In response to the request below, records maintained by the House were searched for public records that meet the criteria of the request. Those searches did not locate any such records.

Representative Sabatini, who also received the request below, asked this office to respond on his behalf. Representative Sabatini searched the records that he possesses in order to respond to the request provided to him. Those searches yielded no additional records.

The House considers this matter closed.

Kind regards,

Office of Open Government
Florida House of Representatives

Please Note: The Florida Constitution requires disclosure of public records unless a Florida Statute exempts the records from the disclosure requirement. Most emails to and from House members and staff that were sent or received in connection with the transaction of legislative business are public records that will be made available to the public and media upon request. Therefore, the contents of your email and your email address are subject to public disclosure unless a specific statute exempts them from the Constitution's disclosure requirements.
