Chris,

Unisyn and Adkins would like to thank you for the opportunity afforded us last week. Our team was very optimistic about the interest shown in the Unisyn Voting System solutions and some of the advanced features the system and software offer not before seen.

As we told you, we were well received by the three metro counties. We look forward to the March Conference and meeting with many of the counties across the state between now and then.

We wish you and your family a very Merry Christmas and a Happy New Year.

Barry,
Our office is at 2 MLK Jr. West Tower Room 810, Atlanta, GA. 30334.
The parking is a little tricky, but the best place is the Pete Hackney Parking Deck on Jesse Hill Drive (the deck is behind the Towers.)
Come to the 8th Floor of the West Tower to the Elections Office where I'll meet you and set you up in our large conference room.

My cell number is below in case you get lost or turned around.

Be aware that 2 MLK Jr. Drive is directly across the street from the state capitol.
There is another MLK Jr. Drive south of the city that GPS directions sometimes erroneously lead people to.

Chris,

I received your voicemail from this morning and am confirming the demonstration for 9 AM on the 14th of December. Our team will plan to arrive between 8:00 and 8:30 AM to set up so we are ready to begin by 9 AM.

If that works for you and your team, please send me directions and/or location details and any pertinent information we may need to have for the demonstration.

We greatly appreciate the opportunity to introduce ourselves and the Unisyn Voting Solutions full suite of voting system products. Joining me will be our Georgia representative, Henry. M. Adkins and Sons, Inc. Adkins team members attended the recent conference and have visited with many counties across the state over the last several months. In every case, they and our products have been well received.

Thanks again.

We look forward to the 14th.

Chris,

We are headed downtown in the morning from our hotel in Buckhead at 7 AM so we may arrive by 8 AM in case of traffic.

We will take your advice as to parking, but wonder which entrance should we use to enter the building? Can we unload the equipment in a garage below the building or should we unload at the side walk, park and then bring the equipment to the 8th floor?

If you get this message before we arrive at 8 AM, please let us know how you would prefer we unload and enter the building.

Thank you. We look forward to the meeting. We have had excellent reception this week from Cobb, Gwinnett and Fulton Counties.

I got your email and message. I tried responding, but I got a bounce-back notice.
I believe 12-14-17 will work for a demonstration of your voting system solution in our office, but I'll check with others in our office and confirm.
I was out last week on a family medical issue, so I apologize for my delayed response.
I'm travelling throughout the state almost all this week, but I'll try to call you back from the road today or tomorrow.

Mr. Harvey.

Chris Ortiz, Unisyn's Director of Product Development and Certification, passed on comments from your conversation regarding Unisyn Voting Solutions, Inc. demonstrating our voting system to you and your staff sometime in December.

As Chris may have told you, we have system demonstrations scheduled Monday, December 11th, Tuesday December the 12th and Wednesday the 13th with Cobb, Gwinnett and Fulton Counties. We would be very happy to provide a demonstration to you and your staff on the 14th, or could possibly do the same on the afternoon of the 12th or the morning of 13th.

If any of these dates might work for you, please let us know and we will accommodate.

We look forward to the beginning of a relationship with the State of Georgia and learning how we may be able to provide a viable solution for the counties as you consider replacing the current voting system technology in the future.

Thank you for your interest in Unisyn Voting Solutions, Inc.

Have a very enjoyable Thanksgiving. I left a lengthy voicemail on your direct line this morning explaining the same information as contained within this email. .

Subject: Unisyn System demonstration

Mr. Harvey,

Chris Ortiz, Unisyn's Director of Product Development and Certification, passed on comments from your conversation regarding Unisyn Voting Solutions, Inc. demonstrating our voting system to you and your staff sometime in December.

As Chris may have told you, we have system demonstrations scheduled Monday, December 11th, Tuesday December the 12th and Wednesday the 13th with Cobb, Gwinnett and Fulton Counties. We would be very happy to provide a demonstration to you and your staff on the 14th, or could possibly do the same on the afternoon of the 12th or the morning of 13th.

If any of these dates might work for you, please let us know and we will accommodate.

We look forward to the beginning of a relationship with the State of Georgia and learning how we may be able to provide a viable solution for the counties as you consider replacing the current voting system technology in the future.

Thank you for your interest in Unisyn Voting Solutions, Inc.

Have a very enjoyable Thanksgiving. I left a lengthy voicemail on your direct line this morning explaining the same information as contained within this email. .

Regards,

Barry Herron
