Re: ACF FOIA 19-F-0036 and 19-F-0194 (American Oversight v. U.S. Department of Commerce et. al., Case No. 19-cv-912)

Dear Mr. Evers:

This is the twentieth interim response pertaining to Case No. 19-cv-912 filed April 2, 2019, relating to Freedom of Information Act (FOIA) requests 19-F-0036 and 19-F-0194, submitted to the Administration for Children and Families.

FOIA requests 19-F-0036 and 19-F-0194 seek the following records:

> All calendars or calendar entries for any of the following individuals, including any calendars maintained on behalf of these individuals:
>
> - Scott Lloyd
> - Jonathan Hayes
> - Lynn Johnson
> - Clarence Carter
> - Pedro Moreno
> - Anna Pilato
> - Mary Powers

Enclosed are 90 pages of records that were sent to outside agencies for consult and returned to ACF for release. Some of the information on the disclosed pages has been withheld under the FOIA exemptions (b)(5), (b)(6) and (b)(7)(C).

The exemption (b)(5) protects inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency. The exemption protects agency deliberations, both internal and with agency contractors and consultants, attorney-client privileged records and attorney work product. In this case, the withheld information includes pre-decisional discussions within the agency and between agency staff.

FOIA exemption (b)(6) permits the withholding of records which, if released, would constitute a clearly unwarranted invasion of personal privacy. In this case, the withheld information consists

AMERICAN OVERSIGHT

of the identities and/or other private information of private individuals and the work cell phones and internal email addresses of federal employees. Public disclosure of this information would constitute an invasion of privacy of those individuals whose identifying information was disclosed. In withholding the information, the individual's privacy interest was balanced against any public interest in disclosure. In each instance where information was withheld, it was determined that the individual's privacy interests outweighed any public interest in disclosure of the withheld information. Disclosure of the withheld information would invade the privacy of the subject individuals but would reveal nothing about the operations or activities of the government.

Exemption 7(C) provides protection for law enforcement information the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. The information withheld under (b)(7)(C) includes the names, emails and telephone numbers of law enforcement officers.

We will continue to produce records to you. If you are not satisfied with any aspect of the processing and handling of this request, you may contact the Assistant United States Attorney in the United States Department of Justice who is handling this case for the Department.

Sincerely yours,

for Celeste Smith

Subject: Leadership lab for ACF

Dear Lynn:

Following up on our conversation about the AFI initiative, I'd like to propose a meeting after the holidays with you and two of the Deloitte partners supporting us at *ReImagine HHS*, Tina Mendelson and Wade Horn. The objective of the meeting would be to walk through your priorities and goals for ACF in areas related to self-sufficiency. Then Kara and the ReImagine team can coordinate with you and your team to design a leadership lab that will be most useful to you.

If you like, Deloitte can also do interviews with the leadership group you would like to engage in the session. As a starting template, I've attached the generic version of the type of leadership lab that Deloitte has offered for other divisions, including for our own *ReImagine HHS* team at the beginning of Reimagine.

Potential leadership lab elements to be addressed in the design:

- Build out the high-level change management plan for ACF – for example, the lab could use prior content developed as part of AFI

AMERICAN OVERSIGHT
HHS-18-0681, 19-0275-T-000001

and help identify potential shifts ACF could consider to promote the goal of self-sufficiency, including the role of ACF with regards to inter-departmental Council for Economic Mobility
- Confirm what will it take – the lab would identify immediate next steps on how ACF would approach any organizational transformation or realignment.

Let me know if there is a good time and I will coordinate on our end to set up the meeting, possibly in the first or second week of January. I was planning to keep it small with you and I, Kara (our strategic shift executive for AFI), Tina, and Wade. But of course if you want to add others at this stage, you're certainly free to do so.

Thanks.

I wish you and yours a joyous and restful holiday.

All best wishes,
Charles

In response to my question on October 31, 2018, of whether it would be possible for me to bring a colleague to the hearing to assist me, you stated in your November 1, 2018, email message that no other parties are permitted at the hearing.

I am wondering if there is any way that decision could be reconsidered to permit me to bring one colleague. As you know, this is a very complicated case with a lot going on procedurally and there are many records involved, with quite a large file to refer to during the hearing. I need co-counsel at the table with me to allow me to adequately represent the child at the hearing.

Thank you for your attention to this matter. I would be grateful for your reconsideration.

Best,
Adina

Subject: Meeting with Senate Finance on ORR Questions

Hi all,
Hope everyone is having a good Friday. Senate Finance has suggested Thursday 28th at 3pm. They've requested two hours. Please let me know if this doesn't work for anyone's schedule. Additionally, if you could look at your schedule for Friday and send me a few times that might work just in case, that would be appreciated.

Thanks,
Jordan

Hi Sarah,

This is Jordan from ASL. Jonathan had mentioned you may be able to help us out with a phone briefing on the ORR SOFA announcement from earlier this week on our UAC call tomorrow (March 29) at 1pm. I just wanted to check in and see if you needed anything prior to the call. Commander Jonathan White will also be speaking at the call. We'll be hosting it in the ASL conference room (416G), however there's also a call in. If we could touch base at some point before the call, that would be much appreciated. Thanks for your help!

ASL and ASFR have conferred and are fine with the email notification below, which is the same as first draft. Unless anyone has any edits or objections, ASL will send this notification out in wide circulation to the Hill along with the attached 2019 Spring Recess CODEL Schedule for ORR facilities at 5pm today. Please let me know by 4:15pm today if I should hold on this. My cell number is (b) (6) .

Dear Congressional Staffer,

AMERICAN OVERSIGHT
HHS-18-0681, 19-0275-T-000025

Due to increased interest in facilities funded through HHS's Office of Refugee Resettlement (ORR) that provide shelter and care to Unaccompanied Alien Children (UAC), HHS is pleased to offer Members of Congress an opportunity to tour several ORR shelters during the two recess weeks in April, as well as May 1st. Although HHS is not able to offer funding for member travel, HHS can help arrange these visits for members by making these facilities available for tours on the dates indicated in the attached schedule.

While HHS is making these facilities available for congressional tours, to ensure a facility visit does not interfere with the staff's ability to provide for the safety, well-being, or privacy of UACs, especially during a period of high influx such as the present, please RSVP if your Member of Congress is planning on attending. Due to ORR staff capacity, facilities will be able to accommodate up to 20 individuals per tour during these touring opportunities. Visits will be accommodated on the day of tours on a first come first served basis, with priority given to those who RSVP. Members of Congress will be allowed entry to the facility, along with one accompanying staffer with a valid Congressional ID, however accompanying staffers will be allowed entry as space allows, with priority given to Members of Congress if space is limited. Only Members of Congress and their accompanying staff will be allowed to tour the facility.

We think this would be a unique opportunity to gain insight into the program. To learn more about ORR programs or shelters, please visit: https://www.acf.hhs.gov/orr.

If you have any questions or would like to RSVP for one (or all) of these CODEL Tours, please contact me. Additionally, if your Member of Congress is interested in scheduling a future tour at an ORR funded UAC shelter, please don't hesitate to reach out.

I am adding Toby and Tricia Swartz to this chain. While I understand there may be a desire to keep this to attorneys only, they are the experts on the consular notification issue.

The Policy states as follows:

5.4.1 Notifications to Consulates

How does ORR notify consulates that their citizens are in ORR custody?

- Children from countries requiring Mandatory Notification[1]

If the youth is from a country requiring mandatory notification, the care provider working with their ORR/FFS must notify the child's consulate as soon as practicable. The care provider must notify the consulate even if notification is against the child's wishes. If the youth or child is claiming credible fear or seeking asylum, the care provider must still notify the consulate that the child is in ORR custody; however, under no circumstances should a care provider, ORR/FFS, or other stakeholder notify the consulate that the child is claiming credible fear or seeking asylum.

- Children from countries NOT requiring Mandatory Notification

If the youth is from a country not requiring mandatory notification, the care provider is not required to notify the consulate. However, if a particular consulate or region has made a formal request for standing notification of its citizens, ORR may, in its discretion, instruct the care provider to provide notice on terms agreed to between ORR and the consulate. For example, ORR and a consulate may agree on the frequency of notifications and the

Just got off the 5:30 call and a couple of things: first, the technology and VTC capabilities were wildly successful, due to your hard work; secondly, we are now working on organizing our court mgmt. process. Thank you very much.

The ask of us is to aggressively extend our VTC footprint across UACs locations (80+), DHS Locations and DOJ Courtrooms. The good news is that we designed this to easily extend and test connectivity. The goal is to have VTC capability at all locations, ensure courtroom teams are familiar with technology, and finally to provide support – operating guides & helpdesk, etc.

Here's is what we need;

- ORR – Listing of ALL Locations, Contacts and emails (Jonathan)
- EOIR- Listing of Courtrooms, Contact and emails (Ed So/Bruce)
- DHS- Listing of Locations, Contacts and emails (Ken/Manny)

With this, we can develop a test plan and try "many-to-one" approach and initially check for hardware issues. I am assuming our universal of locations (in total) is no more than a hundred. Nonetheless, if we could start gathering aforementioned data and forward it to Lisa Alsop (Lisa, your reports were awesome).

Let's have a quick call on Monday, thanks

Andrew and Jerry,
Great to chat to this morning and learn more about the work with faith leaders in Evansville and Vanderburgh County to address the challenges in foster care arising from the opioid epidemic.

Below are some of the resources and contacts we discussed on the call.

Indiana Contact and Resources at FSSA
Ben Evans is Director of External Agency Affairs for Indiana Family & Social Services Administration. As a former youth pastor, Ben is well versed in working with faith and community leaders. We connected with Ben around some of his efforts to increase awareness of the challenges related to the Opioid Crisis in Indiana. When we connected with Ben, he mentioned the FSSA Resource guide which is described and linked below along with Ben's contact information.

FSSA Resource Guide- This FSSA resource guide is designed to help providers and community- and-faith-based organizations connect those who are in need with services we provide. It contains information about programs provided and administered by FSSA and gives direction on how Hoosiers qualify to receive assistance from a variety of programs. With greater understanding and awareness of the services FSSA provides, providers, advocates and faith- and humanitarian-based organizations can better employ these services to help rescue Hoosiers in crisis and improve the quality of life for all in our state.

Ben,

I just spoke briefly with Heidi about a foster care issue in Indiana. In short, our state has experienced a recent increase in the number of foster children (likely connected to the opioid epidemic) and a shortage of foster families, specifically in Vanderburgh County.

In the coming days, a group of religious leaders in the county are planning to convene a meeting to discuss how the faith community can help address the shortage and support a community response. I was hoping that my colleague Jerry Parkinson and I might be able to arrange a call with you to learn more about your office and any role your office could play/support you could provide in Indiana.

We're happy to work around your schedule.

Subject: Senate Judiciary Hearing (6/21) - Joint Prep Session

All:

Good morning. In advance of Senate Judiciary's hearing on MS-13/UACs on 21 June, wanted to schedule a joint prep session with witnesses from CBP/ICE/DOJ/HHS. In and around everyone's respective preps for their witnesses, perhaps we can find a time early next week to get everyone on the phone and discuss questions/areas of mutual concern, swim lanes, et cetera. For awareness for our colleagues in DOJ and HHS, CBP and ICE will be providing the following witnesses for the 21 June hearing:

- Matthew Albence – Executive Associate Director, Enforcement and Removal Operations, ICE
- Derek Benner – Acting Executive Associate Director, Homeland Security Investigations, ICE
- Carla Provost – Acting Chief, U.S. Border Patrol, CBP

Can everyone advise of timeframes next Monday through Wednesday that might work for a call? Thanks.

Ladies and Gentleman,

On behalf of Chris Abbott, Deputy Assistant Secretary (Acting), DHS PLCY SPAR/Plans, please see updated invitation below:

SUBJECT: UPDATED Invitation to the Joint Evacuation/Repatriation Collaboration Forum

1. **PURPOSE**: The purpose of this UPDATE is to inform you of changes to the ***Joint Evacuation/Repatriation Collaboration Forum*** scheduled for 30 to 31 July, 2018. **The venue for this event has changed** to the TSA Freedom Center, located in Herndon VA. **The official address of the**

AMERICAN OVERSIGHT
HHS-18-0681, 19-0275-T-000061

Freedom Center is(b) (6) **, Herndon, Virginia 20171.**

2. The original location (National Targeting Center) could not accommodate the event; therefore, we changed the venue to the Freedom Center. Additionally, the Agenda has been extended to allow the Department of State (DOS) and the Department of Defense (DoD) more time to brief their perspective plans and answer potential questions and facilitate discussion. Thus, the **new start time for day one, Tuesday, 30 July 2018 is 10:00 am (1000).**

3. **OBJECTIVE: (No Change)** The objectives of this forum remains to allow Federal Departments/Agencies the opportunity to share information and ideas in a secure environment in order to enhance a 'whole-of-government' approach in the event of a major evacuation/repatriation event occurring with little or no notice. Specific goals include:

a. Promote strategic and operational-level discussions on key areas of the various Evacuation/Repatriation Plans from specific Department/Agency perspective.

b. Improve interagency alignment with the lead and support agencies including the Department of State (DOS), the Department of Health and Human Services (HHS) and the Department of Defense (DoD).

c. Identify potential friction points, seams, gaps, and overlaps and develop solutions to eliminate or mitigate their impact.

4. **GENERAL: (No Change)**

d. This meeting provides a forum for DHS and our Interagency (IA) partners to socialize, brief and align our Evacuation and Repatriation plans from a Whole of Government (WOG) perspective.

e. Identification of seams, gaps and shortfalls in alignment of the various plans will provide an excellent forum for discussion and an opportunity to reinforce the WOG commitment and a unity of effort approach to NEO and Repatriation planning and established Evacuation/Repatriation Plans.
