Case No. FL-2020-00022

Daniel McGrath
American Oversight
1030 15th Street NW, Suite B255
Washington, DC 20005

Dear Mr. McGrath:

As we noted in our letter dated December 21, 2021, we are processing your request for material under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552. The Department of State has identified an additional 188 responsive records subject to the FOIA. We have determined that all 188 records may be released in part.

An enclosure explains the FOIA exemptions and other grounds for withholding material. Where we have made redactions, the applicable FOIA exemptions are marked on each document. All non-exempt material that is reasonably segregable from the exempt material has been released and is enclosed.

We will keep you informed as your case progresses. If you have any questions, your attorney may contact Trial Attorney Joshua Abbuhl at Joshua.Abbuhl@usdoj.gov or at (202) 616-8366. Please refer to the case number, FL-2020-00022, and the civil action number, 19-cv-03387, in all correspondence about this request.

Sincerely,

Jeanne Miller
Chief, Programs and Policies Division
Office of Information Programs and Services

Tab 1 – Talking Points

Good morning. I would like to add my congratulations to our hard-working and invaluable LE Staff on their first salary increase in a very long time.

Without you, we would be far less productive. Your expertise leads to our success.

We depend on you every day, for political and economic analysis, for public and media outreach, for logistic support for our offices, for assuring that our large number of high-level visits are always a success, and the support you give to our families.

We greatly appreciate the hard work you do, and your dedication serving the U.S. Government.

AMERICAN OVERSIGHT

It has been a priority of mine, and of Ambassador Gidwitz, to strongly convey to our colleagues in Washington that we do not feel that your salaries are commensurate with your responsibilities and work. We have done this at every opportunity, and we are very glad that they finally listened and moved our embassy staff higher to a more competitive level of the labor market.

You deserve it! I want to extend my heartiest congratulations to all of you. I hope this makes your day as it did mine!

At this time Management Counselor Michael Mullins and HR representative (b)(6) will address any questions that you might have.

Good afternoon,

We confirm the following services:

- ARRIVAL Brussels SN3721 at 11:50 (1 passenger) – November 28th → TERMINAL 2
- ARRIVAL London IB3163 / BA7053 at 12:40 (2 passengers) – November 28th → TERMINAL 4
- DEPARTURE Amsterdam KL1698 / DL9500 at 06:00 (1 passenger) – November 30th → TERMINAL 2
- **DEPARTURE Brussels IB3210 at 11:25 (1 passenger) – December 1st → TERMINAL 4**

Regarding the **arrivals** for tomorrow, please inform passengers that they will be picked up at the main plane door step with a Premium Lounge sign to avoid unexpected situations. Please request a name, nickname or agency logo on the sign if needed. On the **arrival**, passengers must sign the authorisation for luggage pick up for security forces (this will be done by the Premium personnel). The **arrival from Brussels** will be held in **Terminal 2**, therefore baggage collection is done directly on the ramp area right after the plane is unloaded. Afterwards it is carried to terminal 4 for security controls, the waiting time may be slightly affected. Meanwhile the passenger can wait comfortably at our lounge. The same will happen with the **arrival from London**. However, this flight arrives in **Terminal 4**. Baggage collection takes place in the baggage belts at lounge 11 (terminal 4), while passengers also wait at Premium Lounge.

In relation with the **departure to Amsterdam**, the flight is operated by KLM. This airlines requires mandatory presence of the passenger for check-in. The check-in process takes place in **Terminal 2**. For logistics and operating reasons, the delivery of documentation and baggage must be done at these terminal 2 hours before the flight time (@4am). The, the passenger can wait to board at our lounge. On the other hand, in case of the **departure to Brussels**, the flight takes place in Terminal 4. Documentation and bags must arrive at our lounge also 2H before the flight time (@09:25am). Here, a driver may bring them without the passenger. The ambassador can arrive at least 50mins before the flight time.

As you can see, for all these services, especially for services in Terminal 2, it is important you confirm as soon as possible the number of checked bags the passengers will carry with them and most importantly, the drivers' details (names + phone number) for previous organization.

Finally, as in phone conversation, Mr. Sondland can pay at our Lounge with his own credit card. If you would like to pay online, you can find the link in any budget attached to this email. Two budgets have been made, as 1 service is in December. We provide 1 budget per month, indistinctly the number of services during a month. Please, name the budget number given in order to identify your payment when doing the online transfer or online payment, and attach your payment receipt via email.

We are looking forward to pending details. Any questions, please do not hesitate to contact us, we will be very pleased to assist you.

Kind regards,

Thank you. The Ambassador will be paying for the service himself as a private citizen; it is not a business or official expense. I could share the billing address associated with his credit card with you, but unfortunately I do not understand what you mean by tax information. Could you please explain in a bit more detail what you are seeking when you say tax information? Or perhaps you can explain how your online payment works? Usually for similar services we just enter the credit card info online. If it is easier to explain over the phone, I can call tomorrow morning.

Thank you,

AMERICAN OVERSIGHT

We confirm we will do the 4 services in total, but we need the Tax Billing information in order to create the budget and set all up. Plus, the Tax ID information is helpful for sending the invoice to the address mentioned by your company, approximately 15 days after the services are done.

We are looking forward to it. Please provide it as soon as possible.

Dear Mr (b)(6)

Just to follow-up on our phone conversation earlier.

As mentioned, a phonecall today will unfortunately not be possible for the President-elect.

However, tomorrow Wednesday 24/07 will be possible during this time slot 14:00-17:00 (CET).

May I very kindly ask you to suggest a 30 minute slot during the above time slot what would be convenient for the Ambassador?

Thanking you in advance.

Kindest regards,

Biography
Ursula von der Leyen

Ursula von der Leyen (born on October 8, 1958), is a Belgian-born German politician who was the first woman to serve as Germany's Minister of Defense (2013–19). In July 2019, she became the first woman to be elected president of the European Commission.

Von der Leyen is a leading member of the Christian Democratic Union (CDU) and has served in each of Chancellor Merkel's four governments, including as Minister for Family, Senior Citizens, Women, and Youth (2005-2009), as Minister for Labor and Social Affairs (2009-2013), and since 2013 as Defense Minister, traditionally one of the most challenging cabinet portfolios.

She has long been rumored to have European-level ambitions, and she floated her name as a potential successor to NATO Secretary General Stoltenberg prior to his most recent extension. Fluent in English and French, and having spent significant time in the United States and working with her U.S. defense counterparts, VDL is well-placed to help lead the EU in a way that preserves transatlantic ties. However, in Berlin she has ultimately not been able to deliver on or boost significantly German defense spending and reform the moribund Bundeswehr procurement system. While she is a strong advocate of a more integrated European defense union, she is always careful to cast this in terms complementary to NATO and the transatlantic defense partnership.

She studied economics (1977–80) at the Universities of Göttingen and Münster as well as at the London School of Economics but never graduated. Instead, she went into medicine and graduated (1987) from Hanover (Germany) Medical School (MHH). She is married and has seven children.
