Re: F-2019-01079; Civil Action No. 19-cv-02169

Dear Ms. Creighton:

This is a supplemental response to the 29 November 2018 and 22 February 2019 Freedom of Information Act (FOIA) requests seeking:

- (1) All records reflecting email communications on non-classified email systems (including any email attachments) with any non-governmental email address attributed to former Director Mike Pompeo. The Agency was permitted to limit its search to the following individuals:
  - a) Any person acting in the capacity of chief of staff to Director Pompeo;
  - b) Toni Porter;
  - c) Brian Bulato; and
  - d) Brittany Bramell.
- (2) All emails sent from (a) any non-governmental email address attributed to Director Pompeo to (b) any governmental email address associated with Director Pompeo; to include all messages forwarded to Director Pompeo's governmental email address, or on which Director Pompeo's governmental email address is carbon copied.
- (3) All records reflecting communications (including emails, email attachments, calendar invitations or entries, telephone call logs, text messages, and notes from any meetings or phone calls) between (1) former CIA Director Mike Pompeo or former Chief of Protocol Toni Porter, or anyone serving as Director Pompeo's Chief of Staff, and (2) Senator Tom Cotton or Senator Marco Rubio, or anyone on their staffs including any communications from email addresses ending in cotton.senate.gov, tomcotton.com, rubio.senate.gov, or marcorubio.com. Explicitly, any notes or records created by assistants or aides to Director Pompeo reflecting the fact of or content of such communications with Senators Cotton or Rubio.

We processed the request in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 3141, as amended.

In coordination with other government agencies, we have determined that an additional eight (8) documents may be released in segregable form with redactions made on the basis of FOIA exemptions (b)(3) and/or (b)(6). Exemption (b)(3) pertains to Section 6 of the Central Intelligence Agency Act of 1949, as amended, 50 U.S.C. § 3507 (noted on the enclosed documents as exemption “(b)(3)CIAAct”), and/or Section 102A(i)(1) of the National Security Act of 1947, as amended, 50 U.S.C. § 3024(i)(1) (noted on the enclosed documents as exemption “(b)(3)NatSecAct”). There are other documents pending further coordination with other government agencies, and a determination as to their releasability will be provided in a supplemental response.

Sincerely,

Yes they will need a photo ID or a current US Passport. When I get to the office in the morning I will tell you which State ID'S are not accepted and those people will have to bring a second form of ID. I will send you details for you to forward to your guests in the morning as there are rules of what is and is not allowed in the WH ([redacted]) (b)(3) NatSecAct
