Dear AO:

This is in reply of your below Sunshine Request.

I do not have Slack, GChat, Google Hangouts, Lync, Skype, Twitter, WhatsApp, Signal, Telegram or Parler. I do have a personal and official Facebook page.

In searching my emails, I am not able to find anything that falls within the scope of your request.

To be completely transparent, I want to state that I do sit on the Missouri House Committee for Elections and Elected Officials. I previously was an election authority for a municipality for 30 years. I have worked with the County Clerks in the County that I reside for almost 40 years to insure accurate voting rolls. Also, I 'Shared' someone else's posting on my personal Facebook page that Dr. Douglas Frank was speaking locally on 12/1/2021 on the topic of 'Election Integrity'. I did attend this meeting as an observer only but this was after I received your request for information.

No copies had to be made and I am not charging for my research time.

I believe we all want free, fair, and transparent elections and government.
