- c. ICE Health Service Corps
- d. Office of Detention Oversight
- e. Custody Management Office
- f. Detention Management Division
- g. Detention Planning and Acquisitions
- h. Detention Monitoring Unit
- i. Detention Standards Compliance Unit
- j. Office of Acquisition Management

ICE has considered your request under the FOIA, 5 U.S.C. § 552, and a search of the ICE Office of Director has located records that were potentially responsive to your request. For this production ICE reviewed 567 pages of potentially responsive records. ICE has determined that 408 pages of records were duplicative or non-responsive. Therefore, this production consists of 159 pages of responsive records, which have been Bates numbered 2020-ICLI-00030 1238 through 2020-ICLI-00030 1396.

ICE has applied FOIA Exemptions (b)(4), (b)(5), (b)(6), (b)(7)(C), and (b)(7)(E) to portions of the pages produced as described below.

FOIA Exemption 4 protects “trade secrets and commercial or financial information...[that is] privileged or confidential.” Under the new U.S. Supreme Court precedent, *Food Marketing Institute v. Argus Leader Media*, 139 S. Ct. 2356 (2019), information will be deemed “confidential” for the purposes of protection under Exemption 4 “at least where commercial or financial information is both customarily and actually treated as private by its owner and provided to the government under an assurance of privacy.” I have reviewed the responsive documents, the submitter’s objections to release, and relevant case law, and I have determined that portions of the responsive records are exempt

from disclosure under subsection (b)(4) of the FOIA and must be withheld in order to protect the submitter's proprietary interests.

FOIA Exemption 5 protects inter-agency or intra-agency memorandums or letters which not be available by law to a party other than an agency in litigation with the agency. The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel. The attorney work-product privilege protects documents and other memoranda prepared by an attorney in contemplation of litigation. The attorney-client privilege protects confidential communications between an attorney and his client relating to a legal matter for which the client has sought professional advice. It applies to facts divulged by a client to his attorney, and encompasses any opinions given by an attorney to his client based upon, and thus reflecting, those facts, as well as communications between attorneys that reflect client-supplied information. The attorney-client privilege is not limited to the context of litigation.

ICE has applied FOIA Exemptions 6 and 7(C) to protect from disclosure the names, e-mail addresses, and phone numbers of ICE and DHS employees contained within the documents, as well as the names, and other personally identifiable information of other individuals contained within the records.

FOIA Exemption 6 exempts from disclosure information in personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption 7(C) protects records or information compiled for law enforcement purposes when production of such could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interests in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate.

ICE has applied FOIA Exemption 7(E) to protect from disclosure internal agency law enforcement case numbers contained within the document, internal codes used to identify folders in an internal ICE task management system, law enforcement database category codes, and law enforcement techniques.

FOIA Exemption 7(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. The disclosure of certain law enforcement sensitive information contained within the responsive records could reasonably be expected to risk

circumvention of the law. Additionally, the techniques and procedures at issue are not well known to the public.

If you have any questions about this letter, please contact Kirti Reddy, Assistant U.S. Attorney, at (212) 637-2751 or kirti.reddy@usdoj.gov.

Sincerely,

Fernando Pineiro Jr.
(A)FOIA Officer

Below are more detailed summaries of these bills.

HB 2640 – “An Act relating to clarifying that facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings are not essential public facilities under the growth management act”

First introduced 01/16/20 and currently scheduled for public hearing January 28 in the House Committee on Environment and Energy at 3:30PM, HB 2640 modifies current state law in what appears to be an attempt to thwart certain defenses raised by GEO Group’s over the Northwest ICE Processing Center.

Summary of the Bill –

Current law allows for “a process for identifying and siting essential public facilities” and prohibits certain county and local regulations against essential public facilities. HB 2640 would modify the current statute to include the provision: “Essential public facilities do not include facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings but are not used for the primary purpose of punishment, correction, counseling, or rehabilitation following the conviction of a criminal offense, nor for the primary purpose of providing evaluation and treatment, forensic services, mental health services, or medical services.”

HB 2640 further provides that it “applies retroactively to land use actions imposed prior to January 1, 2018, as well as prospectively” and includes an emergency provision which would allow the bill to take effect immediately if passed.

Senate Bill 6375, House Bill 2576, and Senate Bill 6442 – “An Act relating to private detention facilities.”

First introduced 01/15/2020, SB 6375 and HB 2576 are companion bills that contain the same provisions. First introduced on 01/16/2020, SB 6442 is another companion bill that mirrors SB 6375 and HB 2576. SB 6375 and SB 6442 were referred to the Committee for Human Services, Reentry & Rehabilitation and HB 2576 was referred to the Public Safety Committee.

SB 6442 is currently scheduled for public hearing on January 29, 2020, at 8:00 AM. No further action is currently scheduled for SB 6375 and HB 2576.

The stated intent of these bills is “to ensure the safety and welfare of people in Washington state by ending the operation of private detention facilities.”

Summary of the Bills –

These bills provide that, except for limited exceptions, “no person, business, or state or local governmental entity shall operate a private detention facility within the state, or enter into agreements with any local or state government or private organization in any other state providing for the operation of a private detention facility.”

Two exceptions are provided for the general prohibition on private detention facilities.

The first exception is for a private detention facility that is operating pursuant to a valid contract. Such facilities are allowed to remain in effect for the duration of that contract, not to include any extensions or modifications.

A second exception is for certain facilities that 1) provide rehabilitative, counseling, treatment, mental health, educational, or medical services to a juvenile; 2) facilities providing evaluation and treatment or forensic services to a person who has been detained or is subject to an order of commitment by a court pursuant to state law; 3) contracts for exclusively providing ancillary services, including education and medical services, to inmates under the direct supervision of a state agency, local government, or law enforcement agency; 4) certain assisted living facilities, nursing homes, or transition facilities; 5) facilities for quarantining or isolation of persons for public health reasons, or 6) any facility owned or operated by federally recognized tribes and contracting with a government.

The attached are 4 proposed bills that are being aggressively pushed in the state of Washington. This is essentially the same type of language as is in AB32 in California. If passed in March they will be effective 90 days afterwards - looking at a June effective date. There is also a possibility the enactive date could be when it is signed.

This is for your information.

SENATE BILL 6442

State of Washington

66th Legislature

2020 Regular Session

By Senators Saldaña, Wilson, C., Salomon, McCoy, Wellman, Stanford, Hasegawa, Kuderer, Pedersen, Nguyen, Frockt, and Das

Read first time 01/16/20. Referred to Committee on Human Services, Reentry & Rehabilitation.

1 AN ACT Relating to private detention facilities; adding a new
2 chapter to Title 70 RCW; creating new sections; and declaring an
3 emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** It is the intent of the legislature to
6 ensure the safety and welfare of people in Washington state by ending
7 the operation of private detention facilities. The legislature finds
8 that there are numerous documented abuses of people held in private
9 detention facilities in Washington state and elsewhere. The
10 legislature further finds that incarcerating persons in private
11 detention facilities leads to cutting operational costs, which is
12 dangerous and detrimental to Washingtonians. Therefore, it is the
13 purpose of this act to eliminate the use of private detention
14 operations in this state.

15 NEW SECTION. **Sec. 2.** The definitions in this section apply
16 throughout this chapter unless the context clearly requires
17 otherwise.

18 (1) "Detention facility" means any facility in which persons are
19 incarcerated or otherwise involuntarily confined for purposes
20 including prior to trial or sentencing, fulfilling the terms of a

1 sentence imposed by a court, or for other judicial or administrative
2 processes or proceedings.

3 (2) "Private detention facility" means a detention facility that
4 is operated by a private, nongovernmental entity and operating
5 pursuant to a contract or agreement with a federal, state, or local
6 governmental entity.

7 (3) "Operate" includes owning, leasing, managing, or controlling
8 some or all of the functions of a detention facility, regardless of
9 the underlying ownership of the facility or land upon which the
10 facility is located.

11 NEW SECTION. **Sec. 3.** (1) Except as provided in subsections (2)
12 and (3) of this section, no person, business, or state or local
13 governmental entity shall operate a private detention facility within
14 the state, or enter into agreements with any local or state
15 government or private organization in any other state providing for
16 the operation of a private detention facility.

17 (2) A private detention facility that is operating pursuant to a
18 valid contract with a governmental entity that was in effect prior to
19 January 1, 2020, may remain in effect for the duration of that
20 contract, not to include any extensions or modifications made to, or
21 authorized by, that contract.

22 (3) This section does not apply to:

23 (a) Any facility providing rehabilitative, counseling, treatment,
24 mental health, educational, or medical services to a juvenile subject
25 to chapter 13.04 RCW;

26 (b) Any facility providing evaluation and treatment or forensic
27 services to a person who has been detained or is subject to an order
28 of commitment by a court pursuant to chapter 71.05, 10.77, or 71.34
29 RCW;

30 (c) Contracts for exclusively providing ancillary services,
31 including educational, vocational, medical, or other services to an
32 inmate in the custody of, and under the direct supervision of, a
33 state agency, local government, or law enforcement agency;

34 (d) Any facility licensed or required to be licensed pursuant to
35 the following: Assisted living facilities under chapter 18.20 RCW;
36 nursing homes under chapter 18.51 RCW; adult family homes under
37 chapter 70.128 RCW; soldiers' homes under chapter 72.36 RCW;
38 residential habilitation centers under chapter 71A.20 RCW; or secure
39 community transition facilities under chapter 71.09 RCW;

1 (e) Any facility used for the quarantine or isolation of persons
2 for public health reasons pursuant to RCW 43.20.050; and

3 (f) Any facility owned and operated by federally recognized
4 tribes and contracting with a government.

5 NEW SECTION. **Sec. 4.** This act shall be construed liberally for
6 the accomplishment of the purposes thereof.

7 NEW SECTION. **Sec. 5.** This act is necessary for the immediate
8 preservation of the public peace, health, or safety, or support of
9 the state government and its existing public institutions, and takes
10 effect immediately.

11 NEW SECTION. **Sec. 6.** If any provision of this act or its
12 application to any person or circumstance is held invalid, the
13 remainder of the act or the application of the provision to other
14 persons or circumstances is not affected.

15 NEW SECTION. **Sec. 7.** Sections 2 and 3 of this act constitute a
16 new chapter in Title 70 RCW.

5 pursuant to a contract or agreement with a federal, state, or local
6 governmental entity.

7 (3) "Operate" includes owning, leasing, managing, or controlling
8 some or all of the functions of a detention facility, regardless of
9 the underlying ownership of the facility or land upon which the
10 facility is located.

11 NEW SECTION. Sec. 3. (1) Except as provided in subsections (2)
12 and (3) of this section, no person, business, or state or local
13 governmental entity shall operate a private detention facility within
14 the state, or enter into agreements with any local or state
15 government or private organization in any other state providing for
16 the operation of a private detention facility.

17 (2) A private detention facility that is operating pursuant to a
18 valid contract with a governmental entity that was in effect prior to
19 January 1, 2020, may remain in effect for the duration of that
20 contract, not to include any extensions or modifications made to, or
21 authorized by, that contract.

22 (3) This section does not apply to:

23 (a) Any facility providing rehabilitative, counseling, treatment,
24 mental health, educational, or medical services to a juvenile subject
25 to chapter 13.04 RCW;

26 (b) Any facility providing evaluation and treatment or forensic
27 services to a person who has been detained or is subject to an order
28 of commitment by a court pursuant to chapter 71.05, 10.77, or 71.34
29 RCW;

30 (c) Contracts for exclusively providing ancillary services,
31 including educational, vocational, medical, or other services to an
32 inmate in the custody of, and under the direct supervision of, a
33 state agency, local government, or law enforcement agency;

34 (d) Any facility licensed or required to be licensed pursuant to
35 the following: Assisted living facilities under chapter 18.20 RCW;
36 nursing homes under chapter 18.51 RCW; adult family homes under
37 chapter 70.128 RCW; soldiers' homes under chapter 72.36 RCW;
38 residential habilitation centers under chapter 71A.20 RCW; or secure
39 community transition facilities under chapter 71.09 RCW;

1 (e) Any facility used for the quarantine or isolation of persons
2 for public health reasons pursuant to RCW 43.20.050; and

3 (f) Any facility owned and operated by federally recognized
4 tribes and contracting with a government.

5 NEW SECTION. **Sec. 4.** This act shall be construed liberally for
6 the accomplishment of the purposes thereof.

7 NEW SECTION. **Sec. 5.** This act is necessary for the immediate
8 preservation of the public peace, health, or safety, or support of
9 the state government and its existing public institutions, and takes
10 effect immediately.

11 NEW SECTION. **Sec. 6.** If any provision of this act or its
12 application to any person or circumstance is held invalid, the
13 remainder of the act or the application of the provision to other
14 persons or circumstances is not affected.

15 NEW SECTION. **Sec. 7.** Sections 2 and 3 of this act constitute a
16 new chapter in Title 70 RCW.

HOUSE BILL 2576

State of Washington

66th Legislature

2020 Regular Session

By Representatives Ortiz-Self, Gregerson, Doglio, Pettigrew, Santos, Peterson, Lekanoff, Ryu, Pollet, Valdez, Thai, Macri, Fitzgibbon, Dolan, Davis, J. Johnson, Walen, Frame, Ormsby, and Riccelli

Read first time 01/15/20. Referred to Committee on Public Safety.

1 AN ACT Relating to private detention facilities; adding a new
2 chapter to Title 70 RCW; creating new sections; and declaring an
3 emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** It is the intent of the legislature to
6 ensure the safety and welfare of people in Washington state by ending
7 the operation of private detention facilities. The legislature finds
8 that there are numerous documented abuses of people held in private
9 detention facilities in Washington state and elsewhere. The
10 legislature further finds that incarcerating persons in private
11 detention facilities leads to cutting operational costs, which is
12 dangerous and detrimental to Washingtonians. Therefore, it is the
13 purpose of this act to eliminate the use of private detention
14 operations in this state.

15 NEW SECTION. **Sec. 2.** The definitions in this section apply
16 throughout this chapter unless the context clearly requires
17 otherwise.

18 (1) "Detention facility" means any facility in which persons are
19 incarcerated or otherwise involuntarily confined for purposes
20 including prior to trial or sentencing, fulfilling the terms of a

1 sentence imposed by a court, or for other judicial or administrative
2 processes or proceedings.

3 (2) "Private detention facility" means a detention facility that
4 is operated by a private, nongovernmental entity and operating
5 pursuant to a contract or agreement with a federal, state, or local
6 governmental entity.

7 (3) "Operate" includes owning, leasing, managing, or controlling
8 some or all of the functions of a detention facility, regardless of
9 the underlying ownership of the facility or land upon which the
10 facility is located.

11 NEW SECTION. **Sec. 3.** (1) Except as provided in subsections (2)
12 and (3) of this section, no person, business, or state or local
13 governmental entity shall operate a private detention facility within
14 the state, or enter into agreements with any local or state
15 government or private organization in any other state providing for
16 the operation of a private detention facility.

17 (2) A private detention facility that is operating pursuant to a
18 valid contract with a governmental entity that was in effect prior to
19 January 1, 2020, may remain in effect for the duration of that
20 contract, not to include any extensions or modifications made to, or
21 authorized by, that contract.

22 (3) This section does not apply to:

23 (a) Any facility providing rehabilitative, counseling, treatment,
24 mental health, educational, or medical services to a juvenile subject
25 to chapter 13.04 RCW;

26 (b) Any facility providing evaluation and treatment or forensic
27 services to a person who has been detained or is subject to an order
28 of commitment by a court pursuant to chapter 71.05, 10.77, or 71.34
29 RCW;

30 (c) Contracts for exclusively providing ancillary services,
31 including educational, vocational, medical, or other services to an
32 inmate in the custody of, and under the direct supervision of, a
33 state agency, local government, or law enforcement agency;

34 (d) Any facility licensed or required to be licensed pursuant to
35 the following: Assisted living facilities under chapter 18.20 RCW;
36 nursing homes under chapter 18.51 RCW; adult family homes under
37 chapter 70.128 RCW; soldiers' homes under chapter 72.36 RCW;
38 residential habilitation centers under chapter 71A.20 RCW; or secure
39 community transition facilities under chapter 71.09 RCW;

1 (e) Any facility used for the quarantine or isolation of persons
2 for public health reasons pursuant to RCW 43.20.050; and

3 (f) Any facility owned and operated by federally recognized
4 tribes and contracting with a government.

5 NEW SECTION. **Sec. 4.** This act shall be construed liberally for
6 the accomplishment of the purposes thereof.

7 NEW SECTION. **Sec. 5.** This act is necessary for the immediate
8 preservation of the public peace, health, or safety, or support of
9 the state government and its existing public institutions, and takes
10 effect immediately.

11 NEW SECTION. **Sec. 6.** If any provision of this act or its
12 application to any person or circumstance is held invalid, the
13 remainder of the act or the application of the provision to other
14 persons or circumstances is not affected.

15 NEW SECTION. **Sec. 7.** Sections 2 and 3 of this act constitute a
16 new chapter in Title 70 RCW.

HOUSE BILL 2640

State of Washington

66th Legislature

2020 Regular Session

By Representatives Fey, Kirby, Doglio, Fitzgibbon, Orwall, Gregerson, Valdez, Peterson, and Ryu

Read first time 01/16/20. Referred to Committee on Environment & Energy.

1 AN ACT Relating to clarifying that facilities that are operated
2 by a private entity in which persons are detained in custody under
3 process of law pending the outcome of legal proceedings are not
4 essential public facilities under the growth management act; amending
5 RCW 36.70A.200; creating a new section; and declaring an emergency.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 **Sec. 1.** RCW 36.70A.200 and 2013 c 275 s 5 are each amended to
8 read as follows:

9 (1) The comprehensive plan of each county and city that is
10 planning under RCW 36.70A.040 shall include a process for identifying
11 and siting essential public facilities. Essential public facilities
12 include those facilities that are typically difficult to site, such
13 as airports, state education facilities and state or regional
14 transportation facilities as defined in RCW 47.06.140, regional
15 transit authority facilities as defined in RCW 81.112.020, state and
16 local correctional facilities, solid waste handling facilities, and
17 inpatient facilities including substance abuse facilities, mental
18 health facilities, group homes, and secure community transition
19 facilities as defined in RCW 71.09.020. Essential public facilities
20 do not include facilities that are operated by a private entity in
21 which persons are detained in custody under process of law pending

1 the outcome of legal proceedings but are not used for the primary
2 purpose of punishment, correction, counseling, or rehabilitation
3 following the conviction of a criminal offense, nor for the primary
4 purpose of providing evaluation and treatment, forensic services,
5 mental health services, or medical services.

6 (2) Each county and city planning under RCW 36.70A.040 shall, not
7 later than September 1, 2002, establish a process, or amend its
8 existing process, for identifying and siting essential public
9 facilities and adopt or amend its development regulations as
10 necessary to provide for the siting of secure community transition
11 facilities consistent with statutory requirements applicable to these
12 facilities.

13 (3) Any city or county not planning under RCW 36.70A.040 shall,
14 not later than September 1, 2002, establish a process for siting
15 secure community transition facilities and adopt or amend its
16 development regulations as necessary to provide for the siting of
17 such facilities consistent with statutory requirements applicable to
18 these facilities.

19 (4) The office of financial management shall maintain a list of
20 those essential state public facilities that are required or likely
21 to be built within the next six years. The office of financial
22 management may at any time add facilities to the list.

23 (5) No local comprehensive plan or development regulation may
24 preclude the siting of essential public facilities.

25 (6) No person may bring a cause of action for civil damages based
26 on the good faith actions of any county or city to provide for the
27 siting of secure community transition facilities in accordance with
28 this section and with the requirements of chapter 12, Laws of 2001
29 2nd sp. sess. For purposes of this subsection, "person" includes, but
30 is not limited to, any individual, agency as defined in RCW
31 42.17A.005, corporation, partnership, association, and limited
32 liability entity.

33 (7) Counties or cities siting facilities pursuant to subsection
34 (2) or (3) of this section shall comply with RCW 71.09.341.

35 (8) The failure of a county or city to act by the deadlines
36 established in subsections (2) and (3) of this section is not:

37 (a) A condition that would disqualify the county or city for
38 grants, loans, or pledges under RCW 43.155.070 or 70.146.070;

39 (b) A consideration for grants or loans provided under RCW
40 43.17.250(3); or

1 (c) A basis for any petition under RCW 36.70A.280 or for any
2 private cause of action.

3 NEW SECTION. **Sec. 2.** This act applies retroactively to land use
4 actions imposed prior to January 1, 2018, as well as prospectively.

5 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
6 preservation of the public peace, health, or safety, or support of
7 the state government and its existing public institutions, and takes
8 effect immediately.

(b)(5)

HB 2640 – “An Act relating to clarifying that facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings are not essential public facilities under the growth management act”

First introduced 01/16/20 and currently scheduled for public hearing January 28 in the House Committee on Environment and Energy at 3:30PM, HB 2640 modifies current state law in what appears to be an attempt to thwart certain defenses raised by GEO Group’s over the Northwest ICE Processing Center.

Summary of the Bill –

Current law allows for “a process for identifying and siting essential public facilities” and prohibits certain county and local regulations against essential public facilities. HB 2640 would modify the current statute to include the provision: “Essential public facilities do not include facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings but are not used for the primary purpose of punishment, correction, counseling, or rehabilitation following the conviction of a criminal offense, nor for the primary purpose of providing evaluation and treatment, forensic services, mental health services, or medical services.”

HB 2640 further provides that it “applies retroactively to land use actions imposed prior to January 1, 2018, as well as prospectively” and includes an emergency provision which would allow the bill to take effect immediately if passed.

(b)(5)

Senate Bill 6375, House Bill 2576, and Senate Bill 6442 – “An Act relating to private detention facilities.”

First introduced 01/15/2020, SB 6375 and HB 2576 are companion bills that contain the same provisions. First introduced on 01/16/2020, SB 6442 is another companion bill that mirrors SB 6375 and HB 2576. SB 6375 and SB 6442 were referred to the Committee for Human Services, Reentry & Rehabilitation and HB 2576 was referred to the Public Safety Committee.

SB 6442 is currently scheduled for public hearing on January 29, 2020, at 8:00 AM. No further action is currently scheduled for SB 6375 and HB 2576.

The stated intent of these bills is “to ensure the safety and welfare of people in Washington state by ending the operation of private detention facilities.”

Summary of the Bills –

These bills provide that, except for limited exceptions, “no person, business, or state or local governmental entity shall operate a private detention facility within the state, or enter into agreements with any local or state government or private organization in any other state providing for the operation of a private detention facility.”

Two exceptions are provided for the general prohibition on private detention facilities.

The first exception is for a private detention facility that is operating pursuant to a valid contract. Such facilities are allowed to remain in effect for the duration of that contract, not to include any extensions or modifications.

A second exception is for certain facilities that 1) provide rehabilitative, counseling, treatment, mental health, educational, or medical services to a juvenile; 2) facilities providing evaluation and treatment or forensic services to a person who has been detained or is subject to an order of commitment by a court pursuant to state law; 3) contracts for exclusively providing ancillary services, including education and medical services, to inmates under the direct supervision of a state agency, local government, or law enforcement agency; 4) certain assisted living facilities, nursing homes, or transition facilities; 5) facilities for quarantining or isolation of persons for public health reasons, or 6) any facility owned or operated by federally recognized tribes and contracting with a government.

(b)(5)

Public hearings on SB 6442 and HB 2650 are currently scheduled for January 28 and 29th. From there, the bills could be tabled, set aside for input or changes over the next days or weeks, or passed on to Rules and eventually a floor vote. This can happen rapidly, especially because this is not a fiscal year (budget year for WA). The legislative session is shorter. The 2020 WA legislative calendar says that February 19 is the last day for a committee to pass bills in the house of origin and March 12, 2020, is the last day of the session for the year. If enacted in this legislative session, the bills would have move, first through the committee then through the house, by those dates.

(b)(5)

(b)(5)

OPLA Seattle will monitor the progress of these bills. (b)(6); (b)(7)(C) will be the local POCs.

Thank you,

Subject: RE: Washington State Bills

(b)(6);
(b)(7)(C)

The Washington state legislature is currently considering several bills that could have a significant impact on immigration detention in the AOR. House bill 2640 appears designed to remove certain legal defenses in litigation by GEO Group over the Northwest ICE Processing Center. Senate Bill 6375, House Bill 2576, and Senate Bill 6442 are all companion bills that mirror each other in language. If passed, they would prohibit private detention facilities in Washington state with only limited exceptions.

Below are more detailed summaries of these bills.

HB 2640 – “An Act relating to clarifying that facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings are not essential public facilities under the growth management act”

First introduced 01/16/20 and currently scheduled for public hearing January 28 in the House Committee on Environment and Energy at 3:30PM, HB 2640 modifies current state law in what appears to be an attempt to thwart certain defenses raised by GEO Group’s over the Northwest ICE Processing Center.

Summary of the Bill –

Current law allows for “a process for identifying and siting essential public facilities” and prohibits certain county and local regulations against essential public facilities. HB 2640 would modify the current statute to include the provision: “Essential public facilities do not include facilities that are operated by a private entity in which persons are detained in custody under process of law pending the outcome of legal proceedings but are not used for the primary purpose of punishment, correction, counseling, or rehabilitation following the conviction of a criminal offense, nor for the primary purpose of providing evaluation and treatment, forensic services, mental health services, or medical services.”

HB 2640 further provides that it “applies retroactively to land use actions imposed prior to January 1, 2018, as well as prospectively” and includes an emergency provision which would allow the bill to take effect immediately if passed.

(b)(5)

Senate Bill 6375, House Bill 2576, and Senate Bill 6442 – “An Act relating to private detention facilities.”

First introduced 01/15/2020, SB 6375 and HB 2576 are companion bills that contain the same provisions. First introduced on 01/16/2020, SB 6442 is another companion bill that mirrors SB 6375 and HB 2576. SB 6375 and SB 6442 were referred to the Committee for Human Services, Reentry & Rehabilitation and HB 2576 was referred to the Public Safety Committee.

SB 6442 is currently scheduled for public hearing on January 29, 2020, at 8:00 AM. No further action is currently scheduled for SB 6375 and HB 2576.

The stated intent of these bills is “to ensure the safety and welfare of people in Washington state by ending the operation of private detention facilities.”

Summary of the Bills –

These bills provide that, except for limited exceptions, “no person, business, or state or local governmental entity shall operate a private detention facility within the state, or enter into agreements with any local or state government or private organization in any other state providing for the operation of a private detention facility.”

Two exceptions are provided for the general prohibition on private detention facilities.

The first exception is for a private detention facility that is operating pursuant to a valid contract. Such facilities are allowed to remain in effect for the duration of that contract, not to include any extensions or modifications.

A second exception is for certain facilities that 1) provide rehabilitative, counseling, treatment, mental health, educational, or medical services to a juvenile; 2) facilities providing evaluation and treatment or forensic services to a person who has been detained or is subject to an order of commitment by a court pursuant to state law; 3) contracts for exclusively providing ancillary services, including education and medical services, to inmates under the direct supervision of a state agency, local government, or law enforcement agency; 4) certain assisted living facilities, nursing homes, or transition facilities; 5) facilities for quarantining or isolation of persons for public health reasons, or 6) any facility owned or operated by federally recognized tribes and contracting with a government.

SENATE BILL 6442

State of Washington

66th Legislature

2020 Regular Session

By Senators Saldaña, Wilson, C., Salomon, McCoy, Wellman, Stanford, Hasegawa, Kuderer, Pedersen, Nguyen, Frockt, and Das

Read first time 01/16/20. Referred to Committee on Human Services, Reentry & Rehabilitation.

1 AN ACT Relating to private detention facilities; adding a new
2 chapter to Title 70 RCW; creating new sections; and declaring an
3 emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** It is the intent of the legislature to
6 ensure the safety and welfare of people in Washington state by ending
7 the operation of private detention facilities. The legislature finds
8 that there are numerous documented abuses of people held in private
9 detention facilities in Washington state and elsewhere. The
10 legislature further finds that incarcerating persons in private
11 detention facilities leads to cutting operational costs, which is
12 dangerous and detrimental to Washingtonians. Therefore, it is the
13 purpose of this act to eliminate the use of private detention
14 operations in this state.

15 NEW SECTION. **Sec. 2.** The definitions in this section apply
16 throughout this chapter unless the context clearly requires
17 otherwise.

18 (1) "Detention facility" means any facility in which persons are
19 incarcerated or otherwise involuntarily confined for purposes
20 including prior to trial or sentencing, fulfilling the terms of a

1 sentence imposed by a court, or for other judicial or administrative
2 processes or proceedings.

3 (2) "Private detention facility" means a detention facility that
4 is operated by a private, nongovernmental entity and operating
5 pursuant to a contract or agreement with a federal, state, or local
6 governmental entity.

7 (3) "Operate" includes owning, leasing, managing, or controlling
8 some or all of the functions of a detention facility, regardless of
9 the underlying ownership of the facility or land upon which the
10 facility is located.

11 NEW SECTION. **Sec. 3.** (1) Except as provided in subsections (2)
12 and (3) of this section, no person, business, or state or local
13 governmental entity shall operate a private detention facility within
14 the state, or enter into agreements with any local or state
15 government or private organization in any other state providing for
16 the operation of a private detention facility.

17 (2) A private detention facility that is operating pursuant to a
18 valid contract with a governmental entity that was in effect prior to
19 January 1, 2020, may remain in effect for the duration of that
20 contract, not to include any extensions or modifications made to, or
21 authorized by, that contract.

22 (3) This section does not apply to:

23 (a) Any facility providing rehabilitative, counseling, treatment,
24 mental health, educational, or medical services to a juvenile subject
25 to chapter 13.04 RCW;

26 (b) Any facility providing evaluation and treatment or forensic
27 services to a person who has been detained or is subject to an order
28 of commitment by a court pursuant to chapter 71.05, 10.77, or 71.34
29 RCW;

30 (c) Contracts for exclusively providing ancillary services,
31 including educational, vocational, medical, or other services to an
32 inmate in the custody of, and under the direct supervision of, a
33 state agency, local government, or law enforcement agency;

34 (d) Any facility licensed or required to be licensed pursuant to
35 the following: Assisted living facilities under chapter 18.20 RCW;
36 nursing homes under chapter 18.51 RCW; adult family homes under
37 chapter 70.128 RCW; soldiers' homes under chapter 72.36 RCW;
38 residential habilitation centers under chapter 71A.20 RCW; or secure
39 community transition facilities under chapter 71.09 RCW;

1 (e) Any facility used for the quarantine or isolation of persons
2 for public health reasons pursuant to RCW 43.20.050; and

3 (f) Any facility owned and operated by federally recognized
4 tribes and contracting with a government.

5 NEW SECTION. **Sec. 4.** This act shall be construed liberally for
6 the accomplishment of the purposes thereof.

7 NEW SECTION. **Sec. 5.** This act is necessary for the immediate
8 preservation of the public peace, health, or safety, or support of
9 the state government and its existing public institutions, and takes
10 effect immediately.

11 NEW SECTION. **Sec. 6.** If any provision of this act or its
12 application to any person or circumstance is held invalid, the
13 remainder of the act or the application of the provision to other
14 persons or circumstances is not affected.

15 NEW SECTION. **Sec. 7.** Sections 2 and 3 of this act constitute a
16 new chapter in Title 70 RCW.

Team,

Issue: San Antonio local CBS affiliate reporter (b)(6); (b)(7)(C) filed a request stating a former ICE detainee has is alleging negative treatment by staff, poor health conditions including wellness and diet, unsanitary conditions, and a so called 'punishment' isolation room that adversely affects detainee's scheduled hearings with immigration judges. The reporter extended his deadline to today since he originally only provided a couple hours for ICE to respond.

PAO would like to issue by 5:00p.m. Eastern Time

REPORTER'S QUESTIONS AND DRAFT ICE RESPONSES: (Approved by ERO San Antonio)

- **How does ICE respond to such complaints?** All complaints are promptly addressed and resolved per ICE policy.
- **How much money does CCA receive to detain immigrants** CoreCivic receives a daily rate per ICE detainee.
- **Have there been previous reports/complaints about CCA?** Any minor complaints that have been reported have been promptly addressed and resolved per ICE policy.

- **How often does ICE visit these facilities?** ICE personnel are actively on site at the CoreCivic - Laredo Processing Center, at least five days each week.

- **What does the inspection entail?** The CoreCivic - Laredo Processing Center is annually inspected in accordance with ICE's initial 38 National Detention Standards that entail detainee services, security & control, and health services. These standards were introduced to facilitate consistent conditions of confinement and accountability.

Some follow up questions for CCA are:

- **What's CCA's protocol when receiving a complaint?** With the exception of emergency grievances, detainees are required to utilize the informal resolution process concerning questions, disputes, or complaints prior to the submission of a formal grievance. The total time for the informal resolution process will be no more than fifteen calendar days from the date the 14-5A was submitted through the date the response was presented to the inmate/resident, unless unusual circumstances are present. If an inmate/resident is not satisfied with the results of the informal resolution process, the inmate/resident may file a formal grievance within five days of the informal resolution response. If the detainee is not satisfied with the formal grievance response they can appeal the decision through the facility Warden.

- **What is the procedure /schedule for detainees during their stay?** Detainees are served breakfast at approximately 06:00 am, Lunch at approximately 11:00 am, and dinner at approximately 5:00 pm. Detainees are afforded 1 hour outdoor recreational activities every day. Detainees are also provided with indoor recreation (i.e. board games and television viewing). Medical, telephone, and religious services are afforded to the detainees through the day. Attorney and family visitations are also provided throughout the day. The day concludes at 10:30 pm Sunday through Thursday or 01:00 am on Friday, Saturday, and Holidays.

- **What type of meals are offered?** The facility provides all detainee population with three hot meals a day. Each meal is specifically designed to provide a 2,000 caloric intake per person. The facility provides a variety of meals that are placed on a 5 week rotation schedule that is reviewed and approved by a certified dietician. These menus are also reviewed and approved by CoreCivic Administrators and ICE Supervisors.

- **Who and how long does a person stay in isolation for "punishment"?** The facility does not utilize any punishment activities. In cases where a detainee may violate a facility policy, the detainee may receive restrictive housing upon conclusion of going through the due process of the disciplinary hearing which includes a thorough investigation and/or review.

- **Have there been complaints by detainees in the past?** Yes, but all complaints by detainees have been properly addressed and resolved as per CoreCivic policy and ICE Standard requirements.

- **How does CCA ensure confidentiality and protect detainees so they are free to make a complaint?** Detainees are informed of the process of submitting a complaint via the different

channels available to ensure confidentiality in every complaint submitted. Detainees are informed that any complaint is to be submitted in a locked box inside the dormitories to which only the grievance officer has the key and access to.

EXTERNAL- ON BACKGROUND

ICE ensures its facilities meet the required detention standards. ICE provides several levels of oversight in order to ensure that detainees in ICE custody reside in safe, secure and humane environments.

ICE also takes very seriously the health, safety and welfare of those in our care. The agency is committed to ensuring that individuals in our custody receive timely and appropriate medical treatment. ICE's detention standards are designed to provide access to quality medical health care for all detainees.

As an agency, ICE is charged with administrative civil detention, meaning that ICE cannot hold individuals for punitive reasons. Individuals who come into ICE custody can only be detained for the purpose of detaining and removing from the country. ICE makes custody determinations in accordance with U.S. law and DHS policy. ICE uses a variety of detention models to meet agency detention needs and maintain detention standards, while achieving the most cost effective use of taxpayer funds.

ICE detainees are housed in a variety of facilities across the United States, including but not limited to ICE-owned-and-operated facilities; private, local, county or state facilities contracted through Intergovernmental Service Agreements; and contractor-owned-and-operated facilities.

Through a multi-layered inspections program, ICE seeks to ensure its facilities meet a certain threshold of care as outlined in our contracts with facilities as well as the National Detention Standards and the Performance Based National Detention Standards (PBNDS). ICE oversight helps ensure that detainees in ICE custody reside in safe, secure, and humane environments and under appropriate conditions of confinement. Oversight is provided by on-site Detention Service Managers employed by ICE, the ICE Enforcement and Removal Operations' Detention Standards Compliance Unit, the ICE Office of Detention Oversight, and the DHS Office of Civil Rights and Civil Liberties, all of whom have open access to ICE detention facilities.

INTERNAL- BACKGROUND ON DETAINEE MAKING THE ALLEGATIONS

The detainee claiming all of the unsupported allegations is (b)(6); (b)(7)(C) (b)(6); (b)(7)(C) was arrested by McAllen Border Patrol on April 26, 2017, was served with a Notice to Appear, and transferred to our custody that same day. (b)(6); (b)(7)(C) was released after the posting of a \$10,000 bond that was granted by an Immigration Judge on June 21, 2017.

(b)(6); (b)(7)(C) as been granted three (3) previous Voluntary Returns in 2000. (b)(6); (b)(7)(C) was encountered at the Hidalgo County Jail in 2015 after her arrest for Injury to Child/Elderly/ Disabled with Intent of Bodily Injury, however, she was released under prosecutorial discretion due to having no convictions. It looks like this Injury charge was later No Billed by a jury.

Subject: Re: Request for comment/information CCA - ICE responds

Hi (b)(6); (b)(7)(C) [REDACTED]

The reason why I didn't provide the name and number is because this person fears retaliation. There are still pending hearings on the individual's case. The person did show us the ID

provided by the facility and other corroborating information. The individual decided to speak out and talk to us in order to denounce conditions at CCA in Laredo.

The claims allegedly happened between April and June inside the female section of the facility for lower level detainees (blue color).

I've typed up more detailed claims for both you and CCA's consideration:

SANITATION

- Many hairs cooked in the food, such as eggs.
- The showers constantly clogged, poor drainage
- Toilets had bugs crawling from the bowl
- One lady in the kitchen handling food had visible lesions on her arms

FACILITY

- Roof leaked causing some flooding in the dormitories
- Detainee had 2 changes of clothes a week

HEALTH

- Detainee reported a cold/fever but did not receive treatment until 2 days later
- Not enough access to drinking water. Detainees resort to collect water from the shower and boil it with the coffee maker to drink later. "Kool-aid" given to them was from tap water and without sugar.

PREPARING FOR ICE VISITS

- CCA would send a cleanup team to fix toilets and showers ahead of ICE visit. Replaced some old shoes for new ones. Had one detainee who knew how to sew to patch up uniforms.
- Detainee was not well nourished, she said, with a lack of sleep, but was then given 3 doses of iron to help improve their physical appearance before ICE showed up for inspection.

TREATMENT

- Bologna sandwiches were given out with frozen meat.
- Detainees celebrated "Wednesday chicken day" when they would get to eat boiled chicken with a little bit of pepper. Detainees told to behave or they wouldn't get "Wednesday Chicken"

- Personnel would tease other non-Spanish speaking foreigners, i.e. Asian people called "Jackie Chan" and "China".
- Staff had no consideration for sleep hours making noise, calling on detainees at any hour of the night yelling their names.
- Detainees who work at the center are paid 1-2 dollars for work there. "how is it possible, if one doesn't have documents to work outside, how is it possible that one can work here for just one dollar. To sweep, mop, clean bathrooms and showers 3 times a day," she said.
- Threatened to be placed in isolation if she didn't eat or end her depression, isolation she says, requires a person to be naked. "they put you in a punishment room if you are depressed, if you don't eat." "people that would be sent to punishment, they would have to spend a month in there." "those who are sent to the punishment room, if you have a court hearing, the hearing is suspended until you are let out and then have to reschedule a hearing."
- Personnel would eat fast food and slurp sodas in front of detainees and not respond to requests or attend to detainees until they were done with their meal/drink. .
- Had put in a request a month before her release to have access to the library, and that request was never approved.
- At one point, when she had her period, she says she let the nurse know that she had a heavy discharge and needed additional feminine pads. The woman said other detainees collected some pads for her. The nurse questioned where she had obtained more pads and reprimanded her for it and told her she had to prove that she was on her period by going into a room to remove her bloody pad and show it to one of the guards, who would then confirm to the nurse that it was a true complaint.

Again, these are some of the claims the woman made about her stay.

Some follow up questions for CCA are:

- What's CCA's protocol when receiving a complaint?
- What is the procedure /schedule for detainees during their stay?
- What type of meals are offered?
- Who and how long does a person stay in isolation for "punishment"?
- Have there been complaints by detainees in the past?
- How does CCA ensure confidentiality and protect detainees so they are free to make a complaint?

Follow up questions for ICE:

- How does ICE respond to such complaints?
- How much money does CCA receive to detain immigrants
- Have there been previous reports/complaints about CCA?
- How often does ICE visit these facilities?
- What does the inspection entail?

We understand this is quite a bit to process for a 3pm deadline, or even a deadline for today. You may provide a general response while a more detailed response is prepared for consideration of the report.

I've copied my supervisors on the email for their notification as well.

Also, I've attached a blurred out copy of the woman's ID issued by CCA during her detention.

Thank you.

Hello (b)(6); (b)(7)(C)

My name is (b)(6); (b)(7)(C) news reporter for KENS 5 CBS San Antonio.

We're doing a story on a former detainee held at the Laredo Detention Center after being taken by Border Patrol in the Rio Grande Valley. This person was released on bond a few days ago and spoke to us about conditions of the facility. Specifically negative detainee treatment by staff, poor health conditions including wellness and diet, unsanitary conditions, and a so called 'punishment' isolation room that adversely affects detainee's scheduled hearings with immigration judges.

This person also tells us that the facility staff only perform adequately when they know ICE is scheduled to visit. I've copied the ICE spokesperson to this email to make them aware of the complaint and also request a response to these claims.

My deadline to turn this story is 3pm today.

Thank you.

CLEARED BY ERO DEN FOD

ISSUE:

The Denver Post is asking about the GEO detention center, detention centers in general and has requested nationwide stats for an article on Casa de Paz “a house that offers a place to stay to recently released detainees” in Denver.

REPORTER’S QUESTIONS AND DRAFT ICE RESPONSES:

How many beds at the detention center in Aurora?

Since the detention facility in Aurora, CO, is run by the GEO Group, this information should be supplied by this organization: media@geogroup.com

How many people are released on average each day? Week?

This number varies.

How many people are currently detained in Aurora?

576 detainees were detained in the Aurora facility, as of July 1, 2017.

How many detention centers does ICE operate in the US?

As of July 1, 2017, ICE’s Average Daily Population (ADP) was 38,613. ICE uses 201 authorized adult detention facilities nationwide (not including family facilities) to house 93% of the Fiscal Year 2017 (FY17) Average Daily Population.

ICE uses these various kinds of facilities to meet the agency’s detention needs while achieving the highest possible cost savings for the taxpayer. Bed day rate for the second quarter of FY17 was about \$125.

- Five government-owned Service Processing Centers (SPC), housing 9% of the FY17 ADP. SPCs are staffed by a combination of federal and contract staff.
- Eight Contract Detention Facilities (CDF), housing 18% of FY17 ADP. CDFs are facilities owned by a private company and contracted directly with the federal government.
- 12 dedicated Intergovernmental Service Agreements (IGSA) facilities, housing 26% of FY17 ADP. Dedicated IGSA facilities enable ICE to contract with a local government entity for exclusive use of the facility, and the local governmental entity contracts for facility staffing/operations.
- 82 non-dedicated IGSAs, housing 21% of FY17 ADP. At non-dedicated IGSAs ICE will contract for partial use of the facility.
- 94 facilities with a USMS Intergovernmental Agreement (IGA), housing 20% of FY17 ADP. At USMS IGA facilities, ICE obtains bed space through an existing agreement that each facility maintains with the USMS.
- The remaining percentage of FY17 ADP are housed in various other facilities.

How many detention centers are in Colorado?

(b)(4)

I have heard there is construction at the detention center in Aurora - is it expanding? If so by how much?

Since the detention facility in Aurora, CO, is run by the GEO Group, this information should be supplied by this organization: media@geogroup.com

Those detained can work 8 hours a day for \$1 pay is that correct?

Since the detention facility in Aurora, CO, is run by the GEO Group, this information should be supplied by this organization: media@geogroup.com

What percentage of detainees are deported? What percentage are released?

There is no one answer to your questions. Aliens are released from ICE custody for various reasons: bond out, own recognizance, order of supervision, orders of an immigration judge. However, release from ICE custody may not mean that these aliens have a legal status to permanently remain in the United States. Some of those detainees released from ICE custody may eventually may be removed to their country of origin. Nationally, of the 18,372 criminal aliens released in FY 2016, 10 percent were released pursuant to the requirements of the Zadvydas precedent, 58 percent pursuant to a bond order issued by immigration judges, and the remaining 32 percent were released in accordance with existing laws, regulations, and policies.

What is the ICE policy about how to handle detainees upon release? Are there any systems in place to help them contact family, go to the bus or airport? Any systems in place to help them transition into America?

(b)(5)

Is GEO paid by ICE for a certain number of beds, no matter the occupancy? What is that number? How is GEO paid? (numbers provided locally)

(b)(4)

Casa de Paz is a house that offers a place to stay to recently released detainees - do you have any comment on the Casa?

ICE routinely cooperates with many charities that cater to assisting aliens.

Thanks for your response. Here are my questions:

How many beds at the detention center in Aurora?

How many people are released on average each day? Week?

How many people are currently detained in Aurora?

How many detention centers does ICE operate in the US?

How many detention centers are in Colorado?

Hello,

My name is (b)(6); (b)(7)(C) and I am a reporter with the Denver Post writing about Casa de Paz, a house located just near the detention center in Aurora that offers released detainees a place to stay as they make travels plans and acclimate to the United States.

I have questions about the detention center in Aurora - about the number of beds and detainees in the facility, and the procedure when detainees are released. I am hoping to speak to you sometime today to help answer these questions and others I have. I also left you a voicemail on your office line.

Thanks so much and hope to hear from you soon,

Phil –

Can you take a look at the email below and the attached letter from the State of California. I was thinking it would be good if my legal folks talked to yours. If you agree, could you give me a point of contact and phone number? If you have a better plan please let me know. I hope all is well and look forward to catching up soon.

Good afternoon,

Please see the attached letter from the California Attorney General's office requesting a tour of the Otay Mesa facility. I have researched the stated legal

grounds for this visit and found the request is valid. The proposed dates are December 12 or January 9. A response is requested by November 22, which is less than a week away. Please consider who should be on site when this visit occurs. Our customer also needs to be notified. I will set up a call to determine which date you prefer and to make sure you have any assistance you need from me.

RE: Immigration Detention Facilities Review

(b)(6); (b)(7)(C)

We write to schedule an initial visit and tour of the Otay Mesa Detention Center. This visit and tour will be conducted pursuant to Government Code Section 12532, as well as the Attorney General's authority under the California Constitution, article V, section 13.

Government Code section 12532 requires the Attorney General to engage in reviews of county, local, or private locked detention facilities in which noncitizens are being housed or detained for purposes of civil immigration proceedings in California. Section 12532, subdivision (c) specifically provides that the Attorney General's Office "shall be provided all necessary access for the reviews and observations required pursuant to this section, including, but not limited to, access to detainees, officials, personnel, records, and any other information."

We have made arrangements with our review team to visit and tour Otay Mesa Detention Center on one of the following dates: Tuesday, December 12, at 10:00 a.m. or Tuesday, January 9, at 10:00 a.m. Please let us know by November 22, 2017, if the facility is unavailable on any of these dates. Thereafter, we will contact you to confirm the date of our visit and to discuss details.

As part of the tour, we request access to housing units, administrative and disciplinary segregation units, medical units and any areas where medical attention is provided, the law library, the dining facilities and food preparation areas, laundry facilities, the indoor and outdoor recreation areas, the commissary, the visitation and legal visitation areas, and all areas in which detainees have access to telephones. During the tour, we will need to informally speak with detainees and facility staff as time allows.

Prior to our visit, we also request a copy of the Facility Handbook and other materials distributed for detainee orientation; blank Detainee Request forms, Detainee Medical Request forms, Detainee Dental Request forms, and Detainee Grievance Forms; a current menu for

November 16, 2017

detainees and inmates; a current schedule of programs, events, and activities for detainees and inmates; instructions on how to place calls to legal providers, consulates, immigration and federal courts; and instructions on how to request a confidential telephone call. In addition, we request that a telephone PIN number and law library computer password be made available during the visit.

Please feel free to contact Deputy Attorney General Shubhra Shivpuri at (510) 879-0270 or shubhra.shivpuri@doj.ca.gov should you have any questions. Thank you very much for your anticipated cooperation in this matter. We look forward to your prompt response.

Gentlemen,

FYSA - Attached are letters from the CA AG's office we received today via regular mail to visit and tour Adelanto and Mesa Verde pursuant to the new state law that was enacted recently. I have instructed our facility administrators to provide a copy of the corresponding letter to the local ICE AFOD and our response for their records. As noted

in our response, we informed the AG's office that any such request needed to be presented to the local ICE office for consideration.

I would have included (b)(6); (b)(7)(C) on this email but I don't have his current email address - please pass along my apologies. Let me know if you need any additional information or action from us.

I'm guessing they want to meet with (b)(6); (b)(7)(C) because they want us to start paying them 9/1, as soon as the certificate of occupancy was issued.

Yes, the contract and questions and answers should have been handled differently.

Attached hereto are the initial proposed layouts and scheduling for reopening Phase One and also for a new stand-alone 960 beds at STFRC. We continue to refine these plans and work on the schedule and are also developing an alternative for tents. Please do not hesitate to reach out with questions or comments regarding this initial document. We will quickly process feedback and adjust as needed.

Again, thank you for your patience as we developed these alternatives.

All – a quick update as I realize it is getting late in the day. We are actively working to finalize the items we are preparing regarding a reopened Phase One and an expanded housing. We are awaiting a few final pieces from Target. It may be tomorrow before we are able to finalize the entire package to send but it will be

no later than tomorrow. I apologize for the time it is taking us to develop the plan and schedule. There are many moving pieces and, as always, we endeavor to provide the best information possible.

I was just looking at phase 1 at Dilley along with (b)(6); (b)(7)(C) and several other folks from Corecivic. The ICE COR (b)(6); (b)(7)(C) was also on the tour.

We are working on all of the issues below. We hope to have some of your requested information in the next few days.

I just boarded a plane. I can give you a call tomorrow morning. I should have WiFi depending on the coverage.

Please let me know if you have any other questions.

Hello (b)(6); (b)(7)(C)

Tae wanted to follow up on the below, are there any updates
Tents/Cottages/expanded intake or discharge or costs on renovating
rooms in more neighborhoods?

Also any estimates on delivery time or costs for the two new
neighborhoods?

I am happy to have a call if that's easier.

Thanks!

There may be issues with accepting bodies in La Palma on Tuesday if this medical issue isn't resolved. Just a heads up. Medical staff not cleared and since IHSC provides medical at Eloy, we can't detail staff from next door like we are doing with the guards.

We will certainly ask PSU, but they will want to know what type of vetting has been done. It is possible that PSU may consider something really temporary if core civic certified that something meaningful had been done (not sure what that would look like), but we need to know what type of screening has taken place. PSU may not go for it, but we can check.

FYI. Our AFOD just informed me that they (ICE) will not grant any waivers for Lapalma staff. As such, they must await their EOD clearances prior to contact with ICE detainees. That includes medical. They have asked that we (Core Civic) TDY our Core Civic medical staff with ICE clearances to Lapalma until such time as their clearances are approved. I said that I would ask but doubt we have anyone available. In addition, the Eloy IHSC medical staff (who this past year have TDY assignments to Puerto Rico, Stewart and Houston) are saying they will not TDY across the street. I am not sure how we can have detainees at Lapalma with no access to medical staff to assess/treat and medicate.

Hi Everyone,

Here is the latest update on the Folkston Annex. We received the signed NEPA CATEX this afternoon. Unfortunately, Charlton County told GEO they would not be able to review and sign the modification any earlier than Thursday when they will be having their county commission meeting. So it seems we are on hold for a couple more days. Is there any update on the funding?

Dear

(b)(6); (b)(7)(C)

In your response letter you state the following: “GEO believes that the Notice to Proceed date of September 1, 2018 was formally established and that the guaranteed minimum is effective at the time of NTP.” However, that is a clear misinterpretation of the letter that GEO acknowledges receiving on July 25, 2018. It states: “...the Government’s intention to start the 2 Month Transition Period (CLIN 0009) on September 1, 2018 through October 31, 2018. Prior to the start of the transition period, ICE reserves the right to conduct a final walk-through of the facility and conduct any other necessary assessments to ensure contract compliance and that the facility is ready to begin accepting detainees.”

This language is very clear and lacks any ambiguities that the 2-month transition period, to which GEO proposed no costs, is effective 9/1, and not the start of the base period of performance. Exercise of the 2-month transition period is a right of the Government, and was not a determination for GEO to have made and started without the Government’s notice, just as any other option period. Therefore ICE refutes GEO’s statement that the transition period has already concluded, and maintains its position that 9/1 starts the 2-month, no cost transition period. At the end of that transition period the base period, including the 750 bed guaranteed minimum would take effect and GEO will be allowed to bill.

Tae,

See below bullets about an ATD participant that has been arrested and charged with multiple felony offense of rape, oral copulation, forcible sexual penetration and endangering/causing injury to a child. He was released from custody onto ATD/GPS claiming that the child was his, which was later discovered to be false.

Gentlemen,

I wanted to make you aware of the arrest of a Fresno ISAP participant on multiple felony counts related to sexual contact with a 13 year old female who was living with the participant; the charges against the participant include rape and endangering/causing mental injury to a child. The participant had been hospitalized, and was taken into custody upon his discharge from the hospital. He was booked into Fresno County Jail, and bail has been set at \$310,000. At this point, we are not aware of any media coverage regarding the arrest. However, given the nature of the charges, I wanted to make sure that you were aware of the arrest. FYI. Our AFOD just informed me that they (ICE) will not grant any waivers for Lapalma staff. As such, they must await their EOD clearances prior to contact with ICE detainees. That includes medical. They have asked that we (Core Civic) TDY our Core Civic

medical staff with ICE clearances to Lapalma until such time as their clearances are approved. I said that I would ask but doubt we have anyone available. In addition, the Eloy IHSC medical staff (who this past year have TDY assignments to Puerto Rico, Stewart and Houston) are saying they will not TDY across the street. I am not sure how we can have detainees at Lapalma with no access to medical staff to assess/treat and medicate.

Attached is the completed Detention Services Cost Statement (DSCS). Please note that the DSCS represents ICE's usage of 1,000 of the 3,000 beds at the La Palma facility. Costs included in this DSCS are allocated to ICE based on the ratio of total bed usage. Let me know if you have any questions. Thanks.

Are you are aware, ICE is proposing to modify the City of Eloy IGSA (DROIGSA-06-0002) to include the La Palma facility as a place of performance.

After reviewing the Eloy IGSA, and talking to ERO/Custody Management about the proposed arrangement, I have the following initial questions:

1. Will the City of Eloy agree to add La Palma as another Place of Performance on the Eloy IGSA? (b)(5)
(b)(5)
2. Will there be a Guaranteed Minimum at La Palma (b)(5)
3. How many beds are available at La Palma for use by ICE?
By USMS? (b)(5) Adult
Males? (b)(5)
(b)(5)
4. Is La Palma currently staffed to meet PBNDS 2011? (b)(5)
(b)(5)
Will CoreCivic provide both medical and transport? (b)(5)
5. What is the proposed bed day rate? (b)(5)
(b)(5)

And what does it include? (we will need cost details to analyze the bed day rate). Will the bed day rate be the same as the City of Eloy bed day rate? (b)(5) What will the transportation rate be (if transportation will be provided)?
(b)(5)
6. Is the address for the La Palma facility 5501 North La Palma Road Eloy, AZ 85131? (b)(5) La Palma is in Pinal County, AZ, correct? Not California? (b)(5)
(b)(5)

I will be out of the office tomorrow through next Monday, but will monitor my e-mail. If you can have the answers back to me by 8 am on Tuesday, June 26, 2018, I would greatly appreciate it.

Thank you,

Subject: Adelanto GEO Contract
Importance: High

Hello (b)(6); (b)(7)(C)

As you may be aware, GEO's outside attorney, Cooper & Kirk, the California's Department of Justice (Cal. DOJ) and ICE have been communicating about requests from the Cal. DOJ for the medical records of detainees to in connection with Cal. DOJ's site visit to the Adelanto Detention Facility. This email is further to communications by GEO's outside attorney, Cooper & Kirk, to ICE's Government Information Law Division. This email serves as written authorization for GEO to comply with Cal. DOJ's request for access to detainee's medical records, absent any individualized consent from the individual to whom the records pertain.

Your attorney has cited to Section C, Subsection V. A. of the contract where it states that "[i]nformation from a detainee file will be released to an outside third party only with the detainee's signed release-of-information consent form. Any release of information will be in accordance with applicable Federal and state regulations." In addition to this language in the contract, ICE further highlights Section II, Subsection C (a), *Records Access*, where it states that "[e]xcept as provided below in paragraph (b), all records acquired or generated by the contractor in its performance of this contract or as a result of this contract, including records classified as Privacy Act systems or records, are federal records under the control of ICE and

shall be subject to disclosure only pursuant to the provisions of applicable federal laws, regulations, and executive orders or as ordered by a court. . . . [T]o the extent the contractor intends to release the contract or any information relating to the contract, the contractor agrees to coordinate with the ICE Contracting Officer prior to such release.” Additionally, Section II, Subsection D, *Inspection by Regulatory Agencies*, states that “[w]ork described in the contract is subject to inspection by other Government agencies. The contractor shall participate in responding to all requests for information and inspection or review findings by regulatory agencies.”

As ICE has communicated previously, ICE considers the Cal. DOJ request for detainee medical records, federal records under the control of ICE, to be a request pursuant to (b)(7) of the Privacy Act of 1974, whereby prior written consent of the individual to whom the record pertains is not warranted. Therefore, given that these are federal records, which ICE has the authority to disclose pursuant to Federal law, ICE authorizes GEO to provide such access to medical records to Cal. DOJ in its site visit to Adelanto. Such access is consistent with the full requirements of the contract to include those provisions referenced above, and with Federal law.

Tae,

Here is the original request from CA AG and our response.

Our outside counsel (b)(6); (b)(7)(C) met with OPL (b)(6); (b)(7)(C) regarding the CA AG request about ten days ago. They have a follow-up meeting tomorrow. I received some additional clarification for our legal team, our intent is to deny their request but that would depend on the outcome of tomorrow's meeting with OPL.

Let me know if you need anything else.
