RE: FOIA Request No. 2019-05253

Dear Ms. Rasheed:

This is the eleventh and final release in response to the above referenced Freedom of Information Act (FOIA) request submitted by Bianca Tylek, Worth Rises Executive Director and Austin Evers, American Oversight Execution Director.

Enclosed with this determination letter are five (5) pages of records processed in response to Request No. 2019-05253. After careful review, our office determined one (1) page is appropriate for release in full, two (2) pages are appropriate for release in part and two (2) pages are duplicates. Records were redacted under the following FOIA Exemption:

> (b)(6) – allows the withholding of records or information when release thereof would constitute a clearly unwarranted invasion of personal privacy of third parties.

See 5 U.S.C. § 552 (b)(6). Copies of releasable records are enclosed.

If you have questions about this response please feel free to contact the undersigned, this office, or the Federal Bureau of Prisons' (BOP) FOIA Public Liaison, Mr. C. Darnell Stroble at 202-616-7750, 320 First Street NW, Suite 936, Washington DC 20534, or ogc_efoia@bop.gov.

Sincerely,

Kara Christenson

Hi Deb,

I'm sure you are busy winding down things down this month. However, below is an invitation to meet with the GEO Executive VP for Compliance and auditing and their Chief Medical Officer. I have previously reached out before the shutdown and consequently canceled ACA participation to meet with them in regard to our audit process and their finding trends. I'm not sure if you or your staff are interested or willing to meet and we have no obligation. If you are interested, please let me know you or your staff's availability. Thanks -

Good morning (b)(6)

Thanks for the quick response. I look forward to discussing the audit process with you. On the medical side, our Chief Medical Officer, (b)(6) is coming and he had hoped to have a chance to sit down with A.D. Dr. Deborah Schult, or someone on her staff, to discuss heathcare issues generally. As my folks audit health services too, I assumed it would great to participate as well. Thoughts?

Thanks.

Hi (b)(6)

Thanks for reaching out. I am certainly interested in getting together and learning your perspective of our audit process. With regard to healthcare staff, is there a particular area of expertise you are looking for or just staff in general? Thanks - Dave

Mr. Shinn:

I hope this message finds you well. A few of my colleagues and I will be in D.C. on April 16th and 17th to meet with USMS and ICE. I was wondering if you and perhaps some of your health care colleagues might be free for a short liaison meeting?

Thank you.
