Re: Public Information Request No. R030732

Dear Ms. Smith:

On January 15, 2025, the Office of the Attorney General ("OAG") received a public information request under the Public Information Act ("PIA"), Chapter 552, Government Code, from Danny Martinez. A copy of the request is attached as Exhibit A. In accordance with section 552.3031 of the Government Code, this brief was timely delivered on January 22, 2026.

The OAG does not maintain information responsive to categories E, F, G, I, K, L, or M of the request. The OAG will release information responsive to categories H, J, and N. The information responsive to categories A, B, C, and D is currently pending a ruling from your office. On November 13, 2025, the OAG submitted a request for a ruling from the Open Records Division, along with our written comments and responsive information, concerning a request received by the OAG (OAG Public Information Request No. R029700). The first four categories of information sought by Danny Martinez in the attached request is the same as the information requested by the previous requestor. Pursuant to section 552.301(e-1) of the PIA, the OAG is providing Danny Martinez with a copy of the written comments we submitted to the Open Records Division on November 13, 2025. The OAG respectfully requests the Open Records Division rule on these requests together.

Please do not hesitate to contact me at (512) 475-4213 if you have questions or require additional information.

Sincerely,

Lauren Downey
