RE: FOIA Request #CFPB-2019-0360-F
OMB Request #OMB 19-430

April 16, 2020

Mr. Austin Evers
American Oversight
1030 15th Street NW, Suite B255
Washington, DC 20005

Via email: foia@americanoversight.org

Dear Mr. Evers:

This letter is in final response to your Freedom of Information Act (FOIA) request dated May 20, 2019. Your request sought:

1. All records reflecting communications (including emails, email attachments, text messages, calendar invitations, calendar entries, meeting notices, meeting agendas, and any handwritten or electronic notes taken during any oral communications) between former Director Mick Mulvaney or any person communicating on his behalf, such as schedulers or assistants, and Frank Luntz or any person communicating on his behalf, including any person using an email address ending in @luntzglobal.com. Please produce all responsive records from November 25, 2017 through December 11, 2018.
2. All records reflecting the content of a media training given to former Acting Director Mick Mulvaney by Frank Luntz in Los Angeles in April 2018. Responsive records would include any written communications about the media training, agendas, briefing materials, handwritten notes, or materials exchanged during the training. American Oversight believes that OMB is in the best position to identify the custodians of responsive records. However, we request that OMB search, at a minimum, records by former Acting Director Mick Mulvaney and any person communicating on his behalf, such as schedulers and assistants. Please provide all responsive records from January 1, 2018 through June 1, 2018.
3. All records reflecting actual or projected costs of former Acting Director Mick Mulvaney's trip to Los Angeles beginning on or around April 12, 2018, including air travel, lodging, and security expenses.

consumerfinance.gov

4. All calendar entries showing former Acting Director Mick Mulvaney's schedule during a trip to Los Angeles beginning on or around April 12, 2018, including the dates and times of Mr. Mulvaney's travel to and from Los Angeles and any appointments during the trip.

Regarding items 1, 2 and 4 of your FOIA request, a search of our Director's Front Office and Legal Division for documents responsive to your request produced a total of 87 pages.¹ Of those pages, I have determined that 21 pages of the records are granted in full and 66 pages are granted in part, pursuant to Title 5 U.S.C. § 552 (b)(5) and (b)(6).

Regarding item 3 of your FOIA request, we conducted a reasonable search within the Office of the Chief Financial Officer for records that would be responsive to your request. Unfortunately, we were unable to identify or locate any responsive records to item 3 at this time.

Please be advised the Office of Management and Budget (OMB) was consulted on the release of responsive records that originated with that office, and this consultation was assigned case number #OMB 19-430. Should you need to contact OMB regarding any of its information, please reference this case number.

Exemptions

FOIA Exemption 5 protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege. After carefully reviewing the responsive documents, I determined that portions of the responsive documents qualify for protection under the deliberative process privilege.

- **Deliberative Process Privilege**

The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel.

FOIA Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The types of documents and/or information that we have withheld may consist of telephone numbers, email addresses, home addresses, or various other documents and/or information belonging to a third party that are considered personal. The privacy interests of the individuals in the records you

¹ You should be aware that the FOIA does not require agencies to do research, analyze data, answer questions, or create records in response to your request. have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

Your appeal must be in writing, signed by you or your representative, and should contain the rationale for the appeal. Hi, Ann,

Attendance at this event is being offered to Anthony because of his position at CFPB. (b)(5)

(b)(5)

(b)(5)

I do not know of any exceptions to the gift ban that would permit Anthony to accept the invitation in his official capacity as a Bureau employee.

However, the CFO's office has been delegated the authority to determine whether to accept gifts like Anthony's official attendance at this training on behalf of the Bureau. (b)(5)

(b)(5)

(b)(5) The CFO's Office will decide whether to authorize free attendance for Anthony under one of the applicable statutory authorities. You can reach out to them directly by emailing

(b)(6) If the CFO's Office rejects the invitation, the Bureau could opt to pay for Anthony's attendance.

I do not believe Luntz Global is a registered lobbying organization. In addition, I do not believe Frank Luntz is a registered lobbyist.

I hope this is helpful. Please let me know if you have any other questions or concerns.

Hi, Ann,

Attendance at this event is being offered to Anthony because of his position at CFPB. (b)(5)

(b)(5)

(b)(5) I do not know of any exceptions to the gift ban that would permit Anthony to accept the invitation in his official capacity as a Bureau employee.

However, the CFO's office has been delegated the authority to determine whether to accept gifts like Anthony's official attendance at this training on behalf of the Bureau. (b)(5)

(b)(5)

(b)(5) The CFO's Office will decide whether to authorize free attendance for Anthony under one of the applicable statutory authorities. You can reach out to them directly by emailing

(b)(5) If the CFO's Office rejects the invitation, the Bureau could opt to pay for Anthony's attendance.

I do not believe Luntz Global is a registered lobbying organization. In addition, I do not believe Frank Luntz is a registered lobbyist.

I hope this is helpful. Please let me know if you have any other questions or concerns.
