Toni,

Thanks for getting back to me on the registration. I'm noticing that Mr. Christensen's voter registration does not have a place for a prior address, even in Texas. What is your office's policy for determining if someone is previously registered to vote either in Texas, or another state? You are correct, in the past it did and in 2012 it was changed and now the applications version 2015 has a place for former Count of former residence in Texas not any other state.

Also, did you have a chance to review your correspondence with Ms. Bloodworth for the 2012 pollbook? I did certify that copy, we no longer have the original.

Again, thanks so much for your help. I know I've been persistent in my emails to you. I'm fairly certain we will be headed to trial in this case, and probably fairly quickly, so I'm trying to get everything in order as early as possible so we aren't surprised by anything.

Have a great day.

Hi Ms. Pippins-Poole,

We were looking at Mr. Christensen's Texas voter registration. At the bottom, it says page 1 of 2. Do you happen to have the second page of that? On this particular form, is there any where that the individual can put down his prior registration address? Do you happen to have a blank version of this particular form?

Thanks so much,

Ms. Pippins-Poole,

My e-mail account has been acting up recently. I wanted to make sure you received my emails from 3/2 and 3/7?

Sgt. Cadwell with the Texas Attorney General's office found the original request letter that was sent to your office. It was sent by Jennifer Bloodworth of the Texas Attorney General's office on December 2, 2014 requesting all voter documents of Mr. Christensen pertaining to the 2012 General Election. I've attached the request letter and your communication with Ms. Bloodworth hereto. Please let me know if this request letter is sufficient for you to certify the 2012 pollbook of Mr. Christensen for the 2012 General Election.

We were also looking at Mr. Christensen's Texas voter registration. At the bottom, it says page 1 of 2. Do you happen to have the second page of that? On this particular form, is there any where that the individual can put down his prior registration address? Do you happen to have a blank version of this particular form?

We have already had a First Appearance in this case and have another appearance coming up. I'd like to get a response back as quickly as is as feasible. Again, thanks so much for your assistance in this case. Our agency really appreciates it!

Thank you for getting back with me! I appreciate the information. I've also talked with Boone Cadwell and Mr. White from the Texas Attorney General's Office regarding any originals they may have. Sgt. Cadwell has the original written statement by Defendant.

Since the originals of everything back in 2012, along with his original voter registration application aren't available, Mr. White indicated perhaps you could certify the copies of the documents. Would you be willing to certify copies of that information for the trial (copy of the original voter registration application and vote history)? I've also attached the other document that we would like certified, if at all possible –the 2012 pollbook that Mr. Christensen signed.

I'm trying to get everything ready for a potential trial, so I appreciate all of your help.

Also, I know you mentioned your office didn't have any of the original documents from the General Election of 2012 due to the retention requirements. Do you have any original documents available from Mr. Christensen's file (i.e. his original voter registration application).

We are set for a First Appearance in this case on March 8th – I will keep you updated on the progress of the case.

Do you have the answer to her question below:

We were looking at Mr. Christensen's Texas voter registration. At the bottom, it says page 1 of 2. Do you happen to have the second page of that? On this particular form, is there any where that the individual can put down his prior registration address? Do you happen to have a blank version of this particular form?

I resent the image (attached). It's a two-sided image so page two is the back side of the application.
In response to the second question, in 2015 the state change the VR app to include (now #5) a former residence (form attached). Mr. Christensen completed his application in 2012 and there was no area for former residence.

Sgt. Cadwell with the Texas Attorney General's office found the original request letter that was sent to your office. It was sent by Jennifer Bloodworth of the Texas Attorney General's office on December 2, 2014 requesting all voter documents of Mr. Christensen pertaining to the 2012 General Election. I've attached the request letter and your communication with Ms. Bloodworth hereto. Please let me know if this request letter is sufficient for you to certify the 2012 pollbook of Mr. Christensen for the 2012 General Election.

Thanks so much for your assistance in this case.

Thank you for getting back with me! I appreciate the information. I've also talked with Boone Cadwell and Mr. White from the Texas Attorney General's Office regarding any originals they may have. Sgt. Cadwell has the original written statement by Defendant.

Since the originals of everything back in 2012, along with his original voter registration application aren't available, Mr. White indicated perhaps you could certify the copies of the documents. Would you be willing to certify copies of that information for the trial (copy of the original voter registration application and vote history)? I've also attached the other document that we would like certified, if at all possible –the 2012 pollbook that Mr. Christensen signed.

I'm trying to get everything ready for a potential trial, so I appreciate all of your help.

Thanks so much,

I was recently in contact with you for the Preston Christensen case that we have filed in Shawnee County, KS. I wanted to send you a quick e-mail to see if photo ID was required during the General Election of 2012 in Texas? I may have already asked you that question and apologize if I'm repeating myself.

Also, I know you mentioned your office didn't have any of the original documents from the General Election of 2012 due to the retention requirements. Do you have any original documents available from Mr. Christensen's file (i.e. his original voter registration application).

We are set for a First Appearance in this case on March 8th – I will keep you updated on the progress of the case.

Thanks so much!

Thank you for getting back with me! I appreciate the information. I've also talked with Boone Cadwell and Mr. White from the Texas Attorney General's Office regarding any originals they may have. Sgt. Cadwell has the original written statement by Defendant.

Since the originals of everything back in 2012, along with his original voter registration application aren't available, Mr. White indicated perhaps you could certify the copies of the documents. Would you be willing to certify copies of that information for the trial (copy of the original voter registration application and vote history)? I've also attached the other document that we would like certified, if at all possible –the 2012 pollbook that Mr. Christensen signed.

I was recently in contact with you for the Preston Christensen case that we have filed in Shawnee County, KS. I wanted to send you a quick e-mail to see if photo ID was required during the General Election of 2012 in Texas? I may have already asked you that question and apologize if I'm repeating myself.

Also, I know you mentioned your office didn't have any of the original documents from the General Election of 2012 due to the retention requirements. Do you have any original documents available from Mr. Christensen's file (i.e. his original voter registration application).

We are set for a First Appearance in this case on March 8th – I will keep you updated on the progress of the case.

I believe Sgt Griffith requested the records on her own. I'm in training through Thursday, so I won't have access to the case file, but I can check when I get back to the office on Friday. The case file should contain the original request letter sent to Ms Pippins-Poole. Sorry for the delay!

Hi Mr. White and Sgt. Cadwell,

I've been in communication with Toni Pippins-Poole with the Dallas County Election office. She was wondering who would have been the first to request a copy of that 2012 pollbook that I've attached hereto. I've asked her if it would be possible to get that copy of the pollbook certified. I believe it would have either been someone in our office, or someone from your office. Do you happen to recall if your office requested it or if you received it from us? Normally, I believe our office requests the primary documents first, to see if we think the signatures match, and then we would pass off to a law enforcement agency for investigation. In reading the report, it appears that maybe Patricia Griffith may have requested certified copies originally?

I resent the image (attached). It's a two-sided image so page two is the back side of the application.
In response to the second question, in 2015 the state change the VR app to include (now #5) a former residence (form attached). Mr. Christensen completed his application in 2012 and there was no area for former residence.

Hi Ms. Pippins-Poole,

We were looking at Mr. Christensen's Texas voter registration. At the bottom, it says page 1 of 2. Do you happen to have the second page of that? On this particular form, is there any where that the individual can put down his prior registration address? Do you happen to have a blank version of this particular form?

Thanks so much,

Subject: Criminal case in KS

Thank you for getting back with me! I appreciate the information. I've also talked with Boone Cadwell and Mr. White from the Texas Attorney General's Office regarding any originals they may have. Sgt. Cadwell has the original written statement by Defendant.

Since the originals of everything back in 2012, along with his original voter registration application aren't available, Mr. White indicated perhaps you could certify the copies of the documents. Would you be willing to certify copies of that information for the trial (copy of the original voter registration application and vote history)? I've also attached the other document that we would like certified, if at all possible –the 2012 pollbook that Mr. Christensen signed.

I'm trying to get everything ready for a potential trial, so I appreciate all of your help.

Thanks so much,

Sorry for the delay, We didn't have photo ID in place in 2012. First election was November 2013. I do not have the original application. I have an electronic copy and it is attached.

Let me know should you need additional information.

Thanks

Hi Ms. Pippins-Poole,

I was recently in contact with you for the Preston Christensen case that we have filed in Shawnee County, KS. I wanted to send you a quick e-mail to see if photo ID was required during the General Election of 2012 in Texas? I may have already asked you that question and apologize if I'm repeating myself.

Also, I know you mentioned your office didn't have any of the original documents from the General Election of 2012 due to the retention requirements. Do you have any original documents available from Mr. Christensen's file (i.e. his original voter registration application).

We are set for a First Appearance in this case on March 8th – I will keep you updated on the progress of the case.

Thanks so much!
