RE: Freedom of Information Act ("FOIA") Request

Dear Ms. Shaw:

The Office received your FOIA request dated November 18, 2021, which seeks:

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) between (a) Attorney General Alan Wilson, Solicitor General Robert Cook, Deputy Attorney General Jeff Young, or anyone communicating on their behalf (such as a Chief of Staff, assistant, or secretary), and (b) any of the external individuals or entities listed below.

Please provide all responsive records from January 20, 2021, through the date a search is conducted.

External Individuals and Entities:

1. President of the Conservative Partnership Institute Ed Corrigan (including but not limited to emails from the domain @cpi.org or @conservativepartnership.org)
2. Chief Operating Officer of the Conservative Partnership Institute Wesley Denton (including but not limited to emails from the domain @cpi.org or @conservativepartnership.org)
3. Anyone communicating from America First Legal including Stephen Miller, Mark Meadows, Matthew Whitaker, Russ Vought,

Gene Hamilton, Reed Rubinstein, Ken Starr, Jim DeMint or anyone communicating from an email address ending in aflegal.org

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Attorney General Wilson received a mass-distribution email from a specified individual or domain that initial email would not be responsive to this request. However, if Attorney General Wilson forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced. Additionally, this request excludes previously produced materials.

Given that your request excludes previously produced materials, this Office has determined that there are no documents responsive to your request. This determination is in accordance with S.C. Code Ann. § 30-4-30(C).

Sincerely yours,

Harley L. Kirkland
Assistant Deputy Attorney General
