Re: ACF FOIA 19-F-0036 and 19-F-0194 (American Oversight v. U.S. Department of Commerce et. al., Case No. 19-cv-912)

Dear Mr. Evers:

This is the fifteenth interim response pertaining to Case No. 19-cv-912 filed April 2, 2019, relating to Freedom of Information Act (FOIA) requests 19-F-0036 and 19-F-0194, submitted to the Administration for Children and Families.

FOIA requests 19-F-0036 and 19-F-0194 seek the following records:

> All calendars or calendar entries for any of the following individuals, including any calendars maintained on behalf of these individuals:
>
> - Scott Lloyd
> - Jonathan Hayes
> - Lynn Johnson
> - Clarence Carter
> - Pedro Moreno
> - Anna Pilato
> - Mary Powers

Enclosed are 113 pages of responsive records. Eighty-seven (87) additional pages were forwarded to outside agencies for consultation on those pages that originated within their offices. Some of the information on the disclosed pages has been withheld under the FOIA exemptions (b)(5) and (b)(6).

The exemption (b)(5) protects inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency. The exemption protects agency deliberations, both internal and with agency contractors and consultants, attorney-client privileged records and attorney work product. In this case, the withheld information includes pre-decisional discussions within the agency and between agency staff.

AMERICAN OVERSIGHT

FOIA exemption (b)(6) permits the withholding of records which, if released, would constitute a clearly unwarranted invasion of personal privacy. In this case, the withheld information consists of the identities and/or other private information of private individuals and the work cell phones of federal employees. Public disclosure of this information would constitute an invasion of privacy of those individuals whose identifying information was disclosed. In withholding the information, the individual's privacy interest was balanced against any public interest in disclosure. In each instance where information was withheld, it was determined that the individual's privacy interests outweighed any public interest in disclosure of the withheld information. Disclosure of the withheld information would invade the privacy of the subject individuals but would reveal nothing about the operations or activities of the government.

We will continue to produce records to you. If you are not satisfied with any aspect of the processing and handling of this request, you may contact the Assistant United States Attorney in the United States Department of Justice who is handling this case for the Department.

Sincerely yours,

Carla C. Smith -S

With many parents afraid to get in touch w the US government to find their children, Rev. Cortes, Esperanza's president & CEO, is offering to assist. Our initial thoughts are that Esperanza could act as a clearing house, providing information for parents on where their children are and, possibly, have pastors come with them to retrieve their children and assist with the processing.

We are certainly open to discussions of what this might look like.

Will most likely require a contract of some sort with HHS so we appreciate any guidance and introductions to the appropriate staff/offices.

Thoughts?

Just a little background

Esperanza is the largest Hispanic faith-based network in the country. With over 14,000 Hispanic congregations and community non-profits, they are one of the leading voices for Hispanics in America. Under President George W. Bush, Esperanza had several contracts with HHS – Compassion Capital Fund (Capacity building), HIV/AIDS, TANF, etc. At Esperanza's recent National Hispanic Prayer Breakfast, speakers included Vice President Pence, Speaker Ryan and Leaders Pelosi & Schumer.

Subject: 2019 Grants Planning

Dear Colleagues:

On behalf of Steve Wagner, we are pleased to announce the kick off of the Fiscal Year (FY) 2019/20 season beginning with Forecasts and Funding Opportunity Announcements (FOAs). We plan to continue the step we implemented last year: the Immediate Office of the Assistant Secretary (IOAS) requiring in-person consultations with Program Office (PO) senior officials prior to the submission of the Forecast in the Announcement Module (AM) system.

As part of these consultations, the IOAS is also requiring a representative from the Office of Grants Management (OGM), Division of Grants Policy (DGP), and Office of Legislative Affairs and Budget (OLAB) to be present. The purpose of the consultation is to address FY 2019 funding priorities and spend plans, to discuss all FOAs that will be published in the upcoming FY, and to identify any issues of concern early in the process. For more information on the IOAS FOA consultation, please refer to the attached document entitled, "IOAS FOA Consultation Meetings." The IOAS FOA consultation must take place **no later than Friday, September 21, 2018**.

Please review the attached documents which include an Excel spreadsheet and abstract form to be submitted as read-aheads to our meeting. Review your grant programs that have been funded in previous years, think about new proposed projects in your FY 2019 budget justification and draft appropriations bills, and schedule your IOAS FOA consultation before the established deadline.

As these consultations will take place prior to the Forecast submission, POs must work on conceptualizing their individual FOAs and activities for the FY. POs will be able to submit their Forecasts in the AM system once the consultation has taken place.

Early next week I will be sending an email regarding the FY 2019/2020 Forecast and FOA process. With this process in place, the discretionary Forecast submission deadline for FY 2019/20 is Friday, October 12, 2018. Mandatory Forecasts and FOAs are due on Monday, October 1, 2018. Please be sure to review the calendar and submit your Forecasts and FOAs within the established deadlines so DGP can complete their review. Timely submission to DGP will ensure that your PO can publish FOAs sooner in the FY to allow additional time to panel applications and for OGM to process awards.

As always, DGP is available to assist POs with any questions they might have on their Forecasts and FOAs. We appreciate everyone's cooperation in meeting the

Can we get a meeting with Lynn to talk about FY 2019 estimates for the UAC program? If possible Weds or Thursday this week would be best since I expect we will get a request from HHS soon. I'm flexible anytime except 2-3 Weds.

The participants would be me, Michelle, Sara Moomaw, Jonathan Hayes, and Scott Lloyd.

Good morning Mr. Hayes,

I'm an attorney at Disability Rights New York, the state's Protection and Advocacy System. I'm writing because I'm hoping to set up a time to speak with you about an issue we've encountered as we've tried to gather information related to a monitoring visit with an ORR-run facility in New York State. I have heard from colleagues that you've been able to help navigate these issues, and am hoping you may have some time this week to discuss? Let me know what's convenient for you.

Thanks so much,

Hello everyone, Following up on our conversation on Wednesday, we would love to have you join the celebration of ACF veterans next week. More details below.

MP

ADMINISTRATION FOR
CHILDREN & FAMILI

Dear ACF Colleagues,

Every year in November we honor our active military and veterans for service to the United States of America today or in the past. I'd like to take a moment to thank all of the men and women of ACF who have bravely served our nation. We all should be reminded that the freedoms we enjoy every minute of every day were defended by the many veterans and active military we work with daily. We are deeply indebted to you for your service.

In my time in public service I am constantly impressed by those of you who come back to public service and continue to serve our

AMERICAN OVERSIGHT

communities, our families, our children and individuals. Here at ACF it is no different. At the central and the regional offices across the country we are grateful for your continued service.

In order to give back to those who have given so much, ACF's Office of Diversity Management and Equal Employment Opportunity is helping to establish an employee resource group for veterans at ACF. The ACF veterans employee resource group will promote veteran employment, professional development, advancement, and community outreach, while working with the agency's policies and goals to support an inclusive and engaged workforce. For additional information about the ACF veterans employee resource group contact via email Tyra Williams Matthews, the Collateral Duty Disability Special Emphasis Program Manager or on (202) 205-8638.

It would be an honor for me to meet more of our ACF current military and veterans. For those in central office, please come by the IOAS Conference Room (4026A) on November 15 between 11:30 a.m. - 12:30 p.m. for a small Veterans Day reception.

Happy Veterans Day.

Sincerely,

Lynn A. Johnson

AMERICAN OVERSIGHT
HHS-18-0681, 19-0275-O-000087

chance to introduce you to our incoming USCCB Committee on Migration chairman, Bishop Mario Dorsonville.

Audience: 160+ Catholic parish members, advocates and direct service providers for immigrants, refugees and human trafficking victims and survivors.

Audience Knowledge Level: Some will have vast knowledge, but the majority have a general level understanding of migration policy and are interested with how that interacts with Catholic Social Teaching.

Goal of Panel: To educate Catholics on what government agencies are working on from first hand sources and experts. Opportunity to hear about the goals and current work of the Administration and hopefully have a carefully-led conversation about where faith-based groups can collaborate as appropriate.

Nature of Content of the Panel: We do not to our knowledge have reporters registered for the conference nor have we advertised to the media. I will begin the panel with a disclaimer requesting all media to self-identify and noting that the panel is off-record and is not for attribution.

Questions from the Audience: No direct questions from the audience will be asked. Instead, moderator will request questions be submitted on index cards to moderator for review. If time remains at the end, moderator will pick an appropriate question from audience.

Format of the Panel:

- **Moderator** Ashley Feasley- opens with initial housekeeping about panel being off-record and format of the panel questions; introduces panelists, and the work of the respective government agencies as well as Catholic partnership **(5- 7 minutes)**
- **Each of the Speakers speak for 12-15 minutes:**
    - **Jonathan Hayes- Acting Director HHS/ORR** speaks about work of HHS/ORR and the populations that HHS/ORR serves; highlights any goals or upcoming important initiatives that are suitable to share with audience **(12-15 minutes)**
    - **Eduardo Sanchez, Assistant Chief, Law Enforcement Operations Directorate DHS/CBP- (12- 15 minutes)** speaks about work of DHS/CBP and the services that CBP provides to our country, as well as highlights any goals or upcoming important initiatives that are suitable to share with audiences; I suggest highlighting on the ground existing collaboration with Catholic and other civil society groups.
- **Questions from the Moderator; (12-15 minutes)**

Good afternoon,

Congratulations on both of your new roles! We were hoping to schedule a meeting with the two of you when we are next in Washington, DC, to discuss the legal services that we provide through our contracts with ORR. Jonathan, I know that we've been at meetings together in the past,

but we'd love an opportunity to touch base with you in your new role and provide some updates about services. Sara, we look forward to meeting with you, sharing the details of our work, and answering any questions you may have as you will now be overseeing our contracts within the Division of Policy.

Oren (Director of our Center on Immigration and Justice) and I will be in DC on December 13. Would you be available to meet with us that day at 11:30am, or any time between 2pm and 4pm? Shaina, who is the UCP Program Director and located in Los Angeles, would join us by phone rather than in person.

We look forward to hearing from you.
