SUBJECT: Fourth Interim Release OIG Freedom of Information Act Request No. 2019-111

This is the fourth interim response to your Freedom of Information Act Request dated September 30, 2019 addressed to the Department of State (DOS) Office of Inspector General (OIG) seeking:

“all email communications (email messages, email attachments, calendar invitations, and attachments thereto) sent or received by Inspector General Steve Linick regarding any potential or submitted whistleblower complaints involving allegations that concern the conduct of Secretary Mike Pompeo.”

Your request was received in this office on October 3, 2019. Your request was given the FOIA Case number of 2019-111. DOS OIG previously made three interim releases to you on August 17, 2020, September 17, 2020, and October 17, 2020.

FOIA 2019-111:

For the fourth interim response DOS OIG searched the OIG's Office of Investigations, Office of Evaluation and Special Projects, Office of General Counsel, and the Front Office (which, as previously discussed by DOJ Counsel is an unclassified email account). Per DOS OIG's agreed upon production schedule, DOS OIG reviewed 1200 records and identified no additional responsive records responsive to your request. DOS OIG will continue to process the potentially responsive documents at a minimum of 500 records per month.

Appeal

Although I am aware that your request is the subject of ongoing litigation and appeals are not ordinarily acted on in such situations, I am required by statute and regulation to inform you of

your right to file an administrative appeal.¹ If you choose to file an administrative appeal it must be received within 90 days of the date of this response. Please address any appeal to:

¹ For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
