RE: Freedom of Information Act Request #19-F-00246:

Dear Mr. Evers:

Thank you for your Freedom of Information Act (FOIA) request seeking “[a]ll calendars or calendar entries for Ann Marie Buerkle, including any calendars maintained on her behalf (e.g., by an administrative assistant).” In that request, you asked the U.S. Consumer Product Safety Commission (CPSC) to, *inter alia*, “not limit your search to Outlook calendars” stating that you wanted “the production of any document—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how these individuals allocate their time on agency business.” The search dates requested were “January 20, 2017, through the date of the search.”

Former Acting Chairman Buerkle’s calendar is made public through the Commission’s website, located at <https://www.cpsc.gov/Newsroom/Public-Calendar>. However, because the CPSC Public Calendar does not contain a list of her interviews and media appearances, enclosed please find records containing those calendar entries. Note: Ms. Buerkle did not conduct agency business using personal devices. She also did not keep an analog work calendar. Telephone numbers and passcodes contained in the attachments were withheld under FOIA Exemption 6 because the disclosure of that information would constitute an unwarranted invasion of personal privacy. *See* 5 U.S.C. 552(b)(6) (exempting from disclosure “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy”).

The Agency proactively discloses a public calendar to shed light on its actions. *See* 5 U.S.C. 552(a)(2)(D). That public calendar contains, *inter alia*, information regarding meetings between the Chair, the Commissioners, and CPSC staff, with all outside parties, whether those meetings are open or closed. *See* 5 U.S.C. 552b; 16 C.F.R. Part 1012.

Beyond the public calendar and the attached documents, entries referencing pre-decisional meetings between former Acting Chairman Buerkle and internal CPSC staff, and other government officials that are contained on former Acting Chairman Buerkle's work calendar are deliberative and as such are withheld pursuant to Exemption 5 of the FOIA, which exempts from disclosure "inter-agency or intra-agency memorandums or letters that would not be available by law to a party other than an agency in litigation with the agency." *See* 5 U.S.C. 552(b)(5); *see also* DEP'T OF JUSTICE, GUIDE TO THE FREEDOM OF INFORMATION ACT, Exemption 5, 12-13 (May 17, 2014) ("The deliberative process privilege is designed to protect the 'decision making processes of government agencies'" and "this privilege protects not merely documents, but also the integrity of the deliberative process itself" such that "even the status of an agency decision within an agency decision making process may be protect[a]ble if the release of that information would have the effect of prematurely disclosing 'the recommended outcome of the consultative process . . . as well as the source of any decision.'") (citations omitted).

The other entries on former Acting Chairman Buerkle's work calendar are personal in nature, do not shed light on any agency actions, reveal the identities of persons having no business before the agency, and are therefore exempt from disclosure under FOIA Exemption 6. *See* 5 U.S.C. 552(b)(6) (exempting from disclosure "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy"); *see also* *Consumer Federal of America v. Dep't of Agric.*, 455 F.3d 283, 293 (D.D.C. 2006) (finding "the personal entries [on officials' calendars] may be redacted") (citing *Bureau of National Affairs v. Dep't of Justice*, 742 F.2d 1484, 1496 (D.C.Cir.1984)).

As requested, please also find enclosed copies of the request for documents (RFD) sent to Ms. Buerkle's office, and copy of their RFD response.

This completes the processing of your request.

Abi,

Attached are the calendar entries for 2018 and through the date of the request (April 24, 2019).

I have removed items that fall into the following categories (which we removed last time for 2017): canceled, compliance calls/meetings, government to government (including Congress and international), internal meetings/calls, logistical information, tickler items, personal items, and anything on the public calendar.

There were a few meetings that for some reason fell off the public calendar, but I sent those to Alberta to be posted so I have removed them from this list.

Let me know if you have any questions or want to discuss.

Thanks,
Katelyn

Hi Katelyn,

Just following up on 19-F-00246 which asks for CHAB's calendar from January 20, 2017 to the date of your search. I have entries from 2017 (you pulled them for 19-F-00079) but would need something similar for 2018 to the date of your search to complete this request. Can you get a spreadsheet of entries to me by Monday, June 3?

Thanks,
Abi
