DEPARTMENT OF HEALTH & HUMAN SERVICES Office of the Secretary

Assistant Secretary for Public Affairs
Washington, D.C. 20201

HHS Case No. 2019-00129-FOIA-OS & 2019-00811-LIT-OS
***American Oversight v. Dept. of Commerce et al.*, 1:19-cv-00912**

August 26, 2022

Mr. Austin R. Evers, Esq.
Executive Director
American Oversight
1030 15th Street NW, Suite B255
Washington, DC 20005

Dear Mr. Evers:

This letter is the Department's final response to your October 17, 2018 (2019-00129) and February 27, 2019 (2019-00811), Freedom of Information Act (FOIA) requests. In those Requests, you sought the calendars of various HHS officials. After negotiation between the parties regarding scope, format, and technical capabilities, you narrowed your request to the calendars of former Secretary Alex Azar, and former Assistant Secretary for Health Brett Giroir.

For this production, the Department processed 15 pages of potentially responsive records which had previously been sent to other agencies for consultation. Of these 15 pages, I am providing 2 pages in full, and a further 13 pages in part, with portions redacted, pursuant to Exemption 6 of the FOIA (5 U.S.C. §552 (b)(6)).

FOIA exemption (b)(6) permits a federal agency to withhold information and records about individuals in "personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." The definition of "similar files" has historically been broadly interpreted to include a wide variety of files, and the United States Supreme Court has held that Congress intended the term "similar files" to be interpreted broadly, rather than narrowly. In this case, the material withheld consists of certain phone numbers, names, and email addresses. I have analyzed these records and find they meet the threshold requirement of this exemption. Additionally, I have reviewed and weighed the public interest in disclosure of this information against the privacy interest in nondisclosure, and found that the privacy interest outweighs the public's interest in disclosure.

Should you have questions or concerns regarding the Department's response and\or the processing of your request, any such issues should be communicated to your legal counsel and Department of Justice Attorney representing the Department in this matter.

Sincerely yours,

Alesia Y Williams

The Goal is to keep this venue very tight, at no more than 30 minutes. So I need to you to be concise.
If there are topics that lead to further dialog, the goal would be to table that discussion and schedule dedicated follow-up call amongst stakeholders.
I will be asking each senior leader to provide the following in a very quick summary:

a. Major COVID related activities underway that are worthy of S-1 and cross-HHS visibility.
b. Any upcoming major announcements/policies/guidance/etc that will be released in the next 5 days and your evaluation of public reaction

To ensure we have tight discipline regarding who is on the call, the Secretary's Operations Center will build the call, checking against an access list.

I ask that you have your front offices call the Secretary's Operations Center (SOC) at (b) (6) to be transferred into the conference bridge. Please call 10 minutes beforehand to ensure all participants can be transferred in before the call commences. The Secretary will then be dropped in and I will moderate the call.
