Dear Director of Elections Ingram:

Under the power granted to the House in Article I, Section 5 of the U.S. Constitution to "be the Judge of the Elections, Returns, and Qualifications of its own Members," the Committee on House Administration of the United States House of Representatives is vested under House Rules with jurisdiction over contested House elections.

Given the narrow margin in the race for the Office of Representative from the 24th district of Texas, the Committee is sending staff to observe the counting of votes in this election and to gather information about the conduct of the election.

The purpose of the observers is solely to gather information with respect to the election should the election later be contested in the House of Representatives. The staff has been instructed that they are to play no formal role in the vote counting process and are to function solely as observers.

The Committee requests your assistance to the staff charged with observing in this information gathering process. Your attention and cooperation in this matter are greatly appreciated. If you have any questions or concerns about ballot counting or recounting, please contact the Committee on House Administration and ask for Caleb Hays, Chief Legal Counsel for Elections, at (202) 225-8281.
