753, 785 (1994) (Scalia, J., dissenting), undermines the Court’s integrity and further supports overruling the precedent that has brought us to this point.

III. The Court should follow the urging of those Justices that, since *Roe* was decided, have argued that the Court has no place in this area. The Court’s efforts to bring stability and finality to the question of abortion have proven fruitless at best and counterproductive at worst. The Court should overrule *Roe* and *Casey*.

ARGUMENT

I. The Court’s Erroneous and Constantly Changing Abortion Precedent Does Not Warrant *Stare Decisis* Deference.

Because the Court’s abortion jurisprudence lacks any constitutional or historical foundation, it has never been stable. To wit: The Court created the right to abortion and the trimester system in *Roe v. Wade*, 410 U.S. 113, 164-65 (1973). But in *Planned Parenthood of Southeastern Pennsylvania v. Casey*, it jettisoned the trimester system in favor of an undue-burden test that looks for a “substantial obstacle” to abortion, 505 U.S. 833, 878-79 (1992) (plurality op.), overruling a few of its prior decisions in the process, *id.* at 881-83. Then, in *Whole Woman’s Health v. Hellerstedt*, the Court may—or may not—have changed the undue-burden analysis into a benefits/burdens balancing test. 136 S. Ct. 2292, 2309 (2016). But it may—or may not—have changed it back in *June Medical Services, LLP v. Russo*, 140 S. Ct. 2103, 2138-39 (2020) (Roberts, C.J., concurring in the judgment). The courts of appeals are split on that question.

See, e.g., *Reprod. Health Servs. v. Strange*, No. 17-13561, 2021 WL 2678574, *12 n.6 (11th Cir. June 30, 2021) (per curiam); *EMW Women’s Surgical Ctr., P.S.C. v. Friedlander*, 978 F.3d 418, 431 (6th Cir. 2020).

Nothing about this warrants any sort of *stare decisis* deference. *Stare decisis*, a prudential doctrine, is useful when it “promotes the evenhanded, predictable, and consistent development of legal principles, fosters reliance on judicial decisions, and contributes to the actual and perceived integrity of the judicial process.” *Payne v. Tennessee*, 501 U.S. 808, 827 (1991). No objective observer of the Court’s abortion precedent could conclude that it is “evenhanded, predictable, or consistent.” The continually shifting tests and rules make this area of law unworkable, leaving courts confused and States aiming at a constantly moving target when defending their laws. The Court should feel no obligation to continue to preserve this anti-constitutional “right.”

A. *Roe* and *Casey* created and preserved a nonexistent constitutional right.

Justices of this Court have explained why *Roe* was lawless since the day it was decided. See, e.g., *June Med.*, 140 S. Ct. at 2149-53 (Thomas, J., dissenting); *Casey*, 505 U.S. at 979-1002 (Scalia, J., dissenting); *Doe v. Bolton*, 410 U.S. 179, 221-23 (1973) (White, J., dissenting); *Roe*, 410 U.S. at 172-78 (Rehnquist, J., dissenting). *Roe*’s failing is straightforward: The Constitution does not include a right to abortion, and there is no history or tradition of protecting such a right.

1. The Constitution does not include a right to elective abortion.

a. Abortion is a “right” in search of a constitutional home. It is found nowhere in the text of the Constitution,

and the majority in *Roe* did not claim otherwise. Instead, the *Roe* Court determined that abortion fell within the right to privacy, which it admitted was not “explicitly mention[ed]” in the Constitution. 410 U.S. at 152-53. Thus, the Court drew from multiple amendments (the First, Fourth, Fifth, Ninth, and Fourteenth), as well as the “penumbras” of the Bill of Rights, as potential sources. *Id.* at 152. The Court appeared to narrow it down to two possibilities—the Ninth Amendment (as the district court concluded) and the Fourteenth Amendment (as the Court “fe[lt]” it was)—but held it was a protected right regardless of where in the Constitution it was located. *Id.* at 153.

Simply reading the relevant amendments reveals that none of them explicitly includes anything resembling the right to abortion. And the “penumbras,” of course, contain nothing explicit at all. Nevertheless, the *Roe* Court concluded, based on little more than its own *ipse dixit*, that the right to privacy encompassed a constitutional right to abortion. *Id.*

b. Reconsidering the constitutional source for the right to abortion nearly twenty years later, the Court in *Casey* determined it was a liberty interest protected by the Due Process Clause of the Fourteenth Amendment. 505 U.S. at 846. The Court explained that the liberties protected by the substantive component of the Due Process Clause are not limited to those identified in the Bill of Rights or even those that were protected at the time the Fourteenth Amendment was ratified. *Id.* at 847. Instead, to the Court in *Casey*, whether an act is a constitutionally protected liberty interest is subject only to this Court’s “reasoned judgment.” *Id.* at 849; *see also id.* at 850 (stating that there is “[n]o formula” other than

“judgment and restraint” (quoting *Poe v. Ullman*, 367 U.S. 497, 542 (1961) (Harlan, J., dissenting)).

Attempting to ground its “reasoned judgment” in prior precedent, the Court analogized abortion to marriage, contraception, school choice, and freedom from forced medical procedures. *Id.* at 849 (citing, *inter alia*, *Carey v. Population Servs. Int’l*, 431 U.S. 678 (1977); *Loving v. Virginia*, 388 U.S. 1 (1967); *Pierce v. Soc’y of Sisters*, 268 U.S. 510 (1925); *Rochin v. California*, 342 U.S. 165 (1952)). But none of those rights involved ending the life of an unborn child. *See Gonzales*, 550 U.S. at 147 (noting that “by common understanding and scientific terminology, a fetus is a living organism while within the womb, whether or not it is viable outside the womb”). And as the Court later recognized, “[a]bortion is inherently different from other medical procedures, because no other procedure involves the purposeful termination of a potential life.” *Harris v. McRae*, 448 U.S. 297, 325 (1980).

The Court supplemented its review of precedent with vague statements about the “heart of liberty,” “defin[ing] one’s own concept of existence,” “the mystery of human life,” and a woman’s “conception of her spiritual imperatives and her place in society.” *Id.* at 852-53. None of these elevated sentiments are found in the text of the Constitution, and instead demonstrate that the right to abortion exists only because the Court decided it should.

c. Dissatisfied with the due-process analysis, other Justices began to look to the Equal Protection Clause. Justice Blackmun suggested that denying a woman the right to abort her unborn child “appears to rest upon a conception of women’s role that has triggered the protection of the Equal Protection Clause.” *Casey*, 505 U.S.

at 928 (Blackmun, J., concurring in part and dissenting in part). Another four Justices have argued that the right to abortion is not, in fact, about the right to privacy, but rather the right of a woman to “enjoy equal citizenship stature.” *Gonzales*, 550 U.S. at 172 (Ginsburg, J., dissenting) (citing Siegel, Reva, *Reasoning from the Body: A Historical Perspective on Abortion Regulation and Questions of Equal Protection*, 44 Stan. L. Rev. 261 (1992)).

Half a century on—and leaving no clause unexamined—the Court has been unable to locate the right to abortion in the Constitution. That is because it is not there.

2. There is no right to elective abortion in the Nation’s history and tradition.

As noted above, *Casey* determined that the right to abortion was part of substantive due process. 505 U.S. at 846. But the Court did not even attempt to apply the proper test for substantive-due-process rights: (1) the right must be “objectively[] deeply rooted in this Nation’s history and tradition” and “implicit in the concept of ordered liberty,” such that “neither liberty nor justice would exist if [it was] sacrificed”; and (2) there must be a “‘careful description’ of the asserted fundamental liberty interest.” *Washington v. Glucksberg*, 521 U.S. 702, 720–21 (1997). Elective abortion is not deeply rooted in the history and tradition of our Nation and is not part of substantive due process.

a. Beginning with the second element first, the “careful description” of the right at issue is a right to elective abortion. *Casey* identified no such right—relying instead on *other* rights (marriage, contraception, bodily integrity), 505 U.S. at 849, and high-minded, philosophical statements about the human condition and

childbearing, *id.* at 852-53. At no point did the Court in *Casey* look for the specific right to elective abortion within America's history and tradition. Had it done so, it would have come up empty, as did the Court in *Roe*.

b. Addressing the right to abortion in the first instance, the majority in *Roe* reviewed the history of abortion. 410 U.S. at 130-47. But rather than establish a pre-existing right to abortion protected by the States, *Roe*'s historical discussion demonstrated that most States criminalized elective abortion.

As detailed in *Roe*, until the early to mid-1800's, many States followed English common law regarding abortion, which criminalized abortion after the quickening, when the unborn child's movements could be felt (at about 16-18 weeks' pregnancy). *Id.* at 132-36, 138. But in 1828, New York enacted legislation that became a "model" for other States. *Id.* at 138. Under that law, all abortion was criminalized unless necessary to preserve the life of the mother, although post-quickening abortion was penalized more severely. *Id.* In 1857, the American Medical Association's Committee on Criminal Abortion urged an end to abortion generally, explaining that support for abortion was based on a "wide-spread popular ignorance . . . that the foetus is not alive till after the period of quickening." *Id.* at 141.

The quickening distinction was abandoned by the late 1800's, and by the late 1950's, a "large majority of jurisdictions banned abortion, however and whenever performed, unless done to save or preserve the life of the mother." *Id.* at 139. The *Roe* Court spoke of a recent "trend toward liberalization" of abortion statutes by one-third of States based on the ALI Model Penal Code, but that model law still criminalized all abortions unless performed to preserve the physical and mental health of the

mother. *Id.* at 140; *see also Doe*, 410 U.S. at 205. The only significant movement towards elective abortion noted in *Roe* was in the three years prior, when the American Medical Association, the American Public Health Association, and the American Bar Association announced their support for elective abortion. *Id.* at 143-46.

Thus, the history of abortion since the Founding is not one of a “deeply rooted” right, “implicit in the concept of ordered liberty.” *See Washington*, 521 U.S. at 720. As then-Justice Rehnquist put it,

The fact that a majority of the States reflecting, after all the majority sentiment in those States, have had restrictions on abortions for at least a century is a strong indication . . . that the asserted right to an abortion is not “so rooted in the traditions and conscience of our people as to be ranked as fundamental.”

Roe, 410 U.S. at 147 (Rehnquist, J., dissenting). Elective abortion is not deeply rooted in this Nation’s history and tradition and is not protected by substantive due process.

* * *

The case against abortion as a constitutional right is not difficult to make. It is simply not present in the Constitution or protected throughout the Nation’s history. Those that seek to justify the continued preservation of the right have the greater hurdle—and one that must ultimately prove insurmountable.

Stare decisis cannot save clearly erroneous constitutional decisions as these, which have proven wholly unworkable. *See Janus v. Am. Fed’n of State, Cnty. & Mun. Emps., Council 31*, 138 S. Ct. 2448, 2478 (2018). The Constitution is the “supreme Law of the Land,” U.S. Const. art. VI, cl. 2, not the judge-made rule of *stare decisis*. If

Roe and *Casey* are wrong (and they are), the Court is obligated to overturn them, especially where, as here, “fidelity” to those precedents “does more to damage” the rule-of-law ideals than to advance them. *Citizens United v. F.E.C.*, 558 U.S. 310, 378 (Roberts, C.J., concurring). This Court must adhere to the Constitution, not to itself.

B. The Court continues to change the constitutional test.

Because the right to abortion arises from only this Court’s say-so, States and courts are left with only this Court’s opinions for guidance. Yet the Court keeps changing the constitutional test for abortion regulations to say whatever a majority (or plurality) of the Court decides at that time. *Stare decisis* is supposed to “keep the scale of justice even and steady, and not liable to waver with every new judge’s opinion.” 1 W. Blackstone, *Commentaries on the Laws of England* 69 (1765). It should have no application when the Court repeatedly wavers by creating various new constitutional tests to govern a nonexistent constitutional right.

1. *Roe* created the trimester test.

After deciding to recognize a right to abortion, the majority in *Roe* also created a rigid trimester test to determine whether abortion regulations were constitutional. During the first trimester, all abortion regulations were, essentially, off-limits to the States. 410 U.S. at 163. During the second trimester, the States’ compelling interest in maternal health permitted them to regulate abortion for the “preservation and protection of maternal health.” *Id.* And in the third trimester, the States’ compelling interest in unborn life permitted them to prohibit abortion other than when necessary to preserve the life or health of the mother. *Id.* at 163-64.

The trimester system did not have its source in any existing law but resembled “judicial legislation.” *Id.* at 174 (Rehnquist, J., dissenting). As the Court explained, it merely balanced a variety of non-legal factors: “This holding, we feel, is consistent with the relative weights of the respective interests involved, with the lessons and examples of medical and legal history, with the lenity of the common law, and with the demands of the profound problems of the present day.” *Id.* at 165 (majority op.). The Court drew the first trimester line based on its understanding of the current safety of abortion and the second trimester line based on its belief that it was “logical” and “biological” to prohibit abortion once the unborn child could live outside the womb. *Id.* at 163-64.

Then-Justice Rehnquist dissented, predicting that “the Court’s opinion will accomplish the seemingly impossible feat of leaving this area of the law more confused than it found it.” *Id.* at 173 (Rehnquist, J., dissenting). He was proven correct.

2. *Casey* rejected the trimester test in favor of the undue-burden test.

Less than twenty years later, the Court abandoned the trimester test. *Casey*, 505 U.S. at 873. Now-Chief Justice Rehnquist summarized the “confused state of th[e] Court’s abortion jurisprudence” leading up to *Casey*, noting shifting and inconsistent rulings with respect to parental notice and consent, the rights of the father, informed-consent laws, facility regulations, and protecting the lives of viable unborn children. *Casey*, 505 U.S. at 946-50 (Rehnquist, C.J., concurring in the judgment in part and dissenting in part). And to top it off, the Court’s most recent abortion decisions had not resulted in majority opinions, leaving lower courts struggling to apply *Marks v. United States*, 430 U.S. 188, 193 (1977), to

figure out what the constitutional test was. *Casey*, 505 U.S. at 950-51 (Rehnquist, C.J., concurring in the judgment in part and dissenting in part) (describing *Webster v. Reprod. Health Servs.*, 492 U.S. 490 (1989) and *Hodgson v. Minnesota*, 497 U.S. 417 (1990)).

Casey's new constitutional test—one *Casey* unself-consciously described as “unique to the law”—did not result in a majority opinion, either, with only three Justices joining that portion of the opinion. *Id.* at 869-79 (plurality op.). The flaw in *Roe*, as the plurality explained, was that it contained a contradiction from the very beginning: it recognized the State's important and legitimate interest in unborn life but created a trimester system that forbid States from giving any effect to that interest prior to viability. *Id.* at 875-76 (citing *Roe*, 410 U.S. at 162).

The plurality, therefore, rejected the trimester framework and adopted a new undue-burden test for all previability abortion regulations. *Id.* at 878-79. An abortion regulation creates an unconstitutional undue burden “if its purpose or effect is to place a substantial obstacle in the path of a woman seeking an abortion before the fetus attains viability.” *Id.* at 878. As with the trimester test, this new constitutional test does not come from the Constitution or history. Instead, it was drawn from various concurring and dissenting opinions of members of the Court. *Id.* at 874.

Four Justices, dissenting in part, criticized the new undue-burden standard, finding it “inherently manipulable” and likely to prove “hopelessly unworkable in practice.” *Id.* at 985-86 (Scalia, J., concurring in the judgment in part and dissenting in part). They believed it would “conceal raw judicial policy choices concerning what is ‘appropriate’ abortion legislation.” *Id.* at 987.

The twin *Carhart* cases show the prescience of that prediction. Applying *Casey*'s undue-burden standard, the Court found unconstitutional the partial-birth abortion law in *Stenberg v. Carhart*, in part because it lacked a maternal-health exception. 530 U.S. 914, 937-38 (2000). But just seven years later, it found the partial-birth abortion law in *Gonzales* constitutional, even though it also lacked a maternal-health exception. 550 U.S. at 166-67. Thus, consistency in the Court's decisions was still lacking. *Casey*'s new test, "unique to abortion law," 505 U.S. at 852, thus utterly failed to "promote[] the evenhanded, predictable, and consistent development of legal principles." *Payne*, 501 U.S. at 827.

3. *Whole Woman's Health* may have introduced a benefits/burdens balancing test.

In 2015, the Fifth Circuit considered the constitutionality of two Texas laws regarding health-and-safety standards for abortion providers and facilities. *Whole Woman's Health v. Cole*, 790 F.3d 563 (5th Cir. 2015) (per curiam). Relying on *Casey* and subsequent precedent, the Fifth Circuit held that "a law regulating pre-viability abortion is constitutional if: (1) it does not have the purpose or effect of placing a substantial obstacle in the path of a woman seeking an abortion of a nonviable fetus; and (2) it is reasonably related to (or designed to further) a legitimate state interest." *Id.* at 572; *see also Casey*, 505 U.S. at 877 (plurality op.) (stating that a law is unconstitutional if "while furthering the interest in potential life or some other valid state interest, [it] has the effect of placing a substantial obstacle in the path of a woman's choice").

Even though the Fifth Circuit drew its test nearly word-for-word from *Casey*, this Court held that the Fifth

Circuit used an incorrect legal standard. *Whole Woman's Health*, 136 S. Ct. at 2309. According to the majority, “[t]he rule announced in *Casey* . . . requires that courts consider the burdens a law imposes on abortion access together with the benefits those laws confer.” *Id.* The Court cited the spousal-notice and parental-consent portions of *Casey* to make this point, *id.*, but neither analysis mentions any “benefit” or “balance,” *Casey*, 505 U.S. at 887-98; *id.* at 899-901 (plurality op.). Moreover, the Court’s post-*Casey* opinions did not weigh the benefits of a challenged regulation against its burdens. *See generally Gonzales*, 550 U.S. 14; *Stenberg*, 530 U.S. 914; *Mazurek v. Armstrong*, 520 U.S. 968 (1997) (per curiam).

Thus, while purporting to hold to *Casey*, the Court introduced a wholly new standard—considering the burdens “together with the benefits”—that many took to create a new constitutional test that required courts to balance a law’s benefits against its burdens. As Justice Thomas noted, “the majority applies the undue-burden standard in a way that will surely mystify lower courts for years to come.” *Whole Woman's Health*, 136 S. Ct. at 2326 (Thomas, J., dissenting).

The *Whole Woman's Health* ruling set off a new wave of abortion litigation in which abortion providers challenged numerous long-standing abortion laws under the theory that States now had to prove that the benefits of the law outweighed the burdens. *See, e.g., In re Gee*, 941 F.3d 153, 156 (5th Cir. 2019) (per curiam) (seeking a “federal injunction against virtually all of Louisiana’s legal framework for regulating abortion”); *Whole Woman's Health All. v. Hill*, 493 F. Supp. 3d 694, 704 (S.D. Ind. 2020) (challenging “no fewer than twenty-five sections and subsections of the Indiana abortion code and their accompanying regulations”).

4. *June Medical* may have returned to the undue-burden test.

Two years after the *Whole Woman's Health* decision, the Fifth Circuit attempted to reconcile *Casey* and *Whole Woman's Health* in a challenge to Louisiana's admitting-privileges law. *June Med. Servs. LLC v. Gee*, 905 F.3d 787, 803 (5th Cir. 2018). The court concluded that, under *Whole Woman's Health*, it must weigh the benefits and burdens to determine whether the law imposed a substantial obstacle. *Id.* Doing so, the court upheld the Louisiana law. *Id.* at 815.

This Court granted certiorari and reversed but failed to produce a majority opinion. *June Med.*, 140 S. Ct. 2103. The four-Justice plurality did not address whether the Fifth Circuit properly interpreted *Whole Woman's Health*. Instead, it merely repeated the benefits language from *Whole Woman's Health*, as well as the substantial-obstacle language from *Casey*. *Id.* at 2120 (plurality op.).

Chief Justice Roberts, concurring in the judgment as the fifth vote for reversal, concluded that *Casey*'s undue-burden test (that looks for a substantial obstacle) still applied: "Laws that do not pose a substantial obstacle to abortion access are permissible, so long as they are 'reasonably related' to a legitimate state interest." *Id.* at 2135 (Roberts, C.J., concurring in the judgment). As for the extraneous benefits language in *Whole Woman's Health*, the Chief Justice explained that (1) it is not plausible to apply a balancing test, (2) *Casey* did not require one, and (3) the Court should respect the statement in *Whole Woman's Health* that it was merely applying *Casey*. *Id.* at 2136-39.

Unsurprisingly, the multiple opinions in *June Medical* have led to a circuit split over the proper application

of the *Marks* analysis. The Sixth and Eighth Circuits have held that the undue-burden/substantial-obstacle standard applies. *EMW Women's Surgical Ctr.*, 978 F.3d at 431; *Hopkins v. Jegley*, 968 F.3d 912, 915 (8th Cir. 2020) (per curiam). And the Seventh and Eleventh Circuits have held that the balancing-test controls. *Reprod. Health Servs.*, 2021 WL 2678574, at *12 n.6; *Planned Parenthood of Ind. & Ky., Inc. v. Box*, 991 F.3d 740 (7th Cir. 2021). Thus, nearly fifty years after *Roe* was decided, the constitutional test remains unknown.

C. The Court's abortion precedent is unreliable and unworkable.

In addition to the flaws in *Roe* and *Casey*'s constitutional holdings, the unsettled nature of the Court's abortion precedent makes *Roe* and *Casey* ripe for overruling. States and courts cannot rely on the Court's decisions from one precedent to the next, making the entire system unworkable and resolvable only by the Court. See *Janus*, 138 S. Ct. at 2478-79 (listing factors, such as reliance and workability, that support overruling precedent).

After *Whole Woman's Health*, States had to defend new challenges to longstanding statutes under a novel benefits/burdens balancing test. But after *June Medical*, States are left to guess at even the correct constitutional test. As a result, some cases have lingered in the appellate courts for years, as those courts awaited guidance from this Court. See, e.g., *Whole Woman's Health v. Young*, No. 18-50730 (5th Cir., pending since September 2018); *Whole Woman's Health v. Paxton*, No. 17-51060 (5th Cir., pending since November 2017); *Hopkins v. Jegley*, No. 17-2879 (8th Cir., three years from appeal to judgment); see also *Planned Parenthood of Ind. & Ky., Inc.*, 991 F.3d 740 (decision following grant, vacatur, and

remand in light of *June Medical*), *cert. filed* (U.S. Apr. 1, 2021) (No. 20-1375).

In addition to the benefits/burdens and undue-burden tests, respondents here have introduced yet another test: a law that prohibits any previability abortion is necessarily unconstitutional. But this Court has held that “a pregnant woman does not have an absolute constitutional right to an abortion on her demand.” *Doe*, 410 U.S. at 189. Accepting respondents’ position and holding that a State’s law is unconstitutional if it prevents *any* previability abortion, no matter the circumstances, would make the right to abortion effectively absolute, introducing even more confusion into this already muddled area.

The Court’s abortion precedent is erroneous, unreliable, and unworkable. It has caused some judges to throw up their hands, knowing that any decision they make is simply a guess at what this Court will think is “undue”:

How much burden is “undue” is a matter of judgment, which depends on what the burden would be (something the injunction prevents us from knowing) and whether that burden is excessive (a matter of weighing costs against benefits, which one judge is apt to do differently from another, and which judges as a group are apt to do differently from state legislators). Only the Justices, the proprietors of the undue-burden standard, can apply it.

Planned Parenthood of Ind. & Ky., Inc. v. Box, 949 F.3d 997, 999 (7th Cir. 2019) (Easterbrook, J., concurring in denial of rehearing en banc); *see also Stenberg*, 530 U.S. at 955 (Scalia, J., dissenting) (commenting that the undue-burden test results in “a democratic vote by nine lawyers” on a “pure policy question”).

The inability of the Court to settle on a constitutional test that can be objectively and predictably applied has caused chaos in the lower courts and confusion in States that seek to enact laws that comply with precedent and defend those laws in court. *Stare decisis* is no bar to overruling erroneous constitutional decisions that the Court keeps changing.

II. The Court Frequently Alters Other Doctrines in Abortion Cases.

In addition to facing uncertainty about what constitutional test the Court will use, States litigating abortion cases also have no assurance that the Court will evenly apply traditional legal rules. Indeed, “no legal rule or doctrine is safe from ad hoc nullification by this Court when an occasion for its application arises in a case involving state regulation of abortion.” *Thornburgh v. Am. Coll. of Obstetricians & Gynecologists*, 476 U.S. 747, 814 (1986) (O’Connor, J., dissenting)).

These disorienting developments in the case law have sown confusion and undermined confidence that the Court will follow its own precedents in the abortion context. *Stare decisis* has not kept the Court from uprooting settled doctrines as needed to strike down democratically enacted abortion laws. And *stare decisis* should not prevent the Court from reexamining the roots of its inconsistent and unpredictable abortion jurisprudence. See *Janus*, 138 S. Ct. at 2478-79 (listing consistency with other decisions and subsequent legal developments as factors in the *stare decisis* analysis).

A. The Court has created multiple abortion-specific rules and exceptions.

“[T]he abortion right recognized in this Court’s decisions” has been “used like a bulldozer to flatten legal

rules that stand in the way.” *June Med.*, 140 S. Ct. at 2153 (Alito, J., dissenting). Whether it be the standard for facial challenges, severability, res judicata, standing, or even the First Amendment, the Court’s abortion precedents have created and applied abortion-specific rules and exceptions.

1. The large-fraction test lowers the burden of proving facial unconstitutionality in abortion cases.

In most contexts, facial constitutional challenges are “the most difficult . . . to mount successfully.” *City of Los Angeles v. Patel*, 576 U.S. 409, 415 (2015) (quoting *United States v. Salerno*, 481 U.S. 739, 745 (1987)). That is because, as the Court explained in *Salerno*, the challenger bears the “heavy burden” of establishing “that no set of circumstances exists under which the Act would be valid.” 481 U.S. at 745. In abortion cases, however, the Court has rendered that burden almost nonexistent.

In *Casey*, the Court accepted that Pennsylvania’s spousal-notification law would impact only 1% of women seeking abortions. 505 U.S. at 894. But instead of rejecting the facial challenge under *Salerno*’s no-set-of-circumstances test, the Court announced that the “proper focus of constitutional inquiry is the group for whom the law is a restriction, not the group for whom the law is irrelevant.” *Id.* Thus, the Court first eliminated from consideration all women to whom the law would operate constitutionally and then announced that the law was unconstitutional because “in a large fraction of the cases in which [the spousal-notification requirement] is relevant, it will operate as a substantial obstacle to a woman’s choice to undergo an abortion.” *Id.* at 895.

This deviance from the established rule for facial challenges did not go unnoticed. Four Justices would

have held that the facial challenge failed because “it is not enough for petitioners to show that, in some ‘worst case’ circumstances,” the law would operate unconstitutionally. *Id.* at 972-73 (Rehnquist, C.J., concurring in the judgment in part and dissenting in part). Unsurprisingly, the tension between *Casey* and *Salerno* resulted in confusion in the lower courts. See Skye Gabel, Casey “Versus” Salerno: *Determining an Appropriate Standard for Evaluating the Facial Constitutionality of Abortion Statutes*, 19 Cardozo L. Rev. 1825, 1827 (1998).

The Court’s subsequent use of *Casey*’s large-fraction test has not clarified matters. In *Whole Woman’s Health*, the majority used as its denominator the number of women for whom the law was an “actual rather than an irrelevant restriction.” 136 S. Ct. at 2320. But as Justice Alito pointed out in his dissent, defining the denominator as the number of women whom the law restricts will always result in a large fraction of “1.” *Id.* at 2343 n.11 (Alito, J., dissenting). Justice Gorsuch put it more simply: *Casey*’s large-fraction test “winds up asking only whether the law burdens a very large fraction of the people that it burdens” and is “unlike anything we apply to facial challenges anywhere else.” *June Med.*, 140 S. Ct. at 2176 (Gorsuch, J., dissenting).

2. The Court has disregarded the doctrines of severability and res judicata in abortion cases.

The Court doubled down on its abortion-specific standards in *Whole Woman’s Health*, setting aside the otherwise-applicable doctrines of severability and res judicata in order to declare both of Texas’s laws facially unconstitutional—a remedy the plaintiffs had not even requested.

First, the Court rejected Texas’s severability argument, which was based on “what must surely be the most emphatic severability clause ever written.” *Whole Woman’s Health*, 136 S. Ct. at 2331 (Alito, J., dissenting). The Court had previously held that it “prefer[red] . . . to enjoin only the unconstitutional applications of a statute while leaving other applications in force or to sever its problematic portions while leaving the remainder intact.” *Ayotte v. Planned Parenthood of N. New England*, 546 U.S. 320, 328-29 (2006) (citations omitted). Yet, when confronted with a challenge to Texas’s requirement that abortion facilities comply with ambulatory-surgical-center regulations, the Court invalidated the entire regulatory system rather than severing the allegedly unconstitutional regulations from those for which the plaintiffs offered no proof at all. *Id.* at 2319-20; *see also id.* at 2352 (Alito, J., dissenting) (explaining that the Court invalidated such innocuous standards as treating patients with respect, having fire alarms, and eliminating slipping hazards). Not even other constitutional rights receive this *de facto* antiseverability doctrine. *E.g.*, *Barr v. Am. Ass’n of Pol. Consultants, Inc.*, 140 S. Ct. 2335, 2349-56 (2020) (plurality op.). Abortion plaintiffs alone receive its benefit, providing them with relief beyond what other litigants would be entitled to receive.

A second doctrine that *Whole Woman’s Health* sidelined was *res judicata*. Several of the plaintiffs had previously brought a facial challenge to Texas’s admitting-privileges law and lost. *Planned Parenthood of Greater Tex. Surgical Health Servs. v. Abbott*, 748 F.3d 583, 605 (5th Cir. 2014). Under the ordinary rules of *res judicata*, facial invalidation would have been barred by claim preclusion: It is a “fundamental precept of common-law adjudication” that, “once an issue is actually and

necessarily determined by a court of competent jurisdiction, that determination is conclusive in subsequent suits based on a different cause of action involving a party to the prior litigation.” *Montana v. United States*, 440 U.S. 147, 153 (1979). Moreover, it is “a cardinal rule of res judicata” that “[c]laim preclusion does not contain a ‘better evidence’ exception.” *Whole Woman’s Health*, 136 S. Ct. at 2335 (Alito, J., dissenting); see Restatement (Second) of Judgments § 25, Comment b; 18 C. Wright, A. Miller, & E. Cooper, *Federal Practice and Procedure* § 4403, p. 33 (2d ed. 2002).

Nevertheless, in a second challenge to Texas’s admission-privileges law (and one that sought only as-applied relief), the *Whole Woman’s Health* Court upheld the grant of facial relief, trampling res judicata in the process. Once again demonstrating that the ordinary rules do not apply in the abortion context, the Court “create[d] an entirely new exception to the rule that a losing plaintiff cannot relitigate a claim just because it now has new and better evidence.” *Whole Woman’s Health*, 136 S. Ct. at 2337 (Alito, J., dissenting). Based solely on subsequent “concrete factual developments,” the Court held that the plaintiffs’ earlier defeat did not prevent the Court from sustaining a facial challenge—this, even though the plaintiffs had not requested facial relief. *Id.* at 2306-07 (majority op.).

Thus, in its zeal to strike down Texas’s laws, the Court in *Whole Woman’s Health* disregarded the traditional standard for facial challenges, severability, res judicata, and the scope of relief. See *id.* at 2321 (Thomas, J., dissenting) (stating that the majority’s decision “creates an abortion exception to ordinary rules of res judicata . . . and disregards basic principles of the severability doctrine”); see also *June Med.*, 140 S. Ct. at 2153

(Alito, J., dissenting) (“In *Whole Woman’s Health*, res judicata and our standard approach to severability were laid low.”).

By setting aside severability and using the large-fraction test, the Court permits federal courts to hold entire bodies of regulations unconstitutional based on their impact on a handful of women. And if at first the plaintiffs don’t succeed, they can try again without the bar of res judicata. No other class of plaintiffs is given such preferential treatment.

3. The Court has allowed abortion providers to exercise third-party standing despite conflicts of interest.

As recently litigated in *June Medical*, the Court has also permitted abortion providers to bring suit on behalf of their patients in circumstances that would typically preclude third-party standing. Ordinarily, a plaintiff “must assert his own legal rights and interests, and cannot rest his claim to relief on the legal rights or interests of third parties.” *Conn v. Gabbert*, 526 U.S. 286, 293 (1999) (quoting *Warth v. Seldin*, 422 U.S. 490, 499 (1975)). A limited exception applies when “the party asserting the right has a ‘close’ relationship with the person who possesses the right” and “there is a hindrance to the possessor’s ability to protect his own interests.” *Kowalski v. Tesmer*, 543 U.S. 125, 130 (2004). Concerns about third-party standing are at their apex when there may be a conflict of interest between the plaintiff and the third party. See *Elk Grove Unified Sch. Dist. v. Newdow*, 542 U.S. 1, 15 (2004).

The evidence in *June Medical* revealed no “close” relationship between abortion providers and patients, showing that a patient seldom met with the provider more than once or twice and often did not know who the

provider was. 140 S. Ct. at 2168 (Alito, J., dissenting). And abortion patients do not face a hindrance to bringing suit, as they may use pseudonyms to protect their privacy and the capable-of-repetition-yet-evading-review rule to avoid mootness. *Id.* at 2168-69. Yet, as in many cases before it, a majority of the Court in *June Medical* permitted abortion providers to challenge (on behalf of their patients) Louisiana’s admitting-privileges law. 140 S. Ct. at 2117-20 (plurality op.); *id.* at 2139 n.4 (Roberts, C.J., concurring in the judgment). “This lackadaisical treatment of third-party standing in the abortion context is markedly different from the Court’s strict adherence to the doctrine where other constitutional rights are at stake.” Kaytlin L. Roholt, *Give Me Your Tired, Your Poor, Your Pregnant: The Jurisprudence of Abortion Exceptionalism in Garza v. Hargan*, 5 Tex. A&M L. Rev. 505, 530 (2018) (providing examples).

Worse, the Court has allowed abortion providers to exercise third-party standing even when challenging laws designed to protect their patients. *June Med.*, 140 S. Ct. at 2119-20 (plurality op.). “[T]he idea that a regulated party can invoke the right of a third party for the purpose of attacking legislation enacted to protect the third party is stunning.” *Id.* at 2153 (Alito, J., dissenting); *see also id.* at 2174 (Gorsuch, J., dissenting) (“Louisiana’s law expressly aims to protect women from the unsafe conditions maintained by at least some abortion providers who, like the plaintiffs, are either unwilling or unable to obtain admitting privileges.”). It is “an abortion-only rule.” *Id.* at 2170 (Alito, J., dissenting).

4. The Court’s abortion exceptionalism has muddled its First Amendment jurisprudence.

Those who choose to exercise their First Amendment rights to speak out against abortion have also fallen victim to the Court’s “ad hoc nullification machine” that “push[es] aside whatever doctrines of constitutional law stand in the way of that highly favored practice.” *Hill v. Colorado*, 530 U.S. 703, 741 (2000) (Scalia, J., dissenting). In *Hill*, individuals who engaged in sidewalk counseling outside abortion clinics challenged a Colorado law that made it a crime to approach within eight feet of an unwilling listener near the entrance of a healthcare facility “for the purpose of . . . engaging in oral protest, education, or counseling with such other person.” *Id.* at 707 (majority op.). Even though the law could not be enforced without reference to the content of the speaker’s speech (to determine his “purpose” for speaking), the Court found the law content neutral. *Id.* at 725. Applying only intermediate scrutiny, the Court held the law was constitutional because it was “reasonably and narrowly tailored.” *Id.* at 730.

The dissenters were unsparing in their criticism, concluding that the decision was “patently incompatible with the guarantees of the First Amendment.” *Id.* at 741 (Scalia, J., dissenting); *see also id.* at 742 (noting that “the jurisprudence of this Court has a way of changing when abortion is involved”); *cf. Virginia v. Black*, 538 U.S. 343, 399-400 (2003) (Thomas, J., dissenting) (contrasting First Amendment protection in the abortion and cross-burning contexts). Justice Kennedy agreed that the majority’s holding “contradict[ed] more than a half century of well-established First Amendment principles” and that, “[f]or the first time, the Court approve[d]

a law which bars a private citizen from passing a message, in a peaceful manner and on a profound moral issue, to a fellow citizen on a public sidewalk.” *Hill*, 530 U.S. at 765 (Kennedy, J., dissenting). Scholars also accused the majority’s decision of being “deeply colored by abortion politics” and opined that “[t]he decision reflects a disoriented attitude . . . about aggressive legislative assaults on free speech rights in the most public spaces.” Jamin B. Raskin & Clark L. LeBlanc, *Disfavored Speech About Favored Rights: Hill v. Colorado, the Vanishing Public Forum and the Need for an Objective Speech Discrimination Test*, 51 Am. U.L. Rev. 179, 182 (2001).

Hill was all but reversed in *Reed v. Town of Gilbert*, 576 U.S. 155 (2015). In that case—notably outside the abortion context—the town “adopted a comprehensive code governing the manner in which people may display outdoor signs.” *Id.* at 159. The Court rejected the argument that the sign code was content neutral, explaining that even if a law is content neutral on its face, it is content based if it “cannot be justified without reference to the content of the regulated speech.” *Id.* at 164. Because the sign code “single[d] out specific subject matter for differential treatment” by applying different rules to different signs based on their purpose (temporary directional, political, and ideological), it was content based and subject to strict scrutiny, even though it did not discriminate among viewpoints. *Id.* at 169, 171.

As Justice Thomas has subsequently noted, there is “glaring tension” between *Hill* and *Reed* with respect to whether a law is subject to strict scrutiny when it “targets a ‘specific subject matter . . . even if it does not discriminate among viewpoints within that subject matter.’” *Bruni v. City of Pittsburgh*, 141 S. Ct. 578, 578 (2021) (Thomas, J., respecting the denial of certiorari) (quoting

Reed, 576 U.S. at 179). And he is not the only one to notice this tension. The Seventh Circuit, in *Price v. City of Chicago*, considered Chicago’s “bubble zone” ordinance, which prohibited individuals from approaching within eight feet of a person in the vicinity of an abortion clinic if their purpose is to “engage in counseling, education, leafletting, handbilling, or protest.” 915 F.3d 1107, 1109 (7th Cir. 2019), *cert. denied sub nom. Price v. City of Chicago*, 141 S. Ct. 185 (2020). The Seventh Circuit flatly stated that “*Hill* is incompatible with current First Amendment doctrine” as explained in *Reed*. *Id.* at 1117. But the court also acknowledged that, “[w]hile the Supreme Court has deeply unsettled *Hill*, it has not overruled the decision.” *Id.* at 1119.

Thus, there continues to be an abortion exception to the First Amendment. And while this case cannot alleviate that conflict, it is simply further evidence of the way in which abortion has warped this Court’s jurisprudence.

5. The Court has declined to give discretion to legislatures crafting abortion laws amid medical uncertainty.

The ability of legislatures to legislate on matters of medical or scientific uncertainty also waxes and wanes depending on whether the legislation concerns abortion. The Court has previously explained that “[w]hen Congress undertakes to act in areas fraught with medical and scientific uncertainties, legislative options must be especially broad.” *Marshall v. United States*, 414 U.S. 417, 427 (1974); *see also Jones v. United States*, 463 U.S. 354, 364-65, n.13 (1983). The same is true for state legislatures, who are “afforded the widest latitude” in drafting statutes when “disagreement exists” in the fields of medicine and science. *Kansas v. Hendricks*, 521 U.S. 346, 360 (1997); *see also Collins v. State of Tex.*, 223 U.S.

288, 297-98 (1912) (noting that States may “adopt a policy even upon medical matters concerning which there is difference of opinion and dispute”). Indeed, members of the Court relied on that latitude when upholding various government regulations aimed at combatting COVID-19. *See, e.g., Andino v. Middleton*, 141 S. Ct. 9, 10 (2020); (Kavanaugh, J., concurring) (stating that such decisions “should not be subject to second-guessing by an ‘unelected federal judiciary’”); *S. Bay United Pentecostal Church v. Newsom*, 140 S. Ct. 1613, 1613-14 (2020) (Roberts, C.J., concurring) (same).

For a while, it appeared the Court would give Congress and state legislatures that broad latitude when it came to enacting laws regulating abortion. Regarding Pennsylvania’s law that a physician must provide information to a patient in *Casey*, the Court noted that States have “broad latitude to decide that particular functions may be performed only by licensed professionals, even if an objective assessment might suggest that those same tasks could be performed by others.” 505 U.S. at 885. When it considered the “documented medical disagreement” about the health risks of the Partial-Birth Abortion Ban Act in *Gonzales*, this Court observed that it “has given state and federal legislatures wide discretion to pass legislation in areas where there is medical and scientific uncertainty.” *Id.* at 162-63. Going further, the Court concluded that “[t]he medical uncertainty over whether the Act’s prohibition creates significant health risks provides a sufficient basis to conclude in this facial attack that the Act does not impose an undue burden.” *Id.* at 164.

But the Court has since departed from that position. In *Whole Woman’s Health*, the Court flatly rejected “[t]he statement that legislatures, and not courts, must

resolve questions of medical uncertainty.” 136 S. Ct. at 2310. Instead, the Court explained that, “when determining the constitutionality of laws regulating abortion procedures, [the Court] has placed considerable weight upon evidence and argument presented in judicial proceedings.” *Id.* In doing so, the Court discarded a “core element of the *Casey* framework” and inverted the traditional rule applied in *Gonzales*. *See id.* at 2325 (Thomas, J., dissenting).

The Court again declined to allow a state legislature to decide an issue of medical uncertainty in *June Medical*. There, the plurality relied on the district court’s finding that Louisiana’s admitting-privileges law offered “no significant health-related benefits.” 140 S. Ct. at 2132 (plurality op.). Yet Justice Alito identified “ample evidence in the record showing that admitting privileges help to protect the health of women by ensuring that physicians who perform abortions meet a higher standard of competence than is shown by the mere possession of a license to practice.” *Id.* at 2155 (Alito, J., dissenting). Justice Gorsuch agreed, pointing out that the plurality ignored Louisiana’s legislative findings and yielded the State no more discretion than if the law had “fallen from the sky.” *Id.* at 2172 (Gorsuch, J., dissenting). This is yet another example of abortion exceptionalism that casts doubt on the Court’s “willingness to follow the traditional constraints of the judicial process when a case touching on abortion enters the courtroom.” *Id.* at 2171.

B. The Court’s abortion-specific jurisprudence should be corrected by overruling *Roe* and *Casey*.

Other abortion-specific rules abound. Justice Thomas recently noted that, in the context of criminal conduct, the Court treats minors as “children” who are less

culpable, but in the context of abortion, the Court treats minors as mature young women. *Jones v. Mississippi*, 141 S. Ct. 1307, 1326 n.2 (2021) (Thomas, J., concurring). The Court has ruled on the constitutionality of abortion regulations despite having only a preliminary-injunction record “in contravention of settled principles of constitutional adjudication and procedural fairness.” *Thornburgh*, 476 U.S. at (O’Connor, J., dissenting). And *Roe* itself departed from the Court’s “longstanding admonition that it should never formulate a rule of constitutional law broader than is required by the precise facts to which it is to be applied.” 410 U.S. at 172 (Rehnquist, J., dissenting) (internal quotation marks omitted).

The creation of numerous abortion-specific rules will only hurt the Court’s integrity in the long run. “Abortion doctrine has become known for inconsistency and incoherence. Those on both sides of the abortion conflict have bemoaned what they call abortion law exceptionalism—doctrinal twists or interpretations that seem applicable only in abortion cases.” Mary Ziegler, *The Jurisprudence of Uncertainty: Knowledge, Science, and Abortion*, 2018 Wis. L. Rev. 317, 357 (2018) (footnotes omitted). As a result, the Court’s case law “is now so riddled with special exceptions for special rights that [its] decisions deliver neither predictability nor the promise of a judiciary bound by the rule of law.” *Whole Woman’s Health*, 136 S. Ct. at 2321 (Thomas, J., dissenting).

These developments since *Roe* and *Casey* show that the Court’s abortion jurisprudence is both unworkable and corrosive, gradually wearing away the foundations of doctrines as varied as facial constitutional challenges, severability, res judicata, third-party standing, free speech, and legislative discretion. Accordingly, *stare decisis* should not prevent the Court from revisiting its

fundamental pronouncements concerning abortion. See *Montejo v. Louisiana*, 556 U.S. 778, 792 (2009) (“[T]he fact that a decision has proved ‘unworkable’ is a traditional ground for overruling it.”); *Agostini v. Felton*, 521 U.S. 203, 235-36 (1997) (“[S]tare decisis does not prevent [the Court] from overruling a previous decision where there has been a significant change in, or subsequent development of, [its] constitutional law.”).

III. It Is Time To Revisit and Overturn *Roe* and *Casey*.

The States may, consistent with this Court’s decisions, regulate the availability of abortion before viability to prevent pain *in utero*. But if they cannot, it is this Court’s decisions, and not the States’ laws, which must yield. After all, any precedent that can be interpreted to mean that it is entirely irrelevant whether an unborn child feels pain when it is pulled limb from limb during an abortion has no place in a civilized society.

The Court declined this opportunity in *Casey*, hoping that its decision would preserve the Court’s integrity and “call[] the contending sides of a national controversy to end their national division by accepting a common mandate rooted in the Constitution.” 505 U.S. at 866-67. It has done neither. Time has not lessened the belief that unborn life deserves protection. Rather, an increasing number of States are enacting laws that seek to protect unborn life earlier and earlier in gestation.² People of

good conscience will always disagree on this issue, *id.* at 850, and the Court’s attempt to settle it has failed. Moreover, the Court’s continuing vacillation over the constitutional test and the creation of new, abortion-specific rules have only made matters worse.

In *Casey*, the Court spoke of allowing a woman to shape her “destiny” and to “define [her] own concept of existence, of meaning, of the universe, and of the mystery of human life.” *Id.* at 851-52. In an age where affordable and effective contraception is widely accessible, however, many women and mothers disagree that abortion is necessary to their destinies. Further, these enlightened sentiments have produced a grim reality. This Court’s opinions have resulted in lower-court decisions holding that a woman has a constitutional right to (1) have a doctor rip her living unborn child into pieces so it bleeds to death, *see W. Ala. Women’s Ctr. v. Williamson*, 900 F.3d 1310, 1329 (11th Cir. 2018), *cert denied sub nom. Harris v. W. Ala. Women’s Ctr.*, 139 S. Ct. 1780, 1781 (2019) (per curiam) (denying certiorari on second question); and (3) as here, demand an abortion at any point prior to viability, even if it causes her unborn child excruciating pain, *Jackson Women’s Health Org. v. Ala. Women's Ctr., 139 S. Ct. at 2607 (Thomas, J., concurring in the denial of certiorari). The Court's abortion precedent is erroneous, inconsistent, uneven, unreliable, and uncivilized. Traditional *stare decisis* principles cannot save it. *Roe* and *Casey* should be overruled.

CONCLUSION

The judgment of the court of appeals should be reversed.

Respectfully submitted.

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our states, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing, H.R. . Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and erode the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." The Federalist No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And, he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created republic, but that "'there [would be] no liberty if the power of judging be not separated from the legislative and executive powers.'" *Id.* He feared that "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Is.*

The historical reason for divided government was that the colonists had been subjected to judicial abuses at the hand of the Crown, because King George III "made Judges dependent on his Will alone...." The Declaration of Independence ¶ 11. The judicial branch and the judicial power created by Article III was to stop the new Federal government from a repeat of those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove judges or diminish their salaries, the Framers sought to ensure that each

judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our republic until the present, there is a robust history of judicial independence. Our system of checks and balances is not easy, politics and the desire to accomplish strongly held objectives by the party then in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

From time to time, by reason of its jurisdiction and a proper exercise of it, the Court cannot help becoming the stormy petrel of politics. It is the head of the system of Federal Courts established avowedly to avoid the local prejudice which non-residents may encounter in State Courts, a function often likely to ruffle the sensibilities of the communities, the possibility of whose prejudice is thus recognized and avoided. More than this, the Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

With the exception of one failed attempt, the President and Congress have respected the independence of the judiciary and the Supreme Court has been the bulwark protecting American's liberty. When President Franklin Delano Roosevelt attempted to previously pack the court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If those historical views of our Framers or from our recent past do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices on the subject: Justices Ginsburg and Breyer. We wholeheartedly have disagreed with many of both Justice Ginsburg's and Breyer's opinions and their approach to the law. What we have never disagreed with is that both were independent judges discharging their role in our system. Their view, like the historical sources above, is that engaging in a court packing endeavor will undermine the court, its stability, and its legitimacy.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, it is many of those same members, including two of the addressees of this letter, that took actions that led us to where we are now. Whether it was the confirmation fight over Robert Bork, the confirmation fight over Justice Thomas, the confirmation fight over Justice Kavanaugh, or the changing of the filibuster rule for Supreme Court Justices each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans liberty. The Justices on the Supreme Court, despite the labels we put on them, have historically shown their independence despite the labels we have put on them. Based on the historical past, one or more of justices will likely surprise all of us on how they rule. We urge each of you to walk away from the brink, end this madness, and allow our system to work as designed.

Sincerely,

The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

With the exception of one failed attempt, Presidents and Congresses have respected the independence of the judiciary and the Supreme Court as the bulwark protecting American's liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost.

Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer. We wholeheartedly have disagreed with many of both Justice Ginsburg's and Breyer's opinions and their approach to the law. Their view, like the historical sources above, is that engaging in a court packing endeavor will undermine the court, its stability, and its legitimacy.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. They also changed the filibuster rule for Supreme Court Justices, even after having used it against judges who were unwilling to implement their political agenda through the judicial process. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices on the Supreme Court have repeatedly shown their independence despite the labels some have put on them and when you do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, your whims are the very thing the Court is there to protect the people against.

CITY COUNCIL REPORT

Meeting Date: November 23, 2020
General Plan Element: *Provide for the orderly administration of the affairs of the City*
General Plan Goal: *Fiscal Management*

ACTION

Request: **Adopt Resolution No. 12005** authorizing the City Manager, City Attorney, and/or their designees to enter into the "One Arizona Opioid Settlement Memorandum of Understanding" to authorize the City to participate in collective settlement negotiations with the State of Arizona and its participating cities, counties, and towns against manufacturers, distributors, marketers, and dispensaries of opioids, and to provide that any settlement funds obtained as a result of that collective negotiation will be distributed according to the terms set forth in the agreement.

Background

The City has potential claims against manufacturers, distributors, marketers, and/or dispensaries responsible for the excessive distribution of opioids to the public. Due to recent court developments, local governments are no longer permitted to participate in the multidistrict class-action lawsuit. Accordingly, the State of Arizona and its constituent counties, cities, and towns seek to join together to negotiate potential settlements with opioid defendants, through the One Arizona Opioid Settlement Memorandum of Understanding ("One Arizona MOU").

The One Arizona MOU provides that the Arizona government group may negotiate collectively with opioid defendants to maximize bargaining power in future settlement discussions. Given the status of the national litigation, receipt of any settlement funds would be several years away. In the event that the Arizona government group is able to reach a collective settlement with any opioid defendant, the One Arizona MOU establishes the distribution formula and acceptable uses for the collective settlement money. The distribution formula allows a county and its constituent cities and towns to mutually agree upon the use of their portion of the settlement. In the event that a unanimous agreement is not reached, each county, city, and town is guaranteed a minimum percentage share of the settlement fund. Scottsdale's portion of the settlement fund is set at 3.99% of all funds issued to Maricopa County governments, based on a formula involving the amount of opioids, number of opioid deaths, and rates of opioid abuse in the region. Recovered funds must generally be used for the abatement of opioid damages.

Action taken _____

The One Arizona MOU does not prevent cities from pursuing their own lawsuits or their own unrestricted individual settlements with potential opioid defendants. In the event the City wishes to pursue independent claims for relief, the One Arizona MOU provides for an opt-out procedure.

ONE ARIZONA OPIOID SETTLEMENT MEMORANDUM OF UNDERSTANDING

General Principles

- The people of the State of Arizona and Arizona communities have been harmed by the opioid epidemic, which was caused by entities within the Pharmaceutical Supply Chain.
- The State of Arizona, *ex rel.* Mark Brnovich, Attorney General (the “State”), and certain Participating Local Governments are separately engaged in litigation seeking to hold the Pharmaceutical Supply Chain Participants accountable for the damage they caused.
- The State and the Participating Local Governments share a common desire to abate and alleviate the impacts of the Pharmaceutical Supply Chain Participants’ misconduct throughout the State of Arizona.
- The State and the Participating Local Governments enter into this One Arizona Opioid Settlement Memorandum of Understanding (“MOU”) to jointly approach Settlement negotiations with the Pharmaceutical Supply Chain Participants.
- This MOU has been drafted collaboratively to maintain the Parties’ existing or potential legal claims (to the extent legally cognizable) while allowing the Parties to cooperate in exploring all possible means of resolution.
- Nothing in this MOU binds the Parties to a specific outcome. Any resolution under this MOU will require a subsequent acceptance by the State and the Participating Local Governments of a final opioid Settlement plan.
- Nothing in this MOU should alter or change the right of the State or any Participating Local Government to pursue its own claim. The intent of this MOU is to join the Parties to seek a Settlement or Settlements with one or more Pharmaceutical Supply Chain Participants.

A. Definitions

As used in this MOU:

1. “Approved Purpose(s)” shall mean those uses identified in the agreed Opioid Abatement Strategies attached as Exhibit A.
2. “Litigation” means existing or potential legal claims against Pharmaceutical Supply Chain Participants seeking to hold them accountable for the damage caused by their misfeasance, nonfeasance, and malfeasance relating to the unlawful manufacture, marketing, promotion, distribution, or dispensing of prescription opioids.

3. "Opioid Funds" shall mean monetary amounts obtained through a Settlement as defined in this MOU.
4. "Participating Local Government(s)" shall mean all counties, cities, and towns within the geographic boundaries of the State that have chosen to sign on to this MOU. The Participating Local Governments may be referred to separately in this MOU as "Participating Counties" and "Participating Cities and Towns" (or "Participating Cities or Towns," as appropriate).
5. "Parties" shall mean the State and the Participating Local Governments.
6. "Pharmaceutical Supply Chain" shall mean the process and channels through which licit opioids are manufactured, marketed, promoted, distributed, or dispensed.
7. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution, or dispensing of licit opioids.
8. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and the Participating Local Governments.
9. "Trustee" shall mean an independent trustee who shall be responsible for the ministerial task of releasing the Opioid Funds that are in trust as authorized herein and accounting for all payments into or out of the trust.

B. Intrastate Regions

1. The State of Arizona will be divided into regions, each of which will be referred to as a "Region" and will consist of: (1) a single Participating County and all of its Participating Cities and Towns; or (2) all of the Participating Cities and Towns within a non-Participating County. If there is only one Participating City or Town within a non-Participating County, that single Participating City or Town will still constitute a Region. Two or more Regions may at their discretion form a group ("Multicounty Region"). Regions that do not choose to form a Multicounty Region will be their own Region. Participating Cities and Towns within a non-Participating County may not form a Region with Participating Cities and Towns in another county.
2. The LG Share funds described in Section C(1) will be distributed to each Region according to the percentages set forth in Exhibit B. The Regional allocation model uses three equally weighted factors: (1) the amount of opioids shipped to the Region; (2) the number of opioid deaths that occurred in that Region; and (3) the number of people who suffer opioid use disorder in that Region. In the event any county does not participate in this MOU, that county's percentage share shall be reallocated proportionally amongst the Participating Counties by applying this same methodology to only the Participating Counties.
3. In single-county Regions, that county's health department will serve as the lead agency responsible for distributing the LG Share funds. That health department, acting as the

lead agency, shall consult with the cities and towns in the county regarding distribution of the LG Share funds.

4. For each Multicounty Region, an advisory council shall be formed from the Participating Local Governments in the Multicounty Region to distribute the collective LG Share funds. Each advisory council shall include at least three Participating Local Government representatives, not all of whom may reside in the same county. Each advisory council shall consult with the Participating Local Governments in the Multicounty Region regarding distribution of the collective LG Share funds.
5. For each Region consisting of the Participating Cities and Towns within a non-Participating County, an advisory council shall be formed from the Participating Cities and Towns in the Region to distribute the LG Share funds. Each advisory council shall include at least three representatives from the Participating Cities and Towns in the Region, or a representative from each Participating City and Town if the Region consists of fewer than three Participating Cities and Towns. In no event may more than one individual represent the same city or town. To the extent any Participating Cities or Towns in the Region are not represented on the advisory council, the advisory council shall consult with the non-represented Participating Cities and Towns regarding distribution of the collective LG Share funds.

C. Allocation of Settlement Proceeds

1. All Opioid Funds shall be divided with 44% to the State ("State Share") and 56% to the Participating Local Governments ("LG Share").¹
2. All Opioid Funds, regardless of allocation, shall be utilized in a manner consistent with the Approved Purposes definition, as ultimately memorialized in a Settlement that becomes an order of the court. Compliance with this requirement shall be verified through reporting, as set out in Section F.
3. The LG Share will be distributed to each Region as set forth in Section B(2). Participating Counties and their constituent Participating Cities and Towns may distribute the funds allocated to the Region amongst themselves in any manner they choose. If the county and its cities and towns cannot agree on how to allocate the funds, Exhibit C reflects a default allocation that will apply. The default allocation formula uses historical federal data showing how the specific county and the cities and towns within it have made opioids-related expenditures in the past. If the county or any cities or towns within a Region do not sign on to this MOU and subsequent Settlement, and if the Participating Local Governments in the Region cannot agree on how to allocate the funds amongst themselves, they shall reallocate the funds proportionally amongst themselves by applying this same methodology to only the Participating Local Governments in the Region.

¹ This MOU assumes that any opioid settlement for Native American Tribes and Third-Party Payors, including municipal insurance pools, will be dealt with separately.

4. If the LG Share for a given Participating Local Government is less than \$500, then that amount will instead be distributed to the county in which the Participating Local Government is located to allow practical application of the abatement remedy. If the county did not sign on to the Settlement as defined herein, the funds will be reallocated to the State Share.
5. The State Share shall be paid by check or wire transfer directly to the State through the Trustee, who shall hold the funds in trust in a Qualified Settlement Fund (QSF) for the benefit of the State to be promptly distributed as set forth in C(1) herein. The LG Share shall be paid by check or wire transfer directly to the Participating Local Governments through the Trustee, who shall hold the funds in trust in a QSF for the benefit of the Participating Local Governments to be promptly distributed as set forth in B(2), C(1), C(3), and C(4) herein.
6. The State Share shall be used only for (1) Approved Purposes within the State or (2) grants to organizations for Approved Purposes within the State.
7. The LG Share shall be used only for (1) Approved Purposes by Participating Local Governments within a Region or Multicounty Region or (2) grants to organizations for Approved Purposes within a Region or Multicounty Region.
8. The State will endeavor to prioritize up to 30% of the State Share for: opioid education and advertising related to awareness, addiction, or treatment; Department of Corrections and related prison and jail opioid uses, and opioid interdiction and abatement on Arizona's southern border, including grants to assist with the building, remodeling and/or operation of centers for treatment, drug testing, medication-assisted treatment services, probation, job training, and/or counseling services, among other programs.

D. Participation of Cities and Towns

1. By virtue of signing on to the MOU and Settlement, each Participating County will receive 60% of its available LG Share. The Participating County will receive up to an additional 40% of its available LG Share by securing the participation of its constituent cities and towns as signatories to this MOU and the Settlement. The sliding scale attached as Exhibit D will determine the share of funds available to the Participating County.
2. If a Participating County does not achieve 100% participation of its cities and towns within the period of time required in a Settlement document for subdivision participation, the remaining portions of the LG Share that were otherwise available to the Participating County will be reallocated to (i) the State Share and (ii) the LG Share for the Participating Counties which have achieved 100% participation of their cities and towns in accordance with the percentages described in Sections B(2), C(1), and C(3), and set forth in Exhibits B and C.

E. Payment of Counsel and Litigation Expenses

1. The Parties anticipate that any national Settlement will provide for the payment of all or a portion of the fees and litigation expenses of certain state and local governments.

2. If the court in *In Re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) or if a national Settlement establishes a common benefit fund or similar device to compensate attorneys for services rendered and expenses incurred that have benefited plaintiffs generally in the litigation (the “Common Benefit Fund”), and requires certain governmental plaintiffs to pay a share of their recoveries from defendants into the Common Benefit Fund as a “tax,” then the Participating Local Governments shall first seek to have the settling defendants pay the “tax.” If the settling defendants do not agree to pay the “tax,” then the “tax” shall be paid from the LG Share prior to allocation and distribution of funds to the Participating Local Governments.²
3. Any governmental entity that seeks attorneys’ fees and expenses from the Litigation shall seek those fees and expenses first from the national Settlement. In addition, the Parties agree that the Participating Local Governments will create a supplemental attorney’s fees and costs fund (the “Backstop Fund”).
4. The Backstop Fund is to be used to compensate counsel for Participating Local Governments that filed opioid lawsuits by September 1, 2020 (“Litigating Participating Local Governments”). Payments out of the Backstop Fund shall be determined by a committee consisting of one representative from each of the Litigating Participating Local Governments (the “Opioid Fee and Expense Committee”).
5. The Backstop Fund shall be funded as follows: From any national Settlement, the funds to be deposited in the Backstop Fund shall be 14.25% of the LG Share of each payment (annual or otherwise) to the State of Arizona for that Settlement. No portion of the State Share shall be used for the Backstop Fund or in any other way to fund any Participating Local Government’s attorney’s fees and costs.
6. The maximum percentage of any contingency fee agreement permitted for compensation shall be 25% of the portion of the LG Share attributable to the Litigating Participating Local Government that is a party to the contingency fee agreement, plus expenses attributable to that Litigating Participating Local Government. Under no circumstances may counsel collect more for its work on behalf of a Litigating Participating Local Government than it would under its contingency agreement with that Litigating Participating Local Government.
7. Any funds remaining in the Backstop Fund in excess of the amounts needed to cover private counsels’ representation agreements shall revert to the Participating Local Governments according to the percentages set forth in Exhibits B and C, to be used for Approved Purposes as set forth herein and in Exhibit A.

² This paragraph shall not apply to any Settlement with distributors McKesson, Amerisource Bergen, and Cardinal Health or manufacturer Johnson & Johnson.

F. Compliance Reporting and Accountability

1. The Trustee shall provide an up-to-date accounting of payments into or out of the trust and/or its subaccounts upon written request of the State or a Participating Local Government.
2. The State, Regions, and Participating Local Governments may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (1) is inconsistent with provision C(1) hereof with respect to the amount of the State Share or LG Share; (2) is inconsistent with an agreed-upon allocation, or the default allocations in Exhibits B and C, as contemplated by Section C(3); or (3) violates the limitations set forth in F(3) with respect to compensation of the Trustee. The objector shall have the right to bring that objection within two years of the date of its discovery to a superior court in Maricopa County, Arizona.
3. Out of the Opioid Funds, reasonable expenses up to 0.005% shall be paid to the Trustee.
4. The Parties shall maintain, for a period of at least five years, records of abatement expenditures and documents underlying those expenditures, so that it can be verified that funds are being or have been utilized in a manner consistent with the Approved Purposes definition.
5. At least annually, each Region or Multicounty Region shall provide to the State a report detailing for the preceding time period (1) the amount of the LG Share received by each Participating Local Government within the Region or Multicounty Region, (2) the allocation of any awards approved (listing the recipient, the amount awarded, the program to be funded, and disbursement terms), and (3) the amounts disbursed on approved allocations. In order to facilitate this reporting, each Participating Local Government within a Region or Multicounty Region shall provide information necessary to meet these reporting obligations to a delegate(s) selected by the Region or Multicounty Region to provide its annual report to the State.
6. At least annually, the State shall publish on its website a report detailing for the preceding time period (1) the amount of the State Share received, (2) the allocation of any awards approved (listing the recipient, the amount awarded, the program to be funded, and disbursement terms), and (3) the amounts disbursed on approved allocations. In addition, the State shall publish on its website the reports described in F(5) above.
7. If it appears to the State, a Region, or a Multicounty Region that the State or another Region or Multicounty Region is using or has used Settlement funds for non-Approved Purposes, the State, Region, or Multicounty Region may on written request seek and obtain the documentation underlying the report(s) described in F(5) or F(6), as applicable, including documentation described in F(4). The State, Region, or Multicounty Region receiving such request shall have 14 days to provide the requested information. The requesting party and the State, Region, or Multicounty Region receiving such request may extend the time period for compliance with the request only upon mutual agreement.

8. Following a request made pursuant to F(7) and when it appears that LG Share funds are being or have been spent on non-Approved Purposes, the State may seek and obtain in an action in a court of competent jurisdiction in Maricopa County, Arizona an injunction prohibiting the Region or Multicounty Region from spending LG Share funds on non-Approved Purposes and requiring the Region or Multicounty Region to return the monies that it spent on non-Approved Purposes after notice as is required by the rules of civil procedure. So long as the action is pending, distribution of LG Share funds to the Region or Multicounty Region temporarily will be suspended. Once the action is resolved, the suspended payments will resume, less any amounts that were ordered returned but have not been returned by the time the action is resolved.
9. Following a request made pursuant to F(7) and when it appears to at least eight Participating Counties that have signed on to this MOU and a subsequent Settlement that the State Share funds are being or have been spent on non-Approved Purposes, the Participating Counties may seek and obtain in an action in a superior court of Maricopa County, Arizona an injunction prohibiting the State from spending State Share funds on non-Approved Purposes and requiring the State to return the monies it spent on non-Approved Purposes after notice as is required by the rules of civil procedure. So long as the action is pending, distribution of State Share funds to the State temporarily will be suspended. Once the action is resolved, the suspended payments will resume, less any monies that were ordered returned but have not been returned by the time the action is resolved.
10. In an action brought pursuant to F(8) or F(9), attorney's fees and costs shall not be recoverable.

F. Settlement Negotiations

1. The State and the Participating Local Governments agree to inform each other in advance of any negotiations relating to an Arizona-only settlement with a Pharmaceutical Supply Chain Participant that includes both the State and the Participating Local Governments and shall provide each other the opportunity to participate in all such negotiations.
2. The State and the Participating Local Governments further agree to keep each other reasonably informed of all other global settlement negotiations with Pharmaceutical Supply Chain Participants. Neither this provision, nor any other, shall be construed to state or imply that either the State or the Participating Local Governments (collectively, the "Arizona Parties") are unauthorized to engage in settlement negotiations with Pharmaceutical Supply Chain Participants without prior consent or contemporaneous participation of the other, or that either party is entitled to participate as an active or direct participant in settlement negotiations with the other. Rather, while the State's and the Participating Local Government's efforts to achieve worthwhile settlements are to be collaborative, incremental stages need not be so.
3. The State or any Participating Local Government may withdraw from coordinated Settlement discussions detailed in this Section upon 10 business days' written notice to the other Arizona Parties and counsel for any affected Pharmaceutical Supply Chain

Participant. The withdrawal of any Arizona Party releases the remaining Arizona Parties from the restrictions and obligations in this Section.

4. The obligations in this Section shall not affect any Party's right to proceed with trial or, within 30 days of the date upon which a trial involving that Party's claims against a specific Pharmaceutical Supply Chain Participant is scheduled to begin, reach a case-specific resolution with that particular Pharmaceutical Supply Chain Participant.

G. Amendments

1. The Parties agree to make such amendments as necessary to implement the intent of this agreement.

TEXAS OPIOID ABATEMENT FUND COUNCIL AND SETTLEMENT ALLOCATION TERM SHEET

WHEREAS, the people of the State of Texas and its communities have been harmed through the National and Statewide epidemic caused by licit and illicit opioid use and distribution within the State of Texas; and now,

WHEREAS, the State of Texas, though its elected representatives and counsel, including the Honorable Ken Paxton, Attorney General of the State of Texas, and certain Political Subdivisions, through their elected representatives and counsel, are separately engaged in litigation seeking to hold those entities in the supply chain accountable for the damage caused; and now,

WHEREAS, the State of Texas, through its Attorney General and its Political Subdivisions, share a common desire to abate and alleviate the impacts of the epidemic throughout the State of Texas; and now,

THEREFORE, the State of Texas and its Political Subdivisions, subject to completing formal documents effectuating the Parties' agreements, enter into this State of Texas and Texas Political Subdivisions' Opioid Abatement Fund Council and Settlement Allocation Term Sheet (Texas Term Sheet) relating to the allocation and use of the proceeds of any Settlements as described.

A. Definitions

As used in this Texas Term Sheet:

1. “The State” shall mean the State of Texas acting through its Attorney General.
2. “Political Subdivision(s)” shall mean any Texas municipality and county.
3. “The Parties” shall mean the State of Texas, the Political Subdivisions, and the Plaintiffs’ Steering Committee and Liaison Counsel (PSC) in the Texas Opioid MDL, *In Re: Texas Opioid Litigation*, MDL No. 2018-63587, in the 152d District Court of Harris County, Texas.
4. “Litigating Political Subdivision” means a Political Subdivision that filed suit in the state courts of the State of Texas prior to the Execution Date of this Agreement, whether or not such case was transferred to Texas Opioid MDL, or removed to federal court.
5. “National Fund” shall mean any national fund established for the benefit of the Texas Political Subdivisions. In no event shall any National Fund be used to create federal jurisdiction, equitable or otherwise, over the Texas Political Subdivisions or those similarly situated state-court litigants who are included in the state coalition, nor shall the National Fund require participating in a class action or signing a participation agreement as part of the criteria for participating in the National Fund.
6. “Negotiating Committee” shall mean a three-member group comprising four representatives for each of (1) the State; (2) the PSC; and (3) Texas’

Political Subdivisions (collectively, “Members”). The State shall be represented by the Texas Attorney General or his designees. The PSC shall be represented by attorneys Mikal Watts, Jeffrey Simon, Dara Hegar, Dan Downey, or their designees. Texas’ Political Subdivisions shall be represented by Clay Jenkins (Dallas County Judge), Terrence O’Rourke (Special Assistant County Attorney, Harris County), Nelson Wolff (Bexar County Judge), and Nathaniel Moran (Smith County Judge) or their designees.

7. “Settlement” shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant that includes the State and Political Subdivisions.
8. “Opioid Funds” shall mean monetary amounts obtained through a Settlement as defined in this Texas Term Sheet.
8. “Approved Purpose(s)” shall mean those uses identified in Exhibit A hereto.
9. “Pharmaceutical Supply Chain” shall mean the process and channels through which opioids or opioids products are manufactured, marketed, promoted, distributed, or dispensed.

10. “Pharmaceutical Supply Chain Participant” shall mean any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic.
11. “Texas Opioid Council” shall mean the Council described in Exhibit A hereto, which has the purpose of ensuring the funds recovered by Texas (through the joint actions of the Attorney General and the Texas Political Subdivisions) are allocated fairly and spent to remediate the opioid crisis in Texas, using efficient and cost-effective methods that are directed to the hardest hit regions in Texas while also ensuring that all Texans benefit from prevention and recovery efforts.

B. Allocation of Settlement Proceeds

1. All Opioid Funds distributed in Texas shall be divided with 15% going to Political Subdivisions (“Subdivision Share”), 70% to the Texas Opioid Abatement Fund through the Texas Opioid Council (Texas Abatement Fund Share) identified and described on Exhibits A and C hereto, and 15% to the Office of the Texas Attorney General as Counsel for the State of Texas (“State Share”). Out of the Texas Opioid Abatement Fund, reasonable expenses up to 1% shall be paid to the Texas Comptroller for the administration of the Texas Opioid Council pursuant to the Opioid

Abatement Fund (Texas Settlement) Opioid Council Agreement, Exhibit A hereto.

2. The Subdivisions Share shall be allocated in accordance with the division of proceeds on Exhibit B hereto.
3. The Texas Abatement Fund Share shall be allocated to the Opioid Council to be apportioned in accordance with the guidelines of Exhibit A, and Exhibit C hereto.
4. In the event a Subdivision merges, dissolves, or ceases to exist, the allocation percentage for that Subdivision shall be redistributed as directed by the settlement document, and if not specified, equitably based on the composition of the successor Subdivision. If a Subdivision for any reason is excluded from a specific settlement, the allocation percentage for that Subdivision shall be redistributed as directed by the settlement document, and if not specified, equitably among the participating Subdivisions.
5. Funds obtained from parties unrelated to the Litigation, via grant, bequest, gift or the like, separate and distinct from the Litigation, may be directed to the Texas Opioid Council and disbursed as set forth below.
6. The Subdivision share shall be initially deposited and paid in cash directly to the Subdivision under the authority and guidance of the Texas MDL Court, who shall direct any Settlement funds to be held in trust in a

segregated account to benefit the Subdivisions and to be promptly distributed as set forth herein and in accordance with Exhibit B.

7. Nothing in this Texas Term Sheet should alter or change any Subdivision's rights to pursue its own claim. Rather, the intent of this Texas Term Sheet is to join all parties to disburse settlement proceeds from one or more defendants to all parties participating in that settlement within Texas.
8. Opioid Funds from the Texas Abatement Fund Share shall be directed to the Texas Opioid Council and used in accordance with the guidelines as set out on Exhibit A hereto, and the Texas Abatement Fund Share shall be distributed to the Texas Opioid Council under the authority and guidance of the Texas MDL Court, consistent with Exhibits A and C, and the by-laws of the Texas Opioid Council documents and disbursed as set forth therein, including without limitation all abatement funds and the 1% holdback for expenses.
9. The State of Texas and the Political Subdivisions understand and acknowledge that additional steps may need to be undertaken to assist the Texas Opioid Council in its mission, at a predictable level of funding, regardless of external factors.

C. Payment of Counsel and Litigation Expenses

1. Any Master Settlement Agreement settlement will govern the payment of fees and litigation expenses to the Parties. The Parties agree to direct control of any Texas Political Subdivision fees and expenses to the “Texas Opioid Fee and Expense Fund,” which shall be allocated and distributed by the Texas MDL Court, *In re: Texas Opioid Litigation*, MDL No. 2018-63587, in the 152nd District Court of Harris County, Texas, and with the intent to compensate all counsel for Texas Political Subdivisions who have not chosen to otherwise seek compensation for fees and expenses from any federal MDL common benefit fund.
2. The Parties agree that no portion of the State of Texas 15% allocation share from any settlement shall be administered through the National Fund, the Texas MDL Court, or Texas Opioid Fee and Expense Fund, but shall be directed for payment to the State of Texas by the State of Texas.
3. The State of Texas and the Texas Political Subdivisions, and their respective attorneys, agree that all fees – whether contingent, hourly, fixed or otherwise – owed by the Texas Political Subdivisions shall be paid out of the National Fund or as otherwise provided for herein to the Texas Opioid Fee and Expense Fund to be distributed by the 152nd

District Court of Harris County, Texas pursuant to its past and future orders.

4. From any opioid-related settlements with McKesson, Cardinal Health, ABDC, and Johnson & Johnson, and for any future opioid-related settlements negotiated, in whole or in part, by the Negotiating Committee with any other Pharmaceutical Supply Chain Participant, the funds to be deposited in the Texas Opioid Fee and Expense Fund shall be 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of each payment (annual or otherwise) to the State of Texas for that settlement, plus expenses from the National Fund, and shall be sought by Texas Political Subdivision Counsel initially through the National Fund. The Texas Political Subdivisions' percentage share of fees and expenses from the National Fund shall be directed to the Texas Opioid Fee and Expense Fund in the Texas MDL, as soon as is practical, for allocation and distribution in accordance with the guidelines herein.
5. If the National Fund share to the Texas Political Subdivisions is insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, per subsection 4, immediately *supra*, or if payment from the National Fund is not received within 12 months after the date the

first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 12.5% of the Texas Political Subdivision Share to make up any difference.

6. If the National Fund and the Texas Political Subdivision share are insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, or if payment from the National Fund is not received within 12 months after the date the first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 8.75% of the Abatement Fund Share to make up any difference. In no event shall the Texas Political Subdivision share exceed 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of any settlement, plus expenses from the National Fund. In the event that any payment is received from the National Fund such that the total amount in fees and expenses exceeds 9.3925%, the Texas Political Subdivisions shall return any amounts received greater than 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions to those respective Funds.

7. For each settlement utilizing a National Fund, the Texas Political Subdivisions need only make one attempt at seeking fees and expenses there.
8. The total amount of the Texas Opioid Fee and Expense Fund shall be reduced proportionally, according to the agreed upon allocation of the Texas Subdivision Fund, for any Texas litigating Political Subdivision that (1) fails to enter the settlement; and (2) was filed in Texas state court, and was transferred to the Texas MDL (or removed before or during transfer to the Texas MDL) as of the execution date of this Agreement.

D. The Texas Opioid Council and Texas Abatement Fund

The Texas Opioid Council and Texas Abatement Fund is described in detail at Exhibit A, incorporated herein by reference.

E. Settlement Negotiations

1. The State and Negotiating Committee agree to inform each other in advance of any negotiations relating to a Texas-only settlement with a Pharmaceutical Supply Chain Participant that includes both the State and its Political Subdivisions and shall provide each other the opportunity to participate in all such negotiations. Any Texas-only Settlement agreed to with the State and Negotiating Committee shall be subject to the approval

of a majority of litigating Political Subdivisions. The Parties further agree to keep each other reasonably informed of all other global settlement negotiations with Pharmaceutical Supply Chain Participants and to include the Negotiating Committee or designees. Neither this provision, nor any other, shall be construed to state or imply that either the State or the Negotiating Committee is unauthorized to engage in settlement negotiations with Pharmaceutical Supply Chain Participants without prior consent or contemporaneous participation of the other, or that either party is entitled to participate as an active or direct participant in settlement negotiations with the other. Rather, while the State's and Negotiation Committee's efforts to achieve worthwhile settlements are to be collaborative, incremental stages need not be so.

2. Any Master Settlement Agreement (MSA) shall be subject to the approval and jurisdiction of the Texas MDL Court.
3. As this is a Texas-specific effort, the Committee shall be Chaired by the Attorney General. However, the Attorney General, or his designees, shall endeavor to coordinate any publicity or other efforts to speak publicly with the other Committee Members.
4. The State of Texas, the Texas MDL Plaintiff's Steering Committee representatives, or the Political Subdivision representatives may withdraw

from coordinated Settlement discussions detailed in this Section upon 10 business days' written notice to the remaining Committee Members and counsel for any affected Pharmaceutical Supply Chain Participant. The withdrawal of any Member releases the remaining Committee Members from the restrictions and obligations in this Section.

5. The obligations in this Section shall not affect any Party's right to proceed with trial or, within 30 days of the date upon which a trial involving that Party's claims against a specific Pharmaceutical Supply Chain Participant is scheduled to begin, reach a case specific resolution with that particular Pharmaceutical Supply Chain Participant.

F. Amendments

The Parties agree to make such amendments as necessary to implement the intent of this agreement.

Acknowledgment of Agreement

We, the undersigned, have participated in the drafting of the above Texas Term Sheet, including consideration based on comments solicited from Political Subdivisions. This document has been collaboratively drafted to maintain all individual claims while allowing the State and its Political Subdivisions to cooperate in exploring all possible means of resolution. Nothing in this agreement binds any party to any specific outcome. Any resolution under this document will require

acceptance by the State of Texas and a majority of the Litigating Political Subdivisions.

We, the undersigned, hereby accept the STATE OF TEXAS AND TEXAS POLITICAL SUBDIVISIONS' OPIOID ABATEMENT FUND COUNCIL AND SETTLEMENT ALLOCATION TERM SHEET. We understand that the purpose of this Texas Term Sheet is to permit collaboration between the State of Texas and Political Subdivisions to explore and potentially effectuate earlier resolution of the Opioid Litigation against Pharmaceutical Supply Chain Participants. We also understand that an additional purpose is to create an effective means of distributing any potential settlement funds obtained under this Texas Term Sheet between the State of Texas and Political Subdivisions in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic throughout Texas.

EXHIBIT A

Opioid Abatement Fund (Texas) Settlement

Opioid Council

As part of the settlement agreement and upon its execution, the parties will form the Texas Opioid Council (Council) to establish the framework that ensures the funds recovered by Texas (through the joint actions of the Attorney General and the state's political subdivisions) are allocated fairly and spent to remediate the opioid crisis in Texas, using efficient and cost-effective methods that are directed to the hardest hit regions in Texas while also ensuring that all Texans benefit from prevention and recovery efforts.

I. Structure

The Council will be responsible for the processes and procedures governing the spending of the funds held in the Texas Abatement Fund, which will be approximately 70% of all funds obtained through settlement and/or litigation of the claims asserted by the State and its subdivisions in the investigations and litigation related to the manufacturing, marketing, distribution, and sale of opioids and related pharmaceuticals.

Money paid into the abatement fund will be held by an independent administrator, who shall be responsible for the ministerial task of releasing funds solely as authorized below by the Council, and accounting for all payments to and from the fund.

The Council will be formed when a court of competent jurisdiction enters an order settling the matter, including any order of a bankruptcy court. The Council's members must be appointed within sixty (60) days of the date the order is entered.

A. Membership

The Council shall be comprised of the following thirteen (13) members:

1. *Statewide Members.*

Six members appointed by the Governor and Attorney General to represent the State's interest in opioid abatement. The statewide members are appointed as follows:

- a. The Governor shall appoint three (3) members who are licensed health professionals with significant experience in opioid interventions;
- b. The Attorney General shall appoint three (3) members who are licensed professionals with significant experience in opioid incidences; and
- c. The Governor will appoint the Chair of the Council as a non-voting member. The Chair may only cast a vote in the event there is a tie of the membership.

2. *Regional Members.*

Six (6) members appointed by the State's political subdivisions to represent their designated Texas Health and Human Services Commission "HHSC" Regional Healthcare

Partnership (Regions) to ensure dedicated regional, urban, and rural representation on the Council. The regional appointees must be from either academia or the medical profession with significant experience in opioid interventions. The regional members are appointed as follows:

- a. One member representing Regions 9 and 10 (Dallas Ft-Worth);
- b. One member representing Region 3 (Houston);
- c. One member representing Regions 11, 12, 13, 14, 15, 19 (West Texas);
- d. One member representing Regions 6, 7, 8, 16 (Austin-San Antonio);
- e. One member representing Regions 1, 2, 17, 18 (East Texas); and
- f. One member representing Regions 4, 5, 20 (South Texas).

B. Terms

All members of the Council are appointed to serve staggered two-year terms, with the terms of members expiring February 1 of each year. A member may serve no more than two consecutive terms, for a total of four consecutive years. For the first term, four (4) members (two (2) statewide and two (2) for the subdivisions) will serve a three-year term. A vacancy on the Council shall be filled for the unexpired term in the same manner as the original appointment. The Governor will appoint the Chair of the Council who will not vote on Council business unless there is a tie vote, and the subdivisions will appoint a Vice-Chair voting member from one of the regional members.

C. Governance

1. Administration

The Council is attached administratively to the Comptroller. The Council is an independent, quasi-governmental agency because it is responsible for the statewide distribution of the abatement settlement funds. The Council is exempt from the following statutes:

- a. Chapter 316 of the Government Code (Appropriations);
- b. Chapter 322 of the Government Code (Legislative Budget Board);
- c. Chapter 325 of the Government Code (Sunset);
- d. Chapter 783 of the Government Code (Uniform Grants and Contract Management);
- e. Chapter 2001 of the Government Code (Administrative Procedure);
- f. Chapter 2052 of the Government Code (State Agency Reports and Publications);
- g. Chapter 2261 of the Government Code (State Contracting Standards and Oversight);
- h. Chapter 2262 of the Government Code (Statewide Contract Management);

- i. Chapter 262 of the Local Government Code (Purchasing and Contracting Authority of Counties); and
- j. Chapter 271 of the Local Government Code (Purchasing and Contracting Authority of Municipalities, Counties, and Certain Other Local Governments).

2. Transparency

The Council will abide by state laws relating to open meetings and public information, including Chapters 551 and 552 of the Texas Government Code.

- i. The Council shall hold at least four regular meetings each year. The Council may hold additional meetings on the request of the Chair or on the written request of three members of the council. All meetings shall be open to the public, and public notice of meetings shall be given as required by state law.
- ii. The Council may convene in a closed, non-public meeting:
 - a. If the Commission must discuss:
 - 1. Negotiation of contract awards; and
 - 2. Matters specifically exempted from disclosure by federal and state statutes.
 - b. All minutes and documents of a closed meeting shall remain under seal, subject to release only order of a court of competent jurisdiction.

3. Authority

The Council does not have rulemaking authority. The terms of each Judgment, Master Settlement Agreement, or any Bankruptcy Settlement for Texas control the authority of the Council and the Council may not stray outside the bounds of the authority and power vested by such settlements. Should the Council require legal assistance in determining their authority, the Council may direct the executive director to seek legal advice from the Attorney General to clarify the issue.

D. Operation and Expenses

The independent administrator will set aside up to one (1) percent of the settlement funds for the administration of the Council for reasonable costs and expenses of operating the foregoing duties, including educational activities.

1. Executive Director

The Comptroller will employ the executive director of the Council and other personnel as necessary to administer the duties of the Council and carry out the functions of the Council. The executive director must have at least 10 years of experience in government or public administration and is classified as a Director V/B30 under the State Auditor's State Classification. The Comptroller will pay the salaries of the Council employees from the

one (1) percent of the settlement funds set aside for the administration of the Council. The Comptroller will request funds from the Texas Abatement Fund Point of Contact.

2. Travel Reimbursement

A person appointed to the Council is entitled to reimbursement for the travel expenses incurred in attending Council duties. A member of the Council may be reimbursed for actual expenses for meals, lodging, transportation, and incidental expenses in accordance with travel rates set by the federal General Services Administration.

II. Duties/Roles

It is the duty of the Council to determine and approve the opioid abatement strategies and funding awards.

A. Approved Abatement Strategies

The Council will develop the approved Texas list of abatement strategies based on but not limited to the existing national list of opioid abatement strategies (see attached Appendix A) for implementing the Texas Abatement Fund.

1. The Council shall only approve strategies which are evidence-informed strategies.
2. The Texas list of abatement strategies must be approved by majority vote. The majority vote must include a majority from both sides of the statewide members and regional members in order to be approved, e.g., at least four (4) of six (6) members on each side.

B. Texas Abatement Fund Point of Contact

The Council will determine a single point of contact called the Abatement Fund Point of Contact (POC) to be established as the sole entity authorized to receive requests for funds and approve expenditures in Texas and order the release of funds from the Texas Abatement Fund by the independent administrator. The POC may be an independent third party selected by the Council with expertise in banking or financial management. The POC will manage the Opioid Council Bank Account (Account). Upon a vote, the Council will direct the POC to contact the independent administrator to release funds to the Account. The Account is outside the State Treasury and not managed by any state or local officials. The POC is responsible for payments to the qualified entities selected by the Council for abatement fund awards. The POC will submit a monthly financial statement on the Account to the Council.

C. Auditor

An independent auditor appointed by the Council will perform an audit on the Account on an annual basis and report its findings, if any, to the Council.

D. Funding Allocation

The Council is the sole decision-maker on the funding allocation process of the abatement funds. The Council will develop the application and award process based on the parameters outlined below. An entity seeking funds from the Council must apply for funds; no funds will be awarded without an application. The executive director and personnel may assist the Council in gathering and compiling the applications for consideration; however, the Council members are the sole decision-makers of awards and funding determination. The Council will use the following processes to award funds:

1. *Statewide Funds.* The Council will consider, adopt and approve the allocation methodology attached as Exhibit C, based upon population health data and prevalence of opioid incidences, at the Council's initial meeting. Adoption of such methodology will allow each Region to customize the approved abatement strategies to fit its communities' needs. The statewide regional funds will account for seventy-five (75) percent of the total overall funds, less the one (1) percent administrative expense described herein.
2. *Targeted Funds.* Each Region shall reserve twenty-five (25) percent of the overall funds, for targeted interventions in the specific Region as identified by opioid incidence data. The Council must approve on an annual basis the uses for the targeted abatement strategies and applications available to every Region, including education and outreach programs. Each Region without approved uses for the targeted funds from the Council, based upon a greater percentage of opioid incidents compared to its population, is subject to transfer of all or a portion of the targeted funds for that Region for uses based upon all Regions' targeted funding needs as approved by the Council on an annual basis.
3. *Annual Allocation.* Statewide regional funds and targeted funds will be allocated on an annual basis. If a Region lapses its funds, the funds will be reallocated based on all Regions' funding needs.

E. Appeal Process

The Council will establish an appeal process to permit the applicants for funding (state or subdivisions) to challenge decisions by the Council-designated point of contact on requests for funds or expenditures.

1. To challenge a decision by the designated point of contact, the State or a subdivision must file an appeal with the Council within thirty (30) days of the decision. The Council then has thirty (30) days to consider and rule on the appeal.
2. If the Council denies the appeal, the party may file an appeal with the state district court of record where the final opioid judgment or Master Settlement Agreement is filed. The Texas Rules of Civil Procedure and Rules of Evidence will govern these proceedings. The Council may request representation from the Attorney General in these proceedings.

In making its determination, the state district court shall apply the same clear error standards contained herein that the Council must follow when rendering its decision.

3. The state district court will make the final decision and the decision is not appealable.
4. Challenges will be limited and subject to penalty if abused.
5. Attorneys' fees and costs are not recoverable in these appeals.

F. Education

The Council may determine that a percentage of the funds in the Abatement Fund from the targeted funds be used to develop an education and outreach program to provide materials on the consequences of opioid drug use, prevention and interventions. Any material developed will include online resources and toolkits for communities.

B. Terms

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described in paragraph 6 and paragraph 9, respectively), all Opioid Funds shall be utilized for Approved Purposes. To accomplish this purpose, the State will either file a new action with Local Governments as Parties or add Local Governments to its existing action, sever settling defendants, and seek entry of a consent order or other order binding both the State, Local Governments, and Pharmaceutical Supply Chain Participant(s) (“Order”). The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction of a state court to address non-performance by any party under the Order. Any Local Government that objects to or refuses to be included under the Order or entry of documents necessary to effectuate a Settlement shall not be entitled to any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the other Local Governments.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the core strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services (“Core Strategies”). The State is trying to obtain the United States’ agreement to limit or reduce the United States’ ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **Distribution Scheme** - All Opioid Funds will initially go to the State, and then be distributed according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting costs of the Expense Fund detailed in paragraph 9 below:

- (a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality. For Local Governments that are not within the definition of County or Municipality, those Local Governments may receive that government's share of the City/County Fund under the Negotiation Class Metrics, if that government executes a release as part of a Settlement. Any Local Government that is not within the definition of County or Municipality and that does not execute a release as part of a Settlement shall have its share of the City/County Fund go to the County in which it is located.
- (b) Regional Fund- The regional fund will be subdivided into two parts.
 - (i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.
 - (ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.
 - (iii) For all other Counties, the regional share for each County will be paid to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies. The Managing Entities shall endeavor to the greatest extent possible to expend these monies on counties within the State that are non-Qualified Counties and to ensure that there are services in every County.
- (c) State Fund - The remainder of Opioid Funds after deducting the costs of the Expense Fund detailed in paragraph 9, the City/County Fund and the Regional Fund will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.
- (d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.

4. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year:

- A. Years 1-6: 40%
- B. Years 7-9: 35%
- C. Years 10-12: 34%
- D. Years 13-15: 33%
- E. Years 16-18: 30%

5. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter “Taskforce” or “Council”) to advise the Governor, the Legislature, Florida’s Department of Children and Families (“DCF”), and Local Governments on the priorities that should be addressed as part of the opioid epidemic and to review how monies have been spent and the results that have been achieved with Opioid Funds.

- (a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Governments.
- (b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.
- (c) Appointments State -
 - (i) The Governor shall appoint two Members.
 - (ii) The Speaker of the House shall appoint one Member.
 - (iii) The Senate President shall appoint one Member.
 - (iv) The Attorney General or her designee shall be a Member.
- (d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.
- (e) Term - Members will be appointed to serve a two-year term.

- (f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.
- (g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.
- (h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes for how monies should be spent the coming fiscal year to respond to the opioid epidemic.
- (i) Accountability - Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year. The State and each of the Local Government shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of Approved Purposes. All programs and expenditures shall be audited annually in a similar fashion to SAMHSA programs. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about programs receiving Opioid Funds.
- (j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

6. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund (“Administrative Costs”) and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds.

7. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

8. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with

members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

9. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the entirety of all contingency fee contracts for Local Governments in the State of Florida is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

- (a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.
- (b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State of Florida in connection with the Settlement because their participation increases the amount Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the MOU shall be null and void.

- (c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten to eighteen year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two years of the Settlement. Accordingly, to offset the amounts being paid from the City/County to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	\$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	\$150
Expense Fund (paid over 2 years):	\$15
Amount Paid to Expense Fund in 1st year:	\$7.5
Amount Paid to Expense Fund in 2nd year:	\$7.5
Amount that may be borrowed from Regional Fund in 1st year:	\$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	\$7.5
Amount that must be paid back to Regional Fund in 3rd year:	\$5
Amount that must be paid back to Regional Fund in 4th year:	\$5
Amount that must be paid back to Regional Fund in 5th year:	\$5

- (d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the MOU, by order of the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida, in the matter of *The State of Florida, Office of the Attorney General, Department of Legal Affairs v. Purdue Pharma L.P., et al.*, Case No. 2018-CA-001438 (the “Court”). The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.
- (e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government’s share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

10. **Dispute resolution**- Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph 3, or (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds.

The Debtors reserve the right to modify the Plan in accordance with Article XI of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

To the extent Intercompany Interests and Intercompany Claims are Reinstated under the Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Interests on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliate-subsidaries) corporate structure, for the ultimate benefit of the Holders of New

If no such listing has occurred as of the Effective Date, following the Effective Date and subject to the terms and conditions of the New Governance Documents, the Reorganized Board will direct the Reorganized Debtors to list the New Mallinckrodt Ordinary Shares for trading on the NASDAQ Capital Market, the NASDAQ Global Market, or the New York Stock Exchange as soon as reasonably practicable after the Effective Date.

S. *Payment of Fees and Expenses of the Supporting Parties and Indenture Trustee Fees*

Notwithstanding anything to the contrary contained in the Restructuring Expenses Order, on the Effective Date, the Reorganized Debtors shall pay the Noteholder Consent Fee and the Term Loan Exit Payment pursuant to the terms of the Restructuring Support Agreement.

On the Effective Date with respect to invoices delivered prior to the Effective Date in accordance with the procedures in the following sentence (the “*Invoiced Restructuring Expenses*”) or as soon as reasonably practicable thereafter (with respect to all other Restructuring Expenses other than the Invoiced Restructuring Expenses), the Reorganized Debtors shall pay in Cash the Restructuring Expenses. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least five (5) Business Days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission by any party or limitation with respect to such Restructuring Expenses. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay pre- and post-Effective Date, when due and payable in the ordinary course, Restructuring Expenses and Post Effective Date Implementation Expenses, as applicable, related to implementation, consummation, and defense of the Plan, whether incurred before, on, or after the Effective Date. Notwithstanding anything to the contrary in the Plan, the Restructuring Expenses shall not be subject to the Administrative Claims Bar Date. To the extent any person entitled to reimbursement of Restructuring Expenses or Post Effective Date Implementation Expenses is holding a retainer, such person shall be entitled to continue to hold such retainer until payment in full in Cash by the Reorganized Debtors of such person's Restructuring Expenses and Post Effective Date Implementation Expenses; *provided* that such retainer shall be applied to pay for such Restructuring Expenses unless such person elects, in its sole discretion, to keep a portion of such retainer solely to the extent needed to cover Restructuring Expenses in excess of any estimates provided in accordance with this paragraph and any reasonably expected Post Effective Date Implementation Expenses, and following the payment of Restructuring Expenses and Post Effective Date Implementation Expenses (if any), on reasonable request of the Debtors, the professionals shall return the remainder of the retainer to the Debtors.

On the Effective Date or as soon as reasonably practicable thereafter and upon the presentment of invoices in customary form (which may be redacted to preserve any confidential or privileged information), the Reorganized Debtors shall pay in Cash the Indenture Trustee Fees (whether accrued prepetition or postpetition, whether before or after the Effective Date of this Plan and to the extent not otherwise paid during the Chapter 11 Cases), without the need for application by any party to the Bankruptcy Court, and without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. From and after the Effective Date, the Reorganized Debtors will pay any Indenture Trustee Fees in full in Cash without further court approval.

T. *Creation of the Opioid MDT II*

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the Opioid MDT II in accordance with the Plan and the Opioid MDT II Documents. As of the Effective Date, the Opioid MDT II Documents shall be executed by the Debtors and the Opioid MDT II Trustee(s), and the Opioid MDT II shall be created. The Opioid MDT II is intended to be a “qualified settlement fund” within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code. The purpose of the Opioid MDT II shall be to, among other things: (1) resolve all asserted Opioid Claims (including Opioid Demands) channeled to the Opioid MDT II in accordance with the Plan, Opioid MDT II Documents, and the Confirmation Order; (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the Opioid MDT II for use in resolving Opioid Claims (including Opioid Demands) channeled to the Opioid MDT II and funding the Opioid Creditor Trusts; (3) enforce, pursue, prosecute, compromise, and/or settle the Assigned Third-Party Claims and Assigned Insurance Rights; (4) pay all Trust Expenses as provided, and defined, in the Opioid MDT II Documents (for which the Reorganized Debtors and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the Opioid MDT II, including the fees and expenses of any professionals retained by the Opioid MDT II; and (6) qualify at all times as a qualified settlement fund.

U. *Appointment and Obligations of Opioid MDT II Trustee(s)*

1. Appointment of the Opioid MDT II Trustee(s)

The appointment of the initial Opioid MDT II Trustee(s) will be approved in the Confirmation Order, and effective as of the Effective Date, in accordance with the Opioid MDT II Documents, the individual(s) selected as the Opioid MDT II Trustee(s) shall be appointed to serve as the Opioid MDT II Trustee(s) for the Opioid MDT II.

There will be three initial Opioid MDT II Trustee(s), which shall be selected by the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants in consultation with the Debtors and the Future Claimants’ Representative; *provided*, that if the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants cannot agree on the identity of the three initial Opioid MDT II Trustees, (i) one of the initial Opioid MDT II Trustees shall be selected by the Official Committee of Opioid-Related Claimants, and (ii) the remaining two of the initial Opioid MDT II Trustees shall be selected by the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, in all cases in consultation with the Debtors. The identity of the initial Opioid MDT II Trustee(s) shall be disclosed in an amendment to the Plan Supplement filed prior to or concurrently with entry of the Confirmation Order.

2. Obligations of the Opioid MDT II Trustee(s)

The Opioid MDT II Trustees shall take into account the interests of, and owe fiduciary duties to, each of the Opioid Creditor Trusts (including the Private Opioid Creditor Trusts and the Public Opioid Creditor Trusts) in making all decisions on behalf of the Opioid MDT II. In furtherance thereof:

- a. to the extent there are any disputes raised by any Opioid Creditor Trust regarding the operation of the Opioid MDT II or the actions of the Opioid MDT II Trustees, (A) any Opioid Creditor Trustee shall have the right to seek resolution by the Bankruptcy Court of such a dispute, including seeking to enjoin any disputed action by the Opioid MDT II, and all Opioid MDT II Trustees and Opioid Creditor Trustees shall have the right to be heard with regard to any such dispute, including by filing objections, declarations, statements in support or other pleadings (including with supporting evidence) or providing witness testimony at any hearing and (B) the Bankruptcy Court shall have exclusive jurisdiction to hear and resolve any such disputes, and shall be authorized to order appropriate relief (subject to the provisions of this Article IV.U.2 and make a determination in an expedited manner, and in all events, shall make such a decision within thirty (30) days from the request for relief;
- b. upon the payment in full in Cash of a Private Opioid Creditor Trust's respective distribution, the Opioid MDT II shall have no further fiduciary duties to such Private Opioid Creditor Trust, and the Opioid Creditor Trustees of such Private Opioid Creditor Trust shall have no further rights to commence or participate in any action relating to the operations of the Opioid MDT II or the actions of the Opioid MDT II Trustees;
- c. Opioid MDT II Trustees shall (A) provide reasonable reporting to each of the Opioid Creditor Trusts regarding the Opioid MDT II Trustees' activities at least every four (4) months (both cumulatively and in the period just ended), any insurance proceedings, assets (including the value thereof), expenditures, distributions and forward-looking projections (subject to appropriate limitations to be agreed by the Debtors, the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants) and (B) make themselves reasonably available (in addition to holding at least one (1) call every four (4) months for the Opioid Creditor Trustees) to answer questions of Opioid Creditor Trustees relating to the Opioid MDT II's activities;
- d. the Opioid MDT II Trustees shall be obligated to comply with the terms of the Plan, including this Article IV.U.2, and Opioid MDT II Documents; and
- e. in the event of any inconsistency between the terms of this Article IV.U.2 and any other provision of this Plan or Opioid MDT II Documents, the terms of this Article IV.U.2 shall govern unless the Opioid MDT II Trustees and the Opioid Creditor Trustees for each of the Opioid Creditor Trusts mutually agree.

V. *Settlements of Opioid Claims*

1. Non-Precedential Effect for Holders of Opioid Claims

This Plan, the Plan Supplement, and the Confirmation Order constitute a good faith full and final comprehensive compromise and settlement of Opioid Claims and controversies based upon the unique circumstances of these Chapter 11 Cases (such as the unique facts and circumstances relating to these Debtors as compared to other defendants in the general opioid litigations, and the need for an accelerated resolution without litigation) such that (i) none of the foregoing documents, nor any materials used in furtherance of Confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used

as precedent, or used by any party or Person in any context whatsoever beyond the purposes of this Plan, in any other litigation or proceeding except as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan before the Bankruptcy Court or any other court of competent jurisdiction, and (ii) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise applicable to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. This Plan, the Plan Supplement, and the Confirmation Order will be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding involving Opioid Claims in which none of the Debtors, the Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Supplement, or the Confirmation Order. Any Opioid Claimants' support of, or position or action taken in connection with, this Plan, the Plan Supplement, and the Confirmation Order may differ from his position or testimony in any other litigation or proceeding except in connection with these Chapter 11 Cases. Further, the treatment of Opioid Claims as set forth in this Plan is not intended to serve as an example for, or represent the parties' respective positions or views concerning any other chapter 11 cases relating to opioid products, nor shall it be used as precedent by any Entity or party in any other chapter 11 cases related to opioid products.

2. Transferability of Opioid Claim Distribution Rights

Any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Opioid MDT II or the Opioid Creditor Trusts on account of an Opioid Claim shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts, as applicable. Further, any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of an Opioid Claim shall be nontransferable and nonassignable except by will, intestate, succession or operation of law or as otherwise provided in the Plan or any of the Opioid Creditor Trust Documents. Any rights of Holders of Opioid Claims to receive a Distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of Opioid Claims shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

W. *Transfers of Property to and Assumption of Certain Liabilities by the Opioid MDT II*

1. Transfer of Books and Records to the Opioid MDT II

On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of all books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the defense of Opioid Claims (including Opioid Demands) in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. The transfer of any privileged books and records provided to the Opioid MDT II necessary for the defense of Opioid Claims (including Opioid Demands) shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary

to defend the Opioid Claims (including Opioid Demands) as more fully set forth in the Opioid MDT II Cooperation Agreement. Further, pursuant to the Plan and the Confirmation Order, none of the Debtors, the Reorganized Debtors, any of the Debtors' or the Reorganized Debtors' Affiliates or the Disinterested Managers shall be liable for violating any confidentiality or privacy protections as a result of transferring the books and records to the Opioid MDT II in accordance with the Opioid MDT II Cooperation Agreement, and the Opioid MDT II, upon receipt of the books and records, shall take appropriate steps to comply with any such applicable protections.

2. Funding the Opioid MDT II

a. *Opioid MDT II Funding Amount*

The Opioid MDT II shall be funded solely by the Opioid MDT II Consideration. On the Effective Date, the obligations to provide the Opioid MDT II Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the Opioid MDT II Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

b. *Payments to the Opioid MDT II and to the Public Schools' Special Education Initiative*

On the Effective Date, the Debtors and/or the Reorganized Debtors will make the Initial Opioid MDT II Payment, and thereafter, the Reorganized Debtors or Reorganized Mallinckrodt will make each of the Opioid Deferred Cash Payments subject to the Prepayment Option; *provided* after any sale of (i) Mallinckrodt Enterprises Holdings, Inc. and its subsidiaries (including, for the avoidance of doubt, its successors and assigns) or (ii) a material portion of their assets or businesses (including as a result of a merger, equity sale, or asset sale), subject to compliance with the Debtors' covenants under the agreements governing their funded indebtedness (as may be modified from time to time), 50% of the "net proceeds" of such sale (after, for the avoidance of doubt, compliance with then-existing covenants) shall be paid to the Opioid MDT II; and the amount of such net proceeds actually conveyed to the Opioid MDT II will be deemed a ratable repayment against the remaining Opioid Deferred Cash Payments that the Opioid MDT II is entitled to receive. For the avoidance of doubt, the Debtors will not be under any obligation to undertake any such sale on any particular timeframe. The Debtors intend that payments to the Opioid MDT II (whenever made, and from whatever source) will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of payments to the Opioid MDT II on account of Opioid Claims, and such tax characterization shall not be construed to be dispositive for any non-tax purpose. Nor shall such tax characterization be construed to mean that Debtors' payments satisfy the full extent of the liability associated with Opioid Claims, the satisfaction of which remains a valuable right assigned to the Opioid MDT II, nor that the remaining liability associated with Opioid Claims seeks restitution as a form of relief.

In addition, the Debtors and the Public Schools' Special Education Initiative intend that the Public Schools' Special Education Initiative Contribution will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S.

federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of the Public Schools' Special Education Initiative Contribution, and such tax characterization shall not be construed to be dispositive for any non-tax purpose.

Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, on the one hand, and the Reorganized Debtors, on the other, shall reasonably cooperate in good faith with each other and their respective representatives with respect to the reporting required pursuant to Section 6050X of the Internal Revenue Code regarding the payments or transfers of property required under the Plan, with the goal of eliminating redundancies and complying with their reporting requirements, if any, in an efficient manner, including, if permitted under applicable law, appointing a single appropriate official to file a single information return in accordance with Treasury Regulation Sections 1.6050X-1(b)(3) and 1.6050X-1(f)(1)(ii)(B). Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, as applicable, shall, no later than thirty (30) days prior to the date on which each such information return, if any, is required to be filed, provide to the Reorganized Debtors a draft of any such information return it has determined that it is required to file with the IRS with respect to payments or transfer of property to it under the Plan and, prior to filing, shall consider in good faith any and all comments timely received from the Reorganized Debtors with respect thereto. If, after consultation with its tax advisors, the Trustees or other authorized persons of the Opioid MDT II, NOAT II or the Public Schools' Special Education Initiative reasonably determine in good faith that any such comments should not be reflected in such filing, the parties shall use reasonable best efforts to negotiate in good faith so as to reach a mutually agreeable resolution. If the parties are unable to reach a mutually agreeable resolution, the matter shall be resolved as directed by the Bankruptcy Court.

In addition, each of the Opioid MDT II and the Public Schools' Special Education Initiative shall use reasonable best efforts to provide to the Reorganized Debtors, no later than fifteen (15) days following the end of each calendar quarter, an estimate of the aggregate payments to any attorneys' fee funds established pursuant to Article IV.X.9.

c. *New Opioid Warrants*

On the Effective Date, Reorganized Mallinckrodt shall issue, and the Debtors shall cause to be transferred, the New Opioid Warrants to the Opioid MDT II or to a newly formed limited liability company formed and wholly owned by the Opioid MDT II.⁷

d. *Assigned Third-Party Claims, Share Repurchase Claims, and Assigned Insurance Rights*

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights to the Opioid MDT II; *provided*, that the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the Opioid

⁷ The Debtors and the Supporting Parties are discussing the original issuance of the New Opioid Warrants to a newly formed limited liability company ("LLC") formed by and initially owned by Opioid MDT II. At emergence, Reorganized Debtor will issue the warrants to LLC directly. Following the issuance of the warrants to LLC, Opioid MDT II will distribute substantially all of the equity interests in LLC to the Creditor Trusts, retaining the portion allocable to the Opioid MDT II disputed claims reserve and any other portion allocable to Opioid MDT II beneficiaries other than the Creditor Trusts. A further transfer of LLC equity is expected with respect to TAFT II and the TAFT II beneficiaries.

MDT II) on account of any Assigned Third-Party Claims shall be enjoined and barred. Subject to the foregoing, nothing contained in the Plan, the Plan Supplement, or the Confirmation Order shall operate to require any Opioid Insurer to pay under any Opioid Insurance Policy the liability of any Person that was not an insured prior to the Petition Date.

The Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the prosecution of the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. Such transfer shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to preserve, secure, prosecute, or obtain the benefit of the Assigned Third-Party Claims, the Share Repurchase Claims, and Assigned Insurance Rights as more fully set forth in the Opioid MDT II Cooperation Agreement.

The Opioid MDT II shall be authorized to conduct Rule 2004 examinations, to the fullest extent permitted thereunder, to investigate the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights, without the requirement of filing a motion for such authorization; *provided, however*, that no such Rule 2004 examinations shall be taken of the Debtors, the Reorganized Debtors, or any of their respective then-current or former employees, officers, directors or Representatives without further order of the Bankruptcy Court (if the Chapter 11 Cases remain open) after notice and an opportunity to object and be heard. Notwithstanding the foregoing, (i) employees, officers, directors or Representatives of Medtronic plc and/or its subsidiaries, and each of their predecessors, successors, and assigns, are not exempt from Rule 2004 examinations, and nothing herein shall interfere with the obligations of the Debtors, the Reorganized Debtors, or any of their respective then-current or former employees, officers, directors or Representatives to cooperate with the Opioid MDT II as set forth herein and in the Opioid MDT II Cooperation Agreement. For the avoidance of doubt, in the context of an actual pending litigation or contested matter, the rules of discovery applicable to such litigation or contested matter will control.

In implementing the assignment of the Assigned Insurance Rights, the Debtors or the Reorganized Debtors, on the one hand, and the Governmental Plaintiff Ad Hoc Committee and the MSGE Group or the Opioid MDT II, on the other hand, shall cooperate and negotiate in good faith concerning (x) treatment of unsatisfied self-insured retentions under the applicable Insurance Contracts, which, to the extent they remain to be paid as of the Effective Date, shall be satisfied to the extent and in the manner required by applicable law, with the objective of minimizing adverse consequences to Mallinckrodt, Reorganized Mallinckrodt, and the Opioid MDT II (it being understood that the foregoing obligation shall not require the Debtors or Reorganized Debtors to satisfy all or any portion of any such self-insured retentions with respect to any Opioid Insurance Policies) and (y) any actions by the Debtors, Reorganized Debtors, or the Opioid MDT II to pursue or preserve the Insurance Contracts relating to the Assigned Insurance Rights, including but not limited to Insurance Contracts, if any, that are both Excluded Insurance Policies and Opioid Insurance Policies.

3. Assigned Third-Party Claims and Assigned Insurance Rights Cooperation

During the pendency of the Chapter 11 Cases, the Debtors shall use reasonable best efforts to cooperate with counsel to the Governmental Plaintiff Ad Hoc Committee and counsel to the MSGE Group

in connection with their investigation, preservation, pursuit, and securing of the Assigned Third-Party Claims and Assigned Insurance Rights, including by providing non-privileged information (including, without limitation, data, documents, emails, and access to individuals with information), at the reasonable request of counsel to the Governmental Plaintiff Ad Hoc Committee and counsel to the MSGE Group.

The Debtors shall use reasonable best efforts to provide all available, non-privileged information relating to the Assigned Third-Party Claims and Assigned Insurance Rights to counsel to the Governmental Plaintiff Ad Hoc Committee and to counsel to the MSGE Group during the Debtors' bankruptcy cases; *provided, however*, that such information shall be provided prior to entry of the Confirmation Order.

The terms and conditions of such cooperation shall be set forth in the Opioid MDT II Cooperation Agreement and included in the Confirmation Order. The Opioid MDT II shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date.

Any request by the Opioid MDT II, the Governmental Plaintiff Ad Hoc Committee, or the MSGE Group for cooperation by the Debtors and Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

4. Share Repurchase Claims

On and after the Effective Date, the Opioid MDT II shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Share Repurchase Claim, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court; provided that the settlement, monetization, or disposition of the Share Repurchase Claims may not treat the holders of interests in such Share Repurchase Claims inconsistently without such holders' consent or, if applicable, without offering such holders the right to participate in such settlement, monetization, or disposition).

5. Share Repurchase Claims Cooperation

During the pendency of the Chapter 11 Cases, the Debtors shall use reasonable best efforts to cooperate with counsel to the Governmental Plaintiff Ad Hoc Committee, counsel to the MSGE Group, and counsel to the Official Committee of Opioid-Related Claimants in connection with their investigation, preservation, pursuit, and securing of the Share Repurchase Claims, including by providing non-privileged information (including, without limitation, data, documents, emails, and access to individuals with information), at the reasonable request of counsel to the Governmental Plaintiff Ad Hoc Committee, counsel to the MSGE Group, and counsel to the Official Committee of Opioid-Related Claimants.

The Debtors shall use reasonable best efforts to provide all available, non-privileged information relating to the Share Repurchase Claims to counsel to the Governmental Plaintiff Ad Hoc Committee, counsel to the MSGE Group, and counsel to the Official Committee of Opioid-Related Claimants during the Debtors' bankruptcy cases; *provided, however*, that such information shall be provided prior to entry of the Confirmation Order.

On and after the Effective Date, the Reorganized Debtors shall use reasonable best efforts to cooperate with the Opioid MDT II in connection with the Opioid MDT II's investigation, preservation,

pursuit, and securing of the Share Repurchase Claims. The terms and conditions of such cooperation shall be set forth in the Opioid MDT II Cooperation Agreement and included in the Confirmation Order. The Opioid MDT II shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date. The Opioid MDT II shall reasonably consult with the General Unsecured Claims Trustee, at the reasonable request of the General Unsecured Claims Trustee, generally regarding the Opioid MDT II's pursuit of the Share Repurchase Claims.

Any request by the Opioid MDT II, the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, or the Official Committee of Opioid-Related Claimants for cooperation by the Debtors and Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the Opioid MDT II Consideration in the Opioid MDT II

On the Effective Date or on the date which an Opioid Deferred Cash Payment is actually made, as applicable, pursuant to the Plan and in accordance with the Opioid MDT II Documents, the Opioid MDT II Consideration shall be transferred or issued to and vest in the Opioid MDT II free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Opioid Claims (including Opioid Demands)). The Opioid MDT II shall have no liability for, and the Opioid MDT II Consideration shall vest in the Opioid MDT II free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Opioid Claims (including the Opioid Demands). From and after the Effective Date, all proceeds of the Opioid MDT II Consideration, including without limitation, amounts paid by Insurers under the Assigned Insurance Rights, shall be paid to the Opioid MDT II to be applied in accordance with the Opioid MDT II Documents.

7. Assumption of Certain Liability and Responsibility by the Opioid MDT II

In consideration for the property transferred to the Opioid MDT II pursuant to Article IV.W.2 and in furtherance of the purposes of the Opioid MDT II and the Plan, the Opioid MDT II shall assume all liability and responsibility, financial and otherwise, for all Opioid Claims (including Opioid Demands) not otherwise channeled to an Opioid Creditor Trust or the Ratepayer Account, including U.S. Government Opioid Claims, and Other Opioid Claims, and the Debtors, the Reorganized Debtors, and the Protected Parties shall have no liability or responsibility, financial or otherwise, therefor. The Opioid MDT II's liability for such assumed Opioid Claims shall be limited to the FHCA Opioid Claim Share and the aggregate amount of Other Opioid Claimant Pro Rata Shares. Except as otherwise provided in the Plan and the Opioid MDT II Documents, the Opioid MDT II shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such Opioid Claims (including Opioid Demands) that the Debtors or the Reorganized Debtors has or would have had under applicable law.

8. Institution of Maintenance of Legal and Other Proceedings

As of the date upon which the Opioid MDT II is established, the Opioid MDT II shall be empowered to initiate, prosecute, defend and resolve all legal actions and other proceedings related to any asset, liability or responsibility of the Opioid MDT II, including in respect of the Assigned Third-Party Claims and Assigned Insurance Rights. X. *Opioid Creditor Trusts and Settlements of Opioid Claims*

1. Establishment and Purpose of the Opioid Creditor Trusts

The Confirmation Order shall endorse and direct the establishment of the Opioid Creditor Trusts on or prior to the Effective Date in accordance with the terms of the respective Opioid Creditor Trust Documents. The Opioid Creditor Trusts shall be independent from the Holders of Claims against the Debtors. The Opioid Creditor Trusts shall be established for the purposes described in this Plan and any other purposes more fully described in the Opioid Creditor Trust Documents. Each Opioid Creditor Trust shall, as applicable and in each case, in accordance with the Plan, the Confirmation Order and the applicable Opioid Creditor Trust Documents:

- a. hold, manage and invest all funds and other assets received by such Opioid Creditor Trust from the Opioid MDT II, in each case, for the benefit of the beneficiaries of such Opioid Creditor Trust;

Such assessments will be paid by each Private Opioid Creditor Trust and the Ratepayer Account in respect of the distributions made by each Private Opioid Creditor Trust and the Ratepayer Account to the Common Benefit Escrow and then, upon its establishment, directly to the Common Benefit Fund established by the MDL Court, on periodic schedules for each Private Opioid Creditor Trust and the Ratepayer Account acceptable to such creditors and the MDL Plaintiffs' Executive Committee, or as otherwise ordered by the MDL Court. The amounts in the Common Benefit Escrow shall be held in escrow until an order is entered by the MDL Court establishing a Common Benefit Fund, at which time the amounts held by the Common Benefit Escrow and all subsequent assessments of 5% of each Distribution made by the Private Opioid Creditor Trusts and the Ratepayer Account shall be transferred to and distributed in accordance with the order of the MDL Court establishing the Common Benefit Fund. However, the applicable Claimant and its counsel, in their sole discretion, may agree that an amount up to but not exceeding 40% of the amount payable under this Article IV.X.8 may be applied to the reimbursement of actual costs and expenses incurred by such Claimant's counsel, in which case such agreed cost-reimbursement amount shall not reduce the contingency fee amounts payable to such counsel. For the avoidance of doubt, if the Debtors, the Governmental Plaintiff Ad Hoc Committee, and the MSGE Group agree to any reduced or less restrictive terms concerning the 5% Common Benefit Fund assessment (or its implementation) provided under any portion of this Article IV.X.8 for any of the Private Opioid Creditor Trusts and the Ratepayer Account, then such modifications shall apply to each of the groups, *mutatis mutandis*.

B. Hospitals Attorneys' Fees and Costs. The Hospital Attorney Fee Fund shall be administered by the Hospital Trust on terms acceptable to the Ad Hoc Group of Hospitals.

C. NAS Monitoring Attorneys' Fees and Costs. On the Effective Date, the NAS Monitoring Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the NAS Committee

Reasonable expert costs incurred by the NAS Committee in the formation of the abatement plan for the NAS Monitoring Trust shall also be paid by the NAS Monitoring Trust, and, for the avoidance of doubt, (x) there shall be no amounts payable to the Common Benefit Escrow or the Common Benefit Fund on account of such cost reimbursements and (y) the 20% limitation on attorneys' fees shall not apply to the foregoing reasonable expert costs. The NAS Monitoring Attorney Fee Fund shall be administered by the NAS Monitoring Trust on terms acceptable to the NAS Committee. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

D. Ratepayer Attorneys' Fees and Costs. On the Effective Date, the Ratepayer Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ratepayer Mediation Participants. The Ratepayer Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Ratepayer Account less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. The Ratepayer Attorney Fee Fund shall be administered by the Ratepayer Account as set forth in this Article IV.X.8. F. PI Claimant Costs and Expenses. The Opioid Creditor Trustee of the PI Trust shall pay or reimburse, as applicable, the compensation, costs and fees of professionals that represented or advised the Ad Hoc Group of Personal Injury Victims and the NAS Committee in connection with the Chapter 11 Cases, as and to the extent provided in the PI Trust Documents. Such compensation, costs and fees paid or reimbursed, as applicable, by the PI Trust shall be deducted from distributions from the PI Trust Holders of Allowed PI Opioid Claims and Allowed NAS PI Opioid Claims, in each case pursuant to the PI Trust Documents. Nothing in this Article IV.X.8 shall impair or otherwise affect any fee contract that is not a contingency fee contract between the Ad Hoc Group of Personal Injury Victims and its professionals, or between the NAS Committee and its professionals.

G. No Impairment of Contingency Fee Contracts; No Further Assessment. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel. In this regard, the payment of the assessments described in this Article IV.X.8 shall be the only payment that such Holders (or their counsel) shall ever have to make to the Common Benefit Fund with respect to amounts distributed under this Plan, and shall not be subject to any

further or other common benefit or similar assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof.

9. Public Opioid Claimants' Attorneys' Fees

On the Effective Date, the Municipal and Tribe Opioid Attorneys' Fee Fund shall be established for the payment of costs and expenses (including attorneys' fees) of Holders of Municipal Opioid Claims and Tribe Opioid Claims (including any ad hoc group consisting of any of the foregoing), other than any amounts paid to counsel to the Governmental Plaintiff Ad Hoc Committee and the MSGE Group in accordance with the Plan and the Restructuring Support Agreement. The Municipal and Tribe Opioid Attorneys' Fee Fund shall be funded in an aggregate amount not to exceed \$110 million from periodic distributions of 5.5% of each distribution on account of the Public Opioid Creditor Share. Payments from the Municipal and Tribe Opioid Attorneys' Fee Fund shall be the exclusive means of payment from the Public Opioid Creditor Trusts for costs and expenses (including attorneys' fees) of any Holder of a Municipal Opioid Claim or Tribe Opioid Claim (or any ad hoc group consisting of any of the foregoing) or any attorney therefor, other than amounts paid in accordance with the order of the MDL Court establishing the Common Benefit Fund. The Opioid MDT II Trustee(s) and Opioid Creditor Trustee(s), as applicable, shall determine the eligibility, amount and Allowance of the applicable Opioid Claims in accordance with the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The determination by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s) of the eligibility, amount and Allowance of each Opioid Claim (except for any Other Opioid Claims) shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other Person, except as set forth herein and in the Opioid MDT II Documents and Opioid Creditor Trust Documents. Holders of disallowed Opioid Claims shall have no recourse to the Opioid Creditor Trusts, the Ratepayer Account, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

1. Administration of Other Opioid Claims

On the Effective Date or as soon as reasonably practicable thereafter, the Opioid MDT II Administrator will (i) file the notice of the Other Opioid Bar Date with the Bankruptcy Court and (ii) publish the notice of the Other Opioid Bar Date, the form of which shall be reasonably acceptable to the Reorganized Debtors. The notice shall be served on all known Other Opioid Claimants who were served with ballots for Class 9(h) or submitted ballots for Class 9(h). Any Other Opioid Claim for which no timely proof of claim form is submitted shall be deemed disallowed, subject to Bankruptcy Rule 9006.

All Other Opioid Claims shall be Disputed Claims under the Plan. Only Other Opioid Claims that become Allowed Claims pursuant to the procedures contained in Article IV.Y.2 herein shall be entitled to receive distributions on account of their respective Other Opioid Creditor Pro Rata Share. For the avoidance of doubt, Other Opioid Claims, whether Allowed or disallowed, shall not be entitled to any distributions from any Abatement Trust or other Opioid Creditor Trust.

After Other Opioid Claims are Allowed and in the course of making any Opioid MDT II Subsequent Distribution, the Opioid MDT II Administrator will calculate the Other Opioid Claimant Pro Rata Share for the Allowed Other Opioid Claims, and shall make distributions to Holders of Allowed Other Opioid Claims accordingly.

The Opioid MDT II Administrator may, in its discretion, elect to implement procedures for the establishment and release of a reserve for Other Opioid Claims that may be allowed in the future. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Opioid MDT II shall treat any such reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including, to the extent applicable, the Opioid MDT II and Holders of Other Opioid Claims) shall be required to report for tax purposes consistently with the foregoing.

2. Objections to Other Opioid Claims

The Opioid MDT II Administrator shall be entitled to object to Other Opioid Claims. Any objections to Other Opioid Claims shall be served and filed on or before the later of (i) two-hundred and seventy (270) days after the Other Opioid Claims Bar Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The Opioid MDT II Administrator shall be entitled to use omnibus objections in compliance with Local Rule 3007-1 and may seek Bankruptcy Court approval to establish additional objection or estimation procedures as the Opioid MDT II Administrator believes appropriate.

3. Resolution of Disputed Other Opioid Claims

On and after the Effective Date the Opioid MDT II Administrator shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Other Opioid Claims and to compromise, settle, or otherwise resolve any Disputed Other Opioid Claims without approval of the Bankruptcy Court.

4. Disallowance of Other Opioid Claims

Any Other Opioid Claims held by an Entity from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Other Opioid Claims may not receive any distributions on account of such Other Opioid Claims until such time as such

Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors.

5. Estimation of Other Opioid Claims

The Opioid MDT II Administrator may at any time request that the Bankruptcy Court estimate any Other Opioid Claims pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether the Opioid MDT II Administrator has previously objected to such Other Opioid Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Other Opioid Claim at any time during litigation concerning any objection to any Other Opioid Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any Other Opioid Claim, that estimated amount shall constitute the maximum limitation on such Other Opioid Claim, and the Opioid MDT II Administrator may pursue supplementary proceedings to object to the ultimate allowance of such Other Opioid Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Other Opioid Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of an Other Opioid Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such Other Opioid Claim unless the holder of such Other Opioid Claim has filed a motion requesting the right to seek such reconsideration on or before twenty (20) calendar days after the date such Other Opioid Claim is estimated by the Bankruptcy Court.

Z. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, prior to the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of the Plan, the Confirmation Order, the Scheme of Arrangement, the Irish Confirmation Order, the Restructuring Transactions, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents.

The log shall also provide fields stating the basis for redacting the document, with sufficient detail to allow

an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be produced simultaneously with the production of documents required by Article IV.AA.7.

In addition to the redacted documents, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall, upon any Settling State's request, also produce all documents identified in Article IV.AA.1 in unredacted form to such Settling State at the same time. The redacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may be publicly disclosed in accordance with Article IV.AA.6. The unredacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to a Settling State shall be available only to such Settling State unless the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' claim of exemption under Article IV.AA.2 is successfully challenged in accordance with Article IV.AA.4 or the trade secret designation expires in accordance with Article IV.AA.5.

4. Challenges to Redaction

Anyone, including members of the public and the press, may challenge the appropriateness of redactions by providing notice to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors. If the challenge is not resolved by agreement, it must be resolved in the first instance by a third party jointly appointed by the Minnesota State Attorney General, on behalf of the Settling States, and the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to resolve such challenges. The decision of the third party may be appealed to a court with enforcement authority over the Opioid Operating Injunction. If not so appealed, the third party's decision is final. In connection with such challenge, a Settling State may provide copies of relevant unredacted documents to the parties or the decisionmaker, subject to appropriate confidentiality and/or in camera review protections, as determined by the decisionmaker.

5. Review of Trade Secret Redactions

Ten years after the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors complete the production of documents in accordance with this Article IV.AA, the Reorganized VI-Specific Debtors shall review all trade secret assertions made in accordance with Article IV.AA.2 and all non-manufacturing trade secret designations shall expire. The newly unredacted documents may then be publicly disclosed by the Minnesota State Attorney General, on behalf of the Settling States, in accordance with Article IV.AA.6. The Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, an updated redaction log justifying its designations of the remaining trade secret redactions as manufacturing trade secrets.

6. Public Disclosure through a Document Repository

The Minnesota State Attorney General, on behalf of the Settling States, may publicly disclose all documents covered by this Article IV.AA through a public repository maintained by a governmental, non-profit, or academic institution. The Minnesota State Attorney General, on behalf of the Settling States, may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents. When providing the documents covered by this Article IV.AA to a public repository, no Settling State shall include or attach within the document set any characterization of the content of the documents. For the avoidance of doubt, nothing in this paragraph shall prohibit any Settling State from publicly discussing the documents covered by this Article IV.AA.

7. Timeline for Production

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce all documents required by Article IV.AA.1 within nine months from the Petition Date.

8. Costs

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall be responsible for their allocable share of all reasonable costs and expenses associated with the public disclosure and storage of the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' documents through any public repository.

BB. *Monitor*⁸

1. Appointment and Term

The Confirmation Order will provide for the appointment of the Monitor for a term of five years from the Petition Date. If, at the conclusion of the Monitor's five-year term, the Settling States determine in good faith and in consultation with the Monitor that the Reorganized VI-Specific Debtors have failed to achieve and maintain substantial compliance with the substantive provisions of the Opioid Operating Injunction, the Monitor's engagement shall be extended for an additional term of up to two years, subject to the right of the Reorganized VI-Specific Debtors to commence legal proceedings for the purpose of challenging the decision of the Settling States and to seek preliminary and permanent injunctive relief with respect thereto.

2. Identity

The Monitor for the full term shall be the Chapter 11 Monitor in place as of the Effective Date unless justifiable cause exists and the Monitor Agreement shall remain in full force and effect upon the Effective Date, unless amended or superseded by further order of the Bankruptcy Court, which order may be the Confirmation Order. For purposes of this paragraph, justifiable cause exists if the Monitor resigns or a court finds that the Monitor: (a) develops a conflict of interest that would undermine public confidence in the objectivity of his or her work; (b) has unreasonably failed to fulfill his or her material obligations under the Opioid Operating Injunction or pursuant to his or her work plan, (c) has engaged in any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct; or (d) has engaged in an intentional act of bias or prejudice in favor or against either party. Justifiable cause shall not include the Reorganized VI-Specific Debtors' or the Settling States' disagreements with the decisions of the Monitor, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Monitor has not been acting as an independent third party in rendering decisions.

If a new Monitor must be appointed during the term, the Reorganized VI-Specific Debtors and the Settling States shall exchange pools of recommended candidates within 30 days of the Monitor's departure. The pools shall each contain the names of three individuals, groups of individuals or firms and shall be based in part on experience with internal investigations or the investigative process (which may include prior monitorship or oversight experience) and expertise in the pharmaceutical industry, relevant regulatory regimes, and internal controls and compliance systems.

After receiving the pools of Monitor candidates, the Reorganized VI-Specific Debtors and the Settling States shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Reorganized VI-Specific Debtors and the Settling States may veto any of the candidates, and must do so in writing within 30 days of receiving the pool of candidates. If all three candidates within a pool are rejected by either the Reorganized VI-Specific Debtors

or the Settling States, the party who rejected the three candidates may direct the other party to provide up to three additional qualified candidates within 15 days of receipt of said notice.

If the Reorganized VI-Specific Debtors or the Settling States do not object to a proposed candidate, the Reorganized VI-Specific Debtors or the Settling States shall so notify the other in writing within 30 days of receiving the pool of candidates. If more than one candidate remains, the Settling States shall select the Monitor from the remaining candidates.

3. Duties and Reporting

The Monitor shall be responsible for ensuring that the Reorganized VI-Specific Debtors (and any successors during the Monitor's term to the Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories) are in compliance with the Opioid Operating Injunction. The Reorganized VI-Specific Debtors and their professionals and representatives shall cooperate and reasonably respond to requests by the Monitor in the performance of its responsibilities, including reasonable requests for access to relevant books and records of the Reorganized VI-Specific Debtors. Subject to any legally recognized privilege and as reasonably necessary to perform his or her duties, the Monitor shall have full and complete access to the Reorganized VI-Specific Debtors' personnel, books, records, and facilities, and to any other relevant information, as the Monitor may request. The Reorganized VI-Specific Debtors shall develop such information as the Monitor may request and shall fully, completely and promptly cooperate with the Monitor.

The manner in which the Monitor will carry out his or her responsibilities, the general scope of information that the Monitor will seek to review in fulfilling his or her duties and, where applicable, the methodologies to be utilized shall be consistent with the work plan used by the Chapter 11 Monitor as of the Effective Date (the "Work Plan"). The Reorganized VI-Specific Debtors, the Settling States, and the Monitor may jointly agree to revisions to the Work Plan.

The Monitor shall file a report with the Settling States regarding compliance by the Reorganized VI-Specific Debtors with the terms of the Opioid Operating Injunction every 90 days after the Effective Date (the "**Monitor Reports**"). The Reorganized VI-Specific Debtors and the Settling States may jointly agree to decrease the frequency of Monitor Reports to every 180 days. To the extent permissible by state public record laws, these reports (in whole or in part) may be filed subject to restriction from public disclosure. The content of Monitor Reports shall be set forth in the Work Plan.

Prior to issuing a Monitor Report, the Monitor shall confer with Reorganized VI-Specific Debtors and the Settling States, either jointly or separately (in the discretion of the Monitor), regarding his or her preliminary findings and the reasons for those findings. The Reorganized VI-Specific Debtors shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report.

4. Relief and Cure

In furtherance of the responsibilities of the Monitor, the Monitor shall be authorized to seek relief from the Bankruptcy Court, to the extent necessary to carry out its obligations hereunder.

In the event a Monitor Report identifies a potential violation of the Opioid Operating Injunction, the Reorganized VI-Specific Debtors shall have the right to cure any potential violation within 30 days.

5. Professionals and Costs

The Monitor shall have the authority to employ, upon written consent from the Reorganized VI-Specific Debtors, such consent not to be unreasonably withheld, delayed or conditioned, such consultants,

accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's responsibilities. Requests to employ such individuals will be decided upon no later than ten (10) days from their receipt.

All compensation, costs and fees of the Monitor and any professionals retained by the Monitor shall be paid by the Reorganized VI-Specific Debtors.

6. Liability

The Monitor shall serve without bond or other security. The Monitor shall have no obligation, responsibility, or liability for the operations of the Reorganized VI-Specific Debtors.

CC. *Trade Claimant Agreements*

As to any Trade Claimant that agrees by so indicating on its Ballot to maintain with the Debtors Favorable Trade Terms, the Plan shall constitute (i) if applicable, an amendment to such Trade Claimant's assumed or assumed and assigned Executory Contract between any Debtor and such Trade Claimant, instituting the foregoing trade terms in such Executory Contract, or (ii) otherwise, a contractual agreement by such Trade Claimant to maintain such trade terms for at least twelve (12) months after the Effective Date.

DD. *Federal/State Acthar Settlement*

As of the Effective Date, the Federal/State Acthar Settlement Agreements shall be executed by Parent, Mallinckrodt ARD LLC, the U.S. Government, and the States. On the Effective Date or as soon as reasonably practicable thereafter, the Debtors and/or the Reorganized Debtors will make the Initial Federal/State Acthar Settlement Payment, and thereafter, the Reorganized Debtors will make each of the Federal/State Acthar Deferred Cash Payments; *provided*, that the Federal/State Acthar Deferred Cash Payments shall bear interest accruing at an annual rate of 0.6255%, running from September 21, 2020, in eight installments, pursuant to the installment payment schedule described in Exhibit B of the Federal/State Acthar Settlement Agreements.

EE. *Retainers of Ordinary Course Professionals*

Upon the Effective Date, each Ordinary Course Professional may apply its retainer, if any, against any outstanding prepetition balances owed by the Debtors to such Ordinary Course Professional.

FF. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

GG. *No Claims Under First Lien Notes/Second Lien Notes Intercreditor Agreement*

As the holders of First Lien Notes Claims shall have received recovery in full pursuant to the terms of this Plan, the holders of First Lien Notes shall not have any claims (including, without limitation, for turnover of payments) against the holders of Second Lien Notes (or the Second Lien Indenture Trustee or the Second Lien Collateral Agent) under the existing Intercreditor Agreement in any way arising from, relating to or as a result of the Debtors' restructuring (including, without limitation, of the First Lien Notes and Second Lien Notes), the Plan (including, without limitation, the treatment of the existing First Lien Notes Claims or Second Lien Notes Claims under the Plan or the making of distributions to the holders of

the existing First Lien Notes Claims or Second Lien Notes Claims in accordance with the Plan), the distribution of property by the Debtors under the Plan, any related document or any order of the Bankruptcy Court, or any other transaction, agreement, event, omission or other occurrence taking place on or before the Effective Date related or relating to any of the foregoing, including without limitation the payment of any reasonable and documented out-of-pocket fees or expenses of the advisors to the Ad Hoc Second Lien Notes Group or the payment of the Second Lien Notes Indenture Trustee Fees, which payments shall be final and not subject to disgorgement, turnover, recovery, avoidance, recharacterization or any other similar claim.

Prior to Effective Date, the Debtors shall not agree to any settlement with holders of the First Lien Notes Claims as to the treatment of such First Lien Notes Claims under this Plan that does not provide for a full release from any and all claims (including, without limitation, for turnover of payments) held by such settling holders of such First Lien Notes Claims against the holders of the Second Liens Notes Claims pursuant to the applicable Intercreditor Agreement.

HH. *General Unsecured Claims Trust*

1. Creation of General Unsecured Claims Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the General Unsecured Claims Trust in accordance with the Plan and the General Unsecured Claims Trust Documents. As of the Effective Date, the General Unsecured Claims Trust Documents shall be executed by the Debtors and the General Unsecured Claims Trustee, as applicable, and the General Unsecured Claims Trust shall be created. The General Unsecured Claims Trust will satisfy any applicable requirements to constitute a “qualified settlement fund” within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the General Unsecured Claims Trust and implementation of the UCC Settlement shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of General Unsecured Claims and Trade Claims to be assumed by the General Unsecured Claims Trust. The purpose of the General Unsecured Claims Trust shall be to, among other things: (1) resolve all Claims assumed thereby in accordance with the Plan, the General Unsecured Claims Trust Documents, and the Confirmation Order (but not, for the avoidance of doubt, (a) the Share Repurchase Claims, which will be liquidated by the Opioid MDT II or (b) any Claims to the extent and for so long as they are asserted as any other classification or status of Claims except General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust under Article IV.HH.7 of the Plan); (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the General Unsecured Claims Trust for use in resolving Claims assumed thereby; (3) enforce, pursue, prosecute, compromise, and/or settle the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims; (4) pay all GUC Trust Expenses as provided in the General Unsecured Claims Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the General Unsecured Claims Trust, including the fees and expenses of any professionals retained by the General Unsecured Claims Trust; and (6) qualify at all times as a qualified settlement fund.

Further, any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall be nontransferable and nonassignable except by will, intestate, succession, or operation of law. Any rights to receive a Distribution or other payment from the General Unsecured Claims Trust shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the General Unsecured Claims Trust

The General Unsecured Claims Trust shall be funded solely by the General Unsecured Claims Trust Consideration. On the Effective Date, the obligations to provide the General Unsecured Claims Trust Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the General Unsecured Claims Trust Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. The Reorganized Debtors shall market the StrataGraft priority review voucher at a time to be determined by the Reorganized Debtors’ board of directors. The Reorganized Debtors shall have sole discretion and control over the marketing and sale of the Stratagraft priority review voucher but shall provide the General Unsecured Claims Trustee with timely updates regarding all aspects of the marketing of the StrataGraft priority review voucher, and the General Unsecured Claims Trustee shall be entitled to reasonable consultation rights in respect of such marketing.

5. GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims to the General Unsecured Claims Trust; *provided*, that the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the General Unsecured Claims Trust) on account of any GUC Assigned Preference Claims or GUC Assigned Sucampo Avoidance Claims shall be enjoined and barred. In addition, the General Unsecured Claims Trust may obtain other consideration from third parties post-emergence, including but not limited to claims assigned by creditors, subject to the reasonable consent right of the Debtors or Reorganized Debtors, and the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with such other third-party consideration on the same terms as set forth in this Article IV.HH.

On and after the Effective Date, the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with the General Unsecured Claims

The General Unsecured Claims Trust shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date. Any request by the General Unsecured Claims Trust for cooperation by the Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the General Unsecured Claims Trust Consideration in the General Unsecured Claims Trust

On the Effective Date, pursuant to the Plan and in accordance with the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust Consideration shall be transferred or issued to and vest in the General Unsecured Claims Trust free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Claims assumed by the General Unsecured Claims Trust). The General Unsecured Claims Trust shall have no liability for, and the General Unsecured Claims Trust Consideration shall vest in the General Unsecured Claims Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Claims assumed by the General Unsecured Claims Trust. From and after the Effective Date, all proceeds of the General Unsecured Claims Trust Consideration shall be paid to the General Unsecured Claims Trust to be applied in accordance with the General Unsecured Claims Trust Documents. For the avoidance of doubt, the Asbestos Cost Sharing Agreement shall be excluded from the General Unsecured Claims Trust and remain with the Reorganized Debtors.

7. Assumption of Certain Liability and Responsibility by the General Unsecured Claims Trust

In consideration for the property transferred to the General Unsecured Claims Trust and in furtherance of the purposes of the General Unsecured Claims Trust and the Plan, the General Unsecured Claims Trust shall assume all liability and responsibility, financial and otherwise, for (a) all General Unsecured Claims and (b) any Trade Claim, the Holder of which votes to reject the Plan or does not agree to maintain Favorable Trade Terms in accordance with the requirements set forth in the Disclosure Statement Order. The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the General Unsecured Claims Trust. Except as otherwise provided in the Plan and the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

8. Administration of General Unsecured Claims and Trade Claims Assumed by the General Unsecured Claims Trust

All Claims assumed by the General Unsecured Claims Trust will be administered, liquidated and discharged pursuant to the applicable General Unsecured Claims Trust Documents. Distributions in respect of Allowed Claims assumed by the General Unsecured Claims Trust shall be made by the General Unsecured Claims Trustee(s), in accordance with the General Unsecured Claims Trust Documents from the General Unsecured Claims Trust. Distributions from the General Unsecured Claims Trust shall be the sole source of recovery for Holders of Allowed Claims assumed by the General Unsecured Claims Trust pursuant to the Plan, and no Holder of any such Claim shall have any other or further recourse to the General

Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Claims shall have no recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

Other than as described below, only the General Unsecured Claims Trustee shall be entitled to object to the General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. Any objections to such Claims shall be served and filed by the General Unsecured Claims Trustee on or before the later of (a) two-hundred and seventy (270) days after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary or appropriate by the General Unsecured Claims Trust Trustee(s). The General Unsecured Claims Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other

charges incurred subsequent to the date upon which the General Unsecured Claims Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

The General Unsecured Claims Trust shall be authorized to conduct examinations under Bankruptcy Rule 2004, to the fullest extent permitted thereunder, to investigate the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, without the requirement of filing a motion for such authorization; *provided, however*, that no such examinations shall be taken of the Debtors, the Reorganized Debtors, any Released Party, or any of their respective then-current employees, officers, directors, representatives, or agents, without further order of the Bankruptcy Court after notice and an opportunity to object and be heard.

For the avoidance of doubt, the Asbestos Cost Sharing Agreement and the Asbestos Insurance Policies shall be excluded from the Asbestos Trust and shall be assumed by the Reorganized Debtors and/or assigned to the Opioid MDT II, as the case may be, including but not limited to in accordance with the definition and treatment of Opioid Insurance Policies and Excluded Insurance Policies herein.

6. Assumption of Certain Liability and Responsibility by the Asbestos Claims Trust

In consideration for the property transferred to the Asbestos Trust and in furtherance of the purposes of the Asbestos Trust and the Plan, the Asbestos Trust shall assume all liability and responsibility, financial and otherwise, for all Asbestos Claims (but not, for the avoidance of doubt, Asbestos Late Claims, which shall be assumed by the General Unsecured Claims Trust). The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the Asbestos Trust. Except as otherwise provided in the Plan and the Asbestos Trust Documents, the Asbestos Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Asbestos Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

7. Administration of Asbestos Claims and by the Asbestos Trust

All Asbestos Claims will be administered, liquidated, and discharged pursuant to the applicable Asbestos Trust Documents. Distributions in respect of Allowed Asbestos Claims shall be made by the Asbestos Trustee(s), in accordance with the Asbestos Trust Documents from the Asbestos Trust. Distributions from the Asbestos Trust shall be the sole source of recovery for Holders of Allowed Asbestos Claims, and no Holder of any such Claim shall have any other or further recourse to the Asbestos Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Asbestos Claims shall have no recourse to the Asbestos Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Asbestos Claims.

Only the Asbestos Trustee shall be entitled to object to the Asbestos Claims, and, for the avoidance of doubt, only the General Unsecured Claims Trustee is entitled to object to the Asbestos Late Claims. Any objections to such Claims shall be served and filed by the Asbestos Trustee on or before the later of (a) two-hundred and seventy (270) days after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The Asbestos Trustee shall be entitled to use omnibus objections in compliance with Local Rule 3007-1 and may seek Bankruptcy Court approval to establish additional objection or estimation procedures as the Asbestos Trustee believes appropriate.

For the avoidance of doubt, the defense of any new litigations or claims concerning asbestos commenced against the Reorganized Debtors after the Effective Date will be the responsibility of the Reorganized Debtors, *provided* that the foregoing should not be construed as a waiver of any defense the Reorganized Debtors may have thereto, including that any liability in such litigations or claims are discharged pursuant to the Plan and the Confirmation Order. If any such new litigations or claims result in the filing of Proofs of Claim in the Bankruptcy Court, such Proofs of Claim shall be Asbestos Late Claims, and not Asbestos Claims.

JJ. *Other Terms of Settlement With Official Committee of Unsecured Creditors*

On the Effective Date or as soon as reasonably practicable thereafter and upon presentment of invoices in customary form (which may be redacted to preserve any confidential or privileged information), the Reorganized Debtors shall pay in Cash all reasonable, documented, out-of-pocket fees, expenses, and disbursements incurred by the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee (including reasonable and documented professional fees, expenses, and disbursements) whether prior to or after the Petition Date, but on or prior to the Effective Date in connection with the consummation of the Plan and occurrence of the Effective Date, without the need for application by any party to the Bankruptcy Court, and without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. For the avoidance of doubt, the reasonable, documented, out-of-pocket

fees, expenses and disbursements of the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee incurred for Additional GUC Trust Distributions made to Holders of Allowed 4.75% Unsecured Notes Claims and Holders of Allowed Legacy Unsecured Notes Claims shall be satisfied by exercise of any lien in favor of the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee, as applicable.

Article V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. *Assumption of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (2) that is the subject of a separate motion or notice to reject pending as of the Confirmation Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumption of the Restructuring Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Restructuring Support Agreement shall be binding and enforceable against the parties to the Restructuring Support Agreement in accordance with its terms. For the avoidance of doubt, the assumption of the Restructuring Support Agreement herein shall not otherwise modify, alter, amend, or supersede any of the terms or conditions of the Restructuring Support Agreement including, without limitation, any termination events or provisions thereunder.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease or the execution of any other Restructuring Transaction (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. For the avoidance of doubt, consummation of the Restructuring Transactions shall not be deemed an assignment of any Executory Contract or Unexpired Lease of the Debtors, notwithstanding any change in name, organizational form, or jurisdiction of organization of any Debtor in connection with the occurrence of the Effective Date.

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the Debtors or Reorganized Debtors, as applicable, reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion prior to the Confirmation Date (or such later date as may be permitted by Article V.B or Article V.E below), *provided*

that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

B. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Cost in Cash on the Effective Date or as soon as reasonably practicable, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree. No later than the Plan Supplement Filing Date, to the extent not previously Filed with the Bankruptcy Court and served on affected counterparties, the Debtors shall provide notices of the proposed assumption and proposed Cure Costs to be sent to applicable counterparties, together with procedures for objecting thereto and for resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related Cure Cost must be Filed, served, and actually received by the Debtors by the date on which objections to confirmation are due (or such other date as may be provided in the applicable assumption notice).

Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Cost will be deemed to have assented to such assumption and Cure Cost. Any timely objection to a proposed assumption or Cure Cost will be scheduled to be heard by the Bankruptcy Court at the Reorganized Debtors' first scheduled omnibus hearing after the date that is ten (10) days after the date on which such objection is Filed. In the event of a dispute regarding (1) the amount of any Cure Cost, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365(b) of the Bankruptcy Code under any Executory Contract or the Unexpired Lease, and/or (3) any other matter pertaining to assumption and/or assignment, then such dispute shall be resolved by a Final Order; *provided* that the Debtors or Reorganized Debtors may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court; *provided, further*, that notwithstanding anything to the contrary herein (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors reserve the right to reject any Executory Contract or Unexpired Lease previously designated for assumption within forty five (45) days after the entry of a Final Order resolving an objection to the assumption or to the proposed Cure Cost.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full satisfaction and cure of any Claims and defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, under any assumed Executory Contract or Unexpired Lease arising at any time prior to the effective date of assumption. Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, will continue to honor all postpetition and post-Effective Date obligations under any assumed Executory Contracts and Unexpired Leases in accordance with their terms, regardless of whether such obligations are listed as a Cure Cost, and whether such obligations accrued prior to or after the Effective Date, and neither the payment of Cure Costs nor entry of the Confirmation Order shall be deemed to release the Debtors or the Reorganized Debtors, as applicable, from such obligations.

C. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the effective date of the rejection of the applicable Executory Contract or Unexpired Lease. **Any Proofs of Claim arising from the rejection of the Executory Contracts and Unexpired Leases that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Claims arising

from the rejection of the Executory Contracts and Unexpired Leases shall constitute General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, will be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) will survive and remain unaffected by entry of the Confirmation Order.

E. *Reservation of Rights*

Neither anything contained in the Plan nor the Debtors' delivery of a notice of proposed assumption and proposed Cure Cost to any contract and lease counterparties shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.C of the Plan.

F. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

G. *Co-Defendant Indemnification Obligations*

As of the Effective Date, any term of any policy, contract or other obligation applicable to any Debtor shall be void and of no further force or effect to the maximum extent permitted by applicable law and to the extent such policy, contract or other obligation creates an obligation of any Debtor, or gives rise to a right under any Insurance Contract of any Debtor, for the indemnification or reimbursement of any Person other than the Opioid MDT II for costs, losses, damages, fees, expenses or any other amounts whatsoever relating to or arising from any actual or potential litigation or dispute, whether accrued or unaccrued, asserted or unasserted, existing or hereinafter arising, based on or relating to or in connection with, or in any manner arising from, in whole or in part, any Opioid Claim or any Opioid Demand (excluding any indemnification obligations expressly assumed pursuant to, or otherwise provided for in,

the Plan). Notwithstanding the foregoing, nothing herein shall interfere with the Assigned Insurance Rights or the Opioid MDT II's exercise of the Assigned Insurance Rights.

The Plan shall, to the maximum extent permitted by applicable law, constitute (i) an amendment to each assumed or assumed and assigned contract to sever any and all provisions thereof that give rise to any obligation or right described in this Article V.G and (ii) an agreement by each counterparty to release any and all obligations and liabilities arising under or relating to such severed provisions and any and all Co-Defendant Claims and Opioid Claims (including Opioid Demands) arising under such contract, including any Co-Defendant Claims and Opioid Claims (including Opioid Demands) that might otherwise be elevated to administrative status through assumption of such contract. The severed portion of each such contract shall be rejected as of the Effective Date, and any Claims resulting from such rejection shall be forever released and discharged, with no distribution on account thereof. Except to the extent included in the Rejected Executory Contract/Unexpired Lease List, each such contract, solely as amended pursuant to this Article V.G, shall be assumed by the applicable Debtor and, as applicable, may be assigned to NewCo (or one of the NewCo Subsidiaries). No counterparty or any other Person shall have or retain any Claim, Cause of Action or other right of recovery against the Debtors or any other Person, including without limitation NewCo or any Insurer, except for the Opioid MDT II on account of the Other Opioid Claims (if applicable), for or relating to any obligation or right described in this Article V.G, any Co-Defendant Claim or the amendment of any contract, or the severance and rejection of obligations and liabilities in connection therewith, described in this Article V.G. On the Effective Date, all Co-Defendant Claims arising under or related to any contract of the Debtors shall be released and discharged to the maximum extent permitted by applicable law with no consideration on account thereof, and all Proofs of Claim in respect thereof shall be deemed disallowed and expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person, and any Opioid Claims (other than indemnification claims arising under an Executory Contract) arising under or related to any contract of the Debtors will be treated in accordance with Article III of the Plan. For the avoidance of doubt, no Co-Defendant Claim or Opioid Claim will be assumed by the Reorganized Debtors or NewCo, elevated to administrative priority status or otherwise receive modified treatment as a result of the assumption or assumption and assignment of any contract pursuant to this Article V.G.

The Debtors shall provide notice to all known counterparties to any Executory Contract or Unexpired Lease of this Article V.G. To the extent an objection is not timely filed and properly served on the Debtors with respect to any contract of the Debtors in accordance with the Disclosure Statement Order, the counterparty to such contract and all other Persons shall be bound by and deemed to have assented to the amendment of such contract, the assumption or assumption and assignment of such amended contract and the severance and release of obligations, liabilities and Claims described in this Article V.G. Except to the extent that the Holder of a Co-Defendant Claim otherwise agrees or fails to object to such treatment, the assumption or rejection of a contract or lease with the Holder of a Co-Defendant Claim shall not operate as a release, waiver or discharge of any Co-Defendant Defensive Rights or Co-Defendant Claims. For the avoidance of doubt, if a counterparty to any contract timely files and properly serves an objection on the Debtors, (x) such objecting party will not be bound by this Article V.G., (y) any Cure Costs for such contract (if applicable) will be payable only by the Debtors, the Reorganized Debtors, or NewCo (as applicable), and (z) any Claims for rejection damages (if applicable) that are Co-Defendant Claims will be either Other Opioid Claims or No Recovery Opioid Claims and treated in accordance with the Plan, and any other Claims for rejection damages (if applicable) will be General Unsecured Claims.

H. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of the Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as

Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in the Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, will be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring, the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration or similar provisions therein. No counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately prior to such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided* that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. *Distribution on Account of Claims Other than Opioid Claims Allowed as of the Effective Date*

Except as otherwise provided in the Plan or a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Claims other than Opioid Claims Allowed on or before the Effective Date shall be made on the Initial Distribution Date; *provided* that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business or industry practice, (2) Allowed Priority Tax Claims shall be satisfied in accordance with Article II.B herein, (3) Allowed Other Priority Claims shall be satisfied in accordance with Article II.C herein, and (4) Allowed General Unsecured Claims and Allowed Trade Claims that would not come due in the ordinary course of the Debtors' business until after the Initial Distribution Date shall be paid by the Reorganized Debtors in the ordinary course of business; *provided, further*, that all Initial Distribution Date distributions are subject to the Disputed General Unsecured Claims Reserve in accordance with Article VII.H of the Plan. For the avoidance of doubt, the Debtors' obligation to make any distributions on account of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust will be satisfied by the transfer of the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust.

B. *Distributions on Account of Claims Other than Opioid Claims Allowed After the Effective Date*

1. Payments and Distributions on Disputed Claims

Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions on account of Disputed Claims other than Opioid Claims that become Allowed after the Effective Date shall be made on the next Periodic Distribution Date that is at least thirty (30) days after the Disputed Claim becomes an Allowed Claim; *provided* that (a) Disputed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business that become Allowed after the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (b) Disputed Priority Tax Claims that become Allowed Priority Tax Claims after the Effective date shall be treated as Allowed Priority Tax Claims in accordance with Article II.B of the Plan, and (c) Disputed Other Priority Claims that become Allowed Other Priority Claims after the Effective Date shall be treated as Allowed Other Priority Claims in accordance with Article II.C of the Plan.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order.

C. *Timing and Calculation of Amounts to Be Distributed*

Except as otherwise provided herein, on the Initial Distribution Date each Holder of an Allowed Claim other than an Opioid Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. If and to the extent that any Disputed Claims exist, distributions on account of such Disputed Claims shall be made pursuant to Article VI.B and Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

D. *Delivery of Distributions*

1. Record Date for Distributions

For purposes of making distributions on the Initial Distribution Date only, the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims other than Opioid Claims reflected in the Debtors' books and records as of the close of business on the Confirmation Date; *provided, however*, that such record date will not apply to any distributions related to the First Lien Notes, Second Lien Notes, or Guaranteed Unsecured Notes maintained through DTC, and the record date for Holders of Allowed First Lien Term Loan Claims shall be the Effective Date. Subject to the foregoing sentence, if a Claim other than an Opioid Claim is transferred (a) twenty-one (21) or more days before the Confirmation Date and reasonably satisfactory documentation evidencing such transfer is Filed with the Bankruptcy Court before the Confirmation Date, the Distribution Agent shall make the applicable distributions to the applicable transferee, or (b) twenty (20) or fewer days before the Confirmation Date, the Distribution Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form is Filed with the Bankruptcy Court before the Confirmation Date and contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General

Except as otherwise provided in the Plan, the Distribution Agent shall make distributions to Holders of Allowed Claims other than Opioid Claims at the address for each such Holder as indicated in the Debtors' records as of the date of any such distribution, including the address set forth in any Proof of Claim Filed by that Holder or, with respect to Holders of Allowed First Lien Term Loan Claims, the address recorded as of the Effective Date in the register maintained by the First Lien Agent, as applicable; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Distributions by Distribution Agents

The Debtors and the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Distribution Agents to facilitate the distributions required hereunder. Except in the case of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee, each serving as a Distribution Agent, to the extent the Debtors and the Reorganized Debtors, as applicable, determine to utilize a Distribution Agent to facilitate the distributions under the Plan to Holders of Allowed Claims other than Opioid Claims, Guaranteed Unsecured Notes Claims, 4.75% Unsecured Notes Claims, and Legacy Unsecured Notes Claims, any such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or distributions required under the Plan; and (c) waive any right or ability to setoff, deduct from or assert any lien or encumbrance against the distributions required under the Plan to be distributed by such Distribution Agent; *provided*, that no Distribution Agent (including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee) will be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

Distributions on account of the Allowed First Lien Term Loan Claims will be made to the First Lien Agent or the New Takeback Term Loan Agent, as applicable, and the First Lien Agent or the New Takeback Term Loan Agent (as applicable) will be, and will act as, the Distribution Agent with respect to the Allowed First Lien Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents. Distributions on account of the Allowed Second Lien Notes Claims will be made to or at the direction of the Second Lien Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee will be, and will act as, the Distribution Agent with respect to the Allowed Second Lien Notes Claims in accordance with the terms and conditions of this Plan and the Second Lien Notes Indenture.

The Debtors or the Reorganized Debtors, as applicable, shall pay to the Distribution Agents all reasonable and documented fees and expenses of the Distribution Agents without the need for any approvals, authorizations, actions, or consents. The Distribution Agents (other than the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee) shall submit detailed invoices to the Debtors or the Reorganized Debtors, as applicable, for all fees and expenses for which the Distribution Agent seeks reimbursement and the Debtors or the Reorganized Debtors, as applicable, shall promptly pay those amounts that they, in their sole discretion, deem reasonable, and shall object in writing to those fees and expenses, if any, that the Debtors or the Reorganized Debtors, as applicable, deem to be unreasonable. In the event that the Debtors or the Reorganized Debtors, as applicable, object to all or any portion of the amounts requested to be reimbursed in a Distribution Agent's invoice, the Debtors or the Reorganized Debtors, as applicable, and such Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate payment of such disputed fees and/or expenses. In the event that the Debtors or the Reorganized Debtors, as applicable, and a Distribution Agent are unable to resolve any differences regarding disputed

fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

4. Distributions to Holders of Second Lien Notes Claims, Guaranteed Unsecured Notes Claims, 4.75% Notes Claims, and Legacy Unsecured Notes Claims

The distributions of Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be made under this Plan to Holders of Guaranteed Unsecured Notes Claims shall be deemed made by the Debtors or Reorganized Debtors, as applicable, to the Guaranteed Unsecured Notes Indenture Trustee which shall transmit (or cause to be transmitted) such distributions to such Holders as set forth below. Notwithstanding anything to the contrary in this Plan, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, may transfer or facilitate the transfer of such distributions through the facilities of DTC in exchange for the relevant Guaranteed Unsecured Notes. If it is necessary to adopt alternate, additional or supplemental distribution procedures for any reason including because such distributions cannot be made through the facilities of DTC, to otherwise effectuate the distributions under this Plan, the Debtors or Reorganized Debtors, as applicable, shall implement the Alternate/Supplemental Distribution Process. The Debtors or Reorganized Debtors (as applicable) shall use their best efforts to make the Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be distributed to Holders of the Guaranteed Unsecured Notes eligible for distribution through the facilities of DTC.

Distributions on account of the Guaranteed Unsecured Notes Claims, the 4.75% Unsecured Notes Claims, and the Legacy Unsecured Notes Claims will be made to or at the direction of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee, as applicable. As soon as practicable, each of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall arrange to deliver such distributions to or on behalf of such Holders in accordance with the Plan and the applicable debt documents, subject to the rights of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee to exercise any charging lien granted under the Guaranteed Unsecured Notes Indenture, the 4.75% Unsecured Notes Indenture, or Legacy Unsecured Notes Indenture, as applicable. None of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall incur any liability whatsoever on account of making any distributions in accordance with the Plan, whether such distributions are made by it, or by the Distribution Agent at its reasonable direction and whether made on or after the Effective Date.

The obligations of the Guaranteed Unsecured Notes Indenture Trustee under or in connection with this Plan, the Guaranteed Unsecured Notes Indentures, the Guaranteed Unsecured Notes, and any related notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents, shall be discharged and deemed fully satisfied upon the Effective Date. On and after the Effective Date, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as trustee, shall be appointed and act as a Distribution Agent with respect to the applicable Guaranteed Unsecured Notes Claims to facilitate the distributions provided for in this Plan to the applicable Holders of Allowed Guaranteed Unsecured Notes Claims. The obligations of the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, under or in connection with this Plan shall be discharged and deemed fully satisfied (as applicable) upon either: (i) DTC's receipt of the distributions with respect to the Allowed Guaranteed Unsecured Notes Claims; or (ii) if the Alternate/Supplemental Distribution Process is utilized, upon the earlier of the completion of the Guaranteed Unsecured Notes Indenture Trustee's role in such process or in accordance with the terms of the Alternate/Supplemental Distribution Process and, in either case, the Guaranteed Unsecured Notes Indenture Trustee shall not, in any capacity, have liability to any person for having made, or facilitating the making of, the distributions through the foregoing items (i) and (ii). The Guaranteed Unsecured Notes Indenture Trustee, as a Distribution Agent under this Plan, will be entitled to

recognize and deal with for all purposes the Holders of the Guaranteed Unsecured Notes to the extent necessary to facilitate the distributions with respect to Allowed Guaranteed Unsecured Notes Claims to such Holders. Regardless of in which capacity it is acting, the Guaranteed Unsecured Notes Indenture Trustee in any capacity shall not be responsible for, and may conclusively rely on, the Alternate/Supplemental Distribution Process.

The distributions to be made under this Plan to Holders of Second Lien Notes Claims shall be deemed completed when made to or at the direction of the Second Lien Notes Indentures Trustee, which shall be deemed to be the Holder of all Second Lien Notes Claims for purposes of distributions to be made hereunder, and the Second Lien Notes Indenture Trustee shall hold or direct such distributions for the benefit of the Holders of Second Lien Notes Claims. The Second Lien Notes Indenture Trustee may transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with Holders of the Second Lien Notes Claims, to the extent consistent with the customary practices of DTC. If the Second Lien Notes Indenture Trustee is unable to make, or consents to the Reorganized Debtors making, such distributions, the Reorganized Debtors, with the Second Lien Notes Indenture Trustee's cooperation, shall make such distributions to the extent practicable to do so. The Second Lien Notes Indenture Trustee shall have no duties or responsibilities relating to any form of distribution that is not DTC eligible and the Debtors or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of a Second Lien Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. Regardless of whether distributions to Holders of Second Lien Notes Claims are made by the Second Lien Notes Indenture Trustee, or at the reasonable direction of the Second Lien Notes Indenture Trustee, the Second Lien Notes Indenture Trustee's charging lien shall attach to such distributions in the same manner as if such distributions were made through the Second Lien Notes Indenture Trustee. The Second Lien Notes Indenture Trustee shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct.

Notwithstanding any policies, practices or procedures of DTC or any other applicable clearing system, DTC and all other applicable clearing systems shall cooperate with and take all actions reasonably requested by the Notice and Claims Agent, the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee to facilitate distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, and Allowed Second Lien Notes Claims, including without requiring that such distributions be characterized as repayments of principal or interest. No Distribution Agent, including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee in any capacity, shall be required to provide indemnification or other security to DTC in connection with any distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, or Allowed Second Lien Notes Claims through the facilities of DTC.

5. Minimum Distributions

Notwithstanding anything herein to the contrary, other than on account of Unimpaired Claims, the Reorganized Debtors and the Distribution Agents shall not be required to make distributions or payments of less than \$100 (whether Cash or otherwise) and shall not be required to make partial distributions or payments of fractions of dollars or distributions of fractions of a New Mallinckrodt Ordinary Share. Whenever any payment or distribution of a fraction of a dollar or a fraction of a New Mallinckrodt Ordinary Share would otherwise be called for, the actual payment or distribution will reflect a rounding down of such fraction to the nearest whole dollar or nearest whole New Mallinckrodt Ordinary Share.

6. Undeliverable Distributions

a. Holding of Certain Undeliverable Distributions

Undeliverable distributions shall remain in the possession of the Reorganized Debtors, subject to Article VI.D.5.b of the Plan, until such time as any such distributions become deliverable or are otherwise disposed of in accordance with applicable nonbankruptcy law. Undeliverable distributions shall not be entitled to any additional interest, dividends, or other accruals of any kind on account of their distribution being undeliverable. Nothing contained herein shall require the Reorganized Debtors to attempt to locate any Holder of an Allowed Claim.

b. Failure to Present Checks

Checks issued by the Reorganized Debtors (or their Distribution Agent) on account of Allowed Claims shall be null and void if not negotiated within 90 days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim with respect to which such check originally was issued.

E. *Compliance with Tax Requirements/Allocations*

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, including requiring as a condition to the receipt of a distribution, that the Holders of an Allowed Claim complete an IRS Form W-8 or W-9, as applicable. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts Other than Opioid Insurance Policies*

Except as otherwise provided in the Plan, payments to Holders of Claims covered by Insurance Contracts other than Opioid Claims shall be in accordance with the provisions of any applicable Insurance Contract. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts other than Opioid Insurance Policies, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts other than Opioid Insurance Policies and/or applicable non-bankruptcy law. For the avoidance of doubt, this Article VI.F shall not apply to Opioid Insurance Policies and Opioid Claims.

G. *Distributions on Account of Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VI.A through VI.F (except as set forth in the last sentence of Article VI.E) shall not apply to any Opioid Claims, and all distributions to Holders of Opioid Claims (including Opioid Demands) shall be made by and from the Opioid MDT II and the Opioid Creditor Trusts in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

H. *Allocation of Distributions Between Principal and Interest*

Except with respect to the 2024 First Lien Term Loan Claims and the 2025 First Lien Term Loan Claims and as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

I. *Postpetition Interest on Claims*

Notwithstanding anything else in this Plan or the Confirmation Order, postpetition interest shall accrue and be paid on the First Lien Revolving Credit Facility Claims, the First Lien Term Loan Claims, the First Lien Notes Claims, and the Second Lien Notes Claims as set forth in the Plan. Unless otherwise specifically provided for in this Plan (including the preceding sentence and Article II.B.2 of the Plan), the Confirmation Order, the Cash Collateral Order, or Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any other Claims and no Holder of any other Claims shall be entitled to interest accruing on or after the Petition Date on any Claim.

Article VII.

**PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. *Allowance and Disallowance of Claims Other than Opioid Claims*

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim other than Opioid Claims and any other Claims Allowed under this Plan (including the First Lien Term Loan Claims), including the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim other than Opioid Claims or contingent or unliquidated Claim other than Opioid Claims in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

B. *Prosecution of Objections to Claims other than Opioid Claims*

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Debtors shall have the authority to File objections to Claims (other than Claims that are Allowed under this Plan or Opioid Claims) and settle, compromise, withdraw, or litigate to judgment objections to any and all such Claims, regardless of whether such Claims are in an Unimpaired Class or otherwise; *provided, however*, this provision shall not apply to Professional Fee Claims, which may be objected to by any party-in-interest in these Chapter 11 Cases. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim other than Opioid Claims without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors shall have the sole authority to administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured

Claims Trust. The General Unsecured Claims Trustee shall be required to notify the Reorganized Debtors simultaneously with the Notice and Claims Agent of any adjustments to be made to the Claims Register.

C. *Estimation of Claims and Interests other than Opioid Claims*

Before or after the Effective Date, the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim other than any Opioid Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection; and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or during the appeal relating to such objection; *provided* that if the Bankruptcy Court resolves the Allowed amount of a Claim, the Debtors and Reorganized Debtors, as applicable, shall not be permitted to seek an estimation of such Claim. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim subject to applicable law. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

D. *No Distributions Pending Allowance*

If any portion of a Claim other than an Opioid Claim is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Claim becomes an Allowed Claim.

E. *Time to File Objections to Administrative Claims*

Any objections to Administrative Claims shall be Filed on or before the Administrative Claims Objection Deadline, subject to any extensions thereof approved by the Bankruptcy Court.

F. *Procedures Regarding Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VII.A through VII.E shall not apply to any Opioid Claims, and all procedures for resolving contingent, unliquidated, and disputed Opioid Claims (including Opioid Demands) shall be governed by the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

G. *No Filing of Proofs of Claim for Opioid Claims or VI Opioid Claims*

Except as otherwise provided in the Plan, Holders of Opioid Claims or VI Opioid Claims shall not be required to File a Proof of Claim or a request for payment of an Administrative Claim on account of such Holder's Opioid Claims or VI Opioid Claims, and no such Holders should File such a Proof of Claim or such request for payment; *provided, however*, that a Holder of an Opioid Claim or VI Opioid Claim that wishes to assert Claims against the Debtors that are not Opioid Claims or VI Opioid Claims must File a Proof of Claim or a request for payment of an Administrative Claim with respect to such Claims which are not Opioid Claims or VI Opioid Claims on or before the applicable Claims Bar Date. The Opioid MDT II and Opioid Creditor Trusts will make distributions on account of Opioid Claims in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable. Within sixty (60) days after the Effective Date, the Reorganized Debtors shall File a report identifying all

Proofs of Claim that are reasonably determined by the Debtors, in consultation with the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, and the Opioid MDT II Trustee(s), to be on account of any Opioid Claim, and upon the Filing of such report and notice to the Holders of such Proofs of Claim who shall have 14 days to object to such determination, all identified Proofs of Claim shall be deemed withdrawn and removed from the applicable claims register; *provided* that Proofs of Claim on account of Opioid Claims filed after the Effective Date shall automatically be deemed withdrawn and expunged; *provided, further*, that upon a motion and hearing with notice to the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, the Opioid MDT II Trustee(s), and, solely in the case of clause (b) below, the Holders of affected Proofs of Claim, the Debtors (a) may seek an extension to the deadline to File such report from the Bankruptcy Court and (b) may seek determination by the Bankruptcy Court that any Proof of Claim is on account of any Opioid Claim.

H. *Distributions After Allowance*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim. For the avoidance of doubt, this section of the Plan does not apply to General Unsecured Claims or Trade Claims assumed by the General Unsecured Claims Trust. The Debtors will retain the Trade Claim Cash Pool Unallocated Amount once all Allowed Trade Claims are satisfied in full.

I. *Disallowance of Certain First Lien Credit Agreement Claims, First Lien Notes Claims, and Second Lien Notes Claims.*

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the following Claims shall be disallowed on the Effective Date except as otherwise ordered by a Final Order of the Bankruptcy Court before the Effective Date: (a) any First Lien Credit Agreement Claims (i) for default rate interest under Section 2.13(c) of the First Lien Credit Agreement in excess of the non-default rate applicable under Sections 2.13(a) or (b) of the First Lien Credit Agreement, or (ii) for interest based on the asserted conversion of any "Eurocurrency Borrowing" to an "ABR Borrowing" (each as defined in the First Lien Credit Agreement) under Section 2.07(e) of the First Lien Credit Agreement, to the extent such interest exceeds the interest payable on such borrowing as a Eurocurrency Borrowing; *provided* that, notwithstanding the foregoing, the Allowed First Lien Term Loan Claims shall include the applicable amount of First Lien Term Loans Accrued and Unpaid Interest and such First Lien Term Loans Accrued and Unpaid Interest shall not be subject to disallowance; *provided further* that notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the First Lien Credit Agreement, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order during the Chapter 11 Cases to the First Lien Revolving Lenders, the First Lien Term Lenders and their respective agents and professionals shall be retained by the First Lien Revolving Lenders, the First Lien Term Lenders and such agents and professionals, as applicable, and not recharacterized as principal payments (other than payments of principal made on or prior to April 23, 2021 and First Lien Term Loan Principal Payments) or otherwise subject to disgorgement, recovery, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the First Lien Revolving Credit Facility Claims or the First Lien Term Loan Claims, as applicable (b) any First Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any "Applicable Premium" (as defined in the First Lien Notes Indenture) or optional redemption premium, (ii) for any "Additional Amounts" (as defined in the First Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the First

Lien Notes Indenture; (c) any Second Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the Second Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the Second Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the Second Lien Notes Indenture; and (d) any Claims for payment of any amounts payable pursuant to the Cash Collateral Order arising after the Effective Date. The Debtors will file an objection to such Claims consistent with the foregoing in advance of the Confirmation Hearing, and the Bankruptcy Court’s determination of such objection shall be set forth in the Confirmation Order.

Article IX.

RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims, Opioid Demands, and Interests; Compromise and Settlement of Claims, Opioid Demands, and Interests.*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Opioid Claims, Opioid Demands, and Interests of any nature whatsoever, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, or rights against the Debtors, the Reorganized Debtors, or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, Opioid Claims, Opioid Demands, or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or

502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim, Opioid Claim, Opioid Demand, or Interest is Allowed; or (3) the Holder of such Claim, Opioid Claim, Opioid Demand, or Interest has accepted the Plan. For the avoidance of doubt, the Claims against the Debtors, the Reorganized Debtors, and any of their assets and properties discharged pursuant to the Plan shall include (y) any Claims to the extent based on any assertion that the *Wholesale Product Purchase Agreement* (as in effect on the Effective Date and including any prior versions of such agreement) between Mallinckrodt ARD LLC and Priority Healthcare Distribution, Inc., and/or the Debtors' (or any predecessor's) pre-Effective Date performance thereunder consistent with its terms, constitute an anticompetitive agreement or other anticompetitive conduct under applicable law, and (z) any Claims to the extent based on any assertion that the Debtors' (or any predecessor's) acquisition by license and maintenance of any rights to Synacthen Depot and related assets constitute anticompetitive conduct under applicable law. Except as otherwise provided herein, any default by the Debtors with respect to any Claim, Opioid Claim, or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims, Opioid Demands, and Interests subject to the Effective Date occurring, except as otherwise expressly provided in the Plan. For the avoidance of doubt, nothing in this Article IX.A shall affect the rights of Holders of Claims and Interests to seek to enforce the Plan, including the distributions to which Holders of Allowed Claims and Interests may be entitled to under the Plan.

In consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Opioid Demands, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Opioid Demands, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromises or settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. The Co-Defendant Defensive Rights shall not be waived, released, altered, impaired, or discharged and all Co-Defendant Defensive Rights are preserved, as provided in Article IX.N of the Plan.

B. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and the restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Debtors and the Estates from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors or their Estates would have been legally entitled to assert in their own

right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any security or indebtedness of the debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, litigation claims arising from historical intercompany transactions between or among a Debtor and another Debtor, the business or contractual arrangements between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims and Assigned Insurance Rights; *provided, further*, that the Debtors do not release Claims or Causes of Action against Released Co-Defendants that (i) are commercial in nature, and (ii) are unrelated to the Chapter 11 Cases or the subject matter of a Pending Opioid Action; *provided, further*, that the Debtors do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding anything to the contrary in the foregoing, the releases by the Debtors set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under

applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.B of the Plan. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.B of the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in Article IX.B of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the Claims released by the Debtor Release; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; and (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.B of the Plan.

C. *Releases by Non-Debtor Releasing Parties Other Than Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, except as otherwise explicitly provided herein, by the Non-Debtor Releasing Parties, in each case, from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such Holders or their Estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any Security or

For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.C of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Non-Debtor Releasing Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any criminal liability of a Released Party to a Governmental Unit arising out of, or relating to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court

of competent jurisdiction to have constituted a criminal act; (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date; or (z) preclude the Governmental Units that are plaintiffs in *Connecticut et al., v. Sandoz, Inc. et al.*, Case No. 2:20-cv-03539 (E.D. It is further understood and agreed that, pursuant to clause (z), the Governmental Units are not precluded from introducing or relying on facts or evidence occurring during the time period prior to the Confirmation Date in support of the request for future injunctive relief and the Debtors' and Reorganized Debtors' rights to object on any evidentiary grounds are reserved thereto.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, causes of action, proceeding or investigations against any non-Debtor person or non-Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Non-Debtor Releasing Parties set forth in Article IX.C of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) given in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the Claims released by Article IX.C of the Plan; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.C of the Plan; (g) consensual; and (h) essential to the confirmation of the Plan.

D. Releases by Holders of Opioid Claims

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Protected Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, each Opioid Claimant (in its capacity as such) is deemed to have released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, each Debtor, Reorganized Debtor, and Protected Party from any and all Claims (including Opioid Claims and Opioid Demands), counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, or attorneys' fees and expenses whatsoever, including any derivative claims asserted, or assertable on behalf of the Debtors, or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of any other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors

(including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Opioid Claims (including Opioid Demands), the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), intercompany transactions between or among a Debtor and another Debtor, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, or any contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Protected Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Protected Party, or upon any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release by Opioid Claimants.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of this release by Opioid Claimants, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that this release is: (1) essential to the confirmation of the Plan; (2) given in exchange for the good and valuable consideration provided by the Protected Parties; (3) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (4) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the

Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to article IX.D of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any liability of a Protected Party to a Governmental Unit arising out of, or relating to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act perpetrated by the applicable Protected Party; or (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date.

E. *Release of Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Holders of Opioid Claims shall be deemed conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Protected Parties from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Protected Parties are, were, would have been, or will be legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived) based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring

Transaction, any agreement, instrument, release, and other documents created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, or the distribution of property under the Plan or any other related agreement, Pending Opioid Actions, the development, production, manufacture, licensing, labeling, marketing, advertising, promotion, distribution or sale of opioid-related products, any past use or misuse of any opioid sold by the Debtors or any of its affiliates, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims, Assigned Insurance Rights, and Share Repurchase Claims; *provided, further*, that the Protected Parties do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Holder of an Opioid Claim that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct; *provided, further*, that nothing in this Article IX.E shall (a) release any Cause of Action the Protected Parties are entitled to assert that is both (i) contractual or commercial in nature and (ii) unrelated to the subject matter of Pending Opioid Actions, (b) release any Cause of Action the Debtors are entitled to assert, to the extent such Cause of Action is necessary for the administration and resolution of a Claim against a Debtor solely in accordance with the Plan, (c) release any claim or right of the Debtors or the Reorganized Debtors arising in the ordinary course of the Debtors’ or Reorganized Debtors’ business, including, without limitation, any such claim with respect to taxes or (d) be construed to impair in any way the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Definitive Documents, the Confirmation Order or the Restructuring Transactions. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this release of Holders of Opioid Claims by the Protected Parties. Notwithstanding anything to the contrary in the foregoing, the releases by the Protected Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. For the avoidance doubt, the releases by the Protected Parties set forth in this Section IX.E shall not release any Holder of Opioid Claims from any specific Claim, counterclaim, dispute, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, lien, remedy, loss, contribution, indemnity, cost, liability, attorneys’ fee or expense if such Holder of Opioid Claims, in its capacity other than as a Holder of Opioid Claims, has not released the applicable Protected Party from Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys’ fees and expenses arising from a common nucleus of operative facts.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.E of the Plan.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory

powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, causes of action, proceeding or investigations against any non-Debtor person or non- Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Protected Parties set forth in Article IX.E of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims; (b) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims released by the Protected Parties; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.E of the Plan; and (g) essential to the confirmation of the Plan.

F. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any person for any Claims or Causes of Action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, related to, or arising out of, the Chapter 11 Cases, formulating, negotiating, preparing, disseminating, implementing, filing, administering, confirming or effecting the confirmation or consummation of the Plan, the Disclosure Statement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, or any contract, instrument, release or other agreement or document created or entered into in connection with any of the foregoing, or any other prepetition or postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the Disclosure Statement or confirmation or consummation of the Plan, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, or the Opioid Creditor Trust Documents, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; *provided, however*, that the foregoing provisions of this exculpation shall not operate to waive or release: (a) any Causes of Action arising from actual fraud, gross negligence, or willful misconduct of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (b) the rights of any person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; *provided, further*, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person or Entity.

G. *Permanent Injunction*

Except as otherwise expressly provided in the Confirmation Order or Plan, from and after the Effective Date all persons are, to the fullest extent provided under section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from: (a) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff, or subrogation of any kind; and (e) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Equity Interest or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Confirmation Order against any person so released, discharged or exculpated (or the property or estate of any person so released, discharged or exculpated). All injunctions or stays provided in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, or otherwise, and in existence on the confirmation date, shall remain in full force until the Effective Date. Article IX.G of the Plan shall not apply to Opioid Claims, which shall be subject to Article IX.H of the Plan.

H. *Opioid Permanent Channeling Injunction*

TERMS. Pursuant to section 105(a) of the Bankruptcy Code, from and after the Effective Date, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to this Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable, and such Opioid Claimant shall have no right whatsoever at any time to assert its Opioid Claims (including Opioid Demands) against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all Opioid Claimants, including Future Opioid PI Claimants, shall be permanently and forever stayed, restrained, barred, and enjoined from taking any of the following actions for the purpose of, directly or indirectly or derivatively collecting, recovering, or receiving payment of, on, or with respect to any Opioid Claim (including Opioid Demand) based upon or arising from the Debtors' pre-Effective Date conduct or activities other than from the Opioid MDT II or the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable:

- Commencing, conducting, or continuing in any manner, directly, indirectly or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;
- Enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any means or in any manner, whether directly or indirectly, any judgment, award, decree, or other order against any Protected Party or any property or interests in property of any Protected Party;

- Creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance against any Protected Party or any property or interests in property of any Protected Party;
- Setting off, seeking reimbursement of, contribution from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability owed to any Protected Party or any property or interests in property of any Protected Party; or
- Proceeding in any manner in any place with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Opioid MDT II or the Opioid Creditor Trusts, as applicable, except in conformity and compliance with the applicable Opioid MDT II Documents and Opioid Creditor Trust Documents.

RESERVATIONS. The foregoing injunction shall not stay, restrain, bar, or enjoin (a) the rights of Opioid Claimants to assert Opioid Claims (including Opioid Demands) against the Opioid MDT II or the Opioid Creditor Trusts, as applicable, solely in accordance with the Plan, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents, as applicable; and (b) the rights of Entities to assert any Claim, debt, obligation, or liability for payment of Trust Expenses against the Opioid MDT II.

MODIFICATIONS. There can be no modification, dissolution, or terminations of this Opioid Permanent Channeling Injunction, which shall be a permanent injunction.

NON-LIMITATION OF CHANNELING INJUNCTION. Nothing in the Plan, the Opioid MDT II Documents, or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability, or effectiveness of the Opioid Permanent Channeling Injunction issued in connection with the Plan.

BANKRUPTCY RULE 3016 COMPLIANCE. The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

I. Opioid Insurer Injunction.

TERMS. In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Opioid Insurer, including:

- commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any

Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;

- c. creating, perfecting or enforcing in any manner any Lien of any kind against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any such Claim based on, arising under or attributable to an Opioid Insurance Policy.

2. **RESERVATIONS.** The provisions of this Opioid Insurer Injunction do not apply to the Opioid MDT II and shall not preclude the Opioid MDT II from pursuing any Claim based on, arising under, or attributable to an Opioid Insurance Policy (including the Assigned Insurance Rights) or any other Claim that may exist under any Opioid Insurance Policy against any Opioid Insurer, nor shall it enjoin the Opioid MDT II from prosecuting any action based on, arising from, or attributable to any Opioid Insurance Policy or from asserting any claim, debt, obligation, cause of action, or liability for payment against a Opioid Insurer based on, arising from, or attributable to any Opioid Insurance Policy (including the Assigned Insurance Rights). The provisions of this Opioid Insurer Injunction are not issued for the benefit of any Opioid Insurer, and no such insurer is a third-party beneficiary of this Opioid Insurer Injunction.

3. **MODIFICATIONS.** To the extent the Opioid MDT II Trustees determine that some or all of the proceeds under the Opioid Insurance Policies are substantially unrecoverable by the Opioid MDT II, the Opioid MDT II shall have the sole and exclusive authority, upon written notice to any affected Opioid Insurer, to terminate, reduce, or limit the scope of this Opioid Insurer Injunction with respect to any Opioid Insurer, *provided* that any termination, reduction, or limitation of the Opioid Insurer Injunction (i) shall apply equally to all Classes of Opioid Claims, and (ii) shall comply with any procedures set forth in the Opioid MDT II Documents.

4. **NON-LIMITATION OF INSURER INJUNCTION.** Except as set forth in paragraph 2 and 3 of this Article, nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Opioid Insurer Injunction issued in connection with the Plan.

J. *Settling Opioid Insurer Injunction.*

1. **Terms.** In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Settling Opioid Insurer, solely to the extent that such Settling Opioid Insurer has been

released from such Claim under such Opioid Insurance Policy pursuant to an Opioid Insurance Settlement, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- c. creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such Opioid Insurance Policy.

2. **REDUCTION OF INSURANCE JUDGMENTS.** Any right, Claim, or cause of action that an insurance company may have been entitled to assert against any Settling Opioid Insurer but for the Settling Opioid Insurer Injunction, if any such right, Claim, or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim, or cause of action solely as a setoff claim against the Opioid MDT II and not against or in the name of the Settling Opioid Insurer in question. Any such right, Claim, or cause of action to which an insurance company may be entitled shall be solely in the form of a setoff against any recovery of the Opioid MDT II from that insurance company, and under no circumstances shall that insurance company receive an affirmative recovery of funds from the Opioid MDT II or any Settling Opioid Insurer for such right, Claim, or cause of action. In determining the amount of any setoff, the Opioid MDT II may assert any legal or equitable rights the Settling Opioid Insurer would have had with respect to any right, Claim, or cause of action.

3. **MODIFICATIONS.** There can be no modification, dissolution or termination of the Settling Insurer Injunction, which shall be a permanent injunction.

4. **NON-LIMITATION OF SETTling INSURER INJUNCTION.** Nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way

to limit the scope, enforceability or effectiveness of the Settling Insurer Injunction issued in connection with the Plan.

K. *Opioid Operating Injunction*

From and after the date on which the Opioid Operating Injunction Order is entered by the Bankruptcy Court or another court of competent jurisdiction, the VI-Specific Debtors and/or Reorganized VI-Specific Debtors, as applicable, and any successors to the VI-Specific Debtors' and/or Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories shall abide by the Opioid Operating Injunction as set forth in the Plan Supplement.

The VI-Specific Debtors and Reorganized VI-Specific Debtors, as applicable, consent to the entry of a final judgment or consent order upon the Effective Date imposing all of the provisions of the Opioid Operating Injunction in the state court in each of the Supporting Governmental Opioid Claimants. After the Effective Date, the Opioid Operating Injunction will be enforceable in the state court in each of the Supporting Governmental Opioid Claimants. The VI-Specific Debtors and Reorganized VI-Specific Debtors agree that seeking entry or enforcement of such a final judgment or consent order will not violate any other injunctions or stays that it will seek, or that may otherwise apply, in connection with its Chapter 11 Cases or Confirmation.

L. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or prior to the Effective Date (whether pursuant to the Plan, a Final Order or otherwise); *provided* that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Reorganized Debtor or the Opioid MDT II of any such Claims, rights, and Causes of Action; *provided, further*, that the exercise of rights of setoff and/or recoupment by non-Debtor third parties against the Debtors or Reorganized Debtors on account of any Assigned Third-Party Claims shall be enjoined and barred, to the extent permitted by applicable law.

M. *Access to Opioid Insurance Policies*

Notwithstanding anything herein to the contrary, the Debtors shall not be released from liability for any Claim that is or may be covered by any Opioid Insurance Policy; *provided* that recovery for any such Claim, including by way of settlement or judgment, shall be limited to the available proceeds of such Opioid Insurance Policy (and any extra-contractual liability of the Opioid Insurer with respect to any Opioid Insurance Policy) and shall be asserted pursuant to procedures set forth in the Opioid MDT II Documents, and no Person or party shall execute, garnish or otherwise attempt to collect any such recovery from any assets other than the available proceeds of the Opioid Insurance Policy. The Debtors shall be released automatically from a Claim described in this paragraph upon the earlier of (x) the abandonment of such Claim and (y) such a release being given as part of a settlement or resolution of such Claim, and shall be released automatically from all Claims described in this paragraph upon the exhaustion of the available proceeds of the relevant Opioid Insurance Policy (notwithstanding the nonoccurrence of either event described in the foregoing clauses (x) and (y)).

N. *Co-Defendant Defensive Rights*

Except as provided in clause (ii) of the penultimate sentence of this Article IX.N, notwithstanding anything to the contrary in this Article IX or in the Plan as it currently exists or as it might be further amended, the Confirmation Order or any order entered in connection with the Plan (or the Plan as amended) (or any such order, as amended, modified or supplemented), or any supplement to the Plan (or the Plan as further amended), nothing contained in the Plan or any of the foregoing documents or orders (including without limitation, the classification, treatment, allowance, disallowance, release, bar, injunction, Opioid Permanent Channeling Injunction or any other provision of the Plan or the Plan as amended with respect to, impacting, affecting, modifying, limiting, subordinating, impairing, in any respect, a Co-Defendant Claim), will release, bar, enjoin, impair, alter, modify, amend, limit, prohibit, restrict, reduce, improve or enhance any Co-Defendant Defensive Rights of any Holder of a Co-Defendant Claim as such rights exist or might in the future exist under applicable non-bankruptcy law. Nothing in the Plan, any of the Definitive Documents or in the Confirmation Order shall preclude, operate to or have the effect of, impairing any Holder of a Co-Defendant Claim from asserting in any proceeding any and all Co-Defendant Defensive Rights that it has or may have under applicable law. Nothing in the Plan, any of the Definitive Documents or the Confirmation Order shall be deemed to waive any Co-Defendant Defensive Rights, and nothing in the Chapter 11 Cases, the Plan, any of the Definitive Documents or the Confirmation Order may be used as evidence of any determination regarding any Co-Defendant Defensive Rights, and under no circumstances shall any Person be permitted to assert issue preclusion or claim preclusion, waiver, estoppel, or consent in response to the assertion of any Co-Defendant Defensive Rights. This Article IX.N shall be included in the Confirmation Order. Co-Defendant Defensive Rights (i) may be used to offset, setoff, recoup, allocate or apportion fault, liability or damages, or seek judgment reduction or otherwise defend against any Cause of Action or Claim brought by any Person against the Holder of any Co-Defendant Claim based in whole or in part on Opioid-Related Activities; and (ii) shall in no case be used to seek any affirmative monetary recovery from any Protected Party or any Asset of any Protected Party on account of any Claim or Cause of Action released pursuant to Article IX.D, shall in no case result in the Protected Parties (as distinct from the Opioid MDT II) being named on a jury verdict form or other finding of liability, and shall in no case be used to seek an affirmative recovery from the Opioid MDT II or any Asset of the Opioid MDT II or any Opioid Creditor Trust or any Asset of any Opioid Creditor Trust. Any verdicts in any litigation shall not be binding on the Opioid MDT II if the Opioid MDT II does not participate in such litigation (and the Opioid MDT II is not required to participate in any such litigation), and any claim by a Holder of a Co-Defendant Claim against the Opioid MDT II must be liquidated in accordance with the Plan and the relevant trust distribution procedures. The foregoing does not constitute a release of any Co-Defendant Claim.

Article X.

Article XI.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF PLAN

A. *Modification of Plan*

Subject to the terms of the Restructuring Support Agreement and the limitations contained in the Plan, the Debtors or Reorganized Debtors reserve the right to, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Restructuring Support Agreement: (1) amend or modify the Plan prior to the entry of the Confirmation Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code; (2) amend or modify the Plan after the entry of the Confirmation Order in accordance with section 1127(b) of the Bankruptcy Code and the Restructuring Support Agreement upon order of the Bankruptcy Court; and (3) remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan upon order of the Bankruptcy Court.

B. *Effect of Confirmation on Modifications*

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing,

is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

Q. *Special Provisions for United States*

- (a) As to the United States, notwithstanding anything contained in the Plan, Plan Supplement, or Confirmation Order to the contrary (except Article III.B.8.d. of this Plan contemplating the release of U.S. Government Payor Statutory Rights) including but not limited to Articles V and X, nothing in the Plan, Plan Supplement or Confirmation Order shall:
 - (i) limit or be intended to or be construed to bar the United States from, subsequent to the Confirmation Order, pursuing any police or regulatory action or any criminal action;

- (ii) discharge, release, exculpate, impair or otherwise preclude: (A) any liability to the United States that is not a “claim” within the meaning of section 101(5) of the Bankruptcy Code; (B) any Claim of the United States arising on or after the Effective Date; (C) any liability of the Debtors under police or regulatory statutes or regulations to the United States as the owner, lessor, lessee or operator of property that such Entity owns, operates or leases after the Effective Date; or (D) any liability to the United States, including but not limited to any liabilities arising under the IRC, the environmental laws, the criminal laws, the civil laws or common law, of any Person, including any Released Parties, Protected Parties or any Exculpated Parties, in each case, other than the Debtors; *provided, however*, that the foregoing shall not (x) limit the scope of discharge granted to the Debtors under sections 524 and 1141 of the Bankruptcy Code, (y) diminish the scope of any exculpation to which any Person is entitled under section 1125(e) of the Bankruptcy Code, or (z) change the treatment of the U.S. Government’s Opioid Claims pursuant to Article III.B.8.d. of this Plan;
 - (iii) enjoin or otherwise bar the United States from asserting or enforcing, outside the Bankruptcy Court, any liability described in the preceding clause (ii); *provided, however*, that the non-bankruptcy rights and defenses of all Persons with respect to (A)–(D) in clause (ii) are likewise fully preserved;
 - (iv) affect any valid right of setoff or recoupment of the United States against any of the Debtors; *provided, however*, that the rights and defenses of the Debtors with respect thereto are fully preserved (other than any rights or defenses based on language in the Plan or the Confirmation Order that may extinguish or limit setoff or recoupment rights);
 - (v) divest any court, commission or tribunal of jurisdiction to determine whether any liabilities asserted by the United States are discharged or otherwise barred by this Confirmation Order, the Plan or the Bankruptcy Code; *provided, however*, that the Bankruptcy Court shall retain jurisdiction as set forth in and pursuant to the terms of the Plan to the extent permitted by law;
 - (vi) be deemed to (a) determine the tax liability of any Person, including but not limited to the Debtors, (b) have determined the federal tax treatment of any item, distribution or Entity, including the federal tax consequences of the Plan or Confirmation Order, or (c) expressly expand or diminish the jurisdiction of the Bankruptcy Court to make determinations as to federal tax liability and federal tax treatment under the Bankruptcy Code and 28 U.S.C. §§ 157, 1334;
 - (vii) authorize the assumption, assignment, sale or other transfer to any non-Debtor third party of any federal (a) grants, (b) grant funds, (c) contracts, (d) licenses, (e) permits, (f) registrations, (g) property, including but not limited to, inventory, intellectual property, data and patents, (h) leases, (i) agreements or other interests of the U.S. Government (collectively, the “Federal Interests”), without compliance with all terms of the Federal Interests and with all applicable non-bankruptcy law; or
 - (viii) be interpreted to set cure amounts related to any Federal Interests or to require the U.S. Government to novate, approve or otherwise consent to the assumption, assignment, sale or other transfer of any Federal Interests.
- (b) Notwithstanding anything to the contrary herein, nothing in the Plan, Plan Supplement, the Confirmation Order, or any other document filed in connection with the Plan shall release

claims held by the United States of America against any non-Debtor Parties or Entities, including non-Debtor Protected Parties and non-Debtor Released Parties; *provided* that, for the avoidance of doubt, nothing in the Plan, Confirmation Order, or any other document filed in connection with the Plan shall limit the releases of the U.S. Government Payor Statutory Rights or the treatment of the U.S. Government Opioid Claims contemplated by Article III.B.8.d of this Plan; *provided* further that this subparagraph (b) shall not modify the rights under the Federal/State Actuar Settlement Agreement with the U.S. Government and such Federal/State Actuar Settlement Agreement with the U.S. Government shall govern. Notwithstanding anything to the contrary herein, nothing in the Plan, the Confirmation Order, the Plan Supplement or any other document filed in connection with the Plan shall bind the United States in any application of statutory, or associated regulatory, authority grounded in Title 19 of the Social Security Act, 42 U.S.C. § 1396-1 et seq. (the “**Medicaid Program**”) or in section 1115 of Title 11 of the Social Security Act. The United States is neither enjoined nor in any way prejudiced in seeking recovery, from all parties other than the Debtors, of any funds owed to the United States under the Medicaid Program.

- (c) Without limiting the foregoing but for the avoidance of doubt, the United States reserves, and the Plan, Plan Supplement, or Confirmation Order are without prejudice to, any and all rights or Causes of Action the United States has or may have against any surety under any bond, and nothing shall release, discharge, or exculpate any surety from its obligations or liabilities pursuant to non-bankruptcy law, including any obligation or liability of any surety of the Debtors or Reorganized Debtors with respect to any bond.

UCC Appendix

Exhibit 6 – Appendix**Allocation of Recoveries to Holders of Class 6 Claims and Certain Class 7 Claims****Executive Summary**

This appendix is intended to describe the methodology by which recoveries per the UCC Settlement are allocated to each sub-class of Allowed Class 6 Claims and Allowed Class 7 Claims that are assumed by the General Unsecured Claims Trust¹ (collectively, the “**Relevant Claims**”) under the Plan as determined by the UCC. The UCC’s Class 6 allocation of recoveries is an integral component of the UCC Settlement that materially increased the pool of consideration available to Holders of Relevant Claims. That consideration consists of (a) \$135 million in cash on the Effective Date (the “**Initial Cash Payment**”) plus (b) additional non-cash consideration to be monetized for which value is currently undetermined (the “**Other GUC Settlement Consideration**,” and together with the Initial Cash Payment, the “**General Unsecured Claims Trust Consideration**”), including certain litigation claims and the right to share in any future proceeds of certain priority review vouchers and other contingent value rights.² To resolve issues set forth in the UCC’s Supplemental Objection to the Disclosure Statement [Docket No. 2852], the allocation represents a compromise of the UCC’s objections to the distributions set forth in the June 8, 2021 version of the Plan [Docket No. 2916].

The allocation of recoveries to Holders of Relevant Claims is the product of a multi-step calculation process:

1. UCC Waterfall: The UCC’s professionals constructed a creditor recovery model (the “**UCC Waterfall**”) which valued assets and claims at, and estimated recoveries to creditors of, each Debtor entity and non-Debtor affiliate in accordance with the absolute priority rule and based on certain assumptions. Key assumptions underlying the UCC Waterfall are described below.³
2. Allocation Step 1: The UCC’s professionals calculated the potential recoveries to each sub-class of Holders of Relevant Claims at various estimates of General Unsecured Claims Trust Consideration by multiplying estimated General Unsecured

¹ These Class 7 Claims assumed by the General Unsecured Claims Trust will consist of Claims initially classified as Class 7 Claims under the Plan that are ineligible for treatment as Class 7 Claims due to the applicable Holder having (i) voted to reject the Plan and/or (ii) declined to agree to Favorable Trade Terms.

² The UCC professionals believe that a range of \$180 to \$220 million is a reasonable estimate of aggregate General Unsecured Claims Trust Consideration based upon information available at the time the UCC Settlement was reached and includes assumptions about future events.

³ While the estimated aggregate recoveries to Holders of Class 6 Claims per the UCC Waterfall (“**UCC Waterfall Recoveries**”) were used in the UCC’s mediation with the Debtors to inform the negotiation of the UCC Settlement, the UCC Waterfall Recoveries do not mirror recoveries to Holders of Class 6 Claims per the UCC Settlement. Such aggregate recoveries instead reflect a consensual, good faith, resolution and settlement of various controversies between the Debtors and the UCC as well as potential intercreditor controversies between and among the Class 6 sub-classes.

Claims Trust Consideration by each Class 6 sub-class's estimated recovery amount as determined by the UCC Waterfall as a percentage of UCC Waterfall Recoveries.

3. Allocation Step 2: The UCC allocation (the "**Allocation**") for distributing potential recoveries among Holders of Relevant Claims reasonably adjusts the calculations in Allocation Step 1 for timing and amounts of recoveries consistent with the overall GUC Settlement and as further described herein. The Allocation includes both (i) initial, fixed cash distributions or reserves⁴ (the "**Initial Fixed Distributions**"), and (ii) additional distributions from proceeds to be realized from Other GUC Settlement Consideration (the "**Additional Distributions**"). The General Unsecured Claims Trust Consideration is comprised of the Initial Fixed Distributions and the Additional Distributions.

Actual results presented herein may be materially different than the estimated results illustrated in Tables 1, 2, 4, 5, 6, 7 and 8 as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses.⁵

UCC Waterfall

The UCC Waterfall⁶ reflects hypothetical recoveries that would be received by each of the following Class 6 sub-classes on a Debtor-by-Debtor basis: (i) Class 6(a) – Acthar Claims; (ii) Class 6(b) – Generics Price Fixing Claims; (iii) Class 6(c) – Asbestos Claims; (iv) Class 6(d) – Legacy Unsecured Notes Claims; (v) Class 6(e) – Environmental Claims and Class 6(f) – Other General Unsecured Claims;⁷ and (vi) Class 6(g) – 4.75% Unsecured Notes Claims. *See* Plan at Art. III.B.6. The UCC has informed the Debtors that the UCC Waterfall is premised upon the following assumptions, among many others, to estimate recoveries to creditors:⁸

- Total enterprise value of \$5.7 billion, calculated as the average of the midpoints of the different valuations asserted by the Debtors⁹ and the UCC.

⁴ The Initial Fixed Distributions equal the Initial Cash Payment less \$10 million to be held in reserve for administration expenses of the General Unsecured Claims Trust.

⁵ It is currently expected (and assumed for purposes of this Allocation) that GUC Trust Expenses are \$10 million.

⁶ For the avoidance of doubt, the UCC Waterfall and the allocation methodology described herein is solely the work product of the UCC professionals.

⁷ For the purposes of the UCC Waterfall and Allocation, Classes 6(e) and 6(f) are illustrated as a single group of creditors at each Debtor entity (as applicable). Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust will be calculated pro rata on an entity-by-entity basis, as further described below.

⁸ The following is not intended to be an exhaustive list of the assumptions underlying the UCC Waterfall.

⁹ To maintain consistency between the valuations asserted by the Debtors and the UCC, the Debtors' valuation was reduced by the UCC professionals to account for the estimated value of CARES Act tax refund receivables.

- The allocation of total enterprise value, and other assets not included in total enterprise value (such as cash on hand), on an entity-by-entity basis.
- Treatment of funded debt claims upon consideration of underlying credit documents, and allocation of such claims on an entity-by-entity basis.
- A good faith estimation of claims, including contingent claims, on an entity-by-entity basis.¹⁰
- The satisfaction of unsecured claims, after full satisfaction of all secured claims, on an entity-by-entity basis.
- Exclusion of CMS and opioid settlements (*i.e.*, the settlements are not given effect).

Table 1 below illustrates estimated recoveries to Holders of Class 6 Claims per the UCC Waterfall:

Table 1

Sub-class	Est. Share of Aggregate Class 6 Entitlements
6(a) – Acthar Claims	29.0%
6(b) – Generics Price Fixing Claims	6.0%
6(c) – Asbestos Claims	1.9%
6(d) – Legacy Unsecured Notes Claims	5.4%
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%
6(g) – 4.75% Unsecured Notes Claims	28.5%
Total	100.0%

Allocation Step 1

Applying the estimated recoveries in the table above, the UCC professionals calculated the first step in the allocation process using various estimates of General Unsecured Claims Trust Consideration less GUC Trust Expenses (“Net Consideration”), as illustrated in Table 2 below:

Table 2

¹⁰ The estimation of claims in the UCC Waterfall in no way implies or concedes the validity, amount or priority of such claims.

	Est. Share of Aggregate Class 6 Entitlements		@ Net Consideration (\$ millions)		
Sub-class	@ Net Consideration $\leq 282^{11}$ (per Table 1)	@ Net Consideration = 300 ¹²	125	200	300
6(a) – Acthar Claims	29.0%	29.1%	36.2	58.0	87.3
6(b) – Generics Price Fixing Claims	6.0%	6.0%	7.5	11.9	17.9
6(c) – Asbestos Claims	1.9%	1.9%	2.4	3.8	5.8
6(d) – Legacy Unsecured Notes Claims	5.4%	5.1%	6.8	10.9	15.3
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%	29.3%	36.5	58.4	87.9
6(g) – 4.75% Unsecured Notes Claims	28.5%	28.6%	35.6	57.0	85.8
Total	100.0%	100.0%	125.0	200.0	300.0

The percentages set forth for each sub-class in the applicable column under the heading “Est. Share of Aggregate Class 6 Entitlements” are referred to herein as the “**Class 6 Entitlements**”.

Allocation Step 2

The UCC adjusted the allocation of recovery amounts for each Class 6 sub-class under Allocation Step 1 (the “**Recovery Adjustments**”) to fairly, reasonably, and equitably account for various settlements embodied in the UCC Settlement that compromise a myriad of (i) disputes between the Debtors and Holders of Class 6 Claims and (ii) actual and potential intercreditor controversies between and among the Class 6 sub-classes. Among other factors, the UCC considered the extent to which:

- General Unsecured Claims Trust Consideration will exceed the Initial Cash Payment.
- Claims in each sub-class are contingent, unliquidated and/or disputed.
- Contingent, unliquidated claims in certain sub-classes face the risk of complete or partial disallowance.

Allocation Step 1, coupled with the Recovery Adjustments, yield the Initial Fixed Distributions and the Additional Distributions described below.

Initial Fixed Distributions: Table 3 below illustrates the Initial Fixed Distributions:

Table 3

¹¹ Once Net Consideration exceeds approximately \$282 million, pursuant to the UCC Waterfall, the Legacy Unsecured Notes’ Class 6 Entitlement, when multiplied by Net Consideration, would provide a recovery in excess of the Legacy Unsecured Notes Claims. As a result, the excess would be reallocated among the other sub-classes.

¹² At \$300 million of Net Consideration, approximately \$1.0 million available to Legacy Unsecured Notes in excess of the Legacy Unsecured Notes Claims is reallocated among the other sub-classes.

Sub-class	Initial Fixed Distributions (\$ millions)
6(a) – Acthar Claims	7.5
6(b) – Generics Price Fixing Claims	8.0
6(c) – Asbestos Claims	18.0
6(d) – Legacy Unsecured Notes Claims	10.9
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6
6(g) – 4.75% Unsecured Notes Claims	57.0
Total	125.0

The Initial Fixed Distributions will be paid to Holders of Generics Price Fixing Claims, Asbestos Claims, Legacy Unsecured Notes Claims, and 4.75% Unsecured Notes Claims. While the Initial Fixed Distributions for Holders of Acthar Claims and Environmental Claims / Other General Unsecured Claims are initially being held in reserve, such amounts shall be paid as long as the reconciled amounts of Acthar Claims and Environmental Claims / Other General Unsecured Claims equal or exceed \$7.5 million and \$23.6 million, respectively.

Additional Distributions: The Additional Distributions to Holders of Class 6 Claims shall be made to the following sub-classes (the “Entitled Sub-Classes”): (i) Acthar Claims (Class 6(a)); (ii) Legacy Unsecured Notes Claims (Class 6(d)); (iii) Environmental Claims (Class 6(e)); (iv) Other General Unsecured Claims (Class 6(f)); and (v) 4.75% Unsecured Notes Claims (Class 6(g)), and are summarized as follows:

- Holders of 4.75% Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$57.0 million.
- Holders of Legacy Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$10.9 million.
- Holders of Acthar Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$7.5 million.
- Holders of Environmental Claims / Other General Unsecured Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$23.6 million.
- Holders of Asbestos Claims and Generics Price-Fixing Claims are not entitled to Additional Distributions and will instead receive only their pro rata share of their respective Initial Fixed Distributions.

Specifically, Additional Distributions are calculated as follows for any Entitled Sub-Class: (i)(A)(I) the Class 6 Entitlement for that Entitled Sub-Class divided by (II) the sum of the Class 6 Entitlements for all Entitled Sub-Classes (at the applicable amount of Net Consideration), multiplied by (B) the aggregate Net Consideration less Initial Fixed Distributions made to all non-Entitled Sub-Classes (at the applicable amount of Net Consideration) less (ii) the Initial Fixed Distribution (and all prior Additional Distributions) made to that Entitled Sub-Class.

Example: Assuming Net Consideration of \$200 million, Acthar Claims would be entitled to Additional Distributions of approximately \$45.4 million calculated as follows:

(i)(A)(I) 29.0% [Table 2] divided by (II) 58.2% (i.e., 29.0% + 29.2%) [Table 2] multiplied by (B) \$106.1 million (\$200 million [Table 2] less \$93.9 million (\$8.0 million + \$18.0 million + 10.9 million + 57.0 million) [Table 3]) less (ii) \$7.5 million [Table 3].

Estimated recoveries to each sub-class based on the Allocation (i.e., Initial Fixed Distributions plus cumulative Additional Distributions) at various estimates of Net Consideration are illustrated within Table 4 below:

Table 4

Estimated Recoveries per Allocation (\$ millions)					
	@ Net Consideration (\$ millions)				
Sub-class	125	150	200	250	300
6(a) – Acthar Claims	7.5	28.0	52.9	70.5	86.6
6(b) – Generics Price Fixing Claims	8.0	8.0	8.0	8.0	8.0
6(c) – Asbestos Claims	18.0	18.0	18.0	18.0	18.0
6(d) – Legacy Unsecured Notes Claims	10.9	10.9	10.9	13.2	15.2
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6	28.2	53.3	71.0	87.2
6(g) – 4.75% Unsecured Notes Claims	57.0	57.0	57.0	69.3	85.1
Total	125.0	150.0	200.0	250.0	300.0

Additional Distributions are subject to material change as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses. Thus, actual recoveries to Holders of Class 6 Claims within the Entitled Sub-Classes may be materially different than the estimated recoveries illustrated in Table 4 above.

Allocation to Holders of Class 6(e) Claims, Class 6(f) Claims, and Class 7 Claims Assumed by the General Unsecured Claims Trust

Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust (collectively, the “Other Claims”) will be calculated pro rata on an entity-by-entity basis, pursuant to the UCC Waterfall and Allocation. Estimated recovery percentages to Other Claims on an entity-by-entity basis are illustrated in Table 5 below at various estimates of Net Consideration.

Table 5 is based upon estimates of potential claims and may not include a recovery percentage at every Debtor entity where Holders of Other Claims may have such claims Allowed. The absence of a particular Debtor entity from Table 5 does not indicate that a Holder of an Other Claim at such an entity will not receive a recovery. Rather, a Holder of an Other Claim at an absent Debtor entity will receive the recovery that it is entitled to pursuant to the Allocation.

Impact of Sensitizing Acthar Claims

As the Acthar Claims will be reconciled after the Effective Date,¹³ Tables 6, 7 and 8 below illustrate the impact that sensitizing Acthar Claims within the UCC Waterfall would have on estimated recoveries to Holders of Class 6 Claims, assuming Net Consideration of \$125 million, \$200 million, and \$300 million.

¹³ Solely for the purpose of calculating the Allocation, and given their separate treatment under the UCC Settlement, the amounts of the Asbestos Claims and the Generics Price Fixing Claims have been fixed. Reconciliation of the Asbestos Claims and Generics Price Fixing Claims for pro rata distribution purposes will occur through separate processes as detailed in the UCC Settlement.

PEC/MSGE Mallinckrodt Fee Allocation Agreement

PEC/MSGE Mallinckrodt Fee Allocation Agreement

1. This agreement applies to the Mallinckrodt bankruptcy.
2. With respect to the Mallinckrodt bankruptcy, one singular “all attorneys’ fees” fund shall be deposited (as the funds are received) into an interest-bearing account to cover all attorneys’ fees for any lawyer involved in opioid litigation on behalf of cities, counties, and/or tribes. The fund is separate from the MDL Common Benefit Fund and does NOT cover fees for lawyers related to representing state Attorneys General, hospitals, third party payers, NAS babies, and/or personal injury/wrongful death claimants, or any other entity except cities, counties, and/or tribes, as payment of fees for those engagements will be subject to a different procedure and/or the claims are not covered by this agreement. Participation in the fund does not preclude applicants from participating in the MDL Common Benefit Fund or any fee funds or “backstops” established in state specific MOU’s or agreements.
3. Amounts distributed under this Plan shall not be subject to any future or other common fund, common benefit, or other assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof. The process, factors, and mechanism for distribution of fees from the fee fund shall be mutually agreed upon by the PEC and MSGE on or before January 1, 2023. If the parties are unable to agree the issue shall be presented to an agreed-upon neutral who shall determine the process, factors and mechanism for distribution of the fees.

Forty-five years ago on Christmas Eve, William Ziegler's wife, mother-in-law, father-in-law, and friend were brutally murdered in Ziegler's furniture store. A grand jury indicted Ziegler for the horrific crimes, and a jury convicted Ziegler. Three witnesses testified about the events of that night. Each incriminated Ziegler in the horrific murders. None of those witnesses ever recanted. After his conviction, the Florida Supreme Court reviewed his conviction or some other aspect of his case fourteen times. The United States Court of Appeals for the Eleventh Circuit reviewed his conviction or some aspect of his case another three times. His conviction has been affirmed repeatedly.

Last week, this newspaper ran an editorial saying that I, your Attorney General, opposed justice for Ziegler and another convicted murderer because, after decades of review, I wanted the State Attorney and the trial court to follow Florida law in granting additional DNA testing. There was no mention in that editorial about the above facts, the extensive reviews of both cases, or even that, in Ziegler's case, additional DNA testing was completed in 2002, at his request, that did not exonerate him. There was no mention that the Florida Supreme Court turned down an identical request to the one at issue now in 2009. There was also, of course, no mention that State Attorney Aramis Ayala, no fan of the death penalty, turned down the same request at issue multiple times.

That is the problem with print media and why newspapers like this one are slowly dying. I understand that this editorial board does not like the death penalty. But editorial boards, like this one, don't get to make the facts or falsely claim that I oppose justice. My request to the trial court was simple: the State Attorney and the trial court must follow Florida law. Both swore to do so when they took their oaths of office. If the defendants can make the required showing, the defendants will get the additional DNA testing they request. If not, the law does not allow additional DNA testing. That is not an injustice. That is simply the court and the parties following the law. What I know, and this editorial board seems unconcerned about, is that victims like Ziegler's wife, mother-in-law, father-in-law and friend deserve justice as well. Forty-five years is a long time for justice to be carried out, but, as long as I am Attorney General, I will play my role in seeing that justice is done and the rule of law is followed.

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. 2584. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that "there [would be] no liberty if the power of judging be not separated from the legislative and executive powers." *Id.* He feared "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Id.*

The Framers created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III "made Judges dependent on his Will alone...." The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new Federal government from repeating those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their

salaries, the Framers sought to ensure that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus

would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But we accept that their approaches reflect only an honest disagreement in legal philosophy, not political will, and we have never suggested that Congress should use its political prowess to intimate them into reaching one outcome or another. Their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing the Court is there to protect the people against.

Sincerely,

Doug:

Given the varied group of folks you chose to sue, until you serve the Defendants I won't know who the Office of Attorney General is representing. At this point, I can confirm only that we will be representing the Attorney General. I am sure you know how to serve us as I know you have done it in the past. It may make some sense for the lawyers to talk at that point after we know who is representing each of the Defendants. I have copied Chet on this e-mail and once we determine who is assigned to the case I will have him or that lawyer reach out. If there is some "emergency" in the meantime you can copy him and I on an e-mail and we will deal with it from there.

Mr. Guard –

My law firm and DLA Piper represent CCIA and NetChoice, respectively, which today filed a lawsuit challenging enforcement of SB 7072 (the "Act"), signed by the Governor into law earlier this week. A courtesy copy of the complaint is attached for your reference. Because the Department of Legal Affairs is the enforcing authority for various provisions of the Act, General Moody, as well as the Florida Election Commissioners, and the Deputy Secretary of Business Operations of Florida DMS are named in their respective official capacities.

Chris Oprison at DLA Piper, copied here, and I just tried to call your office and cell to discuss this matter, but were not able to leave you a message. We would like to set up a time with you to discuss "case management" issues in an effort to make the litigation process as efficient as possible for the parties. Is there a time tomorrow (Friday, May 28) when you would have a few minutes to speak with Chris and me? Please let us know one or two times, and the best number to call, and we will set it up. If you would like others in your office to join our call, we are happy to circulate a dial in conference line.

Finally, I thought you would be the appropriate person from the Department to speak with us, but if we should reach out to someone else on these matters, please let us know that as well.

Looking forward to speaking with you soon.

Sincerely,
Doug Kilby

Randy:

I don't know if you remember me from my time at the U.S. Attorney's Office for the Middle District of Florida, but I am now the Chief Deputy Attorney General for the State of Florida. Yesterday, the State of Florida filed a lawsuit against the United States and certain federal officials. A copy of the lawsuit and the motion for preliminary injunction is attached. We are serving each defendant. But, given that there is a preliminary injunction motion, I wanted to give you and the United States additional notice just in case the court decides to have a hearing or otherwise act more quickly.

Sincerely,
John

**COMPLAINT FOR DECLARATORY RELIEF AND
PRELIMINARY AND PERMANENT INJUNCTIVE RELIEF**

INTRODUCTION

1. Within hours of being sworn in, President Joseph R. Biden, Jr., and members of his administration violated their oaths of office, flouted Congressional statutes, failed to protect U.S. citizens and immigrants alike, and created what will quickly become a public-safety nightmare.

2. For over two decades, administrations—both Democrat and Republican—detained and removed criminal aliens. This concept was so uncontroversial that the law imposing this non-discretionary requirement, 8 U.S.C. § 1226(c), was enacted in a bipartisan fashion and enforced for the eight years that Joseph Biden was Vice President.

3. President Biden and members of his administration now seek to shirk their non-discretionary duty to detain and remove criminal aliens and, in a transparently pretextual fashion, justify that dereliction with the year-old COVID-19 pandemic. This abdication of duty is resulting and will continue to result in the release of dangerous drug traffickers, violent offenders, and other serious criminals into Florida and the nation's communities to wreak havoc and victimize anew.

4. Under two memoranda, one issued by the Department of Homeland Security (“DHS”) and one issued by Immigration and Customs Enforcement (“ICE”), the Biden Administration seeks to post hoc veto much of

the immigration scheme. (These memos are referred to as the “January 20 Memo” and the “February 18 Memo,” respectively. *See* Ex. 1; Ex. 2).

5. Unless a narrow set of prerequisites are met—such as, in addition to being in the country illegally, a person being a terrorist or an aggravated felon whom the Biden Administration additionally divines is a “public-safety” threat—immigration enforcement no longer exists. This is true even for aliens who have committed any number of serious crimes that do not qualify as aggravated felonies. The Biden Administration has even gone so far as to suspend “an operation that targeted illegal immigrants with sex crime convictions.”¹

6. The Biden Administration has also stayed virtually all removals for 100 days, even for those with final orders of removal from an immigration judge.

7. According to the President’s own press secretary, “[n]obody is saying that DUIs or assault are acceptable behavior. And those arrested for such activities should be tried and sentenced as appropriate by local law enforcement. But we’re talking about prioritization of who is going to be

deported from the country.”² Put simply, the Biden Administration does not believe that being in the United States in violation of the immigration laws *and* committing serious crimes is sufficient reason to remove someone from the country.

8. This unprecedented, flagrant disregard for the public safety of Americans and Floridians is a radical departure from even Obama-era policy. *See* Ex. 4. The Obama Administration would not have even considered giving aliens who commit domestic violence, burglary, or heroin trafficking a free pass from immigration consequences. *Id.* at 4–5. But the Biden Administration is doing just that. As one federal official put it, “[t]hey’ve abolished ICE without abolishing ICE.”³

9. The Biden Administration cannot simply order federal immigration officials to ignore the clear commands of Congress. The congressionally enacted immigration scheme, found in the Immigration and Nationality Act (“INA”), provides a specific, complex, and comprehensive framework for federal enforcement of the immigration laws. 8 U.S.C. § 1226(c),

² The White House, *Press Briefing by Press Secretary Jen Psaki* (Feb. 8, 2021), <https://www.whitehouse.gov/briefing-room/press-briefings/2021/02/08/press-briefing-by-press-secretary-jen-psaki-february-8-2021/>.

in particular, commands federal immigration authorities to arrest *all* criminal aliens. And 8 U.S.C. § 1231(a)(1)(A) requires federal officials to remove an alien within 90 days after issuance of a final order of removal.

10. Although the Biden Administration has referred to these unlawful acts as an “interim policy” while they “conduct a review of policies and practices,” Ex. 1 at 2, these acts are a codification of the Administration’s long-term agenda, and they are causing and will cause the State of Florida immediate and irreparable harm.

11. The actions taken through the memos also are not acts of “prosecutorial discretion” or “enforcement priorities.” They are an outright abdication of executive responsibility and violate the clear commands of Congress, which the executive branch has no discretion to ignore.

12. The Biden Administration’s actions will allow criminal aliens to be released into and move freely in the State of Florida, and their resulting crime will cost the State millions of dollars on law enforcement, incarceration, and crime victim’s assistance. It will also cause unquantifiable harm to Florida’s citizenry and will force the State to expend its own law enforcement resources to pick up the slack. And because *Arizona v. United States* prevents States from “engag[ing] in” their own immigration “enforcement activities,” 567 U.S. 387, 410 (2012), the only remedy is for this Court to set aside and preliminarily and permanently enjoin these unlawful acts.

PARTIES

13. Plaintiff State of Florida is a sovereign State and has the authority and responsibility to protect the wellbeing of its public fisc and the health, safety, and welfare of its citizens. Florida “bears many of the consequences of unlawful immigration.” *Arizona*, 567 U.S. at 397.

14. Defendants are the United States, appointed officials of the United States government, and United States governmental agencies responsible for the issuance and implementation of the challenged administrative actions.

15. Florida sues Defendant the United States of America under 5 U.S.C. §§ 702–703 and 28 U.S.C. § 1346.

16. Defendant Alejandro Mayorkas is the Secretary of DHS. His predecessor issued the January 20 Memo. Florida sues him in his official capacity.

17. Defendant DHS is implementing the January 20 Memo. DHS oversees Defendants U.S. Citizenship and Immigration Services (“USCIS”), U.S. Customs and Border Protection (“CBP”), and ICE.

18. Defendant Tae Johnson is the Acting Director of ICE. He received the January 20 Memo and issued the February 18 Memo. Florida sues him in his official capacity.

19. Defendant Troy Miller is the Acting Commissioner of CBP. He received the January 20 Memo. Florida sues him in his official capacity.

20. Defendant Tracy Renaud is the Acting Director of USCIS. She received the January 20 Memo. Florida sues her in her official capacity.

JURISDICTION AND VENUE

21. The Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331, 1346, 1361 and 5 U.S.C. §§ 702–703.

22. The Court is authorized to award the requested declaratory and injunctive relief under 5 U.S.C. § 706, 28 U.S.C. § 1361, and 28 U.S.C. §§ 2201–2202.

23. Venue lies in this district pursuant to 28 U.S.C. § 1391(e)(1) because the State of Florida is a resident of this judicial district and because a substantial part of the events or omissions giving rise to the claim occurred in this judicial district—this district includes four of Florida’s five largest cities.

FACTUAL BACKGROUND

Federal Immigration Enforcement

24. “[T]he Immigration and Nationality Act (‘INA’) . . . establishes a comprehensive scheme for aliens’ exclusion from and admission to the United States.” *Moorhead v. United States*, 774 F.2d 936, 941 (9th Cir. 1985).⁴

⁴ Following the creation of DHS, many of the INA’s references to the “Attorney General” are now understood to refer to the Secretary of DHS. *See La. Forestry Ass’n, Inc. v. Sec’y U.S. Dep’t of Labor*, 745 F.3d 653, 659 (3d Cir. 2014).

25. 8 U.S.C. § 1227(a) lays out the “classes of deportable aliens.” Among others, these classes include any alien who is “[p]resent in violation of law.” *Id.* § 1227(a)(1)(B). They also include aliens—even lawfully present aliens—who commit certain acts, including, for example, several criminal offenses. *Id.* § 1227(a)(2).

26. Under 8 U.S.C. § 1226(a), DHS “may” arrest and detain an alien pending removal proceedings. In 1996, however, Congress grew “concerned that deportable criminal aliens who are not detained continue to engage in crime.” *Demore v. Kim*, 538 U.S. 510, 513 (2003). Because of that concern, and because Congress was “frustrated with the ability of . . . criminal aliens” to “avoid deportation,” Congress enacted § 1226(c) to ensure that federal authorities “det[ain] and remov[e] *all* criminal aliens.” *In re Rojas*, 23 I. & N. Dec. 117, 122 (BIA 2001) (en banc) (emphasis in original); accord *Preap v. Nielsen*, 139 S. Ct. 954, 960 (2019).

27. Through § 1226(c), Congress revoked the discretionary “may” language in § 1226(a) for criminal aliens, and directed that federal authorities “*shall* take into custody any alien” who qualifies as a “criminal alien[] . . . when the alien is released” from criminal custody. 8 U.S.C. § 1226(c) (emphasis added).

28. Congress enacted § 1226(c) in a bipartisan fashion. And the legislative history reflects “a consensus” that “there is just no place in

America for non-U.S. citizens who commit criminal acts here.” S. Rep. No. 104–48, at 6 (1995); see G. Savarrese, *When is When?: 8 U.S.C. § 1226(c) & the Requirements of Mandatory Detention*, 82 Fordham L. Rev. 285, 299 (2013).

29. Criminal aliens, for purposes of § 1226(c), include aliens who have committed specified crimes. As most relevant there, it includes aliens who have committed crimes of moral turpitude, 8 U.S.C. § 1182(a)(2)(A), *id.* § 1227(a)(2)(A)(i); crimes involving controlled substances, *id.* § 1182(a)(2)(A), *id.* § 1227(a)(2)(B); human trafficking, *id.* § 1182(a)(2)(H); money laundering, *id.* § 1182(a)(2)(I); aggravated felonies, *id.* § 1227(a)(2)(A)(iii); and specified firearms offenses, *id.* § 1227(a)(2)(C).

30. When an alien is arrested, either pursuant to DHS’s discretion under § 1226(a) or, for criminal aliens, as commanded by Congress under § 1226(c), the alien is placed in removal proceedings before an immigration judge. If the alien is not a criminal alien, DHS has discretion to continue detention pending removal or to release the alien on bond or parole. See 8 U.S.C. § 1226(a)(1)–(2). If the alien is a criminal alien, DHS has no discretion to release the alien except under limited circumstances not implicated here. See 8 U.S.C. § 1226(c); *Preap*, 139 S. Ct. at 960.

31. Once an alien’s rights are adjudicated and he is ordered removed, DHS “shall remove the alien from the United States within a

period of 90 days” unless specified exceptions are met. *See* 8 U.S.C. § 1231(a)(1)(A).

State Cooperation with Federal Immigration Enforcement

32. For decades, States like Florida have relied on the federal government’s enforcement of and compliance with the INA in general and §§ 1226(c) and 1231(a)(1)(A) in particular, especially after the Supreme Court clarified that States cannot “engage in” their own immigration “enforcement activities.” *Arizona*, 567 U.S. at 410.

33. Even though *Arizona* prevents Florida from taking matters into its own hands, *Arizona* also recognizes that “States . . . bear[] many of the consequences of unlawful immigration.” *Id.* at 397. Nowhere are these consequences more obvious than when criminal aliens are released back into Florida’s communities to reoffend rather than being removed from the country.

34. The previous two administrations understood this reality. Under President Trump, any removable alien convicted of a crime or with pending criminal charges was a priority. Ex. 3 at 3. And although President Obama took a different approach to immigration enforcement overall, his administration agreed with the Trump Administration on the importance of immigration enforcement against criminals, including aliens who committed any felony, any “significant misdemeanor,” such as “domestic violence,”

“sexual abuse or exploitation,” “burglary,” “unlawful possession or use of a firearm,” “drug distribution or trafficking,” and “driving under the influence,” and aliens who were repeat offenders of even minor misdemeanors. Ex. 4 at 4–5.

35. Relying on these consistent efforts by the federal government to remove criminal aliens from Florida, and to do everything possible to ensure their efficacy, Florida passed Senate Bill 168 in 2019. It is codified in Chapter 908 of the Florida Statutes and requires all state and local officials to inform the federal government when they will release aliens from criminal custody, § 908.105, Fla. Stat.; *id.* § 908.102(6)(b); *id.* § 908.103, and even to detain those aliens pursuant to an immigration warrant if federal officials cannot arrive in time. § 908.105, Fla. Stat.; *id.* § 908.102(6)(a); *id.* § 908.103.

36. Florida’s sheriffs have also made significant efforts to facilitate cooperation with ICE, including 47 sheriffs’ offices entering formal cooperation agreements. The Florida Department of Corrections has also entered into such an agreement.

37. Florida has good reasons for seeking to assist the federal government. In fiscal year 2020, which ended September 2020, ICE’s Miami Office—its main office in Florida—removed 7,046 aliens.⁵ Of those, 3,476 were

⁵ U.S. Immigration and Customs Enforcement, *Removals by Field Office (Area of Responsibility) and Month* (FY2020), <https://www.ice.gov/doclib/news/library/reports/annual-report/ero-fy20-localstatistics.pdf>. This was down from 9,750 the previous year, likely due to

convicted criminals and 1,356 had pending criminal charges. In other words, 69% of these individuals, in addition to violating civil immigration laws, were caught engaging in criminal activity.

38. Moreover, according to the federal government's own study of the recidivism rates of state prisoners, "68% of released prisoners [are] arrested [again] within 3 years, 79% within 6 years, and 83% within 9 years."⁶ Further, because prisoners are often arrested numerous times after being released, the study found an average of five arrests *per prisoner* within the 9 years following release from state prison. Because of these high recidivism rates, the failure to remove criminal aliens necessarily results in additional crimes in Florida, victimizing Florida's citizenry and costing the State public funds and essential law enforcement resources.

The Biden Administration's Actions

39. On January 20, 2021, the day he took office, President Biden issued Executive Order 13993, Revisions of Civil Immigration Enforcement Policies and Priorities, 86 Fed. Reg. 7051 (Jan 20, 2021). That same day, DHS issued its stand down order. Ex. 1.

COVID. See U.S. Immigration and Customs Enforcement, *Removals by Field Office (Area of Responsibility) and Month (FY2019)*, <https://www.ice.gov/sites/default/files/documents/Report/2019/ero-fy19-localstatistics.pdf>.

⁶ U.S. Department of Justice, National Institute of Justice, *Measuring Recidivism* (Feb. 20, 2018), <https://nij.ojp.gov/topics/articles/measuring-recidivism#statistics>.

40. The January 20 Memo does three things. *First*, it requires review of the federal government’s existing immigration policies. Ex. 1 at 3.

41. *Second*, under the guise of “interim enforcement priorities,” the January 20 Memo orders DHS, effective February 1, to cease virtually all civil immigration enforcement except for removable aliens who came to the United States on or after November 1, 2020. As to the removable aliens who are already here, they get a free pass unless they are a terrorist, a spy, or an aggravated felon whom DHS separately determines to be a public-safety threat. Ex. 1 at 3–4.

42. *Third*, the memo orders “an immediate pause on removals of any noncitizen with a final order of removal . . . for 100 days,” subject to narrow exceptions. Ex. 1 at 4–5.

43. On January 26, 2021, a district court in the Southern District of Texas entered a nationwide temporary restraining order against the 100-day stay of removals, and on February 23, the court converted its order into a preliminary injunction. *Texas v. United States*, 2021 WL 723856, at *4, *53 (S.D. Tex. 2021).⁷

⁷ The “interim enforcement priorities” are not at issue in the Texas litigation.

44. On February 18, ICE issued another stand down order.⁸ Ex. 2. The February 18 Memo largely reiterates the “interim enforcement priorities.” It clarifies that DHS “anticipates” issuing new guidelines after 90 additional days, but that the January 20 and February 18 Memos are the authoritative, operative documents governing immigration enforcement unless DHS says otherwise. Ex. 2 at 2.

45. The February 18 Memo also purports not to prohibit civil immigration enforcement actions against those who fall outside the “enforcement priorities,” but it makes clear that, to do so, an ICE officer must submit a justification in writing and receive approval from the Field Office Director or Special Agent in Charge. Ex. 2 at 4, 6–7.

46. The February 18 Memo, with the permission of DHS, also modifies the “interim enforcement priorities” in one significant way. Ex. 2 at 2. It adds to the priority list removable aliens who are gang members, but only if ICE can prove that these gang members are furthering the illegal activity of the gang and separately determines them to be a public-safety threat. Ex. 2 at 5–6.

⁸ Because the 100-day stay of removals is enjoined nationwide, the February 18 Memo addresses only the “interim enforcement priorities.” Ex. 2 at 3.

47. Both the January 20 and February 18 Memos try to justify these actions based on “limited resources” and the COVID-19 pandemic. Ex. 1 at 2–3; Ex. 2 at 3.

Irreparable Harm to Florida

48. The agency action within the memos is irreparably harming Florida and will continue to do so.

49. As a result of the memos, ICE is refusing to take custody of scores of criminal aliens across the State—resulting in their release into Florida—and it will only get worse. The Florida Department of Corrections already reports seven instances of ICE refusing to take custody of serious criminals upon release from state custody. *See* Ex. 5; Ex. 6. According to emails from ICE to state officials, ICE is refusing to take custody of these aliens because they “do[] not meet the current interim civil immigration enforcement priorities issued on January 20, 2021.” Ex. 5 at 6.

50. The criminal activity of these seven aliens is disturbing. Several of them have multiple burglary convictions, Ex. 6 at 3, 6, 9, 12, including one who appears to have gone on a burglary spree, Ex. 6 at 9. A number also have serious drug convictions, including for cocaine and heroin trafficking. Ex. 6, at 6, 11–18.

51. These dangerous individuals apparently do not rise to the level of being a public-safety threat for the Biden Administration. They—and

other criminals like them—will be released back into Florida absent this Court's intervention. Some already have been.

52. And this only captures a small fraction of what is happening and will happen in Florida. Much of the State's cooperation with ICE goes on in local jails rather than state prisons. In Pasco County alone—just 1 of Florida's 67 counties—ICE has already canceled detainers⁹ for several aliens whose crimes include domestic violence and violating a restraining order.

53. Even extrapolating Pasco County's experience over Florida's other 66 counties would not fully capture the effect of the memos in Florida. The memos apply equally to federal inmates, and the federal inmate population in Florida is another 8,801 criminals, around 21% of which are aliens.

54. Moreover, almost 30% of ICE's civil immigration arrests—at least in fiscal year 2017—were at-large arrests. As a result of the memos, criminal aliens who have already been released and are currently at-large in Florida will not be arrested and detained by ICE, including, for example,

⁹ Detainers are ICE's request to be notified before an alien is released from criminal custody.

the aliens “with sex crime convictions” who were the target of an enforcement operation that the Biden Administration recently canceled.¹⁰

55. And the 100-day-removal pause will further contribute to the release of criminal aliens into Florida’s communities. *See Texas*, 2021 WL 723856, at *15. In fiscal year 2020, which ended September 2020, ICE’s Miami office removed 7,046 aliens.¹¹ Of those, 3,476 were convicted criminals and 1,356 had pending criminal charges.

56. And, because of the law surrounding alien detention, the longer an alien is detained following a final order of removal, and the less certain his prospects of actual removal, the more likely it is that ICE will release him. *See, e.g., Texas*, 2021 WL 723856, at *45 (discussing *Zadvydas v. Davis*, 533 U.S. 678, 683–84, 701 (2001)).

57. An increase in criminal aliens in Florida will cause a wide variety of harms.

58. *First*, given the high recidivism rates among those released from state prison, *see* ¶ 38, it is a statistical certainty that the scores of criminal aliens released into Florida will commit additional crimes in Florida. In fact,

¹⁰ Caitlin McFall, *Eighteen state AGs urge Biden to reverse cancellation of ICE operation targeting sex offenders* (Feb. 18, 2021), <https://www.foxnews.com/politics/18-state-ags-urge-biden-to-reverse-decision-to-cancel-ice-operation-targeting-sex-offenders>.

¹¹ U.S. Immigration and Customs Enforcement, *Removals by Field Office (Area of Responsibility) and Month* (FY2020), <https://www.ice.gov/doclib/news/library/reports/annual-report/ero-fy20-localstatistics.pdf>.

even just taking the seven aliens discussed above, a number of them had committed crimes before and been incarcerated in Florida's prison system. Ex. 6 at 6, 12.

59. *Second*, Florida is spending approximately \$120 million a year incarcerating aliens at the state level alone. When criminal aliens released back into Florida reoffend, they will be reincarcerated by Florida, resulting in an increase in those costs.

60. *Third*, the criminal activity of these aliens will drain the State's law enforcement resources, which will cost the State millions of dollars and, just as importantly, pull resources away from other public-safety threats.

61. *Fourth*, in addition to law enforcement costs, Florida spends additional resources on those engaged in criminal activity, including, for example, substance abuse and mental health services. For current patients who lack lawful immigration status, alone, the Department of Children and Families ("DCF") has spent over \$32 million on those services. And there may be some patients who lack lawful immigration status that DCF is not aware of.

62. *Fifth*, the criminal activity of these aliens will cost the State money and resources to care for the victims. The Attorney General's Office, for example, spent almost \$3.6 million last year on domestic violence relocation services. And DCF spends tens of millions of dollars, if not more,

on domestic-violence and child-welfare services for crime victims, including those who lack lawful immigration status.

63. Florida now seeks relief from this Court.

CLAIMS

COUNT 1

Agency action that is not in accordance with law and is in excess of authority

64. Florida repeats and incorporates by reference ¶¶ 1–63.

65. Under the Administrative Procedure Act (“APA”), a court must “hold unlawful and set aside agency action” that is “not in accordance with law” or “in excess of statutory . . . authority, or limitations, or short of statutory right.” *See* 5 U.S.C. § 706(2)(A), (C).

66. The January 20 and February 18 Memos violate 8 U.S.C. §§ 1226(c) and 1231(a)(1)(A).

67. Congress added § 1226(c) to “*subtract* some of th[e] discretion” DHS possessed under § 1226(a)—specifically, the discretion not to “arrest . . . criminal aliens.” *Preap*, 139 S. Ct. 966 (emphasis in original); *see id.* (“The Secretary *must* arrest those aliens guilty of a predicate offense.” (emphasis in original)).

68. The January 20 and February 18 Memos ignore this command in at least two ways. *First*, they limit DHS’s and ICE’s enforcement to terrorists,

spies, aggravated felons, and certain gang members. Ex. 1 at 3; Ex. 2 at 5–6. But § 1226(c)’s commands apply to aliens who commit many other crimes, including crimes of moral turpitude, 8 U.S.C. § 1182(a)(2)(A), *id.* § 1227(a)(2)(A)(i); crimes involving controlled substances, *id.* § 1182(a)(2)(A), *id.* § 1227(a)(2)(B); human trafficking, *id.* § 1182(a)(2)(H); money laundering, *id.* § 1182(a)(2)(I); and specified firearms offenses, *id.* § 1227(a)(2)(C). The memos ignore these requirements. *Second*, even for aggravated felons and specified gang members, the memos require a separate public-safety analysis, which contradicts the mandatory nature of § 1226(c). Ex. 1 at 3; Ex. 2 at 5–6.

69. In purporting to exercise discretion that does not exist, and in ignoring the clear statutory requirements of § 1226(c), the Defendants have violated the APA.

70. The same is true with respect to § 1231(a)(1)(A). “[T]he text, context, statutory history, and precedent” show that § 1231(a)(1)(A) “unambiguously means” that the Government “*must* remove” aliens with final orders of removal within 90 days of those orders. *Texas*, 2021 WL 723856, at *36, 38 (emphasis in original). In requiring a 100-day stay of removals, the agencies have violated the APA.

71. Because these acts are required by law, they are not discretionary. Therefore, the illegal actions contemplated by the memos are not committed to agency discretion by law.

72. Finally, the memos are final agency action because they “mark the consummation of the agencies’ decisionmaking process”—they are not “merely tentative or interlocutory.” *U.S. Army Corps of Eng’rs v. Hawkes Co.*, 136 S. Ct. 1807, 1813 (2016). And they determine “rights or obligations . . . from which legal consequences will flow.” *Id.*

73. As discussed above, the memos are already having irreversible and significant consequences for Florida. And one court has already held that the January 20 Memo’s 100-day stay of removals is final agency action. *Texas*, 2021 WL 723856 at *32. The “enforcement priorities” are for the same reasons.

COUNT 2

Arbitrary and capricious agency action

74. Florida repeats and incorporates by reference ¶¶ 1–63, 71–73.

75. Under the APA, a court must “hold unlawful and set aside agency action” that is “arbitrary [or] capricious.” 5 U.S.C. § 706(2)(A).

76. The agencies failed to provide adequate reasoning behind the factors they purported to consider, *Encino Motorcars, LLC v. Navarro*, 136 S. Ct. 2117, 2125 (2016), pointed to pretextual reasons, *Dep’t of Commerce v. New York*, 139 S. Ct. 2551, 2573–74 (2019), ignored important aspects of the

problem, *Michigan v. EPA*, 576 U.S. 743, 751–53, 759–60 (2015), and failed to justify their departing from the decades-old policy to enforce immigration laws against criminal aliens by considering lesser alternatives and reliance interests, *DHS v. Regents of the U. of Cal.*, 140 S. Ct. 1891, 1913 (2020); *FCC v. Fox Television Stations, Inc.*, 556 U.S. 502, 515 (2009).

77. First, DHS and ICE “point[ed] . . . to [no] data,” *Nat’l Treasury Emps. Union v. Horner*, 854 F.2d 490, 499 (D.C. Cir. 1988), to “explain why” they took the actions in the memos, *Motor Vehicle Mfrs. Ass’n, v. State Farm Mut. Auto. Ins. Co.*, 463 U.S. 29, 48 (1983). The agencies asserted that limited resources and COVID-19 justified their actions. But they provided no evidence to support this argument, particularly evidence as to why the myriad other laws the federal government enforces can continue but the vast majority of immigration enforcement must cease. *See Tripoli Rocketry Ass’n, v. ATF*, 437 F.3d 75, 77 (D.C. Cir. 2006) (vacating agency action because the agency offered no supporting evidence).

78. Second, and relatedly, the reasons DHS and ICE did provide were pretextual. *See Commerce*, 139 S. Ct. at 2573–74. As the Biden Administration

has admitted, the reason for the memos is that the Biden Administration *does not want* to enforce the immigration laws, not that it *can't*.¹²

79. *Third*, DHS and ICE ignored an important aspect of the problem: the massive costs imposed by its actions, including on States like Florida. Costs are “a centrally relevant factor when deciding whether to regulate.” *Michigan*, 576 U.S. at 752–53. The memos do not mention costs at all.

80. *Fourth*, DHS and ICE failed to explain their “extreme departure from prior practice,” *E. Bay Sanctuary Covenant v. Trump*, 349 F. Supp. 3d 838, 858 (N.D. Cal. 2018), as required by the APA, *Regents*, 140 S. Ct. at 1913. The memos combine for twelve pages of conclusory assertions such that DHS barely even “display[s] awareness that it *is* changing position.” *Fox Television*, 556 U.S. at 515 (emphasis in original).

81. And the agencies ignored lesser alternatives to their extreme departure that would still fall within the “ambit” of the Obama and Trump Administrations’ approach. *See* Ex. 3; Ex. 4.

82. DHS and ICE also ignored the reliance interests of States like Florida. Florida has relied on the federal government for decades to protect it from criminal-alien crime, including enacting an entire statutory scheme in

¹² *See* The White House, *Press Briefing by Press Secretary Jen Psaki* (Feb. 8, 2021), <https://www.whitehouse.gov/briefing-room/press-briefings/2021/02/08/press-briefing-by-press-secretary-jen-psaki-february-8-2021/>.

support of the federal government's practices, *see* Ch. 908, Fla. Stat., and entering into dozens of agreements with the federal government.

83. “Ignor[ing]” these reliance interests and failing to consider lesser alternatives is “arbitrary and capricious.” *Regents*, 140 S. Ct. at 1913.

84. The agencies’ actions in the memos are, therefore, arbitrary and capricious and should be set aside. 5 U.S.C. § 706.

COUNT 3

Failure to provide notice and comment

85. Florida repeats and incorporates by reference ¶¶ 1–63, 71–73.

86. The APA required DHS and ICE to provide notice of, and comment on, the memos because they are substantive rules that “affect individual rights and obligations.” *Chrysler Corp. v. Brown*, 441 U.S. 281, 303 (1979); *see* 5 U.S.C. § 553. One court has already held that the 100-day pause on removals required notice and comment, *Texas*, 2021 WL 723856, at *43–48, and the “enforcement priorities” do for the same reasons.

87. Further, the Eleventh Circuit has held that federal immigration officials must engage in rulemaking when changing a policy to detain *more* aliens. *Jean v. Nelson*, 711 F.2d 1455, 1469, 1476, 1478 (11th Cir. 1983). Changing a decades-old policy to detain *less* aliens (or to remove less aliens)—especially when doing so violates clear statutory commands—is no different.

COUNT 4

Violation of 8 U.S.C. § 1226(c)

88. Florida repeats and incorporates by reference ¶¶ 1–63, 66–68.

89. DHS and ICE have violated 8 U.S.C. § 1226(c) by ignoring its command to detain criminal aliens.

90. For the reasons described in Count 1, even putting the APA aside, DHS’s and ICE’s straightforward violations of federal law must be enjoined.

COUNT 5

Violation of 8 U.S.C. § 1231(a)(1)(A)

91. Florida repeats and incorporates by reference ¶¶ 1–63, 66, 70.

92. DHS and ICE have violated 8 U.S.C. § 1231(a)(1) by refusing for 100 days to remove aliens with final orders of removal.

93. For the reasons described in Count 1, even putting the APA aside, DHS’s and ICE’s straightforward violations of federal law must be enjoined.

COUNT 6

Violation of the take care clause

94. Florida repeats and incorporates by reference ¶¶ 1–63, 66–70.

95. The executive branch is tasked with “tak[ing] Care that the Laws be faithfully executed.” U.S. Const. art. II, § 3. This requirement applies to the Defendants. *See* U.S. Const. art. II, § 1, cl. 1 (vesting “[t]he executive Power” in the President).

96. The memos violate this requirement because they order DHS and ICE not to enforce federal law.

97. The memos therefore are unconstitutional and should be enjoined under the APA, 5 U.S.C. §706, or independent of the APA under the take-care clause itself.

Count 7

Violation of the separation of powers

98. Florida repeats and incorporates by reference ¶¶ 1–63, 66–70.

99. Where, as here, the executive branch “takes measures incompatible with the expressed or implied will of Congress, [its] power is at its lowest ebb.” *Youngstown Sheet & Tube Co. v. Sawyer*, 343 U.S. 579, 637 (Jackson, J., concurring).

100. Executive discretion over immigration is not inherent. Rather, authority over immigration belongs to Congress, *see* U.S. Const. Art. I, § 8, and the executive branch’s discretion flows from “the vague and sweeping language employed by Congress.” *Jean v. Nelson*, 727 F.2d 957, 967 (11th Cir. 1984). Therefore, where Congress instead uses specific, mandatory language, this broad discretion does not exist. *See id.* (“[E]xecutive officials function as agents of Congress in enforcing the law.”).

101. The memos therefore are ultra vires and unconstitutional.

PRAYER FOR RELIEF

For these reasons, Florida asks the Court to:

- a) Hold unlawful and set aside the January 20 Memo.
- b) Hold unlawful and set aside the February 18 Memo.
- c) Issue preliminary and permanent injunctive relief enjoining Defendants from enforcing the January 20 Memo.
- d) Issue preliminary and permanent injunctive relief enjoining Defendants from enforcing the February 18 Memo.
- e) Issue declaratory relief declaring the January 20 Memo ultra vires and unconstitutional.
- f) Issue declaratory relief declaring the February 18 Memo ultra vires and unconstitutional.
- g) Postpone the effective date of the January 20 Memo.
- h) Postpone the effective date of the February 18 Memo.
- i) Award Florida costs and reasonable attorney's fees.
- j) Award such other relief as the Court deems equitable and just.

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) **Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
 - (b) **County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
 - (c) **Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. **Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
- United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
- Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
- Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. **Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. **Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. **Origin.** Place an "X" in one of the seven boxes.
- Original Proceedings. (1) Cases which originate in the United States district courts.
- Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
- Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
- Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
- Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
- Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
- Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
- PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. **Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.
- VII. **Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
- Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
- Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. **Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

Secretary
U.S. Department of Homeland Security
Washington, DC 20528

**Homeland
Security**

January 20, 2021

MEMORANDUM FOR: Troy Miller
Senior Official Performing the Duties of the Commissioner
U.S. Customs and Border Protection

Tae Johnson
Acting Director
U.S. Immigration and Customs Enforcement

Tracey Renaud
Senior Official Performing the Duties of the Director
U.S. Citizenship and Immigration Services

CC: Karen Olick
Chief of Staff

FROM: David Pekoske *David P. Pekoske*
Acting Secretary

SUBJECT: **Review of and Interim Revision to Civil Immigration
Enforcement and Removal Policies and Priorities**

This memorandum directs Department of Homeland Security components to conduct a review of policies and practices concerning immigration enforcement. It also sets interim policies during the course of that review, including a 100-day pause on certain removals to enable focusing the Department's resources where they are most needed. The United States faces significant operational challenges at the southwest border as it is confronting the most serious global public health crisis in a century. In light of those unique circumstances, the Department must surge resources to the border in order to ensure safe, legal and orderly processing, to rebuild fair and effective asylum procedures that respect human rights and due process, to adopt appropriate public health guidelines and protocols, and to prioritize responding to threats to national security, public safety, and border security.

This memorandum should be considered Department-wide guidance, applicable to the activities of U.S. Immigration and Customs Enforcement (ICE), U.S. Customs and Border Protection (CBP), and U.S. Citizenship and Immigration Services (USCIS).

A. Comprehensive Review of Enforcement Policies and Priorities

The Chief of Staff shall coordinate a Department-wide review of policies and practices concerning immigration enforcement. Pursuant to the review, each component shall develop recommendations to address aspects of immigration enforcement, including policies for prioritizing the use of enforcement personnel, detention space, and removal assets; policies governing the exercise of prosecutorial discretion; policies governing detention; and policies regarding interaction with state and local law enforcement. These recommendations shall ensure that the Department carries out our duties to enforce the law and serve the Department's mission in line with our values. The Chief of Staff shall provide recommendations for the issuance of revised policies at any point during this review and no later than 100 days from the date of this memo.

The memoranda in the attached appendix are hereby rescinded and superseded.

B. Interim Civil Enforcement Guidelines

Due to limited resources, DHS cannot respond to all immigration violations or remove all persons unlawfully in the United States. Rather, DHS must implement civil immigration enforcement based on sensible priorities and changing circumstances. DHS's civil immigration enforcement priorities are protecting national security, border security, and public safety. The review directed in section A will enable the development, issuance, and implementation of detailed revised enforcement priorities. In the interim and pending completion of that review, the Department's priorities shall be:

1. **National security.** Individuals who have engaged in or are suspected of terrorism or espionage, or whose apprehension, arrest and/or custody is otherwise necessary to protect the national security of the United States.
2. **Border security.** Individuals apprehended at the border or ports of entry while attempting to unlawfully enter the United States on or after November 1, 2020, or who were not physically present in the United States before November 1, 2020.
3. **Public safety.** Individuals incarcerated within federal, state, and local prisons and jails released on or after the issuance of this memorandum who have been convicted of an "aggravated felony," as that term is defined in section 101(a) (43) of the Immigration and Nationality Act at the time of conviction, and are determined to pose a threat to public safety.

These priorities shall apply not only to the decision to issue, serve, file, or cancel a Notice to Appear, but also to a broad range of other discretionary enforcement decisions, including deciding: whom to stop, question, and arrest; whom to detain or release; whether to settle, dismiss, appeal, or join in a motion on a case; and whether to grant deferred action or parole. In

addition, all enforcement and detention decisions shall be guided by DHS's ability to conduct operations and maintain custody consistent with applicable COVID-19 protocols.

While resources should be allocated to the priorities enumerated above, nothing in this memorandum prohibits the apprehension or detention of individuals unlawfully in the United States who are not identified as priorities herein. In order to ensure appropriate allocation of resources and exercise of prosecutorial discretion, the Acting Director of ICE shall issue operational guidance on the implementation of these priorities. This guidance shall contain a protocol for the Acting Secretary to conduct a periodic review of enforcement actions to ensure consistency with the priorities set forth in this memorandum. This guidance shall also include a process for the Director of ICE to review and approve of any civil immigration enforcement actions against individuals outside of federal, state or local prisons or jails.

These interim enforcement priorities shall go into effect on February 1, 2021 and remain in effect until superseded by revised priorities developed in connection with the review directed in section A.

C. Immediate 100-Day Pause on Removals

In light of the unique circumstances described above, DHS's limited resources must be prioritized to: (1) provide sufficient staff and resources to enhance border security and conduct immigration and asylum processing at the southwest border fairly and efficiently; and (2) comply with COVID-19 protocols to protect the health and safety of DHS personnel and those members of the public with whom DHS personnel interact. In addition, we must ensure that our removal resources are directed to the Department's highest enforcement priorities. Accordingly, and pending the completion of the review set forth in section A, I am directing an immediate pause on removals of any noncitizen¹ with a final order of removal (except as noted below) for 100 days to go into effect as soon as practical and no later than January 22, 2021.

The pause on removals applies to any noncitizen present in the United States when this directive takes effect with a final order of removal except one who:

1. According to a written finding by the Director of ICE, has engaged in or is suspected of terrorism or espionage, or otherwise poses a danger to the national security of the United States; or
2. Was not physically present in the United States before November 1, 2020; or
3. Has voluntarily agreed to waive any rights to remain in the United States, provided that he or she has been made fully aware of the consequences of waiver

¹ "Noncitizen" as used in this memorandum does not include noncitizen nationals of the United States.

and has been given a meaningful opportunity to access counsel prior to signing the waiver;² or

4. For whom the Acting Director of ICE, following consultation with the General Counsel, makes an individualized determination that removal is required by law.

No later than February 1, 2021, the Acting Director of ICE shall issue written instructions with additional operational guidance on the further implementation of this removal pause. The guidance shall include a process for individualized review and consideration of the appropriate disposition for individuals who have been ordered removed for 90 days or more, to the extent necessary to implement this pause. The process shall provide for assessments of alternatives to removal including, but not limited to, staying or reopening cases, alternative forms of detention, custodial detention, whether to grant temporary deferred action, or other appropriate action.

D. No Private Right Statement

These guidelines and priorities are not intended to, do not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by any party in any administrative, civil, or criminal matter.

² A voluntary waiver encompasses noncitizens who stipulate to removal as part of a criminal disposition.

MEMORANDUM FOR: All ICE Employees

FROM: Tae D. Johnson 
Acting Director

SUBJECT: Interim Guidance: Civil Immigration Enforcement and
Removal Priorities

Purpose

This memorandum establishes interim guidance in support of the interim civil immigration enforcement and removal priorities that Acting Secretary Pekoske issued on January 20, 2021. Acting Secretary Pekoske issued the interim priorities in his memorandum titled, *Review of and Interim Revision to Civil Immigration Enforcement and Removal Policies and Priorities* (Interim Memo).

This interim guidance is effective immediately. It applies to all U.S. Immigration and Customs Enforcement (ICE) Directorates and Program Offices, and it covers enforcement actions, custody decisions, the execution of final orders of removal, financial expenditures, and strategic planning.

This interim guidance will remain in effect until Secretary Mayorkas issues new enforcement guidelines. The Secretary has informed me that he will issue new guidelines only after consultation with the leadership and workforce of ICE, U.S. Customs and Border Protection, and other Department of Homeland Security (Department) agencies and offices. He anticipates issuing these guidelines in less than 90 days.

I have requested approval of certain revisions to the Interim Memo until the Secretary issues new enforcement guidelines. My requested revisions have been approved, and they are incorporated into this guidance. To the extent this guidance conflicts with the Interim Memo, this guidance controls. As you will read below, the revisions include, but are not limited to: (1) authorization to apprehend presumed priority noncitizens¹ in at-large enforcement actions without advance approval; (2) the inclusion of current qualifying members of criminal gangs and transnational criminal organizations as presumed enforcement priorities; (3) authorization to apprehend

¹ For purposes of this memorandum, "noncitizen" means any person as defined in section 101(a)(3) of the Immigration and Nationality Act (INA).

without prior approval other presumed priority noncitizens who are encountered during enforcement operations; (4) how to evaluate whether a noncitizen who is not a presumed priority nevertheless poses a public safety threat and should be apprehended; (5) the further delegation of approval authority; and (6) the importance of providing advance notice of at-large enforcement actions to state and local law enforcement.

Section C of the Interim Memo has been enjoined. This memorandum does not implement, nor take into account, Section C. This memorandum implements Section B (Interim Civil Enforcement Guidelines).

Background

On January 20, 2021, President Biden issued Executive Order (EO) 13993, Revision of Civil Immigration Enforcement Policies and Priorities, 86 Fed. Reg. 7051 (Jan. 25, 2021), which articulated the Administration's baseline values and priorities for the enforcement of the civil immigration laws.

On the same day, Acting Secretary Pekoske issued the Interim Memo. The Interim Memo did four things. First, it directed a comprehensive Department-wide review of civil immigration enforcement policies. Second, it established interim civil immigration enforcement priorities for the Department. Third, it instituted a 100-day pause on certain removals pending the review. Fourth, it rescinded several existing policy memoranda, including two ICE-related memoranda, as inconsistent with EO 13993.² The Interim Memo further directed that ICE issue interim guidance implementing the revised enforcement priorities and the removal pause.

On January 26, 2021, the U.S. District Court for the Southern District of Texas issued a temporary restraining order (TRO) enjoining the Department from enforcing and implementing the 100-day removal pause in Section C.

Like other national security and public safety agencies, ICE operates in an environment of limited resources. Due to these limited resources, ICE has always prioritized, and necessarily must prioritize, certain enforcement and removal actions over others.

In addition to resource constraints, several other factors render ICE's mission particularly complex. These factors include ongoing litigation in various fora; the health and safety of the ICE workforce and those in its custody, particularly during the current COVID-19 pandemic; the responsibility to ensure that eligible noncitizens are able to pursue relief from removal under the immigration laws; and the requirements of, and, relationships with, sovereign nations, whose laws and expectations can place additional constraints on ICE's ability to execute final orders of removal.

² Memorandum from Matthew T. Albence, Exec. Assoc. Dir., ICE, to All ERO Employees, *Implementing the President's Border Security and Interior Immigration Enforcement Policies* (Feb. 21, 2017); Memorandum from Tracy Short, Principal Legal Advisor, ICE, to All OPLA Attorneys, *Guidance to OPLA Attorneys Regarding Implementation of the President's Executive Orders and the Secretary's Directives on Immigration Enforcement* (Aug. 15, 2017).

Accordingly, in executing its critical national security, border security, and public safety mission, the Department must exercise its well-established prosecutorial discretion and prioritize its limited resources to most effectively achieve that mission.

Civil Immigration Enforcement and Removal Priorities

In support of the interim priorities, the guidance established in this memorandum shall be applied to all civil immigration enforcement and removal decisions made after the issuance of this memorandum. The civil immigration enforcement and removal decisions include, but are not limited to, the following:³

- Deciding whether to issue a detainer, or whether to assume custody of a noncitizen subject to a previously issued detainer;
- Deciding whether to issue, reissue, serve, file, or cancel a Notice to Appear;
- Deciding whether to focus resources only on administrative violations or conduct;
- Deciding whether to stop, question, or arrest a noncitizen for an administrative violation of the civil immigration laws;
- Deciding whether to detain or release from custody subject to conditions;
- Deciding whether to grant deferred action or parole; and
- Deciding when and under what circumstances to execute final orders of removal.

For ease of reference, the interim priorities identified in the Interim Memo, and as revised by this guidance, are set forth below along with further explanation.

As a preliminary matter, it is vitally important to note that the interim priorities do not require or prohibit the arrest, detention, or removal of any noncitizen. Rather, officers and agents are expected to exercise their discretion thoughtfully, consistent with ICE's important national security, border security, and public safety mission. Enforcement and removal actions that meet the criteria described below are presumed to be a justified allocation of ICE's limited resources. Actions not reflected in the criteria described below may also be justified, but they are subject to advance review as outlined further below.

In determining whether to pursue an action that falls outside the criteria described below, all relevant facts and circumstances regarding the noncitizen should be considered. For instance, officers and agents should consider: whether there are criminal convictions; the seriousness and recency of such convictions, and the sentences imposed; the law enforcement resources that have been spent; whether a threat can be addressed through other means, such as through recourse to criminal law enforcement authorities at the federal, state, or local level, or to public health and other civil authorities at the state or local level; and, other relevant factors (including, for example, the mitigating factors identified on page 5).

³ As discussed above, the Department is enjoined from enforcing the Immediate 100-Day Pause on Removals in the Interim Memo. This following interim guidance should not be read to permit implementation of Section C of the Interim Memo.

Interim Guidance: Civil Immigration Enforcement and Removal Priorities
Page 4 of 7

Criteria Defining Cases That Are Presumed to be Priorities

Priority Category 1: National Security. A noncitizen is *presumed* to be a national security enforcement and removal priority if:

- 1) he or she has engaged in or is suspected of engaging in terrorism or terrorism-related activities;
- 2) he or she has engaged in or is suspected of engaging in espionage or espionage-related activities;⁴ or
- 3) his or her apprehension, arrest, or custody is otherwise necessary to protect the national security of the United States.

In evaluating whether a noncitizen's "apprehension, arrest, or custody is otherwise necessary to protect" national security, officers and agents should determine whether a noncitizen poses a threat to United States sovereignty, territorial integrity, national interests, or institutions. General criminal activity does not amount to a national security threat (as distinguished from a public safety threat) and is discussed below.

Priority Category 2: Border Security. A noncitizen is *presumed* to be a border security enforcement and removal priority if:

- 1) he or she was apprehended at the border or a port of entry while attempting to unlawfully enter the United States on or after November 1, 2020⁵; or
- 2) he or she was not physically present in the United States before November 1, 2020.

To be clear, the border security priority includes any noncitizen who unlawfully entered the United States on or after November 1, 2020.

Priority Category 3: Public Safety. A noncitizen is *presumed* to be a public safety enforcement and removal priority if he or she poses a threat to public safety and:

- 1) he or she has been convicted of an aggravated felony as defined in section 101(a)(43) of the INA⁶; or

⁴ For purposes of the national security enforcement priority, the terms "terrorism or terrorism-related activities" and "espionage or espionage-related activities" should be applied consistent with (1) the definitions of "terrorist activity" and "engage in terrorist activity" in section 212(a)(3)(B)(iii)-(iv) of the INA, and (2) the manner in which the term "espionage" is generally applied in the immigration laws.

⁵ The statutory mandates in Section 235 of the INA (regarding asylum seekers) continue to apply to noncitizens.

⁶ This criterion tracks Congress's prioritization of aggravated felonies for immigration enforcement actions. Whether an individual has been convicted of an aggravated felony is a complex question that may involve securing and analyzing a host of conviction documents, many of which may not be immediately available to officers and agents. Even when all conviction documents are available, whether a conviction is for an aggravated felony may be a novel question under applicable law. Accordingly, in deciding whether a noncitizen has been convicted of an

Interim Guidance: Civil Immigration Enforcement and Removal Priorities
Page 5 of 7

- 2) he or she has been convicted of an offense for which an element was active participation in a criminal street gang, as defined in 18 U.S.C. § 521(a), or is not younger than 16 years of age and intentionally participated in an organized criminal gang or transnational criminal organization to further the illegal activity of the gang or transnational criminal organization.

In evaluating whether a noncitizen currently “pose[s] a threat to public safety,” officers and agents are to consider the extensiveness, seriousness, and recency of the criminal activity. Officers and agents are to also consider mitigating factors, including, but not limited to, personal and family circumstances, health and medical factors, ties to the community, evidence of rehabilitation, and whether the individual has potential immigration relief available.

Officers are to base their conclusions about intentional participation in an organized criminal gang or transnational criminal organization on reliable evidence and consult with the Field Office Director (FOD) or Special Agent in Charge (SAC) in reaching this conclusion.

Particular attention is to be exercised in cases involving noncitizens who are elderly or are known to be suffering from serious physical or mental illness. Similarly, particular attention is to be exercised with respect to noncitizens who have pending petitions for review on direct appeal from an order of removal; have filed only one motion to reopen removal proceedings, and such a motion either remains pending or is on direct appeal via a petition for review; or have pending applications for immigration relief and are prima facie eligible for such relief. In such cases, execution of removal orders should have a compelling reason and are to have approval from the FOD.

A civil enforcement or removal action that does not meet the above criteria for presumed priority cases will require preapproval as described below.

Enforcement and Removal Actions: Approval, Coordination, and Data Collection

To ensure compliance with this guidance and consistency across geographic areas of responsibility, and to facilitate a dialogue between headquarters and field leadership about the effectiveness of the interim guidance, ICE will require that field offices collect data on the nature and type of enforcement and removal actions they perform. In addition, ICE will require field offices to coordinate their operations and obtain preapproval for enforcement and removal actions that do not meet the above criteria for presumed priority cases. The data and coordination will inform the development of the Secretary’s new enforcement guidance.

No Preapproval Required for Presumed Priority Cases

Officers and agents need not obtain preapproval for enforcement or removal actions that meet the above criteria for presumed priority cases, beyond what existing policy requires and what a supervisor instructs.

aggravated felony for purposes of this memorandum, officers and agents must have a good-faith belief based on either a final administrative determination, available conviction records, or the advice of agency legal counsel.

Interim Guidance: Civil Immigration Enforcement and Removal Priorities
Page 6 of 7

Preapproval for Other Priority Cases

Any civil immigration enforcement or removal actions that do not meet the above criteria for presumed priority cases will require preapproval from the FOD or SAC. In deciding to undertake an enforcement action or removal, the agent or officer must consider, in consultation with his or her leadership, the nature and recency of the noncitizen's convictions, the type and length of sentences imposed, whether the enforcement action is otherwise an appropriate use of ICE's limited resources, and other relevant factors. In requesting this preapproval, the officer or agent must raise a written justification through the chain of command, explaining why the action otherwise constitutes a justified allocation of limited resources, and identify the date, time, and location the enforcement action or removal is expected to take place.

The approval to carry out an enforcement action against a particular noncitizen will not authorize enforcement actions against other noncitizens encountered during an operation if those noncitizens fall outside the presumption criteria identified above. An approval to take an enforcement action against any other noncitizen encountered who is not a presumed priority must be separately secured as described above.

In some cases, exigent circumstances and the demands of public safety will make it impracticable to obtain preapproval for an at-large enforcement action. While it is impossible to preconceive all such circumstances, they generally will be limited to situations where a noncitizen poses an imminent threat to life or an imminent substantial threat to property. If preapproval is impracticable, an officer or agent should conduct the enforcement action and then request approval as described above within 24 hours following the action.⁷

As always, it is important that ICE endeavor to remove noncitizens with final removal orders who have remained in post-order detention for more than 90 days. ICE will continue to review such noncitizens' cases on a regular basis, consistent with existing law and policy. ICE will endeavor to remove such noncitizens consistent with legal requirements and national, border security, and public safety priorities.

Periodically, ICE receives requests to exercise some form of individualized discretion in the interests of law and justice. ICE will create and maintain a system by which personnel can evaluate these individualized requests.

Notice of At-Large Enforcement Actions

The execution of an at-large enforcement action should be preceded by notification to the relevant state and local law enforcement agency or agencies. This notification will advance

⁷ Where approval is sought following the enforcement action due to exigent circumstances, the request shall explain the exigency, where and when the enforcement activity took place, and whether the noncitizen is currently detained. Additionally, when the location of a proposed or completed enforcement action is a courthouse, as defined in ICE Directive 11072.1: Civil Immigration Enforcement Actions Inside Courthouses (Jan. 10, 2018, or as superseded), or a sensitive location, as defined in ICE Directive No. 10029.2, Enforcement Actions at or Focused on Sensitive Locations (Oct. 24, 2011, or as superseded), that should be explicitly highlighted in the request.

public safety and help ensure that planned immigration enforcement actions do not improperly interfere with state and local law enforcement investigations and actions.

Weekly Reporting of All Enforcement and Removal Actions

The Director will review all enforcement actions to ensure compliance with this guidance and consistency across geographic areas of responsibility and to facilitate a dialogue between headquarters and field leadership about the effectiveness of the interim priorities.

Each Friday, the Executive Associate Directors for Enforcement and Removal Operations and Homeland Security Investigations will compile and provide to the Office of the Director, the Office of the Deputy Director, and the Office of Policy and Planning (OPP), a written report: (1) identifying each enforcement action taken in the prior week, including the applicable priority criterion, if any; (2) providing a narrative justification of the action; and (3) identifying the date, time, and location of the action.

In addition, each Friday the Executive Associate Director for Enforcement and Removal Operations will provide to the Office of the Director, the Office of the Deputy Director, and OPP, a written report: (1) identifying each removal in the prior week, including the applicable priority criterion, if any; (2) providing a narrative justification of the removal; and (3) identifying the date, time, and location of the removal.

These reporting requirements will be assessed periodically during this interim period to ensure that they are both productive and manageable.

The weekly reports will be made available to the Office of the Secretary.

Questions

Questions regarding this interim guidance or the Interim Memo should be directed to OPP through the chain of command and Directorate or Program Office leadership. Answers to frequently asked policy questions will be published on OPP's inSight page on an ongoing basis. Please note, however, that case-specific questions should generally be addressed by Directorate or Program Office leadership.

No Private Right Statement

These guidelines and priorities are not intended to, do not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by any party in any administrative, civil, or criminal matter.

SUBJECT:

Enforcement of the Immigration Laws to Serve the National Interest

This memorandum implements the Executive Order entitled "Enhancing Public Safety in the Interior of the United States," issued by the President on January 25, 2017. It constitutes guidance for all Department personnel regarding the enforcement of the immigration laws of the United States, and is applicable to the activities of U.S. Immigration and Customs Enforcement (ICE), U.S. Customs and Border Protection (CBP), and U.S. Citizenship and Immigration Services (USCIS). As such, it should inform enforcement and removal activities, detention decisions, administrative litigation, budget requests and execution, and strategic planning.

www.dhs.gov

With the exception of the June 15, 2012, memorandum entitled “Exercising Prosecutorial Discretion with Respect to Individuals Who Came to the United States as Children,” and the November 20, 2014 memorandum entitled “Exercising Prosecutorial Discretion with Respect to Individuals Who Came to the United States as Children and with Respect to Certain Individuals Who Are the Parents of U.S. Citizens or Permanent Residents,”¹ all existing conflicting directives, memoranda, or field guidance regarding the enforcement of our immigration laws and priorities for removal are hereby immediately rescinded—to the extent of the conflict—including, but not limited to, the November 20, 2014, memoranda entitled “Policies for the Apprehension, Detention and Removal of Undocumented Immigrants,” and “Secure Communities.”

A. The Department’s Enforcement Priorities

Congress has defined the Department’s role and responsibilities regarding the enforcement of the immigration laws of the United States. Effective immediately, and consistent with Article II, Section 3 of the United States Constitution and Section 3331 of Title 5, United States Code, Department personnel shall faithfully execute the immigration laws of the United States against all removable aliens.

Except as specifically noted above, the Department no longer will exempt classes or categories of removable aliens from potential enforcement. In faithfully executing the immigration laws, Department personnel should take enforcement actions in accordance with applicable law. In order to achieve this goal, as noted below, I have directed ICE to hire 10,000 officers and agents expeditiously, subject to available resources, and to take enforcement actions consistent with available resources. However, in order to maximize the benefit to public safety, to stem unlawful migration and to prevent fraud and misrepresentation, Department personnel should prioritize for removal those aliens described by Congress in Sections 212(a)(2), (a)(3), and (a)(6)(C), 235(b) and (c), and 237(a)(2) and (4) of the Immigration and Nationality Act (INA).

Additionally, regardless of the basis of removability, Department personnel should prioritize removable aliens who: (1) have been convicted of any criminal offense; (2) have been charged with any criminal offense that has not been resolved; (3) have committed acts which constitute a chargeable criminal offense; (4) have engaged in fraud or willful misrepresentation in connection with any official matter before a governmental agency; (5) have abused any program related to receipt of public benefits; (6) are subject to a final order of removal but have not complied with their legal obligation to depart the United States; or (7) in the judgment of an immigration officer, otherwise pose a risk to public safety or national security. The Director of ICE, the Commissioner of CBP, and the Director of USCIS may, as they determine is appropriate, issue further guidance to allocate appropriate resources to prioritize enforcement activities within these categories—for example, by prioritizing enforcement activities against removable aliens who are convicted felons or who are involved in gang activity or drug trafficking.

¹ The November 20, 2014, memorandum will be addressed in future guidance.

B. Strengthening Programs to Facilitate the Efficient and Faithful Execution of the Immigration Laws of the United States

Facilitating the efficient and faithful execution of the immigration laws of the United States—and prioritizing the Department’s resources—requires the use of all available systems and enforcement tools by Department personnel.

Through passage of the immigration laws, Congress established a comprehensive statutory regime to remove aliens expeditiously from the United States in accordance with all applicable due process of law. I determine that the faithful execution of our immigration laws is best achieved by using all these statutory authorities to the greatest extent practicable. Accordingly, Department personnel shall make full use of these authorities.

Criminal aliens have demonstrated their disregard for the rule of law and pose a threat to persons residing in the United States. As such, criminal aliens are a priority for removal. The Priority Enforcement Program failed to achieve its stated objectives, added an unnecessary layer of uncertainty for the Department’s personnel, and hampered the Department’s enforcement of the immigration laws in the interior of the United States. Effective immediately, the Priority Enforcement Program is terminated and the Secure Communities Program shall be restored. To protect our communities and better facilitate the identification, detention, and removal of criminal aliens within constitutional and statutory parameters, the Department shall eliminate the existing Forms I-247D, I-247N, and I-247X, and replace them with a new form to more effectively communicate with recipient law enforcement agencies. However, until such forms are updated they may be used as an interim measure to ensure that detainers may still be issued, as appropriate.

ICE’s Criminal Alien Program is an effective tool to facilitate the removal of criminal aliens from the United States, while also protecting our communities and conserving the Department’s detention resources. Accordingly, ICE should devote available resources to expanding the use of the Criminal Alien Program in any willing jurisdiction in the United States. To the maximum extent possible, in coordination with the Executive Office for Immigration Review (EOIR), removal proceedings shall be initiated against aliens incarcerated in federal, state, and local correctional facilities under the Institutional Hearing and Removal Program pursuant to section 238(a) of the INA, and administrative removal processes, such as those under section 238(b) of the INA, shall be used in all eligible cases.

The INA § 287(g) Program has been a highly successful force multiplier that allows a qualified state or local law enforcement officer to be designated as an “immigration officer” for purposes of enforcing federal immigration law. Such officers have the authority to perform all law enforcement functions specified in section 287(a) of the INA, including the authority to investigate, identify, apprehend, arrest, detain, and conduct searches authorized under the INA, under the direction and supervision of the Department.

There are currently 32 law enforcement agencies in 16 states participating in the 287(g)

Program. In previous years, there were significantly more law enforcement agencies participating in the 287(g) Program. To the greatest extent practicable, the Director of ICE and Commissioner of CBP shall expand the 287(g) Program to include all qualified law enforcement agencies that request to participate and meet all program requirements. In furtherance of this direction and the guidance memorandum, “Implementing the President’s Border Security and Immigration Enforcement Improvements Policies” (Feb. 20, 2017), the Commissioner of CBP is authorized, in addition to the Director of ICE, to accept State services and take other actions as appropriate to carry out immigration enforcement pursuant to section 287(g) of the INA.

C. Exercise of Prosecutorial Discretion

Unless otherwise directed, Department personnel may initiate enforcement actions against removable aliens encountered during the performance of their official duties and should act consistently with the President’s enforcement priorities identified in his Executive Order and any further guidance issued pursuant to this memorandum. Department personnel have full authority to arrest or apprehend an alien whom an immigration officer has probable cause to believe is in violation of the immigration laws. They also have full authority to initiate removal proceedings against any alien who is subject to removal under any provision of the INA, and to refer appropriate cases for criminal prosecution. The Department shall prioritize aliens described in the Department’s Enforcement Priorities (Section A) for arrest and removal. This is not intended to remove the individual, case-by-case decisions of immigration officers.

The exercise of prosecutorial discretion with regard to any alien who is subject to arrest, criminal prosecution, or removal in accordance with law shall be made on a case-by-case basis in consultation with the head of the field office component, where appropriate, of CBP, ICE, or USCIS that initiated or will initiate the enforcement action, regardless of which entity actually files any applicable charging documents: CBP Chief Patrol Agent, CBP Director of Field Operations, ICE Field Office Director, ICE Special Agent-in-Charge, or the USCIS Field Office Director, Asylum Office Director or Service Center Director.

Except as specifically provided in this memorandum, prosecutorial discretion shall not be exercised in a manner that exempts or excludes a specified class or category of aliens from enforcement of the immigration laws. The General Counsel shall issue guidance consistent with these principles to all attorneys involved in immigration proceedings.

D. Establishing the Victims of Immigration Crime Engagement (VOICE) Office

Criminal aliens routinely victimize Americans and other legal residents. Often, these victims are not provided adequate information about the offender, the offender’s immigration status, or any enforcement action taken by ICE against the offender. Efforts by ICE to engage these victims have been hampered by prior Department of Homeland Security (DHS) policy extending certain Privacy Act protections to persons other than U.S. citizens and lawful permanent residents, leaving victims feeling marginalized and without a voice. Accordingly, I am establishing the Victims of Immigration Crime Engagement (VOICE) Office within the Office of

the Director of ICE, which will create a programmatic liaison between ICE and the known victims of crimes committed by removable aliens. The liaison will facilitate engagement with the victims and their families to ensure, to the extent permitted by law, that they are provided information about the offender, including the offender's immigration status and custody status, and that their questions and concerns regarding immigration enforcement efforts are addressed.

To that end, I direct the Director of ICE to immediately reallocate any and all resources that are currently used to advocate on behalf of illegal aliens (except as necessary to comply with a judicial order) to the new VOICE Office, and to immediately terminate the provision of such outreach or advocacy services to illegal aliens.

Nothing herein may be construed to authorize disclosures that are prohibited by law or may relate to information that is Classified, Sensitive but Unclassified (SBU), Law Enforcement Sensitive (LES), For Official Use Only (FOUO), or similarly designated information that may relate to national security, law enforcement, or intelligence programs or operations, or disclosures that are reasonably likely to cause harm to any person.

E. Hiring Additional ICE Officers and Agents

To enforce the immigration laws effectively in the interior of the United States in accordance with the President's directives, additional ICE agents and officers are necessary. The Director of ICE shall—while ensuring consistency in training and standards—take all appropriate action to expeditiously hire 10,000 agents and officers, as well as additional operational and mission support and legal staff necessary to hire and support their activities. Human Capital leadership in CBP and ICE, in coordination with the Under Secretary for Management and the Chief Human Capital Officer, shall develop hiring plans that balance growth and interagency attrition by integrating workforce shaping and career paths for incumbents and new hires.

F. Establishment of Programs to Collect Authorized Civil Fines and Penalties

As soon as practicable, the Director of ICE, the Commissioner of CBP, and the Director of USCIS shall issue guidance and promulgate regulations, where required by law, to ensure the assessment and collection of all fines and penalties which the Department is authorized under the law to assess and collect from aliens and from those who facilitate their unlawful presence in the United States.

G. Aligning the Department's Privacy Policies With the Law

The Department will no longer afford Privacy Act rights and protections to persons who are neither U.S. citizens nor lawful permanent residents. The DHS Privacy Office will rescind the DHS *Privacy Policy Guidance memorandum*, dated January 7, 2009, which implemented the DHS "mixed systems" policy of administratively treating all personal information contained in DHS record systems as being subject to the Privacy Act regardless of the subject's immigration status. The DHS Privacy Office, with the assistance of the Office of the General Counsel, will

develop new guidance specifying the appropriate treatment of personal information DHS maintains in its record systems.

H. Collecting and Reporting Data on Alien Apprehensions and Releases

The collection of data regarding aliens apprehended by ICE and the disposition of their cases will assist in the development of agency performance metrics and provide transparency in the immigration enforcement mission. Accordingly, to the extent permitted by law, the Director of ICE shall develop a standardized method of reporting statistical data regarding aliens apprehended by ICE and, at the earliest practicable time, provide monthly reports of such data to the public without charge.

The reporting method shall include uniform terminology and shall utilize a format that is easily understandable by the public and a medium that can be readily accessed. At a minimum, in addition to statistical information currently being publicly reported regarding apprehended aliens, the following categories of information must be included: country of citizenship, convicted criminals and the nature of their offenses, gang members, prior immigration violators, custody status of aliens and, if released, the reason for release and location of their release, aliens ordered removed, and aliens physically removed or returned.

The ICE Director shall also develop and provide a weekly report to the public, utilizing a medium that can be readily accessed without charge, of non-Federal jurisdictions that release aliens from their custody, notwithstanding that such aliens are subject to a detainer or similar request for custody issued by ICE to that jurisdiction. In addition to other relevant information, to the extent that such information is readily available, the report shall reflect the name of the jurisdiction, the citizenship and immigration status of the alien, the arrest, charge, or conviction for which each alien was in the custody of that jurisdiction, the date on which the ICE detainer or similar request for custody was served on the jurisdiction by ICE, the date of the alien's release from the custody of that jurisdiction and the reason for the release, an explanation concerning why the detainer or similar request for custody was not honored, and all arrests, charges, or convictions occurring after the alien's release from the custody of that jurisdiction.

I. No Private Right of Action

This document provides only internal DHS policy guidance, which may be modified, rescinded, or superseded at any time without notice. This guidance is not intended to, does not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by any party in any administrative, civil, or criminal matter. Likewise, no limitations are placed by this guidance on the otherwise lawful enforcement or litigation prerogatives of DHS.

In implementing these policies, I direct DHS Components to consult with legal counsel to ensure compliance with all applicable laws, including the Administrative Procedure Act.

SUBJECT: **Policies for the Apprehension, Detention and
Removal of Undocumented Immigrants**

This memorandum reflects new policies for the apprehension, detention, and removal of aliens in this country. This memorandum should be considered Department-wide guidance, applicable to the activities of U.S. Immigration and Customs Enforcement (ICE), U.S. Customs and Border Protection (CBP), and U.S. Citizenship and Immigration Services (USCIS). This memorandum should inform enforcement and removal activity, detention decisions, budget requests and execution, and strategic planning.

In general, our enforcement and removal policies should continue to prioritize threats to national security, public safety, and border security. The intent of this new policy is to provide clearer and more effective guidance in the pursuit of those priorities. To promote public confidence in our enforcement activities, I am also directing herein greater transparency in the annual reporting of our removal statistics, to include data that tracks the priorities outlined below.

The Department of Homeland Security (DHS) and its immigration components-CBP, ICE, and USCIS-are responsible for enforcing the nation's immigration laws. Due to limited resources, DHS and its Components cannot respond to all immigration violations or remove all persons illegally in the United States. As is true of virtually every other law enforcement agency, DHS must exercise prosecutorial discretion in the enforcement of the law. And, in the exercise of that discretion, DHS can and should develop smart enforcement priorities, and ensure that use of its limited resources is devoted to the pursuit of those priorities. DHS's enforcement priorities are, have been, and will continue to be national security, border security, and public safety. DHS personnel are directed to prioritize the use of enforcement personnel, detention space, and removal assets accordingly.

In the immigration context, prosecutorial discretion should apply not only to the decision to issue, serve, file, or cancel a Notice to Appear, but also to a broad range of other discretionary enforcement decisions, including deciding: whom to stop, question, and arrest; whom to detain or release; whether to settle, dismiss, appeal, or join in a motion on a case; and whether to grant deferred action, parole, or a stay of removal instead of pursuing removal in a case. While DHS may exercise prosecutorial discretion at any stage of an enforcement proceeding, it is generally preferable to exercise such discretion as early in the case or proceeding as possible in order to preserve government resources that would otherwise be expended in pursuing enforcement and removal of higher priority cases. Thus, DHS personnel are expected to exercise discretion and pursue these priorities at all stages of the enforcement process-from the earliest investigative stage to enforcing final orders of removal-subject to their chains of command and to the particular responsibilities and authorities applicable to their specific position.

Except as noted below, the following memoranda are hereby rescinded and superseded: John Morton, *Civil Immigration Enforcement: Priorities for the Apprehension, Detention, and Removal of Aliens*, March 2, 2011; John Morton, *Exercising Prosecutorial Discretion Consistent with the Civil Enforcement Priorities of the Agency for the Apprehension, Detention and Removal of Aliens*, June 17, 2011; Peter Vincent, *Case-by-Case Review of Incoming and Certain Pending Cases*, November 17, 2011; *Civil Immigration Enforcement: Guidance on the Use of Detainers in the Federal, State, Local, and Tribal Criminal Justice Systems*, December 21, 2012; *National Fugitive Operations Program: Priorities, Goals, and Expectations*, December 8, 2009.

A. Civil Immigration Enforcement Priorities

The following shall constitute the Department's civil immigration enforcement priorities:

Priority 1 (threats to national security, border security, and public safety)

Aliens described in this priority represent the highest priority to which enforcement resources should be directed:

- (a) aliens engaged in or suspected of terrorism or espionage, or who otherwise pose a danger to national security;
- (b) aliens apprehended at the border or ports of entry while attempting to unlawfully enter the United States;
- (c) aliens convicted of an offense for which an element was active participation in a criminal street gang, as defined in 18 U.S.C. § 521(a), or aliens not younger than 16 years of age who intentionally participated in an organized criminal gang to further the illegal activity of the gang;
- (d) aliens convicted of an offense classified as a felony in the convicting jurisdiction, other than a state or local offense for which an essential element was the alien's immigration status; and
- (e) aliens convicted of an "aggravated felony," as that term is defined in section 101(a)(43) of the *Immigration and Nationality Act* at the time of the conviction.

The removal of these aliens must be prioritized unless they qualify for asylum or another form of relief under our laws, or unless, in the judgment of an ICE Field Office Director, CBP Sector Chief or CBP Director of Field Operations, there are compelling and exceptional factors that clearly indicate the alien is not a threat to national security, border security, or public safety and should not therefore be an enforcement priority.

Priority 2 (misdemeanants and new immigration violators)

Aliens described in this priority, who are also not described in Priority 1, represent the second-highest priority for apprehension and removal. Resources should be dedicated accordingly to the removal of the following:

- (a) aliens convicted of three or more misdemeanor offenses, other than minor traffic offenses or state or local offenses for which an essential element

was the alien's immigration status, provided the offenses arise out of three separate incidents;

- (b) aliens convicted of a "significant misdemeanor," which for these purposes is an offense of domestic violence;¹ sexual abuse or exploitation; burglary; unlawful possession or use of a firearm; drug distribution or trafficking; or driving under the influence; or if not an offense listed above, one for which the individual was sentenced to time in custody of 90 days or more (the sentence must involve time to be served in custody, and does not include a suspended sentence);
- (c) aliens apprehended anywhere in the United States after unlawfully entering or re-entering the United States and who cannot establish to the satisfaction of an immigration officer that they have been physically present in the United States continuously since January 1, 2014; and
- (d) aliens who, in the judgment of an ICE Field Office Director, USCIS District Director, or USCIS Service Center Director, have significantly abused the visa or visa waiver programs.

These aliens should be removed unless they qualify for asylum or another form of relief under our laws or, unless, in the judgment of an ICE Field Office Director, CBP Sector Chief, CBP Director of Field Operations, USCIS District Director, or users Service Center Director, there are factors indicating the alien is not a threat to national security, border security, or public safety, and should not therefore be an enforcement priority.

Priority 3 (other immigration violations)

Priority 3 aliens are those who have been issued a final order of removal² on or after January 1, 2014. Aliens described in this priority, who are not also described in Priority 1 or 2, represent the third and lowest priority for apprehension and removal. Resources should be dedicated accordingly to aliens in this priority. Priority 3 aliens should generally be removed unless they qualify for asylum or another form of relief under our laws or, unless, in the judgment of an immigration officer, the alien is not a threat to the integrity of the immigration system or there are factors suggesting the alien should not be an enforcement priority.

¹ In evaluating whether the offense is a significant misdemeanor involving "domestic violence," careful consideration should be given to whether the convicted alien was also the victim of domestic violence; if so, this should be a mitigating factor. *See generally*, John Morton, *Prosecutorial Discretion: Certain Victims, Witnesses, and Plaintiffs*, June 17, 2011.

² For present purposes, "final order" is defined as it is in 8 C.F.R. § 1241.1.

B. Apprehension, Detention, and Removal of Other Aliens Unlawfully in the United States

Nothing in this memorandum should be construed to prohibit or discourage the apprehension, detention, or removal of aliens unlawfully in the United States who are not identified as priorities herein. However, resources should be dedicated, to the greatest degree possible, to the removal of aliens described in the priorities set forth above, commensurate with the level of prioritization identified. Immigration officers and attorneys may pursue removal of an alien not identified as a priority herein, provided, in the judgment of an ICE Field Office Director, removing such an alien would serve an important federal interest.

C. Detention

As a general rule, DHS detention resources should be used to support the enforcement priorities noted above or for aliens subject to mandatory detention by law. Absent extraordinary circumstances or the requirement of mandatory detention, field office directors should not expend detention resources on aliens who are known to be suffering from serious physical or mental illness, who are disabled, elderly, pregnant, or nursing, who demonstrate that they are primary caretakers of children or an infirm person, or whose detention is otherwise not in the public interest. To detain aliens in those categories who are not subject to mandatory detention, DHS officers or special agents must obtain approval from the ICE Field Office Director. If an alien falls within the above categories and is subject to mandatory detention, field office directors are encouraged to contact their local Office of Chief Counsel for guidance.

D. Exercising Prosecutorial Discretion

Section A, above, requires DHS personnel to exercise discretion based on individual circumstances. As noted above, aliens in Priority 1 must be prioritized for removal unless they qualify for asylum or other form of relief under our laws, or unless, in the judgment of an ICE Field Office Director, CBP Sector Chief, or CBP Director of Field Operations, there are compelling and exceptional factors that clearly indicate the alien is not a threat to national security, border security, or public safety and should not therefore be an enforcement priority. Likewise, aliens in Priority 2 should be removed unless they qualify for asylum or other forms of relief under our laws, or unless, in the judgment of an ICE Field Office Director, CBP Sector Chief, CBP Director of Field Operations, USCIS District Director, or USCIS Service Center Director, there are factors indicating the alien is not a threat to national security, border security, or public safety and should not therefore be an enforcement priority. Similarly, aliens in Priority 3 should generally be removed unless they qualify for asylum or another form of relief under our laws or, unless, in the judgment of an immigration officer, the alien is not a threat to the

integrity of the immigration system or there are factors suggesting the alien should not be an enforcement priority.

In making such judgments, DHS personnel should consider factors such as: extenuating circumstances involving the offense of conviction; extended length of time since the offense of conviction; length of time in the United States; military service; family or community ties in the United States; status as a victim, witness or plaintiff in civil or criminal proceedings; or compelling humanitarian factors such as poor health, age, pregnancy, a young child, or a seriously ill relative. These factors are not intended to be dispositive nor is this list intended to be exhaustive. Decisions should be based on the totality of the circumstances.

E. Implementation

The revised guidance shall be effective on January 5, 2015. Implementing training and guidance will be provided to the workforce prior to the effective date. The revised guidance in this memorandum applies only to aliens encountered or apprehended on or after the effective date, and aliens detained, in removal proceedings, or subject to removal orders who have not been removed from the United States as of the effective date. Nothing in this guidance is intended to modify USCIS Notice to Appear policies, which remain in force and effect to the extent they are not inconsistent with this memorandum.

F. Data

By this memorandum I am directing the Office of Immigration Statistics to create the capability to collect, maintain, and report to the Secretary data reflecting the numbers of those apprehended, removed, returned, or otherwise repatriated by any component of DHS and to report that data in accordance with the priorities set forth above. I direct CBP, ICE, and USCIS to cooperate in this effort. I intend for this data to be part of the package of data released by DHS to the public annually.

G. No Private Right Statement

These guidelines and priorities are not intended to, do not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by any party in any administrative, civil, or criminal matter.

Inmate Release Information Detail

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA**

STATE OF FLORIDA,

Plaintiff,

v.

Case No. 8:21-cv-541-CEH-SPF

UNITED STATES OF AMERICA,
et al.,

Defendants.

FLORIDA'S MOTION FOR A PRELIMINARY INJUNCTION

Congress enacted § 1226(c) in 1996 to withdraw immigration officials' discretion and instruct them to "det[ain] and remov[e] *all* criminal aliens." *In re Rojas*, 23 I. & N. Dec. 117, 122 (BIA 2001) (en banc) (emphasis in original). This concept was so uncontroversial that Republicans and Democrats alike have consistently enforced it, including for the eight years that Joseph R. Biden, Jr., was Vice President.

Within hours of being sworn in, however, President Biden and his administration decided to ignore federal law, violate their oaths of office, and create a public-safety nightmare for U.S. citizens and immigrants alike. And, in a transparently pretextual fashion, they seek to justify that dereliction with the year-old COVID-19 pandemic.

This abdication of duty is resulting and will continue to result in the release of dangerous drug traffickers, violent offenders, and other serious criminals into Florida and the nation's communities to wreak havoc and victimize anew. Florida seeks to preliminarily enjoin this patent violation of law, protect Floridians and those within its borders, and prevent the irreparable harm that this irresponsible action is causing and will cause.

BACKGROUND

The Immigration Scheme

“[T]he Immigration and Nationality Act (‘INA’) . . . establishes a comprehensive scheme for aliens’ exclusion from and admission to the United States.” *Moorhead v. United States*, 774 F.2d 936, 941 (9th Cir. 1985). 8 U.S.C. § 1227(a) lays out the “classes of deportable aliens.” Among others, these classes include any alien who is “[p]resent in violation of law.” *Id.* § 1227(a)(1)(B). They also include aliens—even lawfully present aliens—who commit certain acts, including, for example, several criminal offenses. *Id.* § 1227(a)(2).

Under 8 U.S.C. § 1226(a),¹ the Department of Homeland Security (“DHS”), including its interior enforcement arm, Immigration and Customs

¹ Following the creation of DHS, many references to the “Attorney General” now refer to the Secretary of DHS. *La. Forestry Ass’n v. Dep’t of Labor*, 745 F.3d 653, 659 (3d Cir. 2014).

Enforcement (“ICE”), “may” arrest and detain an alien pending removal proceedings.

In 1996, however, Congress grew “concerned that deportable criminal aliens who are not detained continue to engage in crime.” *Demore v. Kim*, 538 U.S. 510, 513 (2003). Because of that concern, and because Congress was “frustrated with the ability of . . . criminal aliens” to “avoid deportation,” Congress enacted § 1226(c) to ensure that federal authorities “det[ain] and remov[e] all criminal aliens.” *In re Rojas*, 23 I. & N. Dec. at 122 (emphasis in original); *accord Preap v. Nielsen*, 139 S. Ct. 954, 960 (2019). Through § 1226(c), Congress revoked the discretionary “may” language in § 1226(a) for criminal aliens, and directed that federal authorities “*shall* take into custody any alien” who qualifies as a “criminal alien[] . . . when the alien is released” from criminal custody.² 8 U.S.C. § 1226(c) (emphasis added).

Congress enacted § 1226(c) in a bipartisan fashion, and the legislative history reflects “a consensus” that “there is just no place in America for non-U.S. citizens who commit criminal acts here.” S. Rep. No. 104-48, at 6 (1995); see G. Savarrese, *When is When?: 8 U.S.C. § 1226(c) & the Requirements of Mandatory Detention*, 82 Fordham L. Rev. 285, 299 (2013).

² Before 1996, what is now § 1226(a) was codified in § 1252(a). See *Demore*, 538 U.S. at 519. Section 1252(a) contained a narrower mandatory arrest and detention provision, which applied only to “aggravated felon[s].” See 8 U.S.C. § 1252(a)(2)(A) (1994).

Criminal aliens, for purposes of § 1226(c), include aliens who have committed specified crimes. As most relevant there, it includes aliens who have committed crimes of moral turpitude, 8 U.S.C. § 1182(a)(2)(A), *id.* § 1227(a)(2)(A)(i); crimes involving controlled substances, *id.* § 1182(a)(2)(A), *id.* § 1227(a)(2)(B); human trafficking, *id.* § 1182(a)(2)(H); money laundering, *id.* § 1182(a)(2)(I); aggravated felonies, *id.* § 1227(a)(2)(A)(iii); and specified firearms offenses, *id.* § 1227(a)(2)(C).

When an alien is arrested, either pursuant to DHS's discretion under § 1226(a) or, for criminal aliens, as commanded by Congress under § 1226(c), the alien is placed in removal proceedings before an immigration judge. If the alien is not a criminal alien, DHS has discretion to continue detention pending removal or to release the alien on bond or parole. *See* 8 U.S.C. § 1226(a)(1)–(2). If the alien is a criminal alien, DHS has no discretion to release the alien except under limited circumstances not implicated here. *See* 8 U.S.C. § 1226(c); *Preap*, 139 S. Ct. at 960.

Once an alien's rights are adjudicated and he is ordered removed, DHS “shall remove the alien from the United States within a period of 90 days.” *See* 8 U.S.C. § 1231(a)(1)(A).

State Cooperation with Federal Immigration Enforcement

For decades, States like Florida have relied on the federal government's enforcement of and compliance with the INA in general and

§§ 1226(c) and 1231(a)(1)(A) in particular, especially after the Supreme Court clarified that States cannot “engage in” their own immigration “enforcement activities.” *Arizona v. United States*, 567 U.S. 387, 410 (2012). Even though *Arizona* prevents Florida from taking matters into its own hands, *Arizona* also recognizes that “States . . . bear[] many of the consequences of unlawful immigration.” *Id.* at 397. Nowhere are these consequences more obvious than when criminal aliens are released back into Florida’s communities to reoffend rather than being removed from the country. In fact, according to former Acting Director of ICE Thomas Homan, the consequences can be “dire.” Ex. 18 at 5–8.

The previous two administrations understood this reality. Under President Trump, any removable alien convicted of a crime or with pending criminal charges was a priority. Ex. 5 at 3. And although President Obama took a different approach to immigration enforcement overall, his administration agreed with the Trump Administration on the importance of immigration enforcement against criminals, including aliens who committed any felony, any “significant misdemeanor,” such as “domestic violence,” “sexual abuse or exploitation,” “burglary,” “unlawful possession or use of a firearm,” “drug distribution or trafficking,” and “driving under the influence,” and aliens who were repeat offenders of even minor misdemeanors. Ex. 6 at 4–5.

Relying on these consistent efforts by the federal government to remove criminal aliens from Florida, and to do everything possible to ensure their efficacy, Florida passed Senate Bill 168 in 2019. It is codified in Chapter 908 of the Florida Statutes and requires all state and local officials to inform the federal government when they will release aliens from criminal custody, § 908.105, Fla. Stat.; *id.* § 908.102(6)(b); *id.* § 908.103, and even to detain those aliens pursuant to an immigration warrant if federal officials cannot arrive in time. § 908.105, Fla. Stat.; *id.* § 908.102(6)(a); *id.* § 908.103. Florida's sheriffs have also made significant efforts to facilitate cooperation with ICE, including 47 sheriffs' offices entering formal cooperation agreements. Ex. 7 at 7–11.

The Biden Administration's Actions

On January 20, 2021, the day he took office, President Biden issued Executive Order 13993, Revisions of Civil Immigration Enforcement Policies and Priorities, 86 Fed. Reg. 7051 (Jan. 20, 2021). That same day, DHS issued its stand-down order (the "January 20 Memo").

The memo does three things. *First*, it requires review of the federal government's existing immigration policies. Ex. 3 at 3. *Second*, under the guise of "interim enforcement priorities," the January 20 Memo orders DHS, effective February 1, to cease virtually all civil immigration enforcement except for removable aliens who came to the United States on or after

November 1, 2020. As to the removable aliens who are already here, they get a free pass unless they are a terrorist, a spy, or an aggravated felon whom DHS separately determines to be a public-safety risk. *Id.* at 3–4. *Third*, the memo orders “an immediate pause on removals of any noncitizen with a final order of removal” for 100 days, subject to narrow exceptions. *Id.* at 4.

On January 26, 2021, a district court in the Southern District of Texas entered a nationwide temporary restraining order against the 100-day stay of removals, and on February 23, the court converted it into a preliminary injunction. *Texas v. United States*, 2021 WL 723856, at *4, *53 (S.D. Tex. 2021).³

On February 18, ICE issued another stand-down order (the “February 18 Memo”).⁴ The February 18 Memo largely reiterates the “interim enforcement priorities.” It clarifies that DHS “anticipates” issuing new guidelines after 90 more days, but that the January 20 and February 18 Memos are the authoritative, operative documents governing immigration enforcement unless DHS says otherwise. Ex. 4 at 2. The February 18 Memo also purports not to prohibit civil immigration enforcement actions against

³ The “interim enforcement priorities” are not at issue in the Texas litigation.

⁴ Because the 100-day stay of removals is enjoined nationwide, the February 18 Memo addresses only the “interim enforcement priorities.” Ex. 4 at 3.

those who fall outside the “enforcement priorities,” but it makes clear that, to do so, an ICE officer must submit a justification in writing and receive approval from the Field Office Director or Special Agent in Charge. *Id.* at 4, 6–7. The February 18 Memo, with the permission of DHS, also modifies the “interim enforcement guidelines” in one significant way. *Id.* at 2. It adds to the priority list removable aliens who are gang members, but only if ICE can prove that these gang members are furthering the illegal activity of the gang *and* determines them to be a “public safety” threat. *Id.* at 5–6.

Both memos try to justify these actions based on “limited resources” and the COVID-19 pandemic. Ex. 3 at 2; Ex. 4 at 3.

LEGAL STANDARD

A plaintiff seeking a preliminary injunction must establish (1) “that he is likely to succeed on the merits,” (2) “that he is likely to suffer irreparable harm in the absence of preliminary relief,” (3) “that the balance of equities tips in his favor,” and (4) “that an injunction is in the public interest.” *Winter v. Nat. Res. Def. Council, Inc.*, 555 U.S. 7, 20 (2008). The Administrative Procedure Act (“APA”), 5 U.S.C. § 705, allows courts, in the alternative, to “postpone the effective date of an agency action.” The standard is the same. *Texas v. EPA*, 829 F.3d 405, 435 (5th Cir. 2016).

ARGUMENT

I. FLORIDA HAS STANDING AND WILL BE IRREPARABLY HARMED.

a. The memos will cause an increase in criminal aliens in Florida.

As a result of the memos, ICE is refusing to take custody of scores of criminal aliens across the State—causing their release into Florida—and it will only get worse. The Florida Department of Corrections already reports seven instances of ICE refusing to take custody of serious criminals upon release from state custody. *See* Ex. 1; Ex. 2. According to emails from ICE to state officials, ICE is refusing to take custody of these aliens because they “do[] not meet the current interim civil immigration enforcement priorities issued on January 20, 2021.” *See, e.g.*, Ex. 1 at 6.

The criminal activity of these seven aliens is disturbing. Several of them have multiple burglary convictions, Ex. 2, at 3, 6, 9, 12, including one who appears to have gone on a burglary spree. *Id.* at 9. Many also have serious drug convictions, including for cocaine and heroin trafficking. *Id.* at 6, 11–18.

And much of the State’s cooperation with ICE goes on in local jails rather than in state prisons. In Pasco County alone—just 1 of Florida’s 67 counties—ICE has already canceled detainers⁵ for several aliens whose

⁵ Detainers are ICE’s request to be notified before an alien is released from criminal custody. Ex. 18 at 6.

crimes include domestic violence and violating a restraining order.⁶ Ex. 16 at 3–4, 9, 20–21, 24.

Even extrapolating Pasco County’s experience over Florida’s other 66 counties would not fully capture the effect of the memos in Florida. The memos apply equally to federal inmates, and the federal inmate population in Florida includes another 8,801 criminals, Ex. 9 at 3–7, around 21% of which are aliens, Ex. 10 at 3. Moreover, almost 30% of ICE’s civil immigration arrests—at least in fiscal year 2017—were at-large arrests. Ex. 18 at 6. As a result of the memos, criminal aliens who have already been released and are currently at-large in Florida will not be arrested and detained by ICE including, for example, the aliens “with sex crime convictions” who were the target of an enforcement operation that the Biden Administration recently abandoned. ECF No. 1 at ¶ 5 (citing source).

And the 100-day removal pause will further contribute to the release of criminal aliens into Florida’s communities. *See Texas*, 2021 WL 723856, at *15. In fiscal year 2020, ICE’s Miami office removed 7,046 aliens. Ex. 8 at 7. Of those, 3,476 were convicted criminals and 1,356 had pending criminal charges. *Id.* at 8–9. The longer an alien is detained following a final order of

⁶ A third alien for whom a detainer was canceled was stopped for a traffic violation, but he was arrested because he has an outstanding warrant in Nebraska for molesting a child. Ex. 16 at 12–15.

removal, and the less certain his prospects of actual removal, the more likely it is that ICE will be required to release him. *See* Ex. 18 at 13; *Texas*, 2021 WL 723856, at *45 (discussing *Zadvydas v. Davis*, 533 U.S. 678, 683–84, 701 (2001)).

b. An increase in criminal aliens will irreparably harm Florida.

The memos' increasing the amount of criminal aliens in Florida will cause a wide variety of harms. Given the high recidivism rates among those released from state prison, *see* Ex. 11 at 2–3, it is a statistical certainty that the scores of released criminal aliens will commit additional crimes in Florida. Many are already repeat offenders. *See, e.g.*, Ex. 2 at 6, 12.

These crimes will cost the State tens of millions of dollars, if not more, and cause the State to expend considerable resources. Florida spends approximately \$120 million a year incarcerating aliens at the state level alone. Ex. 13 at 4. Those costs will increase if scores of criminal aliens are released to commit further crimes. Moreover, when crimes are committed, Florida expends resources and money on law enforcement, Ex. 15, mental-health and substance-abuse treatment, Ex. 14 at 5–6, and crime victim's assistance, *id.* at 3–5; Ex. 12 at 21–26. Increased criminal activity will raise these costs, and the Biden Administration's creation of new crime victims will pull resources away from other pressing public-safety needs and other vulnerable crime victims.

These harms establish both standing and irreparable harm. Florida need only show either “economic injury” or that it has “expended . . . resources” because of the memos. *Chiles v. Thornburgh*, 865 F.2d 1197, 1208 (11th Cir. 1989). It has shown both. Further, the States are entitled to “special solicitude” in the standing context, *Massachusetts v. EPA*, 549 U.S. 497, 520 (2007), especially for immigration, where States “bear[] many of the consequences of unlawful immigration” but lack authority to act on their own and are at the mercy of the federal government. *Arizona*, 567 U.S. at 397; see *DHS v. Regents of the Univ. of Cal.*, 140 S. Ct. 1891, 1913 (2020).

Moreover, Florida’s threatened harm is irreparable. See *Texas*, 2021 WL 723856, at *48. Florida stands to suffer “injury in the form of millions of dollars of losses.” *Texas v. United States*, 809 F.3d 134, 186 (5th Cir. 2015). These losses “cannot be undone through monetary remedies,” *Ferrero v. Associated Materials Inc.*, 923 F.2d 1441, 1449 (11th Cir. 1991), because the United States has sovereign immunity, *Odebrecht Const., Inc. v. Sec’y, Fla. Dep’t of Transp.*, 715 F.3d 1268, 1289 (11th Cir. 2013). And the crime caused by the memos causes further irreparable harm, including “criminal victimization,” “continued exposure to a high crime rate,” and “unsafe conditions.” *Open Communities All. v. Carson*, 286 F. Supp. 3d 148, 175–76 (D.D.C. 2017).

Lest there be any doubt, Congress has already found that States like Florida are harmed by the release of criminal aliens into their communities.

One of the chief goals of § 1226(c) was to deal with criminal-alien recidivism, *Demore*, 538 U.S. at 518–19, and Congress has separately recognized the great cost to the States of criminal-alien crime. *See* 8 U.S.C. § 1231(i); *Texas*, 2021 WL 723856, at *16–17; Ex. 13 at 3. These Congressional acts are thus “an implied finding that” the Biden Administration’s statutory violations “will harm the public and ought [to] be restrained.” *United States v. Diapulse Corp. of Am.*, 457 F.2d 25, 28 (2d Cir. 1972).

II. THIS COURT MAY REVIEW THE AGENCY ACTIONS IN THE MEMOS.

a. The memos are subject to judicial review.

The APA creates a “basic presumption of judicial review.” *Dep’t of Commerce v. New York*, 139 S. Ct. 2551, 2567 (2019). “[A] very narrow exception” to that presumption exists, however, when an action is “committed to agency discretion by law.” *Citizens to Pres. Overton Park v. Volpe*, 401 U.S. 402, 410 (1971); 5 U.S.C. § 701(a)(2). This is not one of those “rare instances” because the statutes are not “drawn in such broad terms that . . . there is no law to apply.” *Overton Park*, 401 U.S. at 410; *accord Forsyth Cty. v. U.S. Army Corps of Eng’rs*, 633 F.3d 1032, 1040–41 (11th Cir. 2011).

1. As to the “enforcement priorities,” the challenged actions cannot be committed to agency discretion by law because the agencies do not have discretion to intentionally fail to arrest criminal aliens. That is the whole point of § 1226(c). Congress added it to “*subtract* some of th[e] discretion” DHS

possessed under § 1226(a)—specifically, the discretion not to “arrest . . . criminal aliens.”⁷ *Preap*, 139 S. Ct. at 966 (emphasis in original). Where, as here, Congress “has indicated an intent to circumscribe agency enforcement discretion, and has provided meaningful standards for defining the limits of that discretion, there is ‘law to apply’ under § 701(a)(2)” and so the agency actions are reviewable.⁸ *Forsyth Cty.*, 633 F.3d at 1040 (citing *Heckler v. Chaney*, 470 U.S. 821, 834–35 (1985)); see *Preap*, 139 S. Ct. at 966 (“The Secretary *must* arrest those aliens guilty of a predicate offense.” (emphasis in original)).

If Defendants argue otherwise, they are contradicting DHS’s own position in *Preap* in the U.S. Supreme Court less than three years ago. See Br. of DHS 23 (arguing that, in § 1226(c), “Congress eliminated all discretion” for criminal aliens); Reply Br. of DHS 2 (discussing “[t]he Secretary’s *duty* to arrest . . . criminal alien[s]” (emphasis added)).⁹

⁷ The Court refers to “subtract[ing] *some* of th[e] discretion,” *Preap*, 139 S. Ct. 966 (emphasis altered), because Congress did not subtract DHS’s discretion with respect to non-criminal aliens, who are not governed by § 1226(c).

⁸ *Chiles v. United States*, 69 F.3d 1094 (11th Cir. 1995), does not hold otherwise. That case addressed the general argument that the federal government was not “adequately guarding the borders.” *Id.* at 1096. It did not address an argument that a federal agency was ignoring a specific statutory command and predated the enactment of § 1226(c).

⁹ DHS’s brief in the *Texas* case indicates that it has not changed positions. See Opp. to PI 3 (admitting that § 1226(a) detention is “discretionary” but § 1226(c) detention is “mandatory”).

Finally, if Defendants invoke 8 U.S.C. § 1226(e), which limits judicial review of DHS’s “discretionary judgment regarding the application of” § 1226, *Preap* forecloses that argument too. Section 1226(e) “applies only to ‘discretionary’ decisions about the ‘application’ of § 1226 to particular cases.” *Preap*, 139 S. Ct. at 962. The agencies’ decision, as a matter of nationwide policy, to intentionally flout § 1226(c) is neither “discretionary” nor an “application . . . to [a] particular case[.]” *Id.*; accord *Jennings v. Rodriguez*, 138 S. Ct. 830, 841 (2018) (holding that § 1226(e) does not foreclose “challeng[es] [to] the extent of the Government’s . . . authority under the statutory framework” of § 1226(c) (quotations omitted)).¹⁰

2. The 100-day pause ordered by the January 20 Memo also is “not an action committed to agency discretion.” *Texas*, 2021 WL 723856, at *38. “[T]he text, context, statutory history, and precedent” show that § 1231(a)(1)(A) “unambiguously means” that the Government “*must* remove” aliens with final orders of removal within 90 days of those orders. *Id.* at 36, 38 (emphasis in original). No discretion thus exists to do otherwise.

3. Congress did not commit to the discretion of the agencies their decisions to ignore the clear commands of §§ 1226(c) and 1231(a)(1)(A). But

¹⁰ The Court has taken the same approach with other similar provisions of the INA, including in APA cases. *See, e.g., Regents*, 140 S. Ct. at 1907 (rejecting the argument that “two jurisdictional provisions of the INA [are] independent bars to review”).

even if this Court disagrees, the Defendants’ conduct is so “extreme as to amount to an abdication of [their] statutory responsibilities,” and is reviewable on that ground alone. *See Heckler*, 470 U.S. at 833 n.4.

b. The memos are final agency action.

The actions taken by the memos are final agency action. The memos “mark the consummation of the agency’s decisionmaking process”—they are not “merely tentative or interlocutory.” *U.S. Army Corps of Eng’rs v. Hawkes Co.*, 136 S. Ct. 1807, 1813 (2016). And they determine “rights or obligations . . . from which legal consequences will flow.” *Id.* The memos are already having irreversible and significant consequences for Florida. *See supra* § I. And one court has already held that the January 20 Memo’s 100-day stay of removals is final agency action. *Texas*, 2021 WL 723856, at *32. The “enforcement priorities” are for the same reasons.

DHS’s and ICE’s decision-making over the memos is over. The 100-day stay of removals went into effect “as soon as practical and no later than January 22,” Ex. 3 at 4, and the “enforcement priorities” went into effect “February 1.” *Id.* Moreover, while DHS has not offered further clarification on the 100-day stay of removals because of the *Texas* injunction, ICE has clarified that the “enforcement priorities” will remain in effect until DHS say otherwise, and that even the 90-day target is “anticipate[d].” Ex. 4 at 2. ICE has even

created a formal process for aliens who “believe they do not meet ICE’s priorities” to “request a case review.” Ex. 17 at 3.

The “interim” label does not alter this reality. No doubt Defendants hoped this label would allow their actions to evade judicial review, but during this indefinite “interim,” the memos have the force of law. That an agency may “revise” its decision “is a common characteristic of agency action, and does not make an otherwise definitive decision nonfinal.” *Hawkes Co.*, 136 S. Ct. at 1814. Indeed, “the mere possibility that an agency might reconsider . . . does not suffice to make an otherwise final agency action nonfinal.” *Sackett v. EPA*, 566 U.S. 120, 127 (2012).

Consider the implications of holding otherwise. Defendants have staked out the position that they have discretion to ignore the clear commands of Congress, and they have started doing so, despite the harm that this will cause States like Florida—harm that Congress predicted and sought to guard against. Defendants have said that they might change their policy someday, but they haven’t said when, or even committed to doing so at all. If the Defendants’ conduct evades judicial review, it will provide a blueprint for how the executive branch can violate the law indefinitely without consequences.

III. FLORIDA IS LIKELY TO SUCCEED ON THE MERITS OF ITS CLAIMS.

Florida satisfies this prong because it “is more likely than not to succeed . . . on the merits.” *Jets Servs., Inc. v. Hoffman*, 420 F. Supp. 1300, 1307 (M.D. Fla. 1976).

a. *The memos violate the APA.*

Courts are not “rubber stamp[s]” for agencies, *In re Gateway Radiology Consultants, P.A.*, 983 F.3d 1239, 1263 (11th Cir. 2020), and must conduct a “searching and careful” review of agency action, *Sierra Club v. Johnson*, 436 F.3d 1269, 1273–74 (11th Cir. 2006). Under the APA, courts must “hold unlawful and set aside” agency action that is “in excess of statutory jurisdiction, authority, or limitations”; that is “not in accordance with law”; or that is “arbitrary, capricious, [or] an abuse of discretion.” 5 U.S.C. § 706(2)(A), (C). These are disjunctive, so “[e]ven when an administrative agency did not act ‘in excess of statutory jurisdiction,’ . . . it still may have acted arbitrarily and capriciously.” *In re Gateway Radiology*, 983 F.3d at 1262–63.

The memos violate the APA because (1) they instruct DHS and ICE officers to ignore the clear commands of Congress in the INA—particularly 8 U.S.C. §§ 1226(c) and 1231(a)(1)(A); (2) they are arbitrary and capricious and do not reflect reasoned decision-making—especially in ignoring issues that the APA requires agencies to consider and in offering pretextual justifications; and

(3) the actions contemplated by the memos require notice and comment rulemaking.

- i. The memos exceed DHS's and ICE's statutory authority and are not in accordance with law.

DHS and ICE have “gone beyond what Congress has permitted [them] to do.” *City of Arlington v. FCC*, 569 U.S. 290, 298 (2013). They have no “power to act unless and until Congress” gives it to them. *Nat. Res. Def. Council v. Nat’l Highway Traffic Safety Admin.*, 894 F.3d 95, 112 (2d Cir. 2018). And they are especially powerless to disregard express statutory commands. *League of Women Voters v. Newby*, 838 F.3d 1, 9–12 (D.C. Cir. 2016).

Moreover, while the executive branch sometimes enjoys broad discretion over immigration, that is not always the case. Rather, authority over immigration belongs to Congress, see U.S. Const. art. I, § 8, and executive discretion flows, in part, from “the vague and sweeping language employed by Congress.” *Jean v. Nelson*, 727 F.2d 957, 967 (11th Cir. 1984). Therefore, where Congress instead uses specific, mandatory language, this broad discretion does not exist. See *id.* (“[E]xecutive officials function as agents of Congress in enforcing the law.”).

1. Before 1996, Congress gave the agencies discretion to decide whether to arrest and detain aliens. But Congress, frustrated with the way the executive branch was exercising that discretion for criminal aliens, added

§ 1226(c)—changing the word “may” to “shall”—to withdraw that discretion and “obligat[e]” the agencies to arrest criminal aliens. *Preap*, 139 S. Ct. at 969; see *Jennings*, 138 S. Ct. at 844 (“Unlike the word ‘may,’ which implies discretion, the word ‘shall’ usually connotes a requirement.”); accord *Demore*, 538 U.S. at 513; *In re Rojas*, 23 I. & N. Dec. at 122.

The memos ignore this command in at least two ways. *First*, they limit DHS’s and ICE’s enforcement to terrorists, spies, aggravated felons, and certain gang members. Ex. 3 at 3; Ex. 4 at 5–6. But § 1226(c)’s commands apply to aliens who commit many other crimes, including crimes of moral turpitude, 8 U.S.C. § 1182(a)(2)(A), *id.* § 1227(a)(2)(A)(i); crimes involving controlled substances, *id.* § 1182(a)(2)(A), *id.* § 1227(a)(2)(B); human trafficking, *id.* § 1182(a)(2)(H); money laundering, *id.* § 1182(a)(2)(I); and specified firearms offenses, *id.* § 1227(a)(2)(C). The memos ignore these crimes.¹¹ *Second*, even for aggravated felons and specified gang members, the memos require a separate public-safety analysis, which contradicts the mandatory nature of § 1226(c).¹² Ex. 3 at 3; Ex. 4 at 5–6.

¹¹ In fact, in focusing on aggravated felonies, the agencies are essentially reverting back to the pre-1996 version, then codified in § 1252(a)(2)(A). See *supra* note 2.

¹² The memos’ problem is not limited to criminal aliens who are due to be released from jail or prison. DHS is obligated to arrest at-large criminal aliens when it becomes aware of them. See *Preap*, 139 S. Ct. at 967 (“[C]rucial duties are better carried out late than never.”).

In other words, despite § 1226(c)'s quarter-century existence, the agencies now claim to have “discover[ed] . . . an unheralded power.” *Util. Air Regul. Grp. v. EPA*, 573 U.S. 302, 324 (2014). More problematic still, that “discovered” power is the precise one that Congress took away in 1996.

Finally, it is no answer to argue, as Defendants are sure to do, that the memos do not actually forbid immigration enforcement against other categories of aliens, but merely require a written justification and approval by the Field Office Director or Special Agent in Charge. *First*, the mere requirement of written justification and approval contemplates that approval will sometimes be denied, which violates § 1226(c) for the reasons explained above. *Second*, as former Acting ICE Director Homan explains in his declaration, obtaining that approval is infeasible, and requiring it is a transparent attempt to obscure the true nature of the memos as a prohibition on “non-priority” enforcement. Ex. 18 at 11. Moreover, the record reflects that the agencies are treating the memos as a prohibition. *See* Ex. 1.

2. And for the same reasons that the 100-day pause is not committed to agency discretion, *supra* § II.a, it exceeds DHS's statutory authority. *See* 8 U.S.C. § 1231(a)(1)(A); *Texas*, 2021 WL 723856, at *39 (so holding).

ii. The memos are arbitrary and capricious.

DHS failed to provide adequate reasoning behind the factors it purported to consider, *Encino Motorcars, LLC v. Navarro*, 136 S. Ct. 2117, 2125 (2016),

pointed to pretextual reasons, *Commerce*, 139 S. Ct. at 2573–74, ignored important aspects of the problem, *Michigan v. EPA*, 576 U.S. 743, 751–53, 759–60 (2015), and failed to justify its departing from the decades-old policy by considering lesser alternatives and reliance interests, *Regents*, 140 S. Ct. at 1913; *FCC v. Fox Television Stations, Inc.*, 556 U.S. 502, 515 (2009). Its actions therefore are arbitrary and capricious and should be set aside. *Motor Vehicle Mfrs. Ass’n v. State Farm Mut. Auto. Ins. Co.*, 463 U.S. 29, 43 (1983).

First, DHS and ICE “point[ed] . . . to [no] data,” *Nat’l Treasury Emps. Union v. Horner*, 854 F.2d 490, 499 (D.C. Cir. 1988), to “explain why” they took the actions in the memos, *State Farm*, 463 U.S. at 48. The agencies asserted that limited resources and COVID-19 justified their actions, but provided no evidence to support that argument, particularly evidence as to why the other laws the federal government enforces can continue but immigration enforcement must cease. *See Tripoli Rocketry Ass’n, v. ATF*, 437 F.3d 75, 77 (D.C. Cir. 2006) (vacating agency action due to lack of supporting evidence).

Second, and relatedly, the reasons DHS and ICE did provide were pretextual.¹³ *See Commerce*, 139 S. Ct. at 2573–74. As President Biden’s press secretary has admitted, the reason for the memos is that the Biden

¹³ Florida’s position is that the Court should decide its preliminary injunction motion without discovery. If the Court grants Defendants discovery, however, Florida reserves its right to seek discovery in support of its pretext argument.

Administration *does not want* to enforce the immigration laws, not that it *can't*. ECF No. 1 at ¶ 5 (citing source); Ex. 18 at 13–14.

Third, DHS and ICE ignored an important aspect of the problem: the massive costs imposed by its actions, including on States like Florida. These are “a centrally relevant factor when deciding whether to regulate.” *Michigan*, 576 U.S. at 752–53. The memos do not mention costs at all.

Fourth, DHS failed to explain its “extreme departure from prior practice,” *E. Bay Sanctuary Covenant v. Trump*, 349 F. Supp. 3d 838, 858 (N.D. Cal. 2018), as required by the APA, *Regents*, 140 S. Ct. at 1913. The memos barely even “display awareness that [DHS] is changing position.” *Fox Television*, 556 U.S. at 515 (emphasis in original). And DHS ignored lesser alternatives to its extreme departure that would still fall within the ambit of the Obama and Trump Administrations’ approach. Ex. 5 at 3; Ex. 6 at 4–5. DHS also ignored the reliance interests of States like Florida. Florida has relied on the federal government for decades to protect it from criminal-alien crime, including enacting an entire statutory scheme in support of the federal government’s practices, see Ch. 908, Fla. Stat., and entering into dozens of agreements with the federal government. Ex. 7 at 7–11. “Ignor[ing]” these reliance interests and failing to consider lesser alternatives is “arbitrary and capricious.” *Regents*, 140 S. Ct. at 1913.

iii. DHS and ICE failed to provide notice and comment.

The APA required DHS and ICE to provide notice of, and comment on, the memos because they are substantive rules that “affect individual rights and obligations.” *Chrysler Corp. v. Brown*, 441 U.S. 281, 303 (1979); see 5 U.S.C. § 553(b)–(d). One court has already held that the 100-day pause on removals required notice and comment, *Texas*, 2021 WL 723856, at *43–48, and the “enforcement priorities” do for the same reasons. *See also, supra* § II.b.

The Eleventh Circuit has held that federal immigration officials must engage in rulemaking when changing a policy to detain *more* aliens. *Jean v. Nelson*, 711 F.2d 1455, 1469, 1476, 1478 (11th Cir. 1983). Changing a decades-old policy to detain *less* aliens (or to remove less aliens)—especially when doing so violates clear statutory commands—is no different.

b. *Compliance with the memos violates §§ 1226(c) and 1231(a)(1)(A) and the Constitution.*

Even if Florida’s claims were unreviewable under the APA—and they are not—Florida remains entitled to an injunction. *See Osborn v. Bank of U.S.*, 22 U.S. 738 (1824). The memos require action that contradicts statutory mandates from Congress explicitly to the executive branch, and this Court should enjoin the memos for that reason alone. *See Texas*, 2021 WL 723856, at *38 (“[T]he Defendants substantially undervalue the People’s grant of ‘legislative Powers’ to Congress.”); see ECF No. 1 at ¶¶ 88–101.

IV. THE BALANCE OF THE EQUITIES AND PUBLIC INTEREST FAVOR PRELIMINARY INJUNCTIVE RELIEF.

The equities and public-interest factors merge for federal-government action. *Nken v. Holder*, 556 U.S. 418, 435 (2009). Both favor an injunction here. “[T]he public interest in enforcement of the immigration laws is significant.” *Blackie’s House of Beef, Inc. v. Castillo*, 659 F.2d. 1211, 1221 (D.C. Cir. 1981). Thus, “[t]here is always a public interest in prompt execution of removal orders,” especially if “the alien is particularly dangerous.” *Nken*, 556 U.S. at 436. And “[f]orcing federal agencies to comply with the law is undoubtedly in the public interest.” *Cent. United Life., Inc. v. Burwell*, 128 F. Supp. 3d 321, 330 (D.D.C. 2015). This, combined with the “public safety nightmare” created by the memos, Ex. 18 at 9, far outweighs any harm to Defendants.

V. NO BOND IS REQUIRED UNDER RULE 65(c).

“[T]he amount of security . . . is a matter within the discretion of the trial court.” *BellSouth Telecomm. v. MCIMetro Access Transmission Servs.*, 425 F.3d 964, 971 (11th Cir. 2005); see *Texas*, 2021 WL 723856, at *53 (holding, on similar facts, that no security was required).

CONCLUSION

For the foregoing reasons, the Court should grant Florida’s motion for a preliminary injunction or, in the alternative, postpone the effective date of the memos during the pendency of this case.

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. 2584. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that “[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution.” *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because “[w]ithout this, all the reservations of particular rights or privileges would amount to nothing.” *Id.* And, he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that “there [would be] no liberty if the power of judging be not separated from the legislative and executive powers.” *Id.* He feared “the encroachments and oppressions of the representative body” and “the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community.” *Id.*

The Framers created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III “made Judges dependent on his Will alone....” The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new

Federal government from repeating those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their salaries, the Framers sought to ensure that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with

one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, S. Rep. 75-711, at 15-16 (1937).

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But we accept that their approaches reflect only an honest disagreement in legal philosophy, not political will, and we have never suggested that Congress should use its political prowess to intimidate them into reaching one outcome or another. Their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing against which the Court is there to protect the people.

Attached is the letter as it is. The draft you sent me did not have the bill no. (as it had not been assigned when I drafted the letter). Someone also requested that I correct the cite to the Senate Report to meet current style. Finally, Indiana requested that I reorder the last sentence of the letter, so that it did not end with a preposition. The remainder of the letter is unchanged.

The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with

one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, S. Rep. 75-711, at 15-16 (1937).

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But, we accept that their approaches reflect only an honest disagreement in legal philosophy, not political will, and we have never suggested that Congress should use its political prowess to intimidate them into reaching one outcome or another. Their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing against which the Court is there to protect the people.

RE: Executive Order 14023

Dear President Biden:

I was disappointed to see-read your April 9, 2021 Executive Order (“EO 14023”) regarding packing the United States Supreme Court. The Court’s job is to interpret the law, not to implement the political will of one party.

During the campaign, you indicated that you would let voters know your position on court-packing after the election. For the last one hundred sixty one days, ~~the~~ the American people have been anxiously awaiting your answer. If EO 14023 is not an outright endorsement of court-packing, then your failure to explain your views on the matter is a broken campaign promise.

Given this lack of transparency, I wanted to remind you of your obligations under the Federal Advisory Committee Act (“FACA”). FACA is designed to ensure public access to meetings of advisory committees like the one EO 14023 created. *See* 5 U.S.C. app. 2 § 10(a)(1) (requiring that “[e]ach advisory committee meeting shall be open to the public”). This is especially important here, where your contemplated actions threaten the rule of law and institutional norms, and where you have intentionally hidden your views on the matter from the American people immediately before an election.

Further, your executive order casts doubt on whether you even believe FACA applies. *See* EO 14023 § 4(c) (casting down-doubt on the matter by stating “[i]nsofar as the Federal Advisory Committee Act . . . may apply to the Commission” (emphasis added)). EO 14023 also requires a written report “within 180 days of the date of the Commission’s first *public* meeting,” leaving open whether the Commission will hold non-public meetings. *See* EO 14023 § 3(c) (emphasis added). Your press release on the matter is similarly vague, stating that the Commission will “hold public meetings to hear the views” of various groups in order “[t]o ensure that the Commission’s report is comprehensive,” but remaining silent on whether all Commission-meetings will be open to the public.¹

I ask that you now publicly commit to making all such meetings—including phone calls and video conferences—open to the public. Individuals from Florida’s government, for example,

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. 2584. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And, he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that "there [would be] no liberty if the power of judging be not separated from the legislative and executive powers." *Id.* He feared "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Id.*

The Framers created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III "made Judges dependent on his Will alone...." The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new Federal government from repeating those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their

salaries, the Framers sought to ensure that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. 2584. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that "there [would be] no liberty if the power of judging be not separated from the legislative and executive powers." *Id.* He feared "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Id.*

The Framers created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III "made Judges dependent on his Will alone...." The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new Federal government from repeating those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their

salaries, the Framers sought to ensure that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus

would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But we accept that their approaches reflect only an honest disagreement in legal philosophy, not political will, and we have never suggested that Congress should use its political prowess to intimidate them into reaching one outcome or another. Their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing the Court is there to protect the people against.

Sincerely,

Mr. Guard –

My law firm and DLA Piper represent CCIA and NetChoice, respectively, which today filed a lawsuit challenging enforcement of SB 7072 (the “Act”), signed by the Governor into law earlier this week. A courtesy copy of the complaint is attached for your reference. Because the Department of Legal Affairs is the enforcing authority for various provisions of the Act, General Moody, as well as the Florida Election Commissioners, and the Deputy Secretary of Business Operations of Florida DMS are named in their respective official capacities.

Chris Oprison at DLA Piper, copied here, and I just tried to call your office and cell to discuss this matter, but were not able to leave you a message. We would like to set up a time with you to discuss “case management” issues in an effort to make the litigation process as efficient as possible for the parties. Is there a time tomorrow (Friday, May 28) when you would have a few minutes to speak with Chris and me? Please let us know one or two times, and the best number to call, and we will set it up. If you would like others in your office to join our call, we are happy to circulate a dial in conference line.

Finally, I thought you would be the appropriate person from the Department to speak with us, but if we should reach out to someone else on these matters, please let us know that as well.

Looking forward to speaking with you soon.

Sincerely,
Doug Kilby

Good morning Richard. I am on the board of the Parliamentary Intelligence-Security Forum chaired by former U.S. Congressman Robert Pittenger. We are hosting a webinar on Human Trafficking next Tuesday at 10 am. As a long-time RAGA member, I was thinking it would be great if we could include on the the State AGs as part of the discussion and know General Moody as been active in this space. I apologize for the late notice, but any chance she could participate. It is virtual would only require 10-15 minutes of her time between 10 and 11:30 am next Tuesday, June 22nd. Of course she would be welcome to stay longer.

Please see further particulars below. I'd be glad to get on a call to answer any further questions you may have.

Yes, coffee would be good. I'll have my assistant Cyndi Crum reach out to schedule mid-May.

Subject: Introduction: Sabin Sidney

Good morning Mr. Martin,

It was great to meet you and the General yesterday. As I previously said, I worked in Washington DC during 2018 for RAGA – so I have been following the AG since the beginning, and I am a big fan.

Understand we are all very busy with Session winding down, but after we adjourn, would you be willing to meet for coffee or lunch?

Best,

Sabin Sidney

2020 Statistics on the Office of Attorney General

Current Trends and Fiscal Information Across Offices of the Attorney General for FY20

Preface

Gathering and compiling the information for the 2020 *Statistics on the Office of the Attorney General* represents a significant effort on the part of the staff of every participating attorney general's office and NAAG. We know these efforts will assist you in serving the people of your jurisdiction as you reference the survey's data in your work.

This publication includes information from 48 offices of the attorney general. Please note that the mission, scope, and function of the offices vary widely from one jurisdiction to the next. Accordingly, any direct comparisons should be cautiously entertained. The information in this publication reflects current trends and fiscal information for the most current fiscal year. The data is provided as a management tool to assist supervisors and policy makers in the attorney general office in preparing budgets and assessing resource needs. If you need greater clarity for any of the information provided by an office, I encourage you to contact the individual office directly.

NAAG conducted this survey using secure online technology to allow for expedient data collection and compilation. We appreciate the time and effort it took for the attorney general staff to provide the information.

It is our hope that this publication will be a valuable resource in addressing the specific needs of each office. Please contact Erin Schechter, NAAG chief administrative officer, at eschechter@naag.org if you need anything else regarding this publication.

A Brief Overview of Attorney General Authority and Responsibility

As you review the numbers of attorneys and office budgets in the coming pages, it is important to keep in mind that the authority and responsibility of attorneys general vary widely from state to state. New state and federal legislation, as well as new conceptions of the office of attorney general, have dramatically expanded the powers and duties of the office in every state and territory. However, there are differences among the states in the constitutional or statutory structures conferring powers and responsibilities upon the attorney general. The relationship among the executive, legislative, and judicial branches of each state and the decisions of each state's courts also affect the attorney general's duties.

Each attorney general represents state agencies in litigation matters, and most states also provide day-to-day counseling for agency clients. Depending on state law, most attorneys general also have responsibility for enforcement actions, including in the areas of antitrust, consumer protection, and environmental law, among others. Attorneys general also handle matters involving public lands, especially in the West. Criminal jurisdiction among attorneys general varies widely. Every attorney general handles criminal appeals. A minority have original jurisdiction in all cases and most have at least original or concurrent jurisdiction in some cases.

In short, every office of attorney general continues to perform its traditional role of providing legal advice and legal representation in matters affecting the state's interests. Those state interests, however, now include an infinitely broader range of social and economic policies.

Founded in 1907, the National Association of Attorneys General (NAAG) serves as the national forum for attorneys general and their staff to collaboratively address issues important to their work and provides resources to support the work of the offices of attorneys general in protecting the Rule of Law and the United States Constitution." NAAG fosters an environment of "cooperative leadership," helping attorneys general respond effectively – individually and collectively – to emerging state and federal issues.

The Association's members are the attorneys general of the 50 states and the District of Columbia and the chief legal officers of the Commonwealths of Puerto Rico and the Northern Mariana Islands, and the territories of American Samoa, Guam, and the Virgin Islands.

The 2020 *Statistics on the Office of the Attorney General* was compiled and produced by NAAG's member services and communications staff. This survey was conducted using secure online technology to allow for more expedient data collection and compilation. All data was entered directly into the database by designated attorney general staff or NAAG staff on behalf of attorney general staff and was collected during the period of December 2020 through March 2021.

All jurisdictions that submitted data as of press time are included in this publication.

I-B: FTE Turnover: How many FTEs left AG office employment in the last fiscal year?			
Jurisdiction	# of Attorneys	Comments	Have there been any structural office changes instituted in the past year?
Alabama	16		The office's most significant structural change was the creation of two Assistant Chief Deputy Attorney General positions, one with supervisory responsibilities over Civil Litigation Divisions and the other with supervisory responsibilities over several Criminal Litigation Divisions.
Alaska	91		We divided our Labor & State Affairs Section into two sections. The new section is focused on public corporations, financial transactions, retirement and benefits law, and procurement. The remaining LSA section focuses on employment, labor, the Governor's office, and the Department of Administration.
Arizona	19.70%	The turnover percentages are based on total head count, not FTE.	Structural Office Changes: Addition of FinTech Sandbox Oversight and Elections Integrity Unit. Since 2018, AGO's Civil Litigation Division has administered Arizona's FinTech Regulatory Sandbox, a program designed to foster innovation by enabling businesses in the financial services sector to obtain limited access to test products and services in the AZ market. Additional information available at https://www.azag.gov/fintech/faq. In 2019, the Arizona Legislature appropriated funds to AGO to establish an Elections Integrity Unit (EIU), which currently consists of a Senior Criminal Prosecutor, Senior Civil Attorney, Special Agent and Administrative Employee. Additional information available at: https://www.azag.gov/criminal/eiu.
Colorado	53		Office of Community Engagement added a Consumer Engagement and Data Services Unit
Connecticut	12	The reorganization will allow us to break down the silos of the department structure and allow the division directors to form cross-section and cross-divisional teams to handle certain cases, allowing attorneys with various subject matter expertise to work together.	Yes. A reorganization of the office into a divisional structure. Also the combining of our Energy section with our Special Litigation section.
Delaware	32	FTEs include all (non-contractual) employees working full-time, some of whom may not be benefit eligible.	Yes. The Consumer Protection Unit previously worked with the Criminal Division to prosecute money laundering and embezzlement cases. Over the past year, a White Collar Crimes Unit was created with the focus of investigating and prosecuting complex financial and fraud-related crime. The Consumer Protection Unit was split and a Consumer Mediation Unit formed. The Health and Public Safety Unit in the Civil Division was split to form two units - a Health Law Unit and a Public Safety Unit.

I-B: FTE Turnover: How many FTEs left AG office employment in the last fiscal year?			
Jurisdiction	# of Attorneys	Comments	Have there been any structural office changes instituted in the past year?
Kentucky	95 (administrative change)	The KY Office of the Attorney General had a personnel cap of the following for FY '20: 190 Full Time Equivalent 7 Part time 23 Other (includes federally funded time limit and interim position which are 9 month positions) due to a historically stagnant general fund appropriation for more than a decade, salaries remain lower than most of the other Commonwealth government entities which impedes upon retention and recruitment.	In the 2020 Regular Session of the Kentucky General Assembly, the Office of the Attorney General ("Office") proposed, and the General Assembly passed, a measure reorganizing the Office. Most notably, this reorganization created the Office of the Solicitor General. The Criminal Appeals Division (previously the Criminal Appellate Division) was placed within the Office of Solicitor General along with a newly created Civil Appeals Division. The reorganization also provided for the creation of two new major organizational units within the Office – a Criminal Division and a Civil Division. The newly Criminal Division contains the Department of Criminal Investigations; Office of Special Prosecutions; Office of Medicaid Fraud and Abuse Control; Office of Trafficking and Abuse Prevention and Prosecution; Office of Prosecutors Advisory Council; and Office of Victims Advocacy; The newly created Civil Division contains the Office of Consumer Protection; Office of Civil and Environmental Law (containing an Open Records and Meetings Division and an Administrative Hearings Division); Office of Rate Intervention; and Office of Senior Protection.

15 U.S. Code § 78b - Necessity for regulation PULL DETAILS AND DISCUSS

Companies that are not issuing new securities can only be required to make disclosures pursuant to the 78m(a) standard

Whether a company issuing new securities can be required to make additional disclosures in the “public interest” that are not required to protect investors is subject to significant doubt after *Barr* since strict scrutiny would apply.

With respect to a company newly applying to be listed on a national exchange, the “public interest” standard is limited by specifically express subject matters that the disclosure requirement can be “in respect of,” with the residual category being limited to “financial statements.” The only potential avenue for ESG under 78l would be to argue that the information constitutes information in respect of the “nature of the business.”

In any respect, 78m(a) ongoing disclosure authority is limited to disclosures “as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security”

Securities Act Schedule A, 15 U.S.C. § 77aa

15 U.S.C. § 77aa(8) “the general character of the business actually transacted or to be transacted by the issuer”

Re: Climate Change Disclosures

Dear Chair Gensler:

As State Attorneys General, we write in response to the Commission's March 15, 2021, request for public input regarding climate change disclosures. As the Commission considers potential regulations in this area, we urge the Commission to act mindful of the statutory and constitutional guideposts that define its authority. We also emphasize that these legal concerns are all the more pressing because it appears requiring mandating detailed emissions metrics is not necessary from a market-protection standpoint based on current disclosure practices in mandatory filings, and that the market is already responding in other forums—voluntarily—to investors' interest in these topics. We look forward to the opportunity to work with the Commission if it proceeds further toward rulemaking in this space.

I. The Commission's authority is limited to mandating public reporting that is "necessary or appropriate for the proper protection of investors and to insure fair dealing in the security."

The Commission's authority to require ongoing public reporting from widely held issuers of securities is limited by the express terms of Section 13(a) of the Exchange Act:

Every issuer of a security registered pursuant to section 78l of this title shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe *as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security* . . . (1) such information and documents . . . as the Commission shall require to keep reasonably current the information and documents required to be included in or filed with an application or registration statement filed pursuant to section 78l

of this title . . . [and] (2) such annual reports . . . and such quarterly reports . . . as the Commission may prescribe.

15 U.S.C. § 78m(a) (emphasis added). The Commission’s request for public input does not cite this statutory source of authority, particularly its express limit that reporting rules may only be required “for the proper protection of investors and to insure fair dealing in the security.” *Id.* This is a core, threshold requirement that every rule and regulation concerning public reporting must satisfy.

The request for public input does, however, refer to “materiality.” That standard flows from the Commission’s Rule 10b-5, which prohibits purchasing and selling securities while concealing “a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.” 17 C.F.R. § 240.10b-5. This regulatory requirement is limited by, and does not expand beyond, the proper protection of investors from securities fraud and insuring fair dealing in securities: The purpose of the Rule 10b-5 obligation to disclose material facts is limited by its text to proscribing fraudulent conduct. In context, it falls within a larger set of proscribed practices in the Commission’s rules that all deal with fraudulent conduct. *Id.* (prohibiting “employ[ing] any device, scheme, or artifice to defraud,” “mak[ing] any untrue statement of material fact,” and “engag[ing] in any act, practice, or course of business which would operate as a fraud or deceit upon any person”). This portion of Rule 10b-5 is therefore not a freestanding source of authority for the Commission to require climate change disclosures—at least without a showing that they are needed to prevent misleading or fraudulent representations.

Nor does the Commission possess broad powers to require issuers of widely held securities to make statements on nearly any topic as long as there is some “investor demand.” When the Supreme Court interpreted what is and is not “material” for purposes of Rule 10b-5, it outlined an objective standard of financial significance. See *TSC Industries, Inc. v. Northway, Inc.*, 426 U.S. 438, 445 (1976) (holding that “[t]he question of materiality, it is universally agreed, is an objective one, involving the significance of an omitted or misrepresented fact to a reasonable investor.”). That is the correct standard that should guide the Commission’s decisions with respect to potential additional disclosure rules.

Indeed, the Exchange Act itself emphasizes that the Commission’s rulemaking powers must stay within the bounds of investor protection and insuring fair dealing. In Section 12, the statute lists several specific dangers that can establish “[n]ecessity for regulation.” 15 U.S.C. § 78b. Public reporting requirements can, for instance, protect against the fact that “the prices of securities . . . are susceptible to manipulation and control.” *Id.* Reporting rules can also respond to the presence of “excessive speculation, resulting in sudden and unreasonable fluctuations in the price of securities” that lead to “unreasonable expansion and unreasonable contraction of the volume of credit available,” “hinder the proper appraisal of the value of securities,” or “prevent the fair valuation of collateral.” *Id.* From beginning to end, the governing statutes make clear that legitimate mandatory disclosures are those required to protect investors from inflated prices and fraud, not merely helpful for investors interested in companies with corporate practices consistent with federally encouraged social views. We strongly urge the Commission to consider these statutory purposes and limits as it considers moving forward in this area.

II. The First Amendment poses a high bar for potential public reporting rules concerning climate disclosures.

In addition to the statutory limits on the Commission's authority, the Constitution imposes a significant constraint that the Commission must abide going forward. In a series of cases from 2015 to 2020, the Supreme Court has increasingly applied strict scrutiny to an array of content-based speech requirements. Particularly where the Commission's rules would involve *compelled* speech—a category of government regulation the First Amendment especially abhors, *E.g., generally Hurley v. Irish-American Gay, Lesbian and Bisexual Group of Boston*, 515 U.S. 557 (1995)—it is likely the Court would apply strict scrutiny in this context, too.

Beginning with *Reed v. Town of Gilbert*, the Court used strict scrutiny to review regulations that applied different requirements to signs based on the content of their message. 576 U.S. 155, 159 (2015). Justice Breyer specifically noted his concern that a broad view of this holding could sweep up the “governmental regulation of securities” as well. *Id.* at 177 (Breyer, J., concurring in judgment). In *NIFLA v. Becerra*, the Court again applied strict scrutiny in a case dealing with compelled speech. 138 S. Ct. 2361, 2365-66 (2018). And most recently in an opinion by Justice Kavanaugh, the Court reaffirmed the same standard for a content-based exception to the Telephone Consumer Protection Act. *Barr v. Am. Ass’n of Political Consultants, Inc.*, 140 S. Ct. 2335, 2346 (2020) (citing *Reed* for the proposition that “content-based laws are subject to strict scrutiny”). Concurring in part and dissenting in part, Justice Breyer again explained that this approach to strict scrutiny affects “the regulation of securities sales” because “the regulatory spheres in which the Securities and Exchange Commission . . . operate[s]” is “defined by content.” *Barr*, 140 S. Ct. at 2360.

Strict scrutiny is the highest First Amendment standard and imposes three requirements: The regulation must advance a compelling government interest, must be directly and substantially related to advancing that end, and must use the least restrictive means. *United States v. Playboy Entm’t Grp., Inc.*, 529 U.S. 803, 813 (2000). This is a high bar for the government, and it is the “rare case[]” in which a regulation “withstands strict scrutiny.” *Williams-Yulee v. Florida Bar*, 575 U.S. 433, 444 (2015).

Responding to purported public demand for increased information about public companies’ climate measures is not a compelling government interest. And while protecting investors from fraud and deceptive practices in the issuance and trading of public securities would likely satisfy that demanding standard, any climate disclosure rules would have to directly and substantially serve that end, and the Commission would have to show that requiring companies to make these statements is the least-restrictive means for investors to obtain such information.

Existing market trends suggest that climate disclosures are not needed to serve a compelling end, and that—at minimum—compelled disclosures are unnecessary as many companies are opting to provide this information on their own.

Under current, well-established reporting obligations, issuers uniformly do not include any statements regarding the quantity of their direct or indirect greenhouse gas emissions in the reports

mandated by the Commission. An internal review of the 2020 Form 10-K annual reports of the Fortune 150 revealed that none of these reports included statements quantifying the direct or indirect greenhouse gas emissions associated with the issuer. This absence reflects the uniform, collective judgements of a wide range of securities professionals from all over the country and with differing views on a wide range of issues, including climate change. The fact that none of the companies included quantified metrics regarding the extent of issuer-associated greenhouse gas emissions strongly indicates that information is not necessary to protect investors who are considering securities purchases.

At the same time, companies *voluntarily* make statements regarding a wide range of environmental, social, and governance matters. These statements are found in separate reports that serve purposes distinct from providing information for accurately assessing value in order to protect investors and insure fair dealing. Companies make voluntary statements regarding a host of matters, including climate, based on a variety of motivations—such as securing the good will of customers and, in certain cases, attracting investors. *E.g.*, CVS Health, *2020 Corporate Social Responsibility Report* (2020), available at <http://cvshealth.com/sites/default/files/2020-csr-report.pdf>; AT&T, *ESG Summary* (May 2021), available at <http://about.att.com/ecms/dam/csr/2019/library/corporate-responsibility/2020-2021-summary.final.pdf>; Home Depot, *Responsibility Report* (2020), available at http://ir.homedepot.com/~media/Files/H/HomeDepot-IR/documents/ESG%20Page/2020_Responsibility%20Report_FINAL.pdf.

Companies are thus already determining what statements serve their customers and investors outside of the sphere the Commission protects—and without government mandates. To be sure, the status quo's voluntary approach may fail to satisfy the desires of at least some socially conscious, would-be investors. But companies are well positioned to decide whether and how to satisfy the market's evolving demands, for both customers and investors. If the Commission were to move forward in this area, however, it would be delving into an inherently political morass for which it is ill-suited.

* * *

The Commission has an important and difficult mandate with respect to safeguarding public trading, but it is hard to see how it can legally, constitutionally, and reasonably assume a leading role when it comes to climate change. We urge the Commission to remain focused on its historic mission and role rather than seeking to expand its congressional mandate into unrelated social matters—particularly where companies are showing themselves adept to provide the type of information that customers and investors actually demand in this area. We fully expect that the Commission will continue its review of this issue with a commitment to the rule of law and reasoned administrative decisionmaking. We look forward to participating with the Commission in any future rulemaking effort.

Sincerely,

Patrick Morrisey

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. _____. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that "there [would be] no liberty if the power of judging be not separated from the legislative and executive powers." *Id.* He feared "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Id.*

The Framers created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III "made Judges dependent on his Will alone...." The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new Federal government from repeating those abuses. By appointing judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their

salaries, the Framers sought to ensure that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus

would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. They also changed the filibuster rule for Supreme Court Justices, even after having used it against judges who were unwilling to implement their political agenda through the judicial process. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing the Court is there to protect the people against.

Sincerely,

April 19, 2021

RE: Executive Order 14023

Dear President Biden:

I was disappointed to read your April 9, 2021 Executive Order (“EO 14023”) regarding packing the United States Supreme Court. The Court’s job is to interpret the law, not to implement the political will of one party.

During the campaign, you indicated that you would let voters know your position on court-packing after the election. For the last one hundred and sixty-four days, the American people have been anxiously awaiting your answer. If EO 14023 is not an outright endorsement of court-packing, then your failure to explain your views on the matter is a broken campaign promise.

Given this lack of transparency, I wanted to remind you of your obligations under the Federal Advisory Committee Act (“FACA”). FACA is designed to ensure public access to meetings of advisory committees like the one EO 14023 created. *See* 5 U.S.C. app. 2 § 10(a)(1) (requiring that “[e]ach advisory committee meeting shall be open to the public”). This is especially important here, where your contemplated actions threaten the rule of law and institutional norms, and where you have intentionally hidden your views on the matter from the American people immediately before an election.

Further, your executive order casts doubt on whether you even believe FACA applies. *See* EO 14023 § 4(c) (casting doubt on the matter by stating “[i]nsofar as the Federal Advisory Committee Act . . . may apply to the Commission” (emphasis added)). EO 14023 also requires a written report “within 180 days of the date of the Commission’s first *public* meeting,” leaving open whether the Commission will hold non-public meetings. *See* EO 14023 § 3(c) (emphasis added). Your press release on the matter is similarly vague, stating that the Commission will “hold public meetings to hear the views” of various groups in order “[t]o ensure that the Commission’s report is comprehensive,” but remaining silent on whether all Commission-meetings will be open to the public.¹

I ask that you now publicly commit to making all such meetings—including phone calls and video conferences—open to the public. Individuals from Florida’s government, for example, wish to observe the meetings on behalf of the people of Florida, to whom the rule of law is of the

utmost importance. I also ask that you publicly commit to complying with all other requirements of FACA. Please respond with your commitment within seven days of this letter.

Talking Points:

- Thank you for having me.
- It's exciting to be here with so many great leaders to talk about Florida's future.
- At present, our state enjoys a booming economy and a falling crime rate // it's been that way for a while now.

A safer state benefits everyone // it attracts tourists // retirees // and entrepreneurs.

- It signals to the rest of the world that, in Florida, you have the freedom to pursue your dreams free from the fear of harm // physical or economic.
- We are all beneficiaries today of a state that values the rule of law and those who swore an oath to uphold its criminal justice system focused on reducing crime and bringing justice for victims. //
- That is our present situation as we come together where we are today, but we are here today to talk about Florida's future.
- I believe that future is bright. That the Sunshine State is still rising.

~~But we can't tackle this important topic without considering our rich history. To consider Florida's future we must remember our past // including and the some obstacles we had to overcome to get to where we are today. I'm a lawyer, not a historian. But our history gives some important lessons about how our justice system impacts prosperity in our state.~~

- ~~As it is so often said, "those who don't know history are destined to repeat it." // I'm afraid some have forgotten this old adage.~~

- There was a time // decades ago, // that Florida began building the foundation of a notorious reputation while the nation was swept up in the soft on crime chapter in our history, the nation was suffering from high inflation, high interest rates, high unemployment, an anemic economy, dependence on foreign energy, a welfare state that created government dependence and a lack of leadership.

- And during that period, in Florida, the state had adopted soft-on-crime policies like a parole system that made our prison doors revolving doors.

Formatted: Font: (Default) Arial, 14 pt

Formatted: Indent: Left: 0.5", No bullets or

Then in the late 80s, fueled partially by the international drug trade, Florida experienced a surge in deadly crimes with nearly 9 thousand crimes per 100,000 residents. Drug dealers and gangs were victimizing our communities. By 1989, the average time served in Florida prison was just 34 percent of the sentence.¹

- In the early 90s, tourists were being robbed and killed here.
- One of the most infamous cases took place at a rest stop off I-10 where two British travelers were attacked by a group of teenagers.
- The international media took interest // word spread around the world and tourism plummeted.

The state was in crisis mode // not only was the economy suffering // but lawlessness was gaining a foothold. People were dying // Floridians and visitors // Something had to change.

As a state, we took swift action:

- Around-the-clock security was added at all of Florida's rest stops.
- We adopted truth-in-sentencing laws.

¹ Florida Department of Corrections, Florida's Criminal Punishment Code: A Comparative Assessment, p. 6 (Sept. 2018).

- Stiffer penalties for violent and habitual offenders were signed into law.

- We reformed our state prison system, expanding capacity to ensure our policies could be implemented.

- And we gave law enforcement the tools and the resources they need to do their job. And we kept doing that, year after year.

It took nearly a decade for these policies to take hold. But as they did, things started changing. We saw a safer, more prosperous Florida. Over a 20-year period from 1998 to 2018 the Total Index Crime Rate in Florida decreased by 60 percent.²

Changes important for that crisis of crime. Changes that helped Florida turn the battleship, and today, Floridians, visitors and businesses are benefiting from these changes.

- Tourism is on the rise. Florida became the destination for families from all over the world.
- We became a regular host for major sporting events, hosted back-to-back Super Bowls, and despite a deadly pandemic our economy is strong.
- Our state has experienced extraordinary population growth.
- More businesses began relocating here.

Our present is bright because we planned for it. // We took bold, swift action.

And we continue to Now, criminal justice policy was not the only factor in that success. But it was an important part. I firmly believe that public safety is the cornerstone of a prosperous economy. We must continue to improve upon how we keep Floridians safe. We must face this new century's challenges, and we must foster an atmosphere of achievement and success.

I am optimistic about this Florida's continued success because we have and the state leaders we have at the helm today // but don't get

confront the threats we face.

~~These threats exist mostly outside our state, lines and in~~
government at the federal level.

Time and again we have seen it unfold in other states. Leaders turn their backs on law enforcement. They go soft on crime. They create sanctuaries for criminal aliens. Offices leave. Crime goes up. Public respect for the law wanes. Prosecutors go from being law enforcement to being social workers. Their experienced lawyers leave. Crime keeps going up. Businesses leave. Residents leave. Gangs take over. Innocents are killed. A lawless shell of destruction remains.

That's not a justice system. That's an **injustice system**. Their communities go from being woke to being broke.

And we cannot let this happen to Florida.

- We must not adopt criminal justice policies more focused on criminals than victims.
- We must not let the "defund the police" narrative undermine public safety in our state or denigrate the service and sacrifice of Florida's law enforcement.
- We must not let the federal government ignore our nation's immigration laws.
- We must not let our children be taught in school that they should be ashamed of our country.
- We must not let the federal government try to micromanage our lives from Washington.
- We must not recreate a welfare state and bankrupt the country in the process.
- We must not let social media companies exploit our children, inflame division and break one nation into factions.

~~These crimes are taking place all over the world and Cybercriminals are attacking our ports, our drinking water, our cities, our hospitals, and our businesses.~~ in In Florida the stats are staggering. According to analyses analysis from Florida Atlantic University:

- Florida's losses from internet crime totaled nearly \$300 million last year.
- More than 50,000 internet crime victims in our state in 2020 lost an average of nearly \$6,000 each.
- ~~According to this study, while California had the largest number of internet fraud victims, Florida had the largest population-adjusted victim rate~~Florida's victimization rate per 1 million in population was the highest in the country.

- Identity theft is another common internet crime that is affecting Floridians. This occurs when a scammer obtains a victim's personal identifying information, like a Social Security Number or Medicare number, without the victim's consent.
- More than 6,000 Floridians lost more than \$40 million in total to ~~this crime~~identity theft last year.

Existing laws criminalize this activity. ~~—Our new Community Outreach Coordinator will do a lot in the realm of prevention by informing citizens and businesses about current and emerging attacks, threats and scams.~~

I will also, soon have some exciting news about an innovative initiative to stop an emerging crime: organized retail theft. Criminal networks engage in mass shoplifting, often using juveniles, to steal large numbers of consumer goods from retailers to sell on the black market or online. My Statewide Prosecutors have been working diligently in this area // but we ~~are about to level~~have to step it up.

~~—Next month I'll roll out a series of exciting new tools and partnerships that will have these crime rings seriously thinking about leaving Florida.~~

~~—To fight crime, protect Floridians and foster an environment where business and commerce can thrive, we must stay a step ahead of the criminals // reevaluate our approach and upgrade our tools.~~

~~Today is about the future of Florida // That future is bright // as long as~~
~~if we stay the course // think ahead // and~~ confront these new threats, we can signal to the rest of the country that:

- Florida is a state // operating under ~~a~~the rule of law // where hard work is rewarded // law enforcement is respected and criminals are locked up for a very long time.

As long as Florida is governed by fearless leaders // who don't cave to mobs or half-truths and unfair media attacks // As long as we remain unafraid, we can ~~That's how we will~~ **build a Stronger, Safer Florida.**

- ~~By protecting the public and enforcing the rule of law // we help foster an environment of collaboration // of creation and imagination.~~
- ~~We maximize freedom for entrepreneurs and their customers to interact with confidence, free from the fear of lawlessness.~~
- ~~This will attract tourists // instead of discouraging investment.~~

~~To achieve this mission, it is so vital that we continue to push back against anti-police sentiment and policies // that we keep Florida safe and protect our citizens.~~

- ~~I've said it in the past and I will keep saying it, Capitalism works best without criminals.~~
- ~~If we want to continue to enjoy a robust economy, we must back our blue // give them the support and tools they need to succeed.~~

It's like President Reagan said, "Evil is powerless if the good are unafraid."

- ~~I work with these men and women // and my husband is a federal law enforcement officer //~~
- ~~I can stand here today and tell you // they are unafraid.~~

~~And as long as Florida is governed by fearless leaders // who don't cave to mobs or half-truths and unfair media attacks // As long as we remain unafraid, we can boldly build a better future.~~

- ~~— That is my vision // a future that bucks dangerous national trends // gives the good guys the tools they need to succeed.~~
- ~~— A future where criminals know // whether they use a gun or a computer // they will be arrested and face serious consequences.~~

~~A free Florida under a rule of law with leadership devoted to true liberty and justice for all.~~

- ~~— Where entrepreneurs from around the world flock to develop their dreams.~~
- ~~— And students // from major Florida cities and small towns // are free to learn and pursue innovative careers in one of the most robust // exciting economies in the world.~~

Duval County Bar Association Law Day
May 1, 2021

[Standard Open]

I'm Florida Attorney General Ashley Moody. Thank you for the opportunity to speak with you all in honor of Law Day. [Law Day provides an opportunity for us to reflect on how law and the legal process protect our liberty, strive to achieve justice, and contribute to the freedoms that all Americans share.](#)

The rule of law is at the very foundation of our rights and liberties as Americans. [Many of the grievances the authors of the Declaration of Independence raised against the King involved the legal system, like suspending jury trials or exerting improper influence over judges. So the Founders established a written Constitution with structural limitations on governmental powers and delineating individual rights.](#)

As lawyers, we all have sworn to uphold this promise to pursue justice while sustaining due process for all parties involved.

My entire family joined the profession—my grandfather was a judge, my father still currently serving as a federal judge, [and my brother is a county judge.](#) It's what drew me to the legal field—it's in my blood.

As Florida's Attorney General, I wake up each day ready to serve and protect Floridians.

Outside of my efforts working to [end-battle](#) problems like human trafficking or the opioid epidemic, to protect seniors and consumers from exploitation and fraud, or to uphold Florida's laws, I am advocating to get our criminal and civil trial courts back open, and operating closer to pre-pandemic levels.

I am also pursuing legal reforms to our civil justice system, such as using the federal standard for summary judgment.

Being Attorney General, Florida's chief legal officer, is an absolute honor—one I take very seriously.

My number one function is to protect Floridians, and at the core of that is establishing and upholding equality under the law.

Unfortunately, I'm not there with you today, but I am excited to see you all later this month.

Thank you for your work in the legal field for representing your clients, and Florida, with the highest degree of professionalism.

You play an important role in helping us build a Stronger, Safer Florida.

VIDEO: Attorney General Moody Commemorates 200th Anniversary of Florida Sheriffs

TALLAHASSEE, Fla.—Attorney General Ashley Moody today presented a Cabinet resolution commemorating 200 years of Florida Sheriffs. Florida Sheriffs Association President Sheriff Bobby Schultz as well as FSA Vice President Sheriff Bobby McCallum and FSA Executive Director Steve Casey attended today's Cabinet meeting to accept the resolution—passed unanimously by Governor Ron DeSantis and the Florida Cabinet.

Attorney General Ashley Moody said, “For 200 years, our state has benefited from the Office of the Sheriff in Florida. What began as an appointed position in 1821, soon will soon became a vital elected office in each of our 64 counties—with the occupant directly chosen by the citizens each sheriff serves safeguarding the lives and property of every Floridian. Over the past two centuries, Florida Sheriffs have worked to uphold the rule of law and protect Floridians while improving our state through unparalleled civic engagement, breaking cycles of crime and changing the lives of troubled youth.

“Because of the Florida Sheriffs, we have countless programs and initiatives throughout our state contributing to a stronger and safer environment for all Floridians. Thank you, to all our great Sheriffs, past and present, for your service and commitment to our state and the citizens who live here.”

Florida Sheriffs Association President Bobby Schultz said, “Much like the great State of Florida, the Office of Sheriff has grown and evolved over the last 200 years. Today, sheriffs work tirelessly every day to serve and protect our communities. Thank

you General Moody, Governor DeSantis and the Florida Cabinet for honoring this historic anniversary.”

In 1821, Florida Military Commissioner Governor Andrew Jackson first established the Florida Office of the Sheriff by appointing sheriffs to Florida’s first two counties. Jackson appointed Henri Piere as Sheriff of Escambia County and James Hannan as Sheriff of St. John’s County. In 1885, the State of Florida authorized the Office of the Sheriff in the Florida Constitution.

Over the next 100 years, Florida established 67 counties throughout the state, each including a sheriff’s office. While county sheriffs began as appointed positions, today, each of Florida’s 67 sheriffs are directly elected by the citizens they serve.

Throughout the past two centuries, Florida sheriffs have created numerous initiatives to better our state and the communities they serve, including:

- The Florida Department of Law Enforcement;
- The Florida Sheriffs Youth Ranches;
- The Florida Law Enforcement Academy; and
- The Florida Criminal Justice Standards and Training Commission.

While Florida Sheriffs are celebrating the bicentennial of the Office of Sheriff all year, the anniversary of the office is observed on July 21.

Dear Mr. President and Congressional Leaders:

As the chief legal officers of our States, we write to you regarding our serious concerns about recent reports indicating this Congress's intent to pack the Supreme Court by passing H.R. _____. Indeed, given the filing of the bill six days after the President announced his Executive Order regarding the Supreme Court, it is clear that the Commission on the Supreme Court is nothing but a coordinated attempt to justify a naked political power grab by the leaders of Congress and the President. We believe that such actions will seriously undermine our constitutional system, the public's confidence in our courts, and the rule of law. We oppose passage of such a measure.

Alexander Hamilton commented in the Federalist Papers that "[t]he complete independence of the courts of justice is peculiarly essential in a limited Constitution." *The Federalist Papers*, No. 78. He reasoned that judicial independence was essential because "[w]ithout this, all the reservations of particular rights or privileges would amount to nothing." *Id.* And he added that more than rights and privileges would be threatened if judicial independence did not exist in the newly created Republic, but that "there [would be] no liberty if the power of judging be not separated from the legislative and executive powers." *Id.* He feared "the encroachments and oppressions of the representative body" and "the effects of those ill humors, which the arts of designing men. . . sometimes disseminate among the people themselves and [which] . . . occasion . . . serious oppressions of the minor party in the community." *Id.*

The Framers vested the judicial power in the Supreme Court, a separate branch of government from the Congress and Executive, created a strict separation of the judicial power from the other branches of government because the colonists had been subjected to judicial abuses by the Crown. King George III "made Judges dependent on his Will alone...." The Declaration of Independence, ¶ 11. The judicial branch and the judicial power created by Article III was to prevent the new Federal government from repeating those abuses. By appointing

judges for life with good behavior and restricting the ability of the other branches to remove them or diminish their salaries, the Framers sought to prevent those abuses, ensure ~~ensuring~~ that each judicial decision would be rendered independently and not to curry favor with Congress or the President.

From the beginning of our Republic until the present, there has been a robust history of judicial independence. Our system of checks and balances is not easy—politics and the desire to accomplish strongly held objectives by the party in power has ~~have~~ always led to tension between the Supreme Court and the other branches. As William Howard Taft, then Chief Justice and once a President said:

[T]he Court's duty to ignore the acts of Congress or of the State Legislatures, if out of line with the fundamental law of the Nation, inevitably throws it as an obstruction across the path of the then majority who have enacted the invalid legislation. The stronger the majority, and the more intense its partisan feeling, the less likely is it to regard constitutional limitations upon its power, and the more likely is it to enact laws of questionable validity. It is convincing evidence of the sound sense of the American People in the long run and their love of civil liberty and its constitutional guaranties, that, in spite of hostility thus frequently engendered, the Court has lived with its powers unimpaired until the present day.

Taft, William H., *Dedication of Memorial to Chief Justice Salmon Portland Chase*, Vol. 9, No. 6 American Bar Association Journal 347, 352 (June 1923) (viewed on <https://www.jstor.org/stable/pdf/25711295.pdf>).

Except for one failed attempt, Presidents and Congress have respected the independence of the judiciary and the Supreme Court as the bulwark protecting Americans' liberty. When President Franklin Delano Roosevelt attempted to pack the Court, the Senate recognized the importance of an independent judiciary and the harm that such an action would cause. The Senate Judiciary Committee stated in its adverse report that:

It is essential to the continuance of our constitutional democracy that the judiciary be completely independent of both the executive and legislative branches of the Government, and we assert that independent courts are the last safeguard of the citizen, where his rights, reserved to him by the express and implied provisions of the Constitution, come in conflict with the power of governmental agencies. . . .

If interference with the judgment of an independent judiciary is to be countenanced in any degree, then it is permitted and sanctioned in all degrees. There is no constituted power to say where the degree ends or begins, and the political administration of the hour may apply the essential "concepts of justice" by equipping the courts with

one strain of "new blood," while the political administration of another day may use a different light and a different blood test. Thus would influence run riot. Thus perpetuity, independence, and stability belonging to the judicial arm of the Government and relied on by lawyers and laity, are lost. Thus is confidence extinguished.

Senate Committee on the Judiciary, Reorganization of the Federal Judiciary, 75th Cong., 1st sess., 1937, S. Rep. 711.

If the views of our Framers and forefathers do not dissuade you from the harm that your undertaking will cause, you have undoubtedly heard the recent words of Justices Ginsburg and Breyer, who both unequivocally condemned schemes to pack the Supreme Court. We have, from time to time, wholeheartedly disagreed with many of Justice Ginsburg's and Justice Breyer's opinions, as well as their approach to the law. But their view – like that set out in the historical sources quoted above – that a court-packing endeavor will undermine the Court, its stability, and its legitimacy, should be persuasive to you.

We understand that some members of Congress are upset regarding what they view as the politicization of the Supreme Court. Ironically, many of those same members—including two of the addressees of this letter—led partisan attacks during the confirmation hearings of Judge Bork, Justice Thomas, and Justice Kavanaugh, among many others. They also changed the filibuster rule for Supreme Court Justices, even after having used it against judges who were unwilling to implement their political agenda through the judicial process. Each of those fights and changes has weakened the independence of the judiciary and put at risk all Americans' liberty. The Justices of the Supreme Court have repeatedly shown their independence, despite their differences and the labels some have put on them. When elected officials do not like the outcome in a case, that is not a sign of the politicization of the Court, but of the system working. After all, the whims of elected officials are the very thing the Court is there to protect the people against.

Sincerely,

**Marion County Bar Association

Talking Points:

- Thank you for the opportunity to speak to your group today.

While we gather to celebrate and recognize Law Day, we should reflect on the importance of the rule of law to our state and nation.

- The rule of law is at the very foundation of our rights and liberties as Americans.
- As lawyers, we all have sworn to uphold this promise to pursue justice while sustaining due process for all parties involved.

President Eisenhower first declared May 1st to be Law Day in the United States.

~~— Few know, but those lawyers gathered to celebrate today would not be surprised, it was actually Eisenhower's legal counsel, Charles S. Ryne, who came up with the idea.~~

~~— Ryne also served as the President of the American Bar Association.~~

· Some may know that May 1 was an important day in the calendar of communist countries. But Eisenhower designated May 1 as Law Day to show the distinction between communism and an American government based on the rule of law.

· The fact that, a private citizen can take the government to court and win, and the government respects the final judgment of the court, shows how fundamental the rule of law is to America.

At the time he designated Law Day, Eisenhower proclaimed: "If civilization is to survive, it must choose the rule of law."

- As the daughter of a judge and lawyer, I was raised to have a profound respect for the law and its protection of others.

- As a former judge, I felt a great responsibility to faithfully and diligently uphold the rule of law and I revere the judiciary's role in applying the law, reducing chaos to order.
- As lawyers, who have chosen this noble profession, we have a front row seat to the rule of law's impact in our communities and on the lives of others.

As Florida's Attorney General, I wake up each day ready to continue to serve and protect Floridians.

- Sometimes that means I am out spreading the word about human trafficking—enlisting truck drivers, hoteliers, restaurateurs and beer wholesalers to be our eyes and ears on the roads and in their establishments.
- To assist law enforcement in finding and arresting the criminals who buy and sell other human beings and save victims.
- Other times it means taking aggressive legal action against those responsible for perpetrating the opioid epidemic in our state—either the drug traffickers peddling fentanyl on the streets, or the major opioid corporations who helped fuel this deadly crisis.

In addition to these important causes, I am advocating for the full re-opening of our criminal and civil trial courts—because justice delayed is justice denied.

- With COVID-19 shutting down many courts across our state, many felony-jury trials and some civil cases are on hold.
- We have circuits in Florida that have heard ZERO criminal trials and others have heard no civil trials for more than a year—unacceptable.
- Now that vaccine availability has increased, and CDC guidelines are being eased, these trials need to get underway.

- If Florida can safely host a Super Bowl, and people can once again travel en masse by airplane, I think we can // and should // figure out how to begin safely holding felony jury trials.

I have also been busy pursuing legal reforms to our civil justice system.

- I'm very pleased to see the Florida Supreme Court revisiting the standard for summary judgment.
- ~~I was pleased to see the In addition to using the federal standard, my office has filed a comment to the~~ Florida Supreme Court adopt my suggestion to change procedures to encourage changes to their standard to avoid sandbagging and ambush tactics that ~~are~~were, sadly, too common under existing-prior rules.

I am grateful for Governor Ron DeSantis's continued leadership in appointing quality judges—including several attorneys from my office this past year.

- I have to say though, he's making it real tough on us—he keeps taking great attorneys from my team!

As Florida's lead counsel, my job is to defend our laws, uphold our constitution and protect Floridians.

- I take my job seriously, much as I suspect that you all do as well.
- There's more to lawyering than most people see—late nights working on your clients' cases, doing all you can to ensure a fair process for all parties involved.

So as we belatedly celebrate Law Day together, I thank you for not only recognizing the day, but for dedicating your professional lives to the law.

- Thank you to those who volunteer their efforts to improve our practice and promote professionalism in our ranks by serving on bar committees and boards.

Happy Law Day!
