FOIA Request Number: 2019-02979, 2019-02980 & 2019-02982

Dear Mr. Evers:

This is in response to the above referenced Freedom of Information Act (FOIA) requests. A copy of your requests are attached for reference.

In response to your request, staff located 981 pages of responsive records, which were forwarded to this office for a release determination. After careful review, we determined 3 pages are appropriate for release in full, 962 pages are appropriate for release in part and 16 pages must be withheld in their entirety. Copies of releasable records are attached.

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, records were redacted or withheld in full from disclosure to you under the following exemptions:

(b)(6)
(b)(7)(C)
(b)(7)(F).

An explanation of the FOIA exemptions is attached.

As you are aware, because of the complexity of your requests, the amount of time required to process your requests in their entirety has increased. In an effort to be as responsive to your requests as possible, we are processing the records currently available and will supplement the release as more records become available. Once the final set of records is provided to you, you will receive appeal rights that apply to the entire release, regardless of the date you received the records.

Sincerely,

for

Darrin Howard
Regional Counsel
